"Rich Heritage, Bright Future"

Compost Giveaway This Saturday - March 30th

The City of Placentia and Republic Services will hold its annual Free Compost Giveaway for residents of Placentia at Tri-City Park on Saturday, March 30th, from 8:00 a.m. until 10:30 a.m. (or until the compost runs out). This event provides an opportunity to give back and thank residents for their participation in the City's green waste recycling program. Residents must bring in their own containers (no bags please) to receive the loose compost. There is a limit of 60 gallons per household, while supplies last.

Compost creates healthier soil by adding organic matter and improving soil structure. Healthy soil uses water more efficiently, allowing available water to flow toward your plants' roots, storing water in the soil longer, and reducing runoff and erosion. To receive free compost, residents must provide proof of residency (California driver's license or utility bill). For more information, please contact Republic Services at (714) 238-2444 or the City of Placentia at (714) 993-8189.

ADMINISTRATION

Old Town Façade Improvement Program - First Mural Completed

On December 5, 2017, the Placentia City Council approved the Old Town Façade Improvement Program (Program). The Program provides grants to make facade improvements to the exterior of commercial buildings located within the Old Town Placentia District. The program is designed to enhance economic opportunities in Old Town Placentia, and to encourage additional investment in the City's historic area. The Program aims to create a pedestrian friendly, aesthetically pleasing environment for residents, visitors and tourists while generating substantial economic benefits for merchants and property owners as a result of increased investment in this area.

Created and painted by [Tracey Moloney](#), the 60-foot mural depicts Old Town Placentia and key City landmarks. It features references to the City's original train depot, Placentia Presbyterian Church and Placentia Water Tower while paying homage to our citrus heritage. The project also includes new gooseneck lighting and synthetic ivy across the base of the wall facing Bradford Avenue. A special thanks to Edward Garcia, owner of the building, for donating the wall space for the mural and Rosalina and Raul Davis, owners of Tlaquepaque Restaurant who provided access to their parking to accommodate the project. Your partnership is vital in supporting revitalization efforts in Old Town Placentia.

Program funding is derived from the Community Development Block Grant (CDBG) that is administered by the County of Orange. Funding is based on annual allocations provided by the U.S. Department of Housing and Urban Development. Please click [here](#) for more information.

Residents Can Sign Up to Receive Local Alerts By Text and Email

The City has partnered with Nixle to provide an Emergency Notification System to alert residents in real-time about critical emergency information and relevant community advisories in Placentia. Notifications may be sent for emergency updates, crime alerts, power outages, road closures, construction advisories, and weather-related issues such as flooding. Subscribers have the ability to select how they would like to receive notifications. These alerts can be sent to a home, cell or business phone, email, text message or hearing impaired receiving devices at no cost to the subscriber. To register, residents or business owners in Placentia can simply text 92870 to 888777 from a mobile phone. Once registered, residents will receive a confirmation text message. Residents may also customize their alert settings by going to www.nixle.com and creating a user profile. For additional information regarding this emergency communication system, please call (714) 993-8117.

Spring Fun Day - Help Donate Easter Baskets for the City's Afterschool Program

Each year, the City of Placentia Community Services Department partners with the Friendly Center to coordinate a Spring Fun Day. This event provides children in the afterschool program with baskets of eggs, a small toy/book, candy, and a hygiene item. The success of the program is based on the donations received from the community. The Friendly Center will be collecting baskets at the Whitten Community Center, 900 S. Melrose Street from 8:30 a.m. to 4:30 p.m. on Friday, April 12th. For more information, please contact the Placentia Neighborhood Services and Friendly Center Office at (714) 986-2333.

Cultural Arts Commission Hosts Annual Photography Contest

The City of Placentia is hosting its Annual Photography Contest sponsored by the Cultural Arts Commission. The contest is open to Placentia residents only. Photographs may be taken with any type of camera and submissions may not exceed 8" x 10". The contest is open to all ages with separate categories based on age and skill level. All entries must be submitted by 5:00 p.m. on Thursday, April 25th. Winners will be recognized at a future City Council Meeting. [Entry forms](#) and further information may be obtained by contacting the Community Services Department at (714) 993-8232 or by visiting www.placentia.org.

COMMUNITY SERVICES

Applications Now Available for the City of Placentia Volunteer Program

Teens, 13-16 years of age, are invited to apply for the summer Volunteer Program through the Community Services Department. Join the Community Services Department this summer and be a part of the multiple activities and events that will be conducted throughout the City.

Applicants must be 13 years of age by June 1st. The deadline to apply is Thursday, April 25th at 5:30 p.m. Applications are available by visiting the Community Services Department at City Hall during regular business hours, Monday-Thursday from 7:30 a.m. to 6:00 p.m. or online at www.placentia.org/volunteer. For more information on the Volunteer Program, please contact the Community Services Department at (714) 993-8232.

Easter Eggcitement and Spring Carnival on Saturday, April 13th

On Saturday, April 13th, the Placentia Library District will host an Easter Eggcitement and Spring Carnival. Bring the whole family as children 12 and under are able to take part in the Easter egg hunt games. There will be craft tables, face painting, activities, storytime and much more! The event will be held at Kraemer Memorial Park at 201 N. Bradford Avenue in Placentia from 10:00 a.m. to 1:00 p.m. This event is possible thanks to the generous donations and sponsorship from the Placentia Library Friends Foundation, the Placentia Rotary Club, the Placentia Library, the Kiwanis Club of Placentia, and the Placentia Round Table Women's Club.

DEVELOPMENT SERVICES

Van Buren Industrial Buildings Nearly Complete

A collaborative effort between the Cities of Placentia and Anaheim has allowed for a new industrial area along Van Buren Street, north of Miraloma. Formerly vacant property, the four-building industrial complex is nearly complete with two buildings that are located within the City limits of Placentia. These buildings measure approximately 48,160 square feet (711 S. Van Buren Street) and 70,250 square feet (721 S. Van Buren Street) in overall floor area.

The development project, spearheaded by CP Logistics Van Buren, LLC, completed necessary improvements within the public right-of-way that included the installation of new sidewalks, gutters, and driveway approaches as well as new pavement across Van Buren Street. The Van Buren industrial buildings serves as great enhancement to the Van Buren streetscape and affords the City an opportunity to attract greater economic investment into the City. The buildings will be fully completed and ready for occupancy within the next couple of weeks.

PUBLIC WORKS

Updates on City Refuse & Recycling Programs

City Refuse and Recycling Services

The City contracts with Republic Services to provide refuse, recycling, and green waste collection for all City residents and commercial businesses. Residential accounts are billed and collected by the City via an annual property tax assessment. Commercial business accounts are serviced and billed directly by Republic Services on a monthly basis. To establish additional residential services/new commercial services or to report problems with service, please contact Republic Services at (714) 238-2444. To report complaints that could not be resolved with Republic Services, please contact the City at (714) 993-8189.

AB 341 – Mandatory Commercial Recycling

In October 2011, Assembly Bill 341 (AB 341) was signed into law in California to help reduce greenhouse gas emissions. AB 341, also called the “Mandatory Commercial Recycling Law,” requires businesses and multi-family residential dwellings of five (5) units or more, that generate four (4) or more cubic yards of commercial solid waste per week, to implement recycling programs by July 1, 2012. This law is designed to divert waste from landfills to reach California’s recycling goal of 75% waste diversion by the year 2020. As part of AB 341, cities are required to assess whether affected generators (businesses/multifamily residential dwellings) are complying with the requirement to recycle by deploying recycling containers on their properties or utilizing third parties to collect and recycle material on their behalf. They are also required to identify and notify businesses that are not in compliance and inform them of the requirement to recycle and how they can recycle to maximize both environmental benefits and efficiencies.

AB 1826 – Mandatory Commercial Organics Recycling Law

In September 2014, a new law Assembly Bill 1826 (AB 1826) became effective in California. AB 1826, also called the “Mandatory Commercial Recycling Law” requires commercial businesses and multi-family residential dwellings of five (5) units or more to recycle organic waste based on the amount of total waste they generate per week. This law is designed to help California achieve its aggressive recycling and greenhouse gas emission reduction goals. Organic waste includes food scraps, food-soiled paper, green waste, landscape and pruning waste, and nonhazardous wood waste. These organic materials account for nearly one third of the approximately 30 million tons of waste destined for California’s landfills each year. These materials are recyclable through composting, mulching, and anaerobic digestion, which generates renewable energy and fuel. Decomposition of organic materials in landfills produces methane (CH₄), a greenhouse gas with global warming potential approximately 25 times higher than carbon dioxide (CO₂).

Beginning January 1, 2019, all businesses that generate four (4) cubic yards of commercial solid waste per week, including commercial or public entities like schools, hospitals, stores, restaurants, industrial businesses, and for-profit or nonprofit organizations regardless of type, must arrange for organic waste recycling services.

PUBLIC WORKS

Cont'd Updates on City Refuse & Recycling Programs

Multifamily buildings with five (5) or more units are required to recycle yard trimmings. (Please note, that multi-family dwellings are not required to have a food waste diversion program at this time). Businesses and multi-family complexes can meet the mandatory organics recycling requirements through any of the following:

- Subscribe to organics recycling services provided by Republic Services;
- Recycle organic waste onsite, or self-haul organic waste for recycling; or,
- Sell or donate the generated organic waste, such as edible food donations to local food pantries.

Restaurants can donate their edible food to local food banks and food rescue organizations including Waste Not OC Coalition and Second Harvest Food Bank of Orange County. Waste Not OC Coalition is a public/private partnership of the Orange County Health Care Agency, restaurants, food banks, and community leaders working together to facilitate the donation and distribution of surplus food to the needy. For more information, please visit the Waste Not OC website at www.wastenotoc.org. Food donation can also be achieved by contacting the Second Harvest Food Bank at www.feedingoc.org. Additional information on food recycling for restaurants is available at <https://www.calrecycle.ca.gov/Organics/Food/Restaurants/>.

In order to keep track of AB 1826's progress, cities are required to provide information about their organic waste recycling program in an annual report submitted to the State. If by the year 2020, organic waste disposal has not been reduced by 50% from 2014's level, the State will expand AB 1826 to businesses that generate 2 cubic yards or more of commercial waste per week and require them to implement organic recycling programs. Starting a recycling program is not the same for everyone; however, the first step is to assess the materials (or waste) that your business or multifamily residential dwelling generates. To schedule a waste assessment appointment, please contact Republic Services' Recycling Coordinator, Cathy Nguyen at (714) 238-3342. For more information, please visit www.placentia.org/ab341 and www.placentia.org/ab1826.

Free Bulky-Item Pick-Up Service

Republic Services offers Placentia residents three (3) FREE curbside bulky item collections per year. They will haul away old appliances and furniture at no cost to you. These special collections are provided by appointment only. For more information and/or to schedule a bulky item pick-up today, call Republic Services' Customer Service at (714) 238-2444 or check their availability [online](#). (Please note: there is an additional charge for pickup of air conditioners and refrigerators due to special handling requirements of Freon).

Electronic Waste Collection

It is unlawful to throw away electronic waste in the garbage in California. To aid with proper disposal, Republic Services provides on-call curbside collection for household electronic waste such as: TVs, CPUs, monitors, desktop copiers, fax machines, keyboards, microwaves, stereos and CD/DVD/VCR players. This service is offered at no-charge to Placentia residents. For more information and/or to schedule this service, call Republic Services' Customer Service at (714) 238-2444.

POLICE DEPARTMENT

Police Department Swears In Two Appointees

On March 25th, the Placentia Police Department was honored to swear in two of its members to their newly appointed positions. Police Officer Nilda Campos was sworn in as a Police Officer and Lieutenant Brian Perry's promotion was made official with his swearing in as a Lieutenant.

Police Officer Nilda Campos was raised in Placentia, and she became a Placentia Police Explorer, raising to the rank of Explorer Lieutenant. After graduating from high school, Nilda attended Cal State Fullerton, where she majored in Criminal Justice. Nilda was hired as a Placentia Police Cadet and a short time later she was promoted to full-time Parking Control Officer. Nilda graduated from CSUF with her bachelor's degree, and shortly after she was selected as a Police Academy Trainee. She graduated from the Golden West College Police Academy on March 15th and has begun the Placentia field training program.

Lieutenant Brian Perry began his law enforcement career in 1995 as a sworn Police Officer with the Los Angeles County M.T.A. Police Department and Los Angeles Police Department. He joined the Placentia Police Department in 2001 and has since worked as a Patrol Officer and as a Gang Investigator in our Special Enforcement Detail. Brian was promoted to Sergeant in 2008 and has worked as a

Field Supervisor, Watch Commander, Supervisor of our Special Enforcement Detail and as an Acting Lieutenant in patrol. He earned his bachelor's degree from Union Institute and University and is currently in their master's degree program.

We congratulate Nilda and Brian on their accomplishments.
