Matthew Roche
Commissioner

Procedures for Addressing the Commission

Any person who wishes to speak regarding an item on the agenda or on a subject within the Streetscape and Transportation Advisory Commission's jurisdiction during the "Oral Communications" portion of the agenda should fill out a "Speaker Request Form" and give it to the Commission Secretary BEFORE that portion of the agenda is called. Testimony for Public Hearings will only be taken at the time of the hearing. Any person who wishes to speak on a Public Hearing item should fill out a "Speaker Request Form" and give it to the Commission Secretary BEFORE the item is called.

The Commission encourages free expression of all points of view. To allow all persons the opportunity to speak, please keep your remarks brief. If others have already expressed your position, you may simply indicate that you agree with a previous speaker. If appropriate, a spokesperson may present the views of an entire group. To encourage all views, the Commission discourages clapping, booing or shouts of approval or disagreement from the audience.

**PLEASE SILENCE CELL PHONES AND OTHER ELECTRONIC
EQUIPMENT WHILE THE COMMISSION IS IN SESSION.**

Special Accommodations

In compliance with the Americans with Disabilities Act, if you need special assistance to participate in this meeting, please contact the City Clerk's Office at (714) 993-8231. Notification 48 hours prior to the meeting will generally enable City staff to make reasonable arrangements to ensure accessibility. (28 CFR 35.102.35.104 ADA Title II)

City of Placentia
401 E Chapman Avenue
Placentia, CA 92870

Phone: (714) 993-8148

Fax: (714) 528-4640

Website: www.placentia.org

Copies of all agenda materials are available for public review in the Office of the City Clerk, City Public Works Counter, Placentia Library Reference Desk and the internet at www.placentia.org under the Streetscape & Transportation Advisory Commission page. Persons who have questions concerning any agenda item may call the Public Works Department at (714) 993-8148 to make inquiry concerning the nature of the item described on the agenda.

In compliance California Government Code Section 54957.5, any writings or documents provided to a majority of the Streetscape and Transportation Advisory Commission regarding any item on this agenda that are not exempt from disclosure under the Public Records Act will be made available for public inspection at the City Clerk's Office at City Hall, 401 East Chapman Avenue, Placentia, during normal business hours.

Study Sessions are open to the public and held in the City Council Chambers or City Front Community Meeting Room.

24-hour speed survey on Hemingway from 5/26/2021 to 6/1/2021

- 85th Percentile Speed: 31- 32 mph
- Average Daily Traffic: 255

Questions?

Streetscape and Transportation Advisory Commission

AGENDA STAFF REPORT

TO: STREETScape AND TRANSPORTATION ADVISORY COMMISSION
FROM: ELSA ROBINSON, MANAGEMENT ANALYST
DATE: JULY 19, 2021
SUBJECT: **UPDATE ON URBAN FOREST MANAGEMENT PROGRAM**

SUMMARY:

The purpose of this item is to provide updates to the Streetscape and Transportation Advisory Commission (Commission) on the City's Urban Forest Management Program, the maintenance operations as it relates to the City's Urban Forest, and the administration of the Urban Forest Protection Ordinance.

Overview

There are currently 7,156 City trees in Placentia with an estimated value of \$24.3 million based on the City's tree inventory.

Tree City USA Designation

On April 28, 2021, the City held an Arbor Day Event to celebrate the City's 1st Year recognition as Tree City USA. The City of Placentia was named 2020 Tree City USA by the Arbor Day Foundation in honor of its commitment to effective urban forest management. The Tree City USA program is sponsored by the Arbor Day Foundation in partnership with the U.S. Forest Service and the National Association of State Foresters. As part of this event, the City planted a total of six (6) trees at the Placentia Civic Center.

FY 2020-21 Urban Forest Expansion Activities

In 2020, the City of Placentia, in partnership with the California Urban Forest Council and West Coast Arborists, Inc. (WCA) received grant funding to plant new trees for Placentia through the Cool Parks grant program funded by CalFire. The goal of this grant program is to reduce carbon and greenhouse gas emissions by planting urban trees in local parks and streetscapes. Funding for Placentia included the planting of 100 new trees in City parks and public spaces and a community tree education workshop. The City and WCA held the tree community tree education workshop in February 2020 and postponed the tree plantings to 2021 due COVID-19.

In April 2021, the City and WCA utilized this grant funding to plant a total of 50 trees at three City parks: Kraemer Park, Samp Park and Goldenrod Parks as part of the 2021 Love Placentia citywide serve day. The remaining of trees were planted by WCA in residential parkways on Brooklyn Avenue, Hamer Drive, Cartlen Drive, Matthewson Avenue, Mignon Way and Royal Stewart. WCA completed this tree planting during the last week of June 2021.

Upcoming FY 2021-22 Urban Forest Expansion Activities

The City has an annual pavement maintenance & rehabilitation program as well as a concrete repair program. In conjunction with these programs, the City is planning to have annual tree planting programs to plant trees in those neighborhoods that have recently received pavement and/or concrete repair treatments. The adopted FY 2021-22 Budget includes additional funding for the City to perform such tree plantings. The City anticipates being able to plant up to a total of 100 new trees during this fiscal year. Currently, staff is conducting outreach to plant trees in the neighborhood near El Dorado High School.

In addition, the City will be completing Cycle 1 of its four-year tree trimming cycle. This year's cycle encompasses the southeastern concern of the City. This tree maintenance work is tentatively scheduled to start within the next months and be completed by November 2021.

Expand the Forest Program

The City launched the Expand the Forest Program in September 2020. This is a continuous, year-round program that provides residents with an opportunity to purchase and dedicate a tree in a City park to commemorate a loved one or special event. To date, the program has had 10 sponsors who have dedicated 11 trees.

RECOMMENDATION:

It is recommended that the Streetscape and Transportation Advisory Commission take the following actions:

1. Receive and file the Staff Report.
