On March 4, 2020, pursuant to California Government Code Section 8625, Governor Newsom declared a State of Emergency as a result of the threat of the COVID-19 virus.

On September 17, 2021, Governor Newsom signed AB 361, which went into immediate effect as urgency legislation. AB 361 added subsection (e) to Section 54953 to authorize legislative bodies to conduct remote meetings provided the legislative body makes specified findings. As of September 19, 2021 the COVID-19 pandemic had killed more than 67,612 Californians. Social distancing measures decrease the chance of the spread of COVID-19.

Given the health risks associated with COVID-19, please be advised that while the City Council Chambers are open to the public, some or all of the Placentia City Council Members may attend this meeting via teleconference. Those locations are not listed on the agenda and are not accessible to the public.

### How to Submit Public Comment

Members of the public may provide public comment by sending comments for the Senior Advisory Committee meeting consideration by email to the Community Services Coordinator at [fzambrano@placentia.org](mailto:fzambrano@placentia.org). Please limit to 200 words or less. Comments received before or during a Committee meeting, until the close of the **Oral Communications** portion of the agenda, will be read into the public record, subject to the regular time limitations per speaker. Longer submittals will be included in the public record. If you are unable to provide your comments in writing, please contact the Community Services Department office for assistance at (714) 993-8232.

### Americans with Disabilities Act Accommodation

In compliance with the Americans with Disabilities Act, if you need special assistance to participate in this meeting, please contact the City Clerk's Office at [cityclerk@placentia.org](mailto:cityclerk@placentia.org) or by calling (714) 993-8231. Notification 48 hours prior to the meeting will generally enable City Staff to make reasonable arrangements to ensure accessibility while maintaining public safety. (28 CFR 35.102.35.104 ADA Title II)
