"Rich Heritage, Bright Future"

## Library Lecture Series

Local historian Paul Spitzer will provide an overview of the fascinating and diverse history of this unique corner of Orange County including a display of historic artifacts relating to the glamour and mystique of Orange County canyons, like Santiago Laguna, and Carbon Canyon. Once a rural ranching and recreational locale adjacent to the Olinda oil field, the county's first, it has encountered the encroaching forces of suburbanization in recent decades and faces a contested future.

### Tree Safety Crews to Perform Work Starting Feb. 8

As part of the City of Placentia’s six-year sidewalk and concrete repair program, some parkway trees that are diseased and damaging sidewalks and curbs will be removed to eliminate potential safety issues.

## CON'T Tree Safety Crews to Perform Work Starting February 8

In order for City crews to continue repairing the City's sidewalks and curbs, the root systems of some trees may have to be pruned. ## POLICE DEPARTMENT

### Tax Scam Alert

With the tax season approaching, following a few basic tips can help protect you and your wallet.

In this particular scam, the caller claims to be an agent or police officer from the IRS or Attorney General's Office calling about a past due tax balance that is owed.

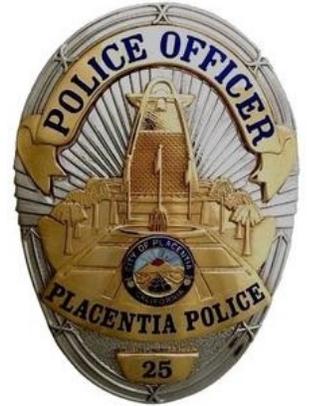

The caller will tell the victim that unless that debt is paid immediately, a team of officers will come to the victim's home that day to arrest them. They also will request that the "IRS Tax Warrant" be paid with a Green Dot Card Money Card or Western Union MoneyGram.

The scams often target seniors, students and first-generation Americans. The victim's caller ID box often says "Internal Revenue Service" due to ID spoofing used by the scammers.

Sometimes the scammers also ask victims for personal information such as their Social Security number in order to commit identity theft.

Tips to avoid falling victim:

- The IRS and legitimate government agencies will never demand payment by phone.
- **If you owe money, you will receive a notice in writing that identifies the agency and the reason you owe money.**
- **Do not give out personal information when you receive an unsolicited call.**
- **A legitimate caller will never request that a conversation remain a secret.**
- **The safest and best thing to do when you receive an unsolicited call is say "no" and hang up.**
