EXECUTIVE SUMMARY

On February 18, 2014, the City of Placentia formed Community Facilities District No. 2014-01 (“CFD”, or “District”) in accordance with the Mello-Roos Community Facilities Act of 1982. The District was established by a majority vote of landowner electors to provide public safety services associated with new development within Placentia including, but not limited to, police protection, fire protection, and ambulance and paramedic services. The services would be partially paid for through the levy of a Special Tax on real property.

This Report summarizes the purpose of the Special Tax, method of apportionment, and other related data as required by the Mello-Roos Community Facilities Act of 1982 (Government Code § 53343.1).

The Special Tax was collected for the first time in fiscal year 2014-15. In future years, the Special Tax will continue to be collected and its revenue will continue to be used to provide public safety services.

SERVICES AND FACILITIES

The types of services and facilities to be funded by the District include: Police protection services and fire protection and suppression services, including but not limited to 1) the costs of contracting services, 2) equipment, vehicles, ambulances and paramedics, fire apparatus, supplies, and 3) the salaries and benefits of City staff that directly provide police protection services and fire protection and suppression services and other costs associated with providing such services within the District.

RATE AND SPECIAL TAX METHOD OF APPORTIONMENT

The adoption of the Special Tax in 2014 authorized the City to levy the Special Tax at a rate of $225.00 per single-family residential unit and $170.00 per multi-family residential unit for fiscal year 2014-15. The special tax allows for an inflationary adjustment equal to the greater of 5% or the Los Angeles – Riverside – Orange County Consumer Price Index (CPI). The full Rate and Method of Apportionment is included in Exhibit B.

The Special Tax rates for fiscal year 2017-18 and 2018-19 are shown in the following Figure.

BONDED DEBT

No bonded debt has been issued by the City for this District.
ADMINISTRATION OF SPECIAL TAXES

GENERAL ADMINISTRATIVE REQUIREMENTS

The Mello-Roos Community Facilities District Act of 1982 (the Act) requires that a Special Tax Report, or Annual Report, must be prepared annually to identify the Special Tax Rate for all parcels, the proceeds received, and the moneys expended for services, facilities, bonded indebtedness, and other administrative services.

The Special Tax levies are calculated for all parcels on the new fiscal year's assessor roll. This roll includes all parcels that are in existence prior to January 1 of the previous fiscal year. After the Special Tax levies have been computed, the levy data must be filed with the County Auditor prior to August 10 of each year for inclusion on property tax bills.

After submission of the Special Tax levies, the final levies should be confirmed with the County Auditor prior to the preparation of tax bills, which typically occurs in October. The Special Tax is collected in two installments on the tax bills that are due on December 10 and April 10.

USE OF PROCEEDS

All proceeds of the Special Tax levied and imposed shall be accounted for and paid into a special account designated for use of operations and maintenance of the District, pursuant to Government Code Section 50075.1(b) and (c).

NOTICES OF SPECIAL TAX LIEN

The Act states “For purposes of enabling sellers of real property subject to the levy of special taxes to satisfy the notice requirements of subdivision (b) of Section 1102.6 of the Civil Code, the designated office, department, or bureau shall furnish a Notice of Special Tax to any individual requesting the notice or any owner of property subject to a special tax levied by the local agency within five working days so receiving a request for such notice. The local agency may charge a reasonable fee for this service not to exceed ten dollars.”

In addition, any developer, subdivider or his or her agent or representative shall not sell or lease any property subject to the Special Tax until the prospective purchaser or lessee has been furnished with and signed a written notice of special tax lien.

PUBLIC INFORMATION

Property owners and other interested persons can obtain information regarding special tax levies and other information by contacting the City or SCI Consulting Group at telephone number (707) 430-4300 or (800) 273-5167. SCI Consulting Group telephone number is also included with property tax bills.
ASSESSOR AND AUDITOR FILING AND REPORTING

Special tax levies for the upcoming fiscal year must be filed with the Orange County Auditor on August 10.

DELINQUENCIES

The City participates in the “Teeter Plan” with the County of Orange whereby the County pays all delinquent special taxes to the City and in return the County institutes collection proceedings and, when collected, keeps all delinquent payments with interest and penalties. This plan allows the City to maintain reliable special tax revenues and reduces the cost of collection.

PREPAYMENT OF SPECIAL TAX

The Special Tax shall be levied in perpetuity for the purpose of financing ongoing authorized services and therefore may not be prepaid.

APPEALS

Any property owner claiming that the amount or application of the Special Tax is not correct may file a written notice of appeal with the CFD Administrator not later than twelve months after having paid the first installment of the Special Tax that is disputed. The CFD Administrator shall promptly review the appeal, and, if necessary, meet with the property owner, consider the written and oral evidence regarding the amount of the Special Tax, and rule on the appeal. If the decision of the CFD Administrator requires that the Special Tax for an Assessor’s Parcel be modified or changed in favor of the property owner, a cash refund shall not be made but an adjustment shall be made to the Special Tax on that Assessor’s Parcel in the subsequent Fiscal Year(s) to compensate for the overpayment of the Special Tax.
CERTIFICATES

The undersigned respectfully submits the enclosed Special Tax Report and does hereby certify that this Tax Report has been computed by me in accordance with the approved Special Tax methodology.

The CFD Administrator shall promptly review the appeal, and if necessary, meet with the property owner, consider written and oral evidence regarding the amount of the Special Tax, and rule on the appeal. If the decision of the CFD Administrator requires that the Special Tax for an Assessor’s Parcel be modified or changed in favor of the property owner, a cash refund shall not be made but an adjustment shall be made to the Special Tax on that Assessor’s Parcel in the subsequent Fiscal Year(s) to compensate for the overpayment of the Special Tax.

H. MANNER OF COLLECTION

The annual Special Taxes shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that the Special Taxes may be billed and collected at a different time or in a different manner if necessary to meet the financial obligations of CFD No. 2014-01.
