“Rich Heritage, Bright Future”

Dine Out Placentia

In an effort to assist our local businesses with the challenges and concerns associated with the COVID-19 pandemic and the State of California’s mandatory closure of indoor dining and other business sectors, the Placentia City Council approved an opportunity for restaurants and other business sectors impacted by the mandate to temporarily provide outdoor dining. This also includes the closure of Santa Fe Avenue in Old Town Placentia to provide restaurants in the area with ample social distancing measures and provide common tables and chairs for everyone to enjoy the outdoors. This temporary measure balances a variety of safety and economic interests while adding an enhanced experience for our community and visitors. Please visit www.placentia.org/stillopen to view restaurants that are providing outdoor dining.

Fire Station Custom Tables

The kitchen table can be a powerful training tool in the fire service. A lot of education can take place informally while sitting around the table. For firefighters, this is where we learn a lot of good things about life being together. It is also where we instill our core values “Integrity, respect, dedication and community” in our firefighters. Here are a couple of photos of the new tables Placentia firefighters built for the Bradford and Valencia stations.

FIRE AND LIFE SAFETY DEPARTMENT

Mailbox at Fire Station 2

Placentia Firefighters from the Valencia station recently installed their new mailbox replica of a Gamewell alarm box. The first telegraph fire alarm system was developed by William Francis Channing and Moses G. Farmer in Boston, Massachusetts in 1852. A fire alarm box, fire alarm call box, or fire alarm pull box is a device that was used for notifying a fire department of a fire or emergency. These were typically installed on street corners and were the main means of summoning firefighters before the general availability of telephones.

Vehicle Burglary – Attempt to Identify/Locate

BULLETIN DATE: 08/10/2020

DR 20-02529

ACTIVITY: PC459 / Vehicle Burglary

LOCATION: 340 E Crowther Ave (Kipe Molds)

SUSPECT 1: Male, approximately 25-30 years old, wearing a black and white hat, plaid long sleeve shirt, black pants, and black shoes.

SUSPECT 2: Male, Hispanic, approximately 30-35 years old, mustache, wearing a light-colored shirt.

SUSPECT 2: Male, Hispanic, approximately 25-30 years old, bald or shaved head, wearing a black sweatshirt, black pants, and white shoes.

SUSPECT VEHICLE: CA/7TJS692, gray 2016 Nissan Sentra (registers to an Anaheim automobile finance corporation).

DETAILS: On Friday, July 24, 2020, at approximately 0555 hours, the suspect vehicle pictured above, occupied by three suspects, parked next to the business listed above. SUSPECT 1 exited the vehicle and attempted to open the door of a truck also parked next to the business. He then walked out of camera view, but it is believed he approached another truck and removed a backpack from the truck bed. SUSPECT 1 then reentered the camera view carrying a backpack and was met by SUSPECT 2. SUSPECT 3 then slid over into the driver seat while SUSPECT 1 and 2 reentered the vehicle. SUSPECT 1-3 then drove away.

If you have any information that might assist this investigation, please contact Placentia Police Department Detective J. Martinez at (714) 993-8270, or jomartinez@placentia.org.

DEVELOPMENT SERVICES

Lakeview Industrial Buildings

Located south of Orangethorpe Avenue and just west of Lakeview Avenue, on Lakeview Loop Way the development of two unimproved, vacant lots is in progress on a site that previously functioned as a construction material and nursery supply business known as “Atwood Sales”. The subject lots, which were divided as a result of a 2014 Orange County Transportation Authority (OCTA) grade separation bridge project, are being developed with two industrial buildings totaling 54,921 square feet (Building 1) and 38,681 square feet (Building 2) in building floor area, and there will be associated landscape and hardscape improvements on each respective lot.

The interior of each building will be comprised of a small office area and warehouse/storage area. The office area will not occupy less than 25% of the interior floor area of the building. Occupants for each building have not been determined, but in accordance with the city’s zoning code, uses such as light manufacturing, distribution or wholesale, appliance repair, or equipment sales and service would be permitted to operate and occupy the buildings.

The architectural design theme of the project aims to create ideal building proportions with a seamless continuous rhythm throughout each building’s exterior elevation, resulting in a contemporary design for each building. The project exhibits a high-quality design that is well-articulated with aesthetically pleasing exterior building finishes and ornamental native landscaping. Along the building facades, building breaks are achieved by wall offsets, reveals, score lines, contrasting building materials, paint colors, punched out windows, and metal canopies, creating multiple building volumes that minimize the visual mass of the structure.

Grading and site preparation are currently in progress. Construction is anticipated to be completed within the first quarter of 2021. You may contact the Development Services Department at (714) 993-8124 to receive updates or answer questions about the development project.

FOR IMMEDIATE RELEASE

Weekend Closures Set for Both State Route-55 (SR-55) Connectors to Interstate-405 (I-405) Southbound

SANTA ANA - Caltrans is planning four consecutive weekend (55-hour) closures of both SR-55 connectors to I-405 southbound for construction.

The weekend closures will impact traffic into and out of John Wayne Airport (SNA), causing significant delays. A contractor is scheduled to complete continuous reinforce concrete pavement (CRCP) of the connector.

SCHEDULE:

- Friday, August 7 from 10:00 p.m. until Monday, August 10 at 5:00 a.m.
- Friday, August 14 from 10:00 p.m. until Monday, August 17 at 5:00 a.m.
- Friday, August 21 from 10:00 p.m. until Monday, August 24 at 5:00 a.m.
- Friday, August 28 from 10:00 p.m. until Monday, August 31 at 5:00 a.m.

Caltrans appreciates the public's patience while we perform this work. Electronic Changeable Message Signs will notify drivers of the closure. Work updates will be available via Twitter, Facebook and Instagram using our handle, @CaltransOC.

This work schedule is subject to change due to traffic incidents, weather, availability of equipment and/or materials, and/or construction-related issues.

For more information, you may contact the District 12 Public Information Office at (657) 328-6000.

For anyone with sensory disabilities requiring alternate formats (i.e. Braille, large print, sign language interpreter, etc.) and those needing information in a language other than English, please contact Angela Madison at (657) 328-6594 or TTY 711.
