July is Parks and Recreation Month

It's officially Parks and Recreation Month! Since 1985, Americans have celebrated Parks and Recreation Month in July to promote the importance Parks and Recreation has in health and well-being, conservation and social equity, and to recognize the more than 160,000 full-time park and recreation professionals, along with the thousands of part-time and seasonal workers and volunteers, that maintain our country's local, state, and community parks.

Through efforts by the National Recreation and Parks Association (NRPA), the U.S. House of Representatives passed an official resolution for Park and Recreation Month in 2009 and introduced the resolution in 2017 and 2018. The services that park and recreation professionals provide are vital for our communities, from protecting open space and natural resources, to helping fight obesity and providing activities and resources for all people. This has been especially true throughout the COVID-19 pandemic. Park and Recreation Month encourages everyone to reflect on the value Park and Recreation professionals bring to communities. Every day, in communities across the country, the people of Parks and Recreation are providing essential services and making their communities better places to live, work, and play. This year, NRPA encourages all people that support Parks and Recreation to share their appreciation for their local Parks and Recreation professionals with the hashtag #RiseUpJuly on social media. Rise Up July focuses on 6 values that are demonstrated through parks and recreation programs and events. We Rise Up for Inclusion, Resilience, Physical Health, Mental Well-Being, Access to Play, and Our Community. As part of Rise Up July, the City Council officially proclaimed July as Parks and Recreation Month at the July 5th City Council Meeting. For more information, visit www.nrpa.org/july.

FIRE AND LIFE SAFETY DEPARTMENT

Flag Raise for US Army Veteran

Placentia Firefighters and Lynch Paramedics had the honor of kicking off the 4th of July celebration by helping out one of our veterans, Antonio Hernandez Rangel, who lives in Placentia. The team was honored to help raise his US and Airborne flags. Antonio served in the US Army 82 Airborne Division. He has also been a life American Legion member Post 277 here in Placentia and served as the Boy State Chairman for youths. Thank you, Antonio, for allowing us the honor of helping kick off the 4th of July celebration.

PUBLIC WORKS DEPARTMENT

Expand the Forest Program

The City's Expand the Forest Program provides residents and community groups with an opportunity to purchase and dedicate a tree to commemorate a loved one or special event. Planting a tree in a City Park is a special way to honor a loved one and also provides a gift to the whole community by contributing to the expansion of the City's Urban Forest. The cost to purchase and plant a tree will be funded by the tree sponsor and is based on the current contract price paid by the City for 24-inch box trees. The current cost is \$300 for an Expand the Forest tree. Residents can participate by completing an Expand the Forest Program application and submitting it to the Public Works Department via email at urbanforest@placentia.org or via mail at 401 E. Chapman Avenue, Placentia, CA 92870. The application is available online at www.placentia.org/urbanforest and at City Hall through the Public Works Department. For more information on the Expand the Forest Program, contact the Public Works Department at (714) 993-8148 or urbanforest@placentia.org.

Atwood Channel Multipurpose Trail - Community Survey

The City is seeking community input on the proposed Atwood Multi-Purpose Trail. The Trail will assist in expanding the city's trail network and help increase the number of users who can bike/walk to public transportation. It aims to provide connectivity to surrounding communities, including Placentia's Veterans Village and the Atwood neighborhood while promoting a livable city where people can get around without cars.
