## PUBLIC WORKS DEPARTMENT

### Placentia Avenue Reconstruction Project

As part of an ongoing effort to repair public roads and improve pedestrian accessibility, the cities of Placentia and Fullerton have jointly initiated the Placentia Avenue Reconstruction Project. Both cities received Federal Arterial Pavement Management grant funds to reconstruct Placentia Avenue, a busy arterial roadway shared by both cities. This is a priority project, as the current roadway conditions require it to be completely rebuilt. The project limits are Placentia Avenue between Ruby Drive and Chapman Avenue. Construction is slated to begin **early June 2017**, with an estimated completion date in **late August 2017**. For additional information, please call the construction hotline at (714) 442-0010 or visit [www.placentia.org/placentiaproject](http://www.placentia.org/placentiaproject).

### Free Household Hazardous Waste Disposal

Leftover household products that contain corrosive, toxic, ignitable or reactive ingredients are considered household hazardous waste or HHW. Products such as plants, cleaners, oils, batteries, and pesticides that contain potentially hazardous ingredients require special care when you dispose of them. Orange County residents can dispose of their Household Hazardous Waste items for FREE at any of the County's four Household Hazardous Waste Collection Centers. For more information on Household Hazardous Waste Disposal, contact (714) 993-8189.

## Maintenance Division

This past week our staff performed various maintenance throughout the City. The Graffiti Crew removed graffiti per work order requests citywide. The Sign Shop repaired and replaced signs per work order requests. The Patch Crew filled in pot holes citywide and grinded raised sidewalks. The Ball Field Maintenance Crew worked on the infields at the Champions Sport Complex, Tuffree Park, and Tori Hunter field. The Facility Maintenance Crew completed work orders for City buildings. The irrigation Crew replaced existing irrigation controllers at Castner Drive & Rose Drive and Lowe Drive & Alta Vista Street. The Maintenance crews cleaned the downtown area and sidewalks on arterial Streets.

On **May 21<sup>st</sup>**, Public Works personnel responded after hours to replace a broken lock at the Gomez Center Pool. On **May 22<sup>nd</sup>**, staff responded after hours to pick up debris from a palm tree fire on Kraemer Boulevard. A reminder to our residents, the new number to report graffiti or dead animal pick up is (714) 993-8279.

# PLACENTIA AVENUE RECONSTRUCTION PROJECT

FACT SHEET

As part of an ongoing effort to repair public roads and improve pedestrian accessibility, the cities of Placentia and Fullerton have jointly initiated the Placentia Avenue Reconstruction Project. Both cities received Federal Arterial Pavement Management grant funds to reconstruct Placentia Avenue, a busy arterial roadway shared by both cities. This is a priority project as the current roadway conditions require it to be completely rebuilt. The project limits are Placentia Avenue between Ruby Drive and Chapman Avenue in addition to enhancing accessibility and safety.

The scope of work for this project includes the removal and replacement of the existing asphalt pavement and portions of the road base, as well as reconstructing damaged sidewalks, driveways, curbs and gutters, and ramps.

## WHAT TO EXPECT DURING CONSTRUCTION

Construction is slated to begin June 1, 2017, with an estimated completion date in late August 2017. Construction will take place Monday through Friday, 7 a.m. to 4 p.m. During construction work, one lane in each direction will be open to through traffic, however, there will be extended temporary lane closures in place. Driveway access may be temporarily impacted at times for those who have only one driveway.

Please observe traffic control and advisory signs that will be updated regularly to reflect current construction activities and schedules. Detour signs will be posted, and residents and businesses can direct their questions to the construction helpline at (714) 442-0010. Additionally, updates will be posted on the cities of Placentia and Fullerton websites [www.placentia.org/placentiaproject](http://www.placentia.org/placentiaproject) and [www.cityoffullerton.com](http://www.cityoffullerton.com).

## PROJECT HIGHLIGHTS

- Removal and replacement of aging pavement
- Improve access ramps to meet ADA requirements
- Restore damaged sidewalks, driveways, curbs and gutters

## KNOW BEFORE YOU GO!

- Travel on Placentia Avenue will be limited to one-lane of traffic in each direction; motorists should expect delays.
- It is recommended that motorists use alternative routes, if possible.
- Construction is scheduled June 1 to August 31, 2017

## Significant Emergency Incidents

### Silverado

**Remote Rescue – May 19** – At 3:09 p.m. Battalion 3 was dispatched along with Helicopter 2, Patrol 14, Patrol 16, Engine 370 (out of FS15), Engine 54 and a CARE Ambulance to the Doppler radar tower for a mountain biker down. B3 was at RFOTC and responded directly from there with FC Hughes as an aid. Prior to arrival HC2 arrived on station and began a search with B3 still an estimated 7 minutes out. HC2 found the patient and began treatment. ECC contacted B3 and stated Duke 1 was ready for response. B3 cancelled them since HC2 had already located and made patient contact. All ground units were told to respond to the Black Star gate and stage. E370 was sent in directly to assist HC2. HC2 reported that patient was packaged and determined to be a trauma patient. They lifted off and transported directly to OC Global. All ground units put AOR. B3 contacted ECC and requested that CNF be notified.

**Incident Commander:** Chief Gomez, B3

### Camp Pendleton

**Assist Request – May 19**– Helicopter 2 was requested by MCP for assistance on the Deluz Fire at 4:38 p.m. HT41 responded for support. HC2 completed their assignment at 8:19 p.m. and returned to FLF at 8:39 p.m.

**Incident Commander:** Camp Pendleton

### Silverado Unincorporated

**Vegetation Fire – May 19** - A vegetation fire was reported approximately 100 feet from the gate at Silverado Canyon Rd/ Maple Springs Rd., SLU at 9:55 p.m. CNF was notified for a fire in FRA. Threat to SRA notifications were made to South Ops Duty Chief. Engine 14 reported a 10' x 10' spot topography driven at 2225. E14 identified charcoals burning with no rate of spread. The fire was extinguished at 10:29 p.m. A scratch line around the fire was complete at 10:49 p.m., E370 confirmed the fire was cold. CNFD2 arrived on scene at 11: 25 p.m. and assumed Maple IC. All OCFA units were released and the incident transitioned onto Forest-Net.

**Incident Commander:** Chief Gomez, B3  
**Cause:** Under investigation

### Irvine/Unincorporated

**Vegetation Fire – May 19** - At 6 a.m. a vegetation fire response we dispatched to the area of the NB 261 south of Santiago Canyon Road. First arriving units found a mid-slope vegetation fire that had a moderate rate of spread that was slope driven. With the fire intensifying the IC requested the balance of the Medium Vegetation Fire response. The fire was knocked down at approximately 6:30 a.m.

**Incident Commander:** Chief Gomez, B3  
**Cause:** Under investigation

### Orange Unincorporated

**Remote Rescue – May 20** - At 12:45 p.m. a Remote Rescue response was dispatched to the area of Black Star Canyon Rd near the Black Star Falls. As ground units started up the trail Helicopter 2 arrived over the scene and was able to locate the patient and inserted their paramedic rescuer at 1:05 p.m. After an evaluation it was determined that a hoist extraction would be needed. It was preformed and the patient was taken to OC Global for further evaluation and treatment. As the ground units were making their way out of the canyon area they came across another person needing medical assistance for hypertension. An ambulance was requested to respond and was able to drive to the patient's location. She was transported to Garden Grove Medical Center for further evaluation and treatment.

**Incident Commander:** Chief Harrison, B7

**Irvine**

**Vegetation Fire – May 20** - At 3:47 p.m. a Vegetation Fire response was dispatched to the area of extreme east end of Irvine Regional Park. Duke3 arrived overhead of the fire and gave in coming units a report on conditions: approximately ½ acre of medium brush burning on the north side of the river bottom. Ground units arrived on scene and began an aggressive hose lay attack on the fire. HC2 arrived on scene and Duke3 cleared the fire traffic area. HC2 confirmed that the fire was contained and they would remain in the area for observation. CHP, S.O. were both requested by the investigators to assist with interviewing witnesses.

**Incident Commander:** Chief Johnson, B3  
**Cause:** Under investigation

**San Juan Capistrano/Unincorporated**

**Remote Rescue – May 21** - At 4:02 p.m. a Remote Rescue response was dispatched to the area of Ortega Hwy and Hot Springs Canyon Rd. First arriving units found the patient near a creek bed with a head and other injuries from a fall. It was determined that the patient should be flown to Mission Hospital. HC2 did a hoist extraction and flew direct to the hospital arriving at 5:08 p.m.

**Laguna Beach**

**Remote Rescue – May 21** - At 5:10 p.m. Laguna Beach fire requested the assistance of HC2 with the transport of a patient that had fallen, while slack lining, near Tower Table Rock and was on the beach with a back injury. HC2, having just landed at Mission Hospital was contacted and able to take off shortly to assist. HC2 lifted off Mission Hospital at 5:20 p.m. and landed on the beach at 5:25 p.m. The patient was loaded into the helicopter and then flown directly to Mission Hospital arriving at 5:37 p.m.

**Tustin**

**Remote Rescue – May 22** - At 6:44 p.m., a Remote Rescue response was dispatched to a medical aid on Big Red Trail in Peters Canyon Park. Ground units were able to make access to the patient and drive him out. After evaluation, it was determined the 8-year-old patient would go to the hospital with his mother in their own transportation.

**Orange**

**Remote Rescue – May 23** - At 4:41 p.m., Orange City Fire requested assistance with a biker down in Santiago Oaks Regional Park. Helicopter 1 was able to locate the patient just off a service road sitting on a bench. Park Rangers along with ANAT8 were 100 yards from the patient's location. Copter 1 held off on medic insertion until an evaluation was made by ANAT8. ANAT8 advised the IC and HC1 the patient was going to be a trauma and the best mode of transportation would be by HC1. Both rescuers and the stokes basket were lowered down and the patient was loaded into the stokes basket. Both rescuers and the patient were hoisted back into HC1 and flown directly to OC Global.
