### Placentia Receives Acknowledgement for Excellence in General Plan

The City of Placentia received special acknowledgement from the California Attorney General's Office Bureau of Environmental Justice to commend the City on the recently adopted General Plan, with special compliments on the Health, Wellness, & Environmental Justice element (HW&EJ Element). The City saw an opportunity to intertwine environmental justice with the broader topic of health and wellness to not only satisfy SB 1000, but to ensure the General Plan was the most comprehensive and visionary plan for all communities within Placentia.

"Our General Plan has been a crucial aspect in planning for equality and future growth for the City," said Placentia Mayor Ward Smith. "It was vital to create a General Plan that would carry our vision of Placentia into the future and we are excited that the effort to create a meaningful, forward looking General Plan has been recognized by the State."

The [letter](#) from Deputy Attorney General Jessica Wall describes the HW&EJ Element as "an innovative model for compliance" and the office "applauds Placentia's efforts to improve health and equity in the city." The Attorney General's Office has listed [Placentia's Health, Wellness, & Environmental Justice section](#) on their [website](#) as an example to be used by other jurisdictions when creating their Environmental Justice element/policy.

## PUBLIC WORKS

### Upcoming California Tree Team Workshop

The City, in partnership with the California Urban Forest Council (CaUFC) and West Coast Arborists, Inc. (WCA) have set aside grant funding to plant new trees for Placentia through the Cool Parks grant program funded by CalFire. The goal of this grant program is to reduce carbon and greenhouse gas emissions by planting urban trees in local parks and streetscapes. Funding for Placentia will provide up to 150 new trees to be planted in City parks and public spaces.

As part of this program, the City, in collaboration with local and state partners, is offering a free tree education workshop on Saturday, February 29<sup>th</sup> from 9:00 a.m. – 11:30 a.m., at the Whitten Community Center in Placentia. Come learn how to plant a tree, tree benefits, urban forestry and become a leader for our spring tree planting event!

City staff is working separately with WCA to develop an Arbor Day planting event in April 2020 as part of this grant and details regarding this event will be released in the near future.

For RSVPs or questions regarding this free workshop, please email: [grantinfo@wcainc.com](mailto:grantinfo@wcainc.com). To learn more about this program, please visit [www.investfromthegroundup.org](http://www.investfromthegroundup.org).

### Placentia Residents, Receive a Free Tree Sapling this Spring!

The City has received the Circle 3.0 Grant to provide 100 FREE trees to Placentia Residents to plant on their private properties at no cost! Part of the California Urban Forestry Council's Invest from the Ground Up tree planting program, Circle 3.0 is California's Initiative to Reduce Carbon and Limit Emissions. The City is excited to partner with West Coast Arborists, Inc. (WCA) and the California Urban Forests Council (CaUFC) to bring this wonderful opportunity to our community. Circle 3.0 is a grant project funded through CalFire with the goal to reduce carbon and greenhouse gas emissions by planting urban trees.

These young trees are to be planted on private property, front or back yard, NOT on the parkway and will be owned and maintained by the resident. Trees are 1 to 5 gallon and will be planted by West Coast Arborists, Inc. starting in March of 2020.

To reserve a tree, simply visit [www.arborday.org/circle3.0](http://www.arborday.org/circle3.0), enter resident information and select a tree species. Tree species available on a first come, first serve basis include: Australian willows, Tipu trees, Fern pines, Turkish pines, and pink trumpet trees. Deadline to reserve a tree is February 20, 2020.

The selected tree will be planted on your property (not in City easement). After you have confirmed your species, please attend the upcoming CA Tree Team Workshop scheduled for Saturday, February 29<sup>th</sup> from 9:00 a.m. – 11:30 a.m., at the Whitten Community Center to pick up your tree marking flag. Flags will be used to mark the area in your yard where you would like the tree planted.

## **POLICE DEPARTMENT**

### **Chaplain and Reserve Police Officer Gary Drabek Retires**

The Placentia Police Department celebrated the retirement of Police Chaplain and Reserve Police Officer Gary Drabek at the Department this past Wednesday, January 22<sup>nd</sup>. Gary Drabek joined the Department as a Police Chaplain in 1991 and enjoyed being part of the Department so much that he signed up on his own to attend the reserve academy. Gary was hired as a Reserve Police Officer in 1993 which afforded him the opportunity to have more influence helping people and changing their lives for the better. Gary very successfully balanced these two different roles for the past 27 years and our community and all those his service has touched are better for it. Gary has represented the Department at countless police, City and civic events with the utmost of honor, professionalism and kindness. We wish Gary the best in his retirement.

# YOUR VOICE YOUR VOTE YOUR CHOICE

## A NEW WAY TO VOTE IS ON THE WAY!

One of the most exciting parts of serving as Orange County's Registrar of Voters is seeing voter's reactions when they have a positive experience.

Our voters tell us that the two most important factors they consider when casting their ballot are simplicity and security. As we move to Vote Centers in 2020 it means that we are bringing more choices to voters on where, when and how they would like to cast their ballot. It means opportunities for not just smoother operations, but to enhance the voter experience, take the hassles out of voting and providing a more secure environment.

My team and I look forward to helping you cast your ballot with ease - we appreciate you and thank you for continuing you to trust us with your ballot.

Happy voting!
