Staff Present: Karen Crocker, Director of Community Services, Veronica Ortiz, Community Services Supervisor, Daniela Escobedo, Community Services Office Assistant.

Guest: Vivian Perez, Placentia Community Foundation.

PLEDGE OF ALLEGIANCE – Lead by Community Services Supervisor Ortiz.

ORAL COMMUNICATIONS – Vivian Perez, board member on the Placentia Community Foundation, approached the Commission with the proposition to initiate a collaborative partnership with them. Board member Perez stated that moving forward, the Foundation would like to run the Beer & Wine Plaza at Concerts in the Park, as they have done for the past four years. The Foundation has worked diligently to maintain a working relationship with the ABC Office, Orange County Parks, and the Community Services Department. Board member Perez reported that proceeds from the Beer & Wine Plaza benefit the Foundation, as well as the programs and grants that support local community programs. Board member Perez reported that the Foundation previously provided a stipend/grant to the former Cultural Arts Commission for the Concerts series to defray some of the costs associated with the event. With this, Board member Perez shared that the Foundation would like the Commission to consider becoming community partners. Commissioner Queen inquired if there had ever been issues with alcohol at public events. Board member Perez shared that the Foundation hires security for the Beer & Wine Plaza to verify ages and monitor the area. Board member Perez further added that there have never been any issues with alcohol and community events. Director of Community Services Crocker further added that Concerts in the Park is a family-oriented event. Commissioner Montelongo **MOTIONED** to add a vote to determine whether or not the PARC Commission would like to partner with the Placentia Community Foundation. Commissioner Queen **SECONDED** this motion. Motion carried with all present in favor.

COMMISSIONER COMMENTS AND REPORTS – None.

1. APPROVAL OF MINUTES

Commissioners reviewed the May 11, 2021 meeting and May 25, 2021 special meeting minutes. The minutes were **MOTIONED** for approval by Commissioner Montelongo. Commissioner McBride **SECONDED** the motion. Motion carried.

2. MONTHLY REPORT

a. Summer Programming

Supervisor Ortiz shared that there will be three concerts and three movies, taking place on alternating weeks. Swim lessons will resume at Valencia High School and El Dorado High School. Director Crocker reported that public recreation swim will also be returning at the Whitten Pool and Gomez Pool. Parents can register for classes online or in-person at the Community Services Department. The summer Placentia Palm Quarterly is available online for residents to view.

b. Playground Renovations Update

Supervisor Ortiz reported that the City Council approved proposed park renovations under the Parks Initiative Project. Goldenrod Park will be the first location to undergo renovations. Director Crocker shared that renovations at Goldenrod and Koch Park are scheduled to be completed by the end of August 2021. Director Crocker also reported that concept plans for Arroyo Verde Park will be available soon. Commissioner Queen inquired about parking lot availability at Koch Park once renovations begin. Supervisor Ortiz shared that construction most likely will take place during the week, so not to disrupt weekend recreational activities. Contractors and staff will attend a meeting before construction begins to discuss the logistics of the renovation schedule. Commissioner Narahara requested staff notify Commissioners if they are any opportunities for Commissioners and residents to assist in park renovation projects. He added that while many community members are eager to volunteer their time, they are not sure how to go about assisting staff.

3. REVIEW PARK HOURS ORDINANCE

Director Crocker reported that as a stipulation of the Parks Initiative, park hours and signage must be re-evaluated. Director Crocker reviewed the City's ordinance for park hours, which states that loitering is prohibited between the hours of 10:30 P.M. – 5:30 P.M., unless written permission is granted by the Community Services Department. The PARC Commission also holds the ability to change the park hours if deemed necessary due to excessive vandalism or deviant behavior by park patrons, or other extenuating circumstances. Commissioner Queen stated that Jaycee Parkette is often used as a walk-through to get to the other side of the neighborhood. She inquired if these park patrons would be penalized for this. Director Crocker clarified that these people would not be penalized unless they are explicitly loitering in the park, which is against the City's municipal code.

4. PCF ITEM
