Regular Meeting Agenda
May 7, 2024
Placentia City Council
Placentia City Council Acting as Successor Agency to the
Placentia Redevelopment Agency
Placentia Industrial Commercial Development Authority
Placentia Public Financing Authority

Mission Statement
The City Council is committed to keeping Placentia a pleasant place by
providing a safe family atmosphere, superior public services and policies
that promote the highest standards of community life.

Vision Statement
The City of Placentia will maintain an open, honest, responsive, and
innovative government that delivers quality services in a fair and
equitable manner while optimizing available resources.

Copies of all agenda materials are available for public review in the Office of the City
Clerk, online at www.placentia.org, and at the Placentia Library Reference Desk.
Persons who have questions concerning any agenda item may call the City Clerk’s
Office, (714) 993-8231, to make inquiry concerning the nature of the item described
on the agenda.

Procedures for Addressing the Council/Board Members
Any person who wishes to speak regarding an item on the agenda or on a subject
within the City’s jurisdiction during the “Oral Communications” portion of the agenda
should fill out a “Speaker Request Form” and give it to the City Clerk BEFORE that
portion of the agenda is called. Testimony for Public Hearings will only be taken at
the time of the hearing. Any person who wishes to speak on a Public Hearing item
should fill out a “Speaker Request Form” and give it to the City Clerk BEFORE the item is
called.

The Council and Board members encourage free expression of all points of view. To
allow all persons the opportunity to speak, please keep your remarks brief. If others
have already expressed your position, you may simply indicate that you agree with a
previous speaker. If appropriate, a spokesperson may present the views of an entire
group. To encourage all views, the Council and Board discourage clapping, booing or
shouts of approval or disagreement from the audience.

PLEASE SILENCE ALL PAGERS, CELL PHONES, AND OTHER ELECTRONIC EQUIPMENT
WHILE COUNCIL AND BOARD MEMBERS ARE IN SESSION.

Special Accommodations
In compliance with the Americans with Disabilities Act, if you need special assistance
to participate in this meeting, please contact the City Clerk’s Office at (714) 993-8231.
Notification 48 hours prior to the meeting will generally enable City Staff to make
reasonable arrangements to ensure accessibility.
(28 CFR 35.102.35.104 ADA Title II)

1) Review the City's response to the Grand Jury Report; and
2) Direct Staff to submit the letter to the Presiding Judge of the Orange County Grand Jury, to be signed by Mayor Smith.
   (Approved 4-0-1, as recommended)

2. PUBLIC HEARINGS: None

3. REGULAR AGENDA:

   3.a. **Police Department 2021-2022 Biennial Report**
       Fiscal Impact: None
       Recommended Action: It is recommended that the City Council:
       1) Receive and file a copy of the completed Biennial Report and Chief Butts’ presentation introducing the report.
       (Received and Filed, as recommended)

   City Administrator Arrula introduced Police Chief Butts who gave a presentation on the Police Department 2021-2022 Biennial Report.

   Councilmember Shader expressed appreciation to Lieutenant Anderson, Nicolette Drulias and Jeffrey Cortez for their excellent work on the report. She gave kudos to the Police Department for the excellent service they provide.

   Councilmember Kirwin commented on the community engagement and approachability of the Police Department and commended the Department for their responsiveness and service.

   Mayor Smith commented on the transparency, interaction and engagement in the Police Department. He commented on Coffee with a Cop, Pizza with the Police and Danish with Dispatch events that provide outreach to the community. He complimented the Department on their commitment to the residents of Placentia and thanked them for all their efforts.

   3.b. **Introduction of PulsePoint Respond App**
       Fiscal Impact: None
       Recommended Action: It is recommended that the City Council:
       1) Receive and file Chief Dobine’s presentation introducing the app.
       (Received and Filed, as recommended)

   City Administrator Arrula provided an overview of the PulsePoint Respond App noting that Mayor Pro Tem Yamaguchi had requested and supported the efforts to make it available to the community. He thanked Fire Chief Dobine, Public Safety Communications Manager Stephanie Acosta-Reyes and Sergeant Radomski for their efforts. He introduced Fire Chief Dobine who gave a presentation on PulsePoint Respond App. Chief Dobine thanked the Council for their support and for funding the project.

   Councilmember Shader asked if there is anything that the public should be cautioned about when using the App.

   Chief Dobine responded that during a major emergency, the best thing to do is just listen to reports and not come to the incident.

   Councilmember Kirwin noted that he had just downloaded the App and noted the ease of installing it.

   Councilmember Yamaguchi expressed appreciation for the efforts to bring this to the community and asked if an audio feed would be made available.

   Chief Dobine responded that he would meet with Sergeant Radomski about an audio feed and report back to the Council.

   Mayor Smith commented that the App will be a great addition and resource for the public.

4) If approved, direct Staff to proceed with retaining a fundraising consultant to establish a donor program as outlined in the proposed Business Plan.

(Approved 4-1-0, Wanke voted no, as recommended and contingent on not taking any action towards the expenditure of monies until the 225 spaces are secured with the County of Orange.)

City Administrator Arrula introduced Community Services Director Crocker who gave a presentation on the Community/Senior Center Update and Consideration of Additional 65% design.

Community Services Director Crocker gave an overview of the item adding that the proposal includes a draft business plan as well as design concepts that were prepared by Group 4 Architecture, Research + Planning, Inc. She thanked the Blue-Ribbon Committee for their hard work and assistance over the last year and a half. She introduced Dawn Merkes from Group 4 Architecture, Research + Planning, Inc. who gave a presentation on the next phase of the proposal which is consideration of the remaining 65% design.
Councilmember Shader expressed support for Staff’s recommendations and commented on the amount of data that was provided at 35% design along with draft plans for the facility. She commented on her involvement with the Blue-Ribbon Committee and noted their commitment and engagement in the process. She noted that each Councilmember selected one committee member from their District to provide a good representation of residents throughout the City and commented on the support from the public speakers at tonight’s City Council meeting. She added that the City has not provided a new facility to the public since 1970. She commented on the gap in senior services in the City, escalating constructions costs and examples of senior centers in surrounding cities. She noted that there are still some unanswered questions such as parking, neighborhood impacts and other questions that will come up at the 100% design. She acknowledged that there are more steps to be taken in the process and the proposal tonight is one more step forward.

Councilmember Kirwin expressed concerns about construction costs which have increased significantly and the City’s ability to take on two (2) large costly projects, the Public Safety Building and the Community/Senior Center. He commented on the financing of similar projects in other cities and the revenues generated. He commented on deferred maintenance throughout the City and the potential costs of that maintenance which are not known. He expressed appreciation for how far the City has come financially and urged caution in committing to another large project. He noted that the project has a parking allocation of 45 spaces which is insufficient for the proposed center adding that he cannot go forward in approving the project without adequate parking noting that it is essential for revenue generation.

Councilmember Wanke expressed concerns about road maintenance and outstanding maintenance issues in the City and the unknown costs. He expressed support for allocating more funds to road maintenance. He asked if the City is fiscally sustainable at current levels and for how many years. He emphasized the need for a full facility needs assessment to determine costs for deferred maintenance projects throughout the City.

Finance Director Lampman responded that the City is fiscally sustainable both operationally and personnel wise as forecasted. She stated that once a facility needs assessment is completed the City will know more about maintenance costs and plan to budget for these costs.

Mayor Pro Tem Yamaguchi expressed thanks to the Blue-Ribbon Committee for their efforts and time devoted to the Community/Senior Center project. He commented on long-standing deferred maintenance for City Hall as well as other city facilities. He asked about outreach to Fullerton neighbors adjacent to the proposed center. Community Services Director Crocker responded that notification of the Community meeting was done and no one from Fullerton attended the meeting. He expressed concerns about the distance of the proposed parking spaces, noting that 1,000 feet seems too far. He asked about the increase in cost of $400,000 and whether that included ongoing maintenance and Staff support services. He also inquired about LEED certifications. Community Services Director Crocker responded that the additional $400,000 included Community Services Staff, janitorial Staff and utilities.

Consultant Dawn Merkes responded that the City’s current building Code is equivalent to LEED certification standards and proposed looking at net zero options as well.

There was discussion about the timing for funding of the project and whether a tax measure would be needed. Community Services Director Crocker noted that once the 100% design plans are submitted then the City will be able to consider funding options and explore hiring a fundraising consultant to research donor programs.

City Administrator Arrula stated that there has been no decision regarding a tax measure for the project. The item for consideration at tonight’s meeting is only whether to proceed to 100% design in order to get a better estimate of cost for the proposed center. Funding options would be explored after 100% design.

There was discussion about where the $295,000 in General Fund monies were coming from and whether a budget amendment would be necessary.
City Administrator Arrula explained that the $295,000 would come from a CIP Project that has been budgeted but will not be proceeding as planned in Fiscal Year 2023-24.

There was discussion about debt service and funding options. City Administrator Arrula emphasized the need for a cost figure for the total design in order to proceed with discussions about debt service and other funding options.

Mayor Pro Tem Yamaguchi commented on the City’s failed OnTrac project and expressed concerns about spending money on plans and studies without looking ahead at funding mechanisms and possibilities. He added that he was first opposed to the project but now understands the need. He commended the Blue-Ribbon Committee and Staff for their efforts. He encouraged Staff to research grant funding for the project.

City Administrator Arrula discussed funding of public facilities and noted that discussions have been held with Congresswoman Steele’s office for a federal earmark. He added that in order to pursue grant funding the project must be shovel ready at 100% design and ready to go.

Councilmember Shader shared that when she was in Washington, D.C. there was a lot of interest in the project and concurred that the project must be shovel ready in order to pursue both federal and state grants.

There was discussion about shelf life for a shovel ready project and grant funds.

Mayor Pro Tem Yamaguchi inquired about phone calls to residents about whether they would support a tax increase. He asked that an item be agendized to allow the Council to discuss a tax increase and other funding options. He expressed concerns about deferred maintenance throughout the City and the best use of City funds.

Mayor Smith expressed support for moving forward on the recommendation and commented on the efforts to date to bring the project forward. He confirmed with City Administrator Arrula that 1.4 million is needed to bring the project to 100% design. He discussed the importance of being good stewards of the public monies noting the efforts that must be taken before approving and funding a sizable project. He commented on the funds that have been provided by Supervisor Chaffee specifically for the Senior Center and Toll Brothers for community benefit which the Senior Center fits. He commented on the value of the Tri-City park property stating the City must also be financially prudent in researching the costs to operate the park before considering the County’s offer.

Councilmember Kirwin suggested that a ballpark estimate of the cost might be constructed using the cost of the Burlingame Senior Center and then a discussion about how to finance a project based on that estimate. He reiterated that providing 45 parking spaces is not reasonable or sustainable. He commented on parking needs based on information received from visiting area community centers adding that a minimum of 200 parking spaces are needed for events.

City Administrator Arrula explained that there have been conversations with the County about providing approximately 230 parking spaces, however, some are dual use spaces. Additional conversations with the county are necessary to secure more parking as well as looking at other leases such as the Mile Square Park lease in Fountain Valley for comparative purposes.

There was discussion about outside vendors, parking spaces, and revenue from other similar facilities in other cities.

City Administrator Arrula added that another option the Council could consider is securing additional parking with the county prior to moving forward with the proposed recommendation.

There was discussion about existing parking, methods of transportation to the facility and other areas in the park available for additional parking. City Administrator Arrula added that an amendment to the lease with the County could be discussed further if the Council chooses to proceed.
Councilmember Kirwin emphasized the need for facility condition assessment reports for all facilities in the City.

Motion by Kirwin, seconded by Shader, and carried a (4-1-0, Wanke voted no) vote to approve Item 3.a., as recommended, contingent on not taking any action towards the expenditure of monies until the 225 spaces are secured with the County of Orange.

Councilmember Wanke left the meeting at 10:20 p.m.

3.b. **OPEB Mitigation Plan/Section 115 Trust Update**

_Fiscal Impact:_ None

_Recommended Action:_ It is recommended that the City Council:

1) Receive and file this report updating the City Council on the City’s OPEB mitigation effort; and,

The Staff presentation on Item 3.b. was waived.

Motion by Shader, seconded by Yamaguchi, and carried a (4-0-1, Wanke absent) vote to approve Item 3.b., as recommended.

3.c. **Fire Department 2021-2023 Biennial Report**

_Fiscal Impact:_ None

_Recommended Action:_ It is recommended that the City Council:

1) Receive and file a copy of the completed Biennial Report and Chief Dobine’s presentation introducing the report.

_(Received and Filed, as recommended)_

City Administrator Arrula introduced Fire Chief Dobine who gave a presentation on the Fire Department 2021-2023 Biennial Report. He noted that Walt Lynch would present with respect to EMS operations.

Councilmember Shader acknowledged the leadership and passion of the entire Public Safety team and thanked them for their excellent work.

Councilmember Kirwin commented that the Fire department has come a long way in a short period of time and acknowledged their efforts.

City Administrator Arrula thanked Chief Dobine and all the team members of the Fire and Life Department, Deputy City Administrator Rosanna Ramirez and Emergency and Health Services Manager Patrick Powers. He also extended appreciation to Lynch EMS, Stefanie Acosta-Reyes and the entire Public Safety Communications team.

Mayor Smith expressed appreciation for the thorough overview of public safety operations over the last several months and commended the team for their excellent work. He acknowledged how far the department has come and noted that the work keeps getting better. He expressed appreciation to the entire public safety team for their efforts.

Motion by Mayor Smith to receive and file the report, said motion seconded and carried unanimously, Wanke absent.

**CITY COUNCIL/BOARD MEMBERS REQUESTS:** None.
ADJOURNMENT:

TO: CITY COUNCIL  
VIA: CITY ADMINISTRATOR  
FROM: DIRECTOR OF DEVELOPMENT SERVICES  
DATE: APRIL 16, 2024  
SUBJECT: ZONING CODE AMENDMENT (ZCA) NO. 2024-01 TO AMEND THE PLACENTIA MUNICIPAL CODE (PMC) CHAPTER 23.111 REGARDING AMORTIZATION OF USES AND PRESERVATION OF PROPERTY RIGHTS RELATED TO LEGAL NON-CONFORMING USES; AND, TO AMEND THE PLACENTIA MUNICIPAL CODE TO OMIT CHAPTER 23.37 TITLED “SF-C SANTA FE-COMMERCIAL DISTRICT” AND TO MAKE CONFORMING AMENDMENTS TO THE PLACENTIA MUNICIPAL CODE CHAPTER 23.08, CHAPTER 23.82, CHAPTER 23.90, AND CHAPTER 22.24 OMITTING REFERENCES TO THE “SF-C SANTA FE-COMMERCIAL DISTRICT”

FISCAL IMPACT: NONE

SUMMARY:

On February 6, 2024, City Council adopted General Plan Amendment No. GPA 2023-01 and conducted first reading of Ordinance O-2024-01 related to Zone Change No. ZCA 2023-01. This action expanded the TOD land use designation and TOD zone by approximately 14.5 acres. As a part of the February 6, 2024 action, City Council directed Staff to amend PMC Chapter 23.111 as it relates to amortization and the treatment of existing uses within the TOD Zone, including the expanded TOD Zone. Staff was directed to work with the City Attorney to prepare an ordinance amending Chapter 23.111 to clarify that intent, and to return at the earliest opportunity. Secondly, Staff has initiated an amendment to the Placentia Municipal Code (PMC) to omit Chapter 23.37 titled “SF-C Santa Fe-Commercial District” and to make conforming amendments to the Placentia Municipal Code.

RECOMMENDATION:

It is recommended that the City Council take the following actions:

1. Open the public hearing concerning Zoning Code Amendment (ZCA) No. 2024-01; and

2. Receive the Staff report, consider all Public Testimony, ask any questions of Staff, and

3. Close the public hearing; and

1.d.  
May 7, 2024
4. Find that approval of Zoning Code Amendment (ZCA) No. 2024-01 is exempt from environmental review and direct Staff to file a Notice of Exemption, pursuant to CEQA Section 15061(b)(3); and

5. Waive full reading, by title only, and introduce for first reading, Ordinance No. O-2024-04, an Ordinance of the City Council of the City of Placentia, California, finding that approval of Zoning Code Amendment No. 2024-01 is exempt from the California Environmental Quality Act (CEQA) pursuant To CEQA Section 15061(b)(3) and approving Zoning Code Amendment No. 2024-01 amending the Placentia Municipal Code, Chapter 23.111 regarding amortization of uses and preservation of property rights related to legal non-conforming uses; and, to amend the Placentia Municipal Code to omit Chapter 23.37 titled “SF-C Santa Fe-Commercial District” and to make conforming amendments to the Placentia Municipal Code Chapter 23.08, Chapter 23.82, Chapter 23.90, And Chapter 22.24 omitting references to the “SF-C Santa Fe-Commercial District”.

STRATEGIC PLAN STATEMENT:

This item is consistent with the City Council approved 5-Year Strategic Goal to achieve:

Implementation of Housing Element Strategies, Objective Number 3.10. This agenda item is related to a Zoning Code Amendment which will result in the creation of opportunities for the development of more housing in the City, including a mix of housing at various price points.

BACKGROUND:

On February 6, 2024, City Council adopted General Plan Amendment No. GPA 2023-01 and Zone Change No. ZCA 2023-01. This action expanded the TOD land use designation and TOD zone by approximately 14.5 acres as shown below:
When City Council approved GPA 2023-01 and conducted first reading of Ordinance O-2024-01 related to ZCA 2023-01 on February 6, 2024, they gave additional direction to Staff related to the item. As part of their action, City Council directed Staff to amend PMC Chapter 23.111 as it relates to amortization and the treatment of existing uses within the TOD Zone, including the expanded TOD Zone. City Council direction included the intent that existing uses be entitled to continue in accordance with PMC Chapter 23.84 (Nonconforming Uses and Buildings) and retaining the secondary use rights set forth in PMC Chapter 23.111.060(c). Staff was directed to work with the City Attorney to prepare an ordinance amending Chapter 23.111 to clarify that intent, and to return at the earliest opportunity.

In 2017, the Old Town Placentia Revitalization Plan and Old Town (OT) Zoning standards were adopted. Most of what is now zoned OT used to be zoned Santa Fe-Commercial (SF-C). As part of ZCA 2024-01, Staff proposes omitting the SF-C language throughout the Municipal Code.

**DISCUSSION:**

ZCA 2024-01 has been prepared to address the February 6, 2024 City Council direction related to the TOD Zone and address Code consistency issues unrelated to the TOD Zone:

**TOD Zone**

ZCA 2024-01 would amend the Placentia Municipal Code (PMC) Chapter 23.111 as it relates to amortization of uses and preservation of property rights related to legal non-conforming uses. On February 6, 2024, City Council directed Staff to amend PMC Chapter 23.111 as it relates to amortization and the treatment of existing uses within the TOD Zone, including the expanded TOD Zone. City Council direction included the intent that uses existing under the previous zoning be entitled to continue in accordance with PMC Chapter 23.84 (Nonconforming Uses and Buildings). City Council direction also included the intent that property owners retain the secondary use rights set forth in PMC Chapter 23.111.060(c). As directed, Staff has prepared a Zoning Code Amendment to clarify that intent (Attachment 1, Exhibit A).

**SF-C Zone**

Secondly, Staff has initiated an amendment to the Placentia Municipal Code (PMC) to omit Chapter 23.37 titled “SF-C Santa Fe-Commercial District” and to make conforming amendments to the Placentia Municipal Code (PMC) Chapter 23.08, Chapter 23.82, Chapter 23.90, and Chapter 22.24 omitting references to the “SF-C Santa Fe-Commercial District”. In 2017, the Old Town Placentia Revitalization Plan and Old Town (OT) Zoning standards were adopted. Most of what is now zoned OT used to be zoned Santa Fe-Commercial (SF-C). As part of ZCA 2024-01, Staff proposes omitting the SF-C language throughout the Municipal Code. No properties in the City of Placentia are now zoned SF-C, therefore Staff proposes omitting this from the City’s list of Zones and omitting all references to the SF-C (Attachment 1, Exhibit B).

CEQA:

In accordance with the California Environmental Quality Act (CEQA) and State and local Environmental Guidelines, Staff and the City of Placentia Planning Commission recommend that City Council adopt a Common Sense Exemption pursuant to Section 15061 (b)(3) of the State CEQA Guidelines in that the proposed project (Zoning Code Amendment) will not result in changes to the existing physical environment, and the physical environment will not be modified as a result of its adoption. Upon City Council adoption of a finding of a Common Sense exemption, a Notice of Exemption will be filed.

Recommendation

On March 12, 2024, the Planning Commission conducted a Public Hearing regarding Zoning Code Amendment (ZCA) No. 2024-01 and recommended approval of the Staff recommended actions to City Council. It should also be noted that as of April 9, 2024, Staff has received one comment letter in support of the ZCA, attached.

ORDINANCE NO. O-2024-04

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF PLACENTIA, CALIFORNIA, FINDING THAT APPROVAL OF ZONING CODE AMENDMENT NO. 2024-01 IS EXEMPT FROM THE CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA) PURSUANT TO CEQA SECTION 15061(B)(3) AND APPROVING ZONING CODE AMENDMENT NO. 2024-01 AMENDING THE PLACENTIA MUNICIPAL CODE, CHAPTER 23.111 REGARDING AMORTIZATION OF USES AND PRESERVATION OF PROPERTY RIGHTS RELATED TO LEGAL NON-CONFORMING USES; AND, TO AMEND THE PLACENTIA MUNICIPAL CODE TO OMIT CHAPTER 23.37 TITLED “SF-C SANTA FE-COMMERCIAL DISTRICT” AND TO MAKE CONFORMING AMENDMENTS TO THE PLACENTIA MUNICIPAL CODE CHAPTER 23.08, CHAPTER 23.82, CHAPTER 23.90, AND CHAPTER 22.24 OMITTING REFERENCES TO THE “SF-C SANTA FE COMMERCIAL DISTRICT”

City Attorney’s Summary

This Ordinance would result in an amendment to the Placentia Municipal Code Chapter 23.111 as it relates to amortization and the treatment of existing uses within the TOD Zone; and would amend the Placentia Municipal Code to omit Chapter 23.37 titled “SF-C Santa Fe-Commercial District” and to make conforming amendments to the Placentia Municipal Code Chapter 23.08, Chapter 23.82, Chapter 23.90, and Chapter 22.24 omitting references to the “SF-C Santa Fe Commercial District”

WHEREAS, the City of Placentia wishes to amend 23.111 of the Placentia Municipal Code as it relates to amortization and the treatment of existing uses within the TOD Zone and wishes to amend the Placentia Municipal Code to omit Chapter 23.37 titled “SF-C Santa Fe-Commercial District” and to make conforming amendments to the Placentia Municipal Code Chapter 23.08, Chapter 23.82, Chapter 23.90, and Chapter 22.24 omitting references to the “SF-C Santa Fe-wishes to Commercial District”; and

WHEREAS, on March 12, 2024, the Planning Commission of the City of Placentia conducted, and concluded a duly public hearing, as required by law, to review and take action on Zoning Code Amendment (ZCA) No. 2024-01, at which time it considered all evidence presented, whether written or oral. The Planning Commission recommended that the City Council of the City of Placentia adopt a “Common Sense” exemption under Section 15061 (b)(3) of the State CEQA Guidelines and the City of Placentia Environmental Guidelines regarding Zoning Code Amendment (ZCA) No. 2024-01; and

WHEREAS, on April 16, 2024, the City Council of the City of Placentia conducted, and concluded a duly public hearing, as required by law, to review and take action on Zoning Code Amendment (ZCA) No. 2024-01, at which time it considered all evidence presented, whether written or oral; and
WHEREAS, the City of Placentia provided notice of the City Council’s public hearing in accordance with California Government Code Section 65090 and the City of Placentia Municipal Code Section 23.96.030; and

WHEREAS, all other prerequisites to the adoption of this Ordinance have occurred.

NOW, THEREFORE, THE CITY COUNCIL OF PLACENTIA DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. In all respects as set forth in the Recitals of this Ordinance.

SECTION 2. Severability. If any section, subsection, subdivision, paragraph, sentence, clause or phrase in this Ordinance or any part thereof is for any reason held to be unconstitutional or invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this Ordinance or any part thereof. The City Council hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase thereof irrespective of the fact that any one (1) or more subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional, or invalid, or ineffective, provided the basic purposes of this Ordinance and the benefits to the City and the public are not substantially impaired.

SECTION 3. CEQA. The City Council certifies that the City has complied with all requirements of the California Environmental Quality Act and the City of Placentia Environmental Guidelines as codified in Title 14 of the California Code of Regulations (“CCR”) Section 15000 et. seq., Public Resources Code Section 21000 et. seq. and the City of Placentia Environmental Guidelines, and the City Council finds as follows: Regarding project no. Zoning Code Amendment (ZCA) No. 2024-01, in accordance with the California Environmental Quality Act (CEQA) and State and local Environmental Guidelines, the City of Placentia City Council hereby adopts a Statutory Exemption from CEQA pursuant to the “Common Sense” exemption under Section 15061 (b)(3) of the State CEQA Guidelines, which states: “A project is exempt from CEQA if: the activity is covered by the Common Sense exemption that CEQA applies only to projects which have the potential for causing significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA.”

SECTION 4. The City Council hereby approves Zoning Code Amendment (ZCA) No. 2024-01 amending the text of a portion of the Placentia Municipal Code as follows:

a. Approve an amendment to the Official Zoning Code, Title 23 of the Placentia Municipal Code of the City of Placentia, attached hereto as Exhibit “A” (Zoning Code Amendment 2024-01) and incorporated herein by this reference, whereby Chapter 23.111 is amended regarding amortization of uses and preservation of property rights related to legal non-conforming uses.

b. Approve an amendment to the Placentia Municipal Code of the City of Placentia, attached hereto as Exhibit “B” (Zoning Code Amendment 2024-01) and
incorporated herein by this reference, whereby the Placentia Municipal Code is amended to omit Chapter 23.37 titled “SF-C Santa Fe-Commercial District” and to make conforming amendments to the Placentia Municipal Code Chapter 23.08, Chapter 23.82, Chapter 23.90, And Chapter 22.24 omitting references to the “SF-C Santa Fe-Commercial District”.

SECTION 5. The City Council finds, in accordance with the requirements of Chapter 23.96 (“Amendments”) of the Placentia Municipal Code, that the proposed amendments to the Municipal Code will not be detrimental to the health, safety or general welfare of the persons residing or working within the city, and that it will not be injurious to property or improvements within the city. The City Council also finds that the amendment is consistent with the latest adopted General Plan.

SECTION 6. Effective Date. This Ordinance shall take effect on the 31st day after adoption.

SECTION 7. Certification. The City Clerk shall certify the passage of this ordinance and shall cause the same to be entered in the book of original ordinances of said City; shall make a minute passage and adoption thereof in the records of the meeting at which time the same is passed and adopted; and shall, within fifteen (15) days after the passage and adoption thereof, cause the same to be published as required by law, in a publication of general circulation.

INTRODUCED at a regular meeting of the City Council of the City of Placentia held on April 16th, 2024.

PASSED, APPROVED AND ADOPTED this 7th day of May 2024.

ORDINANCE O-2024-04
Page 4 of 14
Ordinance language amending Placentia Municipal Code (Zoning Code Amendment 2024-01) revising Chapter 23.111.060 related to amortization of uses and preservation of property rights related to legal non-conforming uses
§ Chapter 23.111.060 Amortization and Existing uses.

(a) In order to preserve private property rights, all legal uses, buildings or structures in existence immediately preceding the effective date of the ordinance codified in this chapter, may be continued to operate as a legal nonconforming use, building or structure. The definitions for Nonconforming Use and Nonconforming Building, as well as the provisions of sections 23.84.010 and 23.84.020, shall be applicable to the TOD zone.

(b) Five (5) years after the effective date of the ordinance codified in this chapter, the property may be sold or transferred and the legally nonconforming use, building, or structure may continue in the following circumstances:

(1) The business/property is transferred from a parent to his/her child, from a child to his or her parent as defined in Chapter 23.04 of the municipal code.

(2) The business/property is transferred from an owner to his or her employee(s) such that the ownership does not change as defined in Chapter 23.04 of the municipal code.

(c) Notwithstanding the foregoing, five (5) years after the effective date of the ordinance codified in this chapter, the exception set forth in subsection (b) shall only apply if:

(1) The same use in existence as of five (5) years from the effective date of the ordinance codified in this chapter will continue to operate.

(b) If the primary use of the business/property (not accessory uses), remains unchanged, then the secondary uses may change. Secondary uses are defined in the definitions section of this chapter. Secondary uses may also be “accessory uses” as defined in Chapter 23.04 of the PMC and which means “a use incidental, appropriate, subordinate and devoted exclusively to the main use of the lot or building”; and

(2 1) The building or structure is not modified or expanded; and

(3 2) The use, building or structure is not abandoned or discontinued for twelve (12) months or more.

(d c) The provisions of this section shall not apply to the Packing House, located at 341 S. Melrose Street, identified in the California Register of Historical Resources as eligible for designation as a historic resource. Due to its historical significance and the additional costs associated with bringing a historic resource that requires adaptive reuse into compliance with the TOD standards, the Packing House is exempt from amortization requirements as set forth herein.

(e) The city shall give notice to all property owners of properties within the TOD regarding this chapter in the following manner:

(1) Within one hundred eighty (180) days of adoption of the ordinance codified in this chapter;

(2) Within three (3) years after adoption of the ordinance codified in this chapter; and

(3) At least four (4) years after adoption of the ordinance codified in this chapter. Failure to provide any of the notices above shall not prevent the city from enforcing the requirements of this chapter.”
Ordinance language amending Placentia Municipal Code (Zoning Code Amendment 2024-01) omitting Chapter 23.37 titled “SF-C Santa Fe-Commercial District” and to make conforming amendments to the Placentia Municipal Code Chapter 23.08, Chapter 23.82, Chapter 23.90, And Chapter 22.24 omitting references to the “SF-C Santa Fe-Commercial District”
§ 23.37 “SF-C” – Santa Fe-Commercial District.

§ 23.37.010 Purpose.

The “Santa Fe-Commercial” district shall be the mechanism to enhance and promote the economic revitalization of Placentia’s original business district. Goals of the district are:

(1) Promote the use of architectural design consistent with the city’s historical and cultural heritage as evidenced in the area’s building and improvements.
(2) Foster civic pride in the area and thereby stabilize and improve property values.
(3) Encourage new uses and services to locate in the area.
(4) Prohibit those uses which are not compatible with the historic and commercial character of the district.
(5) Encourage the concept of “mixed” commercial and residential uses in order to foster a greater sense of community within the district.

§ 23.37.020 Boundaries.

The “Santa Fe-Commercial” district shall include all those properties shown on Exhibit 1 of the ordinance codified in this chapter.

§ 23.37.030 Permitted Uses.

Permitted uses in the “SF-C” zone shall consist of businesses which are conducted within a completely enclosed building, except if permitted by Sections 23.37.046 and 23.81.165. Such uses shall include:

(1) Apparel stores;
(2) Appliance stores;
(3) Bicycle shops;
(4) Drugstores;
(5) Food stores, including bakeries, health food establishments, candy stores, vitamin shops;
(6) General merchandise stores;
(7) Hardware stores;
(8) Hobby supply stores;
(9) Household appliance repair;
(10) Jewelry stores;
(11) Media shops, including bookstores, newsstands, video tape outlets, etc.;
(12) Offices including financial institutions, real estate and insurance firms, and travel agencies; offices shall remain incidental and subordinate to the intended retail use;
(13) Personal service establishments including barber and beauty shops, and tailors;
(14) Photography studios;
(15) Restaurants and eating places and fast food establishments excluding drive-through establishments;
(16) Small outdoor seating areas per Section 23.81.165;
(17) Sporting goods stores;
(18) Stationery and office supply stores;
(19) Toy shops;
(20) Variety stores;
(21) Vehicle parts sales;
(22) Other uses that the planning commission finds to be in accord with the purpose of this chapter and have characteristics similar to those uses in this section.

§ 23.37.040 Uses permitted subject to obtaining a use permit.

(a) The city recognizes that certain uses, although consistent with the purpose of the “SF-C” zone, have special characteristics which have the potential to adversely affect adjoining businesses and/or property owners. These uses shall therefore be reviewed individually pursuant to the provisions of Chapter 23.87; these uses include the following:
(1) Dry cleaners;
(2) Establishments that sell alcoholic beverages including on-sale and off-sale;
(3) Large outdoor seating areas per Section 23.81.165;
(4) Laundromat;
(5) Music stores;
(6) Pet shops;
(7) Poolrooms;
(8) Mixed residential and commercial uses provided, however, that:
(A) There is or will be commercial space on the ground floor adjacent to the public right-of-way (street frontage),
(B) The parcel is of adequate size and shape to ensure compliance with all code requirements (parking, setbacks, provision for trash enclosure, etc.),
(C) The residential units are directly attached to or are set back a minimum of ten (10) feet from the commercial units;
Exception: If a parcel cannot accommodate a viable commercial use, the planning commission may approve only a residential use on the parcel.
(9) Studios including dance and music;
(10) Veterinary clinics (completely enclosed);
(11) Other uses that the planning commission finds to be in accordance with the purpose of this chapter and having characteristics similar to those uses listed in this section.
(b) In approving the use permit, the planning commission shall consider the following in addition to the findings required by Chapter 23.87: operating hours; impacts on adjacent business and/or impacts on city services; concentrations of similar uses. Also, where large assemblages of people are involved, the planning commission shall consider the ability of the operators to provide services for and control the subject number of persons.

§ 23.37.046 Outdoor sales areas.

Outdoor sales area shall be permitted within the district on a permanent basis only if at initial construction the structure(s) was originally and specifically designed to accommodate a designated outdoor sales area. Items sold in the sales area shall be clearly related to the primary commercial use.

§ 23.37.050 Development Standards.

(a) Height: The maximum allowable height of any structure in the “Santa Fe-Commercial” district shall be thirty (30) feet.
(b) Setbacks: there shall be no required setbacks except adjacent to an alley, in which case no structure shall be located closer than five (5) feet to the edge of alley right-of-way.

c) Parking: the provisions of Chapter 23.78 shall apply to parking facilities in the “Santa Fe-Commercial” district. Parking areas shall remain visibly striped, readily accessible and free from encroachment by other uses.

d) Signs: the provisions of Chapter 23.90 shall apply to signs in the “Santa Fe-Commercial” district.

e) Trash: trash enclosures shall be provided per city standards on file in the building department and shall be suitably maintained for as long as the use continues.

f) Storage: outdoor storage shall be prohibited in the “Santa Fe-Commercial” district.

g) All uses shall be conducted within a completely enclosed building.

(h) No overhead doors shall be permitted along street frontages and all street doors shall be for pedestrian access only.

§ 23.37.060 Design guidelines.

Buildings in the “Santa Fe Commercial (SF-C)” district can be grouped into three (3) broad design categories: Main Street, Early California and Spanish Modern. The city recognizes that this district is unique and in order to encourage its continued improvement and insure compatibility, all new construction, additions or exterior modifications shall follow one of the themes listed below in subsections (1)(A) through (C) of this section.

(1) Design Themes:

(A) Main Street Theme. Key elements shall include:

(i) Brick facades with decorative inserts;

(ii) Cornices and corbels;

(iii) Double-hung windows on the second story;

(iv) Display windows with raised sills (minimum two (2) feet six (6) inches from floor) along store fronts;

(v) Transoms;

(vi) Recessed entries.

(B) Early California Theme. Key elements shall include:

(i) Heavily textured stucco facades;

(ii) “Massive” wood entry doors;

(iii) Tile and/or rough-sawn wood for trim enhancement;

(iv) Brick-lined arches highlighting windows;

(v) Earth-tone colors.

(C) Spanish Modern Theme. Key elements shall include:

(i) Accent colored paint to highlight fascias, cornices, corbels, columns, window frames and storefronts;

(ii) Accent colored paint or decorative tile banding to highlight and wrap building facades, particularly between ground and belt level;

(iii) Thin tube neon lighting to accent major building elements such as fascias or top edges of building parapets;

(iv) Canopy/awnings to accentuate storefronts, entrances and windows. Second floor window awnings are specifically encouraged.
Additional Requirements. All new construction, additions or exterior modifications of buildings in the “Santa Fe Commercial” district shall be subject to the following requirements:

(A) Screening: all exterior mechanical and electrical equipment and roof appurtenances shall be screened. The screen shall be designed as an integral part of the structure.

(B) Pedestrian Elements:

(i) Storefronts: entrances shall be designed and enhanced to not only add identity to the business but be easily identifiable to the public. Rear entrances shall receive the same attention and detail of design as front entrances. Storefronts shall contain large display windows.

(ii) Canopies: canopies are encouraged along zero-setback sidewalks to provide pedestrian protection and also deemphasize the long, unbroken, horizontal facade associated with zero-setback development.

(iii) Lighting: pedestrian areas shall be sufficiently lighted to promote safety and security.

(C) Landscape Elements: landscaping shall be used to enhance the design and appearance of all structures. Planters and/or planter boxes shall especially be utilized to emphasize entrances. All landscaping shall be maintained in good condition for as long as the use of any structure continues.

§ 23.08.010 Established.

Zoning districts are established as follows:

- **R-A** Residential agricultural district
- **R-1** Single-family residential district
- **R-2** Low-medium density multiple-family district
- **R-G** Medium density multiple-family district
- **R-3** High density multiple-family district
- **RPC** Residential planned community district
- **T-C** Town center district
- **P-V** Combining parkway vista district
- **C-0** Commercial office district
- **C-1** Neighborhood commercial district
- **C-2** Community commercial district
- **SF-C** Santa Fe commercial district
- **C-M** Commercial manufacturing district
- **M** Manufacturing district
- **PMD** Combining planned manufacturing district
- **MHP** Combining mobile home park district
- **O** Combining oil district
- **O-1** Combining oil district
- **PUD** Planned unit development district
- **SP-1** Specific Plan 1 district
§ 23.82.050 Location.

(a) No major or minor wireless communication facility shall be established:
(1) Within any residentially zoned or residentially designated areas of the specific plans, except upon public property that is not residential in character, including city parkland, school district property, or other public property located in a residential zoning district and provided that such communication facility is designed so as to blend in with the existing environment; or
(2) On any property that contains any legally-established residential use; or
(3) Within the Santa Fe-Commercial (SF-C) or Town Center (T-C) zoning district; or
(4) On any property that is designated as “Historic” by the city council.

(b) Providers requesting permission to establish wireless communication facilities in the city are encouraged to find sites that are separated from residential areas to the greatest extent feasible. There shall be a minimum one hundred (100) feet of horizontal distance between any residential structure and a free-standing wireless communication facility.

(c) Major wireless communication facilities shall be encouraged to locate on properties which are located within the manufacturing (M) and commercial-manufacturing (C-M) districts.

§ 23.90.190 Signs in the Santa Fe-commercial district.

The following regulations shall apply to all signs and outdoor advertising structures in the “SF-C” district:

(1) No sign shall be permitted that does not pertain directly to an approved business conducted on the premises.
(2) All signs, except those provided for in Section 23.90.120, temporary signs, shall be permanent in nature and shall be consistent with and reflect the architectural design of the building with which they are associated.
(3) The total sign area permitted per building frontage shall not exceed one (1) square foot per lineal foot of the building frontage on which the sign is located, subject to the following:
(A) Building frontages may not be combined to permit a large sign on any one (1) building frontage.
(B) Signs shall be attached to the building or canopy, parallel to the building face. No portion of a channel letter or nonilluminated sign shall project more than six (6) inches, and no portion of a cabinet sign shall project more than twelve (12) inches from the face of the building or structure to which it is attached, except that on two-story buildings, a
projecting sign may be substituted in place of the business identification sign permitted pursuant to subsection (4) of this section subject to the following:

(i) The total sign area permitted shall not exceed one (1) square foot per lineal foot of building frontage from which the sign projects.

(ii) Each face of a double-faced projecting sign may be one (1) square foot per linear foot of building frontage.

(iii) A projecting sign shall maintain a minimum distance of twelve (12) inches between the building face and the sign.

(iv) A projecting sign shall not extend more than three (3) feet from the building face.

(v) An encroachment permit shall be required, where signs extend into the public right-of-way.

(4) Business identification signs shall consist of one (1) of the following:

(A) Sandblasted wood or equivalent synthetic material;

(B) Internally illuminated individual channel letters;

(C) Nonilluminated individual letters such as die cut metal, foam or channel letters;

(D) Canopy signs;

(E) Signs painted directly on buildings except for building frontages along Santa Fe and Bradford Avenues.

(5) Window signs, including signs painted on windows and banners, shall be permitted subject to the following:

(A) They shall be permitted only inside a window of the business to which such signs pertain;

(B) Total area occupied by said signs shall not exceed more than twenty-five (25) percent of the window area through which they are displayed;

(C) Signs shall be displayed in a neat and orderly manner;

(D) Painted signs shall consist of lettering and/or random figures, the painting of solid areas shall be prohibited, except for seasonal holiday displays.

§ 22.24.020 Widths.

Minimum alley widths shall be as follows:

(1) Alleys only in industrial or commercial zones: Right-of-way and pavement widths shall be 28 feet.

(2) Alleys only in residential zones: Right-of-way and pavement widths shall be 20 feet.

(3) Alleys abutting various zones: Right-of-way and pavement widths shall be a minimum of 20 feet and a maximum of 28 feet. Actual width to be determined by the city engineer based on the approved land use for the abutting property.

(4) Santa Fe Commercial District: The following alleys shall be a minimum of 15 feet in right-of-way and pavement width. The city council may increase this width upon recommendation of the city engineer where such additional width is required to improve access to abutting properties.

(A) The alley running north and south from Chapman Avenue to Center Street between Melrose Street and Main Street;

(B) The alley running north and south from approximately 200 feet south of Chapman Avenue to Center Street between Main Street and Bradford Avenue;

(C) The alleys running north and south from Center Street to the alley approximately 100 feet north of Santa Fe Avenue between Melrose Street and Main Street and between Main Street and Bradford Avenue;
(D) The alleys running north and south from Santa Fe Avenue to 100 feet north of and 100 feet south of Santa Fe Avenue between Walnut Avenue and Melrose Street;
(E) The alleys running north and south from approximately 400 feet north of Center Street to Santa Fe Avenue between Bradford Avenue and Alta Street.

SUBJECT: AGREEMENT FOR FUEL SALES BETWEEN THE PLACENTIA-YORBA LINDA UNIFIED SCHOOL DISTRICT AND THE CITY OF PLACENTIA

FISCAL IMPACT: AVAILABLE BUDGET: $ 111,636 FY 2023-24 (103658-6345)

SUMMARY:
The City’s unleaded fuel tank was taken out of service in December 2023 due to a leak. Staff explored options to allow for continued fueling of the unleaded fleet, such as a commercial fuel card program and fueling at the Placentia-Yorba Linda Unified School District (District) Education Center. Fueling at the District allows the City to benefit from bulk fuel pricing. The City will incur a 10-cent admin fee per gallon to account for District staff time in administering the program for the City. Staff recommends the City Council approve the fuel sales agreement between the City and the District to allow the City to fuel its fleet at the District’s fuel station. Separately, Staff is evaluating various options with respect to a long-term solution for fueling the City’s fleet which could entail reconstructing the City’s fuel island or continuing to fuel the City’s fleet at the School District’s facility or other retail fueling stations.

RECOMMENDATION:
It is recommended that the City Council take the following actions:

1. Approve the agreement between the Placentia-Yorba Linda Unified School District and the City of Placentia for fuel sales; and

2. Authorize the City Administrator and/or his designee to execute all necessary documents, in a form approved by the City Attorney; and

3. Authorize the City Administrator to approve future contract term extensions as may be needed.

STRATEGIC PLAN STATEMENT:
There is no specific Strategic Planning Goal or Objective associated with this agenda item.
DISCUSSION:

The City's unleaded fuel tank was taken out of service in December 2023 due to a leak. Staff explored options to continue unleaded fueling of its fleet and one of those options is fueling at the Placentia-Yorba Linda Unified School District (District) yard. The District has offered to allow the City to fuel its fleet at the District's yard and benefit from the District's bulk fuel pricing. The City will incur a 10-cent admin surcharge per gallon, to cover costs associated with fuel management, programming codes, card systems and invoicing. Based upon the most recent month of fuel purchases, the City has been paying an average of $4.59 per gallon for fuel. According to the District's FY 2023-24 fuel purchases to date, the average cost per gallon is $4.11 per gallon. Based on these figures and including the 10-cent admin surcharge, the average cost to the City would be $4.21 per gallon, which is an average savings of .38 cents per gallon.

The City utilizes an average of 5,500 gallons per month of unleaded fuel. Purchasing fuel from the District would save the City approximately $25,000 per year versus purchasing through retail fuel stations. The City currently has an account with SC Fuels to fuel the City's fleet at SC Fuels stations and other retail fuel stations, and there are no card fees, transaction fees or reporting fees. There is no time commitment and the City has the option to close the fuel card account at any time without penalty. Staff recommends the City Council enter into an agreement with the District to allow the City to purchase fuel from the District while additional analysis is conducted to determine a long-term solution which could include reconstructing the City's fuel island or continuing to fuel the City's fleet at the District's yard or other retail fueling stations.

FISCAL IMPACT:

A total of $415,000 was budgeted for fleet fuel in the FY 2023-24 Operating Budget. As such, sufficient funds exist for the recommended actions.

Agreement for Fuel Sales Between the Placentia-Yorba Linda Unified School District and the City of Placentia
AGREEMENT FOR FUEL SALES
BETWEEN THE PLACENTIA-YORBA LINDA UNIFIED SCHOOL DISTRICT AND
THE CITY OF PLACENTIA

THIS AGREEMENT, dated the _____day of ____________ , in the County of Orange, State of California, is by and between Placentia-Yorba Linda Unified School District (hereinafter referred to as "DISTRICT"), and the City of Placentia, (hereinafter referred to as “CITY”).

RECITALS

A. The District’s Transportation Department maintains a central fuel site located at the District’s Education Center, 1301 E. Orangethorpe Ave., Placentia, Ca. 92870

B. This site provides fuel for District vehicles that are assigned to various departments.

C. The Placentia-Yorba Linda Unified School District has the capability to sell fuel to other government agencies, including, but not limited to federal, State, county, and city agencies and special districts.

D. The District wishes to sell fuel to City, and City wishes to purchase fuel from District, subject to the terms of this Agreement.

NOW THEREFORE, the District and City agree as follows:

1. Purchase of Fuel, Use of District’s Fuel Location: The District will allow the City to purchase fuel for the City’s owned, leased, or operated vehicles and equipment at the District’s Education Center. Vehicles exceeding the weight that District fuel area can accommodate will not be fueled at the District Education Center. The City’s cost for fuel shall be the District’s current cost per gallon, plus a $0.10 per gallon surcharge that will be used to cover costs associated with fuel management, programming codes, card systems and invoicing. The City shall pay invoices received by the District within thirty (30) days of invoice receipt.

Only authorized City vehicles will be fueled at the fueling location. Under no circumstances will City employees be allowed to fuel their personal vehicles under this Agreement.

2. Fuel Access Devices: The District fuel site is controlled by an automated fuel system utilizing a key card system that tracks usage of each vehicle. The District will provide sufficient fuel access keys as requested by the City for assigned vehicles. Additionally, the District will provide gate access codes to be used by the City for after-hours, weekend and holiday access to the fuel location. Upon termination of the agreement for any reason, the City will return all fuel access devices within thirty (30) days.

3. Duties of City: The City shall exercise reasonable care in using the District’s fueling equipment and entering District property to obtain fuel. The City shall reimburse the District for all loss or damage to fueling equipment, including but not limited to fuel
access devices, caused by City or its employees. The City agrees to pay any costs incurred by the District for the cleanup and disposal of hazardous waste that may result from negligent operation of equipment by City employees. The City must immediately report to District any system malfunctions or fuel spills at the fuel site.

4. **Security Requirements:** The City agrees to take all reasonable measures to maintain site security by ensuring access gates are closed after using the fueling facility, reporting suspicious activities, and any other action deemed necessary to maintain a secure location and fuel supply.

5. **No Warranty or Representation:** The District makes no warranty or representation regarding the availability of fuel and reserves the right to restrict access to fuel or fueling facility. However, the District will make reasonable efforts to supply fuel in emergency situations.

6. **Indemnity:** The City shall be responsible for acts or omissions of the City, its officers, representatives, agents, employees or third party users under contract with the City arising out of this Agreement and which have caused or which are claimed to have caused accident, loss, injury, death or any other damage to persons or real or personal property, and shall indemnify, defend and save harmless the District, its officers, agents and employees, from and against all claims, actions, damages, liabilities and expenses, including attorneys’ fees in connection therewith, without any right of contribution or indemnity from the District, its officers, representatives, agents or employees.

The District shall be responsible for acts or omissions of the District, its officers, representatives, agents, employees or third party users under contract with the District arising out of this Agreement and which have caused or which are claimed to have caused accident, loss, injury, death or any other damage to persons or real or personal property, and shall indemnify, defend and save harmless the City, its officers, agents and employees, from and against all claims, actions, damages, liabilities and expenses, including attorneys’ fees in connection therewith, without any right of contribution or indemnity from the City, its officers, representatives, agents or employees.

No Indemnity for Punitive Damages. The indemnity provisions set forth in this section shall not be construed to obligate the District or City to pay any liability, including but not limited to punitive damages, which by law would be contrary to public policy or otherwise unlawful.

7. **Tort Liability:** Government Code section 895.2 imposes certain tort liability jointly upon public agencies solely by reason of such public agencies being parties to an agreement defined in Government Code section 895. Therefore, the District and City, as between themselves, pursuant to the authorization contained in Government Code sections 895.4 and 895.6, each assumes the full liability imposed upon it or any of its officers, agents, representatives or employees by law for injury caused by a negligent or wrongful act or omission occurring in the performance of this Agreement, to the same extent that such liability would be imposed in the absence of Government Code section 895.2. To achieve
this purpose, the District and City indemnifies and holds harmless each other for any loss, cost, or expense, including reasonable attorneys’ fees that may be imposed upon or incurred by the District or City solely by virtue of Government Code section 895.2.

8. **Term and Termination:** The term of this Agreement shall be from March 13, 2024 through December 31, 2025, and may be extended for multiple years at the approval of the District and City. Either party may terminate this agreement for any reason upon ninety (90) days’ notice to the other party.

9. **Audit:** Pursuant to California Government Code Section 8546.7, District and City acknowledge that every contract involving the expenditure of public funds in excess of $10,000.00 shall be subject to audit by the State Auditor.

10. **Insurance:** City must obtain at its own expense and keep in force and effect during the term of the Agreement, including all extensions, policies of insurance or programs of self-insurance with policy limits in sufficient amounts to cover any and all potential liabilities of City hereunder. The applicable minimum limits shall in no way limit the City’s indemnification obligations.

11. **Maintenance:** The fuel system shall be operated and maintained by the District, and all costs, including but not limited to maintenance costs, fees, and expenses, including any permit fees, associated therewith shall be borne by the District. Any damages to the fueling system, caused by the City, shall be paid by the City.

12. **Inspection:** The City has the right, upon not less than forty-eight (48) hours’ notice to the District, to inspect all fuel records pertaining to this agreement.

13. **Parties Use:** Because of the business nature of the District, the City will have access to the District fuel pumps Monday through Friday, before 7:00 A.M., after 4:15 P.M. and between 11:00 A.M. to 1:00 P.M. Fuel pumps will be accessible Saturday, Sundays and Holidays at any time, provided there is no maintenance being performed on the pumps.

14. **Amendment:** This Agreement may be amended or modified only by an Agreement in writing approved by the governing body of the District and City.

15. **Conflict of Interest:** No director, officer, official, representative, agent or employee of the District or the City shall any financial interest, direct or indirect, in this Agreement.

16. **Notices:** All formal notices, demands, and communications between the District and City shall be given either by (i) personal service, (ii) delivery by reputable document delivery service such as Federal Express that provides a receipt showing date and time of delivery, or (iii) mailing in the United States mail, certified mail, postage prepaid, return receipt requested, addressed to:
If to District: Placentia-Yorba Linda Unified School District

17. **Severability:** If any term, condition or provision of this AGREEMENT is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force and effect, and shall not be affected, impaired or invalidated in any way.

18. **Assignment:** The Agreement shall not be assignable by the District or City without the expressed written consent of the other Party, which consent shall not be unreasonably withheld. Any attempted assignment of this Agreement not in compliance with the terms of this Agreement shall be null and void and shall confer no rights or benefits upon the assignee.

19. **Waivers:** All waivers of any term or condition of this Agreement shall be in writing. No waiver of any term or condition shall be a waiver of any term or condition or the same term or condition at a different time.

20. **Nondiscrimination:** There shall be no discrimination by the District or City against any person on account of race, color, religion, sex, marital status, national origin, or ancestry in the performance of its obligation under this Agreement.

21. **Applicable Law:** This Agreement is executed and is to be performed in the City of Placentia, Orange County, California. This Agreement shall be governed and construed under the laws of the State of California and as if drafted by both parties hereto.

22. **Binding Effect:** This Agreement shall be binding upon and inure to the benefit of the parties and their successors and assigns.

23. **Attorney Fees:** Should litigation be necessary to enforce any terms or provisions of this Agreement, then each party shall bear its own litigation and collection expenses, witness fees, court costs, and attorneys’ fees.

24. **Entire Agreement:** This Agreement and any exhibits attached hereto constitute the entire agreement among the parties to it and supersedes any prior or contemporaneous understanding or agreement with respect to the services contemplated, and may be amended only by written notification executed by both parties to the Agreement.
In Witness Whereof the parties hereto have executed this Agreement as of the date first above written:

SUMMARY:

The City’s Operating Budget is reviewed and presented to the City Council quarterly for recommended amendments and to provide current information on the financial activities of the City. Additionally, these types of quarterly reports assist City departments in communicating their financial operations throughout the fiscal year including any program changes and significant impacts to their annual budgets, as well as ensuring spending and revenues received throughout the year closely align with the adopted budget.

RECOMMENDATION:

It is recommended that the City Council take the following action:

STRATEGIC PLAN STATEMENT:

This item is consistent with the City Council approved 5-Year Strategic Goal to Ensure Long-Term Fiscal Sustainability, under Objective #1.6 Update the existing 10-Year Financial Plan.

DISCUSSION:

At the June 6, 2023 City Council meeting, City Council approved the FY 2023-24 budget which included $86.4 million in expenditures supported by $84.9 million in revenues, with the difference supported by the use of one-time monies in various funds to address capital improvement projects. The General Fund’s expenditures accounted for $52.3 million of those expenditures, with...
General Fund revenues adopted at $49.8 million. Subsequently, at the Mid-Year Budget review the City Council approved proposed adjustments to the General Fund budget bringing the total expenditures to $71.4 million, with $64.5 million in revenues, inclusive of carryover funding from FY 2022-23 approved in the first quarter.

Since the Mid-Year report, the City has received three additional months’ sales tax allocations. Through it’s April allocation, sales tax is down $388,000, or 7.2% compared to April 2023 and Staff has learned of the closure or future closure of several sales tax producers within the City, further reducing the amount of sales tax expected this fiscal year. Staff is now projecting to receive $7.75 million in sales tax for FY 2023-24 compared to the current amended budget of $8.25 million.

Similarly to sales tax, Measure U is also projected to be lower than its $9.2 million budget, with the City now expecting $8.7 million, compared to $8.9 million last fiscal year. While managed in a separate fund, this reduction will negatively impact the transfer made to the General Fund from the Measure U fund per Policy 460 by $200,000.

For the third quarter of FY 2023-24 there are no proposed adjustments to the expense budget. To mitigate against the further loss of revenue, the City Administrator gave direction to issue the annual Stop Spending Order, which went into effect March 21st requiring departments to cease all unnecessary spending (not contractually obligated, directly supported by revenue, or required for public safety) for the remainder of the fiscal year.

**FY 2024/25 Budget**

Budget preparation for the 2024-25 fiscal year is actively underway and the Proposed FY 2024/25 Budget is scheduled to be presented to the City Council on May 21, 2024. Projections for our largest revenue source, property tax, is projected to increase by approximately 9% from the Adopted FY 2023-24 budget. Offsetting this increase, however, is a continued decline in sales tax with our sales tax consultant, HdL, projecting $8.0 million for the upcoming fiscal year, down $767,000, or 9% from the Adopted FY 2023-24 budget.

On the expense side, costs continue to increase, several of which are outside the City’s control. Known increases for FY 2024-25 include increased insurance costs, an unfunded actuarial liability (UAL) payment required to CalPERS resulting from their recent rate of returns being lower than the discount rate, countywide cost increases for the public safety 800 MHz radio system, and cost of living adjustments per negotiated Memoranda of Understanding. These are in addition to citywide increases in contract and software costs, gasoline, utilities and an overall higher cost of goods and services.

The graphic below illustrates the challenge the City is facing in preparing a balanced budget for the upcoming fiscal year(s). While the most recent CPI figure, 3.5% is lower than peak CPI figures experienced in 2022, it only represents the change consumer costs in one twelve-month period. However when looking at the cumulative impact of each month’s CPI increase on the second graph below, it illustrates how the overall cost of doing business has increased dramatically since 2021.
FISCAL IMPACT:

The fiscal impact associated with the approval of this item is summarized below with the detailed budget adjustments as listed in Exhibit A.

Resolution R-2024-24 – Authorizing a Budget Amendment in Fiscal Year 2023-24
a. Exhibit A – Detailed Budget Adjustments
RESOLUTION NO. R-2024-24

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PLACENTIA, CALIFORNIA AUTHORIZING A BUDGET AMENDMENT IN FISCAL YEAR 2023-24 IN COMPLIANCE WITH CITY CHARTER OF THE CITY OF PLACENTIA SECTION 1206 PERTAINING TO APPROPRIATIONS FOR ACTUAL EXPENDITURES

A. Recitals.

(i). The adopted budget for the 2023-24 Fiscal Year sets out estimated appropriations for City expenses throughout the year.

(ii). From time to time the adopted budget must be adjusted when precise expenditures are finally determined or when estimated expenditures exceed projected costs allocated.

(iii). City Charter of the City of Placentia § 1206 authorizes the City Council to amend or supplement the budget by motion adopted by the affirmative votes of at least three members so as to authorize the transfer of unused balances appropriated for one purpose to another purpose, or to appropriate available revenues not included in the budget. All other legal prerequisites to the adoption of this Resolution have occurred.

B. Resolution.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF PLACENTIA DOES HEREBY FIND, DETERMINE AND RESOLVE AS FOLLOWS:

1. In all respects as set forth in the Recitals, Part A., of this Resolution.

2. The adopted budget for Fiscal Year 2023-24, Resolution No. R-2024-42, is hereby amended to reflect the following modifications to the FY2023-24 budget in the accounts specified:

FROM: DIRECTOR OF DEVELOPMENT SERVICES

DATE: MAY 7, 2024

SUBJECT: CONSIDERATION OF A RESOLUTION AUTHORIZING APPLICATION TO, AND PARTICIPATION IN THE PROHOUSING DESIGNATION PROGRAM WITH THE STATE DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT (HCD).

FISCAL IMPACT: NO IMMEDIATE FISCAL IMPACT; HOWEVER LIKELY POSITIVE FISCAL IMPACT FOR AFFORDABLE HOUSING DEVELOPMENT RELATED GRANTS. PROHOUSING DESIGNATION QUALIFIES CITY TO APPLY FOR STATE FUNDING IN AN AMOUNT TO BE DETERMINED ONCE THE STATE RELEASES INFORMATION IN AUGUST 2024.

SUMMARY:

The City of Placentia is in the process of applying to the State Department of Housing and Community Development (HCD) and the Southern California Association of Governments (SCAG) to obtain a Prohousing designation. The attached Resolution will authorize application to and participation in the Prohousing Designation Program and will make Placentia eligible to apply for the Prohousing Incentive Program grant funds. The amount of eligible funds has yet to be determined by the State. The last round of funding was in a total amount not to exceed $1,000,000.

RECOMMENDATION:

It is recommended that the City Council take the following actions:

1. Adopt Resolution No. R-2024-25, a Resolution of the City Council of the City of Placentia, California, authorizing application to and participation in the Prohousing Designation Program.
STRATEGIC PLAN STATEMENT:

This item is consistent with the City Council approved 5-Year Strategic Goal to achieve the following:

Implementation of Housing Element Strategies, Objective Number 3.10. This agenda item will specifically create opportunities for the development of more housing within the city, including a mix of housing at various price points. Also, this item will serve to enhance affordable housing production efforts in general as it will create potential funding mechanisms and other incentives to attract and promote affordable housing within the community.

BACKGROUND:

The City of Placentia is in the process of applying to the State to obtain a Prohousing designation. Staff submitted an application last year, however the Housing Element was not certified by the State, and thus, the City did not qualify. With the State certification of the City’s 6th Cycle Housing Element in February 2024, the City is now eligible to apply for the Prohousing designation. Staff would like to pursue a Prohousing designation due to its potential to open up a multitude of funding opportunities for the City and will assist the City in fulfilling is regional housing needs assessment (RHNA) requirements.

The State has determined that increasing the availability of housing is critical to bettering the quality of life for all Californians. The 2019-2020 Budget Act provided a spectrum of support, incentives, and accountability measures to meet California’s housing goals, and provided for the establishment of the Prohousing Designation Program. The intent of this State program is to encourage jurisdictions to enact regulations, adopt policies, and establish local programs which go beyond current state laws and conventional standards and will accelerate the production of housing, both market rate and affordable at all density levels.

In return for adopting such pro-housing regulations, policies, and programs, local governments can receive an official designation and receive an advantage such as priority processing or funding points when applying for various funding programs. Current eligible funding programs that prioritize those with Prohousing designation include Affordable Housing & Sustainable Communities (AHSC), Infill Infrastructure Grant (IIG), and Transformative Climate Communities (TCC). However, the State is actively looking to add additional programs, particularly those that are only open to those with a Prohousing designation. A successful Prohousing designation could potentially lead to receipt of Prohousing Incentive Program funds. The amount of those funds has yet to be determined by the State.

DISCUSSION:

The attached Resolution (attachment 1) is a required component of the application. Upon the City Council’s approval of the Resolution, City staff will submit the entire Prohousing Designation Program application to HCD for review and approval. City Staff has been working with SCAG staff in crafting this application to HCD.
If the City application for a Prohousing designation is awarded by HCD, staff will be able to apply for Prohousing Incentive (PIP) Program funds once the application window opens in August 2024. Receipt of the funds is contingent upon receiving the Prohousing Designation from HCD. The application for PIP will require Staff to return to Council for approval to apply. Said funds may be used for the development, acquisition, rehabilitation, and preservation of multifamily, residential live-work, rental housing that is affordable to low- and moderate-income households, including necessary operating subsidies. The funds could be utilized to help finance an affordable housing development in Placentia, or for assisting those at risk of homelessness, including funding for navigation centers and emergency shelters, among other eligible expenses.

**FISCAL IMPACT:**

The approval of a Prohousing designation will qualify the City to apply for PIP grant funds, which can be utilized to generate affordable housing as well as increase scoring for the City and its developers on other HCD and housing grants. The available amount of the PIP grants has not been released by the State. The last round of PIP funds alone was up to $1,000,000 per jurisdiction and funds from the other grants vary by project.

RESOLUTION NO. R-2024-25

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PLACENTIA, AUTHORIZING APPLICATION TO AND PARTICIPATION IN THE PROHOUSING DESIGNATION PROGRAM

WHEREAS, Government Code section 65589.9 established the Prohousing Designation Program ("Program"), which creates incentives for jurisdictions that are compliant with state housing element requirements and that have enacted Prohousing local policies; and

WHEREAS, such jurisdictions will be designated Prohousing, and, as such, will receive additional points or other preference during the scoring of their competitive applications for specified housing and infrastructure funding; and

WHEREAS, the California Department of Housing and Community Development ("Department") has adopted regulations (Cal. Code Regs., tit. 25, § 6600 et seq.) to implement the Program ("Program Regulations"), as authorized by Government Code section 65589.9, subdivision (d); and

WHEREAS, the CITY OF PLACENTIA ("Applicant") desires to submit an Application for a Prohousing Designation ("Application").

THEREFORE, IT IS RESOLVED THAT:

1. Applicant is hereby authorized and directed to submit an Application to the Department.

2. Applicant acknowledges and confirms that it is currently in compliance with applicable state housing law.

3. Applicant acknowledges and confirms that it will continue to comply with applicable housing laws and to refrain from enacting laws, developing policies, or taking other local governmental actions that may or do inhibit or constrain housing production. Examples of such local laws, policies, and actions include moratoriums on development; local voter approval requirements related to housing production; downzoning; and unduly restrictive or onerous zoning regulations, development standards, or permit procedures. Applicant further acknowledges and confirms that the Prohousing Policies in its Application comply with its duty to Affirmatively Further Fair Housing pursuant to Government Code sections 8899.50 and 65583. Applicant further acknowledges and confirms that its general plan is in alignment with an adopted sustainable communities strategy pursuant to Public Resources Code sections 21155- 21155.4. Applicant further acknowledges and confirms that its policies for the treatment of homeless encampments on public property comply
do and will continue to comply with the Constitution and that it has enacted best practices in its jurisdiction that are consistent with the United States Interagency Council on Homelessness’ “7 Principles for Addressing Encampments” (June 17, 2022, update).

4. If the Application is approved, Applicant is hereby authorized and directed to enter into, execute, and deliver all documents required or deemed necessary or appropriate to participate in the Program, and all amendments thereto (the “Program Documents”).

5. Applicant acknowledges and agrees that it shall be subject to the Application; the terms and conditions specified in the Program Documents; the Program Regulations; and any and all other applicable law.

6. The CITY ADMINISTRATOR is authorized to execute and deliver the Application and the Program Documents on behalf of the Applicant for participation in the Program.

The Federal Americans with Disabilities Act (ADA) has been in place since 1990 and the Code of Federal Regulations mandates public agencies to comply by maintaining an up-to-date ADA Self Evaluation and Transition Plan for the facilities it owns and maintains. The City prepared an ADA report for the City Hall in 2009.

On November 15, 2023, Staff issued a Request for Proposals ("RFP") for professional service to develop an ADA Self Evaluation and Transition Plan. The scope of services for this effort will include the compilation of a comprehensive ADA Self-Evaluation and Transition Plan for City buildings, parks, and public right-of-way, including parking lots, street intersections, and sidewalks. The Self Evaluation will evaluate the City’s services, practices, and policies. The Transition Plan will evaluate the physical barriers at all City-owned facilities and public right-of-way and provide the basis for prioritizing, budgeting, implementing, and removing identified barriers. A comprehensive City ADA Transition Plan will ensure that City facilities are accessible to all members of the public.

Staff received five (5) proposals for this project and after a thorough review, are recommending Disability Access Consultants (DAC), based upon their qualifications, experience, and technical expertise. DAC has assisted business and public entities in compliance with local, state and federal laws and regulations since 1998.

RECOMMENDATION:

It is recommended that City Council take the following actions:

1.h.
May 7, 2024
1. Award a Professional Services Agreement for Americans with Disabilities Act (ADA) Self Evaluation and Transition Plan to Disability Access Consultants, LLC. for a not-to-exceed amount of $158,900; and

2. Authorize the City Administrator to approve contract change orders up to 10% or $15,890; and

3. Authorize the City Administrator and/or his designee to execute all the necessary documents, in a form approved by the City Attorney.

STRATEGIC PLAN STATEMENT:

There is no specific strategic planning goal or objective associated with this agenda item.

DISCUSSION:

On November of 2023, a Request for Proposals (RFP) was issued for professional services to prepare an ADA Self-Evaluation and Transition Plan. The scope of services for this effort will include the compilation of a comprehensive ADA Self-Evaluation and Transition Plan for City buildings, parks, and public right-of-way, including parking lots, street intersections, and sidewalks. The Self Evaluation will evaluate the City’s services, practices, and policies. The Transition Plan will evaluate the physical barriers at all City-owned facilities and public right-of-way and provide the basis for prioritizing, budgeting, implementing, and removing identified barriers. A comprehensive City ADA Transition Plan will ensure that City facilities are accessible to the public.

On January 18, 2024, a total of five (5) firms submitted proposals for the project. The proposals were reviewed by a selection team comprised of Staff in the Public Works and Development Services Departments and evaluated based upon criteria established for consultant selection. DAC ranked first based upon their overall experience and expertise with similar projects and their proposed approach to the project.

DAC will be performing field investigations within the City’s right-of-way and at City facilities and parks in order to identify obstacles limiting accessibility, describe methods to improve accessibility and recommend a schedule for achieving ADA compliance. In addition, the Self Evaluation will evaluate the City's services, practices, and policies. The Transition Plan component will evaluate physical barriers at all City-owned facilities and public right-of-way. Ultimately, the plan will
provide recommendations for removing identified barriers and complying with accessibility requirements as mandated by the ADA and State of California Access codes.

DAC has prepared numerous Self Evaluations and Transition Plans throughout California and is well versed in current ADA regulations. In addition, DAC is committing experienced staff to the project which have prepared similar plans for other cities in Southern California. DAC will be engaged with the City throughout the process to ensure that City input is considered in all aspects of the plan and how it is set up for implementation. Lastly, DAC has also committed to project deliverables within a 12-month time frame.

**FISCAL IMPACT:**

The total cost for the professional services amounts to $174,790. A total of $150,000 was budgeted in the FY 2023-24 Capital Improvement Program for this project. Staff is recommending an additional $24,790 be transferred from the Public Works Operating Budget to cover the remainder of the cost. As such, sufficient funds exist for the recommended actions.

Professional Services Agreement
CITY OF PLACENTIA
PROFESSIONAL SERVICES AGREEMENT
WITH
DISABILITY ACCESS CONSULTANTS, LLC (DAC)

THIS AGREEMENT is made and entered into this 7TH day of May, 2024 ("Effective Date"), by and between the CITY OF PLACENTIA, a municipal corporation ("City"), and Disability Access Consultants, a California corporation ("Consultant").

WITNESSETH:

A. WHEREAS, City proposes to utilize the services of Consultant as an independent contractor for Americans with Disabilities Act (ADA) Self-Evaluation and Transition Plan, as more fully described herein; and

B. WHEREAS, Consultant represents that it has that degree of specialized expertise contemplated within California Government Code Section 37103, and holds all necessary licenses to practice and perform the services herein contemplated; and

C. WHEREAS, City and Consultant desire to contract for the specific services described in Exhibit "A" (the "Project") and desire to set forth their rights, duties and liabilities in connection with the services to be performed; and

D. WHEREAS, no official or employee of City has a financial interest, within the provisions of Sections 1090-1092 of the California Government Code, in the subject matter of this Agreement.

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein, the parties hereby agree as follows:

1.0. SERVICES PROVIDED BY CONSULTANT

1.1. Scope of Services. Consultant shall provide the professional services described in the Consultant's Proposal ("Proposal"), attached hereto as Exhibit "A" and incorporated herein by this reference.

1.2. Professional Practices. All professional services to be provided by Consultant pursuant to this Agreement shall be provided by personnel experienced in their respective fields and in a manner consistent with the standards of care, diligence and skill ordinarily exercised by professional consultants in similar fields and circumstances in accordance with sound professional practices. Consultant also warrants that it is familiar with all laws that may affect its performance of this Agreement and shall advise City of any changes in any laws that may affect Consultant's performance of this Agreement. Consultant shall keep itself informed of State and Federal laws and regulations which in any manner affect those employed by it or in any way affect the performance of its service pursuant to this Agreement. The Consultant shall at all times observe and comply with all such laws and regulations. Officers and employees shall not be liable at law or in equity occasioned by failure of the Consultant to comply with this section.

1.3. Performance to Satisfaction of City. Consultant agrees to perform all the work to the complete satisfaction of the City and within the hereinafter specified. Evaluations of the work will be done by the City Administrator or his or her designee. If the quality of work is not satisfactory, City in its discretion has the right to:
(a) Meet with Consultant to review the quality of the work and resolve the matters of concern;

(b) Require Consultant to repeat the work at no additional fee until it is satisfactory; and/or

(c) Terminate the Agreement as hereinafter set forth.

1.4. Warranty. Consultant warrants that it shall perform the services required by this Agreement in compliance with all applicable Federal and California employment laws, including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers’ compensation insurance and safety in employment; and all other Federal, State and local laws and ordinances applicable to the services required under this Agreement. Consultant shall indemnify and hold harmless City from and against all claims, demands, payments, suits, actions, proceedings, and judgments of every nature and description including attorneys’ fees and costs, presented, brought, or recovered against City for, or on account of any liability under any of the above-mentioned laws, which may be incurred by reason of Consultant’s performance under this Agreement.

1.5. Non-discrimination. In performing this Agreement, Consultant shall not engage in, nor permit its agents to engage in, discrimination in employment of persons because of their race, religion, color, national origin, ancestry, age, physical handicap, medical condition, marital status, sexual gender or sexual orientation, except as permitted pursuant to Section 12940 of the Government Code. Such actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. Consultant agrees to post in conspicuous places, available to employees and applicants for employment, a notice setting forth provisions of this non-discrimination clause.

Consultant shall, in all solicitations and advertisements for employees placed by, or on behalf of Consultant shall state that all qualified applicants will receive consideration for employment without regard to age, race, color, religion, sex, marital status, national origin, or mental or physical disability. Consultant shall cause the paragraphs contained in this Section to be inserted in all subcontracts for any work covered by the Agreement, provided that the foregoing provisions shall not apply to subcontracts for standard commercial supplies or raw materials.

1.6. Non-Exclusive Agreement. Consultant acknowledges that City may enter into agreements with other consultants for services similar to the services that are subject to this Agreement or may have its own employees perform services similar to those services contemplated by this Agreement.

1.7. Delegation and Assignment. This is a personal service contract, and the duties set forth herein shall not be delegated or assigned to any person or entity without the prior written consent of City. Consultant may engage a subcontractor(s) as permitted by law and may employ other personnel to perform services contemplated by this Agreement at Consultant’s sole cost and expense. All insurance requirements contained in this Agreement are independently applicable to any and all subcontractors that Consultant may engage during the term of this Agreement.
1.8. **Confidentiality.** Employees of Consultant in the course of their duties may have access to financial, accounting, statistical, and personnel data of private individuals and employees of City. Consultant covenants that all data, documents, discussion, or other information developed or received by Consultant or provided for performance of this Agreement are deemed confidential and shall not be disclosed by Consultant without written authorization by City. City shall grant such authorization if disclosure is required by law. All City data shall be returned to City upon the termination of this Agreement. Consultant's covenant under this Section shall survive the termination of this Agreement.

2.0. **COMPENSATION AND BILLING**

2.1. **Compensation.** Consultant shall be paid in accordance with the fee schedule set forth in Exhibit “A”. Consultant’s total compensation shall not exceed One Hundred Fifty Eight Thousand and Nine Hundred Dollars ($ 158,900.00).

2.2. **Additional Services.** City shall have the right at any time during the performance of the services, without invalidating this Agreement, to order extra work beyond that specified in the Scope of Services or make changes by altering, adding to, or deducting from said work. No such extra work may be undertaken unless a written change order is first given by the Contract Officer to the Contractor, incorporating therein any adjustment in (i) the Contract Sum as set forth in Section 3.1, and/or (ii) the time to perform this Agreement, which said adjustments are subject to the written approval of the Contractor. Any increase in compensation of ten percent (10%) or less of the Contract Sum, or in the time to perform of one hundred eighty (180) days or less, may be approved by the Contract Officer. It is expressly understood by Contractor that the provisions of this Section shall not apply to services specifically set forth in the Scope of Services or reasonably contemplated therein. Contractor hereby acknowledges that it accepts the risk that the services to be provided pursuant to the Scope of Services may be more costly or time consuming than Contractor anticipates and that Contractor shall not be entitled to additional compensation therefore.

2.3. **Method of Billing.** Consultant may submit invoices to the City for approval on a progress basis, but no more often than two times a month. Said invoice shall be based on the total of all Consultant's services which have been completed to City's sole satisfaction. City shall pay Consultant's invoice within forty-five (45) days from the date City receives said invoice. Each invoice shall describe in detail, the services performed, the date of performance, and the associated time for completion. Any additional services approved and performed pursuant to this Agreement shall be designated as “Additional Services” and shall identify the number of the authorized change order, where applicable, on all invoices.

2.4. **Records and Audits.** Records of Consultant's services relating to this Agreement shall be maintained in accordance with generally recognized accounting principles and shall be made available to City or its Project Manager for inspection and/or audit at mutually convenient times for a period of three (3) years from the Effective Date.

3.0. **TIME OF PERFORMANCE**

3.1. **Commencement and Completion of Work.** The professional services to be performed pursuant to this Agreement shall commence within five (5) days from the Effective Date of this Agreement. Said services shall be performed in strict compliance with the Project Schedule approved by City as set forth in Exhibit “A.”

3.2. **Excusable Delays.** Neither party shall be responsible for delays or lack of
performance resulting from acts beyond the reasonable control of the party or parties. Such acts shall include, but not be limited to, acts of God, fire, strikes, material shortages, compliance with laws or regulations, riots, acts of war, or any other conditions beyond the reasonable control of a party. If a delay beyond the control of the Consultant is encountered, a time extension may be mutually agreed upon in writing by the City and the Consultant. The Consultant shall present documentation satisfactory to the City to substantiate any request for a time extension.

4.0. TERM AND TERMINATION

4.1. Term. This Agreement shall commence on the Effective Date and continue for a period of 36 months, ending on May 7, 2027, unless previously terminated as provided herein or as otherwise agreed to in writing by the parties.

4.2. Notice of Termination. The City reserves and has the right and privilege of canceling, suspending or abandoning the execution of all or any part of the work contemplated by this Agreement, with or without cause, at any time, by providing at least fifteen (15) days prior written notice to Consultant. The termination of this Agreement shall be deemed effective upon receipt of the notice of termination. In the event of such termination, Consultant shall immediately stop rendering services under this Agreement unless directed otherwise by the City. If the City suspends, terminates or abandons a portion of this Agreement such suspension, termination or abandonment shall not make void or invalidate the remainder of this Agreement.

If the Consultant defaults in the performance of any of the terms or conditions of this Agreement, it shall have ten (10) days after service upon it of written notice of such default in which to cure the default by rendering a satisfactory performance. In the event that the Consultant fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

The City shall have the right, notwithstanding any other provisions of this Agreement, to terminate this Agreement, at its option and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement, immediately upon service of written notice of termination on the Consultant, if the latter should:

a. Be adjudged a bankrupt;

b. Become insolvent or have a receiver of its assets or property appointed because of insolvency;

c. Make a general assignment for the benefit of creditors;

d. Default in the performance of any obligation or payment of any indebtedness under this Agreement;

e. Suffer any judgment against it to remain unsatisfied or unbonded of record for thirty (30) days or longer; or

f. Institute or suffer to be instituted any procedures for reorganization or rearrangement of its affairs.

4.3. Compensation. In the event of termination, City shall pay Consultant for
reasonable costs incurred and professional services satisfactorily performed up to and including the date of City's written notice of termination within thirty-five (35) days after service of the notice of termination. Compensation for work in progress shall be prorated based on the percentage of work completed as of the effective date of termination in accordance with the fees set forth herein. In ascertaining the professional services actually rendered hereunder up to the effective date of termination of this Agreement, consideration shall be given to both completed work and work in progress, to complete and incomplete drawings, and to other documents pertaining to the services contemplated herein whether delivered to the City or in the possession of the Consultant. City shall not be liable for any claim of lost profits.

4.4. Documents. In the event of termination of this Agreement, all documents prepared by Consultant in its performance of this Agreement including, but not limited to, finished or unfinished design, development and construction documents, data studies, drawings, maps and reports, shall be delivered to the City within ten (10) days of delivery of termination notice to Consultant, at no cost to City. Any use of uncompleted documents without specific written authorization from Consultant shall be at City's sole risk and without liability or legal expense to Consultant.

5.0. INSURANCE

5.1. Minimum Scope and Limits of Insurance. Consultant shall obtain, maintain, and keep in full force and effect during the life of this Agreement all of the following minimum scope of insurance coverages with an insurance company admitted to do business in California, rated "A," Class X, or better in the most recent Best's Key Insurance Rating Guide, and approved by City:

(a) Broad-form commercial general liability, in a form at least as broad as ISO from #CG 00 01 04 13, including premises-operations, products/completed operations, broad form property damage, blanket contractual liability, independent contractors, personal injury or bodily injury with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or shall be twice the required occurrence limit. If Consultant maintains higher limits that the specified minimum limits, City requires and shall be entitled to coverage for the high limits maintained by the Consultant.

(b) Business automobile liability for owned vehicles, hired, and non-owned vehicles, with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, each incident for bodily injury and property damage.

(c) Workers' compensation insurance as required by the State of California and Employers Liability Insurance with a minimum limit of $1,000,000 per accident for any employee or employees of Consultant. Consultant agrees to waive, and to obtain endorsements from its workers' compensation insurer waiving subrogation rights under its workers' compensation insurance policy against the City, its officers, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its subcontractors, if any, to do likewise under their workers' compensation insurance policies.
Before execution of this Agreement by the City, the Consultant shall file with the Public Works Director/City Engineer the following signed certification:

I am aware of, and will comply with, Section 3700 of the Labor Code, requiring every employer to be insured against liability of Workers' Compensation or to undertake self-insurance before commencing any of the work.

The Consultant shall also comply with Section 3800 of the Labor Code by securing, paying for and maintaining in full force and effect for the duration of this Agreement, complete Workers' Compensation Insurance, and shall furnish a Certificate of Insurance to the Public Works Director/City Engineer before execution of this Agreement by the City. The City, its officers and employees shall not be responsible for any claims in law or equity occasioned by failure of the consultant to comply with this section.

(d) Professional errors and omissions ("E&O") liability insurance with policy limits of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence and aggregate. Architects' and engineers' coverage shall be endorsed to include contractual liability. If the policy is written as a "claims made" policy, the retro date shall be prior to the start of the contract work. Consultant shall obtain and maintain, said E&O liability insurance during the life of this Agreement and for three years after completion of the work hereunder.

Neither the CITY nor any of its elected or appointed officials, officers, agents, employees, or volunteers makes any representation that the types of insurance and the limits specified to be carried by Consultant under this Agreement are adequate to protect Consultant. If Consultant believes that any such insurance coverage is insufficient, Consultant shall provide, at its own expense, such additional insurance as Consultant deems adequate.

5.2. **Endorsements.** The commercial general liability insurance policy and business automobile liability policy shall contain or be endorsed to contain the following provisions:

(a) Additional insureds: "The City of Placentia and its elected and appointed boards, officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of the Consultant pursuant to its contract with the City; products and completed operations of the Consultant; premises owned, occupied or used by the Consultant; automobiles owned, leased, hired, or borrowed by the Consultant."

(b) Notice: "Consultant shall provide immediate written notice if (1) any of the required insurance policies is terminated; (2) the limits of any of the required polices are reduced; (3) or the deductible or self insured retention is increased. In the event of any cancellation or reduction in coverage or limits of any insurance, Consultant shall forthwith obtain and submit proof of substitute insurance. Should Consultant fail to immediately procure other insurance, as specified, to substitute for any
canceled policy, the City may procure such insurance at Consultant's sole
cost and expense."

(c) Other insurance: "The Consultant's insurance coverage shall be primary
insurance as respects the City of Placentia, its officers, officials, agents,
employees, and volunteers. Any other insurance maintained by the City of
Placentia shall be excess and not contributing with the insurance
provided by this policy."

(d) Any failure to comply with the reporting provisions of the policies shall not
affect coverage provided to the City of Placentia, its officers, officials,
agents, employees, and volunteers.

(e) The Consultant's insurance shall apply separately to each insured against
whom claim is made or suit is brought, except with respect to the limits of
the insurer's liability.

5.3. Deductible or Self Insured Retention. If any of such policies provide for a
deductible or self-insured retention to provide such coverage, the amount of such deductible or
self-insured retention shall be approved in advance by City. No policy of insurance issued as to
which the City is an additional insured shall contain a provision which requires that no insured
except the named insured can satisfy any such deductible or self-insured retention.

5.4. Certificates of Insurance. Consultant shall provide to City certificates of
insurance showing the insurance coverages and required endorsements described above, in a
form and content approved by City, prior to performing any services under this Agreement. The
certificates of insurance and endorsements shall be attached hereto as Exhibit "B" and
incorporated herein by this reference.

5.5. Non-limiting. Nothing in this Section shall be construed as limiting in any way,
the indemnification provision contained in this Agreement, or the extent to which Consultant
may be held responsible for payments of damages to persons or property.

6.0. GENERAL PROVISIONS

6.1. Entire Agreement. This Agreement constitutes the entire agreement between the
parties with respect to any matter referenced herein and supersedes any and all other prior
writings and oral negotiations. This Agreement may be modified only in writing, and signed by
the parties in interest at the time of such modification. The terms of this Agreement shall prevail
over any inconsistent provision in any other contract document appurtenant hereto, including
exhibits to this Agreement.

6.2. Representatives. The City Administrator or his or her designee shall be the
representative of City for purposes of this Agreement and may issue all consents, approvals,
directives and agreements on behalf of the City, called for by this Agreement, except as
otherwise expressly provided in this Agreement.

Consultant shall designate a representative for purposes of this Agreement who
shall be authorized to issue all consents, approvals, directives and agreements on behalf of
Consultant called for by this Agreement, except as otherwise expressly provided in this
Agreement.
6.3. **Project Managers.** City shall designate a Project Manager to work directly with Consultant in the performance of this Agreement. It shall be the Consultant’s responsibility to assure that the Project Manager is kept informed of the progress of the performance of the services and the Consultant shall refer any decision, which must be made by City, to the Project Manager. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Project Manager.

Consultant shall designate a Project Manager who shall represent it and be its agent in all consultations with City during the term of this Agreement and who shall not be changed by Consultant without the express written approval by the City. Consultant or its Project Manager shall attend and assist in all coordination meetings called by City.

6.4. **Notices.** Any notices, documents, correspondence or other communications concerning this Agreement or the work hereunder may be provided by personal delivery, facsimile or if mailed, shall be addressed as set forth below and placed in a sealed envelope, postage prepaid, and deposited in the United States Postal Service. Such communication shall be deemed served or delivered: a) at the time of delivery if such communication is sent by personal delivery; b) at the time of transmission if such communication is sent by facsimile; and c) 72 hours after deposit in the U.S. Mail as reflected by the official U.S. postmark if such communication is sent through regular United States mail.

6.5. **Attorneys’ Fees.** In the event that litigation is brought by any party in connection with this Agreement, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys’ fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any of the terms, conditions, or provisions hereof.

6.6. **Governing Law.** This Agreement shall be governed by and construed under the laws of the State of California without giving effect to that body of laws pertaining to conflict of laws. In the event of any legal action to enforce or interpret this Agreement, the parties hereto agree that the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California. Consultant agrees to submit to the personal jurisdiction of such court in the event of such action.

6.7. **Assignment.** Consultant shall not voluntarily or by operation of law assign, transfer, sublet or encumber all or any part of Consultant’s interest in this Agreement without City’s prior written consent. Any attempted assignment, transfer, subletting or encumbrance shall be void and shall constitute a breach of this Agreement and cause for termination of this Agreement. Regardless of City’s consent, no subletting or assignment shall release Consultant of Consultant’s obligation to perform all other obligations to be performed by Consultant.
hereunder for the term of this Agreement.

6.8. **Indemnification and Hold Harmless.** Consultant agrees to defend, indemnify, hold free and harmless the City, its elected and appointed officials, officers, agents and employees, at Consultant’s sole expense, from and against any and all claims, demands, actions, suits or other legal proceedings brought against the City, its elected and appointed officials, officers, agents and employees arising out of the performance of the Consultant, its employees, and/or authorized subcontractors, of the work undertaken pursuant to this Agreement. The defense obligation provided for hereunder shall apply whenever any claim, action, complaint or suit asserts liability against the City, its elected and appointed officials, officers, agents and employees based upon the work performed by the Consultant, its employees, and/or authorized subcontractors under this Agreement, whether or not the Consultant, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable. Notwithstanding the foregoing, the Consultant shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City’s specifications or Consultant’s Proposal, which shall be of no force and effect.

6.9. **Independent Contractor.** Consultant is and shall be acting at all times as an independent contractor and not as an employee of City. Consultant shall have no power to incur any debt, obligation, or liability on behalf of City or otherwise act on behalf of City as an agent. Neither City nor any of its agents shall have control over the conduct of Consultant or any of Consultant’s employees, except as set forth in this Agreement. Consultant shall not, at any time, or in any manner, represent that it or any of its or employees are in any manner agents or employees of City. Consultant shall secure, at its sole expense, and be responsible for any and all payment of Income Tax, Social Security, State Disability Insurance Compensation, Unemployment Compensation, and other payroll deductions for Consultant and its officers, agents, and employees, and all business licenses, if any are required, in connection with the services to be performed hereunder. Consultant shall indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant further agrees to indemnify and hold City harmless from any failure of Consultant to comply with the applicable worker’s compensation laws. City shall have the right to offset against the amount of any fees due to Consultant under this Agreement any amount due to City from Consultant as a result of Consultant’s failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

6.10. **PERS Eligibility Indemnification.** In the event that Consultant or any employee, agent, or subcontractor of Consultant providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Consultant shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Notwithstanding any other agency, state or federal policy, rule, regulation, law or ordinance to the contrary, Consultant and any of its employees, agents, and subcontractors providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to
any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

6.11. **Cooperation.** In the event any claim or action is brought against City relating to Consultant's performance or services rendered under this Agreement, Consultant shall render any reasonable assistance and cooperation which City might require.

6.12. **Ownership of Documents.** All findings, reports, documents, information and data including, but not limited to, computer tapes or discs, preliminary notes, working documents, files and tapes furnished or prepared by Consultant or any of its subcontractors in the course of performance of this Agreement, shall be and remain the sole property of City. Consultant agrees that any such documents or information shall not be made available to any individual or organization without the prior consent of City, but shall be made available to the City within ten (10) days of request or within ten (10) days of termination. Any use of such documents for other projects not contemplated by this Agreement, and any use of incomplete documents, shall be at the sole risk of City and without liability or legal exposure to Consultant. City shall indemnify and hold harmless Consultant from all claims, damages, losses, and expenses, including attorneys' fees, arising out of or resulting from City's use of such documents for other projects not contemplated by this Agreement or use of incomplete documents furnished by Consultant. Consultant shall deliver to City any findings, reports, documents, information, data, preliminary notes and working documents, in any form, including but not limited to, computer tapes, discs, files audio tapes or any other Project related items as requested by City or its authorized representative, at no additional cost to the City. Consultant or Consultant's agents shall execute such documents as may be necessary from time to time to confirm City's ownership of the copyright in such documents.

6.13. **Public Records Act Disclosure.** Consultant has been advised and is aware that this Agreement and all reports, documents, information and data, including, but not limited to, computer tapes, discs or files furnished or prepared by Consultant, or any of its subcontractors, pursuant to this Agreement and provided to City may be subject to public disclosure as required by the California Public Records Act (California Government Code Section 6250 *et seq.*). Exceptions to public disclosure may be those documents or information that qualify as trade secrets, as that term is defined in the California Government Code Section 6254.7, and of which Consultant informs City of such trade secret. The City will endeavor to maintain as confidential all information obtained by it that is designated as a trade secret. The City shall not, in any way, be liable or responsible for the disclosure of any trade secret including, without limitation, those records so marked if disclosure is deemed to be required by law or by order of the Court.

6.14. **Conflict of Interest.** Consultant and its officers, employees, associates and subconsultants, if any, will comply with all conflict of interest statutes of the State of California applicable to Consultant's services under this agreement, including, but not limited to, the Political Reform Act (Government Code Sections 81000, *et seq.*), and Government Code Section 1090. During the term of this Agreement, Consultant and its officers, employees, associates and subconsultants shall not, without the prior written approval of the City Representative, perform work for another person or entity for whom Consultant is not currently performing work that would require Consultant or one of its officers, employees, associates or subconsultants to abstain from a decision under this Agreement pursuant to a conflict of interest statute.

6.15. **Responsibility for Errors.** Consultant shall be responsible for its work and results under this Agreement. Consultant, when requested, shall furnish clarification and/or explanation as may be required by the City's representative, regarding any services rendered under this
Agreement at no additional cost to City. In the event that an error or omission attributable to Consultant occurs, then Consultant shall, at no cost to City, provide all necessary design drawings, estimates and other Consultant professional services necessary to rectify and correct the matter to the sole satisfaction of City and to participate in any meeting required with regard to the correction.

6.16. **Prohibited Employment.** Consultant will not employ any regular employee of City while this Agreement is in effect.

6.17. **Order of Precedence.** In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and those of any such provision or provisions so incorporated by reference, the conflict shall be resolved by giving precedence in the following order, if applicable: This Agreement, the City’s Request for Proposals, the Consultant’s Proposal.

6.18. **Costs.** Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.

6.19. **No Third Party Beneficiary Rights.** This Agreement is entered into for the sole benefit of City and Consultant and no other parties are intended to be direct or incidental beneficiaries of this Agreement and no third party shall have any right in, under or to this Agreement.

6.20. **Headings.** Paragraphs and subparagraph headings contained in this Agreement are included solely for convenience and are not intended to modify, explain or to be a full or accurate description of the content thereof and shall not in any way affect the meaning or interpretation of this Agreement.

6.21. **Construction.** The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. There shall be no presumption or burden of proof favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

6.22. **Amendments.** Only a writing executed by the parties hereto or their respective successors and assigns may amend this Agreement.

6.23. **Waiver.** The delay or failure of either party at any time to require performance or compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of those rights to require such performance or compliance. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom enforcement of a waiver is sought. The waiver of any right or remedy in respect to any occurrence or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a continuing waiver.

6.24. **Severability.** If any provision of this Agreement is determined by a court of
competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial benefit of the bargain for any party, is materially impaired, which determination made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.

6.25. **Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original. All counterparts shall be construed together and shall constitute one agreement.

6.26. **Corporate Authority.** The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by doing so the parties hereto are formally bound to the provisions of this Agreement.

**IN WITNESS WHEREOF,** the parties hereto have caused this Agreement to be executed by and through their respective authorized officers, as of the date first above written.

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance.

The word "insured" means any person or organization qualifying as such under Section II – Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section V – Definitions.

SECTION I – COVERAGES

COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

   a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

   (1) The amount we will pay for damages is limited as described in Section III – Limits Of Insurance; and

   (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B or medical expenses under Coverage C.

   No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments – Coverages A and B.

   b. This insurance applies to "bodily injury" and "property damage" only if:

      (1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";

      (2) The "bodily injury" or "property damage" occurs during the policy period; and

      (3) Prior to the policy period, no insured listed under Paragraph 1. of Section II – Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph 1. of Section II – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph 1. of Section II – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

      (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;

      (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or

      (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

e. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".
2. Exclusions

This insurance does not apply to:

a. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" resulting from the use of reasonable force to protect persons or property.

b. Contractual Liability

"Bodily injury" or "property damage" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

(1) That the insured would have in the absence of the contract or agreement; or

(2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorneys' fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of "bodily injury" or "property damage", provided:

(a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and

(b) Such attorneys' fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

c. Liquor Liability

"Bodily injury" or "property damage" for which any insured may be held liable by reason of:

(1) Causing or contributing to the intoxication of any person;

(2) The furnishing of alcoholic beverages to a person under the legal drinking age or under the influence of alcohol; or

(3) Any statute, ordinance or regulation relating to the sale, gift, distribution or use of alcoholic beverages.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in:

(a) The supervision, hiring, employment, training or monitoring of others by that insured; or

(b) Providing or failing to provide transportation with respect to any person that may be under the influence of alcohol;

if the "occurrence" which caused the "bodily injury" or "property damage", involved that which is described in Paragraph (1), (2) or (3) above.

However, this exclusion applies only if you are in the business of manufacturing, distributing, selling, serving or furnishing alcoholic beverages. For the purposes of this exclusion, permitting a person to bring alcoholic beverages on your premises, for consumption on your premises, whether or not a fee is charged or a license is required for such activity, is not by itself considered the business of selling, serving or furnishing alcoholic beverages.

d. Workers' Compensation And Similar Laws

Any obligation of the insured under a workers' compensation, disability benefits or unemployment compensation law or any similar law.

e. Employer's Liability

"Bodily injury" to:

(1) An "employee" of the insured arising out of and in the course of:

(a) Employment by the insured; or

(b) Performing duties related to the conduct of the insured's business; or

(2) The spouse, child, parent, brother or sister of that "employee" as a consequence of Paragraph (1) above.

This exclusion applies whether the insured may be liable as an employer or in any other capacity and to any obligation to share damages with or repay someone else who must pay damages because of the injury.

This exclusion does not apply to liability assumed by the insured under an "insured contract".
f. Pollution

(1) "Bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants":

(a) At or from any premises, site or location which is or was at any time owned or occupied by, or rented or loaned to, any insured. However, this subparagraph does not apply to:

(i) "Bodily injury" if sustained within a building and caused by smoke, fumes, vapor or soot produced by or originating from equipment that is used to heat, cool or dehumidify the building, or equipment that is used to heat water for personal use, by the building's occupants or their guests;

(ii) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor and the owner or lessee of such premises, site or location has been added to your policy as an additional insured with respect to your ongoing operations performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or

(iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire";

(b) At or from any premises, site or location which is or was at any time used by or for any insured or others for the handling, storage, disposal, processing or treatment of waste;

(c) Which are or were at any time transported, handled, stored, treated, disposed of, or processed as waste by or for:

(i) Any insured; or

(ii) Any person or organization for whom you may be legally responsible; or

(d) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the "pollutants" are brought on or to the premises, site or location in connection with such operations by such insured, contractor or subcontractor. However, this subparagraph does not apply to:

(i) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment" or its parts, if such fuels, lubricants or other operating fluids escape from a vehicle part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insuree, contractor or subcontractor;

(ii) "Bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor; or

(iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire".

(e) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants".
(2) Any loss, cost or expense arising out of any:

(a) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants"; or

(b) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

However, this paragraph does not apply to liability for damages because of "property damage" that the insured would have in the absence of such request, demand, order or statutory or regulatory requirement, or such claim or "suit" by or on behalf of a governmental authority.

g. Aircraft, Auto Or Watercraft

"Bodily injury" or "property damage" arising out of the ownership, maintenance, use or entrenchment to others of any aircraft, "auto" or watercraft owned or operated by or rented or loaned to any insured. Use includes operation and "loading or unloading".

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage" involved the ownership, maintenance, use or entrenchment to others of any aircraft, "auto" or watercraft that is owned or operated by or rented or loaned to any insured.

This exclusion does not apply to:

(1) A watercraft while ashore on premises you own or rent;

(2) A watercraft you do not own that is:
   (a) Less than 26 feet long; and
   (b) Not being used to carry persons or property for a charge;

(3) Parking an "auto" on, or on the ways next to, premises you own or rent, provided the "auto" is not owned by or rented or loaned to you or the insured;

(4) Liability assumed under any "insured contract" for the ownership, maintenance or use of aircraft or watercraft; or

(5) "Bodily injury" or "property damage" arising out of:
   (a) The operation of machinery or equipment that is attached to, or part of, a land vehicle that would qualify under the definition of "mobile equipment" if it were not subject to a compulsory or financial responsibility law or other motor vehicle insurance law where it is licensed or principally garaged; or
   (b) The operation of any of the machinery or equipment listed in Paragraph f.(2) or f.(3) of the definition of "mobile equipment".

h. Mobile Equipment

"Bodily injury" or "property damage" arising out of:

(1) The transportation of "mobile equipment" by an "auto" owned or operated by or rented or loaned to any insured; or

(2) The use of "mobile equipment" in, or while in practice for, or while being prepared for, any prearranged racing, speed, demolition, or stuntng activity.

i. War

"Bodily injury" or "property damage", however caused, arising, directly or indirectly, out of:

(1) War, including undeclared or civil war;

(2) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or

(3) Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.

j. Damage To Property

"Property damage" to:

(1) Property you own, rent, or occupy, including any costs or expenses incurred by you, or any other person, organization or entity, for repair, replacement, enhancement, restoration or maintenance of such property for any reason, including prevention of injury to a person or damage to another's property;

(2) Premises you sell, give away or abandon, if the "property damage" arises out of any part of those premises;

(3) Property loaned to you;
(4) Personal property in the care, custody or control of the insured;

(5) That particular part of real property on which you or any contractors or subcontractors working directly or indirectly on your behalf are performing operations, if the "property damage" arises out of those operations; or

(6) That particular part of any property that must be restored, repaired or replaced because "your work" was incorrectly performed on it.

Paragraphs (1), (3) and (4) of this exclusion do not apply to "property damage" (other than damage by fire) to premises, including the contents of such premises, rented to you for a period of seven or fewer consecutive days. A separate limit of insurance applies to Damage To Premises Rented To You as described in Section III - Limits Of Insurance.

Paragraph (2) of this exclusion does not apply if the premises are "your work" and were never occupied, rented or held for rental by you.

Paragraphs (3), (4), (5) and (6) of this exclusion do not apply to liability assumed under a sidetrack agreement.

Paragraph (6) of this exclusion does not apply to "property damage" included in the "products-completed operations hazard".

k. Damage To Your Product

"Property damage" to "your product" arising out of it or any part of it.

l. Damage To Your Work

"Property damage" to "your work" arising out of it or any part of it and included in the "products-completed operations hazard".

This exclusion does not apply if the damaged work or the work out of which the damage arises was performed on your behalf by a subcontractor.

m. Damage To Impaired Property Or Property Not Physically Injured

"Property damage" to "impaired property" or property that has not been physically injured, arising out of:

(1) A defect, deficiency, inadequacy or dangerous condition in "your product" or "your work"; or

(2) A delay or failure by you or anyone acting on your behalf to perform a contract or agreement in accordance with its terms.

This exclusion does not apply to the loss of use of other property arising out of sudden and accidental physical injury to "your product" or "your work" after it has been put to its intended use.

n. Recall Of Products, Work Or Impaired Property

Damages claimed for any loss, cost or expense incurred by you or others for the loss of use, withdrawal, recall, inspection, repair, replacement, adjustment, removal or disposal of:

(1) "Your product";

(2) "Your work"; or

(3) "Impaired property";

if such product, work, or property is withdrawn or recalled from the market or from use by any person or organization because of a known or suspected defect, deficiency, inadequacy or dangerous condition in it.

o. Personal And Advertising Injury

"Bodily injury" arising out of "personal and advertising injury".

p. Electronic Data

Damages arising out of the loss of, loss of use of, damage to, corruption of, inability to access, or inability to manipulate electronic data.

However, this exclusion does not apply to liability for damages because of "bodily injury". As used in this exclusion, electronic data means information, facts or programs stored as or on, created or used on, or transmitted to or from computer software, including systems and applications software, hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other media which are used with electronically controlled equipment.

q. Recording And Distribution Of Material Or Information In Violation Of Law

"Bodily injury" or "property damage" arising directly or indirectly out of any action or omission that violates or is alleged to violate:

(1) The Telephone Consumer Protection Act (TCPA), including any amendment of or addition to such law;

(2) The CAN-SPAM Act of 2003, including any amendment of or addition to such law;

(3) The Fair Credit Reporting Act (FCRA), and any amendment of or addition to such law, including the Fair and Accurate Credit Transactions Act (FACTA); or
(4) Any federal, state or local statute, ordinance or regulation, other than the TCPA, CAN-SPAM Act of 2003 or FCRA and their amendments and additions, that addresses, prohibits, or limits the printing, dissemination, disposal, collecting, recording, sending, transmitting, communicating or distribution of material or information.

Exclusions c. through n. do not apply to damage by fire to premises while rented to you or temporarily occupied by you with permission of the owner. A separate limit of insurance applies to this coverage as described in Section III – Limits Of Insurance.

COVERAGE B – PERSONAL AND ADVERTISING INJURY LIABILITY

1. Insuring Agreement

a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "personal and advertising injury" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "personal and advertising injury" to which this insurance does not apply. We may, at our discretion, investigate any offense and settle any claim or "suit" that may result. But:

(1) The amount we will pay for damages is limited as described in Section III – Limits Of Insurance; and

(2) Our right and duty to defend end when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B or medical expenses under Coverage C.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments – Coverages A and B.

b. This insurance applies to "personal and advertising injury" caused by an offense arising out of your business but only if the offense was committed in the "coverage territory" during the policy period.

2. Exclusions

This insurance does not apply to:

a. Knowing Violation Of Rights Of Another
   "Personal and advertising injury" caused by or at the direction of the insured with the knowledge that the act would violate the rights of another and would inflict "personal and advertising injury".

b. Material Published With Knowledge Of Falsity
   "Personal and advertising injury" arising out of oral or written publication, in any manner, of material, if done by or at the direction of the insured with knowledge of its falsity.

c. Material Published Prior To Policy Period
   "Personal and advertising injury" arising out of oral or written publication, in any manner, of material whose first publication took place before the beginning of the policy period.

d. Criminal Acts
   "Personal and advertising injury" arising out of a criminal act committed by or at the direction of the insured.

e. Contractual Liability
   "Personal and advertising injury" for which the insured has assumed liability in a contract or agreement. This exclusion does not apply to liability for damages that the insured would have in the absence of the contract or agreement.

f. Breach Of Contract
   "Personal and advertising injury" arising out of a breach of contract, except an implied contract to use another's advertising idea in your "advertisement".

g. Quality Or Performance Of Goods – Failure To Conform To Statements
   "Personal and advertising injury" arising out of the failure of goods, products or services to conform with any statement of quality or performance made in your "advertisement".

h. Wrong Description Of Prices
   "Personal and advertising injury" arising out of the wrong description of the price of goods, products or services stated in your "advertisement".
i. Infringement Of Copyright, Patent, Trademark Or Trade Secret

"Personal and advertising injury" arising out of the infringement of copyright, patent, trademark, trade secret or other intellectual property rights. Under this exclusion, such other intellectual property rights do not include the use of another's advertising idea in your "advertisement".

However, this exclusion does not apply to infringement, in your "advertisement", of copyright, trade dress or slogan.

j. Insureds In Media And Internet Type Businesses

"Personal and advertising injury" committed by an insured whose business is:

(1) Advertising, broadcasting, publishing or telecasting;

(2) Designing or determining content of web sites for others; or

(3) An Internet search, access, content or service provider.

However, this exclusion does not apply to Paragraphs 14.a., b. and c. of "personal and advertising injury" under the Definitions section.

For the purposes of this exclusion, the placing of frames, borders or links, or advertising, for you or others anywhere on the Internet, is not by itself, considered the business of advertising, broadcasting, publishing or telecasting.

k. Electronic Chatrooms Or Bulletin Boards

"Personal and advertising injury" arising out of an electronic chatroom or bulletin board the insured hosts, owns, or over which the insured exercises control.

l. Unauthorized Use Of Another's Name Or Product

"Personal and advertising injury" arising out of the unauthorized use of another's name or product in your e-mail address, domain name or metatag, or any other similar tactics to mislead another's potential customers.

m. Pollution

"Personal and advertising injury" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants" at any time.

n. Pollution-related

Any loss, cost or expense arising out of any:

(1) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants"; or

(2) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

o. War

"Personal and advertising injury", however caused, arising, directly or indirectly, out of:

(1) War, including undeclared or civil war;

(2) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or

(3) Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.

p. Recording And Distribution Of Material Or Information In Violation Of Law

"Personal and advertising injury" arising directly or indirectly out of any action or omission that violates or is alleged to violate:

(1) The Telephone Consumer Protection Act (TCPA), including any amendment of or addition to such law;

(2) The CAN-SPAM Act of 2003, including any amendment of or addition to such law;

(3) The Fair Credit Reporting Act (FCRA), and any amendment of or addition to such law, including the Fair and Accurate Credit Transactions Act (FACTA); or

(4) Any federal, state or local statute, ordinance or regulation, other than the TCPA, CAN-SPAM Act of 2003 or FCRA and their amendments and additions, that addresses, prohibits, or limits the printing, dissemination, disposal, collecting, recording, sending, transmitting, communicating or distribution of material or information.
COVERAGE C – MEDICAL PAYMENTS

1. Insuring Agreement
   a. We will pay medical expenses as described below for "bodily injury" caused by an accident:
      (1) On premises you own or rent;
      (2) On ways next to premises you own or rent; or
      (3) Because of your operations; provided that:
         (a) The accident takes place in the "coverage territory" and during the policy period;
         (b) The expenses are incurred and reported to us within one year of the date of the accident; and
         (c) The injured person submits to examination, at our expense, by physicians of our choice as often as we reasonably require.
   b. We will make these payments regardless of fault. These payments will not exceed the applicable limit of insurance. We will pay reasonable expenses for:
      (1) First aid administered at the time of an accident;
      (2) Necessary medical, surgical, X-ray and dental services, including prosthetic devices; and
      (3) Necessary ambulance, hospital, professional nursing and funeral services.

2. Exclusions
   We will not pay expenses for "bodily injury":
   a. Any Insured
      To any insured, except "volunteer workers".
   b. Hired Person
      To a person hired to do work for or on behalf of any insured or a tenant of any insured.
   c. Injury On Normally Occupied Premises
      To a person injured on that part of premises you own or rent that the person normally occupies.
   d. Workers' Compensation And Similar Laws
      To a person, whether or not an "employee" of any insured, if benefits for the "bodily injury" are payable or must be provided under a workers' compensation or disability benefits law or a similar law.
   e. Athletics Activities
      To a person injured while practicing, instructing or participating in any physical exercises or games, sports, or athletic contests.
   f. Products-Completed Operations Hazard
      Included within the "products-completed operations hazard".
   g. Coverage A Exclusions
      Excluded under Coverage A.

SUPPLEMENTARY PAYMENTS – COVERAGES A AND B

1. We will pay, with respect to any claim we investigate or settle, or any "suit" against an insured we defend:
   a. All expenses we incur.
   b. Up to $250 for cost of bail bonds required because of accidents or traffic law violations arising out of the use of any vehicle to which the Bodily Injury Liability Coverage applies. We do not have to furnish these bonds.
   c. The cost of bonds to release attachments, but only for bond amounts within the applicable limit of insurance. We do not have to furnish these bonds.
   d. All reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of the claim or "suit", including actual loss of earnings up to $250 a day because of time off from work.
   e. All court costs taxed against the insured in the "suit". However, these payments do not include attorneys' fees or attorneys' expenses taxed against the insured.
   f. Prejudgment interest awarded against the insured on that part of the judgment we pay. If we make an offer to pay the applicable limit of insurance, we will not pay any prejudgment interest based on that period of time after the offer.
g. All interest on the full amount of any judgment that accrues after entry of the judgment and before we have paid, offered to pay, or deposited in court the part of the judgment that is within the applicable limit of insurance. These payments will not reduce the limits of insurance.

2. If we defend an insured against a "suit" and an indemnitee of the insured is also named as a party to the "suit", we will defend that indemnitee if all of the following conditions are met:
   a. The "suit" against the indemnitee seeks damages for which the insured has assumed the liability of the indemnitee in a contract or agreement that is an "insured contract";
   b. This insurance applies to such liability assumed by the insured;
   c. The obligation to defend, or the cost of the defense of, that indemnitee, has also been assumed by the insured in the same "insured contract";
   d. The allegations in the "suit" and the information we know about the "occurrence" are such that no conflict appears to exist between the interests of the insured and the interests of the indemnitee;
   e. The indemnitee and the insured ask us to conduct and control the defense of that indemnitee against such "suit" and agree that we can assign the same counsel to defend the insured and the indemnitee; and
   f. The indemnitee:
      (1) Agrees in writing to:
         (a) Cooperate with us in the investigation, settlement or defense of the "suit";
         (b) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the "suit";
         (c) Notify any other insurer whose coverage is available to the indemnitee; and
         (d) Cooperate with us with respect to coordinating other applicable insurance available to the indemnitee; and
      (2) Provides us with written authorization to:
         (a) Obtain records and other information related to the "suit", and
         (b) Conduct and control the defense of the indemnitee in such "suit".

So long as the above conditions are met, attorneys' fees incurred by us in the defense of that indemnitee, necessary litigation expenses incurred by us and necessary litigation expenses incurred by the indemnitee at our request will be paid as Supplementary Payments. Notwithstanding the provisions of Paragraph 2.b.(2) of Section I – Coverage A – Bodily Injury And Property Damage Liability, such payments will not be deemed to be damages for "bodily injury" and "property damage" and will not reduce the limits of insurance.

Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when we have used up the applicable limit of insurance in the payment of judgments or settlements or the conditions set forth above, or the terms of the agreement described in Paragraph f. above, are no longer met.

SECTION II – WHO IS AN INSURED

1. If you are designated in the Declarations as:
   a. An individual, you and your spouse are insureds, but only with respect to the conduct of a business of which you are the sole owner.
   b. A partnership or joint venture, you are an insured. Your members, your partners, and their spouses are also insureds, but only with respect to the conduct of your business.
   c. A limited liability company, you are an insured. Your members are also insureds, but only with respect to the conduct of your business. Your managers are insureds, but only with respect to their duties as your managers.
   d. An organization other than a partnership, joint venture or limited liability company, you are an insured. Your "executive officers" and directors are insureds, but only with respect to their duties as your officers or directors. Your stockholders are also insureds, but only with respect to their liability as stockholders.
   e. A trust, you are an insured. Your trustees are also insureds, but only with respect to their duties as trustees.
2. Each of the following is also an insured:
   a. Your "volunteer workers" only while performing duties related to the conduct of your business, or your "employees", other than either your "executive officers" (if you are an organization other than a partnership, joint venture or limited liability company) or your managers (if you are a limited liability company), but only for acts within the scope of their employment by you or while performing duties related to the conduct of your business. However, none of these "employees" or "volunteer workers" are insureds for:
      (1) "Bodily injury" or "personal and advertising injury":
         (a) To you, to your partners or members (if you are a partnership or joint venture), to your members (if you are a limited liability company), to a co-"employee" while in the course of his or her employment or performing duties related to the conduct of your business, or to your other "volunteer workers" while performing duties related to the conduct of your business;
         (b) To the spouse, child, parent, brother or sister of that co-"employee" or "volunteer worker" as a consequence of Paragraph (1)(a) above;
         (c) For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraph (1)(a) or (b) above; or
         (d) Arising out of his or her providing or failing to provide professional health care services.
      (2) "Property damage" to property:
         (a) Owned, occupied or used by;
         (b) Rented to, in the care, custody or control of, or over which physical control is being exercised for any purpose by;
            you, any of your "employees", "volunteer workers", any partner or member (if you are a partnership or joint venture), or any member (if you are a limited liability company).
   b. Any person (other than your "employee" or "volunteer worker"), or any organization while acting as your real estate manager.
   c. Any person or organization having proper temporary custody of your property if you die, but only:
      (1) With respect to liability arising out of the maintenance or use of that property; and
      (2) Until your legal representative has been appointed.
   d. Your legal representative if you die, but only with respect to duties as such. That representative will have all your rights and duties under this Coverage Part.

3. Any organization you newly acquire or form, other than a partnership, joint venture or limited liability company, and over which you maintain ownership or majority interest, will qualify as a Named Insured if there is no other similar insurance available to that organization. However:
   a. Coverage under this provision is afforded only until the 90th day after you acquire or form the organization or the end of the policy period, whichever is earlier;
   b. Coverage A does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and
   c. Coverage B does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.

No person or organization is an insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations.

SECTION III – LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:
   a. Insureds;
   b. Claims made or "suits" brought; or
   c. Persons or organizations making claims or bringing "suits".

2. The General Aggregate Limit is the most we will pay for the sum of:
   a. Medical expenses under Coverage C;
   b. Damages under Coverage A, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard"; and
   c. Damages under Coverage B.
3. The Products-Completed Operations Aggregate Limit is the most we will pay under Coverage A for damages because of "bodily injury" and "property damage" included in the "products-completed operations hazard".

4. Subject to Paragraph 2. above, the Personal And Advertising Injury Limit is the most we will pay under Coverage B for the sum of all damages because of all "personal and advertising injury" sustained by any one person or organization.

5. Subject to Paragraph 2. or 3. above, whichever applies, the Each Occurrence Limit is the most we will pay for the sum of:
   a. Damages under Coverage A; and
   b. Medical expenses under Coverage C because of all "bodily injury" and "property damage" arising out of any one "occurrence".

6. Subject to Paragraph 5. above, the Damage To Premises Rented To You Limit is the most we will pay under Coverage A for damages because of "property damage" to any one premises, while rented to you, or in the case of damage by fire, while rented to you or temporarily occupied by you with permission of the owner.

7. Subject to Paragraph 5. above, the Medical Expense Limit is the most we will pay under Coverage C for all medical expenses because of "bodily injury" sustained by any one person.

The Limits of Insurance of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS

1. Bankruptcy
   Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. Duties In The Event Of Occurrence, Offense, Claim Or Suit
   a. You must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, notice should include:
      (1) How, when and where the "occurrence" or offense took place;
      (2) The names and addresses of any injured persons and witnesses; and
   b. If a claim is made or "suit" is brought against any insured, you must:
      (1) Immediately record the specifics of the claim or "suit" and the date received; and
      (2) Notify us as soon as practicable.

   You must see to it that we receive written notice of the claim or "suit" as soon as practicable.

   c. You and any other involved insured must:
      (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";
      (2) Authorize us to obtain records and other information;
      (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and
      (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.

   d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

3. Legal Action Against Us
   No person or organization has a right under this Coverage Part:
   a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
   b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

   A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.
4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages A or B of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when Paragraph b. below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph c. below.

b. Excess Insurance

(1) This insurance is excess over:

(a) Any of the other insurance, whether primary, excess, contingent or on any other basis:

(i) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for “your work”;

(ii) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;

(iii) That is insurance purchased by you to cover your liability as a tenant for “property damage” to premises rented to you or temporarily occupied by you with permission of the owner; or

(iv) If the loss arises out of the maintenance or use of aircraft, “autos” or watercraft to the extent not subject to Exclusion g. of Section I – Coverage A – Bodily Injury And Property Damage Liability.

(b) Any other primary insurance available to you covering liability for damages arising out of the premises or operations, or the products and completed operations, for which you have been added as an additional insured.

(2) When this insurance is excess, we will have no duty under Coverages A or B to defend the insured against any “suit” if any other insurer has a duty to defend the insured against that “suit”. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

(3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

(b) The total of all deductible and self-insured amounts under all that other insurance.

(4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.

b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

a. The statements in the Declarations are accurate and complete;
b. Those statements are based upon representations you made to us; and

c. We have issued this policy in reliance upon your representations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

a. As if each Named Insured were the only Named Insured; and

b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

SECTION V – DEFINITIONS

1. "Advertisement" means a notice that is broadcast or published to the general public or specific market segments about your goods, products or services for the purpose of attracting customers or supporters. For the purposes of this definition:

   a. Notices that are published include material placed on the Internet or on similar electronic means of communication; and

   b. Regarding web sites, only that part of a web site that is about your goods, products or services for the purposes of attracting customers or supporters is considered an advertisement.

2. "Auto" means:

   a. A land motor vehicle, trailer or semitrailer designed for travel on public roads, including any attached machinery or equipment; or

   b. Any other land vehicle that is subject to a compulsory or financial responsibility law or other motor vehicle insurance law where it is licensed or principally garaged.

However, "auto" does not include "mobile equipment".

3. "Bodily injury" means bodily injury, sickness or disease sustained by a person, including death resulting from any of these at any time.

4. "Coverage territory" means:

   a. The United States of America (including its territories and possessions), Puerto Rico and Canada;

   b. International waters or airspace, but only if the injury or damage occurs in the course of travel or transportation between any places included in Paragraph a. above; or

   c. All other parts of the world if the injury or damage arises out of:

      (1) Goods or products made or sold by you in the territory described in Paragraph a. above;

      (2) The activities of a person whose home is in the territory described in Paragraph a. above, but is away for a short time on your business; or

      (3) "Personal and advertising injury" offenses that take place through the Internet or similar electronic means of communication; provided the insured’s responsibility to pay damages is determined in a "suit" on the merits, in the territory described in Paragraph a. above or in a settlement we agree to.

5. "Employee" includes a "leased worker". "Employee" does not include a "temporary worker".

6. "Executive officer" means a person holding any of the officer positions created by your charter, constitution, bylaws or any other similar governing document.

7. "Hostile fire" means one which becomes uncontrollable or breaks out from where it was intended to be.

8. "Impaired property" means tangible property, other than "your product" or "your work", that cannot be used or is less useful because:

   a. It incorporates "your product" or "your work" that is known or thought to be defective, deficient, inadequate or dangerous; or

   b. You have failed to fulfill the terms of a contract or agreement;

     if such property can be restored to use by the repair, replacement, adjustment or removal of "your product" or "your work" or your fulfilling the terms of the contract or agreement.
9. "Insured contract" means:
   a. A contract for a lease of premises. However, that portion of the contract for a lease of premises that indemnifies any person or organization for damage by fire to premises while rented to you or temporarily occupied by you with permission of the owner is not an "insured contract";
   b. A sidetrack agreement;
   c. Any easement or license agreement, except in connection with construction or demolition operations on or within 50 feet of a railroad;
   d. An obligation, as required by ordinance, to indemnify a municipality, except in connection with work for a municipality;
   e. An elevator maintenance agreement;
   f. That part of any other contract or agreement pertaining to your business (including an indemnification of a municipality in connection with work performed for a municipality) under which you assume the tort liability of another party to pay for "bodily injury" or "property damage" to a third person or organization. Tort liability means a liability that would be imposed by law in the absence of any contract or agreement.

Paragraph f. does not include that part of any contract or agreement:

1. That indemnifies a railroad for "bodily injury" or "property damage" arising out of construction or demolition operations, within 50 feet of any railroad property and affecting any railroad bridge or trestle, tracks, road-beds, tunnel, underpass or crossing;

2. That indemnifies an architect, engineer or surveyor for injury or damage arising out of:
   a. Preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
   b. Giving directions or instructions, or failing to give them, if that is the primary cause of the injury or damage; or

3. Under which the insured, if an architect, engineer or surveyor, assumes liability for an injury or damage arising out of the insured's rendering or failure to render professional services, including those listed in (2) above and supervisory, inspection, architectural or engineering activities.

10. "Leased worker" means a person leased to you by a labor leasing firm under an agreement between you and the labor leasing firm, to perform duties related to the conduct of your business. "Leased worker" does not include a "temporary worker".

11. "Loading or unloading" means the handling of property:
   a. After it is moved from the place where it is accepted for movement into or onto an aircraft, watercraft or "auto";
   b. While it is in or on an aircraft, watercraft or "auto"; or
   c. While it is being moved from an aircraft, watercraft or "auto" to the place where it is finally delivered;

but "loading or unloading" does not include the movement of property by means of a mechanical device, other than a hand truck, that is not attached to the aircraft, watercraft or "auto".

12. "Mobile equipment" means any of the following types of land vehicles, including any attached machinery or equipment:
   a. Bulldozers, farm machinery, forklifts and other vehicles designed for use principally off public roads;
   b. Vehicles maintained for use solely on or next to premises you own or rent;
   c. Vehicles that travel on crawler treads;
   d. Vehicles, whether self-propelled or not, maintained primarily to provide mobility to permanently mounted:
      (1) Power cranes, shovels, loaders, diggers or drills; or
      (2) Road construction or resurfacing equipment such as graders, scrapers or rollers;
   e. Vehicles not described in Paragraph a., b., c. or d. above that are not self-propelled and are maintained primarily to provide mobility to permanently attached equipment of the following types:
      (1) Air compressors, pumps and generators, including spraying, welding, building cleaning, geophysical exploration, lighting and well servicing equipment; or
      (2) Cherry pickers and similar devices used to raise or lower workers;
   f. Vehicles not described in Paragraph a., b., c. or d. above maintained primarily for purposes other than the transportation of persons or cargo.
However, self-propelled vehicles with the following types of permanently attached equipment are not "mobile equipment" but will be considered "autos":

1. Equipment designed primarily for:
   a. Snow removal;
   b. Road maintenance, but not construction or resurfacing; or
   c. Street cleaning;
2. Cherry pickers and similar devices mounted on automobile or truck chassis and used to raise or lower workers; and
3. Air compressors, pumps and generators, including spraying, welding, building cleaning, geophysical exploration, lighting and well servicing equipment.

However, "mobile equipment" does not include any land vehicles that are subject to a compulsory or financial responsibility law or other motor vehicle insurance law where it is licensed or principally garaged. Land vehicles subject to a compulsory or financial responsibility law or other motor vehicle insurance law are considered "autos".

13. "Occurrence" means an accident, including continuous or repeated exposure to substantially the same general harmful conditions.

14. "Personal and advertising injury" means injury, including consequential "bodily injury", arising out of one or more of the following offenses:
   a. False arrest, detention or imprisonment;
   b. Malicious prosecution;
   c. The wrongful eviction from, wrongful entry into, or invasion of the right of private occupancy of a room, dwelling or premises that a person occupies, committed by or on behalf of its owner, landlord or lessor;
   d. Oral or written publication, in any manner, of material that slanders or libels a person or organization or disparages a person's or organization's goods, products or services;
   e. Oral or written publication, in any manner, of material that violates a person's right of privacy;
   f. The use of another's advertising idea in your "advertisement"; or
   g. Infringing upon another's copyright, trade dress or slogan in your "advertisement".

15. "Pollutants" mean any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.

16. "Products-completed operations hazard":
   a. Includes all "bodily injury" and "property damage" occurring away from premises you own or rent and arising out of "your product" or "your work" except:
      1. Products that are still in your physical possession; or
      2. Work that has not yet been completed or abandoned. However, "your work" will be deemed completed at the earliest of the following times:
         a. When all of the work called for in your contract has been completed.
         b. When all of the work to be done at the job site has been completed if your contract calls for work at more than one job site.
         c. When that part of the work done at a job site has been put to its intended use by any person or organization other than another contractor or subcontractor working on the same project.

      Work that may need service, maintenance, correction, repair or replacement, but which is otherwise complete, will be treated as completed.
   b. Does not include "bodily injury" or "property damage" arising out of:
      1. The transportation of property, unless the injury or damage arises out of a condition in or on a vehicle not owned or operated by you, and that condition was created by the "loading or unloading" of that vehicle by any insured;
      2. The existence of tools, uninstalled equipment or abandoned or unused materials; or
      3. Products or operations for which the classification, listed in the Declarations or in a policy Schedule, states that products-completed operations are subject to the General Aggregate Limit.

17. "Property damage" means:
   a. Physical injury to tangible property, including all resulting loss of use of that property. All such loss of use shall be deemed to occur at the time of the physical injury that caused it; or
   b. Loss of use of tangible property that is not physically injured. All such loss of use shall be deemed to occur at the time of the "occurrence" that caused it.

For the purposes of this insurance, electronic data is not tangible property.
As used in this definition, electronic data means information, facts or programs stored as or on, created or used on, or transmitted to or from computer software, including systems and applications software, hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other media which are used with electronically controlled equipment.

18. "Suit" means a civil proceeding in which damages because of "bodily injury", "property damage" or "personal and advertising injury" to which this insurance applies are alleged. "Suit" includes:
   a. An arbitration proceeding in which such damages are claimed and to which the insured must submit or does submit with our consent; or
   b. Any other alternative dispute resolution proceeding in which such damages are claimed and to which the insured submits with our consent.

19. "Temporary worker" means a person who is furnished to you to substitute for a permanent "employee" on leave or to meet seasonal or short-term workload conditions.

20. "Volunteer worker" means a person who is not your "employee", and who donates his or her work and acts at the direction of and within the scope of duties determined by you, and is not paid a fee, salary or other compensation by you or anyone else for their work performed for you.

21. "Your product":
   a. Means:
      (1) Any goods or products, other than real property, manufactured, sold, handled, distributed or disposed of by:
         (a) You;
         (b) Others trading under your name; or
         (c) A person or organization whose business or assets you have acquired; and
      (2) Containers (other than vehicles), materials, parts or equipment furnished in connection with such goods or products.
   b. Includes:
      (1) Warranties or representations made at any time with respect to the fitness, quality, durability, performance or use of "your product"; and
      (2) The providing of or failure to provide warnings or instructions.
   c. Does not include vending machines or other property rented to or located for the use of others but not sold.

22. "Your work":
   a. Means:
      (1) Work or operations performed by you or on your behalf; and
      (2) Materials, parts or equipment furnished in connection with such work or operations.
   b. Includes:
      (1) Warranties or representations made at any time with respect to the fitness, quality, durability, performance or use of "your work"; and
      (2) The providing of or failure to provide warnings or instructions.
COMMERCIAL GENERAL LIABILITY

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

GENERAL LIABILITY ELITE EXTENSION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

The COMMERCIAL GENERAL LIABILITY COVERAGE FORM is amended to include the following clarifications and extensions of coverage. The provisions of the Coverage Form apply unless modified by endorsement.

A. EXPECTED OR INTENDED INJURY

Section I – Coverage A, Exclusion a. is amended as follows:

a. "Bodily injury" or "property damage" expected or intended from the standpoint of an insured. This exclusion does not apply to "bodily injury" or "property damage" resulting from the use of reasonable force to protect persons or property.

B. NON-OWNED WATERCRAFT

Section I – Coverage A, Exclusion g.(2) is amended as follows:

(2) A watercraft you do not own that is:

(a) Less than 60 feet long; and

(b) Not being used to carry person(s) or property for a charge;

C. EXTENDED PROPERTY DAMAGE COVERAGE

Section I – Coverage A, Exclusions j.(3) and (4) is amended to add the following:

Paragraphs (3) and (4) of this exclusion do not apply to tools or equipment loaned to you, provided they are not being used to perform operations at the time of loss.

<table>

a. The each occurrence limit listed above is the most we will pay for all damages because of "property damage" to property in the care, custody and control of or property loaned to an insured as the result of any one "occurrence", regardless of the number of:

(1) insureds;

(2) claims made or "suits" brought;

(3) persons or organizations making claims or bringing "suits".

The aggregate limit listed above is the most we will pay for all damages because of "property damage" to property in the care custody and control of or property loaned to an insured during the policy period.

Any payment we make for damages because of "property damage" to property in the care, custody and control of or property loaned to an insured will apply against the General Aggregate Limit shown in the declarations.

b. Our obligation to pay damages on your behalf applies only to the amount of damages in excess of the deductible amount listed above. We may pay any part or all of the deductible amount listed above. We may pay any part or all of the deductible amount to effect settlement of any claim or "suit" and upon notification by us, you will promptly reimburse us for that part of the deductible we paid.

c. If two or more coverages apply under one "occurrence", only the highest per claim deductible applicable to these coverages will apply.

d. Insurance provided by this provision is excess over any other insurance, whether primary, excess, contingent or any other basis. Since insurance provided by this endorsement is excess, we will have no duty to defend any claim or "suit" to which insurance provided by this endorsement applies if any other insurer has a duty to defend such a claim or "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

D. PROPERTY DAMAGE – ELEVATORS

Section I – Coverage A.2. Exclusions paragraphs j.(3), j.(4), j.(6) and k. do not apply to use of elevators. This insurance afforded by this provision is excess over any valid and collectible property insurance (including any deductible) available to the insured and Section IV – Commercial General Liability Conditions Paragraph 4. Other Insurance is changed accordingly.
E. FIRE, LIGHTNING OR EXPLOSION DAMAGE

Except where it is used in the term "hostile fire", the word fire includes fire, lightning or explosion wherever it appears in the Coverage Form.

Under Section I – Coverage A, the last paragraph (after the exclusions) is replaced with the following:

Exclusions c. through n. do not apply to damage by fire, smoke or leakage from automatic fire protection systems to premises while rented to you or temporarily occupied by you with permission of the owner. A separate limit of insurance applies to this coverage as described in Section III – Limits of Insurance.

F. MEDICAL PAYMENTS

If Section I – Coverage C. Medical Payments Coverage is not otherwise excluded from this Coverage Form:

The requirement, in the Insuring Agreement of Coverage C., that expenses must be incurred and reported to us within one year of the accident date is changed to three years.

G. SUPPLEMENTARY PAYMENTS

Supplementary Payments – Coverages A and B Paragraphs 1.b. and 1.d. are replaced by the following:

1.b. Up to $5,000 for cost of bail bonds required because of accidents or traffic law violations arising out of the use of any vehicle to which the Bodily Injury Liability Coverage applies. We do not have to furnish these bonds.

1.d. All reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of the claim or "suit", including actual loss of earnings up to $500 a day because of time off from work.

H. SUBSIDIARIES AS INSURED

Section II – Who Is An Insured is amended to add the following:

1.f. Any legally incorporated subsidiary in which you own more than 50% of the voting stock on the effective date of this policy. However, insurance does not include any subsidiary that is an insured under any other general liability policy, or would have been an insured under such a policy but for termination of that policy or the exhaustion of that policy’s limits of liability.

I. BLANKET ADDITIONAL INSURED – AS REQUIRED BY CONTRACT

1. Section II – Who Is An Insured is amended to include as an additional insured any person(s) or organization(s) subject to provisions in Paragraph 2. below, (hereinafter referred to as additional insured) when you and such person(s) or organization(s) have agreed in a written contract or written agreement that such person(s) or organization(s) be added as an additional insured on your policy provided that the written contract or agreement is:

   a. Currently in effect or becomes effective during the policy period; and

   b. Executed prior to an "occurrence" or offense to which this insurance would apply.

However, the insurance afforded to such additional insured:

   a. Only applies to the extent permitted by law; and

   b. Will not be broader than that which you are required by the contract or agreement to provide for such additional insured; and

   c. Applies only if the person or organization is not specifically named as an additional insured under any other provision of, or endorsement added to, Section II – Who Is An Insured of this policy.

2. As provided herein, the insurance coverage provided to such additional insured is limited to:

   a. Any Controlling Interest, but only with respect to their liability arising out of their financial control of you; or premises they own, maintain, or control while you lease or occupy these premises.

       This insurance does not apply to structural alterations, new construction and demolition operations performed by or for that person or organization.

   b. Any architect, engineer, or surveyor engaged by you but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

       (1) In connection with your premises; or

       (2) In the performance of your ongoing operations.

With respect to the insurance afforded to these additional insureds, the following additional exclusion applies:

This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of or the failure to render any professional services by or for you, including:

   (1) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or

   (2) Supervisory, inspection, architectural or engineering activities.
This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of or the failure to render any professional services by or for you.

c. Any manager or lessor of a premises leased to you, but only with respect to liability arising out of the ownership, maintenance or use of that part of a premises leased to you, subject to the following additional exclusions:

This insurance does not apply to:

(1) Any "occurrence" which takes place after you cease to be a tenant in that premises.

(2) Structural alterations, new construction or demolition operations performed by or on behalf of such additional insured.

d. Any state or governmental agency or subdivision or political subdivision, subject to the following:

(1) This insurance applies only with respect to the following hazards for which any state or governmental agency or subdivision or political subdivision has issued a permit or authorization in connection with premises you own, rent or control and to which this insurance applies:

(a) The existence, maintenance, repair, construction, erection or removal of advertising signs, awnings, canopies, cellar entrances, coal holes, driveways, manholes, marquees, hoist away openings, sidewalk vaults, street banners or decorations and similar exposures;

(b) The construction, erection or removal of elevators; or

c. The ownership, maintenance or use of any elevators covered by this insurance.

(2) This insurance applies only with respect to operations performed by you or on your behalf for which any state or governmental agency or subdivision or political subdivision has issued a permit or authorization.

This insurance does not apply to:

(a) "Bodily injury", "property damage" or "personal and advertising injury" arising out of operations performed for the federal government, state or municipality; or

(b) "Bodily injury" or "property damage" included within the "products-completed operations hazard".

e. Any vendor, but only with respect to "bodily injury" or "property damage" arising out of "your products" which are distributed or sold in the regular course of the vendor's business.

With respect to the insurance afforded to these vendors, the following additional exclusions apply:

(1) The insurance afforded any vendor does not apply to:

(a) "Bodily injury" or "property damage" for which any vendor is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages that any vendor would have in the absence of the contract or agreement;

(b) Any express warranty unauthorized by you;

(c) Any physical or chemical change in the product made intentionally by any vendor;

(d) Repackaging, except when unpacked solely for the purpose of inspection, demonstration, testing, or the substitution of parts under instructions from the manufacturer, and then repackaged in the original container;

(e) Any failure to make such inspections, adjustments, tests or servicing as any vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products;

(f) Demonstration, installation, servicing or repair operations, except such operations performed at any vendor's premises in connection with the sale of the product;

(g) Products which, after distribution or sale by you, have been labeled or relabeled or used as a container, part or ingredient of any other thing or substance by or for any vendor; or
(h) "Bodily injury" or "property damage" arising out of the sole negligence of any vendor for its own acts or omissions or those of its employees or anyone else acting on its behalf. However, this exclusion does not apply to:

(i) The exceptions contained in Subparagraphs (d) or (f); or

(ii) Such inspections, adjustments, tests or servicing as any vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products.

(2) This insurance does not apply to any insured person or organization, from whom you have acquired such products, or any ingredient, part or container, entering into, accompanying or containing such products.

(f) Any Mortgagor, Assignee Or Receiver, but only with respect to their liability as mortgagor, assignee, or receiver and arising out of the ownership, maintenance, or use of the premises by you.

This insurance does not apply to structural alterations, new construction and demolition operations performed by or for that person or organization.

(g) Any Owners Or Other Interests From Whom Land Has Been Leased, but only with respect to liability arising out of the ownership, maintenance or use of that part of the land leased to you.

With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

(1) This insurance does not apply to:

   (a) Any "occurrence" which takes place after you cease to lease that land; or

   (b) Structural alterations, new construction or demolition operations performed by or on behalf of such additional insured.

(h) Any person or organization from whom you lease equipment, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part by your maintenance, operation or use of equipment leased to you by such person(s) or organization(s).

A person's or organization's status as an additional insured under this endorsement ends when their contract or agreement with you for such leased equipment ends.

With respect to the insurance afforded to these additional insureds, this insurance does not apply to any "occurrence" which takes place after the equipment lease expires.

i. Any Owners, Lessees, or Contractors for whom you are performing operations, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

(1) Your acts or omissions; or

(2) The acts or omissions of those acting on your behalf,

in the performance of your ongoing operations for the additional insured.

A person's or organization's status as an additional insured under this endorsement ends when your operations for that additional insured are completed.

With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to:

(1) "Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:

   (a) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or

   (b) Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of or the failure to render any professional architectural, engineering or surveying services.

(2) "Bodily injury" or "property damage" occurring after:
(a) All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or

(b) That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

j. Any Grantor of Licenses to you, but only with respect to their liability as grantor of licenses to you. Their status as additional insured under this endorsement ends when:

1. The license granted to you by such person(s) or organization(s) expires; or

2. Your license is terminated or revoked by such person(s) or organization(s) prior to expiration of the license as stipulated by the contract or agreement.

k. Any Grantor of Franchise, but only with respect to their liability as grantor of a franchise to you.

l. Any Co-owner of Insured Premises, but only with respect to their liability as co-owner of any insured premises.

m. Any Concessionaires Trading Under Your Name, but only with respect to their liability as a concessionaire trading under your name.

3. Any insurance provided to any additional insured does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of the sole negligence or willful misconduct of the additional insured or its agents, "employees" or any other representative of the additional insured.

4. With respect to the insurance afforded to these additional insureds, the following is added to Section III – Limits of Insurance:

   If coverage provided to any additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

   a. Required by the contract or agreement; or

   b. Available under the applicable Limits of Insurance shown in the Declarations; whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

J. COVERAGE FOR INJURY TO CO-EMPLOYEES AND/OR YOUR OTHER VOLUNTEER WORKERS

Section II – Who is an Insured, Paragraph 2.a. (1) is amended to add the following:

e. Paragraphs (a), (b), and (c) do not apply to your "employees" or "volunteer workers" with respect to "bodily injury" to a co-"employee" or other "volunteer worker".

   Damages owed to an injured co-"employee" or "volunteer worker" will be reduced by any amount paid or available to the injured co-"employee" or "volunteer worker" under any other valid and collectible insurance.

K. HEALTH CARE SERVICE PROFESSIONALS AS INSURED - INCIDENTAL MALPRACTICE

Section II – Who is an Insured, Paragraph 2.a. (1) (d) is amended as follows:

This provision does not apply to Nurses, Emergency Medical Technicians, or Paramedics who provide professional health care services on your behalf.

However this exception does not apply if you are in the business or occupation of providing any such professional services.

L. NEWLY FORMED OR ACQUIRED ORGANIZATIONS

Section II – Who Is An Insured, Paragraph 3.a. is replaced by the following:

3.a. Coverage under this provision is afforded until the end of the policy period.

This provision does not apply to newly formed or acquired organizations coverage is excluded either by the provisions of the Coverage Form or by endorsements.

M. DAMAGE TO PREMISES RENTED TO YOU

Section III – Limits of Insurance, Paragraph 6. is replaced by the following:

Subject to 5.a. above, the Damage To Premises Rented To You Limit, or $500,000, whichever is higher, is the most we will pay under Coverage A for damages because of "property damage" to any one premises, while rented to you, or in the case of damage by fire, smoke or leakage from automatic protection systems, while rented to you or temporarily occupied by you with permission of the owner.

N. MEDICAL PAYMENTS – INCREASED LIMITS

Section III – Limits of Insurance, Paragraph 7. is replaced by the following:

7. Subject to Paragraph 5. above, $10,000 is the Medical Expense Limit we will pay under Coverage C for all medical expenses because of "bodily injury" sustained by any one person, unless the amount shown on the Declarations of this Coverage Part for Medical Expense Limit states:
Q. UNINTENTIONAL FAILURE TO DISCLOSE EXPOSURES
Section IV – Commercial General Liability Conditions Paragraph 6. Representations is amended to add the following:
If you unintentionally fail to disclose any exposures existing at the inception date of your policy, we will not deny coverage under the Coverage Form solely because of such failure to disclose. However, this provision does not affect our right to collect additional premium or exercise our right of cancellation or nonrenewal.
This provision does not apply to any known injury or damage which is excluded under any other provision of this policy.

R. WAIVER OF TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US
Section IV – Commercial General Liability Condition Paragraph 8. Transfer Of Rights Of Recovery Against Others To Us is amended to add the following:
We waive any right of recovery we may have against any person or organization because of payments we make for injury or damage arising out of:
1. Your ongoing operations; or
2. “Your work” included in the “products-completed operations hazard”.

However, this waiver applies only when you have agreed in writing to waive such rights of recovery in a contract or agreement, and only if the contract or agreement:
1. Is in effect or becomes effective during the term of this policy; and
2. Was executed prior to loss.

S. MENTAL ANGUISH
Section V – Definition 3. is replaced by the following:
“Bodily injury” means bodily injury, sickness or disease sustained by a person, including mental anguish or death resulting from bodily injury, sickness or disease.

T. LIBERALIZATION
If we revise this endorsement to provide greater coverage without additional premium charge, we will automatically provide the additional coverage to all endorsement holders as of the day the revision is effective in your state.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

NOTICE OF CANCELLATION PROVIDED BY US TO PERSON(S) OR ORGANIZATION(S) WITH WHOM YOU HAVE AGREED IN A WRITTEN CONTRACT OR AGREEMENT

This policy is subject to the following additional Conditions:

If we cancel this policy by notice to the first Named Insured, for any statutorily permitted reason other than for non-payment of premium, notice of such cancellation will be provided at least thirty (30) days in advance of the cancellation effective date to any person(s) or organization(s) with whom you have agreed in a written contract or agreement to provide such person(s) or organization(s) with a notice of cancellation but only if:

1. You have provided the name and address of such person(s) or organization(s) to your authorized agent; and
2. Your authorized agent provides us with that list within three (3) business days from the date we request it from them.

If notice is mailed, proof of mailing to the last known mailing address of such person(s) or organization(s) will be sufficient proof of notice.

Failure to provide such notice to such person(s) or organization(s) will not amend or extend the date the cancellation becomes effective, nor will it negate cancellation of the policy. Failure to send notice shall impose no liability of any kind upon us, our agents or our representatives.

2.3 Executive Summary

Disability Access Consultants, LLC (DAC) understands that the City of Placentia is seeking to enter into a professional services agreement with a qualified and experienced firm to provide a comprehensive Americans with Disabilities Act (ADA) Self-Evaluation and Transition Plan for the City facilities, parks, and parking structures and public rights-of-way. (PROW).

The effort and work for this project will be performed and/or overseen by DAC’s Certified Access Specialist (CASp) and proven management team.

As a key component of the development of this plan, DAC will build and update the efforts of the 2009 Plan.

Also, DAC will review the City’s programs, services, activities, policies for compliance with the American with Disabilities Act (ADA), State of California Building Codes, Caltrans Standards, federal codes such as Section 504 of the Rehabilitation Act, and civil rights regulations, federal highway and related local regulations. DAC will collaborate with the City and provide best practices to assist the City in the updates of these compliance requirements.

Disability Access Consultants, LLC (DAC) has extensive experience in the evaluation of program and facility accessibility and provides a full continuum of Americans with Disabilities Act (ADA) and accessibility services for public entities, such as the City of Placentia.

Founded as a California company in 1998, DAC has provided services for the past 26 years to assist public entities to comply and implement accessibility requirements in accordance with the ADA, Title 24 of the California Building Code, Section 504 and related federal, state and local disability-related nondiscrimination laws and regulations.

DAC has conducted over 29,000 building inspections, surveyed thousands of parks and playgrounds, over 25,000 thousand miles of public rights-of-way and performed hundreds of programmatic reviews and self-evaluations to study the accessibility of programs, services, activities, events and related areas.
DAC has a team of 25 staff, including CASp certified inspectors, dedicated to assisting public entities, such as the City of Placentia, with ADA compliance. DAC has a comprehensive understanding of applicable standards, regulations and requirements under Title II of the ADA, California Building Code and related state accessibility standards.

DAC has successfully completed over 400 similar projects throughout the US over the past 26 years and has a clear understanding of the necessary requirements and deliverables that the City is seeking.

DAC has a clear understanding of the requirements of this RFP and has successfully completed projects in similar size and scope to the City. DAC is currently assisting or has recently completed similar studies for numerous city and county governments, including cities in proximity to the City of Placentia, such as the City of Manhattan Beach, City of Redondo Beach, City of La Canada Flintridge, City of Rolling Hills Estates, City of Lawndale, City of Oceanside, City of Carlsbad, City of San Juan Capistrano, City of La Habra and the City of Fullerton.

To provide for easy management of the transition plan and documentation of compliance efforts, DAC has developed online software called DACTrak. DACTrak is a powerful tool to manage and update the transition plan, project costs and document progress. Custom reports can be printed in a variety of formats. The use of DACTrak provides for a better quality and finished product for easy and cost-effective management of the ADA plans.

Tim Mahoney, General Manager, has the authority to negotiate on behalf of and to contractually bind DAC. DAC has received and reviewed Addendum No. 1 published on January 8, 2024, as well as questions and answers posted by the City on January 3, 2024, January 12, 2024 and January 16, 2024 and has included the information in preparation of our response.

**Declarations:**

DAC does not use sub-contractors and will be the prime for the contract. DAC will adhere to the requirements of the RFP and the addenda described above.

DAC will not substitute members of your designated team without approval by the City of Placentia staff.

DAC declares there are no conflicts of interest with the City or City staff.

DAC attests that there is no collusion with other proposing firms.

If awarded, DAC will fulfill the indemnification and insurance requirements as part of this RFP.

This proposal is firm for a minimum of one hundred twenty (120) days following the closing date for the receipt of proposals.

Respectfully submitted by Tim Mahoney

APPENDIX A – SAMPLE SCREEN SHOTS OF DACTRAK ACCESSIBILITY MANAGEMENT SOFTWARE

APPENDIX B – RESUMES OF PROJECT MANAGER AND CASP QUALITY CONTROL MANAGER
2.4 Project Team Organization
DAC has experienced team members who have worked with public entities for successful and on time completion of numerous projects. Necessary staff members have ICC, NPSI, and CASp certification.

A CASp certified Team Leader will be involved with the project and field evaluations. The project team is organized to provide a representation of skills needed to accomplish the project objectives. In addition, teams that have worked together previously will be assigned to the City Placentia project. Please see the following descriptions of key team members’ qualifications and their assigned roles. DAC does not use sub-contractors and is the prime for the project.

Barbara Thorpe, M.Ed., LOT
DAC President and Project Manager
As DAC Project Manager, Barbara will coordinate activities and schedules and report to the City’s Project Manager or designee. Barbara will serve in the leadership role regarding the ADA self-evaluation of programs, services, activities and events along with the review of policies and procedures. The public input process will be coordinated by Barbara in collaboration with the City. Barbara brings 19 years of experience in public entity administration prior to founding DAC in 1998. With an additional 26 years of experience with DAC working with school districts, city, town and county governments nationally, Barbara provides unparalleled understanding of the application of the Americans with Disabilities Act and related legislation for accessibility compliance.

In addition to assisting public entities with compliance with the ADA, Barbara has conducted compliance reviews for the California Department of Transportation (Caltrans) and the Department of the Interior to audit for compliance with the ADA, Section 504 of the Rehabilitation Act and related civil rights laws and regulations. Barbara has served as an expert witness for the Department of Justice, Office of the Attorney General. Additionally, Barbara is a licensed occupational therapist. Barbara served on the Division of State Architect Advisory Board and served as the vice-chair for the DSA Access Compliance Committee. Barbara has successfully spearheaded and completed over 400 public entity self-evaluation and transition plan projects that are similar the City of Placentia’s project.
Michael Boga, B.A. Education, California Certified Access Specialist (CASp #152), ICC Accessibility, Usability and Plans Examiner

Senior Director of Accessibility Services and Quality Control
As manager of the production and the field survey teams, Michael brings a unique blend of experience in the building industry along with his understanding of individuals with disabilities to the accessibility team. Michael is a certified accessibility specialist through the International Conference of Building Officials (ICC), certified in Accessibility, Usability and Plans examination and is a California Certified CASp inspector (# 152). Michael has completed the updated DSA courses regarding the California Building Code. Michael has provided numerous staff development sessions to public entities regarding accessibility requirements for facilities, parks and public rights-of-way. If requested, Michael would provide training, assist with plan reviews and review new construction and renovations completed for compliance. Michael has worked on over 400 projects that are similar to the City of Placentia’s ADA Self-evaluation and Transition Plan project.

Candice Pursch, A.S. Building Inspection Technology, ICC Accessibility, Usability and Plans Examiner, Accessibility Trainer

Director of Accessibility Services
Candice’s 19 years of experience with DAC includes accessibility surveys of thousands of public facilities while employed by DAC as an accessibility specialist. Her educational background includes a degree in Building Inspection Technology from Butte College and coursework in Architectural Project Management at California State University with emphasis on construction plans and specifications, construction materials and systems, building codes, construction graphics and architectural design. Candice has completed the updated DSA courses regarding the California Building Code that include CBC Amendments, Plan Review, Accessible Public Housing Regulations, Transient Lodging, Housing and Social Service Enter Establishments. Candice also has International Code Council (ICC) Certification for Accessibility, Usability and Plans Examiner. Candice is a Certified Combination Building Inspector. As a volunteer for Habitat for Humanity, Candice volunteers to help build residential homes. Candice provides oversight of accessibility specialists and performs quality control checks.
Jennie Grover, B.A. Corporate Communications  
*Director of Administrative Services*

Jennie has worked in administration for DAC for the past 16 years. Jennie draws on her experience in technical writing to provide leadership and management of the production and technical writing team, organizing the completion of technical reports, as well as managing production schedules, staff and timelines. Jennie also organizes the process and procedure for providing opportunities for public input, as well as collecting and compiling the information received into the self-evaluation and transition plan. Jennie also provides training and help desk support for DACTrak users.

Tim Mahoney, B.S.  
*General Manager*

Tim brings twenty-eight years of executive management experience in consulting, IT, manufacturing and the construction industries. Additionally, Tim has provided program development and management for members of professional associations for twenty years. Tim has also assisted in the design and construction of hundreds of ADA, CPSC and ASTM compliant outdoor recreation areas. As General Manager of DAC, Tim conducts quality assurance project management reviews and helps ensure contract fulfillment. Tim also provides ADA and Section 504 compliance consultation services for public entities, and staff training and development activities for public entities, businesses, and associations.

Srikant Talasila, M.S. Computer and Internet Applications  
*Director, Information Technology*

Srikant has worked in DAC’s IT Department for the past 16 years and has a total of 25 years in the field of Information Technology, holding a master’s degree in Computer Science. Srikant is very proficient in numerous software technologies, including but not limited to all modules of .Net, Java, SQL Server and Oracle. Srikant is also a Microsoft Certified Azure Solutions Architect Expert. Srikant oversees DAC’s entire IT department, including infrastructure and applications, as well as managing and overseeing all stages of the development lifecycle for new software. In addition to maintaining existing software, Srikant also ensures that all necessary software updates and version enhancements are completed. Srikant also oversees the maintenance of all hardware and verifies that all reported IT related issues are resolved quickly and efficiently.

**In-House Abilities and Experience of the Team**

All staff are direct employees of DAC and represent a strong in-house team that has worked together on the majority of our projects. Due to our in-house capabilities, DAC does not have a need to subcontract with other companies or individuals. Having all team members for the project under one roof provides for clearer communication and accountability within the DAC team and between the City and DAC.

**Background Checks**

All employees of Disability Access Consultants, LLC have background checks from the FBI and DOJ on file with DAC. We have conducted studies for school districts, state and local governments, the Federal Government, Judicial Chambers and Correctional Institutions that require background checks.

**2.5 Relevant Experience and References**

**Company Qualifications**

DAC’s staff is highly qualified to provide the services requested by the City of Placentia. DAC has provided services to public and private entities for the past 26 years to assist them in enhancing their compliance with the ADA and related state accessibility codes. DAC staff have necessary CASp and ICC certifications and have provided similar services to hundreds of public entities, including cities, counties, towns, school districts, universities and park districts. DAC has also developed DACTrak software, which allows for consistent and efficient data collection in the field and seamless
processing of data into usable and manageable online reports. DAC proposes to use DACTrak software to provide the requested transition plan services to the City of Placentia.

As our founder, Barbara Thorpe, worked with a public entity for nineteen years as the ADA Coordinator, 504 Coordinator and Director of Planning and Compliance, she has extensive experience working with individuals with disabilities and organizations representing individuals with disabilities. In addition, she has collaborated with individuals with disabilities and organizations that represent individuals with disabilities in a facilitative manner that has benefited city governments during her work with other municipalities. Barbara and the DAC team members have demonstrated the ability to engage and interact with individuals and organizations to assist with the prioritization, long range planning and implementation of the ADA plan. Barbara would serve as the project manager.

**Professional Services Provided by DAC**

DAC provides a full continuum of professional services that include, but are not limited to:

- Facility inspections
- Self-evaluations for ADA and Section 504 of the Rehabilitation act

- National Playground Safety Institute (NPSI) standards
- PROWAG – Federal Public Rights-of-way Guidelines
- Manual on Uniform Traffic Control Devices (MUTCD)

DAC has been assisting several Joint Power Authorities throughout the State of California since 2000 and currently provides updates, consultation, plan reviews and expert witness services. DAC has worked with public entities of all sizes, from a single site to more than 500 sites and over 700 miles of sidewalks and curb ramps.

Members of the DAC team have also served as expert witnesses to assist public entities to defend their current practices and ADA plan. DAC has only served on the side to assist public entities to defend their practices and plan and has never assisted with litigation against a public entity. Our mission statement and philosophy embrace the enhancement and assistance to our clients to build an ADA accessibility plan while documenting previous and current compliance methods.

Our firm stands out in the public entity arena due to proven performance in a wide range of services, from programmatic and policy reviews, facility inspections, transition plans, consultation, plan reviews and expert witness services. We excel at providing a comprehensive assessment of our
clients’ current status by preparing a study of all areas related to accessibility in different departments to document ongoing compliance.

DAC has a reputation for being responsive to the client’s needs, providing project completion on time within budgets. DAC has a proven track record for comprehensive experience in conducting ADA self-evaluations and transition plans, implementation and related services.

**DACTrak - Innovative Tools, Strategies and Best Practices**

Based on experience and knowledge of the accessibility field and best practices, DAC continues to develop innovative methodologies, easy to use ADA management tools, and proven, successful strategies for evaluating programs, services, activities, events, facilities, parks and public rights-of-way. DACTrak was developed by DAC for the purpose of easy and useful importing and management of the accessibility data collected in the field. DACTrak is interactive online software and is not an enhanced excel spread sheet. The ability to collect, compile, analyze and use report data in a practical format was one of the driving forces to develop the DACTrak intake and management software. Our DAC accessibility management software, DACTrak, provides our clients with a powerful management tool to document compliance, project costs, print custom reports and record progress. DACTrak is not an excel spreadsheet, but actual software that has been developed by our company to assist with the implementation and documentation of the City’s ADA plan and provides photographs of as-is site conditions, which has proven to be valuable documentation. Findings and recommendations, in addition to other data are preloaded into the DACTrak software. As DAC owns and licenses the DACTrak software, we can make custom modifications for our clients.

The DACTrak program is accessed through a secure website that is compatible with all current major internet browsers. There is no software program file to download or install on the City’s servers or computers in order to access and manage report data on DACTrak. All maintenance and updates to the DACTrak software are performed by DAC’s in-house IT Team, therefore there is no burden on the City’s IT staff to maintain or administer any software, programs or databases.

The data contained in the database shall be the property of the City when the ADA Transition Plan compilation is complete. DAC proposes that the City use DACTrak to facilitate ongoing monitoring and updating of the final transition plan. If the City chooses not to use the DACTrak online management software, DAC can provide reports to the City in a compatible format such as Excel and PDF.

**Client References**

DAC has performed hundreds of ADA self-evaluation and transition plans for cities, counties, towns, and park districts nationwide and has worked with approximately 250 public entities in the state of California.

The following are a few recently completed references for scopes of work similar to the City of Placentia that include city and county governments. Numerous other references are available. All DAC staff proposed to provide services to the City of Placentia have worked on all projects listed in their assigned roles.

Project name: ADA Self-Evaluation and Transition Plan
DAC Proposal to the City of Placentia for ADA Consultant Services

DAC completed an ADA self-evaluation and transition plan for City buildings, parks and 620 linear miles of public rights-of-way.

DAC assisted the City to complete their public input process.

DAC conducted the ADA self-evaluation of programs, services and activities to determine if any may be considered discriminatory for individuals with disabilities and has provide the City with an Executive Summary detailing the results and recommendations.

The City is currently using DACTrak to implement their transition plan.

Start Date: July 2020   Completion Date: Current project

Project Manager: Barb Thorpe   Project Size: $250,000

**Critical Items for Success**

The most critical step in performing a successful assessment project is planning. Verifying facility information, organizing access and confirming contact information prior to the onsite surveys commencing is vital to the success of the project.

Another issue that is critical is the consistency and accuracy of the data gathered during the survey phase. In order to ensure this, DAC has developed DACTrak, which supports accurate and complete data collection. Using the DACTrak software in the field, our surveyors collect data and measurements in a specific order to ensure that elements are not missed. The data and photographs that are collected in the field are processed by our servers against all applicable accessibility codes, which provides our clients with consistent and accurate reports. Since the data collected in the field is automatically uploaded to our processing servers, reports are available to our clients within a short turnaround time, following our multi-step editing and quality control process.
2.6 Project Understanding and Approach

Task 2.0: Initial Investigation and Document Review

The document review by DAC will include previous plans, as-built drawings, accessibility standards and City regulatory policies related to accessibility. DAC will develop the process, procedure and forms needed to conduct the self-evaluation of the City's programs, activities and services for ADA compliance and compile the findings and recommendations into a City ADA Self-evaluation and Transition plan Executive Summary.

DAC will review the City’s 2009 Self-Evaluation Reports, previous compliance efforts and reports, property condition assessment reports, as-built drawings, and any other relevant land development reports.

DAC will develop a master list of City programs, services, and activities; accessibility policies; disability customer service training; communication practices and any additional available information regarding program accessibility. DAC will review appropriate and existing City transition plans, master plans, reports, and programs, as well as meet with City staff to gain insight into the City's facilities and programs in order to identify issues, which may be discriminatory to people with disabilities.

The review will also include City policy and program accessibility, including eligibility requirements, participation requirements, facilities used, transportation, communication, grievance procedures and emergency procedures. DAC will review, analyze and make recommendations based on current or plans. DAC will conduct barrier assessment surveys to collect information on each program and activity. Based on the barrier assessment surveys and policy reviews, DAC will evaluate the access of existing programs and services and provide recommendations where deficiencies are identified.

DAC will provide the City with an Executive Summary report that will summarize the data and findings from the ADA self-evaluation and transition plan for City buildings, parks, parking, programs, communications, and open spaces.

DAC has provided training to hundreds of public entities and is also the selected consultant of the California Joint Powers Insurance Authority (CJPIA) to provide regular training sessions to their members. DAC has also recently provided training to the California Association of Joint Powers Authorities (CAJPA) regarding requirements for compliant websites. In addition to CJPIA members, DAC has provided customized individual training regarding ADA requirements for facilities, public right-of-way, policies, special events, grievances and other related Title II topics.

DAC will assist the City in designating an ADA coordinator and ADA liaisons for relevant City departments and provide training to City staff described in the City’s RFP and additional areas.

DAC will also provide a one day training seminar to assist and further educate the ADA coordinator, ADA liaisons and select City staff in the following areas:

- Applicable government code, statutes and regulations;
- Procedures and forms to be used for performing field investigations and inspections;
- Procedures and forms to conduct Self-Evaluation
- Preparation of ADA Compliance Assessment Reports;
- Using and maintaining the project map
- Monitoring and updating the ADA Self-Evaluation and Transition Plan;
- Internal procedures for granting exemptions for City Projects

DAC has also provided training courses to many public entities with customized curriculums for the department or staff receiving the training, including:

- Roles and Responsibilities of the ADA Coordinator
- ADA Roles and Responsibilities for Front Line Staff
- ADA Roles and Responsibilities for Executive and Management Staff
• Maintenance of Accessible Facilities
• Maintenance of Accessible Public Rights-of-Way

DAC has also trained public entity staff to perform their own surveys of public rights-of-way and facilities using the DACTrak software.

**Task 3.0: Field Survey and Self-Evaluation**

DAC will oversee and conduct the surveys of the interior and exterior areas of each City building, facility, park, parking and public right-of-way identified in the RFP and confirmed at the kickoff meeting.

DAC will prepare reports identifying each physical element within the public areas of each of the City buildings, facilities, recreational areas and public right-of-way that is out of compliance with the ADA and related codes and regulations or otherwise hinders or prevents access to persons with disabilities.

1. **Public Rights-of-Way – Phase 1**
   a. In consultation with the City, DAC will identify which City-owned public rights-of-way, including, but not limited to cross walks, pathways, sidewalks and curb ramps are subject to the requirements of the ADA and perform assessments of all areas within the identified public rights-of-way facilities. The reports prepared from the assessments will include details of all elements surveyed.
   b. DAC will conduct barrier assessment surveys with field reviews of the identified public rights-of-way owned by the City of Placentia, as appropriate. The surveys will identify physical barriers in the public rights-of-way that could limit accessibility. The information collected in the field will be compared to the Federal ADA codes as well as applicable state codes and the standard that provides the greater level of accessibility utilized.
      i. Based on the results of the barrier assessment surveys, DAC will develop access compliance assessment reports issued through our DACTrak online accessibility management software in order to provide the City with comprehensive assessment results. The reports will include:
         1. as-is condition measurements and verifications as they relate to ADA access;
         2. a detailed barrier description and initial priority order related to relative impact to access;
         3. at least one digital photograph for documentation of each barrier;
         4. detailed location description identifying the location of the barrier, maps will also be provided for findings where GIS coordinates can be collected for available outdoor findings;
         5. a proposed solution to eliminate the barrier; and
         6. individual cost estimates for each solution.
   c. DAC will provide the City with access to DACTrak, allowing the City's users to generate details reports in multiple formats, including PDF and Excel, as well as map style formats of KML and Shapefile for available exterior areas where GIS coordinates can be collected. The DACTrak online accessibility management software will provide the City with comprehensive reports for the interior and exterior of each facility. DACTrak also includes tools that will allow the City to plan a schedule of barrier removal, adjust priorities and update the implementation of the transition plan. Many report options are available in DACTrak that can show detailed information for every noncompliant finding along each area of sidewalk, through high level summary reports that can offer a concise synopsis of noncompliant findings by category across all public rights-of-way facilities City-wide. Estimated costs are available in all reports, however a DACTrak user can choose to generate a report without estimated costs if needed.
   d. DAC will survey all City-owned public rights-of-way included as Appendix A and confirmed at the project kick off meeting.
2. Public Buildings – Phase 2
   a. In consultation with the City, DAC will identify which City buildings are subject to the requirements of the ADA, and perform assessments of all interior and exterior elements, including the path of travel as well as common areas throughout City owned and tenant occupied buildings. The reports prepared from the assessments will include details of all elements surveyed.
   b. DAC will conduct barrier assessment surveys with field reviews of all City-owned public buildings that provide programs, services or activities to the public, as appropriate. The surveys will identify physical barriers at each facility that could limit accessibility. The information collected in the field will be compared to the Federal ADA codes as well as applicable state codes and the standard that provides the greater level of accessibility utilized.
      i. Based on the results of the barrier assessment surveys, DAC will develop access compliance assessment reports issued through our DACTrak online accessibility management software in order to provide the City with comprehensive assessment results. The reports will include:
         1. as-is condition measurements and verifications as they relate to ADA access;
         2. a detailed barrier description and initial priority order related to relative impact to access;
         3. at least one digital photograph for documentation of each barrier;
         4. detailed location description identifying the location of the barrier, maps will also be provided for findings where GIS coordinates can be collected for available outdoor findings;
         5. a proposed solution to eliminate the barrier; and
         6. individual cost estimates for each solution.
   c. DAC will provide the City with access to DACTrak, allowing the City’s users to generate details reports in multiple formats, including PDF and Excel, as well as map style formats of KML and Shapefile for available exterior areas where GIS coordinates can be collected. The DACTrak online accessibility management software will provide the City with comprehensive reports for the interior and exterior of each facility. DACTrak also includes tools that will allow the City to plan a schedule of barrier removal, adjust priorities and update the implementation of the transition plan. Many report options are available in DACTrak that can show detailed information for every noncompliant finding in each building, through high level summary reports that can offer a concise synopsis of noncompliant findings by category across all facilities City-wide. Estimated costs are available in all reports, however a DACTrak user can choose to generate a report without estimated costs if needed.
   d. DAC will survey all City-owned buildings included in Appendix B included with the RFP and confirmed at the project kick off meeting.

3. Parks and Open Spaces- Phase 3
   a. In consultation with the City, DAC will identify which City-owned parks, trails, outdoor facilities and open spaces are subject to the requirements of the ADA and perform assessments of all areas within the recreational facilities. The reports prepared from the assessments will include details of all elements surveyed.
   b. DAC will conduct barrier assessment surveys with field reviews of all parks, trails, outdoor facilities and open spaces owned by the City of Placentia and included in Appendix C that provide programs, services or activities to the public, as appropriate. The surveys will identify physical barriers at each City-owned parks, trails, outdoor facility and open space that could limit accessibility. The information collected in the field will be compared to the Federal ADA codes as well as applicable state codes and the standard that provides the greater level of accessibility utilized.
i. Based on the results of the barrier assessment surveys, DAC will develop access compliance assessment reports issued through our DACTrak online accessibility management software in order to provide the City with comprehensive assessment results. The reports will include:

1. as-is condition measurements and verifications as they relate to ADA access;
2. a detailed barrier description and initial priority order related to relative impact to access;
3. at least one digital photograph for documentation of each barrier;
4. detailed location description identifying the location of the barrier, maps will also be provided for findings where GIS coordinates can be collected for available outdoor findings;
5. a proposed solution to eliminate the barrier; and
6. individual cost estimates for each solution.

c. DAC will provide the City with access to DACTrak, allowing the City’s users to generate details reports in multiple formats, including PDF and Excel, as well as map style formats of KML and Shapefile for available exterior areas where GIS coordinates can be collected. The DACTrak online accessibility management software will provide the City with comprehensive reports for the interior and exterior of each facility. DACTrak also includes tools that will allow the City to plan a schedule of barrier removal, adjust priorities and update the implementation of the transition plan. Many report options are available in DACTrak that can show detailed information for every noncompliant finding in each recreational facility, through high level summary reports that can offer a concise synopsis of noncompliant findings by category across all facilities City-wide. Estimated costs are available in all reports, however a DACTrak user can choose to generate a report without estimated costs if needed.

d. DAC will survey all City-owned parks and park facilities included in Appendix C included with the RFP and confirmed at the project kick off meeting.

4. City Programs and Services
As part of Tasks 2.0 and 3.0, DAC will conduct an accessibility review of City programs, services, activities and policies to comply with a core requirement of an ADA Self-Evaluation and Transition Plan.

a. In consultation with the City, DAC will identify which City programs and services are subject to the requirements of the ADA, including but not limited to, classes, workshops, meetings, and events. DAC will perform reviews of program policies, procedures, including but not limited to eligibility requirements, location(s) of services, methods of providing information and procedure for processing requests for accommodations. The information prepared from the programmatic assessments will be included in the self-evaluation and transition plan Executive Summary.

b. DAC will conduct programmatic barrier assessment surveys of City programs and services, as appropriate and available. The reviews will identify programmatic barriers in City programs and services that could limit accessibility or be considered potentially discriminatory.

c. Based on the programmatic barrier assessment surveys, DAC will provide the City with suggestions and recommendations as needed to ensure or enhance compliance in the City’s
programs and services. The findings and recommendations will be included in the ADA Self-evaluation and Transition Plan report.

d. The ADA self-evaluation and transition plan report will identify issues that may limit physical or other access to individuals with disabilities to City Programs and Services. The report will include a feasible solution and cost estimate for eliminating each barrier if applicable. Most programmatic changes to enhance compliance would have little to no cost associated.

e. Although the ADA self-evaluation and transition plan project will focus on Title II, the report will also include a cursory review of the City’s employment and recruitment practices related to accessibility and reasonable accommodations.

5. City Webpages

a. While the City did not expressly request this deliverable, DAC would recommend a compliance review of the City’s website and web pages.

b. In consultation with the City, DAC will identify which City communications and webpages, including but not limited to, sign-up forms, registration forms and public facing website pages, are subject to the requirements of the ADA. DAC will provide the City with a programmatic review that will identify all communications items that are not compliant or are potentially discriminatory. The City’s website will be reviewed for compliance with the standard required for Title II entities, Web Content Accessibility Guidelines (WCAG) 2.1 Level AA.

c. DAC will conduct barrier assessment surveys to review all City public communications and webpages, as appropriate. The surveys will identify accessibility barriers in City communications and webpages as well as potential language or procedures that could be considered discriminatory.

d. DAC will provide the City with a report that includes the findings and recommendations from the reviews of the City’s communications and website review. The report will include a synopsis of the comprehensive website review which will be issued separately as a related and referenced report. The report will identify programmatic issues found in public communications and the City’s public facing website that limit accessibility.

Detailed Approach for a Successful Project

In addition to the previous scope of work summary, tasks will also include, but are not limited to the following:

Orientation/Project Meeting and Clarification of Project Scope and Schedule

DAC will conduct an initial project kickoff meeting with selected City staff to clarify roles and lines of communication, refine project goals, review the overall project schedule, schedule surveys of City facilities, recreational areas and public rights-of-way and identify key City personnel related to the project scope. To ensure an efficient commencement of the project in order to meet the deadline requirements, the kickoff meeting may be held via teleconference. More specific activities will include:

- Information that is needed will be clarified at the initial orientation meeting. The initial meeting will also clarify proposed activities and provide a collaborative framework to discuss project strategies. The project methodology is generally designed to develop a comprehensive plan without placing additional activities and impact upon City staff.
- Barbara Thorpe will be designated as the project manager and will also serve as policy and program analyst. She will be the DAC contact for the project and serve as the point of contact for the City. The designated team members that will coordinate the inspection team during the facility reviews will be Michael Boga and Candice Pursch. The management approach will include coordination and assistance from DAC office staff under the direction of Jennie Grover, Director of Administrative Services, Tim Mahoney, General Manager and Candice Pursch, Director of Accessibility Services.
Specific methodologies and data collection will be clarified. Timelines and benchmarks will be developed. Operational and procedural requirements will be reviewed, such as coordination of schedules, name tags, project dates and other relevant information. DAC staff members wear DAC uniform shirts and have DAC identification badges.

The initial orientation meeting will include an assessment of any previous compliance activities and areas of current or potential litigation. The review of compliance activities and high priority areas will assist with the development of an overall project plan. The review and documentation of prior initiatives will also build a more defensible plan if the City is challenged by litigation.

Project objectives will be clarified and elements that may be unique or of importance for the City will be discussed.

Hours of operation, schedules and City activities by location will be discussed.

**Survey of Facilities, Parks and PROW, Software for Transition Plans**

DAC will conduct the surveys of the interior and exterior areas of each City building, facility recreational area and public right-of-way identified in the RFP and confirmed at the kickoff meeting.

DAC will prepare reports identifying each physical element within the public areas of each of the City buildings, facilities, recreational areas and public right-of-way that is out of compliance with the ADA and related codes and regulations or otherwise hinders or prevents access to persons with disabilities.

As required by the ADA, the 2010 ADA Standards will be compared with state codes and the standard that provides the greater level of accessibility utilized. As DAC collects actual measurements of as-is field conditions and records all information, data can be reprocessed if codes change without conducting a re-inspection, thus resulting in a significant savings when codes change, and the plan needs to be updated.

DAC will provide the City with DACTrak online accessibility management software for City staff to generate reports in multiple styles and file formats. DACTrak reports will include, but may not be limited to the following:

DAC collects as-built dimensions as they relate to ADA and other relevant code and guideline access;

- Initial prioritizing of non-compliant findings relative to the level of impact to access;
- Reference to code or codes defining the barrier to access;
- Proposed solution(s) to eliminate the barrier;
- Individual detailed cost estimate for each solution;
- At least one digital photograph of each barrier to access;
- Detailed location description, including GIS coordinates for available outdoor areas, to further identify the barrier when available.

Assessments and reports will include a high degree of detail with photographs, code references, cost estimates and GIS information when applicable. The DACTrak software provides the user with the capability to generate reports in multiple formats such as progress reports, additional prioritizations, preset reporting features and other custom reports. The inclusion of photographs showing the as-is condition has proven to be valuable assistance to clients in the formulation of the decisions regarding barrier removal priorities. The DACTrak software provides an easy to use accessibility management platform that exceeds the ability to manage the plan by hard copies and binders. The assessment report of each facility will include cost estimates to correct deficiencies in accordance with the ADA or other applicable federal or state accessibility codes.

Barriers are identified by building, floor or location and given a unique identifier record number to assist with navigation in the accessibility software and location of the finding and recommendation by area and site. Estimated applicable costs will be given by item and element in accordance with industry standards. Costs can be easily adjusted to adhere to any cost estimates the City may utilize.
Physical access problems that require structural solutions will be documented in the compliance assessment reports that will be used to develop the transition plan. The proposed method for barrier removal will be provided. The transition plan will identify physical barriers that may limit accessibility of the City programs, services or activities for individuals with disabilities. The schedule for removal of barriers and appropriate timelines will be developed in consultation with the City.

Identified barriers and obstacles will be prioritized as discussed in the Scope of Work. Use of the DACTrak software will provide the City with an additional tool to reprioritize items depending upon the unique and ongoing needs of the City and public comments during the public input process. Public and nonpublic areas will be identified, if requested. Employee only areas, for example, are usually given a lower priority for barrier removal.

Detailed findings, inspection intake records and digital photos are recorded during the intake process. Findings are incorporated into the transition/barrier removal plans. Information collected during the survey process is preloaded by DAC into our DACTrak accessibility management software.

The DAC surveys of the public rights-of-way may include, but would not be limited to:

**Sidewalks**
- Width
- Cross Slope
- Running slope
- Changes in elevation greater than 1/4 inch and changes in elevation that are not beveled up to ½ inch
- Any obstructions in the sidewalk that obstruct or narrow the path of travel such as protruding objects and items that narrow the required width
- Street furniture
- Collection of GIS location information and photographs

**Signalized Intersections**
- Crosswalks
- Pedestrian ramps-curb ramps; width, slope, side flares, grooved borders, truncated domes, alignment with the crosswalk
- Accessible pedestrian signals
- Traffic stop bars

DAC uses a comprehensive approach to inspecting public rights-of-way. In order to conduct an assessment of all of the requirements in the PROW, DAC accessibility specialists walk each mile of sidewalk to record manual measurements and photographs of the field conditions and enter the information into our DACTrak tablet in the field. DAC has found that the use of automated equipment for running slopes on sidewalks, such as ultra-light profilers, do not provide an actual measurement, but only provide a chart showing ranges. In some cases, if a change in level is greater than ½ inch, no actual quantifiable information is reported of how much greater the severity. In order to get the actual measurements for the sidewalks, the use of a “profiler” does not provide the measurements needed for items such as vertical clearance and street furniture.

The on-site facility team leader conducts a quality assurance review and contacts the field inspector regarding any items in the report that may need further investigation. The on-site facility team leader completes any necessary edits, and the final quality control editor is notified that the report is ready for the final edit.

Cost estimates are provided by DACTrak and then can be refined by DAC in collaboration with the City. If the City has utilized cost estimates for standard nonaccessible items or elements, then the City’s costs can be entered into the DACTrak program.
As is the case with most public entities, due to the limited City staff availability, it is the intent of DAC to conduct the surveys with as little burden on the City staff as possible.

DAC team members will conduct on-site inspections on our DACTrak tablets and export the on-site field conditions for processing by our servers the same day of the inspection while located in the City. Thus, the draft report is ready the same day or at the end of the inspection of the site. Cost estimates are then refined by Michael Boga, Senior Director of Accessibility Services, in collaboration with the City. If the City has utilized cost estimates for standard nonaccessible items or elements, then the City’s costs can be entered into the DACTrak program.

The on-site facility team leader conducts a quality assurance review and contacts the field inspector regarding any items in the report that may need further investigation. The on-site facility team leader completes any necessary edits and the final quality control editor is notified that the report is ready for the final edit.

As is the case with most public entities, due to the limited City staff availability, it is the intent of DAC to conduct the surveys with as little burden to the City staff as possible.

**Task 4.0: GIS Integration**

As part of the inspection process and required by the ADA, the 2010 ADA Standards will be compared with state codes and the standard that provides the greater level of accessibility utilized.

As DAC collects actual measurements of as-is field conditions and records all information, data can be reprocessed if codes change without conducting a re-inspection, thus resulting in a significant savings when codes change, and the plan needs to be updated.

DAC will provide the City with DACTrak online accessibility management software for City staff to generate reports in multiple styles and file formats. DACTrak reports will include but may not be limited to as-built dimensions as they relate to the ADA and other relevant code and guideline access, initial prioritizing of noncompliant findings relative to the level of impact to access, reference to accessibility codes, proposed solution(s) to eliminate the barrier, cost estimate for each solution, at least one digital photograph of each barrier to access, and a detailed location description, including GIS coordinates and mapping.

The DACTrak software provides the user with the capability to generate reports in multiple formats such as progress reports, additional prioritizations, preset reporting features and other custom reports. The inclusion of photographs showing the as-is condition has proven to be valuable assistance to clients in the formulation of the decisions regarding barrier removal priorities. The DACTrak software provides an easy-to-use accessibility management platform that exceeds the ability to manage the plan by hard copies and binders. The assessment report of each facility will include cost estimates to correct deficiencies in accordance with the ADA or other applicable federal or state accessibility codes.

Barriers are identified by building, floor or location and given a unique identifier record number to assist with navigation in the accessibility software and location of the finding and recommendation by area and site. Estimated applicable costs will be given by item and element in accordance with industry standards. Costs can be easily adjusted to adhere to any cost estimates the City may utilize. The proposed method for barrier removal will be provided. The transition plan will identify physical barriers that may limit accessibility of the City programs, services or activities for individuals with disabilities. The schedule for removal of barriers and appropriate timelines will be developed in collaboration with the City. Identified barriers and obstacles will be initially prioritized.

Use of the DACTrak software will provide the City with an additional tool to update prioritizations, budget, implement and monitor barrier removal. DAC uses a comprehensive approach to inspecting public rights-of-way and records actual as-is measurements, not just an indicator of compliant or not compliant. DAC has found that the use of automated equipment for compliance measurements
of sidewalks does not provide actual comprehensive measurement of areas required to be assessed, such as protruding objects.

DAC team members will conduct onsite inspections on our DACTrak tablets and export the on-site field conditions for processing by our servers the same day of the inspection. An Executive Summary of the entire project will also be provided to the City. DAC will provide the City with access to DACTrak, allowing the City’s users to generate details reports in multiple formats, including PDF and Excel, as well as map style formats of KML and Shapefile for available exterior areas where GIS coordinates can be collected.

The DACTrak online accessibility management software will provide the City with comprehensive reports for the interior and exterior of each facility. DACTrak also includes tools that will allow the City to plan a schedule of barrier removal, adjust priorities and update the implementation of the transition plan. Many report options are available in DACTrak that can show detailed information for every noncompliant finding along each area of sidewalk, through high level summary reports that can offer a concise synopsis of noncompliant City-wide findings by category.

Buildings, parks and open space assessments will include an assessment of all interior and exterior elements. The reports prepared from the assessments will include details of all elements surveyed. DAC will conduct barrier assessment surveys with field reviews of all City-owned public buildings that provide programs, services or activities to the public, as appropriate. The surveys will identify physical barriers at each facility that could limit accessibility. The information collected in the field will be compared to the Federal ADA codes as well as applicable state codes and the standard that provides the greater level of accessibility utilized.

DAC will provide the City with access to DACTrak, allowing the City’s users to generate details reports in multiple formats, including PDF and Excel, as well as map style formats of KML and Shapefile for available exterior areas where GIS coordinates can be collected. The DACTrak online accessibility management software will provide the City with comprehensive reports for the interior and exterior of each facility. Many report options are available in DACTrak that can show detailed information for every noncompliant finding in each building, through high level summary reports that can offer a concise synopsis of noncompliant findings by category across all facilities City-wide. Estimated costs are available in all reports, however a DACTrak user can choose to generate a report without estimated costs if needed.

Report information for public rights-of-way, buildings and parks will include: as-is condition measurements and verifications as they relate to ADA access, a detailed barrier description and initial priority order related to relative impact to access, at least one digital photograph for documentation of each barrier, detailed location description identifying the location of the barrier, maps will also be provided for findings where GIS coordinates can be collected for available outdoor findings, a proposed solution to eliminate the barrier; and individual cost estimates for each solution. An Executive Summary of the entire project will also be provided to the City that will include the method and process for conducting the self-evaluation and developing the transition plan, as well as an overview of the barriers found in the City’s parks and open spaces. All exterior paths of travel, curb ramps, and sidewalks providing access and are adjacent to the facilities will be inspected.

Facility Diagrams and Inventory
DAC will provide the integration of the collected GIS data of the City where applicable, and will include the phases and tasks identified in the RFP. Data will include reference maps, curb ramp condition data and GIS location information. As DAC developed and maintains DACTrak, custom fields can be added. A city-wide reference map will be included with ramp conditions and GIS coordinates. Notes can be added in the DACTrak software.
Task 5.0: Public Involvement and Outreach
The City is required to provide opportunities for public input into the ADA plan. DAC will recommend and lead a public participation and outreach process that will incorporate the requirements of the ADA. The outreach portion of the self-evaluation and transition plan project will include multiple methods to provide opportunities for public input from members of the community as well as area organizations that provide services to persons with disabilities. The surveys that will be prepared for use in acquiring public input will encourage respondents to describe current accessibility needs and challenges to assist the City in developing accessible programs and facilities. DAC will work with the City to determine the most effective methods to gather input from individuals and groups who would like to participate in the development of the plan. DAC will compile all comments and feedback from public outreach efforts to be incorporated in the final transition plan.

Task 6.0: Project Database
Based on experience and knowledge of the accessibility field and best practices, DAC continues to develop innovative methodologies, easy to use ADA management tools, and proven, successful strategies for evaluating programs, services, activities, events, facilities, parks and public rights-of-way. DACTrak was developed by DAC for the purpose of easy and useful importing and management of the accessibility data collected in the field.

DACTrak is interactive online software and is not an enhanced excel spread sheet. The ability to collect, compile, analyze and use report data in a practical format was one of the driving forces to develop the DACTrak intake and management software. Our DAC accessibility management software, DACTrak, provides our clients with a powerful management tool to document compliance, project costs, print custom reports and record progress. Findings and recommendations, in addition to other data are preloaded into the DACTrak software.

DAC owns and licenses the DACTrak online software which is accessed through a secure website compatible with all current major Windows based internet browsers. There is no software program file to download or install on the City’s servers or computers in order to access and manage report data on DACTrak. All maintenance and updates to the DACTrak software are performed by DAC’s in-house IT Team, therefore there is no burden on the City’s IT staff to maintain or administer any software, programs or databases.

The data contained in the database shall be the property of the City. DAC proposes that the City use DACTrak to facilitate ongoing monitoring and updating of the final transition plan. If the City chooses not to use the DACTrak online management software, DAC can provide reports to the City in a compatible format such as Excel and PDF.

Task 7.0 Preliminary Cost Estimates
DAC via the DACTrak software can provide preliminary cost estimates for each barrier identified in the inspection process. DAC will also collaborate with City staff to determine both local and long-term costing and costing contingencies.

Task 8.0 Final ADA Self-Evaluation and Transition Plan
DAC will assist the City to develop a comprehensive ADA Self-evaluation and Transition plan and will include at a minimum a summary of findings of the self-evaluation of facilities, policies, programs, and practices, the recommendations for remedial measures to correct deficiencies and a methodology for prioritizing barrier remediation, cost estimates for recommended remediation measures, assistance with an implementation schedule that includes milestones or measures of achievement for monitoring implementation, recommendations for procedures and forms for monitoring implementation, recommendations for procedures for periodically reviewing and updating the ADA transition plan, recommendations for procedures and forms for performing evaluations of additional barriers, recommendations for procedures and forms for filing requests for accommodation, a list of references and contact information for ADA and accessibility related resources; and identification of the City official(s) with overall responsibility for implementation of
the plan. DAC will present the draft ADA transition plan and subsequently, the final proposed ADA transition plan findings to City Staff by issuing logins to the DACTrak accessibility management software and conducting and interactive training session via teleconference. DAC can also present the final document to the City Council.

DAC will provide the City with DACTrak online accessibility management software which will allow City staff to review and print standard and custom reports on demand, as well as implement and update the transition plan and schedule of barrier removal overtime. There are no per user seat licenses to access DACTrak, DAC can establish password protected logins to as many City staff as needed. In addition to providing the City with access to DACTrak to view and download reports, DAC can deliver the final self-evaluation and transition plan to the City in multiple formats such as PDF, Microsoft Excel, KML and ESRI Shapefile for available exterior reports. The Executive Summary will be provided to the City in both Word and PDF formats and can also be printed if requested. If the City chooses not to use DACTrak, all data files and project maps and drawings associated with the self-evaluation report and transition plan will be provided to the City in a mutually agreed format. All data collected will be property of the City.

DAC will collaborate with the City to assist in the development of a 10-year CIP budget for accessibility.

2.7 Scope of Work
DAC will complete, at a minimum, the scope of services described in the City’s request for proposal.

Project Management and Meetings
Project Manager
Barbara Thorpe will be designated as the project manager for this project and will manage and coordinate DAC’s services and deliverables to the City.

Kick-Off Meeting
DAC will conduct an initial project kickoff meeting with selected City staff and provide a project management plan.

The kick-off will clarify roles and lines of communication, refine project goals, review the overall project schedule scope and schedule surveys of City facilities, recreational areas and public rights-of-way. The kick-off meeting will also identify key City and DAC personnel related to the project scope. The City’s project Manager and project team will be formally introduced at the kick-off meeting. Information that is needed will be clarified at the initial orientation meeting.

Project Coordination Meetings
DAC will organize multiple meetings with City staff to complete the project requirements. DAC will collaborate and determine optimal number of project coordination meetings with the City that will be completed during the project. These meetings will include the preparation of meeting agendas and distribution of meeting minutes. Progress and Project meetings, agendas, and monthly status meeting schedule will be generated by DAC.

At a minimum DAC shall plan to attend at least three status meetings with City staff. A kick-off meeting, interim progress meeting and a final completions meeting shall be held at a minimum, in addition to any required site visits and City staff meetings needed for self-evaluation investigations and document research. The Consultant shall also plan to attend and present the ADA Transition Plan to the City Council at a public City Council meeting.

Barbara Thorpe will be designated as the project manager and will also serve as policy and program analyst. She will be the DAC contact for the project and serve as the point of contact for the City.

The designated team members that will coordinate the inspection team during the facility reviews will be Michael Boga, Senior Director of Accessibility Services, and Candice Pursch, Director of Accessibility Services. The management approach will include coordination and assistance from DAC
office staff under the direction of Jennie Grover, Director of Administrative Services, and Tim Mahoney, General Manager.

**Progress Reporting**
DAC will provide monthly progress reports to designated City staff members to provide an overview of the progress, milestones, next steps and remaining items to be completed. Progress reports will accompany monthly invoices.

**Project Management Plan (PMP)**
A project management plan (PMP) will be provided by DAC at the project kick-off meeting. The PMP will include, but not be limited to:
- Introduction: background, objectives, approach, project overview
- Project Organization: key personnel, project manager, and discipline leaders’ responsibilities and contact information
- Scope of services & contract document: scope, approach, prime contract, and subcontract documents
- Project design procedures: design standards and criteria, report and drawing list, specification list, design reviews
- Project administrative procedures: filing system, communication protocol, etc.
- Project budget, fee schedule and invoicing formats
- Prevailing wage rates (if applicable)
- City’s RFP
- DAC’s proposal
- Professional Services Agreement
- Any other related project information

**2.8 Schedule**
Based on experience with similar projects, it is estimated that the project completion time will be within 12 months.

**Pricing Proposal**
Per the requirements of the RFP, the pricing proposal is provided in a separate document to the City.
Appendix A – Sample Screen Shots of DACTrak Accessibility Management Software

In addition to the photographs included throughout our proposal, we are also providing additional sample screen shots generated from the DACTrak accessibility management online software program prepared for several public entity clients.

Upon logging in to the secure DACTrak website, you are able to choose the facility you would like to view and manage. This screen shot is an example of a facility list for a recent public entity transition plan project.

After choosing a facility, you are able to use Reports drop down menu to choose which report style to view. You may also choose to view multiple facilities in one report.
The Single Finding and Dual Finding Photo Reports may be exported to an Excel workbook for easy management of the transition plan data. The Excel workbook exports into a pre-formatted table with the filter function atop each data column. The report is a fully functioning Excel spreadsheet that may be sorted, filtered and manipulated by the user. The column for Picture identification numbers includes cells that are live links to the second tab of the workbook which contains report photos. Clicking the cell for a particular report finding will bring up the associated picture on the Photos tab.
**Reports Sort and Filter Panel**

Users are able to customize the report that is generated by making selections in the drop down menus and choice fields.

### Basic Photo Report

Please select the filter criteria and click "Generate Report" to view the Report.

### Single Facility PDF Report Options

DACTrak offers users many different styles of reports to view in a PDF file which can be exported from DACTrak and saved offline for viewing, printing or emailing.

### PDF Report

Please select the filter criteria and click "Generate PDF" to download the Report.

- **Include Costing Information in this Report**

Please select a type of report from the list below and click on Generate PDF:

- Text Report
- Basic Photo Report
- Dual Photo Report
- Summary Report
- Transition Plan Report
- Total Unit Cost Report
- Corrected Items Report
**Single Facility Excel Report Options**

DACTrak also contains options to export reports to an Excel format, which can be customized using the drop down menus and selection fields. The exported Excel report is a fully functioning workbook which can be further manipulated to suit the needs of the user.

**Excel Report**

Please select the filter criteria and click “Generate Excel” to download the Report.

**Multi Facility Excel Report Options**

Excel reports may also be generated to contain findings for more than one facility by using the Multi Facility Report option in DACTrak. This report is able to be customized using the available filter fields. If the user requires a small file size for storage or emailing, the option is available to exclude photos in the generated report.

**Multi Facility Excel Report**

Please select the filter criteria and click “Generate Report” to view the Report. Press and hold the “Ctrl” button to select multiple facilities.
Map Overlay Report
Aerial map reports of non-compliant findings can be viewed in DACTrak. This report plots the locations of the findings on an interactive map. Unique icons identify the different types of findings.

Drilled Down View of Map Overlay Report
Each icon in the map overlay report is a clickable link that will expand to a pop up window identifying the finding. The individual finding information may also be printed from this feature.
Global Progress Editor

Many records are able to be managed and updated with identical information from one screen using the Global Progress Editor. Users choose the records to update and the information that they would like to apply to all chosen records. Once information is entered, the user needs only to click the “Submit” button once to update all chosen records.

Priority Manager

Priority Manager allows users to manage many records on one page, but individually update each record with unique information. Once all selections are made, the user clicks “Submit” to apply all updates.
**Heat Map**

DACTrak also provides an option for viewing locations where there is a high or low concentration of noncompliant findings in a heatmap. The following example shows locations of noncompliant exterior findings at a park, using colored icons. Information about the noncompliant findings can be viewed by clicking on each colored icon to launch an interior window with the descriptions of the findings. The following two examples are heat maps for a park viewed in DACTrak and a signalized intersection exported to Google Earth.

TO: CITY COUNCIL

VIA: CITY ADMINISTRATOR

FROM: DEPUTY CITY ADMINISTRATOR / PUBLIC SERVICES & INFRASTRUCTURE

DATE: MAY 7, 2024

SUBJECT: PROFESSIONAL SERVICES AGREEMENTS FOR ON-CALL CONSTRUCTION MANAGEMENT AND INSPECTION SERVICES (Continued from April 16, 2024 Council Meeting)

FISCAL IMPACT: EXPENSE: $3,000,000 TOTAL CUMULATIVE CONTRACT NOT-TO-EXCEED AMOUNT FOR A TOTAL OF SIX (6) ON-CALL CONTRACTS

REVENUE: VARIOUS CIP PROJECT BUDGETS

SUMMARY:

On January 9, 2024, Staff solicited qualifications from professional construction management firms to create a bench list of professional consultants to provide construction management and inspection services. These services include assisting in the overall delivery of projects, including preconstruction tasks, managing construction, ensuring that the work is completed in accordance with the contract documents, and project closeout and commissioning. A total of seventeen (17) qualification proposal packages were received and after a comprehensive review of each proposal, the top six (6) firms were selected to be placed on an on-call bench list. These firms possess the experience and expertise to deliver construction management and inspection services for the purpose of improving the City's infrastructure. The purpose of having multiple firms on a bench list is to ensure efficient delivery of multiple capital improvement projects many of which may run concurrently.

This action will provide the City with available on-call services for all construction management and inspection services in support of multiple CIP projects over the next 5 years. The City Council recently approved a series of on-call professional services agreements covering numerous disciplines such as civil engineering, architecture and landscape architecture for the purpose of creating consultant bench lists from which to draw professional services on for the City’s various capital projects. Using an on-call bench list allows Staff to advance capital projects more quickly by reducing some of the administrative burden at the outset of a project. This item was originally presented at the April 16, 2024 City Council meeting and the City Council requested Staff to list all of the local projects each firm has completed. Outlined within the attached PowerPoint presentation is a list of said projects. Staff recommends that City Council award contracts to the six (6) firms for a 3-year term with an option for a two-year term extension based upon performance and at the discretion of the City. Each consultant shall serve on an on-call basis with

3.b.
May 7, 2024
a not-to-exceed contract amount of $500,000 each, the cost of which will be charged to individual project budgets and outlined in future City Council reports.

RECOMMENDATION:

It is recommended that City Council take the following actions:

1. Approve a Professional Services Agreement with Infrastructure Engineers, a Bowman company, for professional consulting services to provide construction management and inspection services for a term of three (3) years with one (1) two-year term extension based upon performance and at the discretion of the City, in an amount not-to-exceed $500,000; and

2. Approve a Professional Services Agreement with Berg & Associates, Inc. for professional consulting services to provide construction management and inspection services for a term of three (3) years with one (1) two-year term extension based upon performance and at the discretion of the City, in an amount not-to-exceed $500,000; and

3. Approve a Professional Services Agreement with Ardurra Group, Inc., for professional consulting services to provide on-call professional construction management and inspection services for a term of three (3) years with one (1) two-year term extension based upon performance and at the discretion of the City, in an amount not-to-exceed $500,000; and

4. Approve a Professional Services Agreement with Totum corp. for professional consulting services to provide on-call professional construction management and inspection services for a term of three (3) years with one (1) two-year term extension based upon performance and at the discretion of the City, in an amount not-to-exceed $500,000; and

5. Approve a Professional Services Agreement with Z&K Consultants, Inc., for professional consulting services to provide on-call professional construction management and inspection services for a term of three (3) years with one (1) two-year term extension based upon performance and at the discretion of the City, in an amount not-to-exceed $500,000; and

6. Approve a Professional Services Agreement with NV5, Inc., for professional consulting services to provide on-call professional construction management and inspection services for a term of three (3) years with one (1) two-year term extension based upon performance and at the discretion of the City, in an amount not-to-exceed $500,000; and

7. Authorize the City Administrator to approve any contract term extensions based upon consultant performance and amendments up to 10% of the individual contract not-to-exceed amounts, or $50,000; and

8. Authorize the City Administrator to execute the above-mentioned Professional Services Agreements, in forms approved by the City Attorney.
STRATEGIC PLAN STATEMENT:
There is no specific strategic planning goal or objective associated with this agenda item.

DISCUSSION:

The City plans and budgets for capital projects as a part of the annual CIP budget adoption process. The Budget allocates funds for not only the construction of each project but also for soft costs such as professional services. In preparation for delivery of the City’s various CIP projects, Staff prepared an RFP for on-call professional construction management and inspection services. A total of seventeen (17) proposals were received from qualified consulting firms with extensive experience in construction management and inspection. The cumulative composite score for the top six firm’s proposal is noted below:

Based upon each firm’s extensive experience and expertise in providing professional construction management and inspection services, the top six (6) ranked firms were selected to be included in the on-call consultant bench list. By utilizing more than one firm to provide these services, the City can achieve greater flexibility in delivering capital improvement projects where professional construction management and inspection services are needed. Individual projects are assigned based upon the type of work to be performed as the expertise and experience of each firm will vary. For instance, firms with greater experience managing and inspecting roadway construction would be assigned those types of projects, whereas firms with greater experience in sewer or storm drain construction would provide construction management and inspection services on those types of projects. Assigning projects in this manner will ultimately ensure the individual experience and expertise of each construction management firm are closely matched to the unique scope of work to be completed on each project.

The consultants providing professional construction management and inspection services will work on an on-call basis and the contracts are structured on a time and materials basis, with a not-to-exceed amount. Each firm will submit a separate cost proposal for each project for which they will provide these services. Since payment for these services is on a time and materials
basis, the overall cost to the project is dependent upon the scope and complexity of the project. The hours allocated by each firm to the projects to which they have been assigned is negotiated and based upon actual project need, the cost of which is allocated within individual project budgets and is controlled by the hourly rates provided by each firm. The overall cost to provide professional construction management and inspection services will vary from project to project and is based upon the scope of work of each individual project. It is important to note that the proposed not-to-exceed contract amount for each agreement is an estimate of what the City could potentially pay for these services over an initial contract term of three (3) years. The City Council also recently approved a series of on-call bench list contracts for various professional disciplines such as civil engineering, architecture and landscape architecture services. Utilizing an on-call bench list in this fashion allows capital projects to be delivered faster by reducing some of the administrative burden.

FISCAL IMPACT:

There is no fiscal impact at this time. The cumulative not-to-exceed contract amount for each proposed agreement is $500,000 for a grand total of $3,000,000 across all six (6) proposed contracts. The award of these contracts does not commit the City to expending any funds for construction management and inspection services since the consultants will serve on an on-call, project by project basis. Funds for construction management and inspection services are budgeted as part of individual project budgets funded within the City’s annual CIP Budget.

CITY OF PLACENTIA
PROFESSIONAL SERVICES AGREEMENT
WITH
INFRASTRUCTURE ENGINEERS, A BOWMAN COMPANY

THIS AGREEMENT is made and entered into this 2nd day of April, 2024 (“Effective Date”), by and between the CITY OF PLACENTIA, a municipal corporation (“City”), and Infrastructure Engineers, a Bowman company (“Consultant”).

WITNESSETH:

A. WHEREAS, City proposes to utilize the services of Consultant as an independent contractor to provide on-call construction management and inspection services, as more fully described herein; and

B. WHEREAS, Consultant represents that it is “design professional” as that term is defined by California Civil Code Section 2782.8 and has that degree of specialized expertise contemplated within California Government Code Section 37103, and holds all necessary licenses to practice and perform the services herein contemplated; and

C. WHEREAS, City and Consultant desire to contract for the specific services described in Exhibit “A” (the “Project”) and desire to set forth their rights, duties and liabilities in connection with the services to be performed; and

D. WHEREAS, no official or employee of City has a financial interest, within the provisions of Sections 1090-1092 of the California Government Code, in the subject matter of this Agreement; and

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein, the parties hereby agree as follows:

1.0. SERVICES PROVIDED BY CONSULTANT

1.1. Scope of Services. Consultant shall provide the professional services described in the Consultant’s Proposal (“Proposal”), attached hereto as Exhibit “A” and incorporated herein by this reference.

1.2. Professional Practices. All professional services to be provided by Consultant pursuant to this Agreement shall be provided by personnel experienced in their respective fields and in a manner consistent with the standards of care, diligence and skill ordinarily exercised by professional consultants in similar fields and circumstances in accordance with sound professional practices, and with credentials as a Certified Access Specialist under Subchapter 2.5 of Title 21 of the California Code of Regulations. Consultant also warrants that it is familiar with all laws that may affect its performance of this Agreement and shall advise City of any changes in any laws that may affect Consultant’s performance of this Agreement. Consultant shall keep itself informed of State and Federal laws and regulations which in any manner affect those employed by it or in any way affect the performance of its service pursuant to this Agreement. The Consultant shall at all times observe and comply with all such laws and regulations. Officers and employees shall not be liable at law or in equity occasioned by failure of the Consultant to comply with this section. Consultant also warrants that it has ownership of all intellectual property being provided under this Agreement.

1.3. Performance to Satisfaction of City. Consultant agrees to perform all the work to the complete satisfaction of the City and within the hereinafter specified. Evaluations of the work will be done by the City Administrator or his or her designee. If the quality of work is not satisfactory, City in its discretion has the right to:

Infrastructure Engineers, a Bowman company
(a) Meet with Consultant to review the quality of the work and resolve the matters of concern;

(b) Require Consultant to repeat the work at no additional fee until it is satisfactory; and/or

(c) Terminate the Agreement as hereinafter set forth.

1.4. Warranty. Consultant warrants that it shall perform the services required by this Agreement in compliance with all applicable Federal and California employment laws, including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers’ compensation insurance and safety in employment; and all other Federal, State and local laws and ordinances applicable to the services required under this Agreement. Consultant shall indemnify and hold harmless City from and against all claims, demands, payments, suits, actions, proceedings, and judgments of every nature and description including attorneys’ fees and costs, presented, brought, or recovered against City for, or on account of any liability under any of the above-mentioned laws, which may be incurred by reason of Consultant’s performance under this Agreement.

1.5. Non-discrimination. In performing this Agreement, Consultant shall not engage in, nor permit its agents to engage in, discrimination in employment of persons because of their race, religion, color, national origin, ancestry, age, physical handicap, medical condition, marital status, sexual gender or sexual orientation, except as permitted pursuant to Section 12940 of the Government Code. Such actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. Consultant agrees to post in conspicuous places, available to employees and applicants for employment, a notice setting forth provisions of this non-discrimination clause.

Consultant shall, in all solicitations and advertisements for employees placed by, or on behalf of Consultant shall state that all qualified applicants will receive consideration for employment without regard to age, race, color, religion, sex, marital status, national origin, or mental or physical disability. Consultant shall cause the paragraphs contained in this Section to be inserted in all subcontracts for any work covered by the Agreement, provided that the foregoing provisions shall not apply to subcontracts for standard commercial supplies or raw materials.

1.6. Non-Exclusive Agreement. Consultant acknowledges that City may enter into agreements with other consultants for services similar to the services that are subject to this Agreement or may have its own employees perform services similar to those services contemplated by this Agreement.

1.7. Delegation and Assignment. This is a personal service contract, and the duties set forth herein shall not be delegated or assigned to any person or entity without the prior written consent of City. Consultant may engage a subcontractor(s) as permitted by law and may employ other personnel to perform services contemplated by this Agreement at Consultant’s sole cost and expense. All insurance requirements contained in this Agreement are independently applicable to any and all subcontractors that Consultant may engage during the term of this Agreement.

1.8. Confidentiality. Employees of Consultant in the course of their duties may have access to financial, accounting, statistical, and personnel data of private individuals and employees of City. Consultant covenants that all data, documents, discussion, or other information developed or received by Consultant or provided for performance of this Agreement are deemed confidential and shall not be disclosed by Consultant without written authorization by City. City shall grant such authorization if disclosure is required by law. All City data shall be returned to City upon the termination of this Agreement. Consultant’s covenant under this Section shall survive the termination of this Agreement.
2.0. COMPENSATION AND BILLING

2.1. **Compensation.** Consultant shall be paid in accordance with the fee schedule set forth in Exhibit “A”. Consultant’s total compensation shall not exceed Five Hundred Thousand Dollars ($500,000), unless authorized herein.

2.2. **Additional Services.** Consultant shall not receive compensation for any services provided outside the scope of services specified in the Consultant’s Proposal or which is inconsistent with or in violation of the provisions of this Agreement unless the City or the Project Manager for this Project, prior to Consultant performing the additional services, approves such additional services in writing. It is specifically understood that oral requests and/or approvals of such additional services or additional compensation shall be barred and are unenforceable. Should the City request in writing additional services that increase the hereinabove described “SCOPE OF SERVICES”, an additional fee based upon the Consultant’s standard hourly rates shall be paid to the Consultant for such additional services. Such increase in additional fees shall be limited to 25% of the total contract sum or $25,000 whichever is more. The City Engineer is authorized to approve a Change Order for such additional services.

2.3. **Method of Billing.** Consultant may submit invoices to the City for approval on a progress basis, but no more often than two times a month. Said invoice shall be based on the total of all Consultant’s services which have been completed to City’s sole satisfaction. City shall pay Consultant’s invoice within forty-five (45) days from the date City receives said invoice. Each invoice shall describe in detail, the services performed, the date of performance, and the associated time for completion. Any additional services approved and performed pursuant to this Agreement shall be designated as “Additional Services” and shall identify the number of the authorized change order, where applicable, on all invoices.

2.4. **Records and Audits.** Records of Consultant’s services relating to this Agreement shall be maintained in accordance with generally recognized accounting principles and shall be made available to City or its Project Manager for inspection and/or audit at mutually convenient times for a period of three (3) years from the Effective Date.

3.0. TIME OF PERFORMANCE

3.1. **Commencement and Completion of Work.** The professional services to be performed pursuant to this Agreement shall commence within five (5) days from the Effective Date of this Agreement. Said services shall be performed in strict compliance with the Project Schedule approved by City as set forth in Exhibit “A”.

3.2. **Excusable Delays.** Neither party shall be responsible for delays or lack of performance resulting from acts beyond the reasonable control of the party or parties. Such acts shall include, but not be limited to, acts of God, fire, strikes, material shortages, compliance with laws or regulations, riots, acts of war, or any other conditions beyond the reasonable control of a party. If a delay beyond the control of the Consultant is encountered, a time extension may be mutually agreed upon in writing by the City and the Consultant. The Consultant shall present documentation satisfactory to the City to substantiate any request for a time extension.

4.0. TERM AND TERMINATION

4.1. **Term.** This Agreement shall commence on the Effective Date and continue for a period of 3 years, ending on April 92, 2027 unless previously terminated as provided herein or as otherwise agreed to in writing by the parties. One (1) two-year extension is available based on Consultant performance and at the discretion of the City. Approval of the term extension is contingent upon City Council review and approval at the conclusion of the initial three-years.

4.2. **Notice of Termination.** The City reserves and has the right and privilege of canceling,
suspension or abandoning the execution of all or any part of the work contemplated by this Agreement, with or without cause, at any time, by providing at least fifteen (15) days prior written notice to Consultant. The termination of this Agreement shall be deemed effective upon receipt of the notice of termination. In the event of such termination, Consultant shall immediately stop rendering services under this Agreement unless directed otherwise by the City. If the City suspends, terminates or abandons a portion of this Agreement such suspension, termination or abandonment shall not make void or invalidate the remainder of this Agreement.

If the Consultant defaults in the performance of any of the terms or conditions of this Agreement, it shall have ten (10) days after service upon it of written notice of such default in which to cure the default by rendering a satisfactory performance. In the event that the Consultant fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

The City shall have the right, notwithstanding any other provisions of this Agreement, to terminate this Agreement, at its option and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement, immediately upon service of written notice of termination on the Consultant, if the latter should:

a. Be adjudged a bankrupt;
b. Become insolvent or have a receiver of its assets or property appointed because of insolvency;
c. Make a general assignment for the benefit of creditors;
d. Default in the performance of any obligation or payment of any indebtedness under this Agreement;
e. Suffer any judgment against it to remain unsatisfied or unbonded of record for thirty (30) days or longer; or
f. Institute or suffer to be instituted any procedures for reorganization or rearrangement of its affairs.

4.3. Compensation. In the event of termination, City shall pay Consultant for reasonable costs incurred and professional services satisfactorily performed up to and including the date of City’s written notice of termination within thirty-five (35) days after service of the notice of termination. Compensation for work in progress shall be prorated based on the percentage of work completed as of the effective date of termination in accordance with the fees set forth herein. In ascertaining the professional services actually rendered hereunder up to the effective date of termination of this Agreement, consideration shall be given to both completed work and work in progress, to complete and incomplete drawings, and to other documents pertaining to the services contemplated herein whether delivered to the City or in the possession of the Consultant. City shall not be liable for any claim of lost profits.

4.4. Documents. In the event of termination of this Agreement, all documents prepared by Consultant in its performance of this Agreement including, but not limited to, finished or unfinished design, development and construction documents, data studies, drawings, maps and reports, shall be delivered to the City within ten (10) days of delivery of termination notice to Consultant, at no cost to City. Any use of uncompleted documents without specific written authorization from Consultant shall be at City’s sole risk and without liability or legal expense to Consultant.

5.0. INSURANCE

5.1. Minimum Scope and Limits of Insurance. Consultant shall obtain, maintain, and keep in full force and effect during the life of this Agreement all the following minimum scope of insurance

Infrastructure Engineers, a Bowman company
coverages with an insurance company admitted to do business in California, rated “A,” Class X, or better in the most recent Best’s Key Insurance Rating Guide, and approved by City:

(a) Broad-form commercial general liability, in a form at least as broad as ISO from #CG 00 01 04 13, including premises-operations, products/completed operations, broad form property damage, blanket contractual liability, independent contractors, personal injury or bodily injury with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or shall be twice the required occurrence limit. If Consultant maintains higher limits that the specified minimum limits, City requires and shall be entitled to coverage for the high limits maintained by the Consultant.

(b) Business automobile liability for owned vehicles, hired, and non-owned vehicles, with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, each incident for bodily injury and property damage.

(c) Workers’ compensation insurance as required by the State of California and Employers Liability Insurance with a minimum limit of $1,000,000 per accident for any employee or employees of Consultant. Consultant agrees to waive, and to obtain endorsements from its workers’ compensation insurer waiving subrogation rights under its workers’ compensation insurance policy against the City, its officers, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its subcontractors, if any, to do likewise under their workers’ compensation insurance policies.

Before execution of this Agreement by the City, the Consultant shall file with the Public Works Director/City Engineer the following signed certification:

I am aware of, and will comply with, Section 3700 of the Labor Code, requiring every employer to be insured against liability of Workers’ Compensation or to undertake self-insurance before commencing any of the work.

The Consultant shall also comply with Section 3800 of the Labor Code by securing, paying for and maintaining in full force and effect for the duration of this Agreement, complete Workers’ Compensation Insurance, and shall furnish a Certificate of Insurance to the Public Works Director/City Engineer before execution of this Agreement by the City. The City, its officers and employees shall not be responsible for any claims in law or equity occasioned by failure of the consultant to comply with this section.

(d) Professional errors and omissions (“E&O”) liability insurance with policy limits of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence and aggregate. Architects’ and engineers’ coverage shall be endorsed to include contractual liability. If the policy is written as a “claims made” policy, the retro date shall be prior to the start of the contract work. Consultant shall obtain and maintain, said E&O liability insurance during the life of this Agreement and for three years after completion of the work hereunder.

Neither the CITY nor any of its elected or appointed officials, officers, agents, employees, or volunteers makes any representation that the types of insurance and the limits specified to be carried by Consultant under this Agreement are adequate to protect Consultant. If Consultant believes that any such insurance coverage is insufficient, Consultant shall provide, at its own expense, such additional insurance as Consultant deems adequate.
5.2. **Endorsements.** The commercial general liability insurance policy and business automobile liability policy shall contain or be endorsed to contain the following provisions as worded below.

(a) **Additional insureds:** "The City of Placentia and its elected and appointed boards, officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of the Consultant pursuant to its contract with the City; products and completed operations of the Consultant; premises owned, occupied or used by the Consultant; automobiles owned, leased, hired, or borrowed by the Consultant."

(b) **Notice:** "Consultant shall provide immediate written notice if (1) any of the required insurance policies is terminated; (2) the limits of any of the required polices are reduced; (3) or the deductible or self-insured retention is increased. In the event of any cancellation or reduction in coverage or limits of any insurance, Consultant shall forthwith obtain and submit proof of substitute insurance. Should Consultant fail to immediately procure other insurance, as specified, to substitute for any canceled policy, the City may procure such insurance at Consultant's sole cost and expense."

(c) **Other insurance:** "The Consultant's insurance coverage shall be primary insurance as respects the City of Placentia, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of Placentia shall be excess and not contributing with the insurance provided by this policy."

(d) **Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of Placentia, its officers, officials, agents, employees, and volunteers.**

(e) **The Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.**

5.3. **Deductible or Self-Insured Retention.** If any of such policies provide for a deductible or self-insured retention to provide such coverage, the amount of such deductible or self-insured retention shall be approved in advance by City. No policy of insurance issued as to which the City is an additional insured shall contain a provision which requires that no insured except the named insured can satisfy any such deductible or self-insured retention.

5.4. **Certificates of Insurance.** Consultant shall provide to City certificates of insurance showing the insurance coverages and required endorsements described above, in a form and content approved by City, prior to performing any services under this Agreement. The certificates of insurance and endorsements shall be attached hereto as Exhibit "B" and incorporated herein by this reference.

5.5. **Non-limiting.** Nothing in this Section shall be construed as limiting in any way, the indemnification provision contained in this Agreement, or the extent to which Consultant may be held responsible for payments of damages to persons or property.

6.0. **GENERAL PROVISIONS**

6.1. **Entire Agreement.** This Agreement constitutes the entire agreement between the parties with respect to any matter referenced herein and supersedes any and all other prior writings and oral negotiations. This Agreement may be modified only in writing and signed by the parties in interest at the time of such modification. The terms of this Agreement shall prevail over any inconsistent provision in any other contract document appurtenant hereto, including exhibits to this Agreement.
6.2. **Representatives.** The City Administrator or his or her designee shall be the representative of City for purposes of this Agreement and may issue all consents, approvals, directives and agreements on behalf of the City, called for by this Agreement, except as otherwise expressly provided in this Agreement.

Consultant shall designate a representative for purposes of this Agreement who shall be authorized to issue all consents, approvals, directives and agreements on behalf of Consultant called for by this Agreement, except as otherwise expressly provided in this Agreement.

6.3. **Project Managers.** City shall designate a Project Manager to work directly with Consultant in the performance of this Agreement. It shall be the Consultant’s responsibility to assure that the Project Manager is kept informed of the progress of the performance of the services and the Consultant shall refer any decision, which must be made by City, to the Project Manager. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Project Manager.

Consultant shall designate a Project Manager who shall represent it and be its agent in all consultations with City during the term of this Agreement and who shall not be changed by Consultant without the express written approval by the City. Consultant or its Project Manager shall attend and assist in all coordination meetings called by City.

6.4. **Notices.** Any notices, documents, correspondence or other communications concerning this Agreement, or the work hereunder may be provided by personal delivery, facsimile or if mailed, shall be addressed as set forth below and placed in a sealed envelope, postage prepaid, and deposited in the United States Postal Service. Such communication shall be deemed served or delivered: a) at the time of delivery if such communication is sent by personal delivery; b) at the time of transmission if such communication is sent by facsimile; and c) 72 hours after deposit in the U.S. Mail as reflected by the official U.S. postmark if such communication is sent through regular United States mail.

Attn: Chris Tanio

6.5. **Attorneys’ Fees.** In the event that litigation is brought by any party in connection with this Agreement, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys’ fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any of the terms, conditions, or provisions hereof.

6.6. **Governing Law.** This Agreement shall be governed by and construed under the laws of the State of California without giving effect to that body of laws pertaining to conflict of laws. In the event of any legal action to enforce or interpret this Agreement, the parties hereto agree that the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California. Consultant agrees to submit to the personal jurisdiction of such court in the event of such action.

6.7. **Assignment.** Consultant shall not voluntarily or by operation of law assign, transfer, sublet or encumber all or any part of Consultant's interest in this Agreement without City's prior written consent. Any attempted assignment, transfer, subletting or encumbrance shall be void and shall constitute a breach of this Agreement and cause for termination of this Agreement. Regardless of City's consent, no subletting or assignment shall release Consultant of Consultant's obligation to perform all other
obligations to be performed by Consultant hereunder for the term of this Agreement.

6.8. **Indemnification and Hold Harmless.** Consultant agrees to defend, indemnify, hold free and harmless the City, its elected and appointed officials, officers, agents and employees, at Consultant’s sole expense, from and against any and all claims, demands, actions, suits or other legal proceedings arising out of, pertaining to, or relating to the negligence, recklessness, or willful misconduct of Consultant brought against the City, its elected and appointed officials, officers, agents and employees arising out of the performance of the Consultant, its employees, and/or authorized subcontractors, of the work undertaken pursuant to this Agreement. The defense obligation provided for hereunder shall apply without any advance showing of negligence, recklessness, or willful misconduct by the Consultant, its employees, and/or authorized subcontractors, but shall be required whenever any claim, action, complaint, or suit asserts as its basis the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors, and/or—whenever any claim, action, complaint or suit asserts liability against the City, its elected and appointed officials, officers, agents and employees based upon the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors under this Agreement, whether or not the Consultant, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable. Notwithstanding the foregoing, the Consultant shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City’s specifications or Consultant’s Proposal, which shall be of no force and effect.

6.9. **Independent Contractor.** Consultant is and shall be acting at all times as an independent contractor and not as an employee of City. Consultant shall have no power to incur any debt, obligation, or liability on behalf of City or otherwise act on behalf of City as an agent. Neither City nor any of its agents shall have control over the conduct of Consultant or any of Consultant’s employees, except as set forth in this Agreement. Consultant shall not, at any time, or in any manner, represent that it or any of its or employees are in any manner agents or employees of City. Consultant shall secure, at its sole expense, and be responsible for any and all payment of Income Tax, Social Security, State Disability Insurance Compensation, Unemployment Compensation, and other payroll deductions for Consultant and its officers, agents, and employees, and all business licenses, if any are required, in connection with the services to be performed hereunder. Consultant shall indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant further agrees to indemnify and hold City harmless from any failure of Consultant to comply with the applicable worker’s compensation laws. City shall have the right to offset against the amount of any fees due to Consultant under this Agreement any amount due to City from Consultant as a result of Consultant’s failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

6.10. **PERS Eligibility Indemnification.** In the event that Consultant or any employee, agent, or subcontractor of Consultant providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Consultant shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant further agrees to indemnify and hold City harmless from any failure of Consultant to comply with the applicable worker’s compensation laws. City shall have the right to offset against the amount of any fees due to Consultant under this Agreement any amount due to City from Consultant as a result of Consultant’s failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

6.11. **Cooperation.** In the event any claim or action is brought against City relating to Consultant’s performance or services rendered under this Agreement, Consultant shall render any
reasonable assistance and cooperation which City might require.

6.12. **Ownership of Documents.** All findings, reports, documents, information and data including, but not limited to, computer tapes or discs, preliminary notes, working documents, files and tapes furnished or prepared by Consultant or any of its subcontractors in the course of performance of this Agreement, shall be and remain the sole property of City. Consultant agrees that any such documents or information shall not be made available to any individual or organization without the prior consent of City but shall be made available to the City within ten (10) days of request or within ten (10) days of termination. Any use of such documents for other projects not contemplated by this Agreement, and any use of incomplete documents, shall be at the sole risk of City and without liability or legal exposure to Consultant. City shall indemnify and hold harmless Consultant from all claims, damages, losses, and expenses, including attorneys’ fees, arising out of or resulting from City’s use of such documents for other projects not contemplated by this Agreement or use of incomplete documents furnished by Consultant. Consultant shall deliver to City any findings, reports, documents, information, data, preliminary notes and working documents, in any form, including but not limited to, computer tapes, discs, files audio tapes or any other Project related items as requested by City or its authorized representative, at no additional cost to the City. Consultant or Consultant’s agents shall execute such documents as may be necessary from time to time to confirm City’s ownership of the copyright in such documents.

6.13. **Public Records Act Disclosure.** Consultant has been advised and is aware that this Agreement and all reports, documents, information and data, including, but not limited to, computer tapes, discs or files furnished or prepared by Consultant, or any of its subcontractors, pursuant to this Agreement and provided to City may be subject to public disclosure as required by the California Public Records Act (California Government Code Section 6250 et seq.). Exceptions to public disclosure may be those documents or information that qualify as trade secrets, as that term is defined in the California Government Code Section 6254.7, and of which Consultant informs City of such trade secret. The City will endeavor to maintain as confidential all information obtained by it that is designated as a trade secret. The City shall not, in any way, be liable or responsible for the disclosure of any trade secret including, without limitation, those records so marked if disclosure is deemed to be required by law or by order of the Court.

6.14. **Conflict of Interest.** Consultant and its officers, employees, associates and subconsultants, if any, will comply with all conflict of interest statutes of the State of California applicable to Consultant’s services under this agreement, including, but not limited to, the Political Reform Act (Government Code Sections 81000, et seq.) and Government Code Section 1090. During the term of this Agreement, Consultant and its officers, employees, associates and subconsultants shall not, without the prior written approval of the City Representative, perform work for another person or entity for whom Consultant is not currently performing work that would require Consultant or one of its officers, employees, associates or subconsultants to abstain from a decision under this Agreement pursuant to a conflict of interest statute.

6.15. **Responsibility for Errors.** Consultant shall be responsible for its work and results under this Agreement. Consultant, when requested, shall furnish clarification and/or explanation as may be required by the City’s representative, regarding any services rendered under this Agreement at no additional cost to City. In the event that an error or omission attributable to Consultant occurs, then Consultant shall, at no cost to City, provide all necessary design drawings, estimates and other Consultant professional services necessary to rectify and correct the matter to the sole satisfaction of City and to participate in any meeting required with regard to the correction.

6.16. **Prohibited Employment.** Consultant will not employ any regular employee of City while this Agreement is in effect.

6.17. **Order of Precedence.** In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this...
Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and those of any such provision or provisions so incorporated by reference, the conflict shall be resolved by giving precedence in the following order, if applicable: This Agreement, the City’s Request for Proposals, the Consultant’s Proposal.

6.18. Costs. Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.

6.19. No Third Party Beneficiary Rights. This Agreement is entered into for the sole benefit of City and Consultant and no other parties are intended to be direct or incidental beneficiaries of this Agreement and no third party shall have any right in, under or to this Agreement.

6.20. Headings. Paragraphs and subparagraph headings contained in this Agreement are included solely for convenience and are not intended to modify, explain or to be a full or accurate description of the content thereof and shall not in any way affect the meaning or interpretation of this Agreement.

6.21. Construction. The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. There shall be no presumption or burden of proof favoring or disadvantaging any party by virtue of the authorship of any of the provisions of this Agreement.

6.22. Amendments. Only a writing executed by the parties hereto or their respective successors and assigns may amend this Agreement.

6.23. Waiver. The delay or failure of either party at any time to require performance or compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of those rights to require such performance or compliance. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom enforcement of a waiver is sought. The waiver of any right or remedy in respect to any occurrence or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a continuing waiver.

6.24. Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial benefit of the bargain for any party, is materially impaired, which determination made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.

6.25. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original. All counterparts shall be construed together and shall constitute one agreement.

6.26. Corporate Authority. The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by doing so the parties hereto are formally bound to the provisions of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective authorized officers, as of the date first above written.

RE: RFP No. PW-24-01 On-Call Construction Management and Inspection Services

Dear Mr. Tanio:

Infrastructure Engineers (IE), a Bowman company is honored to provide our qualifications for On-Call Construction Management and Inspection Services. IE has a reputation of meeting the expectations of our clients by employing experienced staff who understand construction management and inspection and have a solid foundation of the inner workings of the municipal office and public works process. Over 90% of our staff have worked for city governments as employees. We believe IE is your best choice to provide the requested services for the following reasons:

Masoud Sepahi, PE, LEED GA, our proposed Project Manager has held various leadership positions in managing a variety of projects for major public works programs. As the City Engineer for the City of Placentia, he was responsible for delivery of many capital projects, and he has first-hand knowledge of the city’s standards, municipal codes and the city’s current capital improvement programs. Masoud is currently assisting the city with management of the Golden Avenue Bridge and the Crowther Sewer Replacement projects, and he is eager to continue serving the city with the same degree of commitment as he has done over the last seven years. Masoud is a true advocate of the city and he believes in the city’s vision to make this city a better & safer place for the residents and at the same time creating opportunities for businesses to thrive. IE staff exclusively service local agencies and have an extensive history of successfully providing a wide range of services. Our experience minimizes any training for managing CIP projects, which results in cost savings to our clients. We encourage the city to contact our references and confirm our successful track record with each client that we have had the privilege of working for. We are local and our headquarters is minutes from Placentia’s city hall. We understand the city is often faced with budget constraints. IE has a history of successfully delivering projects with very limited budgets. We are committed to working with the city to keep your project on time and within budget. Due to our experience dealing with many complex development projects, we bring fresh, new ideas to solve challenging issues facing any development project. Our staff rises to these occasions by working collaboratively with the city to find sound engineering design solutions. We possess the talent and capabilities to provide the city with the services described in the RFP while maintaining your strict budgeting priorities.

As an officer of the firm, I am authorized to negotiate and contractually bind and extend the terms of our proposal. I acknowledge receipt of all addenda in relation to this RFP and this proposal will remain valid for a period of not less than 90 days from the date of submittal. Masoud Sepahi, will serve as the Project Manager and contact person throughout the evaluation period and will be responsible for the services listed in the RFP. Masoud can be reached by phone at 949.375.6599, or by email at msepahi@bowman.com. We thank you for this opportunity to be of service to the City of Placentia.

Sincerely,

Sid Mousavi, MSCE, PE
Senior Principal
Signature Requirements

Per the RFP, our cover letter is signed by an officer empowered by IE to sign such material and thereby commit IE to the obligations contained in this RFP response. Further, the signing and submission of our response indicates our intention to adhere to the provisions described in the RFP and a commitment to enter into a binding contract.
Executive Summary

We have reviewed and studied the city’s current Capital Improvement Projects and complied an experienced team, with key personnel that have worked on dozens of similar projects. Masoud Sepahi, PE, LEED GA, our proposed Project Manager, will be the single point of contact for the city on this contract. Masoud believes that the most important tool for any successful project is clear and consistent communication throughout the entire project duration. As the City Engineer, Director of Construction Management, Masoud has managed numerous traffic and roadway improvement projects in addition to various complex buildings and facilities construction and renovations. He will communicate regularly with the city and initiate conversations with the contractor on a comprehensive work plan, to ensure the project proceeds on time and on budget.

Our proposed Construction Managers (CMs), Arjan Idnani, Homayoun Behboodi, Hormoz Vahid, Mike Kapanpour and Michael Aminian have many years of experience with various improvements including roadway rehabilitation, traffic signal upgrades, parks, city facilities, utility installations and many other types of capital projects, which the city plans to construct. Our CMs will be assisted by our Inspectors; Imad Zureiqat, Christopher Koontz, Anselo Ybarra, Miguel Hernandez and Malcom Weatherbie. Our CMs and inspectors have worked together on many other projects and they make an outstanding and responsive team. We have also included Cindy Guerrero to our team to assist the city with any public outreach that may be needed. Cindy will work with the city to establish a positive relationship between the construction team and to keep the residents informed of the city’s goals and objectives. Cindy has assisted our clients in this role and she is an important part of our management team. As a common practice, Cindy attends council meetings for all the cities that we serve, to listen and learn about the challenges and the issues on the projects and the community.

Our team is also complemented by Epic Land Solutions, who will be assisting us with right-of-way and property appraisals, Southwest Inspection & Testing for providing deputy inspection services. Southwest was the consultant used on many of the city’s utility work associated with private developments and they are familiar with the city’s codes and standards. We also have On Point Land Surveying for surveying work and P.A. & Associates for geotechnical engineering. As part of our team, we are introducing Jay Shih, who will be assisting the city with ADA design review and inspection for all ADA improvements. Jay Shih possesses certification in many ICC codes, in addition to being a certified CASp. Our team is also be assisted by our project administrator, Nathan Kirby for handling many of the administrative task involved with management of the submittals, RFIs, payment requests, labor compliance and other important documents related to the grant funding documentations.

As the Director for IE’s construction management services, Masoud will intimately oversee and lead our entire team for every task that we will be assigned to by the city over the entire contract duration. Masoud will also be the construction manager for the city’s building and facilities projects. Masoud has managed construction on many complex building projects, some of which were very similar to the types and complexity of the ones coming up for the City of Placentia. With this team, we believe the city has all the expertise that are needed for your upcoming capital projects.

The following organizational chart shows the depth and breadth of our team, where we have included staff that bring many years of experience delivering capital projects on time and on budget. We understand that the city will need construction management and inspection services for various types of projects, including, roadway rehabilitation, slurry seal, parks, City Hall renovation & upgrading, and a bridge over the Carbon Canyon on Golden Avenue. For the bridge construction, Masoud has hand selected a construction manager who has managed numerous bridges and overpasses. Michael Amanian is a seasoned bridge expert, who is ready to assist the city with construction of the upcoming bridge project. We have also included Arjan Idnani, who has managed numerous roadway improvement projects, including two major streetscape programs as well as parks and city facilities. Arjan is supported by other construction managers and our seasoned inspectors.

*AVAILABILITY: Construction Managers and Inspectors will be available to start projects upon the city’s request. Our staff will be available 100% once assigned.*
Include contact information.

Masoud Sepahi, will serve as the Project Manager and the main point of contact for the city and can be reached by phone at 949.375.6599, or by email at msepahi@bowman.com.

Provide a brief summary of the Prime firm’s history and experience providing the requested services on similarly sized and scoped projects.

Since our founding in 1994, IE has been committed to excellence. We stand behind our reputation to provide only the highest level of products and services to the cities we serve. For the past 29 years, our pursuit of excellence has shown us that one way we can be the best for our clients is to offer a broad spectrum of services. **IE was established to provide professional engineering and municipal services to cities in Southern California.** From the beginning, we have been committed to making a difference in the communities we serve by helping cities maintain and improve their infrastructure and by supporting their capital improvement programs. Our clients continue to see consistency in engineering design protocols, project management practices, staff familiarity, and complete understanding of a project, since we take projects from initial concept design through construction and final acceptance by the City Council. Our staff of professionals have been employees of cities or have been in managing or supporting roles as out-sourced contractors to cities, many of whom have served as city staff for decades. **Our team thoroughly understands city operations, budgets, and priorities which allows us to be a strong advocate for the City of Placentia.** Because assisting cities is all we do, we know your concerns about schedules, budgets, and keeping change orders to an absolute minimum. We consider these matters in every project that we engineer and oversee. And because we take our clients’ projects from preliminary design through construction, we know how to manage and overcome challenges on any type of capital improvement project. **We believe IE is the best choice for the City of Placentia because we offer a proven track record of delivering successful projects for many other cities.** Within the past two years alone, we have completed projects under Master Services Agreements (MSA’s) with the following California cities:

- City of Huntington Park - SB1 Street Enhancement Project FY 20 / 21 (seven streets)
- City of Baldwin Park - SB1 Street Improvement and Rehabilitation Project FY18 / 19 (two streets)
- City of Baldwin Park - SB1 Fund Street Rehabilitation Project
- City of Baldwin Park - SB1, Puente Avenue / Garvey Avenue
- City of Baldwin Park - Various Streets FY 17 / 18 (16 streets)
- City of Bell Gardens - SB1 Fund Various Street Improvement Project (15 streets)
- City of Bell Gardens – Gage Street (three segments)
- City of Hawaiian Gardens – Various Streets (six streets)
- City of Hawaiian Gardens – SB1 Various Streets, FY 19 / 20 (17 streets)
- City of Brea - Miscellaneous Alley and Sewer Projects
- City of Lynwood – Los Flores Boulevard Street and Median Island Improvements
- City of Manhattan Beach - Sewer and Water Main Replacement Project

Include a summary of the firm’s experience, if any, with the City of Placentia.

Currently, we are managing two projects for the City of Placentia, the Crowther Sewer Replacement and the Golden Avenue Bridge projects. Masoud is assisting the city with managing both of these projects and he looks for an opportunity to continue serving the city on the upcoming roadway rehabilitation and building renovation projects. Iraj Mansouri of IE is also providing plan checking for the Development Services Department.

“2023 American Public Works Association (APWA) Southern California Chapter Project of the Year” in the Recreation and Athletic Facilities category.

The trail features a hot mix asphalt (HMA) bike path, seamlessly integrated curb and gutters and curb ramps to ensure accessibility for all. Retaining walls and concrete swales enhance both functionality and aesthetics, while concrete box culverts and permeable pavers contribute to efficient water management. The project also provided amenities such as drinking fountains, pedestrian lighting, bike racks, bike path signs, wayfinding, and interpretive signs along the bike trail. One of the important aspects of the project was the addition of more than 250 trees in between the new landscaping of more than 7,000 new shrubs.

The project was completed on time and within budget.

Description
“2021 American Public Works Association (APWA) Southern California Chapter Project of the Year” award winner.

Our team provided construction management and inspection services on this project to widen Montebello Boulevard to accommodate a new class II bike lane on the easterly side of the boulevard. Activities included the excavation of approximate 8,000 CY of dirt to make room for the widening required; construction of 5-ft high retaining wall; installation of a raised PCC medians with decorative percolation system and landscaping; traffic signals upgrades; construction of a reclaimed water line from Lincoln Avenue to Jefferson Avenue; relocation of water lines, gas lines and streetlights; grind and overlay of approximately 500,000 sq. ft. ground and 10,000 T of AC; new thermoplastic striping; coordination with Fish and Wild Life to protect nesting of birds due to the potential impact of the roadway widening adjacent to a natural reserve along; coordination was also necessary with SCE for the removal and re-installation of streetlights.

The project was completed on time and within budget.

**Description**  
“2020 American Public Works Association (APWA) Southern California Chapter Project of the Year” award winner.

Our team provided construction management, inspection, and labor compliance for this project that involved roadway resurfacing of 192,779 sq. ft. with a section of 2-in AC top course and 1-in AC leveling course and 40,000 sq. ft. with a section of 2-inch of asphalt rubber hot mix (ARHM) over ½-in SAMI sealant and 1-in leveling course. Concrete improvements included 4-in sidewalk, driveway approaches, cross gutters, curb and gutter, curb ramps, installation of 16 detectable warning surfaces on existing curb ramps, and construction of six new bus pads. Our inspectors provided compliance with plans, specifications, and the contract; oversaw traffic control, and provided daily log and inspection report entries, including pictures of the project. Reviewed and reported contractor claims, prepared weekly update reports, and reviewed contractor’s invoices, verified completed work and approved all quantities.

The project was completed on time and within budget.
Understanding & Approach
Understanding & Approach

DETAILED WORK PLAN FOR CONSTRUCTION MANAGEMENT & INSPECTION SERVICES
The City of Placentia has a robust Capital Improvement Program (CIP), which includes projects in various categories. Infrastructure Engineers was established with a prime objective to assist municipalities with a seamless and quality service. Our approach has always been to provide a comprehensive array of professional services to our city clients. To this end, IE was organized to assist Cities with every type of service that is required for the city to maintain and support the city's infrastructure. This unique approach has enabled us to serve our clients seamlessly and at the same time grow in the communities where we live and work. We are committed to supporting our clients and we look forward to doing the same for the City of Placentia.

IE is essentially divided into two groups, civil design / environmental, and project management and construction management services. We have the advantage of utilizing our capabilities and resources interchangeably without any barriers, where we collaborate to provide our clients with one-stop shop services, helping our clients manage their projects quickly and effectively. As of June 12, 2023, Infrastructure Engineers (IE) has officially joined Bowman. Bowman is a national professional services firm offering multi-disciplinary engineering, planning, surveying, geomatics, construction management, structural design, MEP, fire / life safety systems, environmental consulting, landscape architecture, and right-of-way acquisition. This merger provides both companies with a stronger foundation to provide our clients with even more resources and technical capabilities, while offering the same level of commitment to our clients and employees.

Our approach starts with meeting with our clients to truly understand their needs and to get to know the project's background, budget and schedule in addition to any specific challenge that might exist. This will allow our team to form the right plan for managing the projects in the most efficient and cost-effective way possible. We will then be able to formulate the right team for delivering projects by assigning work to our experienced knowledgeable team members in each defined category, based on the city’s priorities, budget and schedule. IE will be working diligently and proactively with the city’s project manager to finalize a fee proposal for each task order and to start mobilizing staffing to the satisfaction of the city.

Bowman On-Call Workflow

City Initiates a Request  IE Meets with City to Define Scope  IE Prepares Preliminary Staffing Plan

Kick-Off Meeting  City Issues NTP & IE Begins Work  IE/ City Finalize Staffing Plan

Pre-construction Phase Services  Construction Phase Services  Post-construction Services
We have studied the City of Placentia’s CIP list of projects and the following is a table showing our collective experience with each type of project, where we have successfully completed and delivered projects in behalf of a few selected key clients. As you can see, our construction management capabilities include very similar types of projects that the city plans to construct over the next five years. Our team brings all the required resources in one place and under one contract. We propose to do the same for the City of Placentia, either as staff augmentation, or as stand-alone projects or task orders. In any case, we are ready and willing to serve the city of Placentia, to achieve your project goals and objective, meeting the city’s allocated budgets and delivery schedules.

Understanding & Approach (cont.)

Construction Management

Construction management starts with “Responsiveness and Clear Communication.” To facilitate seamless communication with the city, we have identified Masoud Sepahi, who has served the City of Placentia in the past, and he is very familiar with the city’s needs and programs. Masoud will be the main point of contact for the city and the main person overseeing the contract. Masoud is the Director of Construction Management Services, and he oversees all contracts to ensure full compliance with our commitment to serving our clients. He believes that being responsive to the city’s needs and clear lines of communication between the team members is the recipe for success on any project, regardless of size and complexity. Masoud will promote a reporting system that he has used with many other clients, which he will be using for the City of Placentia. As a common practice on every contract, IE will prepare and submit a comprehensive report to the City of Placentia. This executive level report summarizes the status on all the task orders and the projects, including costs, budgets, schedules, key issues and challenges with each project and other executive level reports and charts as requested by the city. Masoud will meet with the city’s project manager once a month to go over this report and to learn more about the city’s concerns and issues. This reporting structure has served well with other Cities, and we propose to do the same for the City of Placentia at no cost to our clients.

Pre-construction Phase Services

The key to a successful project delivery starts, before the project goes out to bid, therefore, it is paramount for the IE team to work with the city to foresee any issues or challenges that may hinder the project during construction. One of the challenges currently facing most projects is the cost escalation and availability of materials. Other challenges include utility conflicts and unforeseen field conditions. The following summarizes the various ways that we can tackle each potential issue during the Pre-construction phase, based on our current and past experiences with similar types of projects:

- **Learning City’s needs** - After a thorough review of all the project information and contract documents, IE will arrange for a kick-off meeting with city staff, the designers, and other stakeholders to learn more about the project background and any particulars on the project that the PM / CM team should know about. Our goal is to learn as much as possible from key stakeholders and the status of the funding, in addition to meeting key city staff and introducing the IE team. In our experience, coordination with various city staff and city departments in addition to the outside influencers is key to a successful start.

- **ADA & Energy Compliance** - Some of the other reviews by the IE team during the pre-construction phase will include evaluation of the project scope to see if the city will desire to update and repair such items as ADA curb ramps, ADA & Cal Green compliance, curb / gutter and sidewalk evaluation and repairs, energy audits, solar power, EV charging stations, etc. Working on similar projects, we have found that inclusion of such items will benefit the city tremendously. We understand that the city will be adopting a new ADA Transition Plan and our team has assisted other city’s with implementing these plans in the most efficient and cost effective way.

- **Cost Estimating** - IE will review the concept plans and the current budgets to assist the city with determination of accurate budgets to be used for the city’s CIP program. Our team has a robust database of current bids which can be used in determining cost for various types of public improvement projects. We have established these estimates based on the latest unit pricing and bids received on other recent projects in the southern California region. IE will compare these estimates against the city’s standing budget and schedule and will make recommendations for adjusting costs and budgets if necessary.

Our certified CASp expert Jay Shih will ensure full compliance with the latest ADA provisions. Other inspection activities include conducting field construction employee interviews to comply with Equal Employment Opportunity Law and Davis Bacon Act.
Understanding & Approach (cont.)

- **Right-of-way** - It is critical to identify and resolve any right-of-way issues that may exist on any type of CIP projects. Prior to starting construction, there are many ways to determine if there are any ROW issues on projects, starting with a review of available as-built plans, County maps, GIS maps, title report search and conducting a boundary / property survey of the properties in question. IE's subconsultant team Epic Land Solutions can assist the city during the pre-construction phase to identify any potential issues on the property boundaries and draw the appropriate legal documents, such as easements, dedications, and Lot line adjustments to resolve any potential legal issues.

- **Agency Coordination** - IE team will identify High-Risk Locations (schools, businesses, high-density residential areas, etc.), Trash Pickup and Street Sweeping Schedules, and coordination with major stakeholders, such as Caltrans, OCTA, neighboring cities, OCFC, etc. for informing them of the projects and to receive their input on the plans. We will also assist with preparation of cooperative agreements and license agreements between the city and outside agencies, when it's necessary.

- **Quality Control and Quality Assurance (QA / QC)** - There are several key elements when reviewing the bid documents. Our goal has always been to make the plans and specifications and all the attachments clear to understand and to remove any discrepancies that might exist in the documents prior to bidding. As part of our Red-team QA / QC review, we will make sure that the review is conducted by people that have expertise and are licensed and qualified to perform reviews for each trade. These reviews also include constructability and value engineering reviews, to ensure that all details are correctly cross-referenced and are clear to read and understand. Other constructability items include identification of long-lead components on the project, ROW issues, utility verifications, verification of unit prices and quantities.

- **Utility Conflicts** - Regarding utility conflicts, it is very important to identify and show all the existing utilities on the contract documents and to include provisions in the Contract for the contractor to conduct potholing. It is also important to make sure that the Contractor conducts this potholing in advance of start of any excavation work. IE team has introduced various safeguards for dealing with unforeseen utilities that the contractor may encounter during construction.

- **Bid & Award** - We are glad to see that the city is utilizing the online Planetbids for managing the bidding and award process. This system has worked very well in the past on many other projects, ensuring that all questions, addenda, and project information are received quickly and accurately. This system also reduces the chances for information getting lost or not delivered to potential bidders.

- **Bid Review** - After bids are received, IE will review and evaluate bids for accuracy and responsiveness, based on the directions given in the Instruction to Bidders. This review will include checking the entire bid, to ensure that all forms have been signed, valid and proper bid-bonds are included, there are no math errors, all the forms have been completed, sub-contractors have been listed with each percent share of the work identified, references have been listed and to make sure that all the licenses and credentials have been secured.

**Construction Phase Services - Resource Allocation**

Our approach for managing each project will be to collaborate and coordinate our activities with the city’s project manager in providing as-needed services and at the same time, introduce many of the lessons learned from our past projects. Prior to start of any construction project and / or activity, IE will meet with the city to formulate a work plan and a resource allocation matrix for each individual project to build a robust team to administer and manage construction contracts, in accordance with the city’s needs and budget. IE will also establish the individual

Understanding & Approach (cont.)

needs of the project for other necessary services, such as field survey, geotechnical investigations, materials testing, SWPPP, NPDES Permitting and monitoring, environmental investigations and testing, deputy inspections and other specialty items as required.

- **Filing Systems** - In collaboration with the city, IE will set up an electronic filing system, to address all funding requirements by outside agencies, such as Federal, State, County and OCTA for securing grants and outside fundings. IE will ensure to follow all grants funding requirements by following the latest guidelines for various programs, through the Caltrans’ LAPM, County’s SBDG and other grants managed by OCTA. We are now using the C-MIS on all of our construction projects and we will be more than happy to utilize this system on all of the Placentia Projects. C-MIS allows seamless exchange of information between all parties involved in construction activities in real time and has worked very well for our team members, allowing them to exchange information more rapidly and effectively.

- **Submittals and Schedules** - IE will review and process contractor’s submittals by first preparing a submittal-list for each individual contract. All submittals and deliverables that are required by the contract will be logged through the IE’s project management system and routed to the project’s architect and engineers for review and approval. As a standard practice, IE will meet with the city prior to bidding, to learn more about the city’s requirements for purchasing equipment compatible with the items currently being used. We will also ensure that proper warranties are stipulated for certain items per the city’s needs to ensure longevity of these systems over the long haul. Schedule: IE will prepare and submit to contractor a “Weekly Statement of Calendar / Working Days” report to ensure that the Contractor is fully aware of the schedule and the critical path activities, that may be in jeopardy. We have trained our inspectors to be informed of the latest construction techniques, traffic control rules and regulations, utility investigations and monitoring, and quality assurance requirements for each type of public improvement project.

- **Pre-Construction Meeting** - IE will arrange and conduct pre-construction meetings with the Contractors, designers, inspectors and other key stakeholders. We will ensure to invite all city personnel that may be involved with the project, in addition to representatives from regulatory agencies that may be involved with permitting and grant funding.

- **Inspection and Field Activities** - Daily construction logs shall be provided for the city’s review on IE’s web-based virtual project management software. The project inspector will review construction progress schedules on a regular basis to verify that the project is on schedule and on track with project milestones. **Material Testing:** IE’s inspector will coordinate the materials testing requirements with the contractor and if necessary, we will facilitate an independent Quality Assurance Program, based on project needs. As part of our team, we have included P.A. & Associates and Southwest Inspection & Testing to provide all of the testing requirements on any of the city’s projects. **Daily Logs:** Our daily logs have been tested and used on many other projects and are available real-time, to be viewed by any of the team members and the city. Our inspectors have been trained to monitor various contract compliance provisions, as required by the city and outside funding agencies. Our inspectors will ensure that the contractor complies with the prevailing wages rules, and they will conduct all the necessary tasks including special traffic safety, access, job site protection for safety, SWPPP and NPDES monitoring, CASp certification and specialty inspection, labor compliance postings and any other special necessities, required by the Contract. IE will prepare and submit to contractor a “Weekly Statement of Calendar / Working Days” report to ensure that the contractor is fully aware of the schedule and the critical path activities. Our daily logs have been tested and used on many other projects and are stored electronically on the project management system, to be viewed by any of the project management team members and the city. Our inspectors have been trained to monitor various contract compliance provisions including traffic safety and access issues, job site protection for safety, SWPPP and NPDES monitoring, CASp certification and inspection, labor compliance postings and any other special requirements by the contract and outside grant funding sources following the Local Assistance Procedure Manual (LAPM).
**Understanding & Approach (cont.)**

- **Traffic:** IE inspectors will also make sure that the contractor is following all the traffic coordination and permitting. We will coordinate with the contractor to make sure proper access to adjacent businesses / residents has been provided during the duration of construction. Provide inspection of street lighting, traffic control, channelization, and all other traffic-related work.

- **ADA Compliance** - We have found that when it comes to ADA compliance, having a certified CASp inspector will help tremendously with compliance. The CASp inspection starts with a review of the plans to make sure that the design meets the latest ADA and CBC and UBC. We have found that compliance with the latest codes should be built into the design and carried over to construction. As part of our team, Jay Shih will provide ADA review and inspection prior to bid and during construction. Jay holds multiple certifications in addition to being a CASp certified.

- **Storm Water** - Storm water protection compliance with the city’s National Pollutant Discharge Elimination System (NPDES) permits and requirements will be monitored daily. Our expertise also includes NPDES and MS4 permitting, inspection and compliance, design of infiltration and detention basin, sewer lift station, wastewater collection systems and reclaimed water systems. As part of our extensive offering of municipal services, we provide National Pollutant Discharge Elimination System (NPDES) and municipal separate storm sewer systems (MS4) compliance, investigation, and permitting assistance, and staff training – either as part of our typical plan check and construction inspection services or as a separate program. Our construction managers and inspectors are fully aware of the SWPPP compliance requirements, and they have assisted with NPDES inspection for Cities of Baldwin Park, Bell Garden, Calexico, Lynwood, Montebello and South Gate.

- **Health and Safety** - We at IE take safety very seriously. We know that even one incident on the project will taint the project. As a standard practice, at the beginning of each meeting, we draw attention to a safety moment. This is to ensure that all parties and the construction team make safety on the job a priority. We believe that safety must be built into the culture of the construction team, and it must be the underlying condition for conducting any type of construction work. IE will make sure that the latest CAL-OSHA provisions have been incorporated into the contract documents and we will monitor the job daily to ensure that all safety precautions have been placed at the job site every day. At the pre-construction meetings, IE will ask to see the Contractor’s Health and Safety plan and makes sure that a Safety Offices has been identified by the Contractor, in addition to the sub-contractors. At the onset of the project, and before, construction starts. IE will implement job safety procedures in compliance with CAL-OSHA requirements and will continuously monitor the contractor’s compliance with the established safety programs. All our construction managers and inspectors have completed the OSHA 30 hour training and stary updated with the current OSHA regulations.

- **Quality Control and Materials Testing** - Quality Control must be built into the Contract Documents. In addition to the requirements by the Standard Specifications for Public Works Construction (Green Book), which sets the minimum requirements for controlling the quality at the job site, IE will evaluate and determine individual needs of the projects for a robust QA / QC program. These provisions will need to be written into the contract documents, so that the contractors provide an adequate testing program, necessary for meeting the requirements of the project. As part of our monthly reporting, a section will be dedicated to the QA / QC program, summarizing the testing and a review of the contractor’s performance, on a regular basis. As part of our team, we have included PA & Associates for Geotechnical Engineering and Southwest Inspection & Testing for Deputy Inspection services. This team is fully equipped and ready to assist with any kind of materials and quality testing required for managing projects, from roadway rehabilitation to facility and building renovations, as required. **Deputy Inspection:** As part of our team, Southwest Inspection & Testing will be providing us with all as needed specialty inspections that require a Deputy inspector. Southwest Inspection & Testing has been a key player in providing specialty inspection services in the Southern California region and they are readily available to provide every type of deputy inspection that is required including but not limited to High Strength Concrete, Masonry, Structural...
Understanding & Approach (cont.)

Rebars, DSA, Soil Tabulation, Stressing, and other specialty deputy inspection services. They have provided these services for many cities in the Orange County region.

Southwest Inspection & Testing currently employs over 100 employees including 65 Field Special Inspectors, 10 Clerical, 6 Engineers, 15 Laboratory / Soils Technicians and 4 Geologists. Southwest’s personnel are strongly aware of the job-site need for speed, quick response, constant communication and the need to work with the parties involved.

Southwest’s laboratory is one of the top materials testing laboratories in Southern California. It holds certifications and accreditations with numerous major approvals, accreditation agencies – state and nationwide. Following is the list of agencies that they are currently approved by:

- Caltrans (Bridge and Roadway Work).
- FACE (Floor Flatness Work).
- ACI (Field Technician and Sampling Work for Concrete).
- AMRL (Private, Public and Local Jurisdiction Work).
- CCRL (Private, Public and Local Jurisdiction Work).
- OSHPD (Hospital Work).
- DSA (LEA #90; School, Community College Work).
- ICC (Private, Public and Local Jurisdiction Work).
- City of Los Angeles (Private, Public and Local Jurisdiction Work).
- City of San Diego (Private, Public and Local Jurisdiction Work).
- IAS (Private, Public and Local Jurisdiction Work).
- US Green Building Council (Private, Public and Local Jurisdiction Work) - Tensile Test and Bend Test of Reinforcing Steel bars.

Post-Construction Services - IE will start planning on project close-out activities weeks before the completion of the project. This is to ensure that the contractor is aware of the city’s expectations for taking all necessary the steps and to allow ample time for any type of commissioning, testing and balancing that may be required. In addition, the project may need staff training, which requires advanced planning. The close-out activities will include final inspection / walk through with the city staff, maintenance / service personnel and the project’s architect / design consultant. IE will issue a preliminary punch-list to put the contractor on notice of any outstanding item, followed by a final punch list, including schedule for punch list completion. IE will monitor the repairs and follow through with the contractor, until all items on the punch list are 100% complete. IE will gather and transmit all required guarantees, certifications, affidavits, leases, easement deeds, operating & maintenance manuals, warranties, and other documents as stipulated in contract documents for submittal to the city. IE will review and process contractor’s final payment request and release of retention, in addition to assisting the city with preparation and filing of Notice of Completion. IE will organize and deliver all project documents and files, in addition to the grant funding forms and ledgers to the city for future use. All reports, daily logs and other related construction documents will be submitted to the city through IE’s web-based system.
Scope of Work
Scope of Work

The scope of work for providing construction management and inspection services includes all the necessary efforts for the IE team to assist the city manage and complete a construction project on time and on budget. As it was mentioned in our approach to delivery of services, successful delivery of CM / Inspection services, starts before the award of a construction contract. Our scope of services will include a comprehensive review of the plans and specifications to make sure that there are no discrepancies in the bid documents and to apply our many years of experiences and lessons learned to work with the design team and the city staff to produce the best possible bid package. We will accomplish this by applying many of the techniques and lessons learned on other similar projects in the past. Our project manager Masoud has created a lesson-learned matrix, while working for the City of Placentia, LA Metro and the City of Los Angeles, and he will be applying these lessons to every project that we will take on behalf of the city. We understand that every project is unique and requires a different approach, however, the process for taking a project, from design to bid / award and construction completion remains the same. The following is a description of various tasks involved with a typical construction project under the city’s rules and general practices:

Pre-construction Phase

- City staff and IE discuss the scope of services.
- IE submits a fee proposal to the city for review.
- City staff and IE negotiate a fee proposal based on the project’s schedule and budget.
- City staff prepares the staff report for awarding a contract by the City Council if a contract has not yet been awarded. In some cases, the city may elect to award a contract after an On-call list has been established.
- IE team will conduct a formal constructability review, including a review of the cost estimates and unit price quantities. IE Team will also visit the jobsite to ensure that the plans include all the necessary bid items and other items of the work, which may have been overlooked.
- In case, the cost estimates exceed the project budget, IE will work with the city to adjust scope to meet the desired cost and budget.
- IE will review the construction schedule, the long-lead items on the project and will advise the city to make adjustments to the project schedule and durations if necessary.
- IE will work with the city staff to finalize the Bid Package and to advertise the project on Planet Bids. IE will be involved during the questions and answers period, assisting to provide responses to the questions from the contractors bidding on the project.
- IE will assist the city to prepare any addenda to the Bid Documents, when necessary.
- IE will assist the city with reviewing and making recommendations for awarding the contract to the lowest, responsive & responsible contractor, after conducting a complete review of the bids, checking references, bonds, insurance and all other bidding requirements.
- IE will assist the city to prepare the Agenda Report for the City Council for awarding a construction contract.
- IE will work with the Contractor to obtain all necessary bonds and insurance documents and will obtain signed copies of the construction agreement from all parties.
Scope of Work (cont.)

Construction Phase

- Once, all documents have been signed and processed, IE will arrange for a pre-construction meeting with all parties involved with the project, including the contractor representatives, designers, city staff and others. The CIP includes projects outside of the Public Works Department, in which case, IE staff will work with other departments, such as Community Services, Police Department and the Fire Department. IE is fully aware of the importance of communicating and coordinating construction work with all stakeholders, and to include key participants from each department.

- IE will conduct the pre-construction meeting and will prepare the minutes for the meeting. IE will ensure that the contractor is aware of the key issues on the project, such as Traffic, Safety, Construction Noise and Dust Control Impact, outreach to the residents and businesses, Schedule, Phasing and the city’s expectations.

- After the NTP has been awarded, IE’s construction manager and inspector will arrange weekly construction progress meetings to evaluate and monitor the Contractor’s performance on quality and conformance with the plans and specifications.

- IE will prepare and submit to contractor a “Weekly Statement of Calendar / Working Days” report to ensure that the contractor is fully aware of the schedule and the critical path activities.

- Our daily logs have been tested and used on many other projects and are stored electronically on the project management system, to be viewed by any of the project management team members and the city.

- IE utilizes C-MIS on every construction project, and we intend to use this electronic project management system for the City of Placentia’s projects. All RFIs, Submittals, Correspondences will be handled through this system. This system allows for a seamless exchange of information between key participants without any delays in real time. The city will also have access to daily logs and all the correspondences through this system.

- IE staff will conduct labor compliance and regulatory reporting, on a daily basis. IE will ensure that the Contractor complies with the grant funding requirements, for posting and submitting DIR reports, in addition to the Certified Payroll reports.

- IE will manage and resolve all potential claims, by investigating and responding to the Contractor’s questions and inquiries rapidly. Claims, will be discuss in our weekly progress reports and resolved. In case, there are claims that have merit, IE will prepare all the necessary Change Order Documents and works with the city staff to process the Change Orders.

- IE will review and work with the Contractor to ensure accuracy on every pay request prior to submitting them to the city for processing.

- As the end of the project approaches, IE will work with the Contractor to start a preliminary punch list, in addition to arranging for testing / balancing, commissioning, and collecting all the necessary Maintenance / Operations manuals.

- IE will ensure that the Contractor completes the project on time, by monitoring and enforcing the project delivery schedule. In case, the project is delayed, IE will work with the Contractor on finding solutions, to recover and complete the project on time.

- IE will process the final change orders, pay item adjustments and prepare the final pay application for the city’s review and approval.
Scope of Work (cont.)

Project Completion Phase

- Upon approval of all work by the Contractor, IE will issue the notice of Substantial Completion, to start the one-year warranty period and to accept the project.

- Upon acceptance of the contract completion, IE will prepare the Notice of Completion and make recommendation for City Council to approve the completion of the project.

- IE will ensure that there are no Stop Work Notices or Mechanics Liens filed against the project.

- IE will assist the city with any claims that may remain on the project, but following up and keeping all documentation to share with the city and the City Attorney.

- IE will collect and deliver, all project information and documents to the city.

**FOR PREVAILING WAGE: FIELD INSPECTION HOURLY RATES ARE $105.00******

- Our rate for field technicians, special inspectors are based on the current PW (Prevailing Wage) rate mandated by the state’s Dept. of Labor. As these rates are increased by the state, we will revise our rates accordingly. We will inform the customer prior to any revision of our inspector’s rates.

**Minimum Charges (Inspection and Technician Personnel Only)**

- **2-Hour Minimum:** Inspector arrives at jobsite, no work to perform.
- **4-Hour Minimum:** 1 to 4 hours of inspection completed.
- **8-Hour Minimum:** Over 4 hours of inspection or any inspection.

**Regular Time**

The first 8 hours worked Monday through Friday.

**Time and One-Half (All Types of Inspection)**

Any increment past 8 hours through 12 hours worked Monday through Friday and the first 12 hours on Saturday.

**Double Time (All Types of Inspection)**

After the first 12 hours worked Monday through Saturday, all day Sunday, holidays.

**Appendix “A”** – SAMPLE CITY PROFESSIONAL SERVICES AGREEMENT

**Appendix “B”** – SUMMARY SHEET

**Appendix “C”** – CERTIFICATION OF PROPOSAL TO THE CITY OF PLACENTIA
1. INTRODUCTION

The City of Placentia (“City”) seeks competitive proposals from qualified firms to provide On-call Construction Management and Inspection Services. A Professional Services Agreement will be entered into with multiple qualified firms to provide construction management services for a variety of projects on an on-call basis. On an on-call, as-needed basis, the selected firm(s) may later be asked to provide construction management and inspection proposals on a specific, project-by-project basis, based on an agreed-upon specific scope of services and fees.

The firm shall provide general Construction Management and Inspection services to support construction efforts and serve as an extension of City staff to assist in the overall delivery of projects, including preconstruction tasks, managing construction, and ensuring that the work is completed in accordance with the contract documents, and project closeout and commissioning phase. The consultant team will report directly to the City’s Project Manager or their authorized representative. City staff may assist in managing construction and will oversee the work of the consultant’s Project Manager, Inspector, and Contract Administrator.

Firms must provide construction management services and contract administration in conformance with the requirements set forth in the State’s Construction Manual, State’s Local Assistance Programs and Procedures Manual, OCFCD encroachment permit/requirements, and other Agencies regulatory permits/requirements. The construction manager is expected implement contract requirements and comply with all Federal and local guidelines, as required, in order to successfully execute the project in a timely and cost-efficient manner.

Technical questions about the requested services that might require a clarification of the Request for Proposals (RFP) shall be made only in writing to the Q&A section located in PlanetBids no fewer than seven (7) calendar days prior to the date and time set for opening of proposals and responses shall be provided in writing. No verbal requests or responses will be accepted. Significant interpretations or clarifications will be addressed via addenda to this RFP. This RFP includes a description of the scope of work, proposal requirements, and instructions for submitting your proposal.

Please do not contact City departments or other City staff directly. Information provided by other than the above contact may be invalid and proposals which are submitted in accordance with such information may be declared non-responsive.
Any changes, additions, or deletions in the RFP from the date of release to date of submittal will result in an addendum or amendment. Notification of such addendum or amendment shall be posted on PlanetBids. Addenda shall become part of the agreement documents.

It is the proposer's sole responsibility to monitor PlanetBids for possible addenda to this RFP. Failure of proposer to retrieve addenda from this site shall not relieve the proposer of the requirements contained therein. Additionally, failure of proposer to return signed addenda, when required, may be cause for rejection of his/her proposal.

Proposals must conform to the requirements of this RFP to be considered for award and successfully submitted through the electronic bid management system at: https://pbsystem.planetbids.com/portal/54600/portal-home by the date and time specified on the cover page of this Request For Proposal. All proposals must be signed by an authorized representative and include the completed Summary Sheet and Certification of Proposal to the City of Placentia provided in Appendix “B” and “C” of this RFP.

The City reserves the right to waive any irregularity in any proposal or to reject any proposal that does not comply with this RFP. The City alone, using criteria determined by the City, will select the qualified firm and/or consultant. The successful consultant to whom the contract is awarded shall, within ten (10) days after being notified, enter a contract with the City for the work and shall furnish all required documents necessary to enter said contract. Failure of the successful consultant to execute the contract within said ten (10) days shall be just cause for the City to contract with the next ranked consultant.

By submitting a proposal, the proposer agrees to all of the terms of the RFP and the Agreement (Appendix A), unless exceptions to the RFP or the Agreement are stated by the proposer in its proposal. The successful proposers will be required to enter into an Agreement, which will include the requirements of this RFP as well as other contract requirements. In the delivery of these services, the term of the agreement shall be for three years with the option for two additional one-year term extensions. The City reserves the right to reject any proposal(s) exceptions or changes to the Agreement or Request for Proposal.
2. PROPOSAL SCHEDULE

The schedule is as follows:

- Advertisement Date – JANUARY 9, 2024
- Q&A Due on PlanetBids – January 23, 2024 by 5:00 p.m.

All tasks listed above shall be required on an as-needed basis. The city reserves the right to add or reduce some of the above tasks and duties as it sees fit. The
consultant, serving as staff extension, shall remain sufficiently flexible to meet the needs of the City and of the project.

4. ASSURANCE OF DESIGNATED PROJECT TEAM

Proposer shall ensure that the designated project team, including sub-consultants as identified in the firm’s proposal, is used for this project. Departure or reassignment of, or substitution for, any member of the designated project team or sub-consultant(s) shall not be made without the prior written approval of the City.

5. PROPOSAL FORMAT REQUIREMENTS

Each response to this RFP shall include the information described in this section.

Provide the information in the specified order. **Failure to include all the elements specified may be cause for rejection.** Additional information may be provided but should be brief and relevant to the goals of this RFP. Excessive information will not be considered favorably.

Three physical copies of the final proposal shall be submitted to the City no later than two working days after the proposal deadline. The consultant project cost proposal shall be submitted in a separate sealed envelope marked “Cost Proposal.” Proposer’s who do not include physical copies within the specified timeframe will be considered unresponsive and disqualified.

All proposals must be signed by an authorized representative and include the completed Summary Sheet and Certification of Proposal to the City of Placentia provided in Appendix “B” and “C” of this RFP.

**Proposals shall be limited to a maximum of 30 pages.** Proposals over 30 pages will be rejected. Paper size shall be 8.5”x11” and occasional 11”x17” sheets are acceptable for exhibits and graphics. The cover letter, table of contents, front and back covers, summary sheet, certification of proposal and section dividers are excluded from the page count. The proposal should include the following sections in order:

A. Cover Letter
Shall contain the following information:

- Title of this RFP
- Name and mailing address of the prime consultant (include physical location if mailing address is a PO Box)
• Contact Person, Email address, telephone number, and fax number

The City will use email to notify your firm of critical developments such as interview schedules if any, notification of selection/non-selection, etc. Therefore, it is essential that you identify one or more contact persons who have frequent access to email.

The City will not be responsible for delivery failure of email due to firewalls, spam filters, or individuals’ failure to retrieve email messages. The City will not attempt to re-deliver any messages which fail due to no fault of the City.

The Cover Letter must be signed by an officer empowered by the Consultant to sign such material and thereby commit the Consultant to the obligations contained in the RFP response. Further, the signing and submission of a response shall indicate the intention of the proposer to adhere to the provisions described in this RFP and a commitment to enter into a binding contract.

1. Proposals submitted on behalf of a Partnership shall be signed in the firm name by a partner or the Attorney-In-Fact. If signed by the Attorney-In-Fact, there shall be attached to the proposal a Power-Of-Attorney evidencing authority to sign proposals, dated the same date as the proposal and executed by all partners of the firm.

2. Proposals which are submitted on behalf of a Corporation shall have the correct corporate name thereon and the actual signature of the authorized officer of the corporation written (not typed) below the corporate name. The title of the office held by the person signing for the corporation shall appear below the signature of the officer.

3. Proposals which are submitted by an Individual doing business under a firm name ("dba") shall be signed in the name of the individual doing business under the proper firm’s name and style.

B. Executive Summary

Describe your firm's and sub-consultant's (if any) general experience and qualifications as it pertains to projects of similar scope and size. Identify the services which would be completed by your firm's staff and those that would be provided by sub-consultants. Identify any sub-consultants you propose to utilize to supplement your firm's staff.

C. Project Team Organization
Clearly identify the prime consultant, all subconsultants, and their respective roles. Show the Project Manager and the key staff proposed for this project, including subconsultants' staff. It is expected that the project team proposed under this proposal will remain unchanged throughout the duration of the project. Replacement of key staff without consultation with the City will not be permitted.

Include contact information and a brief summary of the Prime firm's history and experience providing the requested services on similarly sized and scoped projects. Include a summary of the firm's experience, if any, with the City of Placentia. Provide a brief resume for each key staff member including their education background, licensing (if applicable), availability, and project experience.

D. Relevant Project Experience and References
List and provide a narrative summary of related project experiences. Include a minimum of three (3) similar type/size projects that your team has completed. Provide a project description, services provided, and construction costs. Discuss whether the design and construction were completed on time and within budget. Provide a minimum of three (3) references (name, title, agency, and telephone number) from previous experience. Provide no more than one contact person per project as a reference, including agency/company and phone number. Preference is given to project references that have directly worked with staff proposed for this project.

E. Understanding & Approach
Provide a detailed discussion of your firm's approach to the successful implementation of this agreement. Describe your firm/team's understanding duties assigned and identify the approach for key services and/or issues anticipated. Describe the Project Manager's and firm/team support and approach to ensure the effort is completed on schedule and within the established budget.

F. Scope of Work
Provide a scope of work complementing the City’s proposed scope of work describing all tasks required to complete the work and any additional aspects to the work scope the City should and could consider. The scope of work shall provide enough detail to distinguish the varied work effort required, in keeping with the City's desired tasks to be completed.

G. Schedule
Provide a typical schedule or sequence of events to accomplish all the required tasks; include review/approval times for the City and other project stakeholders.
H. Proposed Exceptions

Describe all proposed exceptions, alterations or amendments to the Scope of Services or other requirements of this RFP, including the Sample Contract (Appendix “A”). This section shall be clearly marked "Proposed Exceptions" in your submittal. If no exceptions are taken this shall be clearly stated in this section. The nature and scope of your proposed exceptions may affect the evaluation of your submittal and the City's determination of whether it is possible to successfully negotiate a contract with your firm/individual.

It is necessary to submit these elements with your RFP response. Failure to submit the required information with your response will render your proposal non-responsive.

6. REQUIRED PROPOSAL STATEMENTS

This statements identified below must be included in your RFP response:

A. A statement that the submitting firm will perform the services and adhere to the requirements described in this RFP, including any addenda (reference the addenda by date and/or number).

B. Subsequent to award of this RFP, all or part of any submittal may be released to any person or firm who may request it, as prescribed by the State of California Public Records Act.

C. Proposers shall include a statement that describes the specific portion(s) of their submittal that are considered proprietary and should not be releasable as public information. Proposers should be aware that all such requests may be subject to legal review and challenge.

D. Include a statement of assurance that you will not substitute members of your designated team without approval by the City of Placentia staff which declares there is no Conflict of Interest.

E. Include a statement which declares there is no Conflict of Interests.

F. Provide a statement attesting there has been no Collusion with other proposing firms.

G. Indicate your ability and agreement to fulfill the indemnification and insurance requirements contained in the sample contract. (Please note that actual Certificates of Insurance are not required as part of your submittal.)

7. EXCEPTIONS
8. RESOURCE ALLOCATION AND COST PROPOSAL

Selection of the consultant will be made in accordance with the provisions of Chapter 10 of the California Government Code, Sections 4526 and 4529.5, stating that selection of professional services is based on competence and qualifications without regard to fee. The fee will be opened and evaluated to ensure the fee is reasonable for the services to be delivered after selection of the consultant based on qualifications is complete. Provide in a separate sealed envelope the proposed billing rates for all expected personnel to deliver services as described in the scope of work.

All cost proposals shall be signed and dated per Section 5.0 above and shall be submitted in a separate sealed envelope.

9. SUBMITTAL INSTRUCTIONS

A. Time, Place and Format

Proposal submission due date: **JANUARY 30, 2024 at 5:00 P.M**: No proposals will be considered for award unless properly and successfully submitted through the electronic bid management system at: [https://pbsystem.planetbids.com/portal/54600/portal-home](https://pbsystem.planetbids.com/portal/54600/portal-home) by the date and time specified on the cover page of this Request For Proposal. All proposals must be signed by an authorized representative.

All required sections, including pricing, shall be submitted via the website. Bidder is solely responsible for “on time” submission of their electronic proposal. The bid management system will not accept late bids and no exceptions shall be made. Bidders will receive an e-bid confirmation number with a time stamp from PlanetBids, the bid management system indicating their bid was submitted successfully. The City will only receive those proposals that were transmitted successfully. **DO NOT FAX OR E-MAIL.**

NOTE: E-Bids/Proposals are sealed and cannot be viewed by the City or any other person or entity until the closing date and time. If you need to withdraw your bid, you may do so at any time before the bid deadline, by going back into the system and selecting “withdraw”.

Three physical copies of the final proposal shall be submitted to the City no later than two working days after the proposal deadline. The
consultant project cost proposal shall be submitted in a separate sealed envelope marked “Cost Proposal.” Proposer’s who do not include physical copies within the specified timeframe will be considered unresponsive and disqualified. All proposals must be signed by an authorized representative and include the completed Summary Sheet and Certification of Proposal to the City of Placentia provided in Appendix “B” and “C” of this RFP.

Proposals must:

- Show page numbers for all pages in the proposal.
- Be on 8-1/2”x11” page size
  - states “On-Call Construction Management and Inspection Services”
  - identifies the proposer
- Must be addressed as follows:
  
  City of Placentia  
  Attn: Chris Tanio, PE, Deputy Director/City Engineer  
  401 E. Chapman Avenue  
  Placentia, CA 92870

- Proposals must address the requirements of the RFP as set forth in Section 5. They should be as concise as possible and must not contain any promotional, advertising or display material.

B. Cost proposal Submittal

A detailed hourly rate schedule shall be required for this RFP. If subcontracting, the rate structure for those services shall be included. On-call contracts resulting from this RFP will be awarded to firms whose Technical Proposal meets the technical requirements of the RFP. Proposals will be ranked in accordance with the evaluation criteria stated in this RFP. Should the consultants selected for each task or project be not able to reach an agreement on the fees for design services, the City reserves the right to enter negotiations with any of the qualified consultant on the on-call list.

C. Opening of Responses

All proposals are scheduled to be opened and considered within two weeks after the deadline date shown in Section 2 using evaluation procedures set forth in Section 10. Consultant selection may be delayed or postponed at the discretion of the City.
10. EVALUATION CRITERIA

A. Selection Committee
   a. Proposals submitted will be evaluated by a Selection Committee

B. Review of Proposals
   a. The Selection Committee will use a point formula during the review process to individually score Project Proposals, as outlined in Section C below, “Project Proposal Evaluation Criteria.” The Selection Committee will then be convened to review and discuss these evaluations and combine the individual scores to arrive at an average composite Project Proposal score for each firm. Firms that do not meet “Mandatory Elements” listed in Section C1 below will be eliminated from further consideration.

   b. After the composite Project Proposal score for each firm has been established based upon the “Qualitative Evaluation” criteria listed in Section C, the Selection Committee may request oral presentations from a subset of those firms with a minimum score of 70 points. Based upon score rankings, the three (3) highest ranking firms may be interviewed. The Selection Committee may also schedule a site visit, if applicable.

   c. The Cost Proposal of firms receiving a minimum score of 70 points on the qualitative review will be opened to ensure that the Cost Proposal is reasonable. The cost proposal for these services should consist of hourly rate for all classifications assigned to this project.

C. Project Proposal Evaluation Criteria

Proposals will be evaluated using three (3) sets of criteria. Firms meeting the mandatory elements will have their proposals evaluated and scored. The following represent the principal selection criteria which will be considered during the evaluation process.

a. Mandatory Elements
   i. The firm is independent and properly licensed to practice in California.
   ii. The firm has no conflict of interest with regard to any other work performed by the firm for the City.
   iii. The firm adheres to the instructions in this RFQ on preparing and submitting the proposal.
   iv. The firm included a Letter of Transmittal in the Project Proposal.

b. Qualitative Evaluation (Maximum Points = 100)
   In order to be considered the proposer must achieve at least 70 points. (Points will be assigned by the Department Director or Coordinator.)
   i. Expertise and Experience (60 points)
1. The quality of the firm’s and individual personnel’s experience in providing professional design and engineering services for City Capital Improvement Projects as described in the Scope of Services. The quality of the personnel’s demonstrated expertise in producing detailed plans and related engineering services.

2. The quality of professional personnel’s education, certifications, licenses, and years of experience designing plans and providing construction support. Demonstrated commitment to high quality customer service and public relations.

3. Public agency references relative to personnel assigned to this contract; Long-term working relationships, multiple projects delivered for same agencies.

4. Firm’s statement on why it believes itself to be best qualified.

ii. Scope of Work (20 points)

1. Contract scope of work outlined in Section 3 of the RFP is addressed, and the proposal demonstrates that the proposer thoroughly understands the City’s needs and expectations, and how those will be met.

2. Inclusion of additional work scope/deliverables that complements and enhances the City’s scope of work which will ultimately deliver better services and construction projects.

iii. Allocation of Resources (20 points)

1. Conceptual plan that outlines how the firm’s resources will be leveraged to deliver Construction Management and Inspection Services that ultimately result in better projects.

2. Identify any distinguishing features, resources, skills and/or services your firm can allocate to this contract to deliver the City’s capital improvement projects.
LEGAL REQUIREMENTS

The contract awarded shall be governed in all respect by the laws of the State of California, and any litigation with respect thereto shall be brought in the courts of the State of California. The firm awarded the contract shall comply with applicable Federal, state and local laws and regulations and comply with the following terms:

- The City has the right to reject any and all proposals.
- All documents submitted in response to the RFP are public documents subject to disclosure as permitted by the California Public Records Act.
- The City is not liable for any costs incurred in responding to the RFP.
- From the issue date of this RFP until a firm is selected and the selection is announced, firms are not allowed to communicate for any reason with any City staff except through the person named herein for questions. For violation of this provision, the City shall reserve the right to reject the proposal of the offending firm.
- The selected firm will be required to enter into a Professional Services Agreement with the City of Placentia which includes the City’s Standard Terms and Conditions including insurance requirements.
- Proposals submitted early may be withdrawn by the firm prior to the Proposal due date specified above. Following the Proposal due date, the Proposal constitutes a binding offer and may not be withdrawn by the firm prior to the award.
- The City of Placentia reserves the right to: (a) waive minor irregularities or variances, non-material bid informalities or defects in any proposal; (b) reject any and all proposals, in whole or in part, submitted in response to this solicitation; (c) request clarifications from all firms; (d) request resubmissions from all firms; (e) make partial, progressive or multiple awards; and (f) take any other action as permitted by law and/or the City's Procurement Ordinance.
APPENDIX “A” – PROFESSIONAL SERVICES AGREEMENT (SAMPLE)

CITY OF PLACENTIA
PROFESSIONAL SERVICES AGREEMENT
WITH

THIS AGREEMENT is made and entered into this __ day of _____, 20__, (“Effective Date”), by and between the CITY OF PLACENTIA, a municipal corporation (“City”), and ______________, a [state] [type of corporation] (“Consultant”).

WITNESSETH:

A. WHEREAS, City proposes to utilize the services of Consultant as an independent contractor to landscape architecture and accessibility design services, as more fully described herein; and

B. WHEREAS, Consultant represents that it is “design professional” as that term is defined by California Civil Code Section 2782.8 and has that degree of specialized expertise contemplated within California Government Code Section 37103, and holds all necessary licenses to practice and perform the services herein contemplated; including credentials as a Certified Access Specialist under Subchapter 2.5 of Title 21 of the California Code of Regulations; and

C. WHEREAS, City and Consultant desire to contract for the specific services described in Exhibit “A” (the “Project”) and desire to set forth their rights, duties and liabilities in connection with the services to be performed; and

D. WHEREAS, no official or employee of City has a financial interest, within the provisions of Sections 1090-1092 of the California Government Code, in the subject matter of this Agreement; and

E. WHEREAS, among other reasons, the City is hiring Consultant to perform accessibility design services at a public park within the City to comply with all applicable accessibility requirements. Accordingly, Consultant desires to perform these services and to bear all risk the City may bear resulting from accessibility designs that are not complaint.

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein, the parties hereby agree as follows:

1.0. SERVICES PROVIDED BY CONSULTANT

1.1. Scope of Services. Consultant shall provide the professional services described in the Consultant’s Proposal (“Proposal”), attached hereto as Exhibit “A” and incorporated herein by this reference, including but not limited to, preparing all design documents free from defects.

1.2. Professional Practices. All professional services to be provided by Consultant pursuant to this Agreement shall be provided by personnel experienced in their respective fields and in a manner consistent with the standards of care, diligence and skill ordinarily exercised by professional consultants in similar fields and circumstances in accordance with sound professional practices, and with credentials as a Certified Access Specialist under Subchapter 2.5 of Title 21 of the California Code of Regulations. Consultant also warrants that it is familiar with all laws that may affect its performance of this Agreement and shall advise City of any changes in any laws that may affect Consultant’s performance of this Agreement. Consultant shall keep itself informed of State and Federal laws and regulations which in any manner affect those employed by it or in any way affect the performance of its
service pursuant to this Agreement. The Consultant shall at all times observe and comply with all such laws and regulations. Officers and employees shall not be liable at law or in equity occasioned by failure of the Consultant to comply with this section. Consultant also warrants that it has ownership of all intellectual property being provided under this Agreement.

1.3. **Performance to Satisfaction of City.** Consultant agrees to perform all the work to the complete satisfaction of the City and within the hereinafter specified. Evaluations of the work will be done by the City Administrator or his or her designee. If the quality of work is not satisfactory, City in its discretion has the right to:

(a) Meet with Consultant to review the quality of the work and resolve the matters of concern;

(b) Require Consultant to repeat the work at no additional fee until it is satisfactory; and/or

(c) Terminate the Agreement as hereinafter set forth.

1.4. **Warranty.** Consultant warrants that it shall perform the services required by this Agreement in compliance with all applicable Federal and California employment laws, including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers' compensation insurance and safety in employment; and all other Federal, State and local laws and ordinances applicable to the services required under this Agreement. Consultant shall indemnify and hold harmless City from and against all claims, demands, payments, suits, actions, proceedings, and judgments of every nature and description including attorneys' fees and costs, presented, brought, or recovered against City for, or on account of any liability under any of the above-mentioned laws, which may be incurred by reason of Consultant's performance under this Agreement.

1.5. **Non-discrimination.** In performing this Agreement, Consultant shall not engage in, nor permit its agents to engage in, discrimination in employment of persons because of their race, religion, color, national origin, ancestry, age, physical handicap, medical condition, marital status, sexual gender or sexual orientation, except as permitted pursuant to Section 12940 of the Government Code. Such actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. Consultant agrees to post in conspicuous places, available to employees and applicants for employment, a notice setting forth provisions of this non-discrimination clause.

Consultant shall, in all solicitations and advertisements for employees placed by, or on behalf of Consultant shall state that all qualified applicants will receive consideration for employment without regard to age, race, color, religion, sex, marital status, national origin, or mental or physical disability. Consultant shall cause the paragraphs contained in this Section to be inserted in all subcontracts for any work covered by the Agreement, provided that the foregoing provisions shall not apply to subcontracts for standard commercial supplies or raw materials.

1.6. **Non-Exclusive Agreement.** Consultant acknowledges that City may enter into agreements with other consultants for services similar to the services that are subject to this Agreement or may have its own employees perform services similar to those services contemplated by this Agreement.

1.7. **Delegation and Assignment.** This is a personal service contract, and the duties set forth herein shall not be delegated or assigned to any person or entity without the prior written consent of City. Consultant may engage a subcontractor(s) as permitted by law and may employ other personnel to perform services contemplated by this Agreement at Consultant's sole cost and expense. All
insurance requirements contained in this Agreement are independently applicable to any and all subcontractors that Consultant may engage during the term of this Agreement.

1.8. **Confidentiality.** Employees of Consultant in the course of their duties may have access to financial, accounting, statistical, and personnel data of private individuals and employees of City. Consultant covenants that all data, documents, discussion, or other information developed or received by Consultant or provided for performance of this Agreement are deemed confidential and shall not be disclosed by Consultant without written authorization by City. City shall grant such authorization if disclosure is required by law. All City data shall be returned to City upon the termination of this Agreement. Consultant's covenant under this Section shall survive the termination of this Agreement.

### 2.0. COMPENSATION AND BILLING

2.1. **Compensation.** Consultant shall be paid in accordance with the fee schedule set forth in Exhibit “A”. Consultant’s total compensation shall not exceed _______ Dollars ($ _____.00).

2.2. **Additional Services.** Consultant shall not receive compensation for any services provided outside the scope of services specified in the Consultant’s Proposal or which is inconsistent with or in violation of the provisions of this Agreement unless the City or the Project Manager for this Project, prior to Consultant performing the additional services, approves such additional services in writing. It is specifically understood that oral requests and/or approvals of such additional services or additional compensation shall be barred and are unenforceable. Should the City request in writing additional services that increase the hereinabove described "SCOPE OF SERVICES", an additional fee based upon the Consultant's standard hourly rates shall be paid to the Consultant for such additional services. Such increase in additional fees shall be limited to 25% of the total contract sum or $25,000 whichever is more. The City Engineer is authorized to approve a Change Order for such additional services.

2.3. **Method of Billing.** Consultant may submit invoices to the City for approval on a progress basis, but no more often than two times a month. Said invoice shall be based on the total of all Consultant’s services which have been completed to City’s sole satisfaction. City shall pay Consultant’s invoice within forty-five (45) days from the date City receives said invoice. Each invoice shall describe in detail, the services performed, the date of performance, and the associated time for completion. Any additional services approved and performed pursuant to this Agreement shall be designated as “Additional Services” and shall identify the number of the authorized change order, where applicable, on all invoices.

2.4. **Records and Audits.** Records of Consultant’s services relating to this Agreement shall be maintained in accordance with generally recognized accounting principles and shall be made available to City or its Project Manager for inspection and/or audit at mutually convenient times for a period of three (3) years from the Effective Date.

### 3.0. TIME OF PERFORMANCE

3.1. **Commencement and Completion of Work.** The professional services to be performed pursuant to this Agreement shall commence within five (5) days from the Effective Date of this Agreement. Said services shall be performed in strict compliance with the Project Schedule approved by City as set forth in Exhibit “A”.

3.2. **Excusable Delays.** Neither party shall be responsible for delays or lack of performance resulting from acts beyond the reasonable control of the party or parties. Such acts shall include, but not be limited to, acts of God, fire, strikes, material shortages, compliance with laws or regulations, riots, acts of war, or any other conditions beyond the reasonable control of a party. If a delay beyond the control of the Consultant is encountered, a time extension may be mutually agreed upon in writing by the City and the Consultant. The Consultant shall present documentation satisfactory to the City to substantiate any request for a time extension.
4.0. TERM AND TERMINATION

4.1. Term. This Agreement shall commence on the Effective Date and continue for a period of ______ months, ending on __________, 20__, unless previously terminated as provided herein or as otherwise agreed to in writing by the parties.

4.2. Notice of Termination. The City reserves and has the right and privilege of canceling, suspending or abandoning the execution of all or any part of the work contemplated by this Agreement, with or without cause, at any time, by providing at least fifteen (15) days prior written notice to Consultant. The termination of this Agreement shall be deemed effective upon receipt of the notice of termination. In the event of such termination, Consultant shall immediately stop rendering services under this Agreement unless directed otherwise by the City. If the City suspends, terminates or abandons a portion of this Agreement such suspension, termination or abandonment shall not make void or invalidate the remainder of this Agreement.

If the Consultant defaults in the performance of any of the terms or conditions of this Agreement, it shall have ten (10) days after service upon it of written notice of such default in which to cure the default by rendering a satisfactory performance. In the event that the Consultant fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

The City shall have the right, notwithstanding any other provisions of this Agreement, to terminate this Agreement, at its option and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement, immediately upon service of written notice of termination on the Consultant, if the latter should:

a. Be adjudged a bankrupt;

b. Become insolvent or have a receiver of its assets or property appointed because of insolvency;

c. Make a general assignment for the benefit of creditors;

d. Default in the performance of any obligation or payment of any indebtedness under this Agreement;

e. Suffer any judgment against it to remain unsatisfied or unbonded of record for thirty (30) days or longer; or

f. Institute or suffer to be instituted any procedures for reorganization or rearrangement of its affairs.

4.3. Compensation. In the event of termination, City shall pay Consultant for reasonable costs incurred and professional services satisfactorily performed up to and including the date of City’s written notice of termination within thirty-five (35) days after service of the notice of termination. Compensation for work in progress shall be prorated based on the percentage of work completed as of the effective date of termination in accordance with the fees set forth herein. In ascertaining the professional services actually rendered hereunder up to the effective date of termination of this Agreement, consideration shall be given to both completed work and work in progress, to complete and incomplete drawings, and to other documents pertaining to the services contemplated herein whether delivered to the City or in the possession of the Consultant. City shall not be liable for any claim of lost profits.

4.4. Documents. In the event of termination of this Agreement, all documents prepared by Consultant in its performance of this Agreement including, but not limited to, finished or unfinished
design, development and construction documents, data studies, drawings, maps and reports, shall be delivered to the City within ten (10) days of delivery of termination notice to Consultant, at no cost to City. Any use of uncompleted documents without specific written authorization from Consultant shall be at City’s sole risk and without liability or legal expense to Consultant.

5.0. INSURANCE

5.1. Minimum Scope and Limits of Insurance. Consultant shall obtain, maintain, and keep in full force and effect during the life of this Agreement all the following minimum scope of insurance coverages with an insurance company admitted to do business in California, rated “A,” Class X, or better in the most recent Best’s Key Insurance Rating Guide, and approved by City:

(a) Broad-form commercial general liability, in a form at least as broad as ISO from #CG 00 01 04 13, including premises-operations, products/completed operations, broad form property damage, blanket contractual liability, independent contractors, personal injury or bodily injury with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or shall be twice the required occurrence limit. If Consultant maintains higher limits than the specified minimum limits, City requires and shall be entitled to coverage for the high limits maintained by the Consultant.

(b) Business automobile liability for owned vehicles, hired, and non-owned vehicles, with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, each incident for bodily injury and property damage.

(c) Workers’ compensation insurance as required by the State of California and Employers Liability Insurance with a minimum limit of $1,000,000 per accident for any employee or employees of Consultant. Consultant agrees to waive, and to obtain endorsements from its workers’ compensation insurer waiving subrogation rights under its workers’ compensation insurance policy against the City, its officers, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its subcontractors, if any, to do likewise under their workers’ compensation insurance policies.

Before execution of this Agreement by the City, the Consultant shall file with the Public Works Director/City Engineer the following signed certification:

I am aware of, and will comply with, Section 3700 of the Labor Code, requiring every employer to be insured against liability of Workers’ Compensation or to undertake self-insurance before commencing any of the work.

The Consultant shall also comply with Section 3800 of the Labor Code by securing, paying for and maintaining in full force and effect for the duration of this Agreement, complete Workers’ Compensation Insurance, and shall furnish a Certificate of Insurance to the Public Works Director/City Engineer before execution of this Agreement by the City. The City, its officers and employees shall not be responsible for any claims in law or equity occasioned by failure of the consultant to comply with this section.

(d) Professional errors and omissions (“E&O”) liability insurance with policy limits of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence and aggregate. Architects’ and engineers’ coverage shall be endorsed to include contractual liability. If the policy is written as a “claims made” policy, the retro date shall be prior to the start of the contract work. Consultant
shall obtain and maintain, said E&O liability insurance during the life of this Agreement and for three years after completion of the work hereunder.

Neither the CITY nor any of its elected or appointed officials, officers, agents, employees, or volunteers makes any representation that the types of insurance and the limits specified to be carried by Consultant under this Agreement are adequate to protect Consultant. If Consultant believes that any such insurance coverage is insufficient, Consultant shall provide, at its own expense, such additional insurance as Consultant deems adequate.

5.2. **Endorsements.** The commercial general liability insurance policy and business automobile liability policy shall contain or be endorsed to contain the following provisions as worded below.

(a) Additional insureds: "The City of Placentia and its elected and appointed boards, officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of the Consultant pursuant to its contract with the City; products and completed operations of the Consultant; premises owned, occupied or used by the Consultant; automobiles owned, leased, hired, or borrowed by the Consultant."

(b) Notice: "Consultant shall provide immediate written notice if (1) any of the required insurance policies is terminated; (2) the limits of any of the required policies are reduced; (3) or the deductible or self-insured retention is increased. In the event of any cancellation or reduction in coverage or limits of any insurance, Consultant shall forthwith obtain and submit proof of substitute insurance. Should Consultant fail to immediately procure other insurance, as specified, to substitute for any canceled policy, the City may procure such insurance at Consultant’s sole cost and expense."

(c) Other insurance: "The Consultant’s insurance coverage shall be primary insurance as respects the City of Placentia, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of Placentia shall be excess and not contributing with the insurance provided by this policy."

(d) Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of Placentia, its officers, officials, agents, employees, and volunteers.

(e) The Consultant’s insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer’s liability.

5.3. **Deductible or Self-Insured Retention.** If any of such policies provide for a deductible or self-insured retention to provide such coverage, the amount of such deductible or self-insured retention shall be approved in advance by City. No policy of insurance issued as to which the City is an additional insured shall contain a provision which requires that no insured except the named insured can satisfy any such deductible or self-insured retention.

5.4. **Certificates of Insurance.** Consultant shall provide to City certificates of insurance showing the insurance coverages and required endorsements described above, in a form and content approved by City, prior to performing any services under this Agreement. The certificates of insurance and endorsements shall be attached hereto as Exhibit "B" and incorporated herein by this reference.

5.5. **Non-limiting.** Nothing in this Section shall be construed as limiting in any way, the indemnification provision contained in this Agreement, or the extent to which Consultant may be held
responsible for payments of damages to persons or property.

6.0. GENERAL PROVISIONS

6.1. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to any matter referenced herein and supersedes any and all other prior writings and oral negotiations. This Agreement may be modified only in writing and signed by the parties in interest at the time of such modification. The terms of this Agreement shall prevail over any inconsistent provision in any other contract document appurtenant hereto, including exhibits to this Agreement.

6.2. Representatives. The City Administrator or his or her designee shall be the representative of City for purposes of this Agreement and may issue all consents, approvals, directives and agreements on behalf of the City, called for by this Agreement, except as otherwise expressly provided in this Agreement.

Consultant shall designate a representative for purposes of this Agreement who shall be authorized to issue all consents, approvals, directives and agreements on behalf of Consultant called for by this Agreement, except as otherwise expressly provided in this Agreement.

6.3. Project Managers. City shall designate a Project Manager to work directly with Consultant in the performance of this Agreement. It shall be the Consultant’s responsibility to assure that the Project Manager is kept informed of the progress of the performance of the services and the Consultant shall refer any decision, which must be made by City, to the Project Manager. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Project Manager.

Consultant shall designate a Project Manager who shall represent it and be its agent in all consultations with City during the term of this Agreement and who shall not be changed by Consultant without the express written approval by the City. Consultant or its Project Manager shall attend and assist in all coordination meetings called by City.

6.4. Notices. Any notices, documents, correspondence or other communications concerning this Agreement, or the work hereunder may be provided by personal delivery, facsimile or if mailed, shall be addressed as set forth below and placed in a sealed envelope, postage prepaid, and deposited in the United States Postal Service. Such communication shall be deemed served or delivered: a) at the time of delivery if such communication is sent by personal delivery; b) at the time of transmission if such communication is sent by facsimile; and c) 72 hours after deposit in the U.S. Mail as reflected by the official U.S. postmark if such communication is sent through regular United States mail.

6.5. Attorneys’ Fees. In the event that litigation is brought by any party in connection with this Agreement, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys’ fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any of the terms, conditions, or provisions hereof.

6.6. Governing Law. This Agreement shall be governed by and construed under the laws of
the State of California without giving effect to that body of laws pertaining to conflict of laws. In the event of any legal action to enforce or interpret this Agreement, the parties hereto agree that the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California. Consultant agrees to submit to the personal jurisdiction of such court in the event of such action.

6.7. **Assignment.** Consultant shall not voluntarily or by operation of law assign, transfer, sublet or encumber all or any part of Consultant's interest in this Agreement without City's prior written consent. Any attempted assignment, transfer, subletting or encumbrance shall be void and shall constitute a breach of this Agreement and cause for termination of this Agreement. Regardless of City's consent, no subletting or assignment shall release Consultant of Consultant's obligation to perform all other obligations to be performed by Consultant hereunder for the term of this Agreement.

6.8. **Indemnification and Hold Harmless.** Consultant agrees to defend, indemnify, hold free and harmless the City, its elected and appointed officials, officers, agents and employees, at Consultant’s sole expense, from and against any and all claims, demands, actions, suits or other legal proceedings arising out of, pertaining to, or relating to the negligence, recklessness, or willful misconduct of Consultant brought against the City, its elected and appointed officials, officers, agents and employees arising out of the performance of the Consultant, its employees, and/or authorized subcontractors, of the work undertaken pursuant to this Agreement. The defense obligation provided for hereunder shall apply without any advance showing of negligence, recklessness, or willful misconduct by the Consultant, its employees, and/or authorized subcontractors, but shall be required whenever any claim, action, complaint, or suit asserts as its basis the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors, and/or whenever any claim, action, complaint or suit asserts liability against the City, its elected and appointed officials, officers, agents and employees based upon the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors under this Agreement, whether or not the Consultant, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable. Notwithstanding the foregoing, the Consultant shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City’s specifications or Consultant’s Proposal, which shall be of no force and effect.

6.9. **Independent Contractor.** Consultant is and shall be acting at all times as an independent contractor and not as an employee of City. Consultant shall have no power to incur any debt, obligation, or liability on behalf of City or otherwise act on behalf of City as an agent. Neither City nor any of its agents shall have control over the conduct of Consultant or any of Consultant’s employees, except as set forth in this Agreement. Consultant shall not, at any time, or in any manner, represent that it or any of its or employees are in any manner agents or employees of City. Consultant shall secure, at its sole expense, and be responsible for any and all payment of Income Tax, Social Security, State Disability Insurance Compensation, Unemployment Compensation, and other payroll deductions for Consultant and its officers, agents, and employees, and all business licenses, if any are required, in connection with the services to be performed hereunder. Consultant shall indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant further agrees to indemnify and hold City harmless from any failure of Consultant to comply with the applicable worker’s compensation laws. City shall have the right to offset against the amount of any fees due to Consultant under this Agreement any amount due to City from Consultant as a result of Consultant’s failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

6.10. **PERS Eligibility Indemnification.** In the event that Consultant or any employee, agent, or subcontractor of Consultant providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Consultant shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits
on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Notwithstanding any other agency, state or federal policy, rule, regulation, law or ordinance to the contrary, Consultant and any of its employees, agents, and subcontractors providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

6.11. Cooperation. In the event any claim or action is brought against City relating to Consultant’s performance or services rendered under this Agreement, Consultant shall render any reasonable assistance and cooperation which City might require.

6.12. Ownership of Documents. All findings, reports, documents, information and data including, but not limited to, computer tapes or discs, preliminary notes, working documents, files and tapes furnished or prepared by Consultant or any of its subcontractors in the course of performance of this Agreement, shall be and remain the sole property of City. Consultant agrees that any such documents or information shall not be made available to any individual or organization without the prior consent of City but shall be made available to the City within ten (10) days of request or within ten (10) days of termination. Any use of such documents for other projects not contemplated by this Agreement, and any use of incomplete documents, shall be at the sole risk of City and without liability or legal exposure to Consultant. City shall indemnify and hold harmless Consultant from all claims, damages, losses, and expenses, including attorneys’ fees, arising out of or resulting from City’s use of such documents for other projects not contemplated by this Agreement or use of incomplete documents furnished by Consultant. Consultant shall deliver to City any findings, reports, documents, information, data, preliminary notes and working documents, in any form, including but not limited to, computer tapes, discs, files audio tapes or any other Project related items as requested by City or its authorized representative, at no additional cost to the City. Consultant or Consultant’s agents shall execute such documents as may be necessary from time to time to confirm City’s ownership of the copyright in such documents.

6.13. Public Records Act Disclosure. Consultant has been advised and is aware that this Agreement and all reports, documents, information and data including, but not limited to, computer tapes, discs or files furnished or prepared by Consultant, or any of its subcontractors, pursuant to this Agreement and provided to City may be subject to public disclosure as required by the California Public Records Act (California Government Code Section 6250 et seq.). Exceptions to public disclosure may be those documents or information that qualify as trade secrets, as that term is defined in the California Government Code Section 6254.7, and of which Consultant informs City of such trade secret. The City will endeavor to maintain as confidential all information obtained by it that is designated as a trade secret. The City shall not, in any way, be liable or responsible for the disclosure of any trade secret including, without limitation, those records so marked if disclosure is deemed to be required by law or by order of the Court.

6.14. Conflict of Interest. Consultant and its officers, employees, associates and subconsultants, if any, will comply with all conflict of interest statutes of the State of California applicable to Consultant’s services under this agreement, including, but not limited to, the Political Reform Act (Government Code Sections 81000, et seq.) and Government Code Section 1090. During the term of this Agreement, Consultant and its officers, employees, associates and subconsultants shall not, without the prior written approval of the City Representative, perform work for another person or entity for whom Consultant is not currently performing work that would require Consultant or one of its officers, employees, associates or subconsultants to abstain from a decision under this Agreement pursuant to a conflict of interest statute.

6.15. Responsibility for Errors. Consultant shall be responsible for its work and results under this Agreement. Consultant, when requested, shall furnish clarification and/or explanation as may be
required by the City’s representative, regarding any services rendered under this Agreement at no additional cost to City. In the event that an error or omission attributable to Consultant occurs, then Consultant shall, at no cost to City, provide all necessary design drawings, estimates and other Consultant professional services necessary to rectify and correct the matter to the sole satisfaction of City and to participate in any meeting required with regard to the correction.

6.16. **Prohibited Employment.** Consultant will not employ any regular employee of City while this Agreement is in effect.

6.17. **Order of Precedence.** In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and those of any such provision or provisions so incorporated by reference, the conflict shall be resolved by giving precedence in the following order, if applicable: This Agreement, the City’s Request for Proposals, the Consultant’s Proposal.

6.18. **Costs.** Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.

6.19. **No Third Party Beneficiary Rights.** This Agreement is entered into for the sole benefit of City and Consultant and no other parties are intended to be direct or incidental beneficiaries of this Agreement and no third party shall have any right in, under or to this Agreement.

6.20. **Headings.** Paragraphs and subparagraph headings contained in this Agreement are included solely for convenience and are not intended to modify, explain or to be a full or accurate description of the content thereof and shall not in any way affect the meaning or interpretation of this Agreement.

6.21. **Construction.** The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. There shall be no presumption or burden of proof favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

6.22. **Amendments.** Only a writing executed by the parties hereto or their respective successors and assigns may amend this Agreement.

6.23. **Waiver.** The delay or failure of either party at any time to require performance or compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of those rights to require such performance or compliance. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom enforcement of a waiver is sought. The waiver of any right or remedy in respect to any occurrence or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a continuing waiver.

6.24. **Severability.** If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial benefit of the bargain for any party, is materially impaired, which determination made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.

6.25. **Counterparts.** This Agreement may be executed in one or more counterparts, each of
which shall be deemed an original. All counterparts shall be construed together and shall constitute one agreement.

6.26. Corporate Authority. The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by doing so the parties hereto are formally bound to the provisions of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective authorized officers, as of the date first above written.

WAIVER OF OUR RIGHT TO RECOVER FROM OTHERS ENDORSEMENT

We have the right to recover our payments from anyone liable for an injury covered by this policy. We will not enforce our right against the person or organization named in the Schedule. (This agreement applies only to the extent that you perform work under a written contract that requires you to obtain this agreement from us.)

This agreement shall not operate directly or indirectly to benefit any one not named in the Schedule.

SCHEDULE

DESIGNATED PERSON:

DESIGNATED ORGANIZATION:

ANY PERSON OR ORGANIZATION FOR WHICH THE INSURED HAS AGREED BY WRITTEN CONTRACT EXECUTED PRIOR TO LOSS TO FURNISH THIS WAIVER.

Any person or organization for which the employer has agreed by written contract, executed prior to loss, may execute a waiver of subrogation. However, for purposes of work performed by the employer in Missouri, this waiver of subrogation does not apply to any construction group of classifications as designated by the waiver of right to recover from others (subrogation) rule in our manual.
THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

VIRGINIA BUSINESS AUTO COVERAGE EXTENSION ENDORSEMENT

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

GENERAL DESCRIPTION OF COVERAGE – This endorsement broadens coverage. However, coverage for any injury, damage or medical expenses described in any of the provisions of this endorsement may be excluded or limited by another endorsement to the Coverage Part, and these coverage broadening provisions do not apply to the extent that coverage is excluded or limited by such an endorsement. The following listing is a general coverage description only. Limitations and exclusions may apply to these coverages. Read all the provisions of this endorsement and the rest of your policy carefully to determine rights, duties, and what is and is not covered.

A. BROAD FORM NAMED INSURED
B. BLANKET ADDITIONAL INSURED
C. EMPLOYEE HIRED AUTO
D. EMPLOYEES AS INSURED
E. SUPPLEMENTARY PAYMENTS – INCREASED LIMITS
F. HIRED AUTO – LIMITED WORLDWIDE COVERAGE – INDEMNITY BASIS
G. WAIVER OF DEDUCTIBLE – GLASS

PROVISIONS

A. BROAD FORM NAMED INSURED

The following is added to Paragraph A.1., Who Is An Insured, of SECTION II – COVERED AUTOS LIABILITY COVERAGE:

Any organization you newly acquire or form during the policy period over which you maintain 50% or more ownership interest and that is not separately insured for Business Auto Coverage. Coverage under this provision is afforded only until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier.

B. BLANKET ADDITIONAL INSURED

The following is added to Paragraph c. in A.1., Who Is An Insured, of SECTION II – COVERED AUTOS LIABILITY COVERAGE:

This includes any person or organization who you are required under a written contract or agreement between you and that person or organization, that is signed by you before the "bodily injury" or "property damage" occurs and

H. HIRED AUTO PHYSICAL DAMAGE – LOSS OF USE – INCREASED LIMIT
I. PHYSICAL DAMAGE – TRANSPORTATION EXPENSES – INCREASED LIMIT
J. PERSONAL EFFECTS
K. AIRBAGS
L. NOTICE AND KNOWLEDGE OF ACCIDENT OR LOSS
M. BLANKET WAIVER OF SUBROGATION

that is in effect during the policy period, to name as an additional insured for Covered Auto Liability Coverage, but only for damages to which this insurance applies and only to the extent that person or organization qualifies as an "insured" under the Who Is An Insured provision contained in Section II.

C. EMPLOYEE HIRED AUTO

1. The following is added to Paragraph A.1., Who Is An Insured, of SECTION II – COVERED AUTOS LIABILITY COVERAGE:

An "employee" of yours is an "insured" while operating an "auto" hired or rented under a contract or agreement in an "employee's" name, with your permission, while performing duties related to the conduct of your business.

2. The following replaces Paragraph b. in B.5., Other Insurance, of SECTION IV – BUSINESS AUTO CONDITIONS:

b. For Hired Auto Physical Damage Coverage, the following are deemed to be covered "autos" you own:
(1) Any covered "auto" you lease, hire, rent or borrow; and

(2) Any covered "auto" hired or rented by your "employee" under a contract in an "employee's" name, with your permission, while performing duties related to the conduct of your business.

However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

D. EMPLOYEES AS INSURED

The following is added to Paragraph A.1., Who Is An Insured, of SECTION II – COVERED AUTOS LIABILITY COVERAGE:

Any "employee" of yours is an "insured" while using a covered "auto" you don't own, hire or borrow in your business or your personal affairs.

E. SUPPLEMENTARY PAYMENTS – INCREASED LIMITS

1. The following replaces Paragraph A.2.a.(2), of SECTION II – LIABILITY COVERAGE:

(2) Up to $3,000 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.

2. The following replaces Paragraph A.2.a.(4).

of SECTION II – LIABILITY COVERAGE:

(4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to $500 a day because of time off from work.

F. HIRED AUTO – LIMITED WORLDWIDE COVERAGE – INDEMNITY BASIS

The following replaces Subparagraph (5) in Paragraph B.7., Policy Period, Coverage Territory, of SECTION IV – BUSINESS AUTO CONDITIONS:

(5) Anywhere in the world, except any country or jurisdiction while any trade sanction, embargo, or similar regulation imposed by the United States of America applies to and prohibits the transaction of business with or within such country or jurisdiction, for Covered Autos Liability Coverage for any covered "auto" that you lease, hire, rent or borrow without a driver for a period of 30 days or less and that is not an "auto" you lease, hire, rent or borrow from any of your "employees", partners (if you are a partnership), members (if you are a limited liability company) or members of their households.

(a) With respect to any claim made or "suit" brought outside the United States of America, the territories and possessions of the United States of America, Puerto Rico and Canada:

(i) You must arrange to defend the "insured" against, and investigate or settle any such claim or "suit" and keep us advised of all proceedings and actions.

(ii) Neither you nor any other involved "insured" will make any settlement without our consent.

(iii) We may, at our discretion, participate in defending the "insured" against, or in the settlement of, any claim or "suit".

(iv) We will reimburse the "insured" for sums that the "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, that the "insured" pays with our consent, but only up to the limit described in Paragraph C., Limits Of Insurance, of SECTION II – COVERED AUTOS LIABILITY COVERAGE.

(v) We will reimburse the "insured" for the reasonable expenses incurred with our consent for your investigation of such claims and your defense of the "insured" against any such "suit", but only up to and included within the limit described in Paragraph C., Limits Of Insurance, of SECTION II – COVERED AUTOS LIABILITY COVERAGE, and not in addition to such limit. Our duty to make such payments ends when we have used up the applicable limit of insurance in payments for damages, settlements or defense expenses.

(b) This insurance is excess over any valid and collectible other insurance available to the "insured" whether primary, excess, contingent or on any other basis.
(c) This insurance is not a substitute for required or compulsory insurance in any country outside the United States, its territories and possessions, Puerto Rico and Canada.
You agree to maintain all required or compulsory insurance in any such country up to the minimum limits required by local law. Your failure to comply with compulsory insurance requirements will not invalidate the coverage afforded by this policy, but we will only be liable to the same extent we would have been liable had you complied with the compulsory insurance requirements.

(d) It is understood that we are not an admitted or authorized insurer outside the United States of America, its territories and possessions, Puerto Rico and Canada. We assume no responsibility for the furnishing of certificates of insurance, or for compliance in any way with the laws of other countries relating to insurance.

J. PERSONAL EFFECTS
The following additional coverage is added to Paragraph A.4., Coverage Extensions, of SECTION III – PHYSICAL DAMAGE COVERAGE:

Personal Effects
We will pay up to $400 for "loss" to wearing apparel and other personal effects which are:

(1) Owned by an "insured"; and
(2) In or on your covered "auto".
This coverage applies only in the event of a total theft of your covered "auto".
This Personal Effects limit does not apply to "loss" to the covered "auto" or its equipment.
No deductibles apply to this Personal Effects coverage.

K. AIRBAGS
The following is added to Paragraph B.3., Exclusions, of SECTION III – PHYSICAL DAMAGE COVERAGE:

Exclusion 3.a. does not apply to "loss" to one or more airbags in a covered "auto" you own that inflate due to a cause other than a cause of "loss" set forth in Paragraphs A.1.b. and A.1.c., but only:

a. If that "auto" is a covered "auto" for Comprehensive Coverage under this policy;
b. The airbags are not covered under any warranty; and
c. The airbags were not intentionally inflated.
We will pay up to a maximum of $1,000 for any one "loss".

L. NOTICE AND KNOWLEDGE OF ACCIDENT OR LOSS
The following is added to Paragraph A.2.a., of SECTION IV – BUSINESS AUTO CONDITIONS:

Your duty to give us or our authorized representative prompt notice of the "accident" or "loss" applies only when the "accident" or "loss" is known to:

(a) You (if you are an individual);
(b) A partner (if you are a partnership);
(c) A member (if you are a limited liability company);
(d) An executive officer, director or insurance manager (if you are a corporation or other organization); or
(e) Any "employee" authorized by you to give notice of the "accident" or "loss".

M. BLANKET WAIVER OF SUBROGATION

The following is added to Paragraph A.S., Transfer Of Rights Of Recovery Against Others To Us, of SECTION IV – BUSINESS AUTO CONDITIONS:

We waive any right of recovery we may have against any person or organization to the extent required of you by a written contract signed and executed prior to any "accident" or "loss", provided that the "accident" or "loss" arises out of operations contemplated by such contract. The waiver applies only to the person or organization designated in such contract.
THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

BLANKET ADDITIONAL INSURED – PRIMARY AND NON-CONTRIBUTORY WITH OTHER INSURANCE

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

PROVISIONS

1. The following is added to Paragraph A.1.c., Who Is An Insured, of SECTION II – LIABILITY COVERAGE:

   This includes any person or organization who you are required under a written contract or agreement between you and that person or organization, that is signed by you before the “bodily injury” or “property damage” occurs and that is in effect during the policy period, to name as an additional insured for Liability Coverage, but only for damages to which this insurance applies and only to the extent of that person’s or organization’s liability for the conduct of another “insured”.

2. The following is added to Paragraph B.5., Other Insurance of SECTION IV – BUSINESS AUTO CONDITIONS:

   Regardless of the provisions of paragraph a. and paragraph d. of this part 5. Other Insurance, this insurance is primary to and non-contributory with applicable other insurance under which an additional insured person or organization is the first named insured when the written contract or agreement between you and that person or organization, that is signed by you before the “bodily injury” or “property damage” occurs and that is in effect during the policy period, requires this insurance to be primary and non-contributory.
THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

BLANKET ADDITIONAL INSURED – AUTOMATIC STATUS IF REQUIRED BY WRITTEN CONTRACT (CONTRACTORS)

This endorsement modifies insurance provided under the following:
COMMERCIAL GENERAL LIABILITY COVERAGE PART

The following is added to SECTION II – WHO IS AN INSURED:

Any person or organization that:

a. You agree in a written contract or agreement to include as an additional insured on this Coverage Part; and

b. Has not been added as an additional insured for the same project by attachment of an endorsement under this Coverage Part which includes such person or organization in the endorsement’s schedule;

is an insured, but:

a. Only with respect to liability for “bodily injury” or “property damage” that occurs, or for “personal injury” caused by an offense that is committed, subsequent to the signing of that contract or agreement and while that part of the contract or agreement is in effect; and

b. Only as described in Paragraph (1), (2) or (3) below, whichever applies:

(1) If the written contract or agreement specifically requires you to provide additional insured coverage to that person or organization by the use of:

(a) The Additional Insured – Owners, Lessees or Contractors – (Form B) endorsement CG 20 10 11 85; or

(b) Either or both of the following: the Additional Insured – Owners, Lessees or Contractors – Scheduled Person Or Organization endorsement CG 20 10 10 01, or the Additional Insured – Owners, Lessees or Contractors – Completed Operations endorsement CG 20 37 10 01;

the person or organization is an additional insured only if the injury or damage arising out of “your work” to which the written contract or agreement applies;

(2) If the written contract or agreement specifically requires you to provide additional insured coverage to that person or organization by the use of:

(a) The Additional Insured – Owners, Lessees or Contractors – Scheduled Person or Organization endorsement CG 20 10 07 04 or CG 20 10 04 13, the Additional Insured – Owners, Lessees or Contractors – Completed Operations endorsement CG 20 37 07 04 or CG 20 37 04 13, or both of such endorsements with either of those edition dates; or

(b) Either or both of the following: the Additional Insured – Owners, Lessees or Contractors – Scheduled Person Or Organization endorsement CG 20 10, or the Additional Insured – Owners, Lessees or Contractors – Completed Operations endorsement CG 20 37, without an edition date of such endorsement specified;

the person or organization is an additional insured only if the injury or damage is caused, in whole or in part, by acts or omissions of you or your subcontractor in the performance of “your work” to which the written contract or agreement applies; or

(3) If neither Paragraph (1) nor (2) above applies:

(a) The person or organization is an additional insured only if, and to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of “your work” to which the written contract or agreement applies; and

(b) Such person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.

The insurance provided to such additional insured is subject to the following provisions:

a. If the Limits of Insurance of this Coverage Part shown in the Declarations exceed the minimum limits required by the written contract or agreement, the insurance provided to the additional insured will be limited to such minimum required limits. For the purposes of determining whether
this limitation applies, the minimum limits required by the written contract or agreement will be considered to include the minimum limits of any Umbrella or Excess liability coverage required for the additional insured by that written contract or agreement. This provision will not increase the limits of insurance described in Section III – Limits Of Insurance.

b. The insurance provided to such additional insured does not apply to:

1. Any "bodily injury", "property damage" or "personal injury" arising out of the providing, or failure to provide, any professional architectural, engineering or surveying services, including:

   a. The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders or change orders, or the preparing, approving, or failing to prepare or approve, drawings and specifications; and

   b. Supervisory, inspection, architectural or engineering activities.

2. Any "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the written contract or agreement specifically requires you to provide such coverage for that additional insured during the policy period.

c. The additional insured must comply with the following duties:

1. Give us written notice as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, such notice should include:

   a. How, when and where the "occurrence" or offense took place;

   b. The names and addresses of any injured persons and witnesses; and

   c. The nature and location of any injury or damage arising out of the "occurrence" or offense.

2. If a claim is made or "suit" is brought against the additional insured:

   a. Immediately record the specifics of the claim or "suit" and the date received; and

   b. Notify us as soon as practicable and see to it that we receive written notice of the claim or "suit" as soon as practicable.

3. Immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.

4. Tender the defense and indemnity of any claim or "suit" to any provider of other insurance which would cover such additional insured for a loss we cover. However, this condition does not affect whether the insurance provided to such additional insured is primary to other insurance available to such additional insured which covers that person or organization as a named insured as described in Paragraph 4, Other Insurance, of Section IV – Commercial General Liability Conditions.
This endorsement modifies insurance provided under the following:
COMMERICAL GENERAL LIABILITY COVERAGE PART

1. The following is added to SECTION II – WHO IS AN INSURED:
   Any person or organization that you agree in a "written contract requiring insurance" to include as an additional insured on this Coverage Part, but:
   a. Only with respect to liability for "bodily injury", "property damage" or "personal injury"; and
   b. If, and only to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the "written contract requiring insurance" applies. The person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.

   The insurance provided to such additional insured is limited as follows:
   c. In the event that the Limits of Insurance of this Coverage Part shown in the Declarations exceed the limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured shall be limited to the limits of liability required by that "written contract requiring insurance". This endorsement shall not increase the limits of insurance described in Section III – Limits Of Insurance.
   d. This insurance does not apply to the rendering of or failure to render any "professional services" or construction management errors or omissions.
   e. This insurance does not apply to "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the "written contract requiring insurance" specifically requires you to provide such coverage for that additional insured, and then the insurance provided to the additional insured applies only to such "bodily injury" or "property damage" that occurs before the end of the period of time for which the "written contract requiring insurance" requires you to provide such coverage or the end of the policy period, whichever is earlier.

2. The following is added to Paragraph 4.a. of SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS:
   The insurance provided to the additional insured is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured for a loss we cover. However, if you specifically agree in the "written contract requiring insurance" that this insurance provided to the additional insured under this Coverage Part must apply on a primary basis or a primary and non-contributory basis, this insurance is primary to "other insurance" available to the additional insured which covers that person or organization as a named insured for such loss, and we will not share with that "other insurance". But this insurance provided to the additional insured still is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured under any "other insurance".

3. The following is added to SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS:
   Duties Of An Additional Insured
   As a condition of coverage provided to the additional insured:
   a. The additional insured must give us written notice as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, such notice should include:
i. How, when and where the "occurrence" or offense took place;

ii. The names and addresses of any injured persons and witnesses; and

iii. The nature and location of any injury or damage arising out of the "occurrence" or offense.

b. If a claim is made or "suit" is brought against the additional insured, the additional insured must:

   i. Immediately record the specifics of the claim or "suit" and the date received; and

   ii. Notify us as soon as practicable.

The additional insured must see to it that we receive written notice of the claim or "suit" as soon as practicable.

c. The additional insured must immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.

d. The additional insured must tender the defense and indemnity of any claim or "suit" to any provider of other insurance which would cover the additional insured for a loss we cover. However, this condition does not affect whether this insurance provided to the additional insured is primary to that other insurance available to the additional insured which covers that person or organization as a named insured.

4. The following is added to the DEFINITIONS Section:

"Written contract requiring insurance" means that part of any written contract or agreement under which you are required to include a person or organization as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs and the "personal injury" is caused by an offense committed:

   a. After the signing and execution of the contract or agreement by you;

   b. While that part of the contract or agreement is in effect; and

   c. Before the end of the policy period.
THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

XTEND ENDORSEMENT FOR ARCHITECTS, ENGINEERS AND SURVEYORS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

GENERAL DESCRIPTION OF COVERAGE – This endorsement broadens coverage. However, coverage for any injury, damage or medical expenses described in any of the provisions of this endorsement may be excluded or limited by another endorsement to this Coverage Part, and these coverage broadening provisions do not apply to the extent that coverage is excluded or limited by such an endorsement. The following listing is a general coverage description only. Read all the provisions of this endorsement and the rest of your policy carefully to determine rights, duties, and what is and is not covered.

A. Non-Owned Watercraft – 75 Feet Long Or Less
B. Who Is An Insured – Unnamed Subsidiaries
C. Who Is An Insured – Retired Partners, Members, Directors And Employees
D. Who Is An Insured – Employees And Volunteer Workers – Bodily Injury To Co-Employees, Co-Volunteer Workers And Retired Partners, Members, Directors And Employees
E. Who Is An Insured – Newly Acquired Or Formed Limited Liability Companies
F. Blanket Additional Insured – Controlling Interest
G. Blanket Additional Insured – Mortgagees, Assignees, Successors Or Receivers
H. Blanket Additional Insured – Governmental Entities – Permits Or Authorizations Relating To Premises
I. Blanket Additional Insured – Governmental Entities – Permits Or Authorizations Relating To Operations
J. Incidental Medical Malpractice
K. Medical Payments – Increased Limit
L. Amendment Of Excess Insurance Condition – Professional Liability
M. Blanket Waiver Of Subrogation – When Required By Written Contract Or Agreement
N. Contractual Liability – Railroads

PROVISIONS

A. NON-OWNED WATERCRAFT – 75 FEET LONG OR LESS

1. The following replaces Paragraph (2) of Exclusion g., Aircraft, Auto Or Watercraft, in Paragraph 2. of SECTION I – COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY:

   (2) A watercraft you do not own that is:
      (a) 75 feet long or less; and
      (b) Not being used to carry any person or property for a charge;

2. The following replaces Paragraph 2.e. of SECTION II – WHO IS AN INSURED:

   e. Any person or organization that, with your express or implied consent, either uses or is responsible for the use of a watercraft that you do not own that is:
      (1) 75 feet long or less; and
      (2) Not being used to carry any person or property for a charge;

B. WHO IS AN INSURED – UNNAMED SUBSIDIARIES

The following is added to SECTION II – WHO IS AN INSURED:

Any of your subsidiaries, other than a partnership or joint venture, that is not shown as a Named Insured in the Declarations is a Named Insured if:

a. You are the sole owner of, or maintain an ownership interest of more than 50% in, such subsidiary on the first day of the policy period; and
b. Such subsidiary is not an insured under similar other insurance.

No such subsidiary is an insured for "bodily injury" or "property damage" that occurred, or "personal and advertising injury" caused by an offense committed:

a. Before you maintained an ownership interest of more than 50% in such subsidiary; or

b. After the date, if any, during the policy period that you no longer maintain an ownership interest of more than 50% in such subsidiary.

For purposes of Paragraph 1. of Section II – Who Is An Insured, each such subsidiary will be deemed to be designated in the Declarations as:

a. A limited liability company;

b. An organization other than a partnership, joint venture or limited liability company; or

c. A trust;

as indicated in its name or the documents that govern its structure.

C. WHO IS AN INSURED – RETIRED PARTNERS, MEMBERS, DIRECTORS AND EMPLOYEES

The following is added to Paragraph 2. of SECTION II – WHO IS AN INSURED:

Any person who is your retired partner, member, director or "employee" that is performing services for you under your direct supervision, but only for acts within the scope of their employment by you or while performing duties related to the conduct of your business. However, no such retired partner, member, director or "employee" is an insured for:

1) "Bodily injury":

(a) To you, to your current or retired partners or members (if you are a partnership or joint venture), to your current members (if you are a limited liability company) or to your current directors;

(b) To the spouse, child, parent, brother or sister of that current or retired partner, member, director, "employee" or "volunteer worker" as a consequence of Paragraph (2)(a) above;

(c) For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraph (2)(a) or (b) above; or

(d) Arising out of his or her providing or failing to provide professional health care services.

Unless you are in the business or occupation of providing professional health care services, Paragraphs (1)(a), (b), (c) and (d) above do not apply to "bodily injury" arising out of providing or failing to provide first aid or "Good Samaritan services" by any of your retired partners, members, directors or "employees", other than a doctor. Any such retired partners, members, directors or "employees" providing or failing to provide first aid or "Good Samaritan services" during their work hours for you will be deemed to be acting within the scope of their employment by you or performing duties related to the conduct of your business.

2) "Personal injury":

(a) To you, to your current or retired partners or members (if you are a partnership or joint venture), to your current or retired members (if you are a limited liability company), to your other current or retired directors or "employees" while in the course of his or her employment or performing duties related to the conduct of your business, or to your other "volunteer workers" while performing duties related to the conduct of your business;

(b) To the spouse, child, parent, brother or sister of that current or retired partner, member, director, "employee" or "volunteer worker" as a consequence of Paragraph (2)(a) above;

(c) For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraph (2)(a) or (b) above; or

(d) Arising out of his or her providing or failing to provide professional health care services.

3) "Property damage" to property:

(a) Owned, occupied or used by; or

(b) Rented to, in the care, custody or control of, or over which physical control is being exercised for any purpose by;

you, any of your retired partners, members or directors, your current or retired "employees" or "volunteer workers", any current partner or member (if you are a partnership or joint venture), or any current member (if you are a limited liability company) or current director.
D. WHO IS AN INSURED – EMPLOYEES AND VOLUNTEER WORKERS – BODILY INJURY TO CO-EMPLOYEES, CO-VOLUNTEER WORKERS AND RETIRED PARTNERS, MEMBERS, DIRECTORS AND EMPLOYEES

The following is added to Paragraph 2.a.(1) of SECTION II – WHO IS AN INSURED:

Paragraphs (1)(a), (b) and (c) above do not apply to "bodily injury" to a current or retired co-"employee" while in the course of the co-"employee's" employment by you or performing duties related to the conduct of your business, or to "bodily injury" to your other "volunteer workers" or retired partners, members or directors while performing duties related to the conduct of your business.

E. WHO IS AN INSURED – NEWLY ACQUIRED OR FORMED LIMITED LIABILITY COMPANIES

The following replaces Paragraph 3. of SECTION II – WHO IS AN INSURED:

3. Any organization you newly acquire or form, other than a partnership or joint venture, and of which you are the sole owner or in which you maintain an ownership interest of more than 50%, will qualify as a Named Insured if there is no other similar insurance available to that organization. However:

a. Coverage under this provision is afforded only:

(1) Until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier, if you do not report such organization in writing to us within 180 days after you acquire or form it; or

(2) Until the end of the policy period, when that date is later than 180 days after you acquire or form such organization, if you report such organization in writing to us within 180 days after you acquire or form it;

b. Coverage A does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and

c. Coverage B does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.

For the purposes of Paragraph 1. of Section II – Who Is An Insured, each such organization will be deemed to be designated in the Declarations as:

a. A limited liability company;

b. An organization other than a partnership, joint venture or limited liability company; or

c. A trust;

as indicated in its name or the documents that govern its structure.

F. BLANKET ADDITIONAL INSURED – CONTROLLING INTEREST

1. The following is added to SECTION II – WHO IS AN INSURED:

Any person or organization that has financial control of you is an insured with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" that arises out of:

a. Such financial control; or

b. Such person's or organization's ownership, maintenance or use of premises leased to or occupied by you.

The insurance provided to such person or organization does not apply to structural alterations, new construction or demolition operations performed by or on behalf of such person or organization.

2. The following is added to Paragraph 4. of SECTION II – WHO IS AN INSURED:

This paragraph does not apply to any premises owner, manager or lessor that has financial control of you.

G. BLANKET ADDITIONAL INSURED – MORTGAGEES, ASSIGNEES, SUCCESSORS OR RECEIVERS

The following is added to SECTION II – WHO IS AN INSURED:

Any person or organization that is a mortgagee, assignee, successor or receiver and that you have agreed in a written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only with respect to its liability as mortgagee, assignee, successor or receiver for "bodily injury", "property damage" or "personal and advertising injury" that:

a. Is "bodily injury" or "property damage" that occurs, or is "personal and advertising injury" caused by an offense that is committed,
subsequent to the signing of that contract or agreement; and

b. Arises out of the ownership, maintenance or use of the premises for which that mortgagee, assignee, successor or receiver is required under that contract or agreement to be included as an additional insured on this Coverage Part.

The insurance provided to such mortgagee, assignee, successor or receiver is subject to the following provisions:

a. The limits of insurance provided to such mortgagee, assignee, successor or receiver will be the minimum limits that you agreed to provide in the written contract or agreement, or the limits shown in the Declarations, whichever are less.

b. The insurance provided to such person or organization does not apply to:

1. Any "bodily injury" or "property damage" that occurs, or any "personal and advertising injury" caused by an offense that is committed, after such contract or agreement is no longer in effect; or

2. Any "bodily injury", "property damage" or "personal and advertising injury" arising out of any structural alterations, new construction or demolition operations performed by or on behalf of such mortgagee, assignee, successor or receiver.

H. BLANKET ADDITIONAL INSURED – GOVERNMENTAL ENTITIES – PERMITS OR AUTHORIZATIONS RELATING TO PREMISES

The following is added to SECTION II – WHO IS AN INSURED:

Any governmental entity that has issued a permit or authorization with respect to premises owned or occupied by, or rented or loaned to, you and that you are required by any ordinance, law, building code or written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" arising out of the existence, ownership, use, maintenance, repair, construction, erection or removal of any of the following for which that governmental entity has issued such permit or authorization: advertising signs, awnings, canopies, cellar entrances, coal holes, driveways, manholes, marquees, hoist away openings, sidewalk vaults, elevators, street banners or decorations.

I. BLANKET ADDITIONAL INSURED – GOVERNMENTAL ENTITIES – PERMITS OR AUTHORIZATIONS RELATING TO OPERATIONS

The following is added to SECTION II – WHO IS AN INSURED:

Any governmental entity that has issued a permit or authorization with respect to operations performed by you or on your behalf and that you are required by any ordinance, law, building code or written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" arising out of such operations.

The insurance provided to such governmental entity does not apply to:

a. Any "bodily injury", "property damage" or "personal and advertising injury" arising out of operations performed for the governmental entity; or

b. Any "bodily injury" or "property damage" included in the "products-completed operations hazard".

J. INCIDENTAL MEDICAL MALPRACTICE

1. The following replaces Paragraph b. of the definition of "occurrence" in the DEFINITIONS Section:

b. An act or omission committed in providing or failing to provide "incidental medical services", first aid or "Good Samaritan services" to a person, unless you are in the business or occupation of providing professional health care services.

2. The following replaces the last paragraph of Paragraph 2.a.(1) of SECTION II – WHO IS AN INSURED:

Unless you are in the business or occupation of providing professional health care services, Paragraphs (1)(a), (b), (c) and (d) above do not apply to "bodily injury" arising out of providing or failing to provide:

(a) "Incidental medical services" by any of your "employees" who is a nurse, nurse assistant, emergency medical technician, paramedic, athletic trainer, audiologist, dietician, nutritionist,
occupational therapist or occupational therapy assistant, physical therapist or speech-language pathologist; or

(b) First aid or "Good Samaritan services" by any of your "employees" or "volunteer workers", other than an employed or volunteer doctor. Any such "employees" or "volunteer workers" providing or failing to provide first aid or "Good Samaritan services" during their work hours for you will be deemed to be acting within the scope of their employment by you or performing duties related to the conduct of your business.

3. The following replaces the last sentence of Paragraph 5. of SECTION III – LIMITS OF INSURANCE:

For the purposes of determining the applicable Each Occurrence Limit, all related acts or omissions committed in providing or failing to provide "incidental medical services", first aid or "Good Samaritan services" to any one person will be deemed to be one "occurrence".

4. The following exclusion is added to Paragraph 2., Exclusions, of SECTION I – COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY:

Sale Of Pharmaceuticals
"Bodily injury" or "property damage" arising out of the violation of a penal statute or ordinance relating to the sale of pharmaceuticals committed by, or with the knowledge or consent of the insured.

5. The following is added to the DEFINITIONS Section:

"Incidental medical services" means:

a. Medical, surgical, dental, laboratory, x-ray or nursing service or treatment, advice or instruction, or the related furnishing of food or beverages; or

b. The furnishing or dispensing of drugs or medical, dental, or surgical supplies or appliances.

6. The following is added to Paragraph 4.b., Excess Insurance, of SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS:

This insurance is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to any of your "employees" for "bodily injury" that arises out of providing or failing to provide "incidental medical services" to any person to the extent not subject to Paragraph 2.a.(1) of Section II – Who Is An Insured.

K. MEDICAL PAYMENTS – INCREASED LIMIT

The following replaces Paragraph 7. of SECTION III – LIMITS OF INSURANCE:

7. Subject to Paragraph 5. above, the Medical Expense Limit is the most we will pay under Coverage C for all medical expenses because of "bodily injury" sustained by any one person, and will be the higher of:

a. $10,000; or

b. The amount shown in the Declarations of this Coverage Part for Medical Expense Limit.

L. AMENDMENT OF EXCESS INSURANCE CONDITION – PROFESSIONAL LIABILITY

The following is added to Paragraph 4.b., Excess Insurance, of SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS:

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis, that is Professional Liability or similar coverage, to the extent the loss is not subject to the professional services exclusion of Coverage A or Coverage B.

M. BLANKET WAIVER OF SUBROGATION – WHEN REQUIRED BY WRITTEN CONTRACT OR AGREEMENT

The following is added to Paragraph 8., Transfer Of Rights Of Recovery Against Others To Us, of SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS:

If the insured has agreed in a written contract or agreement to waive that insured's right of recovery against any person or organization, we waive our right of recovery against such person or organization, but only for payments we make because of:

a. "Bodily injury" or "property damage" that occurs; or

b. "Personal and advertising injury" caused by an offense that is committed;

subsequent to the signing of that contract or agreement.
N. CONTRACTUAL LIABILITY – RAILROADS

1. The following replaces Paragraph c. of the definition of "insured contract" in the DEFINITIONS Section:
   c. Any easement or license agreement;

2. Paragraph f.(1) of the definition of "insured contract" in the DEFINITIONS Section is deleted.
CITY OF PLACENTIA
PROFESSIONAL SERVICES AGREEMENT
WITH
BERG & ASSOCIATES, INC.

THIS AGREEMENT is made and entered into this 2nd day of April, 2024 ("Effective Date"), by and between the CITY OF PLACENTIA, a municipal corporation ("City"), and Berg & Associates, Inc. ("Consultant").

WITNESSETH:

A. WHEREAS, City proposes to utilize the services of Consultant as an independent contractor to provide on-call construction management and inspection services, as more fully described herein; and

B. WHEREAS, Consultant represents that it is "design professional" as that term is defined by California Civil Code Section 2782.8 and has that degree of specialized expertise contemplated within California Government Code Section 37103, and holds all necessary licenses to practice and perform the services herein contemplated; and

C. WHEREAS, City and Consultant desire to contract for the specific services described in Exhibit "A" (the "Project") and desire to set forth their rights, duties and liabilities in connection with the services to be performed; and

D. WHEREAS, no official or employee of City has a financial interest, within the provisions of Sections 1090-1092 of the California Government Code, in the subject matter of this Agreement; and

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein, the parties hereby agree as follows:

1.0. SERVICES PROVIDED BY CONSULTANT

1.1. Scope of Services. Consultant shall provide the professional services described in the Consultant’s Proposal ("Proposal"), attached hereto as Exhibit "A" and incorporated herein by this reference.

1.2. Professional Practices. All professional services to be provided by Consultant pursuant to this Agreement shall be provided by personnel experienced in their respective fields and in a manner consistent with the standards of care, diligence and skill ordinarily exercised by professional consultants in similar fields and circumstances in accordance with sound professional practices, and with credentials as a Certified Access Specialist under Subchapter 2.5 of Title 21 of the California Code of Regulations. Consultant also warrants that it is familiar with all laws that may affect its performance of this Agreement and shall advise City of any changes in any laws that may affect Consultant’s performance of this Agreement. Consultant shall keep itself informed of State and Federal laws and regulations which in any manner affect those employed by it or in any way affect the performance of its service pursuant to this Agreement. The Consultant shall at all times observe and comply with all such laws and regulations. Officers and employees shall not be liable at law or in equity occasioned by failure of the Consultant to comply with this section. Consultant also warrants that it has ownership of all intellectual property being provided under this Agreement.

1.3. Performance to Satisfaction of City. Consultant agrees to perform all the work to the complete satisfaction of the City and within the hereinafter specified. Evaluations of the work will be done by the City Administrator or his or her designee. If the quality of work is not satisfactory, City in its discretion has the right to:

Berg & Associates, Inc.
(a) Meet with Consultant to review the quality of the work and resolve the matters of concern;

(b) Require Consultant to repeat the work at no additional fee until it is satisfactory; and/or

(c) Terminate the Agreement as hereinafter set forth.

1.4. Warranty. Consultant warrants that it shall perform the services required by this Agreement in compliance with all applicable Federal and California employment laws, including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers’ compensation insurance and safety in employment; and all other Federal, State and local laws and ordinances applicable to the services required under this Agreement. Consultant shall indemnify and hold harmless City from and against all claims, demands, payments, suits, actions, proceedings, and judgments of every nature and description including attorneys’ fees and costs, presented, brought, or recovered against City for, or on account of any liability under any of the above-mentioned laws, which may be incurred by reason of Consultant’s performance under this Agreement.

1.5. Non-discrimination. In performing this Agreement, Consultant shall not engage in, nor permit its agents to engage in, discrimination in employment of persons because of their race, religion, color, national origin, ancestry, age, physical handicap, medical condition, marital status, sexual gender or sexual orientation, except as permitted pursuant to Section 12940 of the Government Code. Such actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. Consultant agrees to post in conspicuous places, available to employees and applicants for employment, a notice setting forth provisions of this non-discrimination clause.

Consultant shall, in all solicitations and advertisements for employees placed by, or on behalf of Consultant shall state that all qualified applicants will receive consideration for employment without regard to age, race, color, religion, sex, marital status, national origin, or mental or physical disability. Consultant shall cause the paragraphs contained in this Section to be inserted in all subcontracts for any work covered by the Agreement, provided that the foregoing provisions shall not apply to subcontracts for standard commercial supplies or raw materials.

1.6. Non-Exclusive Agreement. Consultant acknowledges that City may enter into agreements with other consultants for services similar to the services that are subject to this Agreement or may have its own employees perform services similar to those services contemplated by this Agreement.

1.7. Delegation and Assignment. This is a personal service contract, and the duties set forth herein shall not be delegated or assigned to any person or entity without the prior written consent of City. Consultant may engage a subcontractor(s) as permitted by law and may employ other personnel to perform services contemplated by this Agreement at Consultant’s sole cost and expense. All insurance requirements contained in this Agreement are independently applicable to any and all subcontractors that Consultant may engage during the term of this Agreement.

1.8. Confidentiality. Employees of Consultant in the course of their duties may have access to financial, accounting, statistical, and personnel data of private individuals and employees of City. Consultant covenants that all data, documents, discussion, or other information developed or received by Consultant or provided for performance of this Agreement are deemed confidential and shall not be disclosed by Consultant without written authorization by City. City shall grant such authorization if disclosure is required by law. All City data shall be returned to City upon the termination of this Agreement. Consultant’s covenant under this Section shall survive the termination of this Agreement.
2.0. COMPENSATION AND BILLING

2.1. Compensation. Consultant shall be paid in accordance with the fee schedule set forth in Exhibit "A". Consultant’s total compensation shall not exceed Five Hundred Thousand Dollars ($500,000), unless authorized herein.

2.2. Additional Services. Consultant shall not receive compensation for any services provided outside the scope of services specified in the Consultant’s Proposal or which is inconsistent with or in violation of the provisions of this Agreement unless the City or the Project Manager for this Project, prior to Consultant performing the additional services, approves such additional services in writing. It is specifically understood that oral requests and/or approvals of such additional services or additional compensation shall be barred and are unenforceable. Should the City request in writing additional services that increase the hereinabove described “SCOPE OF SERVICES”, an additional fee based upon the Consultant’s standard hourly rates shall be paid to the Consultant for such additional services. Such increase in additional fees shall be limited to 25% of the total contract sum or $25,000 whichever is more. The City Engineer is authorized to approve a Change Order for such additional services.

2.3. Method of Billing. Consultant may submit invoices to the City for approval on a progress basis, but no more often than two times a month. Said invoice shall be based on the total of all Consultant’s services which have been completed to City’s sole satisfaction. City shall pay Consultant’s invoice within forty-five (45) days from the date City receives said invoice. Each invoice shall describe in detail, the services performed, the date of performance, and the associated time for completion. Any additional services approved and performed pursuant to this Agreement shall be designated as “Additional Services” and shall identify the number of the authorized change order, where applicable, on all invoices.

2.4. Records and Audits. Records of Consultant’s services relating to this Agreement shall be maintained in accordance with generally recognized accounting principles and shall be made available to City or its Project Manager for inspection and/or audit at mutually convenient times for a period of three (3) years from the Effective Date.

3.0. TIME OF PERFORMANCE

3.1. Commencement and Completion of Work. The professional services to be performed pursuant to this Agreement shall commence within five (5) days from the Effective Date of this Agreement. Said services shall be performed in strict compliance with the Project Schedule approved by City as set forth in Exhibit “A”.

3.2. Excusable Delays. Neither party shall be responsible for delays or lack of performance resulting from acts beyond the reasonable control of the party or parties. Such acts shall include, but not be limited to, acts of God, fire, strikes, material shortages, compliance with laws or regulations, riots, acts of war, or any other conditions beyond the reasonable control of a party. If a delay beyond the control of the Consultant is encountered, a time extension may be mutually agreed upon in writing by the City and the Consultant. The Consultant shall present documentation satisfactory to the City to substantiate any request for a time extension.

4.0. TERM AND TERMINATION

4.1. Term. This Agreement shall commence on the Effective Date and continue for a period of 3 years, ending on April 2, 2027 unless previously terminated as provided herein or as otherwise agreed to in writing by the parties. One (1) two-year extension is available based on Consultant performance and at the discretion of the City. Approval of the term extension is contingent upon City Council review and approval at the conclusion of the initial three-years.

4.2. Notice of Termination. The City reserves and has the right and privilege of canceling,
suspending or abandoning the execution of all or any part of the work contemplated by this Agreement, with or without cause, at any time, by providing at least fifteen (15) days prior written notice to Consultant. The termination of this Agreement shall be deemed effective upon receipt of the notice of termination. In the event of such termination, Consultant shall immediately stop rendering services under this Agreement unless directed otherwise by the City. If the City suspends, terminates or abandons a portion of this Agreement such suspension, termination or abandonment shall not make void or invalidate the remainder of this Agreement.

If the Consultant defaults in the performance of any of the terms or conditions of this Agreement, it shall have ten (10) days after service upon it of written notice of such default in which to cure the default by rendering a satisfactory performance. In the event that the Consultant fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

The City shall have the right, notwithstanding any other provisions of this Agreement, to terminate this Agreement, at its option and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement, immediately upon service of written notice of termination on the Consultant, if the latter should:

a. Be adjudged a bankrupt;

b. Become insolvent or have a receiver of its assets or property appointed because of insolvency;

c. Make a general assignment for the benefit of creditors;

d. Default in the performance of any obligation or payment of any indebtedness under this Agreement;

e. Suffer any judgment against it to remain unsatisfied or unbonded of record for thirty (30) days or longer;

f. Institute or suffer to be instituted any procedures for reorganization or rearrangement of its affairs.

4.3. Compensation. In the event of termination, City shall pay Consultant for reasonable costs incurred and professional services satisfactorily performed up to and including the date of City’s written notice of termination within thirty-five (35) days after service of the notice of termination. Compensation for work in progress shall be prorated based on the percentage of work completed as of the effective date of termination in accordance with the fees set forth herein. In ascertaining the professional services actually rendered hereunder up to the effective date of termination of this Agreement, consideration shall be given to both completed work and work in progress, to complete and incomplete drawings, and to other documents pertaining to the services contemplated herein whether delivered to the City or in the possession of the Consultant. City shall not be liable for any claim of lost profits.

4.4. Documents. In the event of termination of this Agreement, all documents prepared by Consultant in its performance of this Agreement including, but not limited to, finished or unfinished design, development and construction documents, data studies, drawings, maps and reports, shall be delivered to the City within ten (10) days of delivery of termination notice to Consultant, at no cost to City. Any use of uncompleted documents without specific written authorization from Consultant shall be at City’s sole risk and without liability or legal expense to Consultant.

5.0. INSURANCE

5.1. Minimum Scope and Limits of Insurance. Consultant shall obtain, maintain, and keep in full force and effect during the life of this Agreement all the following minimum scope of insurance
coverages with an insurance company admitted to do business in California, rated “A,” Class X, or better in the most recent Best’s Key Insurance Rating Guide, and approved by City:

(a) Broad-form commercial general liability, in a form at least as broad as ISO from #CG 00 01 04 13, including premises-operations, products/completed operations, broad form property damage, blanket contractual liability, independent contractors, personal injury or bodily injury with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or shall be twice the required occurrence limit. If Consultant maintains higher limits that the specified minimum limits, City requires and shall be entitled to coverage for the high limits maintained by the Consultant.

(b) Business automobile liability for owned vehicles, hired, and non-owned vehicles, with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, each incident for bodily injury and property damage.

(c) Workers' compensation insurance as required by the State of California and Employers Liability Insurance with a minimum limit of $1,000,000 per accident for any employee or employees of Consultant. Consultant agrees to waive, and to obtain endorsements from its workers’ compensation insurer waiving subrogation rights under its workers’ compensation insurance policy against the City, its officers, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its subcontractors, if any, to do likewise under their workers’ compensation insurance policies.

Before execution of this Agreement by the City, the Consultant shall file with the Public Works Director/City Engineer the following signed certification:

I am aware of, and will comply with, Section 3700 of the Labor Code, requiring every employer to be insured against liability of Workers' Compensation or to undertake self-insurance before commencing any of the work.

The Consultant shall also comply with Section 3800 of the Labor Code by securing, paying for and maintaining in full force and effect for the duration of this Agreement, complete Workers' Compensation Insurance, and shall furnish a Certificate of Insurance to the Public Works Director/City Engineer before execution of this Agreement by the City. The City, its officers and employees shall not be responsible for any claims in law or equity occasioned by failure of the consultant to comply with this section.

(d) Professional errors and omissions ("E&O") liability insurance with policy limits of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence and aggregate. Architects' and engineers' coverage shall be endorsed to include contractual liability. If the policy is written as a “claims made” policy, the retro date shall be prior to the start of the contract work. Consultant shall obtain and maintain, said E&O liability insurance during the life of this Agreement and for three years after completion of the work hereunder.

Neither the CITY nor any of its elected or appointed officials, officers, agents, employees, or volunteers makes any representation that the types of insurance and the limits specified to be carried by Consultant under this Agreement are adequate to protect Consultant. If Consultant believes that any such insurance coverage is insufficient, Consultant shall provide, at its own expense, such additional insurance as Consultant deems adequate.
5.2. **Endorsements.** The commercial general liability insurance policy and business automobile liability policy shall contain or be endorsed to contain the following provisions as worded below.

(a) Additional insureds: "The City of Placentia and its elected and appointed boards, officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of the Consultant pursuant to its contract with the City; products and completed operations of the Consultant; premises owned, occupied or used by the Consultant; automobiles owned, leased, hired, or borrowed by the Consultant."

(b) Notice: "Consultant shall provide immediate written notice if (1) any of the required insurance policies is terminated; (2) the limits of any of the required polices are reduced; (3) or the deductible or self-insured retention is increased. In the event of any cancellation or reduction in coverage or limits of any insurance, Consultant shall forthwith obtain and submit proof of substitute insurance. Should Consultant fail to immediately procure other insurance, as specified, to substitute for any canceled policy, the City may procure such insurance at Consultant’s sole cost and expense."

(c) Other insurance: "The Consultant’s insurance coverage shall be primary insurance as respects the City of Placentia, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of Placentia shall be excess and not contributing with the insurance provided by this policy."

(d) Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of Placentia, its officers, officials, agents, employees, and volunteers.

(e) The Consultant’s insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer’s liability.

5.3. **Deductible or Self-Insured Retention.** If any of such policies provide for a deductible or self-insured retention to provide such coverage, the amount of such deductible or self-insured retention shall be approved in advance by City. No policy of insurance issued as to which the City is an additional insured shall contain a provision which requires that no insured except the named insured can satisfy any such deductible or self-insured retention.

5.4. **Certificates of Insurance.** Consultant shall provide to City certificates of insurance showing the insurance coverages and required endorsements described above, in a form and content approved by City, prior to performing any services under this Agreement. The certificates of insurance and endorsements shall be attached hereto as Exhibit "B" and incorporated herein by this reference.

5.5. **Non-limiting.** Nothing in this Section shall be construed as limiting in any way, the indemnification provision contained in this Agreement, or the extent to which Consultant may be held responsible for payments of damages to persons or property.

6.0. **GENERAL PROVISIONS**

6.1. **Entire Agreement.** This Agreement constitutes the entire agreement between the parties with respect to any matter referenced herein and supersedes any and all other prior writings and oral negotiations. This Agreement may be modified only in writing and signed by the parties in interest at the time of such modification. The terms of this Agreement shall prevail over any inconsistent provision in any other contract document appurtenant hereto, including exhibits to this Agreement.
6.2. **Representatives.** The City Administrator or his or her designee shall be the representative of City for purposes of this Agreement and may issue all consents, approvals, directives and agreements on behalf of the City, called for by this Agreement, except as otherwise expressly provided in this Agreement.

Consultant shall designate a representative for purposes of this Agreement who shall be authorized to issue all consents, approvals, directives and agreements on behalf of Consultant called for by this Agreement, except as otherwise expressly provided in this Agreement.

6.3. **Project Managers.** City shall designate a Project Manager to work directly with Consultant in the performance of this Agreement. It shall be the Consultant’s responsibility to assure that the Project Manager is kept informed of the progress of the performance of the services and the Consultant shall refer any decision, which must be made by City, to the Project Manager. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Project Manager.

Consultant shall designate a Project Manager who shall represent it and be its agent in all consultations with City during the term of this Agreement and who shall not be changed by Consultant without the express written approval by the City. Consultant or its Project Manager shall attend and assist in all coordination meetings called by City.

6.4. **Notices.** Any notices, documents, correspondence or other communications concerning this Agreement, or the work hereunder may be provided by personal delivery, facsimile or if mailed, shall be addressed as set forth below and placed in a sealed envelope, postage prepaid, and deposited in the United States Postal Service. Such communication shall be deemed served or delivered: a) at the time of delivery if such communication is sent by personal delivery; b) at the time of transmission if such communication is sent by facsimile; and c) 72 hours after deposit in the U.S. Mail as reflected by the official U.S. postmark if such communication is sent through regular United States mail.

6.5. **Attorneys’ Fees.** In the event that litigation is brought by any party in connection with this Agreement, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys’ fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any of the terms, conditions, or provisions hereof.

6.6. **Governing Law.** This Agreement shall be governed by and construed under the laws of the State of California without giving effect to that body of laws pertaining to conflict of laws. In the event of any legal action to enforce or interpret this Agreement, the parties hereto agree that the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California. Consultant agrees to submit to the personal jurisdiction of such court in the event of such action.

6.7. **Assignment.** Consultant shall not voluntarily or by operation of law assign, transfer, sublet or encumber all or any part of Consultant's interest in this Agreement without City's prior written consent. Any attempted assignment, transfer, subletting or encumbrance shall be void and shall constitute a breach of this Agreement and cause for termination of this Agreement. Regardless of City's consent, no subletting or assignment shall release Consultant of Consultant's obligation to perform all other obligations to be performed by Consultant hereunder for the term of this Agreement.
6.8. **Indemnification and Hold Harmless.** Consultant agrees to defend, indemnify, hold free and harmless the City, its elected and appointed officials, officers, agents and employees, at Consultant’s sole expense, from and against any and all claims, demands, actions, suits or other legal proceedings arising out of, pertaining to, or relating to the negligence, recklessness, or willful misconduct of Consultant brought against the City, its elected and appointed officials, officers, agents and employees arising out of the performance of the Consultant, its employees, and/or authorized subcontractors, of the work undertaken pursuant to this Agreement. The defense obligation provided for hereunder shall apply without any advance showing of negligence, recklessness, or willful misconduct by the Consultant, its employees, and/or authorized subcontractors, but shall be required whenever any claim, action, complaint, or suit asserts as its basis the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors, and/or--whenever any claim, action, complaint or suit asserts liability against the City, its elected and appointed officials, officers, agents and employees based upon the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors under this Agreement, whether or not the Consultant, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable. Notwithstanding the foregoing, the Consultant shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City’s specifications or Consultant’s Proposal, which shall be of no force and effect.

6.9. **Independent Contractor.** Consultant is and shall be acting at all times as an independent contractor and not as an employee of City. Consultant shall have no power to incur any debt, obligation, or liability on behalf of City or otherwise act on behalf of City as an agent. Neither City nor any of its agents shall have control over the conduct of Consultant or any of Consultant’s employees, except as set forth in this Agreement. Consultant shall not, at any time, or in any manner, represent that it or any of its or employees are in any manner agents or employees of City. Consultant shall secure, at its sole expense, and be responsible for any and all payment of Income Tax, Social Security, State Disability Insurance Compensation, Unemployment Compensation, and other payroll deductions for Consultant and its officers, agents, and employees, and all business licenses, if any are required, in connection with the services to be performed hereunder. Consultant shall indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant further agrees to indemnify and hold City harmless from any failure of Consultant to comply with the applicable worker’s compensation laws. City shall have the right to offset against the amount of any fees due to Consultant under this Agreement any amount due to City from Consultant as a result of Consultant’s failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

6.10. **PERS Eligibility Indemnification.** In the event that Consultant or any employee, agent, or subcontractor of Consultant providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Consultant shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Notwithstanding any other agency, state or federal policy, rule, regulation, law or ordinance to the contrary, Consultant and any of its employees, agents, and subcontractors providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

6.11. **Cooperation.** In the event any claim or action is brought against City relating to Consultant’s performance or services rendered under this Agreement, Consultant shall render any reasonable assistance and cooperation which City might require.
6.12. **Ownership of Documents.** All findings, reports, documents, information and data including, but not limited to, computer tapes or discs, preliminary notes, working documents, files and tapes furnished or prepared by Consultant or any of its subcontractors in the course of performance of this Agreement, shall be and remain the sole property of City. Consultant agrees that any such documents or information shall not be made available to any individual or organization without the prior consent of City but shall be made available to the City within ten (10) days of request or within ten (10) days of termination. Any use of such documents for other projects not contemplated by this Agreement, and any use of incomplete documents, shall be at the sole risk of City and without liability or legal exposure to Consultant. City shall indemnify and hold harmless Consultant from all claims, damages, losses, and expenses, including attorneys’ fees, arising out of or resulting from City’s use of such documents for other projects not contemplated by this Agreement or use of incomplete documents furnished by Consultant. Consultant shall deliver to City any findings, reports, documents, information, data, preliminary notes and working documents, in any form, including but not limited to, computer tapes, discs, files audio tapes or any other Project related items as requested by City or its authorized representative, at no additional cost to the City. Consultant or Consultant’s agents shall execute such documents as may be necessary from time to time to confirm City’s ownership of the copyright in such documents.

6.13. **Public Records Act Disclosure.** Consultant has been advised and is aware that this Agreement and all reports, documents, information and data, including, but not limited to, computer tapes, discs or files furnished or prepared by Consultant, or any of its subcontractors, pursuant to this Agreement and provided to City may be subject to public disclosure as required by the California Public Records Act (California Government Code Section 6250 et seq.). Exceptions to public disclosure may be those documents or information that qualify as trade secrets, as that term is defined in the California Government Code Section 6254.7, and of which Consultant informs City of such trade secret. The City will endeavor to maintain as confidential all information obtained by it that is designated as a trade secret. The City shall not, in any way, be liable or responsible for the disclosure of any trade secret including, without limitation, those records so marked if disclosure is deemed to be required by law or by order of the Court.

6.14. **Conflict of Interest.** Consultant and its officers, employees, associates and subconsultants, if any, will comply with all conflict of interest statutes of the State of California applicable to Consultant’s services under this agreement, including, but not limited to, the Political Reform Act (Government Code Sections 81000, et seq.) and Government Code Section 1090. During the term of this Agreement, Consultant and its officers, employees, associates and subconsultants shall not, without the prior written approval of the City Representative, perform work for another person or entity for whom Consultant is not currently performing work that would require Consultant or one of its officers, employees, associates or subconsultants to abstain from a decision under this Agreement pursuant to a conflict of interest statute.

6.15. **Responsibility for Errors.** Consultant shall be responsible for its work and results under this Agreement. Consultant, when requested, shall furnish clarification and/or explanation as may be required by the City’s representative, regarding any services rendered under this Agreement at no additional cost to City. In the event that an error or omission attributable to Consultant occurs, Consultant shall, at no cost to City, provide all necessary design drawings, estimates and other Consultant professional services necessary to rectify and correct the matter to the sole satisfaction of City and to participate in any meeting required with regard to the correction.

6.16. **Prohibited Employment.** Consultant will not employ any regular employee of City while this Agreement is in effect.

6.17. **Order of Precedence.** In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and
those of any such provision or provisions so incorporated by reference, the conflict shall be resolved by giving precedence in the following order, if applicable: This Agreement, the City’s Request for Proposals, the Consultant’s Proposal.

6.18. **Costs.** Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.

6.19. **No Third Party Beneficiary Rights.** This Agreement is entered into for the sole benefit of City and Consultant and no other parties are intended to be direct or incidental beneficiaries of this Agreement and no third party shall have any right in, under or to this Agreement.

6.20. **Headings.** Paragraphs and subparagraph headings contained in this Agreement are included solely for convenience and are not intended to modify, explain or to be a full or accurate description of the content thereof and shall not in any way affect the meaning or interpretation of this Agreement.

6.21. **Construction.** The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. There shall be no presumption or burden of proof favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

6.22. **Amendments.** Only a writing executed by the parties hereto or their respective successors and assigns may amend this Agreement.

6.23. **Waiver.** The delay or failure of either party at any time to require performance or compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of those rights to require such performance or compliance. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom enforcement of a waiver is sought. The waiver of any right or remedy in respect to any occurrence or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a continuing waiver.

6.24. **Severability.** If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial benefit of the bargain for any party, is materially impaired, which determination made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.

6.25. **Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original. All counterparts shall be construed together and shall constitute one agreement.

6.26. **Corporate Authority.** The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by doing so the parties hereto are formally bound to the provisions of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective authorized officers, as of the date first above written.

Attn: Chris Tanio, PE - Deputy Director/City Engineer

Subject: RFP No. PW-24-01: On-Call Construction Management and Inspection Services for the City of Placentia

Dear Mr. Tanio,

Berg & Associates, Inc. (Berg) is pleased to submit our proposal to provide Project Management and Construction Management Services to the City of Placentia for On-Call Construction Management and Inspection Services. We have over **four decades of experience** managing civil works projects for local cities and agencies and understand the challenge and how to succeed at completing projects on time and on budget while ensuring that the public is safe, and inconvenience is minimized. Berg has successfully completed projects involving street and roadway rehabilitation, structures, bridges, water mains and pipelines, pump stations and storm drains. We are a **perfect match** for the types of projects you anticipate for your upcoming Capital Improvement Projects.

We are organized in a way that allows for quick decision-making and rapid responses that has proven successful for on-call contracts with Los Angeles World Airports, the Ports of Los Angeles and Long Beach, as well as numerous public agencies and cities including Huntington Beach, Long Beach, Santa Monica, West Hollywood, Palm Springs, and Rialto.

Berg brings a **well-established roster of personnel** that are the best in the business, and we are proud to say they have been loyal to Berg for decades due to our commitment to excellence not only for our clients, but to the esteemed people who work for us. Our proposed Project Manager, Dave Smith, PE, QSD, brings 30 years of public works management experience and 26 years with our firm. Dave is truly gifted in managing projects and brings phenomenal expertise in managing the contractor, caretaking the public, and blending ideally with City staff.

The Berg Team has the required capacity, breadth, depth, availability, and financial stability to perform the requirements of the RFP. By submitting this proposal, we acknowledge that we have read and understand the contents of this RFP and agree to comply with the requirements and conditions contained in the RFP and all of the applicable Exhibits. We agree to and endorse the following required proposal statements:

A. BergCM will perform the services and adhere to the requirements described in this RFP, including any addenda. **We acknowledge receipt of Addendum 1.**

B. We acknowledge that subsequent to award of this RFP, all or part of any submittal may be released to any person or firm who may request it, as prescribed by the State of California Public Records Act.

C. Our cost proposal is considered proprietary and should not be releasable as public information. We are aware that all such requests may be subject to legal review and challenge.
D. We will not substitute members of your designated team without approval by the City of Placentia staff.

E. BergCM has declares we have no Conflict of Interest.

F. BergCM declares there has been no collusion with other firms.

G. BergCM has the ability and is in agreement to fulfill the indemnification and insurance requirements contained in the sample contract.

As President, I am authorized to negotiate terms, render binding decisions, and commit the firm’s resources.

Please feel free to contact us via email with any questions or further information requirements: deborah@bergcm.com. For more information, visit our website at www.bergcm.com. We look forward to the opportunity to serve you!

Sincerely,

Deborah Berg, MPA

C. EXECUTIVE SUMMARY
COMPANY OVERVIEW
Berg & Associates, Inc. (BergCM) is a Certified SBE/WBE with 44 years of dedicated service in Southern California at the forefront of construction, project, and program management. BergCM, as prime, has maintained a strong presence in Southern California as a full-service CM firm, successfully delivering multi-jurisdictional, multi-phased, multi-staged infrastructure projects ranging from less than $1 million to more than $100 million in construction value.

Our diverse portfolio of longstanding repeat clients attests to BergCM's reputation for dedicated service, dependable project delivery, and our consistency in delivering quality staff and award-winning projects.

- **Comprehensive Services**
  Construction management, office engineering, civil and structural inspection, document control, project controls, scheduling, estimating, claims support, change management, specialty inspection, resident engineering, and structural engineering.

- **Project Diversity**
  Specializing in transportation and infrastructure, we consistently deliver exceptional public works improvement projects that involve street rehabilitation, site improvements, parks and recreation improvements, building facilities, bridges, traffic signals, and water infrastructure.

- **Proven Track Record**
  Clients are more than accounts; they're partners in our success.

  “What I found impressive [about BergCM] is the team’s willingness to support and meet the City’s needs when issues came up.”
  
  City of Santa Monica - Fabio M. Macias, Civil Engineering Associate
  20/21 Annual Wastewater Replacement Project

- **On-Call Experts**
  Over 22 on-call contracts held including agencies like Los Angeles World Airports, LADOT, MWD, and the Port of Los Angeles, with more than 20 task order directives successfully executed.

- **Dedicated Team**
  At BergCM, our employees are our greatest asset. Our team’s longevity reflects our company’s depth of experience.

- **Award-Winning Excellence**
  Providing mutual benefits by writing nominations for project awards. With over 30 project awards and counting, our projects consistently meet award criteria.

- **Knowledge of Standards & Regulations**
Most importantly, we have maintained a sense of community, with a strongly held belief that **PUBLIC WORKS ARE A PUBLIC TRUST**. We are honored when entrusted with a project and do our very best to exceed expectations for quality and efficiency. We know from working with the City of Irvine, that the City prioritizes consistent communication, smooth operations, and efficient documentation. A project is not just more construction, but an iconic improvement that symbolizes the City’s care for improving accessibility and safety for their community.

We are dedicated to bringing the most qualified team members, engineering best-practices, and newest technology to our projects, making us... Your Bridge to a Better Project!

**Company’s Growth**

BergCM is continually expanding its array of services to meet client demand. We are in excellent financial condition, experiencing steady growth with increasing capacity. All accounting records are maintained according to Generally Accepted Accounting Principles (GAAP) and we utilize a Caltrans audited overhead rate in conformance with the Federal Acquisition Regulations (FARs).

**Company Culture**

BergCM is a Woman-Owned (WBE), Disadvantaged Business Enterprise (DBE), and Small Business Enterprise (SBE). Throughout her career, Deborah Berg, MPA, President of BergCM, has become an influential figure in the industry, as co-founder of WTS-Inland Empire and Former President of WTS-Los Angeles, she leads the firm as a stand-out SBE/DBE/WBE company that consistently holds Prime contracts. Her leadership as a woman in construction is reflected in her team, as BergCM has empowered numerous women in their engineering and public works careers. She continues to **advance the industry** through participation in CMAA, WTS, APWA, ACEC, ASCE and the Cal-Mentor Program.

Deborah’s proactive, communicative, and problem-solving attitude has shaped BergCM company culture. BergCM staff are a rare team in the construction management industry, with the majority of our **staff achieving long-tenure**, due to a positive environment, continued education mindset, and team-oriented attitude.

**Technology & Expertise**

We recognize that we must demonstrate our **cost effectiveness** and **schedule management** on every project, and we continually look for tools and processes that allow us to work more efficiently. BergCM was one of the first to use drone technology to survey and document construction progress. All staff, not just administration, are versed in the latest construction and project management softwares. Field personnel are equipped with iPads/tablets for real-time reporting from any location on the project site.

BergCM implements procedural and technical innovations to improve our communication, documentation, and evaluation methods including:

- ✔ Cloud-based Internal Document Control System
- ✔ Digital As-Builts in Bluebeam
- ✔ Customized Automations for Documentation Due Dates
- ✔ Contractor Submission Portal & Transmittal System
- ✔ Aerial Drone Photography & Licensed Drone Pilots
- ✔ Field Inspection Tablets
- ✔ CMAA Project Interns

D. PROJECT TEAM ORGANIZATION

BergCM offers proposed on-call staff with a proven track record of delivering projects of all sizes to our clients successfully, within schedule and budget. They understand, from experience, the intricacies of constructability reviews, contract administration, claims avoidance, document control, engineering reviews, and project communication. Many of our projects involve state and federal funding, making us adept at conforming to all project procedures for any funding compliance. Full resumes for all proposed personnel are available to the City upon request.

We employ a full range of staff including licensed civil engineers, QA managers, technical field personnel, inspectors, utility coordinators, controls & claims specialists, and public outreach professionals. All proposed staff on the BergCM team are well versed in Caltrans and Greenbook standards, procedures, and practices, and have project experience on major public works projects in coordination with Caltrans and Southern California utility companies.

All team members interact effectively with City staff, other consultants, stakeholders, regulatory agencies, and utilities to ensure project expectations are met and exceeded. We promote a collaborative working and learning environment for our personnel, providing regular training programs and courses to enhance team knowledge.

For 40+ years, BergCM has provided teams to public agencies built upon a foundation of:

✔ SAFETY – Highest priority!
✔ RESPECT – For everyone, in all circumstances.
✔ INTEGRITY – Zero tolerance for cutting corners on standards, deliverables, and professionalism.
✔ COMMUNICATION – Clear, proactive, concise, and patient
✔ TEAMWORK – Team members support each other and do what it takes to get the job done.
✔ DEDICATION – Staff remain available 24/7
✔ QUALITY – Experienced problem solvers, with licenses, certifications, & knowledge required for Quality Assurance
✔ INNOVATION – Integrating new technologies, automations, cloud-based reporting, and digital as-builds.

PROJECT MANAGER & KEY STAFF EXPERIENCE
BergCM proposes David J. Smith, PE, QSD/P, as Project Manager, to lead Task Order efforts and oversee quality of all deliverables by BergCM staff. He is highly qualified and knowledgeable to provide the City with sound engineering and excellent project management services.

David J. Smith, PE, QSD/P
PROJECT MANAGER/SR. RESIDENT ENGINEER

Dave brings a boots-on-the-ground approach to his project management methodologies, daily workflow, and team leadership. After graduating with a Bachelors in Civil Engineering from Cal Poly Pomona, Dave began his career in Caltrans District 8 Division of Structures, where bridges became his passion. Since joining Berg 26 years ago, he has served as Project Manager, Resident Engineer, and Structures Representative on bridges and grade separations involving a heavy emphasis on utility coordination and safety.

Dave has a deep respect for construction standards and in particular Caltrans standards. This respect and understanding, paired with his attention to detail for ensuring work quality compliance in a multi-agency & multi-stakeholder environment, makes him the best choice to lead the team and to represent the City of Placentia.

Experience with On-Call Contracts
With a long history working as an extension of staff on numerous on-call contracts, our personnel are flexible, easily adapt to changing workloads, and are cross-trained to work both in the field and in the office. We promote a collaborative working and learning environment and provide regular training programs and courses to enhance team knowledge and efficiency. All our personnel work with the latest variety of construction management proprietary software and field personnel are fully equipped to provide real-time reporting from any location on the project site.

Whether it’s a single person or a whole team desired, we make certain we have local players on the bench who are ready to go to work expeditiously once a need has been identified. By remaining in contact with the City of Placentia, team management is prepared to answer task order calls without hesitation or delay. We are organized in a way that allows for quick decision-making and rapid responses that has proven successful in over 22 on-call contracts with values ranging from $1 million to $13 million.

Experience with Road Rehabilitation & Concrete Construction
Since 1980, BergCM has successfully completed projects that encompass the city’s capital improvement plans including street rehabilitation, storm drain and sewer improvements, bridges (over 30 in our portfolio!), buildings, traffic signals, parks, concrete (pavement, sidewalk, curb, gutter, ramps, drives, etc.), electrical and mechanical systems, and bike and pedestrian mobility. We’ve managed high-profile street improvement projects including the famous Sunset Strip and Melrose Avenue in West Hollywood and North Santa Monica Boulevard in Beverly Hills. These projects required proactive public outreach and communication to keep businesses, residents, travelers, and first responders informed of all construction activities before the community was impacted. Some of our recent street improvement projects include:

Experience with Utility Infrastructure (Sewer, Storm Drains, & Water Mains)
BergCM has completed projects that included water main replacements, storm drain installations and pump station construction. We have installed thousands of feet of water mains and laterals for the cities of Santa Monica, Rialto, Santa Ana, Moreno Valley, Fullerton, Torrance, and El Segundo. BergCM holds a 3-year contract with Metropolitan Water District for On-Call CM and Inspection Services for their Western Region Projects. We have worked with many MWD member agencies including Eastern Municipal Water
District, Western Municipal Water District, Inland Empire Utilities Agency, and Three Valleys Municipal Water District, and the Water Replenishment District.

We have managed $160 million for projects within the Alameda Corridor Transportation Authority including the Anaheim Street Storm Drain Project, consisting of large diameter, 84-inch, 72-inch, and 48-inch storm drainpipe, micro-tunneling methods, open trench construction, traffic control, ground water management, and removal of contaminated soil and water.

As part of our on-call with the City of Santa Monica, BergCM is providing construction field observation of the City’s FY 2020/21 Wastewater Main Replacement Project. This $3.2 million project replaces/repairs approximately 9,000 LF of 6”, 8”, and 10” sewer pipe. Many of our larger infrastructure projects involve coordination with Sanitation districts and the reconstruction or protect-in-place requirements of sewer pipelines. Recent projects include:

Experience with Mechanical & Electrical Systems

Project Manager, Dave Smith, PE, QSD, along with his team, Dominic Costello, CPII and Carlos Quiroz, QSP have completed numerous pump stations together including - the Anaheim Street Pump Station, Raymond Avenue Grade Separation (which had 3 pump stations within the project scope), and Fullerton Road Grade Separation. They are very familiar and knowledgeable about the mechanical and electrical requirements for these type of construction projects. We understand from experience that the new pumps (main pumps) along with the electrical equipment must have early submittals and tracking procurement times is critical to maintaining the construction path.

Inspection activities include verifying products delivered to the jobsite in undamaged condition and being stored and handled per manufacturer recommendations; collecting and reviewing required paperwork such as MTRs and COCs; verifying anchorages comply with project specifications; inspecting proper installation of drainage and electrical components including control panels; verifying joints and fittings; witnessing required Operational and Performance Tests; verifying installed equipment is protected from damage; inspecting installation of miscellaneous items such as access doors, ladders, and grating platforms.

Experience with Traffic Signals & Lighting

The BergCM team has extensive experience with traffic signals and electrical lighting as shown below. For the LAUS Lighting & CIS Improvements, our team oversaw a complex fiber optic network integration into the existing network allowing for more intelligent and interactive management of the station’s train times displayed to the traveling public. During the LAUS Platform 7, work included installation and integration of LED/LCD displays on the train platforms and in the passenger tunnel and waiting rooms. Proposed team members Cass and Dominic were the lead team members involved in these projects. Dominic also led a program for City of Pomona involving the retrofit of approximately 4,200 City-owned street and intersection safety lights with reconditioned, energy efficient “QL” induction, cobra head luminaries. Project Manager, Dave, oversaw the installation of traffic signal and lighting work for many of his projects, including the SR-118 Widening with Caltrans District 7.

F. UNDERSTANDING & APPROACH

In order to lead a successful program, the specifics of multiple projects must be coordinated simultaneously. We understand that the City has a great task in managing its Capital Improvement Program. We collaborate with the City and assist to ensure that all considerations have been made by the Designer when we are tasked with managing a project during construction. For instance, we will ensure that required permits are applied for with the proper duration of time and the specifications of each contract are in compliance with funding requirements to ensure the City will receive maximum reimbursements. As multiple projects may be occurring throughout the City simultaneously, coordination between projects can present issues such as traffic control conflicts. We will make sure that the schedules, traffic plans, permits and any other possible overlapping aspects of simultaneous projects are cohesive and do not disrupt the individual project schedules.

Methodology

*Quality construction does not just happen*, it is the result of the successful alliance between the City, designer, contractor, and construction manager. Berg’s approach to contract administration promotes teamwork and cooperation, understanding that a project’s success depends on the success of each party. We have seen proof that continuous and effective communication is vital to the success of all projects, and we promote this by:

✔ Establishing clear lines of communication
✔ Resolving issues at the lowest possible level and creating guidelines for escalating issues
✔ Timely responses to RFIs and submittals
✔ Avoiding surprises and contentious correspondence
✔ Being positive and cooperative

We believe in a “no surprises” approach to communications where we keep all stakeholders well informed of project status and discuss and resolve issues as they evolve.

We ensure that contract compliance occurs throughout the project by becoming thoroughly familiar with the contract and providing recommendations before construction begins. We make certain that both the contractor and our CM team are in compliance throughout construction with on-going evaluation through site visits, internal audits, and continual review of the contract documents.

Our QA/QC program is rooted in three fundamentals that we practice in every aspect of the project: *communication, documentation, and evaluation*. As illustrated in the graphic, we use these core tenants to avoid and/or mitigate conflict, changes, or claims.

Approach

BergCM will keep the City updated on the progress of the work with a weekly status report that will be a quickly digestible dashboard of work completed and work anticipated during the following week, outstanding RFI’s or RFC’s, Change Orders to date, total budget expended to date and amount remaining, schedule adherence confirmation and several key photos that represent the week’s
progress. Additionally, the City can access the current project logs and their associated documents at any time via our online project portal.

Our proposed construction managers and administrative staff have extensive experience implementing standards and specifications including: Caltrans Standard Plans and Specifications, the Caltrans MUTCD for traffic control, Caltrans Local Assistance Procedures; OSHA safety, the Greenbook, Uniform Building Codes Standard Plans for Public Works Construction and local regulations and standards.

We have an impressive track record of successful coordination with Caltrans, the California Department of Fish and Game and the US Forest Wildlife Service, the Air Quality Management District (AQMD), and the Regional Water Quality Control Board (RWQCB) as well as most of the gas, electrical, telecommunications, and cable providers in the region.

### APPROACH TO POTENTIAL SPECIAL ISSUES

<table>
<thead>
<tr>
<th>Potential Special Issue/Risk</th>
<th>BergCM Mitigation Approach</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>1) Traffic Control: Detours &amp; Closures</strong> – Traffic control is the biggest concern for public safety when working on street improvement projects. It may be that PCMS boards are faulty, signs and delineators are moved, or the Contractor slips out of compliance with the approved TCP.</td>
<td>Part of the CM support team’s task is to ensure all the signage is in place at all times and closely monitored during the closures. <strong>Our team is available to the City 24/7</strong> for calls, coordination and emergency traffic control monitoring. We proactively monitor the site to avoid issues, but things can always come up, which is why we stay available with <strong>LOCAL</strong> staff.</td>
</tr>
<tr>
<td><strong>2) Hazardous Material: Handling and Disposal</strong> – Often, it may be the case that an ADL Report is not provided, bid items are unclear, or plans and specifications do not match up.</td>
<td>Our team will conduct a review of the Environmental Mitigation sheet and will identify all items known to exist in the Project. Review of the levels and available handling requirements from the Specifications will be identified for attention during the project. Our team will track the issues and ensure hazardous material plans will be identified in the Submittal Log for submission and review.</td>
</tr>
<tr>
<td><strong>3) Utility Relocations in Plans/Specs</strong> – Utility relocations identified in the specifications with language identifying working days durations. However, for each of these relocations, the plans show more work than the specifications.</td>
<td>A discrepancy between the plans and specs, especially for utility work, opens an opportunity for the Contractor claim a delay. BergCM will track of Utility work schedules by preparing a utility matrix at the start of the project.</td>
</tr>
</tbody>
</table>

### Coordination with Utility Companies

The BergCM team has exactly the experience, proactive approach, and dedication needed to address any utility construction required for any City projects. We have the experience working directly with utilities companies to establish relocation schedules, develop a plan, and recommend language for additional sections for the Special Provisions to address issues and constraints. This represents a crucial part of the
constructability review process. The BergCM team is familiar working with SCE, SCG, MWD, communication, and water companies. Nearly all of our project involve utility coordination or relocations. Most recently, we assisted the City of West Hollywood with SCE undergrounding.

**Caltrans Oversight & Standards**

Berg has been involved with Caltrans projects since the company was founded. We have held On-Call contracts with Caltrans District 7, managed projects in the Caltrans ROW, and coordinated with Caltrans for numerous projects that use LAPM and require Caltrans oversight. Our proposed PM/Sr. RE, Dave Smith, PE, QSD, managed the Raymond Avenue Grade Separation in Orange County which required coordination with Caltrans District 12. Dave is also currently coordinating with District 12 and the City of Santa Ana to relocate three water features under the SR-55 prior to the SR-55 widening. Our whole team is familiar with the Caltrans RE Manual, LAPM methods, and Caltrans Standard Plans and Standard Specifications.

**Project Schedule**

Our team maintains successful project schedules through planning and analysis. Our teams can conduct an in-depth constructability review and a subsequent assessment of the contractor’s baseline schedule. Depending on the order of operations, we can help with the bid process and give our recommendations for the bid package or, if the project is already out to bid, we can use our independent constructability review to establish milestones with the contractor during pre-construction meetings. Our team is accomplished at identifying potential delays and mitigating them before they occur such as long-lead items, TCEs, and permit dates. We establish a risk register that we prepare prior to construction and update throughout construction so that we can track potential risks and avoid claims.

Throughout the duration of the project, BergCM will review and approve the contractor’s schedule using the Critical Path and Work Breakdown method. It is recommended that an approved monthly schedule or if necessary, a recovery schedule is required from the contractor in order for BergCM to authorize monthly payment applications to the City. During intensive times of the project construction, a two or three week lookahead schedule may be required to stay on top of all work components. The contractor’s schedule should be loaded with submittal submission dates, in addition to the contractor providing a submittal list at the start of the project.

**Project Budget**

Typically, schedule will drive cost. Any re-do work wastes both time and money. Therefore, we will be diligent to complete tasks within the allotted and agreed time and budget. With the monthly schedule review, we will also monitor budget, planned vs. actuals, and provide cost forecasts. We will manage on-call as needed services and subconsultants judiciously by clearly identifying scope and apportioning task orders incrementally.
G. SCOPE OF WORK

Collaborating with City staff to fully understand project needs, we are able to provide the right staff for the project. We ensure that contract compliance occurs throughout the project by becoming thoroughly familiar with the contract and providing recommendations before construction begins. We ensure that both the contractor and our team are in compliance throughout construction with our evaluation of project delivery through site visits, internal audits, and continual review of the contract documents.

**Bid Analysis**

We can attend the pre-bid meeting with interested contractors and work with your team to respond to inquiries that are submitted in writing and will ensure timely responses are issued via addendums prior to bid close. Berg can perform a bid evaluation which include a thorough bid comparison of each bid item submitted by every bidder vs. the engineer’s estimate which enables us to quickly identify bid item(s) with a significant cost disparity. We can then zoom in on those as a team and root out any error before a contract with the successful low bidder is executed. Additionally, we carefully review the low bidder’s entire bid submission and confirm that their license, insurance and bonding are present and in effect, check all references and carefully document the findings, in addition to checking off all the boxes that every form is completely and accurately submitted.

**Pre-Construction Services**

Once BergCM is selected for a project task order, we immediately set up project controls including online and fully accessible documentation portals and project logs, organized per City and Caltrans requirements in accordance with the LAPM.

**Constructability Reviews** If desired by the City in advance of project bidding, we can utilize our many experts to perform a thorough constructability review of the plans and specs with a set of fresh, well-trained eyes to spot any potential concerns that could lead to a project cost increase. We not only discover potential issues but work in tandem with your team to develop solutions while keeping our eye on the clock to put the project out to bid. There are a multitude of factors at play when looking for potential cost impacts, and we have decades of experience with discovering plan oversights, cost estimate concerns, missing clarifications in the general conditions and special provisions, and incorrect calendar days/project timeline estimation. All of these can impact the project bottom line cost, and for what you invest in Berg to perform constructability, the City will benefit many times over in problems averted.

Our detailed constructability review log is the basis we work from with your team to share items of concern, assigning responsibility and potential cost or time impact and we follow through with the team until all items of concern are addressed and agreed upon. Should we begin at a later stage, we will then set up risk management procedures including creating a risk register that will be our team’s internal tracking tool for possible issues that may arise following bidding of the project.

**Site Visits** Prior to the contractor mobilizing on site, Berg will take both aerial photos by our drone pilots and ground photos by the Construction Manager to document the pre-existing conditions of the project, begin review of the first submittals including the contractor’s safety program, establish labor compliance protocols.

**Pre-Construction Meeting**

After the contract has been executed with the successful low bidder by the City, BergCM will initiate the pre-construction meeting and will conduct it with all parties including City personnel, the contractor, designer, utilities, public safety agencies, transit services and stakeholders. We will request that the contractor submit their project Master Schedule in advance of this meeting for our review and anticipate establishing the Notice To Proceed with the team during the pre-construction meeting. We will review all
project scopes of work that affect the utility agencies and will address and resolve any potential conflicts, while maintaining communication with utility parties throughout the project to ensure their needs are addressed. Moving forward, BergCM will oversee bi-weekly meetings with the contractor and parties of interest, in addition to any necessary field meetings and will author and distribute meeting agendas and minutes.

**General Construction Administration**

BergCM routinely utilizes the Caltrans Local Assistance Procedures Manual directory for file classification and excel spreadsheets for logging project activity. The team has effectively used the following programs to maintain project files:

- Expedition
- Procore
- MS Project
- E2020
- Airtable & Dropbox
- Sharepoint
- Bluebeam
- OneDrive

Berg is adept at customizing forms and logs to provide an integrated searchable system for tracking, monitoring and communicating construction management activities and reports, project correspondence, project progress and expenditures.

Our construction managers and administrative staff will maintain daily job dairies, drawing logs, monthly reports, description of work completed, work forecast, cost forecast, and change orders completed and pending. They will provide a detailed daily report that includes a summary of daily activities, RFI responses, submittal reviews, work conducted, meetings conducted and/or coordinated and any other pertinent information of the day. They will track all correspondence during the course of project work, receive all project documents, and will “date stamp” confirmation of receipt. Recording the date received, transmitted, and returned is essential to good document management. All documents will be scanned, filed, and managed electronically.

Our weekly or monthly reports, depending on the scale of the project, will contain a construction progress status update to provide you with a management level overview of construction progress and issues. In each case, we address how we are proceeding to resolve issues. Weekly reports contain “look-ahead” schedules, list of meetings, a summary of work activities, and schedule updates from the week. These reports are very important for monitoring the contractor’s schedule and having a detailed look into each week of the project including:

- Total workdays, weather and manpower statistics
- Status of potential changes and change orders
- Representative progress photos

**Submittals & RFI Review/Processing**

BergCM will review and facilitate approval of shop drawings by working with the appropriate design consultants, in addition to all material submittals. We review and respond to Requests For Information, and thoughtfully ensure that when RFI’s lead to potential changes, they are justified, cost- and time-appropriate, and are answered promptly. We consult with City staff prior to authorizing any cost or time increase, with a thorough explanation as to the essential nature.

**Change Order Review**

A cost/price analysis will be developed and shared with the contractor after reviewing their cost proposal for the associated potential change. We work to engage the contractor into a discussion to negotiate a fair price so both parties can agree. It is important to prepare, negotiate, and process change orders in a time
frame that avoids delay and monetary impacts to the contractor. To manage timely execution of changes, we utilize our change management tracking log to follow a project change from its root document (RFI, design revision, or an unknown variable) to its ultimate result, whether that be a change order or another form of resolution. We strive to negotiate lump sum change orders with an agreement from the contractor that they will waive claims. Our Scheduler/Claims Support, Charlie Fornelli, will make recommendations on the pros and cons of paying a negotiated impact cost as a means of obtaining a waiver of claims.

**Safety**

Our inspectors monitor the project for safety concerns **every minute of the day**, and will not let an unsafe practice be continued. We review the contractor’s health and safety plan for completeness and are always mindful of the public’s safety by ensuring good housekeeping by the contractor.

**Progress Payments**

Project progress payments will be **swiftly processed** by BergCM for submission to the City. Quantities and percentages will be verified on site and BergCM may require the contractor to adjust their percentage should our observations indicate to do so. Retention of 5% will be withheld with each progress payment and Berg will advise the City if additional funds should be withheld, such as in the case of a discovered and documented labor compliance underpayment to workers. BergCM is motivated to **expedite payment** of contractor’s invoices as this demonstrates our respect for the contractor’s fluidity of operations and **emphasizes a partnering spirit**.

**Materials Testing**

Our team is knowledgeable of the Materials Testing **frequency required**, types of tests required and the right time to schedule tests with our subcontractor, Ninyo & Moore. We will monitor the contractor’s schedule to **anticipate when such services will be needed**. Our team will confirm that all test results are in compliance with the plans and specifications of the project and the results are subsequently filed and logged in the project record system.

**Inspections**

Once the construction begins, our inspectors are highly communicative, approachable yet firm, and bring watchful eyes during every hour the contractor is working. Our inspectors reflect their full daily observations in a timely manner in their detailed daily reports along with project photos. They are well versed on the projects plans and specifications, City standards and the Standard Specifications for Public Works Construction. Our inspectors do not direct the work, but they will call out an inappropriate construction activity per the plans and specs and will issue a Non-Compliance Report (NCR) which is logged and requires correction by the contractor. Inspectors will advise on field measurements and legitimacy for extra work/change orders, attend project meetings and will participate in final inspections and assist in generating the final punch list.

BergCM has hosted lunches with the Contractor to reward safe working conditions & practices.
One particular activity that will be documented in the inspection/photographic records is potholing. We work closely with the Contractor to accurately record the location and elevation of the existing utilities (including any located by USA that may not be shown on the plans).

Our seasoned inspectors ensure that traffic control and parking restrictions are properly carried out. They perform daily measurements of the work performed by the contractor and subs, which is documented in their daily reports and utilized for review and approval of payment applications. Our inspectors are trained in public outreach management for all affected by the construction in order to keep them informed of construction activities in advance. Our inspectors are excellent listeners when approached by concerned citizens or the traveling public, and will elevate a concern when necessary, by taking the issue to the Resident Engineer who if deemed crucial, will consult with the City. We keep the public safe and their access prioritized while ensuring the contractor does not deviate from the approved schedule.

Daily reports are one tool to make certain that all pertinent information is gathered, including:

- Climate conditions and their effect, if any, on work activities
- Number of workers by trades and subcontractor, including shift work
- Material and equipment
- Construction activities by trade and location
- Special inspections
- Deficient or repeated work
- Observations of work completed
- Interesting or unusual occurrences
- Any work-related, off-site activity
- Work-related discussions or correspondence
- Visitors to the site

In addition, we compile an extensive photographic record of the project – showing the existing condition of the area prior to the start of construction, regular project progress and the final as-built condition prior to covering up and at completion. We index photographs by date and by specific issue, as appropriate, for easy identification. We can provide videos, still photography and aerial drone shots. Progress and as-built photos will be regularly posted in Procore and can be accessed by City staff for reference throughout the course of the project.

Claims

We manage the claims avoidance process by monitoring contract changes and potential claims, processing and implementing all change orders, and making recommendations for actions to take regarding particular claims. Working with an approved realistic baseline schedule is important to mitigate delay claims. To avoid any public claim, such as a trip-and-fall, we verify the contractor is following its safety plan, we photographically document the field conditions frequently, and we ensure that there is a safe pedestrian access plan in place. This is specifically important within school zones. If a claim arises, we can easily research the conditions before and after an alleged incident. Similarly, it is important to have evidence of proper traffic control in place, should there be a vehicular incident.
Prevailing Wage & Labor Compliance
BergCM is well-versed in State and Federal labor compliance regulations including prevailing wage requirements, use of apprentices and Davis-Bacon. We have a company history of managing public works projects that utilize Federal Aid, and we understand the requirements and regulations that apply to govern construction. We are deeply familiar with the Caltrans Local Assistance process and the Construction (RE) Manual, which we utilize on the majority of our projects, and are experienced with OCFCD encroachment permits.

Project Closeout
Project Closeout is continuously planned for throughout construction. As-Built drawings are compiled over the course of the work and reviewed, and documentation is maintained so that there are no loose threads at project completion. Berg will conduct the pre-final inspection with the team and will develop the punch list items for completion, oversee the commissioning of building systems, develop a list of operation and maintenance (O & M) manuals for correctness, and ensure that all warranty documents, O & M manuals, attic stock and keys are turned over to City staff.

Berg can conduct O & M training to City personnel; we find it is successful to make videos of this training for future ease of reference. Following completion of the work, Berg will focus on closeout of the contractor’s final pay estimate and request for retention release, and will request/review/approve closeout certified payroll documentation. Berg will assist the City to compose and file the Notice of Completion which will be provided to the Contractor to enable them to close out their bonding and insurance for the project. Berg will prepare final reports, close out all unresolved issues, assist the City with Caltrans audit (if needed), furnish electronic files of As-Built drawings, in addition to an electronic project files to the City.

Community Outreach
As an additional service option, BergCM provides a turn-key, in-house public outreach services on federally-funded projects of similar size and nature to the City of Huntington Beach’s project. Our Public Outreach Manager, Jenelle Saunders, is the program manager for our public outreach services. Our outreach professionals attend weekly progress meetings and coordinate with the CM and inspection staff to provide real-time and accurate schedules to the Public during construction. Some of the tools we implement to do this successfully include:

✔ Resident & Business Construction Update Meetings
✔ Project Websites
✔ Resident & Business Contact Database
✔ Aerial Progress Photos
✔ 24/7 Helpline
✔ Outreach Tracking Logs
✔ Construction Update Flyers & Emails
✔ Fact Sheets
✔ Social Media Posts

Federal Requirements
Berg routinely manages public works projects that utilize Federal Aid, and we understand the requirements and regulations that apply in order to govern construction. We are very familiar with the Caltrans Local Assistance process and the Construction (RE) Manual, which we utilize on the majority of our projects.

We recently managed a CMAQ federally funded project for the City of Santa Monica’s Bike Network Linkages to the Exposition Line and are currently managing the Metro Prop C grant for the City of West Hollywood’s Melrose Avenue Streetscape project. We understand how to meet grant requirements in a timely fashion to ensure the project is built and invoiced to grant specifications and will oversee any required audits. In our ten years as a Prime CM on the Alameda Corridor with both Dave Smith and Tom Berg as RE’s, we facilitated the completion of nine different bridge projects, all federally funded and administered under the Caltrans Local Assistance Procedures. Some of our standard operating procedures for administration of federally funded projects include:

• Working with Cities for accurate project pricing for verification of funding and final E-76 for Federal Authorization to proceed.
• Review approvals from CTC and ensure permits are in place.
• Compliance with FARs in all indirect cost certifications, reviews, and rates.
• Compliance with Prevailing Wage requirements as determined by the DIR.
• Utilization of Caltrans payment forms for the construction contractor and compilation of back up documentation to ensure progress payments are in conformance with scope and finance letter.
• Working to meet milestones to achieve project completion within the approved performance end date.
• Scoping, estimating, negotiating, and implementing written changes, when necessary, within program eligibility.
• Full compliance with Chapter 16 of the Caltrans Local Assistance Procedure Manual to include Weekly Statement of Working Days, Daily Reports by the Resident Engineer and Inspection staff, EEO Reports, tracking all submittals, changes and potential claims.
• Filing of the Monthly Program Payments and Progress Reports.
• Making sure all documentation is accurate, complete, and current for maximum funding reimbursement.
H. SCHEDULE.

WORKPLAN EXAMPLE OF SEWER REHABILITATION INSPECTION

Inspecting a sewer rehabilitation construction project involves a range of tasks to ensure that the project is executed properly and meets the required standards. Here are some of the key tasks involved in inspecting a sewer rehabilitation construction project, from pre-construction through close-out:

1. **Review project plans and specifications**: Start by thoroughly reviewing the project plans and specifications to understand the scope of work, design requirements, and any specific instructions or guidelines provided by the engineer or designer.

2. **Pre-construction meeting**: Attend a pre-construction meeting with the contractor, engineer, and other relevant stakeholders. Discuss the project schedule, construction methods, safety procedures, and any specific concerns or requirements.

3. **Site visits and monitoring**: Regularly visit the construction site to monitor the progress and quality of work. Inspect the excavation, pipe installation, and rehabilitation techniques to ensure compliance with the approved plans and specifications. Keep a record of site observations, including photographs and notes.

4. **Material inspections**: Verify that the materials used for sewer rehabilitation, such as pipes, fittings, grouts, and liners, meet the required standards and specifications. Check for proper storage, handling, and installation of materials to ensure their integrity and performance.

5. **Testing and quality control**: Oversee and conduct various tests as required to ensure the quality of work. This may include pressure testing of pipelines, infiltration and exfiltration testing, structural integrity testing, and flow monitoring. Evaluate the test results and compare them against the project requirements.

6. **Safety inspections**: Regularly inspect the construction site to ensure compliance with safety regulations and procedures. Check for the presence of safety equipment, proper signage, barricades, and measures to protect workers and the public. Address any safety issues promptly.

7. **Documentation and reporting**: Maintain detailed documentation of inspections, including observations, test results, deviations from plans, and any corrective actions taken. Prepare reports summarizing the progress and quality of work, noting any non-compliance or deficiencies. Communicate the findings to the relevant parties, including the contractor, engineer, and project owner.

8. **Problem identification and resolution**: Identify any issues or challenges that arise during the construction process, such as design conflicts, unforeseen site conditions, or construction errors. Work with the contractor and engineer to find appropriate solutions and ensure that necessary adjustments are made to maintain project quality and compliance.

9. **Change order management**: Review and evaluate change orders proposed by the contractor, assessing their impact on the project scope, cost, and schedule. Ensure that change orders are properly documented, reviewed, and approved before implementation.

10. **Final inspection and closeout**: Conduct a final inspection to verify that all work has been completed according to the approved plans and specifications. Address any remaining punch-list items or outstanding deficiencies. Prepare a final inspection report and ensure that all required documentation, including as-built drawings, record drawings, and warranties, are obtained and submitted.

**Subject:** RFP No. PW-24-01: On-Call Construction Management and Inspection Services for the City of Placentia

**Proposer:** Berg & Associates, Inc.

Dear Mr. Tanio,

Please see attached our pricing proposal for providing personnel to the City of Placentia for On-Call Construction Management and Inspection Services for the specified contract duration of three years, 2024-2027. Also included our fee schedules for our subconsultant, Ninyo & Moore.

Please know that rates are fully negotiable as needed.

Should you have any questions, please don’t hesitate to contact me at (310) 548-9292 or (310) 739-5710 or deborah@bergcm.com.

Sincerely,

Deborah Berg, MPA
President

**Appendix “A”** – SAMPLE CITY PROFESSIONAL SERVICES AGREEMENT  
**Appendix “B”** – SUMMARY SHEET  
**Appendix “C”** – CERTIFICATION OF PROPOSAL TO THE CITY OF PLACENTIA
1. INTRODUCTION

The City of Placentia (“City”) seeks competitive proposals from qualified firms to provide On-call Construction Management and Inspection Services. A Professional Services Agreement will be entered into with multiple qualified firms to provide construction management services for a variety of projects on an on-call basis. On an on-call, as-needed basis, the selected firm(s) may later be asked to provide construction management and inspection proposals on a specific, project-by-project basis, based on an agreed-upon specific scope of services and fees.

The firm shall provide general Construction Management and Inspection services to support construction efforts and serve as an extension of City staff to assist in the overall delivery of projects, including preconstruction tasks, managing construction, and ensuring that the work is completed in accordance with the contract documents, and project closeout and commissioning phase. The consultant team will report directly to the City’s Project Manager or their authorized representative. City staff may assist in managing construction and will oversee the work of the consultant’s Project Manager, Inspector, and Contract Administrator.

Firms must provide construction management services and contract administration in conformance with the requirements set forth in the State’s Construction Manual, State’s Local Assistance Programs and Procedures Manual, OCFCD encroachment permit/requirements, and other Agencies regulatory permits/requirements. The construction manager is expected implement contract requirements and comply with all Federal and local guidelines, as required, in order to successfully execute the project in a timely and cost-efficient manner.

Technical questions about the requested services that might require a clarification of the Request for Proposals (RFP) shall be made only in writing to the Q&A section located in PlanetBids no fewer than seven (7) calendar days prior to the date and time set for opening of proposals and responses shall be provided in writing. No verbal requests or responses will be accepted. Significant interpretations or clarifications will be addressed via addenda to this RFP. This RFP includes a description of the scope of work, proposal requirements, and instructions for submitting your proposal.

Please do not contact City departments or other City staff directly. Information provided by other than the above contact may be invalid and proposals which are submitted in accordance with such information may be declared non-responsive.
Any changes, additions, or deletions in the RFP from the date of release to date of submittal will result in an addendum or amendment. Notification of such addendum or amendment shall be posted on PlanetBids. Addenda shall become part of the agreement documents.

It is the proposer's sole responsibility to monitor PlanetBids for possible addenda to this RFP. Failure of proposer to retrieve addenda from this site shall not relieve the proposer of the requirements contained therein. Additionally, failure of proposer to return signed addenda, when required, may be cause for rejection of his/her proposal.

Proposals must conform to the requirements of this RFP to be considered for award and successfully submitted through the electronic bid management system at: https://pbsystem.planetbids.com/portal/54600/portal-home by the date and time specified on the cover page of this Request For Proposal. All proposals must be signed by an authorized representative and include the completed Summary Sheet and Certification of Proposal to the City of Placentia provided in Appendix “B” and “C” of this RFP.

The City reserves the right to waive any irregularity in any proposal or to reject any proposal that does not comply with this RFP. The City alone, using criteria determined by the City, will select the qualified firm and/or consultant. The successful consultant to whom the contract is awarded shall, within ten (10) days after being notified, enter a contract with the City for the work and shall furnish all required documents necessary to enter said contract. Failure of the successful consultant to execute the contract within said ten (10) days shall be just cause for the City to contract with the next ranked consultant.

By submitting a proposal, the proposer agrees to all of the terms of the RFP and the Agreement (Appendix A), unless exceptions to the RFP or the Agreement are stated by the proposer in its proposal. The successful proposers will be required to enter into an Agreement, which will include the requirements of this RFP as well as other contract requirements. In the delivery of these services, the term of the agreement shall be for three years with the option for two additional one-year term extensions. The City reserves the right to reject any proposal(s) exceptions or changes to the Agreement or Request for Proposal.
2. PROPOSAL SCHEDULE

The schedule is as follows:

• Advertisement Date – JANUARY 9, 2024
• Q&A Due on PlanetBids – January 23, 2024 by 5:00 p.m.
• Proposals Due on PlanetBids – JANUARY 30, 2024 by 5:00 p.m.
• Hard copy proposal Due at City Hall – February 1, 2024 by 5:00 p.m.
• Proposal Evaluations/Interviews, if necessary – February 2024
• City Council Contract Award and Selection* - March 2024

*The City expects, but does not guarantee, that the decision on selection of a firm will be made by the City Council on the date indicated above.

3. SCOPE OF WORK

The City desires to engage construction management firms that will ensure that not only are City capital projects built per plan and specifications but that will also ensure a high degree of quality craftsmanship in the final product. The City’s expectation is that selected CM/inspection teams will enforce a high attention to detail on project deliverables to ensure a high-quality finished product.

The majority of capital improvement and construction projects within the city include, but are not limited to, the following:

• Street rehabilitation
• Sewer improvements
• Signing and striping improvements
• Storm Drain improvements
• Bridge construction
• New building construction
• Irrigation and landscaping
• Site Improvements; concrete sidewalk, etc.
• Streets and park lighting
• Parks and Recreation facility improvements
• Mechanical systems
• Electrical systems
• Traffic Signal Improvements

The required services shall be performed by the consultant Project Manager, Inspector and Contract Administrator.
A. Project Manager/Resident Engineer
   • The consultant Project Manager shall represent the City in the field. The Project Manager shall possess a minimum of (5) years’ experience in construction management.
   • The Inspector and the Contracts Administrator should have relevant experience in construction management and certifications or references that affirm the said experience.

B. Bid Analysis
   • Prior to the start of the project, the Project Manager shall be responsible for conducting a bid analysis to determine the lowest responsible bidder.

C. Staff Report
   • Preparation of staff reports for contract award to the lowest responsive and responsible bidder. Coordinate with the City to determine funding sources, publication dates, environmental and fiscal impact, and schedule of award to meet the City’s deadlines.

D. General Construction Administration
   • Coordinate with the City to define roles and responsibilities during construction and develop a construction management plan.
   • Co-lead the pre-construction meeting and schedule and conduct regular construction and progress meetings to discuss such matters as procedures, progress, problems and scheduling. Will prepare and promptly distribute meeting minutes.
   • Record the progress of the project. Submit written daily and progress reports to the City. Keep daily logs containing a record of weather, contractor’s work on the site, number of workers and equipment, work accomplished, problems encountered, and other relevant data. Make the log available to the City. Prepare and send Weekly Statement of Working Days to the contractor. Monitor contractor's compliance with labor code requirements.
   • Maintain, at the job site, records of contract documents including drawings, addenda, change orders, and other modifications of plans and specifications marked to show all changes made during construction. Maintain as-built records of underground utilities, including locations and depths of trenches. At the completion of the project, deliver to the City all contract documents including as-built records.
• Consult with the City when the contractor requests interpretations of the meaning and intent of the drawings and specifications and assist in achieving the resolution of problems which may arise.

• Coordinate with the City and contractor to incorporate a centralized platform where all documents are filed and distributed amongst the project team.

• Consultant shall be responsible for ensuring that all building permits, special permits, if required are obtained, and that all applicable fees have been paid, and shall obtain approvals from authorities having jurisdiction over the Project.

E. Submittal/RFI Review & Processing

• The Project Manager shall be responsible for review of completeness and quantity of all required shop drawings, product data, samples and other submittals ("Submittals").

• The consultant team shall transmit the Submittals to City staff for review and approval and shall establish and implement procedures for expediting the processing, approving, and distribution of Submittals.

• Project Manager shall develop, maintain, and manage all submittal/RFI logs.

• Determine the workflow on for all Submittal/RFI review including City staff, design engineers, contractor personnel, and the construction management team.

F. Constructability Review

• Consultant shall review project plans and specifications to determine its "constructability". Consultant shall also review construction schedule, including activity sequences and duration, schedule of submittals and schedule of delivery for products with long lead-time. The project schedule shall be updated as required showing current conditions and revisions required by actual progress.

• The individuals, Project Manager, Inspector and Contract Administrator, shall not be responsible for construction means, methods, techniques, sequences and procedures employed by the contractor in the performance of the contract, and shall not be responsible for the failure of the contractor to carry out work in accordance with the contract documents. However, any errors, omissions, or discrepancies found in the Contract Documents shall be called to the attention of the City's Project Manager and clarified prior to construction start.

G. Change Order Review
• Consultant shall conduct a comprehensive evaluation of change order requests, provide independent estimates, render recommendations and assist in claim resolution.

• Consultant shall monitor and report on the status of the Project Construction Budget on a monthly basis, indicating actual costs for completed activities and work in progress, and indicating estimates for uncompleted work. Report should identify variances between actual and budgeted or estimated costs and shall advise the City whenever it appears that the Actual Construction Cost has exceeded, or will exceed, the Project Construction Budget for the entire Project or any Project Component.

H. Safety

• Monitor the contractor’s safety program. Take necessary steps to ensure the jobsite conditions are in compliance with OSHA regulations.

I. Progress Payments

• Consultant shall maintain cost accounting records on authorized work performed under unit costs and additional work performed on the basis of actual costs of labor and materials, or other work requiring accounting records.

• May develop and implement procedures for the review and processing of applications by contractor for progress and final payments.

• Make recommendations for certification to the City for payment.

• Provide status of monthly certified payroll reports and monthly as-builts updates as backup for each payment submitted to the city for review.

J. Material Testing

• Consultant team to provide field inspections and compaction tests for grading, trench backfill and asphalt concrete pavement construction according to the project special provisions, the Standard Specifications for Public Works Construction (“Green Book”) and Caltrans Standard Specifications.

• Provide inspections for installation of precast and cast in-place concrete, welding, high strength bolts, structural steel, masonry, painting and other types of work in accordance with the California Building Code (CBC) and the contract documents.

O. Community Outreach
• Consultant shall attend and co-lead a pre-construction meeting with the community. The primary purpose of this meeting is to introduce the CM team to the community and discuss major anticipated construction impacts.
• Project Manager shall coordinate with the City’s Communication Manager and communicate with the community regarding impacts related to the construction project.

P. Federal Requirements
• Preparation of Caltrans documentation including but not limited to Award package, interim reports, and final report (close out) to be reviewed by the City.
• Coordinate with the City to ensure Disadvantaged Business Enterprises (DBE) goal is met by contractors and document any changes throughout the length of the project.
• Compliance with any and all state and federal funding requirements for construction and enforce any regulations set forth by these funds.

All tasks listed above shall be required on an as-needed basis. The city reserves the right to add or reduce some of the above tasks and duties as it sees fit. The
consultant, serving as staff extension, shall remain sufficiently flexible to meet the needs of the City and of the project.

4. ASSURANCE OF DESIGNATED PROJECT TEAM

Proposer shall ensure that the designated project team, including sub-consultants as identified in the firm’s proposal, is used for this project. Departure or reassignment of, or substitution for, any member of the designated project team or sub-consultant(s) shall not be made without the prior written approval of the City.

5. PROPOSAL FORMAT REQUIREMENTS

Each response to this RFP shall include the information described in this section.

Provide the information in the specified order. Failure to include all the elements specified may be cause for rejection. Additional information may be provided but should be brief and relevant to the goals of this RFP. Excessive information will not be considered favorably.

Three physical copies of the final proposal shall be submitted to the City no later than two working days after the proposal deadline. The consultant project cost proposal shall be submitted in a separate sealed envelope marked “Cost Proposal.” Proposer’s who do not include physical copies within the specified timeframe will be considered unresponsive and disqualified.

All proposals must be signed by an authorized representative and include the completed Summary Sheet and Certification of Proposal to the City of Placentia provided in Appendix “B” and “C” of this RFP.

Proposals shall be limited to a maximum of 30 pages. Proposals over 30 pages will be rejected. Paper size shall be 8.5”x11” and occasional 11”x17” sheets are acceptable for exhibits and graphics. The cover letter, table of contents, front and back covers, summary sheet, certification of proposal and section dividers are excluded from the page count. The proposal should include the following sections in order:

A. Cover Letter
Shall contain the following information:

- Title of this RFP
- Name and mailing address of the prime consultant (include physical location if mailing address is a PO Box)
• Contact Person, Email address, telephone number, and fax number

The City will use email to notify your firm of critical developments such as interview schedules if any, notification of selection/non-selection, etc. Therefore, it is essential that you identify one or more contact persons who have frequent access to email.

The City will not be responsible for delivery failure of email due to firewalls, spam filters, or individuals’ failure to retrieve email messages. The City will not attempt to re-deliver any messages which fail due to no fault of the City.

The Cover Letter must be signed by an officer empowered by the Consultant to sign such material and thereby commit the Consultant to the obligations contained in the RFP response. Further, the signing and submission of a response shall indicate the intention of the proposer to adhere to the provisions described in this RFP and a commitment to enter into a binding contract.

1. Proposals submitted on behalf of a Partnership shall be signed in the firm name by a partner or the Attorney-In-Fact. If signed by the Attorney-In-Fact, there shall be attached to the proposal a Power-Of-Attorney evidencing authority to sign proposals, dated the same date as the proposal and executed by all partners of the firm.

2. Proposals which are submitted on behalf of a Corporation shall have the correct corporate name thereon and the actual signature of the authorized officer of the corporation written (not typed) below the corporate name. The title of the office held by the person signing for the corporation shall appear below the signature of the officer.

3. Proposals which are submitted by an Individual doing business under a firm name ("dba") shall be signed in the name of the individual doing business under the proper firm’s name and style.

B. Executive Summary

Describe your firm’s and sub-consultant’s (if any) general experience and qualifications as it pertains to projects of similar scope and size. Identify the services which would be completed by your firm’s staff and those that would be provided by sub-consultants. Identify any sub-consultants you propose to utilize to supplement your firm’s staff.

C. Project Team Organization
Clearly identify the prime consultant, all subconsultants, and their respective roles. Show the Project Manager and the key staff proposed for this project, including subconsultants' staff. It is expected that the project team proposed under this proposal will remain unchanged throughout the duration of the project. Replacement of key staff without consultation with the City will not be permitted.

Include contact information and a brief summary of the Prime firm’s history and experience providing the requested services on similarly sized and scoped projects. Include a summary of the firm's experience, if any, with the City of Placentia. Provide a brief resume for each key staff member including their education background, licensing (if applicable), availability, and project experience.

D. Relevant Project Experience and References

List and provide a narrative summary of related project experiences. Include a minimum of three (3) similar type/size projects that your team has completed. Provide a project description, services provided, and construction costs. Discuss whether the design and construction were completed on time and within budget. Provide a minimum of three (3) references (name, title, agency, and telephone number) from previous experience. Provide no more than one contact person per project as a reference, including agency/company and phone number. Preference is given to project references that have directly worked with staff proposed for this project.

E. Understanding & Approach

Provide a detailed discussion of your firm’s approach to the successful implementation of this agreement. Describe your firm/team’s understanding duties assigned and identify the approach for key services and/or issues anticipated. Describe the Project Manager's and firm/team support and approach to ensure the effort is completed on schedule and within the established budget.

F. Scope of Work

Provide a scope of work complementing the City’s proposed scope of work describing all tasks required to complete the work and any additional aspects to the work scope the City should and could consider. The scope of work shall provide enough detail to distinguish the varied work effort required, in keeping with the City’s desired tasks to be completed.

G. Schedule

Provide a typical schedule or sequence of events to accomplish all the required tasks; include review/approval times for the City and other project stakeholders.
H. Proposed Exceptions

Describe all proposed exceptions, alterations or amendments to the Scope of Services or other requirements of this RFP, including the Sample Contract (Appendix “A”). This section shall be clearly marked "Proposed Exceptions" in your submittal. If no exceptions are taken this shall be clearly stated in this section. The nature and scope of your proposed exceptions may affect the evaluation of your submittal and the City's determination of whether it is possible to successfully negotiate a contract with your firm/individual.

It is necessary to submit these elements with your RFP response. Failure to submit the required information with your response will render your proposal non-responsive.

6. REQUIRED PROPOSAL STATEMENTS

This statements identified below must be included in your RFP response:

A. A statement that the submitting firm will perform the services and adhere to the requirements described in this RFP, including any addenda *(reference the addenda by date and/or number)*.

B. Subsequent to award of this RFP, all or part of any submittal may be released to any person or firm who may request it, as prescribed by the State of California Public Records Act.

C. Proposers shall include a statement that describes the specific portion(s) of their submittal that are considered proprietary and should not be releasable as public information. Proposers should be aware that all such requests may be subject to legal review and challenge.

D. Include a statement of assurance that you will not substitute members of your designated team without approval by the City of Placentia staff which declares there is no Conflict of Interest.

E. Include a statement which declares there is no Conflict of Interests.

F. Provide a statement attesting there has been no Collusion with other proposing firms.

G. Indicate your ability and agreement to fulfill the indemnification and insurance requirements contained in the sample contract. *(Please note that actual Certificates of Insurance are not required as part of your submittal.)*

7. EXCEPTIONS
8. RESOURCE ALLOCATION AND COST PROPOSAL

Selection of the consultant will be made in accordance with the provisions of Chapter 10 of the California Government Code, Sections 4526 and 4529.5, stating that selection of professional services is based on competence and qualifications without regard to fee. The fee will be opened and evaluated to ensure the fee is reasonable for the services to be delivered after selection of the consultant based on qualifications is complete. Provide in a separate sealed envelope the proposed billing rates for all expected personnel to deliver services as described in the scope of work.

All cost proposals shall be signed and dated per Section 5.0 above and shall be submitted in a separate sealed envelope.

9. SUBMITTAL INSTRUCTIONS

A. Time, Place and Format

Proposal submission due date: JANUARY 30, 2024 at 5:00 P.M: No proposals will be considered for award unless properly and successfully submitted through the electronic bid management system at: https://pbsystem.planetbids.com/portal/54600/portal-home by the date and time specified on the cover page of this Request For Proposal. All proposals must be signed by an authorized representative.

All required sections, including pricing, shall be submitted via the website. Bidder is solely responsible for “on time” submission of their electronic proposal. The bid management system will not accept late bids and no exceptions shall be made. Bidders will receive an e-bid confirmation number with a time stamp from PlanetBids, the bid management system indicating their bid was submitted successfully. The City will only receive those proposals that were transmitted successfully. DO NOT FAX OR E-MAIL.

NOTE: E-Bids/Proposals are sealed and cannot be viewed by the City or any other person or entity until the closing date and time. If you need to withdraw your bid, you may do so at any time before the bid deadline, by going back into the system and selecting “withdraw”.

Three physical copies of the final proposal shall be submitted to the City no later than two working days after the proposal deadline. The
consultant project cost proposal shall be submitted in a separate sealed envelope marked “Cost Proposal.” Proposer’s who do not include physical copies within the specified timeframe will be considered unresponsive and disqualified. All proposals must be signed by an authorized representative and include the completed Summary Sheet and Certification of Proposal to the City of Placentia provided in Appendix “B” and “C” of this RFP.

Proposals must:

- Show page numbers for all pages in the proposal.
- Be on 8-1/2”x11” page size
  - states “On-Call Construction Management and Inspection Services”
  - identifies the proposer
- Must be addressed as follows:
  City of Placentia
  Attn: Chris Tanio, PE, Deputy Director/City Engineer
  401 E. Chapman Avenue
  Placentia, CA 92870
- Proposals must address the requirements of the RFP as set forth in Section 5. They should be as concise as possible and must not contain any promotional, advertising or display material.

B. Cost proposal Submittal

A detailed hourly rate schedule shall be required for this RFP. If subcontracting, the rate structure for those services shall be included. On-call contracts resulting from this RFP will be awarded to firms whose Technical Proposal meets the technical requirements of the RFP. Proposals will be ranked in accordance with the evaluation criteria stated in this RFP. Should the consultants selected for each task or project be not able to reach an agreement on the fees for design services, the City reserves the right to enter negotiations with any of the qualified consultant on the on-call list.

C. Opening of Responses

All proposals are scheduled to be opened and considered within two weeks after the deadline date shown in Section 2 using evaluation procedures set forth in Section 10. Consultant selection may be delayed or postponed at the discretion of the City.
10. EVALUATION CRITERIA

A. Selection Committee
   a. Proposals submitted will be evaluated by a Selection Committee

B. Review of Proposals
   a. The Selection Committee will use a point formula during the review process to individually score Project Proposals, as outlined in Section C below, “Project Proposal Evaluation Criteria.” The Selection Committee will then be convened to review and discuss these evaluations and combine the individual scores to arrive at an average composite Project Proposal score for each firm. Firms that do not meet “Mandatory Elements” listed in Section C1 below will be eliminated from further consideration.
   b. After the composite Project Proposal score for each firm has been established based upon the “Qualitative Evaluation” criteria listed in Section C, the Selection Committee may request oral presentations from a subset of those firms with a minimum score of 70 points. Based upon score rankings, the three (3) highest ranking firms may be interviewed. The Selection Committee may also schedule a site visit, if applicable.
   c. The Cost Proposal of firms receiving a minimum score of 70 points on the qualitative review will be opened to ensure that the Cost Proposal is reasonable. The cost proposal for these services should consist of hourly rate for all classifications assigned to this project.

C. Project Proposal Evaluation Criteria

Proposals will be evaluated using three (3) sets of criteria. Firms meeting the mandatory elements will have their proposals evaluated and scored. The following represent the principal selection criteria which will be considered during the evaluation process.
   a. Mandatory Elements
      i. The firm is independent and properly licensed to practice in California.
      ii. The firm has no conflict of interest with regard to any other work performed by the firm for the City.
      iii. The firm adheres to the instructions in this RFQ on preparing and submitting the proposal.
      iv. The firm included a Letter of Transmittal in the Project Proposal.
   b. Qualitative Evaluation (Maximum Points = 100)
      In order to be considered the proposer must achieve at least 70 points. (Points will be assigned by the Department Director or Coordinator.)

APPENDIX “A” – PROFESSIONAL SERVICES AGREEMENT (SAMPLE)

CITY OF PLACENTIA

PROFESSIONAL SERVICES AGREEMENT

WITH

-----------------------------

THIS AGREEMENT is made and entered into this __ day of _____, 20__, (“Effective Date”), by and between the CITY OF PLACENTIA, a municipal corporation (“City”), and ___________, a [state] [type of corporation] (“Consultant”).

W I T N E S S E T H:

A. WHEREAS, City proposes to utilize the services of Consultant as an independent contractor to landscape architecture and accessibility design services, as more fully described herein; and

B. WHEREAS, Consultant represents that it is “design professional” as that term is defined by California Civil Code Section 2782.8 and has that degree of specialized expertise contemplated within California Government Code Section 37103, and holds all necessary licenses to practice and perform the services herein contemplated; including credentials as a Certified Access Specialist under Subchapter 2.5 of Title 21 of the California Code of Regulations; and

C. WHEREAS, City and Consultant desire to contract for the specific services described in Exhibit “A” (the “Project”) and desire to set forth their rights, duties and liabilities in connection with the services to be performed; and

D. WHEREAS, no official or employee of City has a financial interest, within the provisions of Sections 1090-1092 of the California Government Code, in the subject matter of this Agreement; and

E. WHEREAS, among other reasons, the City is hiring Consultant to perform accessibility design services at a public park within the City to comply with all applicable accessibility requirements. Accordingly, Consultant desires to perform these services and to bear all risk the City may bear resulting from accessibility designs that are not complaint.

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein, the parties hereby agree as follows:

1.0. SERVICES PROVIDED BY CONSULTANT

1.1. Scope of Services. Consultant shall provide the professional services described in the Consultant’s Proposal (“Proposal”), attached hereto as Exhibit “A” and incorporated herein by this reference, including but not limited to, preparing all design documents free from defects.

1.2. Professional Practices. All professional services to be provided by Consultant pursuant to this Agreement shall be provided by personnel experienced in their respective fields and in a manner consistent with the standards of care, diligence and skill ordinarily exercised by professional consultants in similar fields and circumstances in accordance with sound professional practices, and with credentials as a Certified Access Specialist under Subchapter 2.5 of Title 21 of the California Code of Regulations. Consultant also warrants that it is familiar with all laws that may affect its performance of this Agreement and shall advise City of any changes in any laws that may affect Consultant’s performance of this Agreement. Consultant shall keep itself informed of State and Federal laws and regulations which in any manner affect those employed by it or in any way affect the performance of its
service pursuant to this Agreement. The Consultant shall at all times observe and comply with all such laws and regulations. Officers and employees shall not be liable at law or in equity occasioned by failure of the Consultant to comply with this section. Consultant also warrants that it has ownership of all intellectual property being provided under this Agreement.

1.3. **Performance to Satisfaction of City.** Consultant agrees to perform all the work to the complete satisfaction of the City and within the hereinafter specified. Evaluations of the work will be done by the City Administrator or his or her designee. If the quality of work is not satisfactory, City in its discretion has the right to:

(a) Meet with Consultant to review the quality of the work and resolve the matters of concern;

(b) Require Consultant to repeat the work at no additional fee until it is satisfactory; and/or

(c) Terminate the Agreement as hereinafter set forth.

1.4. **Warranty.** Consultant warrants that it shall perform the services required by this Agreement in compliance with all applicable Federal and California employment laws, including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers' compensation insurance and safety in employment; and all other Federal, State and local laws and ordinances applicable to the services required under this Agreement. Consultant shall indemnify and hold harmless City from and against all claims, demands, payments, suits, actions, proceedings, and judgments of every nature and description including attorneys' fees and costs, presented, brought, or recovered against City for, or on account of any liability under any of the above-mentioned laws, which may be incurred by reason of Consultant's performance under this Agreement.

1.5. **Non-discrimination.** In performing this Agreement, Consultant shall not engage in, nor permit its agents to engage in, discrimination in employment of persons because of their race, religion, color, national origin, ancestry, age, physical handicap, medical condition, marital status, sexual gender or sexual orientation, except as permitted pursuant to Section 12940 of the Government Code. Such actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. Consultant agrees to post in conspicuous places, available to employees and applicants for employment, a notice setting forth provisions of this non-discrimination clause.

Consultant shall, in all solicitations and advertisements for employees placed by, or on behalf of Consultant shall state that all qualified applicants will receive consideration for employment without regard to age, race, color, religion, sex, marital status, national origin, or mental or physical disability. Consultant shall cause the paragraphs contained in this Section to be inserted in all subcontracts for any work covered by the Agreement, provided that the foregoing provisions shall not apply to subcontracts for standard commercial supplies or raw materials.

1.6. **Non-Exclusive Agreement.** Consultant acknowledges that City may enter into agreements with other consultants for services similar to the services that are subject to this Agreement or may have its own employees perform services similar to those services contemplated by this Agreement.

1.7. **Delegation and Assignment.** This is a personal service contract, and the duties set forth herein shall not be delegated or assigned to any person or entity without the prior written consent of City. Consultant may engage a subcontractor(s) as permitted by law and may employ other personnel to perform services contemplated by this Agreement at Consultant's sole cost and expense. All
insurance requirements contained in this Agreement are independently applicable to any and all subcontractors that Consultant may engage during the term of this Agreement.

1.8. Confidentiality. Employees of Consultant in the course of their duties may have access to financial, accounting, statistical, and personnel data of private individuals and employees of City. Consultant covenants that all data, documents, discussion, or other information developed or received by Consultant or provided for performance of this Agreement are deemed confidential and shall not be disclosed by Consultant without written authorization by City. City shall grant such authorization if disclosure is required by law. All City data shall be returned to City upon the termination of this Agreement. Consultant's covenant under this Section shall survive the termination of this Agreement.

2.0. COMPENSATION AND BILLING

2.1. Compensation. Consultant shall be paid in accordance with the fee schedule set forth in Exhibit “A”. Consultant’s total compensation shall not exceed _______ Dollars ($ _____).00).

2.2. Additional Services. Consultant shall not receive compensation for any services provided outside the scope of services specified in the Consultant’s Proposal or which is inconsistent with or in violation of the provisions of this Agreement unless the City or the Project Manager for this Project, prior to Consultant performing the additional services, approves such additional services in writing. It is specifically understood that oral requests and/or approvals of such additional services or additional compensation shall be barred and are unenforceable. Should the City request in writing additional services that increase the hereinabove described "SCOPE OF SERVICES", an additional fee based upon the Consultant's standard hourly rates shall be paid to the Consultant for such additional services. Such increase in additional fees shall be limited to 25% of the total contract sum or $25,000 whichever is more. The City Engineer is authorized to approve a Change Order for such additional services.

2.3. Method of Billing. Consultant may submit invoices to the City for approval on a progress basis, but no more often than two times a month. Said invoice shall be based on the total of all Consultant’s services which have been completed to City’s sole satisfaction. City shall pay Consultant’s invoice within forty-five (45) days from the date City receives said invoice. Each invoice shall describe in detail, the services performed, the date of performance, and the associated time for completion. Any additional services approved and performed pursuant to this Agreement shall be designated as “Additional Services” and shall identify the number of the authorized change order, where applicable, on all invoices.

2.4. Records and Audits. Records of Consultant’s services relating to this Agreement shall be maintained in accordance with generally recognized accounting principles and shall be made available to City or its Project Manager for inspection and/or audit at mutually convenient times for a period of three (3) years from the Effective Date.

3.0. TIME OF PERFORMANCE

3.1. Commencement and Completion of Work. The professional services to be performed pursuant to this Agreement shall commence within five (5) days from the Effective Date of this Agreement. Said services shall be performed in strict compliance with the Project Schedule approved by City as set forth in Exhibit “A”.

3.2. Excusable Delays. Neither party shall be responsible for delays or lack of performance resulting from acts beyond the reasonable control of the party or parties. Such acts shall include, but not be limited to, acts of God, fire, strikes, material shortages, compliance with laws or regulations, riots, acts of war, or any other conditions beyond the reasonable control of a party. If a delay beyond the control of the Consultant is encountered, a time extension may be mutually agreed upon in writing by the City and the Consultant. The Consultant shall present documentation satisfactory to the City to substantiate any request for a time extension.
4.0. TERM AND TERMINATION

4.1. Term. This Agreement shall commence on the Effective Date and continue for a period of ______ months, ending on __________, 20__, unless previously terminated as provided herein or as otherwise agreed to in writing by the parties.

4.2. Notice of Termination. The City reserves and has the right and privilege of canceling, suspending or abandoning the execution of all or any part of the work contemplated by this Agreement, with or without cause, at any time, by providing at least fifteen (15) days prior written notice to Consultant. The termination of this Agreement shall be deemed effective upon receipt of the notice of termination. In the event of such termination, Consultant shall immediately stop rendering services under this Agreement unless directed otherwise by the City. If the City suspends, terminates or abandons a portion of this Agreement such suspension, termination or abandonment shall not make void or invalidate the remainder of this Agreement.

If the Consultant defaults in the performance of any of the terms or conditions of this Agreement, it shall have ten (10) days after service upon it of written notice of such default in which to cure the default by rendering a satisfactory performance. In the event that the Consultant fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

The City shall have the right, notwithstanding any other provisions of this Agreement, to terminate this Agreement, at its option and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement, immediately upon service of written notice of termination on the Consultant, if the latter should:

a. Be adjudged a bankrupt;

b. Become insolvent or have a receiver of its assets or property appointed because of insolvency;

c. Make a general assignment for the benefit of creditors;

d. Default in the performance of any obligation or payment of any indebtedness under this Agreement;

e. Suffer any judgment against it to remain unsatisfied or unbonded of record for thirty (30) days or longer; or

f. Institute or suffer to be instituted any procedures for reorganization or rearrangement of its affairs.

4.3. Compensation. In the event of termination, City shall pay Consultant for reasonable costs incurred and professional services satisfactorily performed up to and including the date of City’s written notice of termination within thirty-five (35) days after service of the notice of termination. Compensation for work in progress shall be prorated based on the percentage of work completed as of the effective date of termination in accordance with the fees set forth herein. In ascertaining the professional services actually rendered hereunder up to the effective date of termination of this Agreement, consideration shall be given to both completed work and work in progress, to complete and incomplete drawings, and to other documents pertaining to the services contemplated herein whether delivered to the City or in the possession of the Consultant. City shall not be liable for any claim of lost profits.

4.4. Documents. In the event of termination of this Agreement, all documents prepared by Consultant in its performance of this Agreement including, but not limited to, finished or unfinished
design, development and construction documents, data studies, drawings, maps and reports, shall be delivered to the City within ten (10) days of delivery of termination notice to Consultant, at no cost to City. Any use of uncompleted documents without specific written authorization from Consultant shall be at City's sole risk and without liability or legal expense to Consultant.

5.0. INSURANCE

5.1. Minimum Scope and Limits of Insurance. Consultant shall obtain, maintain, and keep in full force and effect during the life of this Agreement all the following minimum scope of insurance coverages with an insurance company admitted to do business in California, rated “A,” Class X, or better in the most recent Best’s Key Insurance Rating Guide, and approved by City:

(a) Broad-form commercial general liability, in a form at least as broad as ISO from #CG 00 01 04 13, including premises-operations, products/completed operations, broad form property damage, blanket contractual liability, independent contractors, personal injury or bodily injury with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or shall be twice the required occurrence limit. If Consultant maintains higher limits that the specified minimum limits, City requires and shall be entitled to coverage for the high limits maintained by the Consultant.

(b) Business automobile liability for owned vehicles, hired, and non-owned vehicles, with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, each incident for bodily injury and property damage.

(c) Workers’ compensation insurance as required by the State of California and Employers Liability Insurance with a minimum limit of $1,000,000 per accident for any employee or employees of Consultant. Consultant agrees to waive, and to obtain endorsements from its workers’ compensation insurer waiving subrogation rights under its workers’ compensation insurance policy against the City, its officers, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its subcontractors, if any, to do likewise under their workers’ compensation insurance policies.

Before execution of this Agreement by the City, the Consultant shall file with the Public Works Director/City Engineer the following signed certification:

I am aware of, and will comply with, Section 3700 of the Labor Code, requiring every employer to be insured against liability of Workers’ Compensation or to undertake self-insurance before commencing any of the work.

The Consultant shall also comply with Section 3800 of the Labor Code by securing, paying for and maintaining in full force and effect for the duration of this Agreement, complete Workers’ Compensation Insurance, and shall furnish a Certificate of Insurance to the Public Works Director/City Engineer before execution of this Agreement by the City. The City, its officers and employees shall not be responsible for any claims in law or equity occasioned by failure of the consultant to comply with this section.

(d) Professional errors and omissions (“E&O”) liability insurance with policy limits of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence and aggregate. Architects’ and engineers’ coverage shall be endorsed to include contractual liability. If the policy is written as a “claims made” policy, the retro date shall be prior to the start of the contract work. Consultant
shall obtain and maintain, said E&O liability insurance during the life of this Agreement and for three years after completion of the work hereunder.

Neither the CITY nor any of its elected or appointed officials, officers, agents, employees, or volunteers makes any representation that the types of insurance and the limits specified to be carried by Consultant under this Agreement are adequate to protect Consultant. If Consultant believes that any such insurance coverage is insufficient, Consultant shall provide, at its own expense, such additional insurance as Consultant deems adequate.

5.2. **Endorsements.** The commercial general liability insurance policy and business automobile liability policy shall contain or be endorsed to contain the following provisions as worded below.

(a) Additional insureds: "The City of Placentia and its elected and appointed boards, officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of the Consultant pursuant to its contract with the City; products and completed operations of the Consultant; premises owned, occupied or used by the Consultant; automobiles owned, leased, hired, or borrowed by the Consultant."

(b) Notice: "Consultant shall provide immediate written notice if (1) any of the required insurance policies is terminated; (2) the limits of any of the required polices are reduced; (3) or the deductible or self-insured retention is increased. In the event of any cancellation or reduction in coverage or limits of any insurance, Consultant shall forthwith obtain and submit proof of substitute insurance. Should Consultant fail to immediately procure other insurance, as specified, to substitute for any canceled policy, the City may procure such insurance at Consultant's sole cost and expense."

(c) Other insurance: "The Consultant's insurance coverage shall be primary insurance as respects the City of Placentia, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of Placentia shall be excess and not contributing with the insurance provided by this policy."

(d) Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of Placentia, its officers, officials, agents, employees, and volunteers.

(e) The Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

5.3. **Deductible or Self-Insured Retention.** If any of such policies provide for a deductible or self-insured retention to provide such coverage, the amount of such deductible or self-insured retention shall be approved in advance by City. No policy of insurance issued as to which the City is an additional insured shall contain a provision which requires that no insured except the named insured can satisfy any such deductible or self-insured retention.

5.4. **Certificates of Insurance.** Consultant shall provide to City certificates of insurance showing the insurance coverages and required endorsements described above, in a form and content approved by City, prior to performing any services under this Agreement. The certificates of insurance and endorsements shall be attached hereto as Exhibit “B” and incorporated herein by this reference.

5.5. **Non-limiting.** Nothing in this Section shall be construed as limiting in any way, the indemnification provision contained in this Agreement, or the extent to which Consultant may be held
responsible for payments of damages to persons or property.

6.0. GENERAL PROVISIONS

6.1. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to any matter referenced herein and supersedes any and all other prior writings and oral negotiations. This Agreement may be modified only in writing and signed by the parties in interest at the time of such modification. The terms of this Agreement shall prevail over any inconsistent provision in any other contract document appurtenant hereto, including exhibits to this Agreement.

6.2. Representatives. The City Administrator or his or her designee shall be the representative of City for purposes of this Agreement and may issue all consents, approvals, directives and agreements on behalf of the City, called for by this Agreement, except as otherwise expressly provided in this Agreement.

Consultant shall designate a representative for purposes of this Agreement who shall be authorized to issue all consents, approvals, directives and agreements on behalf of Consultant called for by this Agreement, except as otherwise expressly provided in this Agreement.

6.3. Project Managers. City shall designate a Project Manager to work directly with Consultant in the performance of this Agreement. It shall be the Consultant's responsibility to assure that the Project Manager is kept informed of the progress of the performance of the services and the Consultant shall refer any decision, which must be made by City, to the Project Manager. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Project Manager.

Consultant shall designate a Project Manager who shall represent it and be its agent in all consultations with City during the term of this Agreement and who shall not be changed by Consultant without the express written approval by the City. Consultant or its Project Manager shall attend and assist in all coordination meetings called by City.

6.4. Notices. Any notices, documents, correspondence or other communications concerning this Agreement, or the work hereunder may be provided by personal delivery, facsimile or if mailed, shall be addressed as set forth below and placed in a sealed envelope, postage prepaid, and deposited in the United States Postal Service. Such communication shall be deemed served or delivered: a) at the time of delivery if such communication is sent by personal delivery; b) at the time of transmission if such communication is sent by facsimile; and c) 72 hours after deposit in the U.S. Mail as reflected by the official U.S. postmark if such communication is sent through regular United States mail.

6.5. Attorneys' Fees. In the event that litigation is brought by any party in connection with this Agreement, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any of the terms, conditions, or provisions hereof.

6.6. Governing Law. This Agreement shall be governed by and construed under the laws of
the State of California without giving effect to that body of laws pertaining to conflict of laws. In the event of any legal action to enforce or interpret this Agreement, the parties hereto agree that the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California. Consultant agrees to submit to the personal jurisdiction of such court in the event of such action.

6.7. **Assignment.** Consultant shall not voluntarily or by operation of law assign, transfer, sublet or encumber all or any part of Consultant's interest in this Agreement without City's prior written consent. Any attempted assignment, transfer, subletting or encumbrance shall be void and shall constitute a breach of this Agreement and cause for termination of this Agreement. Regardless of City's consent, no subletting or assignment shall release Consultant of Consultant's obligation to perform all other obligations to be performed by Consultant hereunder for the term of this Agreement.

6.8. **Indemnification and Hold Harmless.** Consultant agrees to defend, indemnify, hold free and harmless the City, its elected and appointed officials, officers, agents and employees, at Consultant’s sole expense, from and against any and all claims, demands, actions, suits or other legal proceedings arising out of, pertaining to, or relating to the negligence, recklessness, or willful misconduct of Consultant brought against the City, its elected and appointed officials, officers, agents and employees arising out of the performance of the Consultant, its employees, and/or authorized subcontractors, of the work undertaken pursuant to this Agreement. The defense obligation provided for hereunder shall apply without any advance showing of negligence, recklessness, or willful misconduct by the Consultant, its employees, and/or authorized subcontractors, but shall be required whenever any claim, action, complaint, or suit asserts as its basis the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors, and/or-whenever any claim, action, complaint or suit asserts liability against the City, its elected and appointed officials, officers, agents and employees based upon the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors under this Agreement, whether or not the Consultant, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable. Notwithstanding the foregoing, the Consultant shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City’s specifications or Consultant’s Proposal, which shall be of no force and effect.

6.9. **Independent Contractor.** Consultant is and shall be acting at all times as an independent contractor and not as an employee of City. Consultant shall have no power to incur any debt, obligation, or liability on behalf of City or otherwise act on behalf of City as an agent. Neither City nor any of its agents shall have control over the conduct of Consultant or any of Consultant’s employees, except as set forth in this Agreement. Consultant shall not, at any time, or in any manner, represent that it or any of its or employees are in any manner agents or employees of City. Consultant shall secure, at its sole expense, and be responsible for any and all payment of Income Tax, Social Security, State Disability Insurance Compensation, Unemployment Compensation, and other payroll deductions for Consultant and its officers, agents, and employees, and all business licenses, if any are required, in connection with the services to be performed hereunder. Consultant shall indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant further agrees to indemnify and hold City harmless from any failure of Consultant to comply with the applicable worker’s compensation laws. City shall have the right to offset against the amount of any fees due to Consultant under this Agreement any amount due to City from Consultant as a result of Consultant’s failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

6.10. **PERS Eligibility Indemnification.** In the event that Consultant or any employee, agent, or subcontractor of Consultant providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Consultant shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits
on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Notwithstanding any other agency, state or federal policy, rule, regulation, law or ordinance to the contrary, Consultant and any of its employees, agents, and subcontractors providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

6.11. **Cooperation.** In the event any claim or action is brought against City relating to Consultant’s performance or services rendered under this Agreement, Consultant shall render any reasonable assistance and cooperation which City might require.

6.12. **Ownership of Documents.** All findings, reports, documents, information and data including, but not limited to, computer tapes or discs, preliminary notes, working documents, files and tapes furnished or prepared by Consultant or any of its subcontractors in the course of performance of this Agreement, shall be and remain the sole property of City. Consultant agrees that any such documents or information shall not be made available to any individual or organization without the prior consent of City but shall be made available to the City within ten (10) days of request or within ten (10) days of termination. Any use of such documents for other projects not contemplated by this Agreement, and any use of incomplete documents, shall be at the sole risk of City and without liability or legal exposure to Consultant. City shall indemnify and hold harmless Consultant from all claims, damages, losses, and expenses, including attorneys’ fees, arising out of or resulting from City’s use of such documents for other projects not contemplated by this Agreement or use of incomplete documents furnished by Consultant. Consultant shall deliver to City any findings, reports, documents, information, data, preliminary notes and working documents, in any form, including but not limited to, computer tapes, discs, files audio tapes or any other Project related items as requested by City or its authorized representative, at no additional cost to the City. Consultant or Consultant’s agents shall execute such documents as may be necessary from time to time to confirm City’s ownership of the copyright in such documents.

6.13. **Public Records Act Disclosure.** Consultant has been advised and is aware that this Agreement and all reports, documents, information and data, including, but not limited to, computer tapes, discs or files furnished or prepared by Consultant, or any of its subcontractors, pursuant to this Agreement and provided to City may be subject to public disclosure as required by the California Public Records Act (California Government Code Section 6250 et seq.). Exceptions to public disclosure may be those documents or information that qualify as trade secrets, as that term is defined in the California Government Code Section 6254.7, and of which Consultant informs City of such trade secret. The City will endeavor to maintain as confidential all information obtained by it that is designated as a trade secret. The City shall not, in any way, be liable or responsible for the disclosure of any trade secret including, without limitation, those records so marked if disclosure is deemed to be required by law or by order of the Court.

6.14. **Conflict of Interest.** Consultant and its officers, employees, associates and subconsultants, if any, will comply with all conflict of interest statutes of the State of California applicable to Consultant’s services under this agreement, including, but not limited to, the Political Reform Act (Government Code Sections 81000, et seq.) and Government Code Section 1090. During the term of this Agreement, Consultant and its officers, employees, associates and subconsultants shall not, without the prior written approval of the City Representative, perform work for another person or entity for whom Consultant is not currently performing work that would require Consultant or one of its officers, employees, associates or subconsultants to abstain from a decision under this Agreement pursuant to a conflict of interest statute.

6.15. **Responsibility for Errors.** Consultant shall be responsible for its work and results under this Agreement. Consultant, when requested, shall furnish clarification and/or explanation as may be
required by the City’s representative, regarding any services rendered under this Agreement at no additional cost to City. In the event that an error or omission attributable to Consultant occurs, then Consultant shall, at no cost to City, provide all necessary design drawings, estimates and other Consultant professional services necessary to rectify and correct the matter to the sole satisfaction of City and to participate in any meeting required with regard to the correction.

6.16. **Prohibited Employment.** Consultant will not employ any regular employee of City while this Agreement is in effect.

6.17. **Order of Precedence.** In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and those of any such provision or provisions so incorporated by reference, the conflict shall be resolved by giving precedence in the following order, if applicable: This Agreement, the City’s Request for Proposals, the Consultant’s Proposal.

6.18. **Costs.** Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.

6.19. **No Third Party Beneficiary Rights.** This Agreement is entered into for the sole benefit of City and Consultant and no other parties are intended to be direct or incidental beneficiaries of this Agreement and no third party shall have any right in, under or to this Agreement.

6.20. **Headings.** Paragraphs and subparagraph headings contained in this Agreement are included solely for convenience and are not intended to modify, explain or to be a full or accurate description of the content thereof and shall not in any way affect the meaning or interpretation of this Agreement.

6.21. **Construction.** The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. There shall be no presumption or burden of proof favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

6.22. **Amendments.** Only a writing executed by the parties hereto or their respective successors and assigns may amend this Agreement.

6.23. **Waiver.** The delay or failure of either party at any time to require performance or compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of those rights to require such performance or compliance. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom enforcement of a waiver is sought. The waiver of any right or remedy in respect to any occurrence or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a continuing waiver.

6.24. **Severability.** If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial benefit of the bargain for any party, is materially impaired, which determination made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.

6.25. **Counterparts.** This Agreement may be executed in one or more counterparts, each of
which shall be deemed an original. All counterparts shall be construed together and shall constitute one agreement.

6.26. Corporate Authority. The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by doing so the parties hereto are formally bound to the provisions of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective authorized officers, as of the date first above written.

BUSINESS AUTO COVERAGE EXPANSION ENDORSEMENT

This endorsement modifies insurance provided by the following:

BUSINESS AUTO COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the COVERAGE FORM apply unless modified by the endorsement.

A. Newly Acquired or Formed Organizations, Employee Hired Car Liability and Blanket Additional Insured Status for Certain Entities.

Item 1. Who is an Insured of Paragraph A. Coverage under SECTION II – COVERED AUTOS LIABILITY COVERAGE is amended to add:

d. Any organization you newly acquire or form, other than a partnership, joint venture or limited liability company, and over which you maintain ownership of a majority interest (greater than 50%), will qualify as a Named Insured; however,

(1) coverage under this provision is afforded only until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier;

(2) coverage does not apply to "bodily injury", "property damage" or "covered pollution cost or expense" that results from an "accident" which occurred before you acquired or formed the organization; and

(3) coverage does not apply if there is other similar insurance available to that organization, or if similar insurance would have been available but for its termination or the exhaustion of its limits of insurance.

This insurance does not apply if coverage for the newly acquired or formed organization is excluded either by the provisions of this coverage form or by endorsement.

e. An "employee" of yours is an "insured" while operating an "auto" hired or rented under a contract or agreement in that "employee’s" name, with your permission, while performing duties related to the conduct of your business.

f. Any person or organization you are required by written contract or agreement to name as an additional "insured", but only with respect to liability created in whole or in part by such agreement.

B. Increase Of Loss Earnings Payment

Subpart (4) of a. Supplementary Payments of Item 2. Coverage Extensions of Paragraph A. Coverage under SECTION II – COVERED AUTOS LIABILITY COVERAGE is amended to read:

(4) We will pay reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to $1,000 per day because of time off from work.

C. Fellow Employee Injured By Covered Auto You Own Or Hire

Item 5. Fellow Employee of Paragraph B. Exclusions under SECTION II – COVERED AUTOS LIABILITY COVERAGE is amended to add:

This exclusion does not apply if the "bodily injury" results from the use of a covered "auto" you own or hire. Such coverage as is afforded by this provision is excess over any other collectible insurance.
D. Limited Automatic Towing Coverage

Item 2. Towing, of Paragraph A. Coverage, under SECTION III – PHYSICAL DAMAGE COVERAGE is amended to read:

2. **Towing**

   We will pay for towing and labor costs each time that a covered "auto" is disabled. All labor must be performed at the place of disablement of the covered "auto".

   a. The limit for towing and labor for each disablement is $500;

   b. No deductible applies to this coverage.

E. Item 3. Glass Breakage – Hitting A Bird Or Animal – Falling Objects or Missiles of Paragraph A. Coverage under SECTION III – PHYSICAL DAMAGE COVERAGE, is amended to add:

**Glass Repair Coverage**

We will waive the Comprehensive deductible for Glass, if one is indicated on your covered "auto", for glass repairs. We will repair at no cost to you, any glass that can be repaired without replacement, provided the "loss" arises from a covered Comprehensive "loss" to your "auto".

F. **Increase Of Transportation Expense Coverage**

Subpart a. Transportation Expenses of Item 4. Coverage Extensions of Paragraph A. Coverage under SECTION III – PHYSICAL DAMAGE COVERAGE is amended to read:

a. **Transportation Expenses**

   We will pay up to $50 per day to a maximum of $1,000 for temporary transportation expense incurred by you because of the total theft of a covered "auto" of the private passenger type. We will pay only for those covered "autos" for which you carry either Comprehensive or Specified Causes of Loss Coverage or Theft Coverage. We will pay for temporary transportation expenses incurred during the period beginning 48 hours after the theft and ending, regardless of the policy's expiration, when the covered "auto" is returned to use or we pay for its "loss".

G. “Personal Effects” Coverage

Item 4. Coverage Extensions of Paragraph A. Coverage, under SECTION III – PHYSICAL DAMAGE COVERAGE, is amended to add:

“*Personal Effects*” Coverage

We will pay actual cash value for “loss” to “personal effects” of the “insured” while in a covered “auto” subject to a maximum limit of $2,500 per “loss”, for that covered “auto” caused by the same “accident”. No deductible will apply to this coverage.

H. “Downtime Loss” Coverage

Item 4. Coverage Extensions of Paragraph A. Coverage, under SECTION III. PHYSICAL DAMAGE COVERAGE, is amended to add:

“Downtime Loss” Coverage

We will pay any resulting “downtime loss” expenses you sustain as a result of a covered physical damage “loss” to a covered “auto” up to a maximum of $100 per day, for a maximum of 30 days for the same physical damage “loss”, subject to the following conditions:

a. We will provide “downtime loss” beginning on the 5th day after we have given you our agreement to pay for repairs to a covered “auto” and you have given the repair facility your authorization to make repairs;

b. Coverage for “downtime loss” expenses will end when any of the following occur:
   (1) You have a spare or reserve "auto" available to you to continue your operations.

   (2) You purchase a replacement “auto”.

   (3) Repairs to your covered “auto” have been completed by the repair facility and they determine the covered “auto” is road-worthy.

   (4) You reach the 30 day maximum coverage.
I. Item 4. Coverage Extensions, of Paragraph A. Coverage, under SECTION III. PHYSICAL DAMAGE COVERAGE, is amended to add:

We will pay any resulting rental reimbursement expenses incurred by you for a rental of an “auto” because of “loss” to a covered “auto” up to a maximum of $100 per day, for a maximum of 30 days for the same physical damage “loss”, subject to the following conditions:

a. We will provide rental reimbursement incurred during the policy period beginning 24 hours after the “loss” and ending, regardless of the policy expiration, with the number of days reasonably required to repair or replace the covered “auto”. If the “loss” is caused by theft, this number of days is the number of days it takes to locate the covered “auto” and return it to you or the number of days it takes for the claim to be settled, whichever comes first.

b. Our payment is limited to necessary and actual expenses incurred.

c. This coverage does not apply while there are spare or reserve “autos” available to you for your operations.

d. If a “loss” results from the total theft of a covered “auto” of the private passenger type, we will pay under this coverage only that amount of your rental reimbursement expenses which is not already provided for under the Physical Damage Coverage Extension.

J. “Personal Effects” Exclusion

Paragraph B. Exclusions under SECTION III – PHYSICAL DAMAGE COVERAGE, is amended to add:

“Personal Effects” Exclusion

We will not pay for “loss” to “personal effects” of any of the following:

a. Accounts, bills, currency, deeds, evidence of debt, money, notes, securities or commercial paper or other documents of value.

b. Bullion, gold, silver, platinum, or other precious alloys or metals; furs or fur garments; jewelry; watches; precious or semi-precious stones.

c. Paintings, statuary and other works of art.

d. Contraband or property in the course of illegal transportation or trade.

e. “Loss” caused by theft, unless there is evidence of forced entry into the covered “auto” and a police report is filed.

K. Accidental Airbag Discharge Coverage

Item 3.a. of Paragraph B. Exclusions under SECTION III – PHYSICAL DAMAGE COVERAGE is amended to read:

a. Wear and tear, freezing, mechanical or electrical breakdown. The exclusion relating to mechanical break-down does not apply to the accidental discharge of an air bag.

L. Loan or Lease Gap Coverage

Paragraph C. Limit Of Insurance under SECTION III – PHYSICAL DAMAGE COVERAGE is amended to add:

If a covered “auto” is owned or leased and if we provide Physical Damage Coverage on it, we will pay, in the event of a covered total “loss”, any unpaid amount due on the lease or loan for a covered “auto”, less:

a. The amount paid under the Physical Damage Coverage Section of the policy; and

b. Any:

(1) Overdue lease or loan payments including penalties, interest or other charges resulting from overdue payments at the time of the “loss”;

(2) Financial penalties imposed under a lease for excessive use, abnormal wear and tear or high mileage;

(3) Costs for extended warranties, Credit Life Insurance, Health, Accident or Disability Insurance purchased with the loan or lease;

(4) Security deposits not refunded by the lessor; and

(5) Carry-over balances from previous loans or leases
M. Aggregate Deductible
Paragraph D. Deductible under SECTION III – PHYSICAL DAMAGE COVERAGE is amended to add:

Regardless of the number of covered "autos" involved in the same "loss", only one deductible will apply to that "loss". If the deductible amounts vary by “autos”, then only the highest applicable deductible will apply to that "loss".

N. Diminishing Deductible
Paragraph D. Deductible under SECTION III – PHYSICAL DAMAGE COVERAGE is amended to add:

Any deductible will be reduced by the percentage indicated below on the first "loss" reported during the corresponding policy period:

If we pay a Physical Damage "loss" during the policy period under any BUSINESS AUTO COVERAGE FORM you have with us, your deductible stated in the Declarations page of each such COVERAGE FORM will not be reduced on any subsequent claims during the remainder of your policy period and your deductible reduction will revert back to 0% for each such COVERAGE FORM if coverage is renewed.

O. Knowledge of Loss and Notice To Us
Subsection a. of Item 2. Duties In the Event of Accident, Claim, Suit or Loss of Paragraph A. Loss Conditions under SECTION IV – BUSINESS AUTO CONDITIONS is amended to add:

However, prompt notice of the "accident", claim, "suit" or "loss" to us or our authorized representative only applies after the "accident", claim, "suit" or "loss" is known to:

(1) You, if you are an individual;
(2) A partner, if you are a partnership;
(3) An "executive officer" or director, if you are a corporation;
(4) A manager or member, if you are a limited liability company;
(5) Your insurance manager, or
(6) Your legal representative.

P. Waiver Of Subrogation For Auto Liability Losses Assumed Under Insured Contract
Item 5. Transfer Of Rights Of Recovery Against Others To Us of Paragraph A. Loss Conditions under SECTION IV – BUSINESS AUTO CONDITIONS is amended to read:

5. Transfer of Rights of Recovery Against Others To Us
If any person or organization to or for whom we make payments under this Coverage Form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after an "accident" or "loss" to impair them. However, if the insured has waived those rights to recover through a written contract, we will waive any right to recovery we may have under this Coverage Form.

Q. Insurance is Primary and Noncontributory
Subpart a. of Item 5. Other Insurance of Paragraph B. General Conditions under SECTION IV – BUSINESS AUTO CONDITIONS is amended to read:

a. This insurance is primary and noncontributory, as respects any other insurance, if required in a written contract with you.

R. Other Insurance – Hired Auto Physical Damage
Subpart b. of Item 5. Other Insurance of Paragraph B. General Conditions under SECTION IV – BUSINESS AUTO CONDITIONS is amended to read:

b. For Hired Auto Physical Damage Coverage, the following are deemed to be covered "autos" you own:

(1) Any covered "auto" you lease, hire, rent or borrow; and
(2) Any covered "auto" hired or rented by your "employee" under a contract in that individual "employee's" name, with your permission, while performing duties related to the conduct of your business.

However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

S. Unintentional Failure To Disclose Hazards

Paragraph B. General Conditions under SECTION IV – BUSINESS AUTO CONDITIONS is amended to add:

9. Your failure to disclose all hazards existing as of the inception date of this policy shall not prejudice the coverage afforded by this policy, provided that such failure to disclose all hazards is not intentional. However, you must report such previously undisclosed hazards to us as soon as practicable after its discovery.

T. Additional Definition

SECTION V – DEFINITIONS is amended to add:

“Personal effects” means personal property owned by the “insured”.

“Downtime loss” means actual loss of “business income” for the period of time that a covered “auto”:

1. Is out of service for repair or replacement as a result of a covered physical damage “loss” and

2. Is in the custody of a repair facility if not a total “loss”.

“Business Income” means:

1. Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred; and

2. Continuing normal operating expenses incurred, including payroll.

In this endorsement, Headings and Titles are inserted solely for the convenience and ease of reference. They do not affect the coverage provided by this endorsement, nor do they constitute any part of the terms and conditions of this endorsement. All other policy wording not specifically changed, modified, or replaced by this endorsement wording remains in effect.
WAIVER OF OUR RIGHT TO RECOVER FROM OTHERS ENDORSEMENT—CALIFORNIA

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART

The following is added to the Other Insurance Condition and supersedes any provision to the contrary:

Primary And Noncontributory Insurance

This insurance is primary to and will not seek contribution from any other insurance available to an additional insured under your policy provided that:

(1) The additional insured is a Named Insured under such other insurance; and

(2) You have agreed in writing in a contract or agreement that this insurance would be primary and would not seek contribution from any other insurance available to the additional insured.
This Endorsement Changes The Policy. Please Read It Carefully

BUSINESS AUTO COVERAGE EXPANSION ENDORSEMENT

This endorsement modifies insurance provided by the following:

BUSINESS AUTO COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the COVERAGE FORM apply unless modified by the endorsement.

A. Newly Acquired or Formed Organizations, Employee Hired Car Liability and Blanket Additional Insured Status for Certain Entities.

Item 1. Who is an Insured of Paragraph A. Coverage under SECTION II – COVERED AUTOS LIABILITY COVERAGE is amended to add:

d. Any organization you newly acquire or form, other than a partnership, joint venture or limited liability company, and over which you maintain ownership of a majority interest (greater than 50%), will qualify as a Named Insured; however,

(1) coverage under this provision is afforded only until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier;

(2) coverage does not apply to "bodily injury", "property damage" or "covered pollution cost or expense" that results from an "accident" which occurred before you acquired or formed the organization; and

(3) coverage does not apply if there is other similar insurance available to that organization, or if similar insurance would have been available but for its termination or the exhaustion of its limits of insurance.

This insurance does not apply if coverage for the newly acquired or formed organization is excluded either by the provisions of this coverage form or by endorsement.

e. An "employee" of yours is an "insured" while operating an "auto" hired or rented under a contract or agreement in that "employee's" name, with your permission, while performing duties related to the conduct of your business.

f. Any person or organization you are required by written contract or agreement to name as an additional "insured", but only with respect to liability created in whole or in part by such agreement.

B. Increase Of Loss Earnings Payment

Subpart (4) of a. Supplementary Payments of Item 2. Coverage Extensions of Paragraph A. Coverage under SECTION II – COVERED AUTOS LIABILITY COVERAGE is amended to read:

(4) We will pay reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to $1,000 per day because of time off from work.

C. Fellow Employee Injured By Covered Auto You Own Or Hire

Item 5. Fellow Employee of Paragraph B. Exclusions under SECTION II – COVERED AUTOS LIABILITY COVERAGE is amended to add:

This exclusion does not apply if the "bodily injury" results from the use of a covered "auto" you own or hire. Such coverage as is afforded by this provision is excess over any other collectible insurance.
D. Limited Automatic Towing Coverage

Item 2. Towing, of Paragraph A. Coverage, under SECTION III – PHYSICAL DAMAGE COVERAGE is amended to read:

2. Towing

We will pay for towing and labor costs each time that a covered “auto” is disabled. All labor must be performed at the place of disablement of the covered “auto”.

a. The limit for towing and labor for each disablement is $500;

b. No deductible applies to this coverage.

E. Item 3. Glass Breakage – Hitting A Bird Or Animal – Falling Objects or Missiles of Paragraph A. Coverage under SECTION III – PHYSICAL DAMAGE COVERAGE, is amended to add:

Glass Repair Coverage

We will waive the Comprehensive deductible for Glass, if one is indicated on your covered “auto”, for glass repairs. We will repair at no cost to you, any glass that can be repaired without replacement, provided the “loss” arises from a covered Comprehensive “loss” to your “auto”.

F. Increase Of Transportation Expense Coverage

Subpart a. Transportation Expenses of Item 4. Coverage Extensions of Paragraph A. Coverage under SECTION III – PHYSICAL DAMAGE COVERAGE is amended to read:

a. Transportation Expenses

We will pay up to $50 per day to a maximum of $1,000 for temporary transportation expense incurred by you because of the total theft of a covered “auto” of the private passenger type. We will pay only for those covered “autos” for which you carry either Comprehensive or Specified Causes of Loss Coverage or Theft Coverage. We will pay for temporary transportation expenses incurred during the period beginning 48 hours after the theft and ending, regardless of the policy’s expiration, when the covered “auto” is returned to use or we pay for its “loss”.

G. “Personal Effects” Coverage

Item 4. Coverage Extensions of Paragraph A. Coverage, under SECTION III - PHYSICAL DAMAGE COVERAGE, is amended to add:

“Personal Effects” Coverage

We will pay actual cash value for “loss” to “personal effects” of the “insured” while in a covered “auto” subject to a maximum limit of $2,500 per “loss”, for that covered “auto” caused by the same “accident”. No deductible will apply to this coverage.

H. “Downtime Loss” Coverage

Item 4. Coverage Extensions, of Paragraph A. Coverage, under SECTION III. PHYSICAL DAMAGE COVERAGE, is amended to add:

“Downtime Loss” Coverage

We will pay any resulting “downtime loss” expenses you sustain as a result of a covered physical damage “loss” to a covered “auto” up to a maximum of $100 per day, for a maximum of 30 days for the same physical damage “loss”, subject to the following conditions:

a. We will provide “downtime loss” beginning on the 5th day after we have given you our agreement to pay for repairs to a covered “auto” and you have given the repair facility your authorization to make repairs;

b. Coverage for “downtime loss” expenses will end when any of the following occur:

(1) You have a spare or reserve “auto” available to you to continue your operations.

(2) You purchase a replacement “auto”.

(3) Repairs to your covered “auto” have been completed by the repair facility and they determine the covered “auto” is road-worthy.

(4) You reach the 30 day maximum coverage.
I. **Item 4. Coverage Extensions**, of Paragraph **A. Coverage**, under **SECTION III - PHYSICAL DAMAGE COVERAGE**, is amended to add:

We will pay any resulting rental reimbursement expenses incurred by you for a rental of an “auto” because of “loss” to a covered “auto” up to a maximum of $100 per day, for a maximum of 30 days for the same physical damage “loss”, subject to the following conditions:

a. We will provide rental reimbursement incurred during the policy period beginning 24 hours after the “loss” and ending, regardless of the policy expiration, with the number of days reasonably required to repair or replace the covered “auto”. If the “loss” is caused by theft, this number of days is the number of days it takes to locate the covered “auto” and return it to you or the number of days it takes for the claim to be settled, whichever comes first.

b. Our payment is limited to necessary and actual expenses incurred.

c. This coverage does not apply while there are spare or reserve “autos” available to you for your operations.

d. If a “loss” results from the total theft of a covered “auto” of the private passenger type, we will pay under this coverage only that amount of your rental reimbursement expenses which is not already provided for under the Physical Damage Coverage Extension.

J. **“Personal Effects” Exclusion**

Paragraph **B. Exclusions** under **SECTION III - PHYSICAL DAMAGE COVERAGE**, is amended to add:

**“Personal Effects” Exclusion**

We will not pay for “loss” to “personal effects” of any of the following:

a. Accounts, bills, currency, deeds, evidence of debt, money, notes, securities or commercial paper or other documents of value.

b. Bullion, gold, silver, platinum, or other precious alloys or metals; furs or fur garments; jewelry; watches; precious or semi-precious stones.

c. Paintings, statuary and other works of art.

d. Contraband or property in the course of illegal transportation or trade.

e. “Loss” caused by theft, unless there is evidence of forced entry into the covered “auto” and a police report is filed.

K. **Accidental Airbag Discharge Coverage**

Item 3.a. of Paragraph **B. Exclusions** under **SECTION III - PHYSICAL DAMAGE COVERAGE** is amended to read:

a. Wear and tear, freezing, mechanical or electrical breakdown. The exclusion relating to mechanical break-down does not apply to the accidental discharge of an air bag.

L. **Loan or Lease Gap Coverage**

Paragraph **C. Limit Of Insurance** under **SECTION III - PHYSICAL DAMAGE COVERAGE** is amended to add:

If a covered “auto” is owned or leased and if we provide Physical Damage Coverage on it, we will pay, in the event of a covered total “loss”, any unpaid amount due on the lease or loan for a covered “auto”, less:

a. The amount paid under the Physical Damage Coverage Section of the policy; and

b. Any:

(1) Overdue lease or loan payments including penalties, interest or other charges resulting from overdue payments at the time of the “loss”;

(2) Financial penalties imposed under a lease for excessive use, abnormal wear and tear or high mileage;

(3) Costs for extended warranties, Credit Life Insurance, Health, Accident or Disability Insurance purchased with the loan or lease;

(4) Security deposits not refunded by the lessor; and

(5) Carry-over balances from previous loans or leases
M. Aggregate Deductible
Paragraph D. Deductible under SECTION III – PHYSICAL DAMAGE COVERAGE is amended to add:

Regardless of the number of covered "autos" involved in the same "loss", only one deductible will apply to that "loss". If the deductible amounts vary by "autos", then only the highest applicable deductible will apply to that "loss".

N. Diminishing Deductible
Paragraph D. Deductible under SECTION III – PHYSICAL DAMAGE COVERAGE is amended to add:

Any deductible will be reduced by the percentage indicated below on the first "loss" reported during the corresponding policy period:

If we pay a Physical Damage "loss" during the policy period under any BUSINESS AUTO COVERAGE FORM you have with us, your deductible stated in the Declarations page of each such COVERAGE FORM will not be reduced on any subsequent claims during the remainder of your policy period and your deductible reduction will revert back to 0% for each such COVERAGE FORM if coverage is renewed.

O. Knowledge of Loss and Notice To Us
Subsection a. of Item 2. Duties In the Event of Accident, Claim, Suit or Loss of Paragraph A. Loss Conditions under SECTION IV – BUSINESS AUTO CONDITIONS is amended to add:

However, prompt notice of the "accident", claim, "suit" or "loss" to us or our authorized representative only applies after the "accident", claim, "suit" or "loss" is known to:

(1) You, if you are an individual;
(2) A partner, if you are a partnership;

(3) An "executive officer" or director, if you are a corporation;
(4) A manager or member, if you are a limited liability company;
(5) Your insurance manager, or
(6) Your legal representative.

P. Waiver Of Subrogation For Auto Liability Losses Assumed Under Insured Contract
Item 5. Transfer Of Rights Of Recovery Against Others To Us of Paragraph A. Loss Conditions under SECTION IV – BUSINESS AUTO CONDITIONS is amended to read:

5. Transfer of Rights of Recovery Against Others To Us
If any person or organization to or for whom we make payments under this Coverage Form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after an "accident" or "loss" to impair them. However, if the insured has waived those rights to recover through a written contract, we will waive any right to recovery we may have under this Coverage Form.

Q. Insurance is Primary and Noncontributory
Subpart a. of Item 5. Other Insurance of Paragraph B. General Conditions under SECTION IV – BUSINESS AUTO CONDITIONS is amended to read:

a. This insurance is primary and noncontributory, as respects any other insurance, if required in a written contract with you.

R. Other Insurance – Hired Auto Physical Damage
Subpart b. of Item 5. Other Insurance of Paragraph B. General Conditions under SECTION IV – BUSINESS AUTO CONDITIONS is amended to read:

b. For Hired Auto Physical Damage Coverage, the following are deemed to be covered "autos" you own:

(1) Any covered "auto" you lease, hire, rent or borrow; and
(2) Any covered "auto" hired or rented by your "employee" under a contract in that individual "employee's" name, with your permission, while performing duties related to the conduct of your business.

However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

S. Unintentional Failure To Disclose Hazards

Paragraph B. General Conditions under SECTION IV – BUSINESS AUTO CONDITIONS is amended to add:

9. Your failure to disclose all hazards existing as of the inception date of this policy shall not prejudice the coverage afforded by this policy, provided that such failure to disclose all hazards is not intentional. However, you must report such previously undisclosed hazards to us as soon as practicable after its discovery.

T. Additional Definition

SECTION V – DEFINITIONS is amended to add:

"Personal effects" means personal property owned by the "insured".

"Downtime loss" means actual loss of "business income" for the period of time that a covered "auto":

1. Is out of service for repair or replacement as a result of a covered physical damage "loss" and

2. Is in the custody of a repair facility if not a total "loss".

"Business Income" means:

1. Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred; and

2. Continuing normal operating expenses incurred, including payroll.

In this endorsement, Headings and Titles are inserted solely for the convenience and ease of reference. They do not affect the coverage provided by this endorsement, nor do they constitute any part of the terms and conditions of this endorsement. All other policy wording not specifically changed, modified, or replaced by this endorsement wording remains in effect.

With respect to coverage afforded by this endorsement, the provisions of the policy apply unless modified by the endorsement.

A. NON-OWNED AIRCRAFT

Under Paragraph 2. Exclusions of Section I - Coverage A - Bodily Injury And Property Damage Liability, exclusion g. Aircraft, Auto Or Watercraft does not apply to an aircraft provided:

1. It is not owned by any insured;
2. It is hired, chartered or loaned with a trained paid crew;
3. The pilot in command holds a currently effective certificate, issued by the duly constituted authority of the United States of America or Canada, designating her or him a commercial or airline pilot; and
4. It is not being used to carry persons or property for a charge.

However, the insurance afforded by this provision does not apply if there is available to the insured other valid and collectible insurance, whether primary, excess (other than insurance written to apply specifically in excess of this policy), contingent or on any other basis, that would also apply to the loss covered under this provision.

B. NON-OWNED WATERCRAFT

Under Paragraph 2. Exclusions of Section I - Coverage A - Bodily Injury And Property Damage Liability, Subparagraph (2) of exclusion g. Aircraft, Auto Or Watercraft is replaced by the following:

This exclusion does not apply to:

(2) A watercraft you do not own that is:
   (a) Less than 52 feet long; and
   (b) Not being used to carry persons or property for a charge.

C. PROPERTY DAMAGE LIABILITY - ELEVATORS

1. Under Paragraph 2. Exclusions of Section I - Coverage A - Bodily Injury And Property Damage Liability, Subparagraphs (3), (4) and (6) of exclusion j. Damage To Property do not apply if such "property damage" results from the use of elevators. For the purpose of this provision, elevators do not include vehicle lifts. Vehicle lifts are lifts or hoists used in automobile service or repair operations.

2. The following is added to Section IV - Commercial General Liability Conditions, Condition 4. Other Insurance, Paragraph b. Excess Insurance:

The insurance afforded by this provision of this endorsement is excess over any property insurance, whether primary, excess, contingent or on any other basis.

D. EXTENDED DAMAGE TO PROPERTY RENTED TO YOU (Tenant's Property Damage)

If Damage To Premises Rented To You is not otherwise excluded from this Coverage Part:

1. Under Paragraph 2. Exclusions of Section I - Coverage A - Bodily Injury and Property Damage Liability:

   a. The fourth from the last paragraph of exclusion j. Damage To Property is replaced by the following:

   Paragraphs (1), (3) and (4) of this exclusion do not apply to "property damage" (other than damage by fire, lightning, explosion, smoke, or leakage from an automatic fire protection system) to:
   (i) Premises rented to you for a period of 7 or fewer consecutive days; or
   (ii) Contents that you rent or lease as part of a premises rental or lease agreement for a period of more than 7 days.

   Paragraphs (1), (3) and (4) of this exclusion do not apply to "property damage" to contents of premises rented to you for a period of 7 or fewer consecutive days.

   A separate limit of insurance applies to this coverage as described in Section III - Limits of Insurance.
b. The last paragraph of subsection 2. Exclusions is replaced by the following:

Exclusions c. through n. do not apply to damage by fire, lightning, explosion, smoke or leakage from automatic fire protection systems to premises while rented to you or temporarily occupied by you with permission of the owner. A separate limit of insurance applies to Damage To Premises Rented To You as described in Section III - Limits Of Insurance.

2. Paragraph 6. under Section III - Limits Of Insurance is replaced by the following:

6. Subject to Paragraph 5. above, the Damage To Premises Rented To You Limit is the most we will pay under Coverage A for damages because of "property damage" to:

a. Any one premise:
   (1) While rented to you; or
   (2) While rented to you or temporarily occupied by you with permission of the owner for damage by fire, lightning, explosion, smoke or leakage from automatic protection systems; or

b. Contents that you rent or lease as part of a premises rental or lease agreement.

3. As regards coverage provided by this provision D. EXTENDED DAMAGE TO PROPERTY RENTED TO YOU (Tenant's Property Damage) - Paragraph 9.a. of Definitions is replaced with the following:

9.a. A contract for a lease of premises. However, that portion of the contract for a lease of premises that indemnifies any person or organization for damage by fire, lightning, explosion, smoke, or leakage from automatic fire protection systems to premises while rented to you or temporarily occupied by you with the permission of the owner, or for damage to contents of such premises that are included in your premises rental or lease agreement, is not an "insured contract".

E. MEDICAL PAYMENTS EXTENSION

If Coverage C Medical Payments is not otherwise excluded, the Medical Payments provided by this policy are amended as follows:

Under Paragraph 1. Insuring Agreement of Section I - Coverage C - Medical Payments, Subparagraph (b) of Paragraph a. is replaced by the following:

(b) The expenses are incurred and reported within three years of the date of the accident; and

F. EXTENSION OF SUPPLEMENTARY PAYMENTS - COVERAGEs A AND B

1. Under Supplementary Payments - Coverages A and B, Paragraph 1.b. is replaced by the following:

b. Up to $3,000 for cost of bail bonds required because of accidents or traffic law violations arising out of the use of any vehicle to which the Bodily Injury Liability Coverage applies. We do not have to furnish these bonds.

2. Paragraph 1.d. is replaced by the following:

d. All reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of the claim or "suit", including actual loss of earnings up to $500 a day because of time off from work.

G. ADDITIONAL INSUREDs - BY CONTRACT, AGREEMENT OR PERMIT

1. Paragraph 2. under Section II - Who Is An Insured is amended to include as an insured any person or organization whom you have agreed to add as an additional insured in a written contract, written agreement or permit. Such person or organization is an additional insured but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused in whole or in part by:

a. Your acts or omissions, or the acts or omissions of those acting on your behalf, in the performance of your ongoing operations for the additional insured that are the subject of the written contract or written agreement provided that the "bodily injury" or "property damage" occurs, or the "personal and advertising injury" is committed, subsequent to the signing of such written contract or written agreement; or
b. Premises or facilities rented by you or used by you; or

c. The maintenance, operation or use by you of equipment rented or leased to you by such person or organization; or

d. Operations performed by you or on your behalf for which the state or political subdivision has issued a permit subject to the following additional provisions:

(1) This insurance does not apply to "bodily injury", "property damage", or "personal and advertising injury" arising out of the operations performed for the state or political subdivision;

(2) This insurance does not apply to "bodily injury" or "property damage" included within the "completed operations hazard".

(3) Insurance applies to premises you own, rent, or control but only with respect to the following hazards:

(a) The existence, maintenance, repair, construction, erection, or removal of advertising signs, awnings, canopies, cellar entrances, coal holes, driveways, manholes, marquees, hoist away openings, sidewalk vaults, street banners, or decorations and similar exposures; or

(b) The construction, erection, or removal of elevators; or

(c) The ownership, maintenance, or use of any elevators covered by this insurance.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and

2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

With respect to Paragraph 1.a. above, a person’s or organization’s status as an additional insured under this endorsement ends when:

(1) All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or

(2) That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

With respect to Paragraph 1.b. above, a person’s or organization’s status as an additional insured under this endorsement ends when their written contract or written agreement with you for such premises or facilities ends.

With respect to Paragraph 1.c. above, this insurance does not apply to any "occurrence" which takes place after the equipment rental or lease agreement has expired or you have returned such equipment to the lessor.

The insurance provided by this endorsement applies only if the written contract or written agreement is signed prior to the "bodily injury" or "property damage".

We have no duty to defend an additional insured under this endorsement until we receive written notice of a "suit" by the additional insured as required in Paragraph b. of Condition 2. Duties In the Event Of Occurrence, Offense, Claim Or Suit under Section IV - Commercial General Liability Conditions.
2. With respect to the insurance provided by this endorsement, the following are added to Paragraph 2. Exclusions under Section I - Coverage A - Bodily Injury And Property Damage Liability:

This insurance does not apply to:

a. "Bodily injury" or "property damage" arising from the sole negligence of the additional insured.

b. "Bodily injury" or "property damage" that occurs prior to you commencing operations at the location where such "bodily injury" or "property damage" occurs.

c. "Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:

(1) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or

(2) Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of, or the failure to render, any professional architectural, engineering or surveying services.

d. "Bodily injury" or "property damage" occurring after:

(1) All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or

(2) That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

e. Any person or organization specifically designated as an additional insured for ongoing operations by a separate ADDITIONAL INSURED -OWNERS, LESSEES OR CONTRACTORS endorsement issued by us and made a part of this policy.

3. With respect to the insurance afforded to these additional insureds, the following is added to Section III - Limits Of Insurance:

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

a. Required by the contract or agreement; or

b. Available under the applicable Limits of Insurance shown in the Declarations; whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

H. PRIMARY AND NON-CONTRIBUTORY ADDITIONAL INSURED EXTENSION

This provision applies to any person or organization who qualifies as an additional insured under any form or endorsement under this policy.

Condition 4. Other Insurance of SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS is amended as follows:

a. The following is added to Paragraph a. Primary Insurance:

If an additional insured’s policy has an Other Insurance provision making its policy excess, and you have agreed in a written contract or written agreement to provide the additional insured coverage on a primary and noncontributory basis, this policy shall be primary and we will not seek contribution from the additional insured’s policy for damages we cover.
b. The following is added to Paragraph b. **Excess Insurance**:

When a written contract or written agreement, other than a premises lease, facilities rental contract or agreement, an equipment rental or lease contract or agreement, or permit issued by a state or political subdivision between you and an additional insured does not require this insurance to be primary or primary and non-contributory, this insurance is excess over any other insurance for which the additional insured is designated as a Named Insured.

Regardless of the written agreement between you and an additional insured, this insurance is excess over any other insurance whether primary, excess, contingent or on any other basis for which the additional insured has been added as an additional insured on other policies.

I. **ADDITIONAL INSURED - EXTENDED PROTECTION OF YOUR "LIMITS OF INSURANCE"**

This provision applies to any person or organization who qualifies as an additional insured under any form or endorsement under this policy.

1. The following is added to Condition 2. **Duties In The Event Of Occurrence, Offense, Claim or Suit**:

   An additional insured under this endorsement will as soon as practicable:

   a. Give written notice of an "occurrence" or an offense that may result in a claim or "suit" under this insurance to us;

   b. Tender the defense and indemnity of any claim or "suit" to all insurers whom also have insurance available to the additional insured; and

   c. Agree to make available any other insurance which the additional insured has for a loss we cover under this Coverage Part.

   d. We have no duty to defend or indemnify an additional insured under this endorsement until we receive written notice of a "suit" by the additional insured.

2. The limits of insurance applicable to the additional insured are those specified in a written contract or written agreement or the limits of insurance as stated in the Declarations of this policy and defined in Section III - Limits of Insurance of this policy, whichever are less. These limits are inclusive of and not in addition to the limits of insurance available under this policy.

J. **WHO IS AN INSURED - INCIDENTAL MEDICAL ERRORS / MALPRACTICE**

WHO IS AN INSURED - FELLOW EMPLOYEE EXTENSION - MANAGEMENT EMPLOYEES

Paragraph 2.a.(1) of Section II - Who Is An Insured is replaced with the following:

(1) "Bodily injury" or "personal and advertising injury":

   a. To you, to your partners or members (if you are a partnership or joint venture), to your members (if you are a limited liability company), to a co-"employee" while in the course of his or her employment or performing duties related to the conduct of your business, or to your other "volunteer workers" while performing duties related to the conduct of your business;

   b. To the spouse, child, parent, brother or sister of that co-"employee" or "volunteer worker" as a consequence of Paragraph (1) (a) above;

   c. For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraphs (1) (a) or (b) above; or

   d. Arising out of his or her providing or failing to provide professional health care services. However, if you are not in the business of providing professional health care services or providing professional health care personnel to others, or if coverage for providing professional health care services is not otherwise excluded by separate endorsement, this provision (Paragraph (d)) does not apply.

Paragraphs (a) and (b) above do not apply to "bodily injury" or "personal and advertising injury" caused by an "employee" who is acting in a supervisory capacity for you. Supervisory capacity as used herein means the "employee’s" job responsibilities assigned by you, includes the direct supervision of other "employees" of yours. However, none of these "employees" are insureds for "bodily injury" or "personal and advertising injury" under this policy.
advertising injury" arising out of their willful conduct, which is defined as the purposeful or willful intent to cause "bodily injury" or "personal and advertising injury", or caused in whole or in part by their intoxication by liquor or controlled substances.

The coverage provided by provision J is excess over any other valid and collectable insurance available to your "employee".

K. NEWLY FORMED OR ADDITIONALLY ACQUIRED ENTITIES

Paragraph 3. of Section II - Who Is An Insured is replaced by the following:

3. Any organization you newly acquire or form and over which you maintain ownership or majority interest, will qualify as a Named Insured if there is no other similar insurance available to that organization. However:
   a. Coverage under this provision is afforded only until the expiration of the policy period in which the entity was acquired or formed by you;
   b. Coverage A does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and
   c. Coverage B does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.
   d. Records and descriptions of operations must be maintained by the first Named Insured.

No person or organization is an insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations or qualifies as an insured under this provision.

L. FAILURE TO DISCLOSE HAZARDS AND PRIOR OCCURRENCES

Under Section IV - Commercial General Liability Conditions, the following is added to Condition 6. Representations:

Your failure to disclose all hazards or prior "occurrences" existing as of the inception date of the policy shall not prejudice the coverage afforded by this policy provided such failure to disclose all hazards or prior "occurrences" is not intentional.

M. KNOWLEDGE OF OCCURRENCE, OFFENSE, CLAIM OR SUIT

Under Section IV - Commercial General Liability Conditions, the following is added to Condition 2. Duties In The Event of Occurrence, Offense, Claim Or Suit:

Knowledge of an "occurrence", offense, claim or "suit" by an agent, servant or "employee" of any insured shall not in itself constitute knowledge of the insured unless an insured listed under Paragraph 1. of Section II - Who Is An Insured or a person who has been designated by them to receive reports of "occurrences", offenses, claims or "suits" shall have received such notice from the agent, servant or "employee".

N. LIBERALIZATION CLAUSE

If we revise this Commercial General Liability Extension Endorsement to provide more coverage without additional premium charge, your policy will automatically provide the coverage as of the day the revision is effective in your state.

O. BODILY INJURY REDEFINED

Under Section V - Definitions, Definition 3. is replaced by the following:

3. "Bodily Injury" means physical injury, sickness or disease sustained by a person. This includes mental anguish, mental injury, shock, fright or death that results from such physical injury, sickness or disease.
P. EXTENDED PROPERTY DAMAGE

Exclusion a. of COVERAGE A. BODILY INJURY AND PROPERTY DAMAGE LIABILITY is replaced by the following:

a. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" or "property damage" resulting from the use of reasonable force to protect persons or property.

Q. WAIVER OF TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US - WHEN REQUIRED IN A CONTRACT OR AGREEMENT WITH YOU

Under Section IV - Commercial General Liability Conditions, the following is added to Condition 8. Transfer Of Rights Of Recovery Against Others To Us:

We waive any right of recovery we may have against a person or organization because of payments we make for injury or damage arising out of your ongoing operations or "your work" done under a contract with that person or organization and included in the "products-completed operations hazard" provided:

1. You and that person or organization have agreed in writing in a contract or agreement that you waive such rights against that person or organization; and

2. The injury or damage occurs subsequent to the execution of the written contract or written agreement.
CITY OF PLACENTIA
PROFESSIONAL SERVICES AGREEMENT
WITH
ARDURRA GROUP, INC.

THIRD DAY OF MAY

THIS AGREEMENT is made and entered into this 2nd day of April, 2024 ("Effective Date"), by and between the CITY OF PLACENTIA, a municipal corporation ("City"), and Ardurra Group Inc. ("Consultant").

WITNESSETH:

A. WHEREAS, City proposes to utilize the services of Consultant as an independent contractor to provide on-call construction management and inspection services, as more fully described herein; and

B. WHEREAS, Consultant represents that it is "design professional" as that term is defined by California Civil Code Section 2782.8 and has that degree of specialized expertise contemplated within California Government Code Section 37103, and holds all necessary licenses to practice and perform the services herein contemplated; and

C. WHEREAS, City and Consultant desire to contract for the specific services described in Exhibit "A" (the "Project") and desire to set forth their rights, duties and liabilities in connection with the services to be performed; and

D. WHEREAS, no official or employee of City has a financial interest, within the provisions of Sections 1090-1092 of the California Government Code, in the subject matter of this Agreement.

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein, the parties hereby agree as follows:

1.0. SERVICES PROVIDED BY CONSULTANT

1.1. Scope of Services. Consultant shall provide the professional services described in the Consultant’s Proposal ("Proposal"), attached hereto as Exhibit "A" and incorporated herein by this reference.

1.2. Professional Practices. All professional services to be provided by Consultant pursuant to this Agreement shall be provided by personnel experienced in their respective fields and in a manner consistent with the standards of care, diligence and skill ordinarily exercised by professional consultants in similar fields and circumstances in accordance with sound professional practices, and with credentials as a Certified Access Specialist under Subchapter 2.5 of Title 21 of the California Code of Regulations. Consultant also warrants that it is familiar with all laws that may affect its performance of this Agreement and shall advise City of any changes in any laws that may affect Consultant’s performance of this Agreement. Consultant shall keep itself informed of State and Federal laws and regulations which in any manner affect those employed by it or in any way affect the performance of its service pursuant to this Agreement. The Consultant shall at all times observe and comply with all such laws and regulations. Officers and employees shall not be liable at law or in equity occasioned by failure of the Consultant to comply with this section. Consultant also warrants that it has ownership of all intellectual property being provided under this Agreement.

1.3. Performance to Satisfaction of City. Consultant agrees to perform all the work to the complete satisfaction of the City and within the hereinafter specified. Evaluations of the work will be done by the City Administrator or his or her designee. If the quality of work is not satisfactory, City in its discretion has the right to:

Ardurra Group Inc
(a) Meet with Consultant to review the quality of the work and resolve the matters of concern;

(b) Require Consultant to repeat the work at no additional fee until it is satisfactory; and/or

(c) Terminate the Agreement as hereinafter set forth.

1.4. **Warranty.** Consultant warrants that it shall perform the services required by this Agreement in compliance with all applicable Federal and California employment laws, including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers’ compensation insurance and safety in employment; and all other Federal, State and local laws and ordinances applicable to the services required under this Agreement. Consultant shall indemnify and hold harmless City from and against all claims, demands, payments, suits, actions, proceedings, and judgments of every nature and description including attorneys’ fees and costs, presented, brought, or recovered against City for, or on account of any liability under any of the above-mentioned laws, which may be incurred by reason of Consultant’s performance under this Agreement.

1.5. **Non-discrimination.** In performing this Agreement, Consultant shall not engage in, nor permit its agents to engage in, discrimination in employment of persons because of their race, religion, color, national origin, ancestry, age, physical handicap, medical condition, marital status, sexual gender or sexual orientation, except as permitted pursuant to Section 12940 of the Government Code. Such actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. Consultant agrees to post in conspicuous places, available to employees and applicants for employment, a notice setting forth provisions of this non-discrimination clause.

Consultant shall, in all solicitations and advertisements for employees placed by, or on behalf of Consultant shall state that all qualified applicants will receive consideration for employment without regard to age, race, color, religion, sex, marital status, national origin, or mental or physical disability. Consultant shall cause the paragraphs contained in this Section to be inserted in all subcontracts for any work covered by the Agreement, provided that the foregoing provisions shall not apply to subcontracts for standard commercial supplies or raw materials.

1.6. **Non-Exclusive Agreement.** Consultant acknowledges that City may enter into agreements with other consultants for services similar to the services that are subject to this Agreement or may have its own employees perform services similar to those services contemplated by this Agreement.

1.7. **Delegation and Assignment.** This is a personal service contract, and the duties set forth herein shall not be delegated or assigned to any person or entity without the prior written consent of City. Consultant may engage a subcontractor(s) as permitted by law and may employ other personnel to perform services contemplated by this Agreement at Consultant’s sole cost and expense. All insurance requirements contained in this Agreement are independently applicable to any and all subcontractors that Consultant may engage during the term of this Agreement.

1.8. **Confidentiality.** Employees of Consultant in the course of their duties may have access to financial, accounting, statistical, and personnel data of private individuals and employees of City. Consultant covenants that all data, documents, discussion, or other information developed or received by Consultant or provided for performance of this Agreement are deemed confidential and shall not be disclosed by Consultant without written authorization by City. City shall grant such authorization if disclosure is required by law. All City data shall be returned to City upon the termination of this Agreement. Consultant's covenant under this Section shall survive the termination of this Agreement.
2.0. COMPENSATION AND BILLING

2.1. Compensation. Consultant shall be paid in accordance with the fee schedule set forth in Exhibit "A". Consultant's total compensation shall not exceed Five Hundred Thousand Dollars ($500,000), unless authorized herein.

2.2. Additional Services. Consultant shall not receive compensation for any services provided outside the scope of services specified in the Consultant's Proposal or which is inconsistent with or in violation of the provisions of this Agreement unless the City or the Project Manager for this Project, prior to Consultant performing the additional services, approves such additional services in writing. It is specifically understood that oral requests and/or approvals of such additional services or additional compensation shall be barred and are unenforceable. Should the City request in writing additional services that increase the hereinabove described "SCOPE OF SERVICES", an additional fee based upon the Consultant's standard hourly rates shall be paid to the Consultant for such additional services. Such increase in additional fees shall be limited to 25% of the total contract sum or $25,000 whichever is more. The City Engineer is authorized to approve a Change Order for such additional services.

2.3. Method of Billing. Consultant may submit invoices to the City for approval on a progress basis, but no more often than two times a month. Said invoice shall be based on the total of all Consultant's services which have been completed to City's sole satisfaction. City shall pay Consultant's invoice within forty-five (45) days from the date City receives said invoice. Each invoice shall describe in detail, the services performed, the date of performance, and the associated time for completion. Any additional services approved and performed pursuant to this Agreement shall be designated as "Additional Services" and shall identify the number of the authorized change order, where applicable, on all invoices.

2.4. Records and Audits. Records of Consultant's services relating to this Agreement shall be maintained in accordance with generally recognized accounting principles and shall be made available to City or its Project Manager for inspection and/or audit at mutually convenient times for a period of three (3) years from the Effective Date.

3.0. TIME OF PERFORMANCE

3.1. Commencement and Completion of Work. The professional services to be performed pursuant to this Agreement shall commence within five (5) days from the Effective Date of this Agreement. Said services shall be performed in strict compliance with the Project Schedule approved by City as set forth in Exhibit "A".

3.2. Excusable Delays. Neither party shall be responsible for delays or lack of performance resulting from acts beyond the reasonable control of the party or parties. Such acts shall include, but not be limited to, acts of God, fire, strikes, material shortages, compliance with laws or regulations, riots, acts of war, or any other conditions beyond the reasonable control of a party. If a delay beyond the control of the Consultant is encountered, a time extension may be mutually agreed upon in writing by the City and the Consultant. The Consultant shall present documentation satisfactory to the City to substantiate any request for a time extension.

4.0. TERM AND TERMINATION

4.1. Term. This Agreement shall commence on the Effective Date and continue for a period of 3 years, ending on April 2, 2027 unless previously terminated as provided herein or as otherwise agreed to in writing by the parties. One (1) two-year extension is available based on Consultant performance and at the discretion of the City. Approval of the term extension is contingent upon City Council review and approval at the conclusion of the initial three-years.

4.2. Notice of Termination. The City reserves and has the right and privilege of canceling,
suspending or abandoning the execution of all or any part of the work contemplated by this Agreement, with or without cause, at any time, by providing at least fifteen (15) days prior written notice to Consultant. The termination of this Agreement shall be deemed effective upon receipt of the notice of termination. In the event of such termination, Consultant shall immediately stop rendering services under this Agreement unless directed otherwise by the City. If the City suspends, terminates or abandons a portion of this Agreement such suspension, termination or abandonment shall not make void or invalidate the remainder of this Agreement.

If the Consultant defaults in the performance of any of the terms or conditions of this Agreement, it shall have ten (10) days after service upon it of written notice of such default in which to cure the default by rendering a satisfactory performance. In the event that the Consultant fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

The City shall have the right, notwithstanding any other provisions of this Agreement, to terminate this Agreement, at its option and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement, immediately upon service of written notice of termination on the Consultant, if the latter should:

a. Be adjudged a bankrupt;
b. Become insolvent or have a receiver of its assets or property appointed because of insolvency;
c. Make a general assignment for the benefit of creditors;
d. Default in the performance of any obligation or payment of any indebtedness under this Agreement;
e. Suffer any judgment against it to remain unsatisfied or unbonded of record for thirty (30) days or longer; or
f. Institute or suffer to be instituted any procedures for reorganization or rearrangement of its affairs.

4.3. Compensation. In the event of termination, City shall pay Consultant for reasonable costs incurred and professional services satisfactorily performed up to and including the date of City’s written notice of termination within thirty-five (35) days after service of the notice of termination. Compensation for work in progress shall be prorated based on the percentage of work completed as of the effective date of termination in accordance with the fees set forth herein. In ascertaining the professional services actually rendered hereunder up to the effective date of termination of this Agreement, consideration shall be given to both completed work and work in progress, to complete and incomplete drawings, and to other documents pertaining to the services contemplated herein whether delivered to the City or in the possession of the Consultant. City shall not be liable for any claim of lost profits.

4.4. Documents. In the event of termination of this Agreement, all documents prepared by Consultant in its performance of this Agreement including, but not limited to, finished or unfinished design, development and construction documents, data studies, drawings, maps and reports, shall be delivered to the City within ten (10) days of delivery of termination notice to Consultant, at no cost to City. Any use of uncompleted documents without specific written authorization from Consultant shall be at City’s sole risk and without liability or legal expense to Consultant.

5.0. INSURANCE

5.1. Minimum Scope and Limits of Insurance. Consultant shall obtain, maintain, and keep in full force and effect during the life of this Agreement all the following minimum scope of insurance...
coverages with an insurance company admitted to do business in California, rated “A,” Class X, or better in the most recent Best’s Key Insurance Rating Guide, and approved by City:

(a) Broad-form commercial general liability, in a form at least as broad as ISO from #CG 00 01 04 13, including premises-operations, products/completed operations, broad form property damage, blanket contractual liability, independent contractors, personal injury or bodily injury with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or shall be twice the required occurrence limit. If Consultant maintains higher limits that the specified minimum limits, City requires and shall be entitled to coverage for the high limits maintained by the Consultant.

(b) Business automobile liability for owned vehicles, hired, and non-owned vehicles, with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, each incident for bodily injury and property damage.

(c) Workers' compensation insurance as required by the State of California and Employers Liability Insurance with a minimum limit of $1,000,000 per accident for any employee or employees of Consultant. Consultant agrees to waive, and to obtain endorsements from its workers' compensation insurer waiving subrogation rights under its workers’ compensation insurance policy against the City, its officers, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its subcontractors, if any, to do likewise under their workers’ compensation insurance policies.

Before execution of this Agreement by the City, the Consultant shall file with the Public Works Director/City Engineer the following signed certification:

I am aware of, and will comply with, Section 3700 of the Labor Code, requiring every employer to be insured against liability of Workers’ Compensation or to undertake self-insurance before commencing any of the work.

The Consultant shall also comply with Section 3800 of the Labor Code by securing, paying for and maintaining in full force and effect for the duration of this Agreement, complete Workers’ Compensation Insurance, and shall furnish a Certificate of Insurance to the Public Works Director/City Engineer before execution of this Agreement by the City. The City, its officers and employees shall not be responsible for any claims in law or equity occasioned by failure of the consultant to comply with this section.

(d) Professional errors and omissions (“E&O”) liability insurance with policy limits of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence and aggregate. Architects’ and engineers’ coverage shall be endorsed to include contractual liability. If the policy is written as a “claims made” policy, the retro date shall be prior to the start of the contract work. Consultant shall obtain and maintain, said E&O liability insurance during the life of this Agreement and for three years after completion of the work hereunder.

Neither the CITY nor any of its elected or appointed officials, officers, agents, employees, or volunteers makes any representation that the types of insurance and the limits specified to be carried by Consultant under this Agreement are adequate to protect Consultant. If Consultant believes that any such insurance coverage is insufficient, Consultant shall provide, at its own expense, such additional insurance as Consultant deems adequate.
5.2. **Endorsements.** The commercial general liability insurance policy and business automobile liability policy shall contain or be endorsed to contain the following provisions as worded below.

(a) Additional insureds: "The City of Placentia and its elected and appointed boards, officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of the Consultant pursuant to its contract with the City; products and completed operations of the Consultant; premises owned, occupied or used by the Consultant; automobiles owned, leased, hired, or borrowed by the Consultant."

(b) Notice: "Consultant shall provide immediate written notice if (1) any of the required insurance policies is terminated; (2) the limits of any of the required polices are reduced; (3) or the deductible or self-insured retention is increased. In the event of any cancellation or reduction in coverage or limits of any insurance, Consultant shall forthwith obtain and submit proof of substitute insurance. Should Consultant fail to immediately procure other insurance, as specified, to substitute for any canceled policy, the City may procure such insurance at Consultant's sole cost and expense."

(c) Other insurance: "The Consultant's insurance coverage shall be primary insurance as respects the City of Placentia, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of Placentia shall be excess and not contributing with the insurance provided by this policy."

(d) Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of Placentia, its officers, officials, agents, employees, and volunteers.

(e) The Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

5.3. **Deductible or Self-Insured Retention.** If any of such policies provide for a deductible or self-insured retention to provide such coverage, the amount of such deductible or self-insured retention shall be approved in advance by City. No policy of insurance issued as to which the City is an additional insured shall contain a provision which requires that no insured except the named insured can satisfy any such deductible or self-insured retention.

5.4. **Certificates of Insurance.** Consultant shall provide to City certificates of insurance showing the insurance coverages and required endorsements described above, in a form and content approved by City, prior to performing any services under this Agreement. The certificates of insurance and endorsements shall be attached hereto as Exhibit “B” and incorporated herein by this reference.

5.5. **Non-limiting.** Nothing in this Section shall be construed as limiting in any way, the indemnification provision contained in this Agreement, or the extent to which Consultant may be held responsible for payments of damages to persons or property.

6.0. **GENERAL PROVISIONS**

6.1. **Entire Agreement.** This Agreement constitutes the entire agreement between the parties with respect to any matter referenced herein and supersedes any and all other prior writings and oral negotiations. This Agreement may be modified only in writing and signed by the parties in interest at the time of such modification. The terms of this Agreement shall prevail over any inconsistent provision in any other contract document appurtenant hereto, including exhibits to this Agreement.
6.2. **Representatives.** The City Administrator or his or her designee shall be the representative of City for purposes of this Agreement and may issue all consents, approvals, directives and agreements on behalf of the City, called for by this Agreement, except as otherwise expressly provided in this Agreement.

Consultant shall designate a representative for purposes of this Agreement who shall be authorized to issue all consents, approvals, directives and agreements on behalf of Consultant called for by this Agreement, except as otherwise expressly provided in this Agreement.

6.3. **Project Managers.** City shall designate a Project Manager to work directly with Consultant in the performance of this Agreement. It shall be the Consultant’s responsibility to assure that the Project Manager is kept informed of the progress of the performance of the services and the Consultant shall refer any decision, which must be made by City, to the Project Manager. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Project Manager.

Consultant shall designate a Project Manager who shall represent it and be its agent in all consultations with City during the term of this Agreement and who shall not be changed by Consultant without the express written approval by the City. Consultant or its Project Manager shall attend and assist in all coordination meetings called by City.

6.4. **Notices.** Any notices, documents, correspondence or other communications concerning this Agreement, or the work hereunder may be provided by personal delivery, facsimile or if mailed, shall be addressed as set forth below and placed in a sealed envelope, postage prepaid, and deposited in the United States Postal Service. Such communication shall be deemed served or delivered: a) at the time of delivery if such communication is sent by personal delivery; b) at the time of transmission if such communication is sent by facsimile; and c) 72 hours after deposit in the U.S. Mail as reflected by the official U.S. postmark if such communication is sent through regular United States mail.

6.5. **Attorneys’ Fees.** In the event that litigation is brought by any party in connection with this Agreement, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys’ fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any of the terms, conditions, or provisions hereof.

6.6. **Governing Law.** This Agreement shall be governed by and construed under the laws of the State of California without giving effect to that body of laws pertaining to conflict of laws. In the event of any legal action to enforce or interpret this Agreement, the parties hereto agree that the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California. Consultant agrees to submit to the personal jurisdiction of such court in the event of such action.

6.7. **Assignment.** Consultant shall not voluntarily or by operation of law assign, transfer, sublet or encumber all or any part of Consultant's interest in this Agreement without City's prior written consent. Any attempted assignment, transfer, subletting or encumbrance shall be void and shall constitute a breach of this Agreement and cause for termination of this Agreement. Regardless of City's consent, no subletting or assignment shall release Consultant of Consultant's obligation to perform all other obligations to be performed by Consultant hereunder for the term of this Agreement.
6.8. **Indemnification and Hold Harmless.** Consultant agrees to defend, indemnify, hold free and harmless the City, its elected and appointed officials, officers, agents and employees, at Consultant’s sole expense, from and against any and all claims, demands, actions, suits or other legal proceedings arising out of, pertaining to, or relating to the negligence, recklessness, or willful misconduct of Consultant brought against the City, its elected and appointed officials, officers, agents and employees arising out of the performance of the Consultant, its employees, and/or authorized subcontractors, of the work undertaken pursuant to this Agreement. The defense obligation provided for hereunder shall apply without any advance showing of negligence, recklessness, or willful misconduct by the Consultant, its employees, and/or authorized subcontractors, but shall be required whenever any claim, action, complaint, or suit asserts as its basis the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors, and/or—whenever any claim, action, complaint or suit asserts liability against the City, its elected and appointed officials, officers, agents and employees based upon the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors under this Agreement, whether or not the Consultant, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable. Notwithstanding the foregoing, the Consultant shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City’s specifications or Consultant’s Proposal, which shall be of no force and effect.

6.9. **Independent Contractor.** Consultant is and shall be acting at all times as an independent contractor and not as an employee of City. Consultant shall have no power to incur any debt, obligation, or liability on behalf of City or otherwise act on behalf of City as an agent. Neither City nor any of its agents shall have control over the conduct of Consultant or any of Consultant’s employees, except as set forth in this Agreement. Consultant shall not, at any time, or in any manner, represent that it or any of its or employees are in any manner agents or employees of City. Consultant shall secure, at its sole expense, and be responsible for any and all payment of Income Tax, Social Security, State Disability Insurance Compensation, Unemployment Compensation, and other payroll deductions for Consultant and its officers, agents, and employees, and all business licenses, if any are required, in connection with the services to be performed hereunder. Consultant shall indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant further agrees to indemnify and hold City harmless from any failure of Consultant to comply with the applicable worker’s compensation laws. City shall have the right to offset against the amount of any fees due to Consultant under this Agreement any amount due to City from Consultant as a result of Consultant’s failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

6.10. **PERS Eligibility Indemnification.** In the event that Consultant or any employee, agent, or subcontractor of Consultant providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Consultant shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Notwithstanding any other agency, state or federal policy, rule, regulation, law or ordinance to the contrary, Consultant and any of its employees, agents, and subcontractors providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

6.11. **Cooperation.** In the event any claim or action is brought against City relating to Consultant’s performance or services rendered under this Agreement, Consultant shall render any reasonable assistance and cooperation which City might require.
6.12. **Ownership of Documents.** All findings, reports, documents, information and data including, but not limited to, computer tapes or discs, preliminary notes, working documents, files and tapes furnished or prepared by Consultant or any of its subcontractors in the course of performance of this Agreement, shall be and remain the sole property of City. Consultant agrees that any such documents or information shall not be made available to any individual or organization without the prior consent of City but shall be made available to the City within ten (10) days of request or within ten (10) days of termination. Any use of such documents for other projects not contemplated by this Agreement, and any use of incomplete documents, shall be at the sole risk of City and without liability or legal exposure to Consultant. City shall indemnify and hold harmless Consultant from all claims, damages, losses, and expenses, including attorneys’ fees, arising out of or resulting from City’s use of such documents for other projects not contemplated by this Agreement or use of incomplete documents furnished by Consultant. Consultant shall deliver to City any findings, reports, documents, information, data, preliminary notes and working documents, in any form, including but not limited to, computer tapes, discs, files audio tapes or any other Project related items as requested by City or its authorized representative, at no additional cost to the City. Consultant or Consultant’s agents shall execute such documents as may be necessary from time to time to confirm City’s ownership of the copyright in such documents.

6.13. **Public Records Act Disclosure.** Consultant has been advised and is aware that this Agreement and all reports, documents, information and data, including, but not limited to, computer tapes, discs or files furnished or prepared by Consultant, or any of its subcontractors, pursuant to this Agreement and provided to City may be subject to public disclosure as required by the California Public Records Act (California Government Code Section 6250 et seq.). Exceptions to public disclosure may be those documents or information that qualify as trade secrets, as that term is defined in the California Government Code Section 6254.7, and of which Consultant informs City of such trade secret. The City will endeavor to maintain as confidential all information obtained by it that is designated as a trade secret. The City shall not, in any way, be liable or responsible for the disclosure of any trade secret including, without limitation, those records so marked if disclosure is deemed to be required by law or by order of the Court.

6.14. **Conflict of Interest.** Consultant and its officers, employees, associates and subconsultants, if any, will comply with all conflict of interest statutes of the State of California applicable to Consultant’s services under this agreement, including, but not limited to, the Political Reform Act (Government Code Sections 81000, et seq.) and Government Code Section 1090. During the term of this Agreement, Consultant and its officers, employees, associates and subconsultants shall not, without the prior written approval of the City Representative, perform work for another person or entity for whom Consultant is not currently performing work that would require Consultant or one of its officers, employees, associates or subconsultants to abstain from a decision under this Agreement pursuant to a conflict of interest statute.

6.15. **Responsibility for Errors.** Consultant shall be responsible for its work and results under this Agreement. Consultant, when requested, shall furnish clarification and/or explanation as may be required by the City’s representative, regarding any services rendered under this Agreement at no additional cost to City. In the event that an error or omission attributable to Consultant occurs, then Consultant shall, at no cost to City, provide all necessary design drawings, estimates and other Consultant professional services necessary to rectify and correct the matter to the sole satisfaction of City and to participate in any meeting required with regard to the correction.

6.16. **Prohibited Employment.** Consultant will not employ any regular employee of City while this Agreement is in effect.

6.17. **Order of Precedence.** In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and those of any such provision or provisions so incorporated by reference, the conflict shall be resolved by
giving precedence in the following order, if applicable: This Agreement, the City’s Request for Proposals, the Consultant’s Proposal.

6.18. Costs. Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.

6.19. No Third Party Beneficiary Rights. This Agreement is entered into for the sole benefit of City and Consultant and no other parties are intended to be direct or incidental beneficiaries of this Agreement and no third party shall have any right in, under or to this Agreement.

6.20. Headings. Paragraphs and subparagraph headings contained in this Agreement are included solely for convenience and are not intended to modify, explain or to be a full or accurate description of the content thereof and shall not in any way affect the meaning or interpretation of this Agreement.

6.21. Construction. The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. There shall be no presumption or burden of proof favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

6.22. Amendments. Only a writing executed by the parties hereto or their respective successors and assigns may amend this Agreement.

6.23. Waiver. The delay or failure of either party at any time to require performance or compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of those rights to require such performance or compliance. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom enforcement of a waiver is sought. The waiver of any right or remedy in respect to any occurrence or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a continuing waiver.

6.24. Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial benefit of the bargain for any party, is materially impaired, which determination made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.

6.25. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original. All counterparts shall be construed together and shall constitute one agreement.

6.26. Corporate Authority. The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by doing so the parties hereto are formally bound to the provisions of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective authorized officers, as of the date first above written.

Ardurra Group Inc
Subject: Proposal to Provide On-Call Construction Management and Inspection Services

Dear Chris Tanio,

The City of Placentia has a diverse range of capital improvement projects to help maintain its mission “to keeping Placentia a pleasant place by providing a safe family atmosphere, superior public services and policies that promote the highest standards of community life.”

Ardurra Group, Inc., can help! Our basic philosophy focuses on understanding our client’s goals, enabling us to successfully serve as an extension of your staff. Our project experience encompasses each area of your CIP program—from street rehabilitation, sewer improvements, signing and striping improvements, storm drain improvements, bridge construction, new building construction, irrigation and landscaping, site improvements—concrete sidewalk, curb and gutter, etc., street and park lighting, parks and recreation facility improvements, mechanical systems, electrical systems, and traffic signal improvements.

We understand that the City is seeking consultant firms knowledgeable in current codes, City standards and ordinances, as well as the City’s General Plan, to provide on-call construction management and inspection services on an as-needed basis. Per the RFP, services include project management and resident engineering services, bid analysis, staff report, general contract administration, submittal/RFI review and processing, constructability review, change order review, safety, progress payment, material testing, inspections, claims, prevailing wage/labor compliance, project close out, community outreach, federal requirements, and related services.

We appreciate the opportunity to present our qualifications for construction management (CM) and inspection (I) services. As an experienced and reliable civil engineering, project/construction management, and inspection firm, we are ready to support the City’s efforts in completing its varied capital improvement projects. Selecting the Ardurra team offers the City the following benefits:

- **Strong leadership enables smoothly run projects.** Omar Alameddine will serve as primary contact and project manager, leading a comprehensive team of local professionals. Omar has 18 years of project and construction management experience and has managed projects such as street rehabilitation, athletic fields, public parks, dog parks, public facilities, as well as domestic water, sewer, and drainage improvements.

- **Knowledge and experience that delivers quality.** Ardurra offers an experienced team that is responsive, flexible, helpful, financially responsible, and quality conscious. Our team is knowledgeable of and conforms to local, state, and federal regulations, codes and ordinances, federal grant requirements, Caltrans Local Assistance Procedures Manual (LAPM), Greenbook, APWA/AWWA standards, as well as LEED, DSA, and OSHPD standards.
- **The capacity to provide the right staff at the right time.** Client service is a core value for us, and we understand the importance of responsiveness. With more than 120 professionals in Southern California, we have the depth of resources and expertise to respond quickly to your needs.

- **Peace of mind through each phase of your projects.** Our professionals have years of experience managing a wide variety of public works projects. Our time-tested, proactive approach serves to anticipate and expeditiously address challenges to keep your projects moving forward. Our proven process eliminates surprises, provides predictability, streamlines delivery, and keeps potential conflicts with the contractor to a minimum.

We believe Ardurra is best qualified to perform the requested services because our experienced team members have a heart for client service, and they merge seamlessly as an extension of our clients’ staff. Working with municipalities is what we do, day in and day out, so we know local codes, regulations, community needs and sensitivities, and proposed developments and their potential impacts to City infrastructure. We have helped deliver hundreds of projects through local on-call contracts. All of this experience has taught our team effective resource management, scheduling, trusted subconsultant partnerships, and a process that works. And having former municipal leaders on staff provides insight and perspective on stakeholder concerns and expectations, and offers continual improvements to processes and streamlining reviews to deliver quality products. Our reputation for providing quality services has been confirmed by our ongoing relationships and extended on-call contracts with agencies throughout California. Our local, comprehensive team is ready to support all of your engineering needs.

Dino D’Emilia, PE, F. ASCE, QSD, will serve as our Contractual Manager, and Mark Lewis, PE, TE, will assist Omar for day-to-day management. Both bring more than 30 years of experience. Mark has been with Ardurra for three years after serving as Director of Public Works/City Engineer at the City of Fountain Valley for 20 years.

Ardurra has elected to bolster the team by continuing our partnership with Ninyo & Moore for material testing. Ninyo & Moore provides outstanding geotechnical engineering, material testing, and inspection services for all phases of projects. Ardurra has worked extensively with this exceptional firm. This long-standing alliance enables a streamlined approach and smooth coordination.

With our nearby offices in Newport Beach and El Segundo, and many of our team members being residents of surrounding communities, we are deeply invested in the City’s success.

Ardurra is properly licensed and in good standing with the State of California (registration with California Secretary of State — Certificate #073306522; California Department of Industrial Relations Registration # PW-LR-1000392146), and the firm has no conflicts of interest with regard to work performed for the City.

We look forward to serving the City of Placentia on this as-needed contract. Please feel free to contact Omar at 949.533.3012 or oalameddine@ardurra.com, or Dino at 714.458-0703 or ddemilia@ardurra.com if you have any questions or need additional information.

Respectfully submitted,

D. PERSONNEL EXPERIENCE & QUALIFICATIONS

We understand the key issue for providing effective services is to be highly responsive and have the depth of resources locally available to fulfill your project needs. Ardurra has assembled a team knowledgeable and experienced in construction management services of various capital improvement projects. Ardurra’s construction management team is experienced in project delivery for various construction projects, such as roadways, bridges, curbs, gutters, sidewalks, parking lots, slurry, landscape/median enhancements, parks, facilities, sewer, and storm drain improvements, as well as WQMPs, SWPPPs, and NPDES documentation. We also help deliver projects as an extension of staff to numerous cities and municipalities throughout Southern California. Our staff members are well-trained in problem solving. We process all issues with a sense of urgency and present our clients with suggested alternatives, cost and schedule affects, and recommended solutions that best suit the interests of the project and the City. The Ardurra team is available and ready to start working immediately on any task defined by the City. Our team members have a track record of delivering successful projects on schedule and within budget. If alternate delivery methods are required, Ardurra has the experienced staff to deliver those type of construction projects. Our project managers are adept at allocating the right resources with the best mix of availability and expertise for the task assigned, and they can draw from our deep bench of experienced professionals to serve a large number of concurrent projects as needed.

✓ Below we have provided abbreviated resumes for each of our team members, followed by detailed resumes of our Management Contact and Project

PROJECT MANAGER EXPERIENCE

Ardurra proposes Omar Alameddine as Project Manager and the City’s primary point of contact. Omar is Project/Construction Management Group Leader at Ardurra. He brings an extensive background in construction management and inspection on public works and Caltrans projects. Omar has 18 years of experience delivering projects to renew city streets and freeways, applying his firm grasp of Caltrans and Greenbook standards. He has managed and inspected roadway rehabilitation and widening projects; recreational facilities such as soccer fields, public parks, and dog parks; public facilities; and domestic water, sewer, and drainage improvements. Representative projects include:

- Project/Construction Management for Various CIP Projects, City of Anaheim
- As-Needed Engineering, CM and Inspection, Anaheim Public Utilities Department
- On-Call City Engineering/CM/Testing and Inspection Services, City of Cypress
- On-Call City Engineering/Construction Management/Testing and Inspection Services, City of Hawaiian Gardens
- City of Ontario On-Call Construction Management and Inspection
- Burbank On-Call Professional Planning, Transportation Planning, Building & Safety, Parks, and Public Works Consulting Services
- Orangewood Avenue Improvements, City of Anaheim
- Carson Street Master Plan, City of Carson
- Kern and Mono County Bridge Replacements and Repair Project, Caltrans, Tehachapi
- Polliwog Park Lower Playground Replacement Project, Manhattan Beach
- Signal Hill Dog Park, City of Signal Hill
- Firestone Blvd. Regional Corridor Capacity Enhancements, City of South Gate
- Antonio Parkway/Santa Margarita Parkway Rehabilitation, City of Rancho Santa Margarita
- Drake Soccer Field Project, City of Long Beach
- 3rd and Broadway Cycle Track Project, City of Long Beach
As Project Manager, Omar is prepared to respond to a variety of requests from the City to execute each task order to meet your diverse needs. Once a task order is received, Omar will review/develop the scope with the task leaders and provide the City with resumes of available staff with the best mix of experience and expertise for the task assigned.

A detailed resume for our Project Manager is provided in Section 2 – Qualifications & Resumes.

**SUB-CONSULTANTS**

Upon review of the RFP, Ardurra can provide the required services listed in the scope of work in-house and will be supported by Ninyo & Moore for material testing services.

**QUALIFICATIONS AND RESUMES**

Ardurra maintains a seasoned group of project managers, construction managers, public works inspectors, and project controls/documents control professionals. Having spent most of their careers in Southern California, our team understands local agency requirements and construction standards.

As you will see in the resumes that follow, our team’s experience involves projects similar to those listed in the City’s CIP Program, such as streets, bridges, bike trails, drainage improvements, parks, buildings, open space amenities, landscaping, traffic signals, playground equipment, shade structures, and sports fields.

We are there when you need us! Our team is available and ready to start working immediately on any task defined by the City. Ardurra’s wide range of in-house capabilities enables us to provide the right staff at the right time. Ardurra has a vast pool of resources, and we are committed to providing appropriate staffing for each task order assigned through this contract.

Due to the page limitation, we have included abbreviated resumes for our Project Manager and our key personnel. We would be happy to provide more detailed resumes or resumes for additional team members at the City’s request.
OMAR ALAMEDDINE  
Project Manager and Primary Contact

Omar Alameddine brings an extensive background in construction management and inspection on public works and Caltrans projects. Omar has delivered projects to renew city streets and freeways, applying his firm grasp of Caltrans and Greenbook standards. He has managed and inspected roadway rehabilitation and widening projects: recreational facilities such as soccer fields, public parks, and dog parks; public facilities; and domestic water, sewer, and drainage improvements. Clients appreciate Omar’s penchant for precision and thorough documentation.

RELEVANT EXPERIENCE

Project/Construction Management for Various CIP Projects, City of Anaheim, CA. Contract administrator/construction manager augmenting the City’s Public Works staff to expedite the completion of more than $80 million in projects, such as the Indiana Street Water Main Replacement Design-Build; Underground Conversion Plan Projects; and Olive Street 16-inch Water Main Replacement and Roadway Restoration Project.

Orangewood Avenue Improvements (from State College Boulevard to the Santa Ana River), City of Anaheim, CA. Contract administrator/construction manager for this $17-million multifaceted road widening project on Orangewood Avenue from State College Boulevard to the Santa Ana River. This project spans a largely commercial area within proximity to several freeways and highways (SR-57, SR-55, SR-22, and I-5) along the south entrance to Angel Stadium of Anaheim. This widening project consists of electrical undergrounding with telecommunication lines relocation, installation of new City of Anaheim and City of Orange water mainline, traffic signal improvements, and a new variable message board. Widening improvements include, but are not limited to, roadway widening and paving, sidewalks, slough walls, curbs and gutters, retaining/block/sound walls, driveways, cross gutters and spandrels, drainage improvements, catch basins, WQMP BMP improvements, Disney Resort-Style hardscape and landscaping, irrigation improvements, and signing and striping.

Polliwog Park Lower Playground Replacement Project, Manhattan Beach, CA. Construction manager for this $2-million project that included the removal and replacement of out-of-service play equipment, play surface, fencing, renovation of parking lots and walkways; and new play surfaces and shade structures. 2024 Commendation Award, ACEC California.

Signal Hill Dog Park, City of Signal Hill, CA. Construction manager for the construction of a community dog park with artificial turf, landscaping, a parking lot, and sidewalks. Collaborated with the consultant architect, City’s inspector, and public works director for onsite design changes for better drainage, accessibility, and design. Provided public relations support in the field. Participated in progress meetings and ensured safe conditions and compliance with plans and specifications.

Drake Soccer Field Project, City of Long Beach, CA. Construction manager for the $3.8-million completion of two soccer fields, a basketball court, parkway with trail, parking lot, new lighting, and landscaping. In addition to providing the community with a new recreational area, the project conserved energy and reduced waste by using recycled construction materials, drought-tolerant landscaping, and separating and recycling at least 60 percent of construction debris.

Antonio Parkway/Santa Margarita Parkway Rehabilitation, City of Rancho Santa Margarita, CA. Construction manager for this federally funded rehabilitation of two busy arterials. The project resurfaced a portion of Antonio Parkway and made improvements to Santa Margarita Parkway’s eastbound lanes. Ensured compliance with federal, DBE and labor compliance requirements.
OMAR ALAMEDDINE | Arduerra

Firestone Boulevard Regional Corridor Capacity Enhancements, Project No. 476-TRF, City of South Gate, CA. APWA Award Winner. Assistant construction manager/lead inspector for a $20-million project to improve three segments of Firestone Blvd. Ensured project compliance with plans and specs. Provided fast-track design efforts for newly proposed bus pullouts, median construction, and drainage facilities. Observed utility potholing, traffic control and stormwater practices; maintained personnel and equipment logs; negotiated and reviewed potential change orders; and orchestrated utility coordination. Provided public relations and progress reports. Participated and led progress meetings. Pre-construction duties included documenting existing conditions such as tree wells to be removed.

Indiana Street Water Main Replacement Design-Build, City of Anaheim. Contract administrator/construction manager for one of the City's first design-build projects. This design-build project consisted of the construction of approximately 2,400 LF of 6-inch ductile iron CL 52 zinc-coated water main, and 200 LF of 8-inch ductile iron CL 52 zinc-coated water main located along Indiana Street between Broadway and South Street. The project also included the replacement of fire hydrants, valves, water services, and appurtenant structures.

Carson Street Master Plan, City of Carson, CA. Interim construction manager for the overhaul of a 1.75-mile stretch of Carson Street, between the I-110 and I-405 Freeways. The project was part of far-reaching renewal efforts under the City's master plan. Upgrades included concrete monuments, resurfaced pavement, reconfigured turn lanes and new traffic signals. The project improved Carson Street’s appearance with colorful drought-tolerant landscaping, wider paver-accented sidewalks, new pedestrian lighting, outdoor benches, and bike racks.

3rd and Broadway Cycle Track Project, City of Long Beach. Assistant construction manager for this federally funded project to relocate a protected bicycle lane in busy downtown Long Beach that affected over 150 businesses. Assisted with CCOs, pay estimate, change order settlement and negotiation and closeout.

Strand Stairs Rehabilitation, City of Manhattan Beach, CA. Assistant construction manager/lead inspector for this federally funded project to renew or replace several concrete staircases connecting the Strand, the City's oceanfront walkway on a bluff, to the beach below. Inspected stairway demolition, repair and reconstruction, concrete placement, balustrade, and handrail installation. Processed requests for information, change orders and submittal responses.

On-Call City Engineering/CM/Testing and Inspection Services, City of Cypress, CA. PM/CM group leader for this as-needed contract. Recent assignments include inspection, material testing, and project controls services for the following:

- **Street Rehabilitation, Project 313.** Street rehabilitation improvements include slurry sealing of various streets within the City right-of-way. The scope includes mobilization, surveying, traffic control, edge grind, crack sealing, remove and replace AC paving, removal of existing traffic striping and markers, Type I and II RPMS, replace traffic striping, markers, and other incidental items of work.

- **Oak Knoll South Parking Lot Seal Coat Project 332.** Rehabilitation of the entire parking lot surface, replacement of signs, and other incidental items of work.

- **Concrete Rehabilitation Project 293.** Citywide concrete rehabilitation improvements.

On-Call City Engineering/Construction Management/Testing and Inspection Services, City of Hawaiian Gardens, CA. PM/CM group leader for this on-call contract that has included inspection for residential street rehabilitation and roofing projects:

- **Residential Street Rehabilitation, Project 101.** Project consists of full roadway reconstruction of various streets and includes traffic control, protect in place various items; removal and construction of concrete sidewalk, curb and gutter, driveway approaches, curb ramps, driveway drain; 2” deep cold mill; furnish and place 6” thick CMB, 2” ARHM overlay; adjust manhole and cover to finish grade, adjust water valve can and cover to finish grade; adjust water meter box and cover to finish; provide construction survey; install traffic signal loop detector, traffic striping, signing and marking.

- **C. Robert Lee Roof Replacement, Project 102.** Roof replacement improvements include removal and replacement of the existing roof, air ducts, rain gutters, and all other appurtenances, miscellaneous replacement of structural plywood, electrical disconnections/reconnections, and mechanical disconnections/reconnections.

On-Call Construction Management and Inspection, City of Ontario, CA. PM/CM group leader for the City's annual pavement rehabilitation and slurry seal project as well as permit inspection. Work includes maintaining more than 1,200 lane miles of pavement within the city, rehabilitating existing street pavements, sidewalks, handicap ramps, curb and gutter, and related appurtenances; repairing or constructing storm drain improvements at various locations throughout the City; and providing engineering contract management and field services support for all construction work within the public right-of-way.
Ardurra’s California Public Works Practice Director, Dino D’Emilia, PE, FASCE, QSD, has delivered public works infrastructure projects valued at more than $1 billion for public agency clients. His abilities as a project and construction manager are highlighted with the City of Long Beach’s $103.1M Belmont Pool Rebuild and Revitalization, and the City of Torrance’s $21M Transit Center Project and $15M Del Amo Boulevard Extension. He has played critical roles on infrastructure projects to build, renew and upgrade freeways, city streets, transit centers, pedestrian paths, light rail, water mains, sewers, storm drains, greenbelts, soccer fields, and recreation centers.

In keeping with his passion for building infrastructure, Dino actively participates in local chapters of the American Public Works Association, the American Society of Civil Engineers and Construction Management Association of America. He supports the growth and development of emerging engineers as a mentor to colleagues, provides construction management best practices training to agency public works staff, and serves as a guest lecturer on construction management at the University of Southern California, Loyola Marymount University and California State University, Long Beach.

CAPITAL IMPROVEMENT PROJECTS PROJECT MANAGEMENT AND CONSTRUCTION MANAGEMENT

City of Anaheim

Contact: Jake Hester, Water Engineering and Design Manager; 714.765.4421; jhester@anaheim.net; and Brenda Medina, former Anaheim Construction Contract Administrator (currently with UC Irvine); 714.679.1231; brenda.medina@uci.edu

Dates: 03/2017 – ongoing  Project Value: $90 million

Ardurra provides PM/CM services to oversee completion of more than $90 million in capital improvement projects involving telecommunications, structural, water/wastewater, and utility undergrounding. Challenges have included existing utility conflicts and the coordination with outside utility companies for their existing utilities as they relate to the project. Our proactive approach, constant communication including several meetings prior to construction help facilitate and expedite permit reviews and approvals, as well as schedule of work coordination. Some representative projects include:

- **Orangewood Avenue Improvements.** Contract administration and construction management for this multi-faceted road widening project on Orangewood Avenue from State College Boulevard to the Santa Ana River. This project spans a largely commercial area within proximity to several freeways and highways along the south entrance to Angel Stadium of Anaheim. This widening project consists of electrical undergrounding with telecommunication lines relocation, installation of new City of Anaheim and City of Orange water mainline, traffic signal improvements, and a new variable message board. Widening improvements include roadway widening and paving, sidewalks, slough walls, curbs and gutters, retaining/block/soundwalls, driveways, cross gutters and spandrels, drainage improvements, catch basins, WQMP BMP improvements, Disney Resort-Style hardscape and landscaping, irrigation improvements, and signing and striping.

- **Underground Conversion Plan Projects.** Contract administration for three projects that are part of a City five-year program. The initiative is relocating overhead power and communications systems underground. The work is intended to improve aesthetics, replace antiquated equipment and enhance the reliability of the area’s electrical system. Typical work includes undergrounding 69kV transmission and 12kV distribution systems, installing streetlights and service connections and demolishing overhead power, telephone and cable television lines.

- **Fire Station No. 5.** Contract administration and construction management for the $5.4-million design-build construction of a 9,400-square-foot fire station on one acre. The station can house up to eight firefighters. Station design included parking, driveways, sidewalks, walls, fences, landscaping, water, sewer gas, telephone/cable and electrical utilities, transmissions lines and facilities. Winner of 2018 BEST Award from the Southern California chapter of APWA.

- **Citywide Sanitary Sewer Improvement Program/Projects, Group 6.** Contract administration and construction management for $2-million project to build more than 4,200 linear feet of 24-inch, 18-inch, 15-inch and 10-inch vitrified clay pipe (VCP) sewer mainline. Project constructed 19 manholes, removing the existing mainline and manholes, rebuilding the street and installing new traffic loops, striping and pavement markers.
- **La Palma Water Complex – Reservoir Rehabilitation and Pump Station Replacement.** Contract administration for $9.3-million reservoir and pump station project. Managed demolition of 3-MG reservoir and pump station. Directed rehabilitation of 4-MG reservoir, construction of new pump station, and abandonment of inactive well.

- **Indiana Street Water Main Replacement.** Contract administration and construction management for one of the City’s first design-build projects, which consisted of the construction of approximately 2,400 LF of 6-inch ductile iron CL 52 zinc-coated water main, and 200 LF of 8-inch ductile iron CL 52 zinc-coated water main located along Indiana Street between Broadway and South Street. The project also included the replacement of fire hydrants, valves, water services, and appurtenant structures.

- **Rehabilitation of Pressure Regulating Stations (PRS) 30 and 31 and Relocation of PRS-32 and -43 and Construction of New PRS-73.** Contract administration and CM services for completion of various on-call water utilities projects for the Water Utilities Engineering group. The work consists of contract administration and construction management services for PRS 30, 31, 32, 43, and 73 project, and construction management services overseeing the closeout of the PR-58, M-2 and M-8 projects.

**ON-CALL PUBLIC WORKS CONSTRUCTION MANAGEMENT AND INSPECTION**

*City of Long Beach*

**Contact:** Eric O. Lopez, Public Works Director; 562.570.5690; Eric.Lopez@longbeach.gov

**Dates:** 08/2016 – ongoing  **Project Value:** $30 million

Ardurra is providing the City with on-call construction management and inspection services geared toward a wide range of public works projects, from street rehabilitation to storm drains. The bench of professionals assigned to this contract includes project managers, construction managers and construction inspectors, as well as deputy inspectors for work related to buildings and other types of structures. Example projects include:

- **Belmont Myrtha Pool Repairs, Phase 1 & 2.** CM services to oversee $2.6M construction activities for the maintenance and repairs required to address deteriorated pool amenities and to ensure continued operation. Improvements for both phases include spalled and cracked deck concrete; exposed deck reinforcing steel; spalled and cracked concrete stair treads; corroded stair steel pans; corroded stair steel structural support; upgraded drainage system; removal and replacement of existing bleachers; removal and replacement of damaged concrete deck; and removal and replacement of existing corroded fencing.

- **Daisy-Myrtle Bicycle Boulevard.** Ardurra managed construction of this 9.5-mile, north-south bikeway extending from downtown Long Beach to north Long Beach. This project, part of the City’s Bicycle Master Plan, creates a safer way for cyclists to reach the Wrigley, Los Cerritos and Bixby Knolls neighborhoods. The Class 1 bike path bikeway runs along Daisy Avenue to the south and Myrtle Avenue to the north. *ACEC California recognized this project with a 2019 Engineering Excellence Award.*
- **6th Street Bicycle Boulevard.** Ardurra provided project and construction management for creation of an east-west bicycle boulevard along 6th Street. The 2.5-mile route extends from Junipero Avenue on the east to Bellflower Boulevard on the west. The project installed a Class 1 bike path, traffic circles, a roundabout with curb extensions and bioswales to control drainage and a bump-out and curb extensions. The project also added bike loop detection to an existing traffic signal, signage and fresh pavement markings.

- **Heartwell Park Central Irrigation Renovation.** Ardurra is providing pre-construction services and reviewing plans and specifications for construction, supporting and collaborating with the Construction Management Division and other as-needed duties may include completing assignments from the Construction Services Officer.

### REDONDO BEACH SOUTH BAY REGIONAL INTERMODAL TRANSIT CENTER PROJECT

**City of Redondo Beach**

**Contact:** Andrew Winje, City Engineer; 310.697.4661; Andrew.Winje@redondo.org

**Dates:** 06/2020 – 01/2023  
**Project Value:** $13,225,000

Ardurra provided CM and inspection along with other professional services required to undertake and successfully manage construction of this modern multimodal transportation facility located adjacent to the Galleria, south of Target along Kingsdale Avenue in the city of Redondo Beach. The facility is a huge upgrade for the community from the antiquated transit center that was in operation for nearly 30 years. This functional and aesthetically pleasing transit center improves regional mobility, linking Beach Cities Transit with other regional transit providers such as Los Angeles Metro, Torrance Transit, Trans, and Lawndale Transit, along with pedestrian and bicycle access to these services. By providing alternate transportation opportunities, this facility supports statewide goals of reducing single-occupancy vehicles and greenhouse gas emissions. The 2,900-square-foot building is certified LEED Silver and involved the installation of all required controls and accessories for a fully functioning Title 24-compliant lighting control system and surveillance network. The facility also has a storm drain capture system that can retain tens of thousands of gallons of stormwater.

Amenities and services to transit passengers include 11 bus bays in the transit terminal area, a ticketing vending machine, signalized crosswalks, passenger waiting area with restrooms, parking lot with 320 spaces, short-term parking area for 13 vehicles, 12 bicycle storage lockers, and security cameras. For staff, the facility provides operator layover amenities, offices, and private restrooms.

**This project received the following awards:**

- 2024 Merit Award, ACEC California
- 2023 Project Achievement Award for Transportation: Roads and Highways in the range of $10M - $50M, Construction Management Association of America (CMAA) Southern California Chapter
- 2023 BEST Project of the Year (Facilities Category), American Public Works Association (APWA) Southern California Chapter
F. UNDERSTANDING AND APPROACH

PROJECT/CONSTRUCTION MANAGEMENT CAPABILITIES

Numerous municipalities and agencies throughout the region have entrusted Ardurra with their PM, CM, and inspection needs. Our team has experience with a wide range of projects, including roadway reconstruction, streetscape revitalization, pavement rehabilitation, sidewalk and ADA pedestrian ramp installation, drainage improvements, parks, playgrounds, shade structures, sports fields, decorative concrete sidewalks, landscaping, irrigation, traffic signals, street lighting, water feature construction, water and sewer treatment and pumping facilities, storage, and pipeline installation/rehabilitation, as well as managing multi-project capital improvement programs. In addition to the types of projects mentioned above, we also provide vertical construction management and inspection on projects such as fire stations, police centers, recreation centers, and libraries. We deploy time-tested procedures and best management practices for the most vital project elements:

- Safety
- Measurement and payment
- Budget and cash flow
- Quality assurance
- Public outreach
- Change management
- Utility coordination
- Labor compliance
- Schedule
- Claims avoidance
- Documentation protocol and communication
- Project commissioning, acceptance, and closeout

Not only is Ardurra successful at delivering PM and CM services, but our professionals are considered leaders in the industry. They are frequently engaged to train public agency staffs and develop or improve standardized public agency department systems, procedures, and processes that incorporate industry best practices across capital project and development permit delivery. We have expert in-house resources including former Public Works Directors and City Engineers who offer valuable insight from a municipality’s perspective and are continuing to improve the efficiency and effectiveness of the municipal engineering process.

Our staff members maintain current registrations/certifications in their respective specialties, including registered professional engineers and Qualified SWPPP Practitioners (QSP) and/or Qualified SWPPP Developers (QSD). Our team is well-versed in CPM scheduling, construction means and methods, web-based documentation, WATCH requirements, Caltrans Local Assistance Procedures Manual, Greenbook General Specifications, and water pollution control regulations. Ardurra can assist through every phase of the project, from design to pre-bid through construction to closeout.

Our team has worked on numerous federally funded projects over the years and has well-established and proven templates that have been used as examples by Caltrans. We have an excellent track record for delivering exception free federally funded project oversight reviews and federal audits.

We also have in-house a comprehensive bench of inspectors that bring experience in all aspects of public works inspection. Our inspection team averages 25 years of experience and are competent, knowledgeable and will conform to California Building Standards Code/Title 24, City of Irvine codes and ordinances, federal grant requirements, Caltrans LAPM, Greenbook, APWA standards, and, where appropriate, LEED, DSA, and OSHPD standards.

Ardurra has a history of providing services for large on-call contracts to numerous agencies throughout California. Because of this experience, Ardurra has a strong understanding of how to address project issues and the needs of public agencies for multiple, concurring tasks. This experience allows us to provide responsive teams led by experienced task managers to solve the needs of our clients in a timely manner.
Detailed examples of our project experience similar to this scope of work are provided in Section 3 – Referenced Projects. Below is a partial list of recent on-call PM/CM services contracts with local municipalities:

GENERAL APPROACH

Ardurra has a history of providing services for large on-call contracts to numerous agencies throughout California. Because of this experience, Ardurra has a strong understanding of how to address project issues and the needs of public agencies for multiple, concurring tasks. This experience allows us to provide responsive teams led by experienced task managers to solve the needs of our clients in a timely manner.

The Ardurra approach to project/construction management and inspection is designed to safely deliver a high quality project on time and within budget, while monitoring and enforcing compliance with requisite codes, standards, permits, plans, and specifications. The firm uses proven methods for performing the multitude of tasks that dictate the success of a construction project, maintaining continual and transparent communication.

The Ardurra team fosters productive collaboration and cooperation among all stakeholders, from the contractor to local businesses to residents. Potential challenges are proactively identified and addressed before they become significant budget issues and schedule delays. By utilizing Ardurra, clients are kept informed on a real-time basis and know that Ardurra’s guiding principle is to always act in its client’s best interest.
G. SCOPE OF WORK

Ardurra accepts the scope of services as presented in the City’s request for qualifications to include but not be limited to contract administration, resident engineer, project management, construction inspection, and construction site manager. Ardurra will be utilizing in-house staff to complete the assignments to meet City needs and incorporate the services of Ninyo & Moore for as-needed material testing. As detailed below, we have outlined Ardurra’s approach to the scope of work for construction management services. The Ardurra team fosters productive collaboration and cooperation, from stakeholders, to the City and public utilities, to the contractor, and to local businesses and residents. Our firm uses proven methods for performing the multitude of tasks that dictate the success of a construction project.

Contract Administration  Ardurra specializes in contract administration services and have provided and continue to support these services to the Cities, such as Anaheim and Santa Ana. The scope of services includes monitoring and administering public works capital improvement projects to confirm compliance with project contract documents, budgets and schedule. Review and approve contractor pay applications, review and approve change orders, and refute and settle project claims in the best interest of the City. Ardurra is well-versed and experienced supporting projects using either traditional design-bid-build or design-build delivery methods.

Resident Engineer  Ardurra specializes in resident engineer support services and also presently supports resident engineer services to the several Southern California Agencies. The scope of services includes but is not limited to reviewing and approving schedules and submittals, reviewing RFIs, drafting letters, reviewing change order requests and performing independent change order estimates, monitoring construction progress, pay applications, preparing and conducting progress meetings, and analyzing claims.

Critical Issues  Ardurra specializes in providing construction management and inspection services to public agencies. Recognition and implementation of key, time-tested solutions on the following typical issues is imperative to the successful completion of public capital improvement projects.

Safety  First and foremost, Ardurra always considers safety the most important issue on any construction project. Ardurra managers and inspectors are at a minimum 10-hour OSHA-certified. Our team will recommend key safety provisions to require the contractor to have competent safety personnel and site-specific safety programs employed on the project at all times and will monitor the contractor’s operations for compliance with the project safety requirements and requisite provisions of state and federal law.

Protocol and Communication  Timely and concise communications are essential to the successful completion of any construction project. Protocol will be determined as appropriate for each project and maintained for the project duration. The Ardurra PM/CM team is experienced with serving as the primary project contact, acting as the hub of communication with timely distribution of requisite correspondence and documentation to all respective stakeholders as applicable. In addition to time-tested and efficient construction administration and project controls procedures, documents, and programs, Ardurra offers the web-based collaboration of Procore or CIPO. Both software are widely used cloud-based construction software that maximize the efficiency of managing construction projects while connecting project participants to critical project documents and real-time project data.

Quality Assurance/Quality Control Management Process  Ardurra’s construction management quality assurance and quality control process start with standardization of successful procedures. All projects utilize Ardurra’s standardized project electronic filing system, which is mirrored with a binder-based hard copy indexed system.

Constructability Review of Bid Documents  Constructability reviews will be conducted as requested by the City. A punch list of comments and recommendations will be submitted to the City for consideration and implementation with the project designer.

Bid Analysis  Diligent and time-tested procedures for review and evaluation of bids will be utilized as the basis Ardurra’s recommendation to the City of the contractor to be selected. The following items will be researched, reviewed, and analyzed.

Documents Tracking and Control  Complete and current project files shall be kept at the job site, or at a location agreeable to the City and shall always be available to the City.
Weekly Statement of Working Days The Ardurra construction manager will prepare a weekly statement of working days (WSWD), in conformance with LAPM Exhibit 16A, Form CEM-2701, documenting the construction progress, time of completion, delays and time extensions, and submit to the Contractor and the City on a weekly basis.

Documentation Interpretation and Technical Assistance Ardurra will perform the coordination between the contractor, design team and City staff to clarify any questions for interpretation of the construction documents. Timely, firm and fair determinations will be processed to minimize cost and time impacts to the project.

Written Instruction Ardurra will issue written instructions to the contractor regarding routine matters and/or follow-up of verbal instructions as necessary to properly document project issues.

Preconstruction Conference Ardurra will coordinate and conduct the pre-construction meeting including notification to the Contractor, utility agencies, and other stakeholders, and prepare the meeting agenda and minutes. The pre-construction meeting will be coordinated and conducted in accordance with Chapter 16 of the LAPM.

Construction Progress/Coordination Meetings and Periodic Project Team/Stakeholder Meetings Stakeholders will focus on the following items.

<table>
<thead>
<tr>
<th>Progress during the period</th>
<th>Anticipated or pending change orders</th>
<th>Progress and major decisions during the last week</th>
</tr>

Field Public Outreach The Ardurra team is empathetic to the motorists, pedestrians, cyclists, residents, and businesses that are affected by construction operations, and we will take a lead role to address public relations concerns. All inquiries and issues will be listened to and documented with accurate contact information for prompt follow-up. We are adept at mitigating impacts throughout the construction process and addressing issues expeditiously for resolution in the field whenever feasible. Any issues that cannot be immediately addressed in the field will be communicated through appropriate protocols with recommendations for the most efficient resolution. Ardurra will expedite implementation of the solution that serves the project’s best interests, as mutually determined with the City, contractor, and affected parties. We take a proactive approach to reach out to the public, resulting in the successful completion of public works improvement projects in close proximity to adjacent property owners. Strict adherence to allowable working hours, and noise and dust control requirements will be imperative to minimize impacts. Feasible mitigations and PR measures to issues identified will be implemented immediately to minimize impacts to the surrounding public uses. Ardurra’s Community and Public Relations group can provide the City with added support for larger and more political outreach programs.

Daily Construction Observation Reports Ardurra will compile daily observation reports documenting the Contractor’s workforce, material and equipment used, a summary of construction activities, field problems, disputes or claims, resolutions of issues and directions given to the Contractor. The daily reports will follow Exhibit 16-C of the LAPM and will also be utilized for spot-checking the Contractor’s Labor Compliance in accordance with Section 16.7.

Storm Water Pollution Prevention/Erosion Control Ardurra will enforce all provisions of the Storm Water Pollution Prevention Plan (if ultimately required) and/or other requisite requirements set forth in the specifications. Upon a weather report of expecting rain, a site walk will be conducted to verify that best management practices are in place and well maintained.
Traffic Controls: Ardurra will oversee proper implementation of the traffic control plans by the Contractor and require corrections and diligent maintenance when required.

Photographs: Photos shall be taken before construction begins, during construction, and upon completion of the project. Photo files will be maintained electronically, utilized to support project activities and documentation throughout the project, and provided to the City at the end of the project.

Submittal Processing: The CM will track all correspondence and submittals on this project. Ardurra will receive all contractor submittals and review them for completeness and general conformance with the contract documents.

Materials Control: The CM Team will establish a material receiving process on site such that all materials deliveries are accompanied by proper delivery documentation satisfactory to confirm all products comply with the plans and specifications, approved submittals and bear the requisite certificate of compliance for source, product type and Buy America, as applicable.

Solutions: Our proactive approach serves to anticipate and expeditiously resolve field problems. Our team is well trained in problem-solving. All issues are processed with a sense of urgency and presented to the City with suggested alternatives, cost and schedule impacts and recommended solutions.

RFIs: Upon receipt, the CM will log, distribute, and respond to each Request for Information (RFI) as required. It is anticipated that most will be handled upon receipt. If the design engineer or any member of the City staff is required to answer questions, the CM or Inspector will coordinate a timely resolution.

Change Orders: Each issue, which is identified as a potential change to the design, scope, cost, or contract time, will generate change notice. The CM will determine whether a change notice should be considered. The plans and specifications will be reviewed against the change notice. If the issue does not appear to be included in the plans or specifications, a Request for Quotation (RFQ) will be sent to the Contractor.

Force Account Daily Extra Work Reports: Ardurra will verify and sign the contractor’s daily extra work reports documenting force account (time and materials) work. Ardurra will monitor that only appropriate worker classifications necessary for approved time and materials work is included on extra work reports.

Claims Avoidance: Ardurra will assist the City with claims filed by the Contractor in accordance with the guidelines set forth by the LAPM Section 16.15, the general specifications, and the standard specifications. Ardurra is well-versed at negotiating and resolving claims amicably between contractors and public agencies.

Schedule Review: Ardurra’s CM will review the baseline construction schedule including activity sequences and duration, schedule of submittals, and schedule of delivery for products with long lead-times.

Schedule Control: During the progress of construction, the Ardurra CM will compare the contractor’s schedule updates to the baseline schedule and any approved time extensions, note any shortcomings, and monitor and track corrections by the Contractor to keep the project schedule on track. If necessary, Ardurra will negotiate time extensions due to change orders or other delays.

Inspection Services: Inspection services will include but are not limited to the following tasks and will be performed on a daily basis: review and familiarization with contract documents, participate in pre-construction meetings, other meetings, and conferences, as required, be present always, including weekends when construction is in progress, review and in conjunction with the City’s project manager, enforce the contractor’s proposed construction schedule, monitor and document the contractor’s compliance with plans, specifications, and referenced standards, assist in the review of “submittals” required by the specifications, assist with coordination between City’s project manager, contractor, and any other entities that may be involved, review contractor performance, and expedite corrective measures for discrepancies as they occur, provide assistance and direction to technicians performing material tests.

Progress Payment Processing: A cost control system, based on the approved schedule of values, approved change orders, and the contract amount, shall be developed and implemented to monitor progress costs.

Cashflow Management: Ardurra recognizes that the diligent monitoring and tracking of preliminary notices, conditional and unconditional releases is an important component of public construction management.
enables the team to stay abreast of the construction contract cash flow and provides for excellent documentation of prompt payment as required by agency funding.

**Labor Compliance** Ardurra’s Labor Compliance group’s established program is a 5-step process to capture, monitor, collect, investigate, and review through Cracker, which is a certified payroll reporting software. Our process of actively monitoring prevailing wage requirements, allows for real-time monitoring of the required documents, DAS140, DAS142, fringe benefit statements, monthly union status, CAC-2 Training Fund Contributions, express, and other requirements of the awarding body.

The Ardurra team will work proactively and cooperatively with the contractor to monitor and enforce the City’s and funding agencies’ requirements for labor compliance, as follows:

- Verify contractor and subcontractor eligibility through the State Contractor’s Licensing Board, DIR contractor registration, and state debarred list.
- Serve as the primary contact person for labor standards issues related to state and federal labor codes. The consultant shall attend the preconstruction conference to provide the contractor and subcontractor(s) with contractor labor compliance handouts and to review the applicable labor standards requirements as mandated by State of California labor compliance requirements.
- Inform contractors of the prevailing wages requirements. All services performed under the agreement will be subject to payment of the applicable prevailing wage for personnel performing the work. The submittal of certified payroll records will be required as work is performed or when they are needed to verify compliance with state/federal labor codes. Certified payroll submittals will be available for review by the City and directly submitted to the DIR.

**LABOR COMPLIANCE 5-STEP PROCESS**

**STEP 1** **CAPTURE**
Ardurra’s labor compliance team captures requirements, rules, standards, governance, regulations, transparency, policies, and the law for state or federal projects.

**STEP 2** **MONITOR**
We monitor and enforce prevailing wage requirements on public works projects, as described in State Department of Industrial Relations (DIR) Labor Code section 1771.5 (b) and Davis-Bacon Federal Department of Labor (DOL) projects.

**STEP 3** **COLLECT**
We utilize LCPtracker software for collection and review of certified payroll requirements and labor compliance support documents.

**STEP 4** **INVESTIGATE**
We have established investigative tools and processes to effectively combat prevailing wage theft while educating the public and law-abiding contractors through procedures of review to resolve discrepant, delinquent, or inadequate payrolls.

**STEP 5** **REVIEW**
The labor compliance team provides monthly site interviews with contractor’s personnel at the project site to cross-reference against the collected certified payrolls and labor compliance documents.

**QA/QC** Ardurra will implement the City’s established Quality Assurance Plan (QAP) as outlined in Section 16.14 of the LAPM for Non-NHS projects. Ardurra will coordinate QA/QC activities daily and review activities as they happen to make sure that QA/QC procedures are followed, and deficiencies are resolved in a timely and efficient manner. QA/QC is an ongoing task throughout the duration of the project.

Our strategic approach to a quality, timely, and cost-sensitive product includes the following elements:

- Understand the project.
- Select the right people for the project.
- Frequent communication and tracking of project progress are integral to our approach to make sure there are no surprises.
- Utilize our project management tools that forecast staff requirements and labor allocations three months in advance. Proper documentation is critical for all projects and will comply with the City’s requirements.
**Testing and Observations** The CM and inspection team will coordinate laboratory, jobsite, and offsite/source inspection and testing of construction materials and required observations per the QAP, LAPM, construction documents, construction codes, and Jurisdictional Agencies.

**Project Closeout** Ardurra will expedite close-out of the project according to the plans and specifications, receipt of close out submittals from the Contractor, and preparation of the required forms per Chapter 17 of the LAPM including the federal report of expenditures, report of expenditures checklist, final inspection form, federal aid final invoice, final DBE utilization report, materials certificate, statement of materials used by contractors, other supplemental forms, and/or backup documentation.

**Pre-Final Inspection** The CM and lead inspector will perform the final job walk and prepare the punch list (deficiency list). Ardurra will coordinate and observe completion of required corrections. Should the Contractor lag on a portion of the completion of project work, Ardurra will estimate the value of the incomplete items and recommend specific retainage in accordance with the contract to preserve the City’s interest.

**Final Inspection** All corrections must be made before Ardurra recommends processing of the “Notice of Completion”. Upon completion of the punch list and final sign off by all project stakeholders, Ardurra will make a recommendation to the City regarding the Contractor’s final progress payment request and prepare final progress payment report for submission to the City.

**Delivery of As-Buils and Close-Out Documents** Ardurra will periodically review the Contractor’s as-built updates on the approved job plan set, identify missing items, and require the Contractor to keep as-built records up to date throughout the project as required by the specifications. Ardurra will review the Contractor’s submittal of “as-constructed” conditions and compare this submittal to Ardurra’s own documentation. Discrepancies will be discussed, resolved, and recorded. Completed “as-constructed” plans will be submitted to City. Ardurra’s tools and efficiency in coordination, communications, and documentation provide the City with a transparent process for the duration of the contract.

I. PROPOSAL STATEMENTS

Per the requirement of the RFP, below are Ardurra’s proposal statements identified below in your RFP response.

A. Ardurra will perform the services and adhere to the requirements described in this RFP. (No addenda were issued)
B. Subsequent to award of this RFP, Ardurra understands and acknowledges that all or part of any submittal may be released to any person or firm who may request it, as prescribed by the State of California Public Records Act.
C. Not applicable.
D. Ardurra understands and acknowledges that substitution of members of its designated team is prohibited unless approved by the City of Placentia staff which declares there is no Conflict of Interest.
E. Ardurra declares there is no Conflict of Interests.
F. Ardurra attests that it has not engaged in any acts of Collusion with other proposing firms.
G. Ardurra takes no exception to fulfilling the indemnification and insurance requirements contained in the sample contract. (Certificates of Insurance are not required as part of the proposal and will be provided upon request from the City.)
APPENDIX C

CERTIFICATION OF PROPOSAL TO THE CITY OF PLACENTIA

1. The undersigned hereby submits its proposal and, by doing so, agrees to furnish services to the City in accordance with the Request for Proposal (RFP), dated JANUARY 9, 2024, and to be bound by the terms and conditions of the RFP.

2. This firm has carefully reviewed its proposal and understands and agrees that the City is not responsible for any errors or omissions on the part of the proposer and that the proposer is responsible for them.

3. It is understood and agreed that the City reserves the right to accept or reject any or all proposals and to waive any informality or irregularity in any proposal received by the City.

4. The proposal includes all of the commentary, figures and data required by the Request for Proposal, dated JANUARY 9, 2024.

5. This firm has carefully read and fully understands all of the items contained in the RFP. This firm agrees to all of the requirements except for those disclosed by the firm in project proposal, listed on an attachment. (See "Exceptions" on page 26 of this proposal)

6. The proposal shall be valid for 90 days from JANUARY 9, 2024.

EXCEPTIONS

Ardurra has reviewed the City’s Sample Agreement included in Appendix “A” of the On-Call Construction Management and Inspection Services RFP NO. PW-24-01. The RFP included a sample contract that was for Landscape Architecture and Accessibility design. If the Contract for construction management has different clauses and sections included, Ardurra respectfully requests to review and comment on those clauses prior to execution. In addition, if there is an opportunity to make adjustments, we ask the City to consider the following modifications to items 5.1.(d), 5.2.(c), and 6.8 of the Agreement:

5.0. INSURANCE
5.1. Minimum Scope and Limits of Insurance.
  (d) Professional errors and omissions (“E&O”) liability insurance with policy limits of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence claim and aggregate. Architects’ and engineers’ coverage shall be endorsed to include contractual liability. If the policy is written as a “claims made” policy, the retro date shall be prior to the start of the contract work. Consultant shall obtain and maintain, said E&O liability insurance during the life of this Agreement and for three years after completion of the work hereunder.

5.2. Endorsements.
  (c) Other insurance: "The Consultant’s insurance coverage (except for workers compensation and professional liability) shall be primary insurance as respects the City of Placentia, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of Placentia shall be excess and not contributing with the insurance provided by this policy."

6.0. GENERAL PROVISIONS
6.8. Indemnification and Hold Harmless.
  Consultant agrees to defend, indemnify, hold free and harmless the City, its elected and appointed officials, officers, agents and employees, at Consultant’s sole expense, from and against any and all claims, demands, actions, suits or other legal proceedings damages or losses arising out of, pertaining to, or relating to the negligence, recklessness, or willful misconduct of Consultant brought against the City, its elected and appointed officials, officers, agents and employees arising out of the performance of the Consultant, its employees, and/or authorized subcontractors, of the work undertaken pursuant to this Agreement. The defense obligation provided for hereunder shall apply whenever any claim, action, complaint or suit asserts liability against the City, its elected and appointed officials, officers, agents and employees based upon the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors under this Agreement, whether or not the Consultant, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable. Notwithstanding the foregoing, the Consultant shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City’s specifications or Consultant’s Proposal, which shall be of no force and effect.

### Notes:

1. The above hourly rates include wages, fringe and general and administrative overhead and fee, as well as typical supplies, tools and equipment required to perform services. Construction management software is not included in the base rate.

2. Rate applies to the first four hours of overtime during the week and /or first eight hours of overtime on Saturdays; all overtime in excess of four hours during the week or eight hours on Saturdays is paid at the Sunday/holiday rate.

3. Prevailing Wage Rates are subject to increases pursuant to the State of California’s Department of Industrial Relations Wage Rate Determinations. Ardurra’s Billing Rates will increase in proportion to the DIR increase, plus overhead and profit. The current rates are based
on Determination SD-23-63-3-2023-2D, issued 8/22/2023. The above billing rates increase by $5/hour on July 1, 2024 to adjust for a predetermined increase.

4. A Special Shift is any shift that starts after 5:00PM and before 6:00 AM.

5. The following minimum callout applies to Inspection staff, in accordance with Industrial Welfare Commission Order #16-2001:
   - Cancellation of 8 hours scheduled inspection after inspector's arrival on site: 4-hour minimum
   - Cancellation of 4 hours scheduled inspection after inspector's arrival on site: 2-hour minimum

6. For contracts involving public works inspection services, Ardurra requires the awarding public agency to complete DIR form PWC-100 solely for Ardurra as the prime contractor specific to the awarded contract name and amount. A half-hour per week, per inspector labor compliance charge will be billed for all Prevailing Wage inspection assignments.

7. **Web-Based Contract Administration**: Selected/specifed cloud-based service billed at cost plus fifteen percent (15%).

8. **Fees for subconsultant services**: Billed at actual cost, plus fifteen percent (15%) to cover overhead and administration.

9. **Reimbursable Expenses (Other Direct Costs)**: Ordinary identifiable non-salary costs that are directly attributable to the project, such as regular commuter travel costs, standard equipment, tools and software, etc., are included in the fee estimated above. Extraordinary expenses, such as oversized and/or color reproduction costs, vehicle identification decals, site facility hard phone line and/or internet service charges, non-commuter project miles and/or other travel expenses to remote (over 50 miles one-way) fabrication yards/batch plants, overnight postage/couriers, etc., are billed at actual cost plus fifteen percent (15%) to cover overhead and administration. Travel charges to a casting/fabrication yard or batch plant will include the hourly billing rate plus travel expenses as listed in the Caltrans Travel Guide (State rates). Mileage is billed at the current IRS rate ($0.655/mile). An allowance for extraordinary charges is included as Other Direct Costs (ODC) in the fee table above. Extraordinary charges above and beyond the estimated ODC allowance will not be billed to the client unless specifically included in the contract or requested and approved by the client in writing prior to incurring the additional expense.

10. **Escalations**: This rate schedule is effective through December 31, 2024. Should the contract duration be extended beyond December 31, 2024, rates will be subject to prevailing wage increases as noted above, as well as an adjustment of five percent (5%) per calendar year or in accordance with the Consumer Price Index, whichever is greater.

11. **Exclusions to Scope and Fee**: The following items are specifically excluded:
   - Legal advice
   - Temporary field office facilities, equipment, furniture, utilities and/or services
   - Engineering support
   - Hazardous materials monitoring and/or testing
   - Acceptance and/or Independent Assurance Sampling and Testing (IAST) services
   - Specialized software other than MS Office Suite, MS Project and/or P6 Viewer
   - Other services not specifically enumerated in the scope of services
The rates, shown below, are for Ardurra’s subcontractor Ninyo & Moore (N&M) and do not include Ardurra’s markup indicated in the Ardurra rate schedule notes above.

**Notes**

For field and laboratory technicians and special inspectors, overtime rates at 1.5 times the regular rates will be charged for work performed in excess of 8 hours in one day Monday through Friday and all day on Saturday. Rates at twice the regular rates will be charged for all work in excess of 12 hours in one day, all day Sunday and on holidays.

Field technician and special inspection hours are charged at 4-hour minimum, and 8-hour minimum for hours exceeding 4 hours.

Invoices are payable upon receipt. A service charge of 1.5 percent per month may be charged on accounts not paid within 30 days.

Our rates will be adjusted in conjunction with the increase in the Prevailing Wage Determination during the life of the project, as applicable.

The terms and conditions are included in Ninyo & Moore’s Work Authorization and Agreement form.

Appendix “A” – SAMPLE CITY PROFESSIONAL SERVICES AGREEMENT
Appendix “B” – SUMMARY SHEET
Appendix “C” – CERTIFICATION OF PROPOSAL TO THE CITY OF PLACENTIA
1. INTRODUCTION

The City of Placentia ("City") seeks competitive proposals from qualified firms to provide On-call Construction Management and Inspection Services. A Professional Services Agreement will be entered into with multiple qualified firms to provide construction management services for a variety of projects on an on-call basis. On an on-call, as-needed basis, the selected firm(s) may later be asked to provide construction management and inspection proposals on a specific, project-by-project basis, based on an agreed-upon specific scope of services and fees.

The firm shall provide general Construction Management and Inspection services to support construction efforts and serve as an extension of City staff to assist in the overall delivery of projects, including preconstruction tasks, managing construction, and ensuring that the work is completed in accordance with the contract documents, and project closeout and commissioning phase. The consultant team will report directly to the City's Project Manager or their authorized representative. City staff may assist in managing construction and will oversee the work of the consultant’s Project Manager, Inspector, and Contract Administrator.

Firms must provide construction management services and contract administration in conformance with the requirements set forth in the State’s Construction Manual, State’s Local Assistance Programs and Procedures Manual, OCFCD encroachment permit/requirements, and other Agencies regulatory permits/requirements. The construction manager is expected implement contract requirements and comply with all Federal and local guidelines, as required, in order to successfully execute the project in a timely and cost-efficient manner.

Technical questions about the requested services that might require a clarification of the Request for Proposals (RFP) shall be made only in writing to the Q&A section located in PlanetBids no fewer than seven (7) calendar days prior to the date and time set for opening of proposals and responses shall be provided in writing. No verbal requests or responses will be accepted. Significant interpretations or clarifications will be addressed via addenda to this RFP. This RFP includes a description of the scope of work, proposal requirements, and instructions for submitting your proposal.

Please do not contact City departments or other City staff directly. Information provided by other than the above contact may be invalid and proposals which are submitted in accordance with such information may be declared non-responsive.
Any changes, additions, or deletions in the RFP from the date of release to date of submittal will result in an addendum or amendment. Notification of such addendum or amendment shall be posted on PlanetBids. Addenda shall become part of the agreement documents.

It is the proposer's sole responsibility to monitor PlanetBids for possible addenda to this RFP. Failure of proposer to retrieve addenda from this site shall not relieve the proposer of the requirements contained therein. Additionally, failure of proposer to return signed addenda, when required, may be cause for rejection of his/her proposal.

Proposals must conform to the requirements of this RFP to be considered for award and successfully submitted through the electronic bid management system at: https://pbsystem.planetbids.com/portal/54600/portal-home by the date and time specified on the cover page of this Request For Proposal. All proposals must be signed by an authorized representative and include the completed Summary Sheet and Certification of Proposal to the City of Placentia provided in Appendix “B” and “C” of this RFP.

The City reserves the right to waive any irregularity in any proposal or to reject any proposal that does not comply with this RFP. The City alone, using criteria determined by the City, will select the qualified firm and/or consultant. The successful consultant to whom the contract is awarded shall, within ten (10) days after being notified, enter a contract with the City for the work and shall furnish all required documents necessary to enter said contract. Failure of the successful consultant to execute the contract within said ten (10) days shall be just cause for the City to contract with the next ranked consultant.

By submitting a proposal, the proposer agrees to all of the terms of the RFP and the Agreement (Appendix A), unless exceptions to the RFP or the Agreement are stated by the proposer in its proposal. The successful proposers will be required to enter into an Agreement, which will include the requirements of this RFP as well as other contract requirements. In the delivery of these services, the term of the agreement shall be for three years with the option for two additional one-year term extensions. The City reserves the right to reject any proposal(s) exceptions or changes to the Agreement or Request for Proposal.
2. PROPOSAL SCHEDULE

The schedule is as follows:

- Advertisement Date – JANUARY 9, 2024
- Q&A Due on PlanetBids – January 23, 2024 by 5:00 p.m.
- Proposals Due on PlanetBids – JANUARY 30, 2024 by 5:00 p.m.
- Hard copy proposal Due at City Hall – February 1, 2024 by 5:00 p.m.
- Proposal Evaluations/Interviews, if necessary – February 2024
- City Council Contract Award and Selection* - March 2024

*The City expects, but does not guarantee, that the decision on selection of a firm will be made by the City Council on the date indicated above.

3. SCOPE OF WORK

The City desires to engage construction management firms that will ensure that not only are City capital projects built per plan and specifications but that will also ensure a high degree of quality craftsmanship in the final product. The City’s expectation is that selected CM/inspection teams will enforce a high attention to detail on project deliverables to ensure a high-quality finished product.

The majority of capital improvement and construction projects within the city include, but are not limited to, the following:

- Street rehabilitation
- Sewer improvements
- Signing and striping improvements
- Storm Drain improvements
- Bridge construction
- New building construction
- Irrigation and landscaping
- Site Improvements; concrete sidewalk, etc.
- Streets and park lighting
- Parks and Recreation facility improvements
- Mechanical systems
- Electrical systems
- Traffic Signal Improvements

The required services shall be performed by the consultant Project Manager, Inspector and Contract Administrator.
A. Project Manager/Resident Engineer
   • The consultant Project Manager shall represent the City in the field. The
     Project Manager shall possess a minimum of (5) years’ experience in
     construction management.
   • The Inspector and the Contracts Administrator should have relevant
     experience in construction management and certifications or references
     that affirm the said experience.

B. Bid Analysis
   • Prior to the start of the project, the Project Manager shall be responsible
     for conducting a bid analysis to determine the lowest responsible bidder.

C. Staff Report
   • Preparation of staff reports for contract award to the lowest responsive
     and responsible bidder. Coordinate with the City to determine funding
     sources, publication dates, environmental and fiscal impact, and
     schedule of award to meet the City’s deadlines.

D. General Construction Administration
   • Coordinate with the City to define roles and responsibilities during
     construction and develop a construction management plan.
   • Co-lead the pre-construction meeting and schedule and conduct regular
     construction and progress meetings to discuss such matters as
     procedures, progress, problems and scheduling. Will prepare and
     promptly distribute meeting minutes.

**A. Cover Letter**

Shall contain the following information:

- Title of this RFP
- Name and mailing address of the prime consultant (include physical location if mailing address is a PO Box)
Contact Person, Email address, telephone number, and fax number

The City will use email to notify your firm of critical developments such as interview schedules if any, notification of selection/non-selection, etc. Therefore, it is essential that you identify one or more contact persons who have frequent access to email.

The City will not be responsible for delivery failure of email due to firewalls, spam filters, or individuals’ failure to retrieve email messages. The City will not attempt to re-deliver any messages which fail due to no fault of the City.

The Cover Letter must be signed by an officer empowered by the Consultant to sign such material and thereby commit the Consultant to the obligations contained in the RFP response. Further, the signing and submission of a response shall indicate the intention of the proposer to adhere to the provisions described in this RFP and a commitment to enter into a binding contract.

1. Proposals submitted on behalf of a Partnership shall be signed in the firm name by a partner or the Attorney-In-Fact. If signed by the Attorney-In-Fact, there shall be attached to the proposal a Power-Of-Attorney evidencing authority to sign proposals, dated the same date as the proposal and executed by all partners of the firm.

2. Proposals which are submitted on behalf of a Corporation shall have the correct corporate name thereon and the actual signature of the authorized officer of the corporation written (not typed) below the corporate name. The title of the office held by the person signing for the corporation shall appear below the signature of the officer.

3. Proposals which are submitted by an Individual doing business under a firm name ("dba") shall be signed in the name of the individual doing business under the proper firm’s name and style.

B. Executive Summary

Describe your firm’s and sub-consultant’s (if any) general experience and qualifications as it pertains to projects of similar scope and size. Identify the services which would be completed by your firm’s staff and those that would be provided by sub-consultants. Identify any sub-consultants you propose to utilize to supplement your firm’s staff.

C. Project Team Organization
Clearly identify the prime consultant, all subconsultants, and their respective roles. Show the Project Manager and the key staff proposed for this project, including subconsultants' staff. It is expected that the project team proposed under this proposal will remain unchanged throughout the duration of the project. Replacement of key staff without consultation with the City will not be permitted.

Include contact information and a brief summary of the Prime firm's history and experience providing the requested services on similarly sized and scoped projects. Include a summary of the firm's experience, if any, with the City of Placentia. Provide a brief resume for each key staff member including their education background, licensing (if applicable), availability, and project experience.

**D. Relevant Project Experience and References**

List and provide a narrative summary of related project experiences. Include a minimum of three (3) similar type/size projects that your team has completed. Provide a project description, services provided, and construction costs. Discuss whether the design and construction were completed on time and within budget. Provide a minimum of three (3) references (name, title, agency, and telephone number) from previous experience. Provide no more than one contact person per project as a reference, including agency/company and phone number. Preference is given to project references that have directly worked with staff proposed for this project.

**E. Understanding & Approach**

Provide a detailed discussion of your firm's approach to the successful implementation of this agreement. Describe your firm/team's understanding duties assigned and identify the approach for key services and/or issues anticipated. Describe the Project Manager's and firm/team support and approach to ensure the effort is completed on schedule and within the established budget.

**F. Scope of Work**

Provide a scope of work complementing the City's proposed scope of work describing all tasks required to complete the work and any additional aspects to the work scope the City should and could consider. The scope of work shall provide enough detail to distinguish the varied work effort required, in keeping with the City’s desired tasks to be completed.

**G. Schedule**

Provide a typical schedule or sequence of events to accomplish all the required tasks; include review/approval times for the City and other project stakeholders.
H. Proposed Exceptions

Describe all proposed exceptions, alterations or amendments to the Scope of Services or other requirements of this RFP, including the Sample Contract (Appendix “A”). This section shall be clearly marked "Proposed Exceptions" in your submittal. If no exceptions are taken this shall be clearly stated in this section. The nature and scope of your proposed exceptions may affect the evaluation of your submittal and the City's determination of whether it is possible to successfully negotiate a contract with your firm/individual.

It is necessary to submit these elements with your RFP response. Failure to submit the required information with your response will render your proposal non-responsive.

6. REQUIRED PROPOSAL STATEMENTS

This statements identified below must be included in your RFP response:

A. A statement that the submitting firm will perform the services and adhere to the requirements described in this RFP, including any addenda (reference the addenda by date and/or number).

B. Subsequent to award of this RFP, all or part of any submittal may be released to any person or firm who may request it, as prescribed by the State of California Public Records Act.

C. Proposers shall include a statement that describes the specific portion(s) of their submittal that are considered proprietary and should not be releasable as public information. Proposers should be aware that all such requests may be subject to legal review and challenge.

D. Include a statement of assurance that you will not substitute members of your designated team without approval by the City of Placentia staff which declares there is no Conflict of Interest.

E. Include a statement which declares there is no Conflict of Interests.

F. Provide a statement attesting there has been no Collusion with other proposing firms.

G. Indicate your ability and agreement to fulfill the indemnification and insurance requirements contained in the sample contract. (Please note that actual Certificates of Insurance are not required as part of your submittal.)

7. EXCEPTIONS
8. RESOURCE ALLOCATION AND COST PROPOSAL

Selection of the consultant will be made in accordance with the provisions of Chapter 10 of the California Government Code, Sections 4526 and 4529.5, stating that selection of professional services is based on competence and qualifications without regard to fee. The fee will be opened and evaluated to ensure the fee is reasonable for the services to be delivered after selection of the consultant based on qualifications is complete. Provide in a separate sealed envelope the proposed billing rates for all expected personnel to deliver services as described in the scope of work.

All cost proposals shall be signed and dated per Section 5.0 above and shall be submitted in a separate sealed envelope.

9. SUBMITTAL INSTRUCTIONS

A. Time, Place and Format

Proposal submission due date: JANUARY 30, 2024 at 5:00 P.M: No proposals will be considered for award unless properly and successfully submitted through the electronic bid management system at: https://pbsystem.planetbids.com/portal/54600/portal-home by the date and time specified on the cover page of this Request For Proposal. All proposals must be signed by an authorized representative.

All required sections, including pricing, shall be submitted via the website. Bidder is solely responsible for “on time” submission of their electronic proposal. The bid management system will not accept late bids and no exceptions shall be made. Bidders will receive an e-bid confirmation number with a time stamp from PlanetBids, the bid management system indicating their bid was submitted successfully. The City will only receive those proposals that were transmitted successfully. DO NOT FAX OR E-MAIL.

NOTE: E-Bids/Proposals are sealed and cannot be viewed by the City or any other person or entity until the closing date and time. If you need to withdraw your bid, you may do so at any time before the bid deadline, by going back into the system and selecting “withdraw”.

Three physical copies of the final proposal shall be submitted to the City no later than two working days after the proposal deadline. The
consultant project cost proposal shall be submitted in a separate sealed envelope marked “Cost Proposal.” Proposer’s who do not include physical copies within the specified timeframe will be considered unresponsive and disqualified.

All proposals must be signed by an authorized representative and include the completed Summary Sheet and Certification of Proposal to the City of Placentia provided in Appendix “B” and “C” of this RFP.

Proposals must:

- Show page numbers for all pages in the proposal.
- Be on 8-1/2”x11” page size
  - states “On-Call Construction Management and Inspection Services”
  - identifies the proposer
- Must be addressed as follows:
  
  City of Placentia
  Attn: Chris Tanio, PE, Deputy Director/City Engineer
  401 E. Chapman Avenue
  Placentia, CA 92870

- Proposals must address the requirements of the RFP as set forth in Section 5. They should be as concise as possible and must not contain any promotional, advertising or display material.

B. Cost proposal Submittal

A detailed hourly rate schedule shall be required for this RFP. If subcontracting, the rate structure for those services shall be included. On-call contracts resulting from this RFP will be awarded to firms whose Technical Proposal meets the technical requirements of the RFP. Proposals will be ranked in accordance with the evaluation criteria stated in this RFP. Should the consultants selected for each task or project be not able to reach an agreement on the fees for design services, the City reserves the right to enter negotiations with any of the qualified consultant on the on-call list.

C. Opening of Responses

All proposals are scheduled to be opened and considered within two weeks after the deadline date shown in Section 2 using evaluation procedures set forth in Section 10. Consultant selection may be delayed or postponed at the discretion of the City.
10. EVALUATION CRITERIA

A. Selection Committee
   a. Proposals submitted will be evaluated by a Selection Committee

B. Review of Proposals
   a. The Selection Committee will use a point formula during the review process to individually score Project Proposals, as outlined in Section C below, “Project Proposal Evaluation Criteria.” The Selection Committee will then be convened to review and discuss these evaluations and combine the individual scores to arrive at an average composite Project Proposal score for each firm. Firms that do not meet “Mandatory Elements” listed in Section C1 below will be eliminated from further consideration.

   b. After the composite Project Proposal score for each firm has been established based upon the “Qualitative Evaluation” criteria listed in Section C, the Selection Committee may request oral presentations from a subset of those firms with a minimum score of 70 points. Based upon score rankings, the three (3) highest ranking firms may be interviewed. The Selection Committee may also schedule a site visit, if applicable.

   c. The Cost Proposal of firms receiving a minimum score of 70 points on the qualitative review will be opened to ensure that the Cost Proposal is reasonable. The cost proposal for these services should consist of hourly rate for all classifications assigned to this project.

C. Project Proposal Evaluation Criteria

Proposals will be evaluated using three (3) sets of criteria. Firms meeting the mandatory elements will have their proposals evaluated and scored. The following represent the principal selection criteria which will be considered during the evaluation process.

   a. Mandatory Elements
      i. The firm is independent and properly licensed to practice in California.
      ii. The firm has no conflict of interest with regard to any other work performed by the firm for the City.
      iii. The firm adheres to the instructions in this RFQ on preparing and submitting the proposal.
      iv. The firm included a Letter of Transmittal in the Project Proposal.

   b. Qualitative Evaluation (Maximum Points = 100)
      In order to be considered the proposer must achieve at least 70 points. (Points will be assigned by the Department Director or Coordinator.)
      i. Expertise and Experience (60 points)
1. The quality of the firm’s and individual personnel’s experience in providing professional design and engineering services for City Capital Improvement Projects as described in the Scope of Services. The quality of the personnel’s demonstrated expertise in producing detailed plans and related engineering services.

2. The quality of professional personnel’s education, certifications, licenses, and years of experience designing plans and providing construction support. Demonstrated commitment to high quality customer service and public relations.

3. Public agency references relative to personnel assigned to this contract; Long-term working relationships, multiple projects delivered for same agencies.

4. Firm’s statement on why it believes itself to be best qualified.

ii. Scope of Work (20 points)

1. Contract scope of work outlined in Section 3 of the RFP is addressed, and the proposal demonstrates that the proposer thoroughly understands the City’s needs and expectations, and how those will be met.

2. Inclusion of additional work scope/deliverables that complements and enhances the City’s scope of work which will ultimately deliver better services and construction projects.

iii. Allocation of Resources (20 points)

1. Conceptual plan that outlines how the firm’s resources will be leveraged to deliver Construction Management and Inspection Services that ultimately result in better projects.

2. Identify any distinguishing features, resources, skills and/or services your firm can allocate to this contract to deliver the City’s capital improvement projects.
LEGAL REQUIREMENTS

The contract awarded shall be governed in all respect by the laws of the State of California, and any litigation with respect thereto shall be brought in the courts of the State of California. The firm awarded the contract shall comply with applicable Federal, state and local laws and regulations and comply with the following terms:

- The City has the right to reject any and all proposals.
- All documents submitted in response to the RFP are public documents subject to disclosure as permitted by the California Public Records Act.
- The City is not liable for any costs incurred in responding to the RFP.
- From the issue date of this RFP until a firm is selected and the selection is announced, firms are not allowed to communicate for any reason with any City staff except through the person named herein for questions. For violation of this provision, the City shall reserve the right to reject the proposal of the offending firm.
- The selected firm will be required to enter into a Professional Services Agreement with the City of Placentia which includes the City's Standard Terms and Conditions including insurance requirements.
- Proposals submitted early may be withdrawn by the firm prior to the Proposal due date specified above. Following the Proposal due date, the Proposal constitutes a binding offer and may not be withdrawn by the firm prior to the award.
- The City of Placentia reserves the right to: (a) waive minor irregularities or variances, non-material bid informalities or defects in any proposal; (b) reject any and all proposals, in whole or in part, submitted in response to this solicitation; (c) request clarifications from all firms; (d) request resubmissions from all firms; (e) make partial, progressive or multiple awards; and (f) take any other action as permitted by law and/or the City's Procurement Ordinance.
THIS AGREEMENT is made and entered into this __ day of _____, 20__ (“Effective Date”), by and between the CITY OF PLACENTIA, a municipal corporation (“City”), and ___________, a [state] [type of corporation] (“Consultant”).

W I T N E S S E T H:

A. WHEREAS, City proposes to utilize the services of Consultant as an independent contractor to landscape architecture and accessibility design services, as more fully described herein; and

B. WHEREAS, Consultant represents that it is “design professional” as that term is defined by California Civil Code Section 2782.8 and has that degree of specialized expertise contemplated within California Government Code Section 37103, and holds all necessary licenses to practice and perform the services herein contemplated; including credentials as a Certified Access Specialist under Subchapter 2.5 of Title 21 of the California Code of Regulations; and

C. WHEREAS, City and Consultant desire to contract for the specific services described in Exhibit “A” (the “Project”) and desire to set forth their rights, duties and liabilities in connection with the services to be performed; and

D. WHEREAS, no official or employee of City has a financial interest, within the provisions of Sections 1090-1092 of the California Government Code, in the subject matter of this Agreement; and

E. WHEREAS, among other reasons, the City is hiring Consultant to perform accessibility design services at a public park within the City to comply with all applicable accessibility requirements. Accordingly, Consultant desires to perform these services and to bear all risk the City may bear resulting from accessibility designs that are not complaint.

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein, the parties hereby agree as follows:

1.0. SERVICES PROVIDED BY CONSULTANT

1.1. Scope of Services. Consultant shall provide the professional services described in the Consultant’s Proposal (“Proposal”), attached hereto as Exhibit “A” and incorporated herein by this reference, including but not limited to, preparing all design documents free from defects.

1.2. Professional Practices. All professional services to be provided by Consultant pursuant to this Agreement shall be provided by personnel experienced in their respective fields and in a manner consistent with the standards of care, diligence and skill ordinarily exercised by professional consultants in similar fields and circumstances in accordance with sound professional practices, and with credentials as a Certified Access Specialist under Subchapter 2.5 of Title 21 of the California Code of Regulations. Consultant also warrants that it is familiar with all laws that may affect its performance of this Agreement and shall advise City of any changes in any laws that may affect Consultant’s performance of this Agreement. Consultant shall keep itself informed of State and Federal laws and regulations which in any manner affect those employed by it or in any way affect the performance of its
service pursuant to this Agreement. The Consultant shall at all times observe and comply with all such laws and regulations. Officers and employees shall not be liable at law or in equity occasioned by failure of the Consultant to comply with this section. Consultant also warrants that it has ownership of all intellectual property being provided under this Agreement.

1.3. Performance to Satisfaction of City. Consultant agrees to perform all the work to the complete satisfaction of the City and within the hereinafter specified. Evaluations of the work will be done by the City Administrator or his or her designee. If the quality of work is not satisfactory, City in its discretion has the right to:

(a) Meet with Consultant to review the quality of the work and resolve the matters of concern;

(b) Require Consultant to repeat the work at no additional fee until it is satisfactory; and/or

(c) Terminate the Agreement as hereinafter set forth.

1.4. Warranty. Consultant warrants that it shall perform the services required by this Agreement in compliance with all applicable Federal and California employment laws, including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers’ compensation insurance and safety in employment; and all other Federal, State and local laws and ordinances applicable to the services required under this Agreement. Consultant shall indemnify and hold harmless City from and against all claims, demands, payments, suits, actions, proceedings, and judgments of every nature and description including attorneys' fees and costs, presented, brought, or recovered against City for, or on account of any liability under any of the above-mentioned laws, which may be incurred by reason of Consultant’s performance under this Agreement.

1.5. Non-discrimination. In performing this Agreement, Consultant shall not engage in, nor permit its agents to engage in, discrimination in employment of persons because of their race, religion, color, national origin, ancestry, age, physical handicap, medical condition, marital status, sexual gender or sexual orientation, except as permitted pursuant to Section 12940 of the Government Code. Such actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. Consultant agrees to post in conspicuous places, available to employees and applicants for employment, a notice setting forth provisions of this non-discrimination clause.

Consultant shall, in all solicitations and advertisements for employees placed by, or on behalf of Consultant shall state that all qualified applicants will receive consideration for employment without regard to age, race, color, religion, sex, marital status, national origin, or mental or physical disability. Consultant shall cause the paragraphs contained in this Section to be inserted in all subcontracts for any work covered by the Agreement, provided that the foregoing provisions shall not apply to subcontracts for standard commercial supplies or raw materials.

1.6. Non-Exclusive Agreement. Consultant acknowledges that City may enter into agreements with other consultants for services similar to the services that are subject to this Agreement or may have its own employees perform services similar to those services contemplated by this Agreement.

1.7. Delegation and Assignment. This is a personal service contract, and the duties set forth herein shall not be delegated or assigned to any person or entity without the prior written consent of City. Consultant may engage a subcontractor(s) as permitted by law and may employ other personnel to perform services contemplated by this Agreement at Consultant’s sole cost and expense. All
insurance requirements contained in this Agreement are independently applicable to any and all subcontractors that Consultant may engage during the term of this Agreement.

1.8. **Confidentiality.** Employees of Consultant in the course of their duties may have access to financial, accounting, statistical, and personnel data of private individuals and employees of City. Consultant covenants that all data, documents, discussion, or other information developed or received by Consultant or provided for performance of this Agreement are deemed confidential and shall not be disclosed by Consultant without written authorization by City. City shall grant such authorization if disclosure is required by law. All City data shall be returned to City upon the termination of this Agreement. Consultant's covenant under this Section shall survive the termination of this Agreement.

2.0. **COMPENSATION AND BILLING**

2.1. **Compensation.** Consultant shall be paid in accordance with the fee schedule set forth in Exhibit “A”. Consultant's total compensation shall not exceed _______ Dollars ($_____.00).

2.2. **Additional Services.** Consultant shall not receive compensation for any services provided outside the scope of services specified in the Consultant's Proposal or which is inconsistent with or in violation of the provisions of this Agreement unless the City or the Project Manager for this Project, prior to Consultant performing the additional services, approves such additional services in writing. It is specifically understood that oral requests and/or approvals of such additional services or additional compensation shall be barred and are unenforceable. Should the City request in writing additional services that increase the hereinabove described "SCOPE OF SERVICES", an additional fee based upon the Consultant's standard hourly rates shall be paid to the Consultant for such additional services. Such increase in additional fees shall be limited to 25% of the total contract sum or $25,000 whichever is more. The City Engineer is authorized to approve a Change Order for such additional services.

2.3. **Method of Billing.** Consultant may submit invoices to the City for approval on a progress basis, but no more often than two times a month. Said invoice shall be based on the total of all Consultant’s services which have been completed to City’s sole satisfaction. City shall pay Consultant’s invoice within forty-five (45) days from the date City receives said invoice. Each invoice shall describe in detail, the services performed, the date of performance, and the associated time for completion. Any additional services approved and performed pursuant to this Agreement shall be designated as “Additional Services” and shall identify the number of the authorized change order, where applicable, on all invoices.

2.4. **Records and Audits.** Records of Consultant’s services relating to this Agreement shall be maintained in accordance with generally recognized accounting principles and shall be made available to City or its Project Manager for inspection and/or audit at mutually convenient times for a period of three (3) years from the Effective Date.

3.0. **TIME OF PERFORMANCE**

3.1. **Commencement and Completion of Work.** The professional services to be performed pursuant to this Agreement shall commence within five (5) days from the Effective Date of this Agreement. Said services shall be performed in strict compliance with the Project Schedule approved by City as set forth in Exhibit “A”.

3.2. **Excusable Delays.** Neither party shall be responsible for delays or lack of performance resulting from acts beyond the reasonable control of the party or parties. Such acts shall include, but not be limited to, acts of God, fire, strikes, material shortages, compliance with laws or regulations, riots, acts of war, or any other conditions beyond the reasonable control of a party. If a delay beyond the control of the Consultant is encountered, a time extension may be mutually agreed upon in writing by the City and the Consultant. The Consultant shall present documentation satisfactory to the City to substantiate any request for a time extension.
4.0. TERM AND TERMINATION

4.1. Term. This Agreement shall commence on the Effective Date and continue for a period of ______ months, ending on __________, 20__, unless previously terminated as provided herein or as otherwise agreed to in writing by the parties.

4.2. Notice of Termination. The City reserves and has the right and privilege of canceling, suspending or abandoning the execution of all or any part of the work contemplated by this Agreement, with or without cause, at any time, by providing at least fifteen (15) days prior written notice to Consultant. The termination of this Agreement shall be deemed effective upon receipt of the notice of termination. In the event of such termination, Consultant shall immediately stop rendering services under this Agreement unless directed otherwise by the City. If the City suspends, terminates or abandons a portion of this Agreement such suspension, termination or abandonment shall not make void or invalidate the remainder of this Agreement.

If the Consultant defaults in the performance of any of the terms or conditions of this Agreement, it shall have ten (10) days after service upon it of written notice of such default in which to cure the default by rendering a satisfactory performance. In the event that the Consultant fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

The City shall have the right, notwithstanding any other provisions of this Agreement, to terminate this Agreement, at its option and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement, immediately upon service of written notice of termination on the Consultant, if the latter should:

a. Be adjudged a bankrupt;
b. Become insolvent or have a receiver of its assets or property appointed because of insolvency;
c. Make a general assignment for the benefit of creditors;
d. Default in the performance of any obligation or payment of any indebtedness under this Agreement;
e. Suffer any judgment against it to remain unsatisfied or unbonded of record for thirty (30) days or longer; or
f. Institute or suffer to be instituted any procedures for reorganization or rearrangement of its affairs.

4.3. Compensation. In the event of termination, City shall pay Consultant for reasonable costs incurred and professional services satisfactorily performed up to and including the date of City’s written notice of termination within thirty-five (35) days after service of the notice of termination. Compensation for work in progress shall be prorated based on the percentage of work completed as of the effective date of termination in accordance with the fees set forth herein. In ascertaining the professional services actually rendered hereunder up to the effective date of termination of this Agreement, consideration shall be given to both completed work and work in progress, to complete and incomplete drawings, and to other documents pertaining to the services contemplated herein whether delivered to the City or in the possession of the Consultant. City shall not be liable for any claim of lost profits.

4.4. Documents. In the event of termination of this Agreement, all documents prepared by Consultant in its performance of this Agreement including, but not limited to, finished or unfinished
design, development and construction documents, data studies, drawings, maps and reports, shall be delivered to the City within ten (10) days of delivery of termination notice to Consultant, at no cost to City. Any use of uncompleted documents without specific written authorization from Consultant shall be at City's sole risk and without liability or legal expense to Consultant.

5.0. INSURANCE

5.1. Minimum Scope and Limits of Insurance. Consultant shall obtain, maintain, and keep in full force and effect during the life of this Agreement all the following minimum scope of insurance coverages with an insurance company admitted to do business in California, rated “A,” Class X, or better in the most recent Best’s Key Insurance Rating Guide, and approved by City:

(a) Broad-form commercial general liability, in a form at least as broad as ISO from #CG 00 01 04 13, including premises-operations, products/completed operations, broad form property damage, blanket contractual liability, independent contractors, personal injury or bodily injury with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or shall be twice the required occurrence limit. If Consultant maintains higher limits that the specified minimum limits, City requires and shall be entitled to coverage for the high limits maintained by the Consultant.

(b) Business automobile liability for owned vehicles, hired, and non-owned vehicles, with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, each incident for bodily injury and property damage.

(c) Workers' compensation insurance as required by the State of California and Employers Liability Insurance with a minimum limit of $1,000,000 per accident for any employee or employees of Consultant. Consultant agrees to waive, and to obtain endorsements from its workers’ compensation insurer waiving subrogation rights under its workers’ compensation insurance policy against the City, its officers, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its subcontractors, if any, to do likewise under their workers’ compensation insurance policies.

Before execution of this Agreement by the City, the Consultant shall file with the Public Works Director/City Engineer the following signed certification:

I am aware of, and will comply with, Section 3700 of the Labor Code, requiring every employer to be insured against liability of Workers’ Compensation or to undertake self-insurance before commencing any of the work.

The Consultant shall also comply with Section 3800 of the Labor Code by securing, paying for and maintaining in full force and effect for the duration of this Agreement, complete Workers’ Compensation Insurance, and shall furnish a Certificate of Insurance to the Public Works Director/City Engineer before execution of this Agreement by the City. The City, its officers and employees shall not be responsible for any claims in law or equity occasioned by failure of the consultant to comply with this section.

(d) Professional errors and omissions (“E&O”) liability insurance with policy limits of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence and aggregate. Architects’ and engineers’ coverage shall be endorsed to include contractual liability. If the policy is written as a “claims made” policy, the retro date shall be prior to the start of the contract work. Consultant
shall obtain and maintain, said E&O liability insurance during the life of this Agreement and for three years after completion of the work hereunder.

Neither the CITY nor any of its elected or appointed officials, officers, agents, employees, or volunteers makes any representation that the types of insurance and the limits specified to be carried by Consultant under this Agreement are adequate to protect Consultant. If Consultant believes that any such insurance coverage is insufficient, Consultant shall provide, at its own expense, such additional insurance as Consultant deems adequate.

5.2. **Endorsements.** The commercial general liability insurance policy and business automobile liability policy shall contain or be endorsed to contain the following provisions as worded below.

(a) Additional insureds: "The City of Placentia and its elected and appointed boards, officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of the Consultant pursuant to its contract with the City; products and completed operations of the Consultant; premises owned, occupied or used by the Consultant; automobiles owned, leased, hired, or borrowed by the Consultant."

(b) Notice: "Consultant shall provide immediate written notice if (1) any of the required insurance policies is terminated; (2) the limits of any of the required policies are reduced; (3) or the deductible or self-insured retention is increased. In the event of any cancellation or reduction in coverage or limits of any insurance, Consultant shall forthwith obtain and submit proof of substitute insurance. Should Consultant fail to immediately procure other insurance, as specified, to substitute for any canceled policy, the City may procure such insurance at Consultant’s sole cost and expense."

(c) Other insurance: "The Consultant’s insurance coverage shall be primary insurance as respects the City of Placentia, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of Placentia shall be excess and not contributing with the insurance provided by this policy."

(d) Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of Placentia, its officers, officials, agents, employees, and volunteers.

(e) The Consultant’s insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer’s liability.

5.3. **Deductible or Self-Insured Retention.** If any of such policies provide for a deductible or self-insured retention to provide such coverage, the amount of such deductible or self-insured retention shall be approved in advance by City. No policy of insurance issued as to which the City is an additional insured shall contain a provision which requires that no insured except the named insured can satisfy any such deductible or self-insured retention.

5.4. **Certificates of Insurance.** Consultant shall provide to City certificates of insurance showing the insurance coverages and required endorsements described above, in a form and content approved by City, prior to performing any services under this Agreement. The certificates of insurance and endorsements shall be attached hereto as Exhibit “B” and incorporated herein by this reference.

5.5. **Non-limiting.** Nothing in this Section shall be construed as limiting in any way, the indemnification provision contained in this Agreement, or the extent to which Consultant may be held
responsible for payments of damages to persons or property.

6.0. GENERAL PROVISIONS

6.1. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to any matter referenced herein and supersedes any and all other prior writings and oral negotiations. This Agreement may be modified only in writing and signed by the parties in interest at the time of such modification. The terms of this Agreement shall prevail over any inconsistent provision in any other contract document appurtenant hereto, including exhibits to this Agreement.

6.2. Representatives. The City Administrator or his or her designee shall be the representative of City for purposes of this Agreement and may issue all consents, approvals, directives and agreements on behalf of the City, called for by this Agreement, except as otherwise expressly provided in this Agreement.

Consultant shall designate a representative for purposes of this Agreement who shall be authorized to issue all consents, approvals, directives and agreements on behalf of Consultant called for by this Agreement, except as otherwise expressly provided in this Agreement.

6.3. Project Managers. City shall designate a Project Manager to work directly with Consultant in the performance of this Agreement. It shall be the Consultant’s responsibility to assure that the Project Manager is kept informed of the progress of the performance of the services and the Consultant shall refer any decision, which must be made by City, to the Project Manager. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Project Manager.

Consultant shall designate a Project Manager who shall represent it and be its agent in all consultations with City during the term of this Agreement and who shall not be changed by Consultant without the express written approval by the City. Consultant or its Project Manager shall attend and assist in all coordination meetings called by City.

6.4. Notices. Any notices, documents, correspondence or other communications concerning this Agreement, or the work hereunder may be provided by personal delivery, facsimile or if mailed, shall be addressed as set forth below and placed in a sealed envelope, postage prepaid, and deposited in the United States Postal Service. Such communication shall be deemed served or delivered: a) at the time of delivery if such communication is sent by personal delivery; b) at the time of transmission if such communication is sent by facsimile; and c) 72 hours after deposit in the U.S. Mail as reflected by the official U.S. postmark if such communication is sent through regular United States mail.

6.5. Attorneys’ Fees. In the event that litigation is brought by any party in connection with this Agreement, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys’ fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any of the terms, conditions, or provisions hereof.

6.6. Governing Law. This Agreement shall be governed by and construed under the laws of
the State of California without giving effect to that body of laws pertaining to conflict of laws. In the event of any legal action to enforce or interpret this Agreement, the parties hereto agree that the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California. Consultant agrees to submit to the personal jurisdiction of such court in the event of such action.

6.7. Assignment. Consultant shall not voluntarily or by operation of law assign, transfer, sublet or encumber all or any part of Consultant's interest in this Agreement without City's prior written consent. Any attempted assignment, transfer, subletting or encumbrance shall be void and shall constitute a breach of this Agreement and cause for termination of this Agreement. Regardless of City's consent, no subletting or assignment shall release Consultant of Consultant's obligation to perform all other obligations to be performed by Consultant hereunder for the term of this Agreement.

6.8. Indemnification and Hold Harmless. Consultant agrees to defend, indemnify, hold free and harmless the City, its elected and appointed officials, officers, agents and employees, at Consultant’s sole expense, from and against any and all claims, demands, actions, suits or other legal proceedings arising out of, pertaining to, or relating to the negligence, recklessness, or willful misconduct of Consultant brought against the City, its elected and appointed officials, officers, agents and employees arising out of the performance of the Consultant, its employees, and/or authorized subcontractors, of the work undertaken pursuant to this Agreement. The defense obligation provided for hereunder shall apply without any advance showing of negligence, recklessness, or willful misconduct by the Consultant, its employees, and/or authorized subcontractors, but shall be required whenever any claim, action, complaint, or suit asserts as its basis the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors, and/or whenever any claim, action, complaint or suit asserts liability against the City, its elected and appointed officials, officers, agents and employees based upon the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors under this Agreement, whether or not the Consultant, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable. Notwithstanding the foregoing, the Consultant shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City’s specifications or Consultant’s Proposal, which shall be of no force and effect.

6.9. Independent Contractor. Consultant is and shall be acting at all times as an independent contractor and not as an employee of City. Consultant shall have no power to incur any debt, obligation, or liability on behalf of City or otherwise act on behalf of City as an agent. Neither City nor any of its agents shall have control over the conduct of Consultant or any of Consultant’s employees, except as set forth in this Agreement. Consultant shall not, at any time, or in any manner, represent that it or any of its or employees are in any manner agents or employees of City. Consultant shall secure, at its sole expense, and be responsible for any and all payment of Income Tax, Social Security, State Disability Insurance Compensation, Unemployment Compensation, and other payroll deductions for Consultant and its officers, agents, and employees, and all business licenses, if any are required, in connection with the services to be performed hereunder. Consultant shall indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant further agrees to indemnify and hold City harmless from any failure of Consultant to comply with the applicable worker’s compensation laws. City shall have the right to offset against the amount of any fees due to Consultant under this Agreement any amount due to City from Consultant as a result of Consultant’s failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

6.10. PERS Eligibility Indemnification. In the event that Consultant or any employee, agent, or subcontractor of Consultant providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Consultant shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits
on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Notwithstanding any other agency, state or federal policy, rule, regulation, law or ordinance to the contrary, Consultant and any of its employees, agents, and subcontractors providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

6.11. Cooperation. In the event any claim or action is brought against City relating to Consultant’s performance or services rendered under this Agreement, Consultant shall render any reasonable assistance and cooperation which City might require.

6.12. Ownership of Documents. All findings, reports, documents, information and data including, but not limited to, computer tapes or discs, preliminary notes, working documents, files and tapes furnished or prepared by Consultant or any of its subcontractors in the course of performance of this Agreement, shall be and remain the sole property of City. Consultant agrees that any such documents or information shall not be made available to any individual or organization without the prior consent of City but shall be made available to the City within ten (10) days of request or within ten (10) days of termination. Any use of such documents for other projects not contemplated by this Agreement, and any use of incomplete documents, shall be at the sole risk of City and without liability or legal exposure to Consultant. City shall indemnify and hold harmless Consultant from all claims, damages, losses, and expenses, including attorneys’ fees, arising out of or resulting from City’s use of such documents for other projects not contemplated by this Agreement or use of incomplete documents furnished by Consultant. Consultant shall deliver to City any findings, reports, documents, information, data, preliminary notes and working documents, in any form, including but not limited to, computer tapes, discs, files audio tapes or any other Project related items as requested by City or its authorized representative, at no additional cost to the City. Consultant or Consultant’s agents shall execute such documents as may be necessary from time to time to confirm City’s ownership of the copyright in such documents.

6.13. Public Records Act Disclosure. Consultant has been advised and is aware that this Agreement and all reports, documents, information and data including, but not limited to, computer tapes, discs or files furnished or prepared by Consultant, or any of its subcontractors, pursuant to this Agreement and provided to City may be subject to public disclosure as required by the California Public Records Act (California Government Code Section 6250 et seq.). Exceptions to public disclosure may be those documents or information that qualify as trade secrets, as that term is defined in the California Government Code Section 6254.7, and of which Consultant informs City of such trade secret. The City will endeavor to maintain as confidential all information obtained by it that is designated as a trade secret. The City shall not, in any way, be liable or responsible for the disclosure of any trade secret including, without limitation, those records so marked if disclosure is deemed to be required by law or by order of the Court.

6.14. Conflict of Interest. Consultant and its officers, employees, associates and subconsultants, if any, will comply with all conflict of interest statutes of the State of California applicable to Consultant’s services under this agreement, including, but not limited to, the Political Reform Act (Government Code Sections 81000, et seq.) and Government Code Section 1090. During the term of this Agreement, Consultant and its officers, employees, associates and subconsultants shall not, without the prior written approval of the City Representative, perform work for another person or entity for whom Consultant is not currently performing work that would require Consultant or one of its officers, employees, associates or subconsultants to abstain from a decision under this Agreement pursuant to a conflict of interest statute.

6.15. Responsibility for Errors. Consultant shall be responsible for its work and results under this Agreement. Consultant, when requested, shall furnish clarification and/or explanation as may be
required by the City’s representative, regarding any services rendered under this Agreement at no additional cost to City. In the event that an error or omission attributable to Consultant occurs, then Consultant shall, at no cost to City, provide all necessary design drawings, estimates and other Consultant professional services necessary to rectify and correct the matter to the sole satisfaction of City and to participate in any meeting required with regard to the correction.

6.16. **Prohibited Employment.** Consultant will not employ any regular employee of City while this Agreement is in effect.

6.17. **Order of Precedence.** In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and those of any such provision or provisions so incorporated by reference, the conflict shall be resolved by giving precedence in the following order, if applicable: This Agreement, the City’s Request for Proposals, the Consultant’s Proposal.

6.18. **Costs.** Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.

6.19. **No Third Party Beneficiary Rights.** This Agreement is entered into for the sole benefit of City and Consultant and no other parties are intended to be direct or incidental beneficiaries of this Agreement and no third party shall have any right in, under or to this Agreement.

6.20. **Headings.** Paragraphs and subparagraph headings contained in this Agreement are included solely for convenience and are not intended to modify, explain or to be a full or accurate description of the content thereof and shall not in any way affect the meaning or interpretation of this Agreement.

6.21. **Construction.** The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. There shall be no presumption or burden of proof favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

6.22. **Amendments.** Only a writing executed by the parties hereto or their respective successors and assigns may amend this Agreement.

6.23. **Waiver.** The delay or failure of either party at any time to require performance or compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of those rights to require such performance or compliance. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom enforcement of a waiver is sought. The waiver of any right or remedy in respect to any occurrence or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a continuing waiver.

6.24. **Severability.** If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial benefit of the bargain for any party, is materially impaired, which determination made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.

6.25. **Counterparts.** This Agreement may be executed in one or more counterparts, each of
which shall be deemed an original. All counterparts shall be construed together and shall constitute one agreement.

6.26. **Corporate Authority.** The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by doing so the parties hereto are formally bound to the provisions of this Agreement.

**IN WITNESS WHEREOF,** the parties hereto have caused this Agreement to be executed by and through their respective authorized officers, as of the date first above written.

I. PHYSICAL DAMAGE – TRANSPORTATION EXPENSES – INCREASED LIMIT
J. PERSONAL PROPERTY
K. AIRBAGS
L. NOTICE AND KNOWLEDGE OF ACCIDENT OR LOSS
M. BLANKET WAIVER OF SUBROGATION
N. UNINTENTIONAL ERRORS OR OMISSIONS

PROVISIONS

A. BROAD FORM NAMED INSURED

The following is added to Paragraph A.1., Who Is An Insured, of SECTION II – COVERED AUTOS LIABILITY COVERAGE:

Any organization you newly acquire or form during the policy period over which you maintain 50% or more ownership interest and that is not separately insured for Business Auto Coverage. Coverage under this provision is afforded only until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier.

B. BLANKET ADDITIONAL INSURED

The following is added to Paragraph c. in A.1., Who Is An Insured, of SECTION II – COVERED AUTOS LIABILITY COVERAGE:

Any person or organization who is required under a written contract or agreement between you and that person or organization, that is signed and executed by you before the "bodily injury" or "property damage" occurs that is in effect during the policy period, to be named as an additional insured is an "insured" for Covered Autos Liability Coverage, but only for damages to which this insurance applies and only to the extent that person or organization qualifies as an "insured" under the Who Is An Insured provision contained in Section II.

C. EMPLOYEE HIRED AUTO

1. The following is added to Paragraph A.1., Who Is An Insured, of SECTION II – COVERED AUTOS LIABILITY COVERAGE:

An "employee" of yours is an "insured" while operating an "auto" hired or rented under a contract or agreement in an "employee's" name, with your permission, while performing duties related to the conduct of your business.

2. The following replaces Paragraph b. in B.5., Other Insurance, of SECTION IV – BUSINESS AUTO CONDITIONS:

b. For Hired Auto Physical Damage Coverage, the following are deemed to be covered "autos" you own:
(1) Any covered "auto" you lease, hire, rent or borrow; and

(2) Any covered "auto" hired or rented by your "employee" under a contract in an "employee's" name, with your permission, while performing duties related to the conduct of your business.

However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

D. EMPLOYEES AS INSURED

The following is added to Paragraph A.1., Who Is An Insured, of SECTION II – COVERED AUTOS LIABILITY COVERAGE:

Any "employee" of yours is an "insured" while using a covered "auto" you don't own, hire or borrow in your business or your personal affairs.

E. SUPPLEMENTARY PAYMENTS – INCREASED LIMITS

1. The following replaces Paragraph A.2.a.(2), of SECTION II – COVERED AUTOS LIABILITY COVERAGE:

   (2) Up to $3,000 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.

2. The following replaces Paragraph A.2.a.(4), of SECTION II – COVERED AUTOS LIABILITY COVERAGE:

   (4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to $500 a day because of time off from work.

F. HIRED AUTO – LIMITED WORLDWIDE COVERAGE – INDEMNITY BASIS

The following replaces Subparagraph (5) in Paragraph B.7., Policy Period, Coverage Territory, of SECTION IV – BUSINESS AUTO CONDITIONS:

(5) Anywhere in the world, except any country or jurisdiction while any trade sanction, embargo, or similar regulation imposed by the United States of America applies to and prohibits the transaction of business with or within such country or jurisdiction, for Covered Autos Liability Coverage for any covered "auto" that you lease, hire, rent or borrow without a driver for a period of 30 days or less and that is not an "auto" you lease, hire, rent or borrow from any of your "employees", partners (if you are a partnership), members (if you are a limited liability company) or members of their households.

(a) With respect to any claim made or "suit" brought outside the United States of America, the territories and possessions of the United States of America, Puerto Rico and Canada:

   (i) You must arrange to defend the "insured" against, and investigate or settle any such claim or "suit" and keep us advised of all proceedings and actions.

   (ii) Neither you nor any other involved "insured" will make any settlement without our consent.

   (iii) We may, at our discretion, participate in defending the "insured" against, or in the settlement of, any claim or "suit".

   (iv) We will reimburse the "insured" for sums that the "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, that the "insured" pays with our consent, but only up to the limit described in Paragraph C., Limits Of Insurance, of SECTION II – COVERED AUTOS LIABILITY COVERAGE.

   (v) We will reimburse the "insured" for the reasonable expenses incurred with our consent for your investigation of such claims and your defense of the "insured" against any such "suit", but only up to and included within the limit described in Paragraph C., Limits Of Insurance, of SECTION II – COVERED AUTOS LIABILITY COVERAGE, and not in addition to such limit. Our duty to make such payments ends when we have used up the applicable limit of insurance in payments for damages, settlements or defense expenses.

(b) This insurance is excess over any valid and collectible other insurance available to the "insured" whether primary, excess contingent or on any other basis.
(c) This insurance is not a substitute for required or compulsory insurance in any country outside the United States, its territories and possessions, Puerto Rico and Canada.

You agree to maintain all required or compulsory insurance in any such country up to the minimum limits required by local law. Your failure to comply with compulsory insurance requirements will not invalidate the coverage afforded by this policy, but we will only be liable to the same extent we would have been liable had you complied with the compulsory insurance requirements.

(d) It is understood that we are not an admitted or authorized insurer outside the United States of America, its territories and possessions, Puerto Rico and Canada. We assume no responsibility for the furnishing of certificates of insurance, or for compliance in any way with the laws of other countries relating to insurance.

G. WAIVER OF DEDUCTIBLE – GLASS

The following is added to Paragraph D., Deductible, of SECTION III – PHYSICAL DAMAGE COVERAGE:

No deductible applies under Specified Causes of Loss or Comprehensive coverage for "loss" to glass used in the windshield.

H. HIRED AUTO PHYSICAL DAMAGE – LOSS OF USE – INCREASED LIMIT

The following replaces the last sentence of Paragraph A.4.b., Loss Of Use Expenses, of SECTION III – PHYSICAL DAMAGE COVERAGE:

However, the most we will pay for any expenses for loss of use is $65 per day, to a maximum of $750 for any one "accident".

I. PHYSICAL DAMAGE – TRANSPORTATION EXPENSES – INCREASED LIMIT

The following replaces the first sentence in Paragraph A.4.a., Transportation Expenses, of SECTION III – PHYSICAL DAMAGE COVERAGE:

We will pay up to $50 per day to a maximum of $1,500 for temporary transportation expense incurred by you because of the total theft of a covered "auto" of the private passenger type.

J. PERSONAL PROPERTY

The following is added to Paragraph A.4., Coverage Extensions, of SECTION III – PHYSICAL DAMAGE COVERAGE:

Personal Property

We will pay up to $400 for "loss" to wearing apparel and other personal property which is:

(1) Owned by an "insured"; and
(2) In or on your covered "auto".

This coverage applies only in the event of a total theft of your covered "auto".

No deductibles apply to this Personal Property coverage.

K. AIRBAGS

The following is added to Paragraph B.3., Exclusions, of SECTION III – PHYSICAL DAMAGE COVERAGE:

Exclusion 3.a. does not apply to "loss" to one or more airbags in a covered "auto" you own that inflate due to a cause other than a cause of "loss" set forth in Paragraphs A.1.b. and A.1.c., but only:

a. If that "auto" is a covered "auto" for Comprehensive Coverage under this policy;

b. The airbags are not covered under any warranty; and

c. The airbags were not intentionally inflated.

We will pay up to a maximum of $1,000 for any one "loss".

L. NOTICE AND KNOWLEDGE OF ACCIDENT OR LOSS

The following is added to Paragraph A.2.a., of SECTION IV – BUSINESS AUTO CONDITIONS:

Your duty to give us or our authorized representative prompt notice of the "accident" or "loss" applies only when the "accident" or "loss" is known to:

(a) You (if you are an individual);

(b) A partner (if you are a partnership);

(c) A member (if you are a limited liability company);

(d) An executive officer, director or insurance manager (if you are a corporation or other organization); or

(e) Any "employee" authorized by you to give notice of the "accident" or "loss".
M. BLANKET WAIVER OF SUBROGATION

The following replaces Paragraph A.5., Transfer Of Rights Of Recovery Against Others To Us, of SECTION IV – BUSINESS AUTO CONDITIONS:

5. Transfer Of Rights Of Recovery Against Others To Us

We waive any right of recovery we may have against any person or organization to the extent required of you by a written contract signed and executed prior to any "accident" or "loss", provided that the "accident" or "loss" arises out of operations contemplated by such contract. The waiver applies only to the person or organization designated in such contract.

N. UNINTENTIONAL ERRORS OR OMISSIONS

The following is added to Paragraph B.2., Concealment, Misrepresentation, Or Fraud, of SECTION IV – BUSINESS AUTO CONDITIONS:

The unintentional omission of, or unintentional error in, any information given by you shall not prejudice your rights under this insurance. However this provision does not affect our right to collect additional premium or exercise our right of cancellation or non-renewal.
THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

BLANKET ADDITIONAL INSURED – PRIMARY AND NON-CONTRIBUTORY WITH OTHER INSURANCE

This endorsement modifies insurance provided under the following:
BUSINESS AUTO COVERAGE FORM

PROVISIONS

1. The following is added to Paragraph A.1.c., Who Is An Insured, of SECTION II – COVERED AUTOS LIABILITY COVERAGE:
This includes any person or organization who you are required under a written contract or agreement between you and that person or organization, that is signed by you before the "bodily injury" or "property damage" occurs and that is in effect during the policy period, to name as an additional insured for Covered Autos Liability Coverage, but only for damages to which this insurance applies and only to the extent of that person's or organization's liability for the conduct of another "insured".

2. The following is added to Paragraph B.5., Other Insurance of SECTION IV – BUSINESS AUTO CONDITIONS:
Regardless of the provisions of paragraph a. and paragraph d. of this part 5. Other Insurance, this insurance is primary to and non-contributory with applicable other insurance under which an additional insured person or organization is the first named insured when the written contract or agreement between you and that person or organization, that is signed by you before the "bodily injury" or "property damage" occurs and that is in effect during the policy period, requires this insurance to be primary and non-contributory.

BLANKET ADDITIONAL INSURED – AUTOMATIC STATUS IF REQUIRED BY WRITTEN CONTRACT (CONTRACTORS)

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

The following is added to SECTION II – WHO IS AN INSURED:

Any person or organization that:

a. You agree in a written contract or agreement to include as an additional insured on this Coverage Part; and

b. Has not been added as an additional insured for the same project by attachment of an endorsement under this Coverage Part which includes such person or organization in the endorsement’s schedule;

is an insured, but:

a. Only with respect to liability for "bodily injury" or "property damage" that occurs, or for "personal injury" caused by an offense that is committed, subsequent to the signing of that contract or agreement and while that part of the contract or agreement is in effect; and

b. Only as described in Paragraph (1), (2) or (3) below, whichever applies:

(1) If the written contract or agreement specifically requires you to provide additional insured coverage to that person or organization by the use of:

(a) The Additional Insured – Owners, Lessees or Contractors – (Form B) endorsement CG 20 10 11 85; or

(b) Either or both of the following: the Additional Insured – Owners, Lessees or Contractors – Scheduled Person Or Organization endorsement CG 20 10 10 01, or the Additional Insured – Owners, Lessees or Contractors – Completed Operations endorsement CG 20 37 10 01;

the person or organization is an additional insured only if the injury or damage arises out of "your work" to which the written contract or agreement applies;

(2) If the written contract or agreement specifically requires you to provide additional insured coverage to that person or organization by the use of:

(a) The Additional Insured – Owners, Lessees or Contractors – Scheduled Person Or Organization endorsement CG 20 10 07 04 or CG 20 10 04 13, the Additional Insured – Owners, Lessees or Contractors – Completed Operations endorsement CG 20 37 07 04 or CG 20 37 04 13, or both of such endorsements with either of those edition dates; or

(b) Either or both of the following: the Additional Insured – Owners, Lessees or Contractors – Scheduled Person Or Organization endorsement CG 20 10, or the Additional Insured – Owners, Lessees or Contractors – Completed Operations endorsement CG 20 37, without an edition date of such endorsement specified;

the person or organization is an additional insured only if the injury or damage is caused, in whole or in part, by acts or omissions of you or your subcontractor in the performance of "your work" to which the written contract or agreement applies; or

(3) If neither Paragraph (1) nor (2) above applies:

(a) The person or organization is an additional insured only if, and to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the written contract or agreement applies; and

(b) Such person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.

The insurance provided to such additional insured is subject to the following provisions:

a. If the Limits of Insurance of this Coverage Part shown in the Declarations exceed the minimum limits required by the written contract or agreement, the insurance provided to the additional insured will be limited to such minimum required limits. For the purposes of determining whether
COMMERCIAL GENERAL LIABILITY

this limitation applies, the minimum limits required by the written contract or agreement will be considered to include the minimum limits of any Umbrella or Excess liability coverage required for the additional insured by that written contract or agreement. This provision will not increase the limits of insurance described in Section III – Limits Of Insurance.

b. The insurance provided to such additional insured does not apply to:

(1) Any "bodily injury", "property damage" or "personal injury" arising out of the providing, or failure to provide, any professional architectural, engineering or surveying services, including:

(a) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders or change orders, or the preparing, approving, or failing to prepare or approve, drawings and specifications; and

(b) Supervisory, inspection, architectural or engineering activities.

(2) Any "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the written contract or agreement specifically requires you to provide such coverage for that additional insured during the policy period.

c. The additional insured must comply with the following duties:

(1) Give us written notice as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, such notice should include:

(a) How, when and where the "occurrence" or offense took place;

(b) The names and addresses of any injured persons and witnesses; and

(c) The nature and location of any injury or damage arising out of the "occurrence" or offense.

(2) If a claim is made or "suit" is brought against the additional insured:

(a) Immediately record the specifics of the claim or "suit" and the date received; and

(b) Notify us as soon as practicable and see to it that we receive written notice of the claim or "suit" as soon as practicable.

(3) Immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.

(4) Tender the defense and indemnity of any claim or "suit" to any provider of other insurance which would cover such additional insured for a loss we cover. However, this condition does not affect whether the insurance provided to such additional insured is primary to other insurance available to such additional insured which covers that person or organization as a named insured as described in Paragraph 4., Other Insurance, of Section IV – Commercial General Liability Conditions.
COMMERCIAL GENERAL LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance.

The word "insured" means any person or organization qualifying as such under Section II – Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section V – Definitions.

SECTION I – COVERAGES

COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

   a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

   (1) The amount we will pay for damages is limited as described in Section III – Limits Of Insurance; and

   (2) Our right and duty to defend and when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B or medical expenses under Coverage C.

   No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments.

   b. This insurance applies to "bodily injury" and "property damage" only if:

   (1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";

   (2) The "bodily injury" or "property damage" occurs during the policy period; and

   (3) Prior to the policy period, no insured listed under Paragraph 1. of Section II – Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

   c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph 1. of Section II – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

   d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph 1. of Section II – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

   (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;

   (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage";

   (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.
COMMERCIAL GENERAL LIABILITY

e. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".

2. Exclusions
This insurance does not apply to:

a. Expected Or Intended Injury
"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" or "property damage" resulting from the use of reasonable force to protect persons or property.

b. Contractual Liability
"Bodily injury" or "property damage" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

(1) That the insured would have in the absence of the contract or agreement; or

(2) Assumed in a contract or agreement that is an "insured contract", provided that the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorneys' fees and necessary litigation expenses incurred by or for a party other than an insured will be deemed to be damages because of "bodily injury" or "property damage", provided that:

(a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and

(b) Such attorneys' fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

c. Liquor Liability
"Bodily injury" or "property damage" for which any insured may be held liable by reason of:

(1) Causing or contributing to the intoxication of any person;

(2) The furnishing of alcoholic beverages to a person under the legal drinking age or under the influence of alcohol; or

(3) Any statute, ordinance or regulation relating to the sale, gift, distribution or use of alcoholic beverages.

This exclusion applies only if you are in the business of manufacturing, distributing, selling, serving or furnishing alcoholic beverages. For the purposes of this exclusion, permitting a person to bring alcoholic beverages on your premises, for consumption on your premises, whether or not a fee is charged or a license is required for such activity, is not by itself considered the business of selling, serving or furnishing alcoholic beverages.

d. Workers' Compensation And Similar Laws
Any obligation of the insured under a workers' compensation, disability benefits or unemployment compensation law or any similar law.

e. Employer's Liability
"Bodily injury" to:

(1) An "employee" of the insured arising out of and in the course of:

(a) Employment by the insured; or

(b) Performing duties related to the conduct of the insured's business; or

(2) The spouse, child, parent, brother or sister of that "employee" as a consequence of Paragraph (1) above.

This exclusion applies whether the insured may be liable as an employer or in any other capacity and to any obligation to share damages with or repay someone else who must pay damages because of the injury.

This exclusion does not apply to liability assumed by the insured under an "insured contract".

f. Pollution
(1) "Bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants":

(a) At or from any premises, site or location which is or was at any time owned or occupied by, or rented or loaned to, any insured. However, this subparagraph does not apply to:

(i) "Bodily injury" if sustained within a building and caused by smoke, fumes, vapor or soot produced by or originating from equipment that
is used to heat, cool or dehumidify
the building, or produced by or
originating from equipment that is
used to heat water for personal
use by the building’s occupants or
their guests;

(ii) "Bodily injury" or "property
damage" for which you may be
held liable, if you are a contractor
and the owner or lessee of such
premises, site or location has been
added to your policy as an
additional insured with respect to
your ongoing operations performed
for that additional insured at that
premises, site or location and such
premises, site or location is not
and never was owned or occupied
by, or rented or loaned to, any
insured, other than that additional
insured;
or

(iii) "Bodily injury" or "property
damage" arising out of heat,
smoke or fumes from a "hostile
fire";

(b) At or from any premises, site
or location which is or was at any
time used by or for any insured or others for
the handling, storage, disposal,
processing or treatment of waste;

(c) If such "pollutants" are or were at any
time transported, handled, stored,
treated, disposed of, or processed as
waste by or for:

(i) Any insured; or

(ii) Any person or organization for
whom you may be legally
responsible;

(d) At or from any premises, site
or location on which any insured or any
contractors or subcontractors working
directly or indirectly on any insured’s
behalf are performing operations if the
"pollutants" are brought on or to the
premises, site or location in connection
with such operations by such insured,
contractor or subcontractor. However,
this subparagraph does not apply to:

(i) "Bodily injury" or "property
damage" arising out of the escape
of fuels, lubricants or other
operating fluids which are needed
to perform the normal electrical,
hydraulic or mechanical functions
necessary for the operation of
"mobile equipment" or its parts, if
such fuels, lubricants or other
operating fluids escape from a
vehicle part designed to hold, store
or receive them. This exception
does not apply if the "bodily injury"
or "property damage" arises out of
the intentional discharge, dispersal
or release of the fuels, lubricants
or other operating fluids, or if such
fuels, lubricants or other operating
fluids are brought on or to the
premises, site or location with the
intent that they be discharged,
dispersed or released as part of
the operations being performed by
such insured, contractor or
subcontractor;

(ii) "Bodily injury" or "property
damage" sustained within a
building and caused by the release
of gases, fumes or vapors from
materials brought into that building
in connection with operations being
performed by you or on your behalf
by a contractor or subcontractor;

(iii) "Bodily injury" or "property
damage" arising out of heat,
smoke or fumes from a "hostile
fire"; or

(e) At or from any premises, site
or location on which any insured or any
contractors or subcontractors working
directly or indirectly on any insured’s
behalf are or were at any time
performing operations to test for,
monitor, clean up, remove, contain,
treat, detoxify or neutralize, or in any
way respond to, or assess the effects
of, "pollutants".

(2) Any loss, cost or expense arising out of
any:

(a) Request, demand, order or statutory or
regulatory requirement that any insured
or others test for, monitor, clean up,
remove, contain, treat, detoxify or
neutralize, or in any way respond to, or
assess the effects of, "pollutants"; or
COMMERCIAL GENERAL LIABILITY

(b) Claim or suit by or on behalf of any governmental authority or any other person or organization because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

g. Aircraft, Auto Or Watercraft

"Bodily injury" or "property damage" arising out of the ownership, maintenance, use or entrustment to others of any aircraft, "auto" or watercraft owned or operated by or rented or loaned to any insured. Use includes operation and "loading or unloading".

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage" involved the ownership, maintenance, use or entrustment to others of any aircraft, "auto" or watercraft that is owned or operated by or rented or loaned to any insured.

This exclusion does not apply to:

(1) A watercraft while ashore on premises you own or rent;
(2) A watercraft you do not own that is:
   (a) 50 feet long or less; and
   (b) Not being used to carry any person or property for a charge;
(3) Parking an "auto" on, or on the ways next to, premises you own or rent, provided the "auto" is not owned by or rented or loaned to you or the insured;
(4) Liability assumed under any "insured contract" for the ownership, maintenance or use of aircraft or watercraft;
(5) "Bodily injury" or "property damage" arising out of:
   (a) The operation of machinery or equipment that is attached to, or part of, a land vehicle that would qualify as "mobile equipment" under the definition of "mobile equipment" if such land vehicle were not subject to a compulsory or financial responsibility law, or other motor vehicle insurance law, where it is licensed or principally garaged; or

(b) The operation of any of the machinery or equipment listed in Paragraph f.(2) or f.(3) of the definition of "mobile equipment";

(6) An aircraft that is:
   (a) Chartered with a pilot to any insured;
   (b) Not owned by any insured; and
   (c) Not being used to carry any person or property for a charge.

h. Mobile Equipment

"Bodily injury" or "property damage" arising out of:

(1) The transportation of "mobile equipment" by an "auto" owned or operated by or rented or loaned to any insured; or
(2) The use of "mobile equipment" in, or while in practice for, or while being prepared for, any prearranged racing, speed, demolition, or stuntning activity.

i. War

"Bodily injury" or "property damage" arising out of:

(1) War, including undeclared or civil war;
(2) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or
(3) Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.

j. Damage To Property

"Property damage" to:

(1) Property you own, rent, or occupy, including any costs or expenses incurred by you, or any other person, organization or entity, for repair, replacement, enhancement, restoration or maintenance of such property for any reason, including prevention of injury to a person or damage to another's property;
(2) Premises you sell, give away or abandon, if the "property damage" arises out of any part of those premises;
(3) Property loaned to you;
(4) Personal property in the care, custody or control of the insured;
(5) That particular part of real property on which you or any contractors or subcontractors working directly or indirectly on your behalf are performing operations, if the "property damage" arises out of those operations; or 

(6) That particular part of any property that must be restored, repaired or replaced because "your work" was incorrectly performed on it.

Paragraphs (1), (3) and (4) of this exclusion do not apply to "premises damage". A separate limit of insurance applies to "premises damage" as described in Paragraph 6. of Section III – Limits Of Insurance.

Paragraph (2) of this exclusion does not apply if the premises are "your work" and were never occupied, rented or held for rental by you.

Paragraphs (3), (4), (5) and (6) of this exclusion do not apply to "property damage" included in the "products-completed operations hazard".

k. Damage To Your Product

"Property damage" to "your product" arising out of it or any part of it.

l. Damage To Your Work

"Property damage" to "your work" arising out of it or any part of it and included in the "products-completed operations hazard".

This exclusion does not apply if the damaged work or the work out of which the damage arises was performed on your behalf by a subcontractor.

m. Damage To Impaired Property Or Property Not Physically Injured

"Property damage" to "impaired property" or property that has not been physically injured, arising out of:

(1) A defect, deficiency, inadequacy or dangerous condition in "your product" or "your work"; or

(2) A delay or failure by you or anyone acting on your behalf to perform a contract or agreement in accordance with its terms.

This exclusion does not apply to the loss of use of other property arising out of sudden and accidental physical injury to "your product" or "your work" after it has been put to its intended use.

n. Recall Of Products, Work Or Impaired Property

Damages claimed for any loss, cost or expense incurred by you or others for the loss of use, withdrawal, recall, inspection, repair, replacement, adjustment, removal or disposal of:

(1) "Your product";

(2) "Your work";

(3) "Impaired property";

if such product, work, or property is withdrawn or recalled from the market or from use by any person or organization because of a known or suspected defect, deficiency, inadequacy or dangerous condition in it.

o. Personal And Advertising Injury

"Bodily injury" arising out of "personal and advertising injury".

p. Electronic Data

Damages arising out of the loss of, loss of use of, damage to, corruption of, inability to access, or inability to manipulate "electronic data".

However, this exclusion does not apply to liability for damages because of "bodily injury".

q. Unsolicited Communication

"Bodily injury" or "property damage" arising out of any actual or alleged violation of any law that restricts or prohibits the sending, transmitting or distributing of "unsolicited communication".

r. Access Or Disclosure Of Confidential Or Personal Information

"Bodily injury" or "property damage" arising out of any access to or disclosure of any person's or organization's confidential or personal information.

s. Asbestos

(1) "Bodily injury" or "property damage" arising out of the actual or alleged presence or actual, alleged or threatened dispersal of asbestos, asbestos fibers or products containing asbestos, provided that the "bodily injury" or "property damage" is caused or contributed to by the hazardous properties of asbestos.
COMMERCIAL GENERAL LIABILITY

(2) "Bodily injury" or "property damage" arising out of the actual or alleged presence or actual, alleged or threatened dispersal of any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapors, soot, fumes, acids, alkalis, chemicals and waste, and that are part of any claim or "suit" which also alleges any "bodily injury" or "property damage" described in Paragraph (1) above.

(3) Any loss, cost or expense arising out of any:
   (a) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, asbestos, asbestos fibers or products containing asbestos; or
   (b) Claim or suit by or on behalf of any governmental authority or any other person or organization because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, asbestos, asbestos fibers or products containing asbestos.

   t. Employment-Related Practices

   "Bodily injury" to:
   (1) A person arising out of any:
      (a) Refusal to employ that person;
      (b) Termination of that person's employment or
      (c) Employment-related practice, policy, act or omission, such as coercion, demotion, evaluation, reassignment, discipline, failure to promote or advance, harassment, humiliation, discrimination, libel, slander, violation of the person's right of privacy, malicious prosecution or false arrest, detention or imprisonment applied to or directed at that person, regardless of whether such practice, policy, act or omission occurs, is applied or is committed before, during or after the time of that person's employment; or
   (2) The spouse, child, parent, brother or sister of that person as a consequence of "bodily injury" to that person at whom any of the employment-related practices described in Paragraph (a), (b), or (c) above is directed.

   This exclusion applies whether the insured may be liable as an employer or in any other capacity and to any obligation to share damages with or repay someone else who must pay damages because of the "bodily injury".

   Exclusions c. through n. do not apply to "premises damage". A separate limit of insurance applies to "premises damage" as described in Paragraph 6. of Section III – Limits Of Insurance.

COVERAGE B – PERSONAL AND ADVERTISING INJURY LIABILITY

1. Insuring Agreement

   a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "personal and advertising injury" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "personal and advertising injury" to which this insurance does not apply. We may, at our discretion, investigate any offense and settle any claim or "suit" that may result. But:
   (1) The amount we will pay for damages is limited as described in Section III – Limits Of Insurance; and
   (2) Our right and duty to defend end when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B or medical expenses under Coverage C.

   No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments.

   b. This insurance applies to "personal and advertising injury" caused by an offense arising out of your business but only if the offense was committed in the "coverage territory" during the policy period.

2. Exclusions

   This insurance does not apply to:

   a. Knowing Violation Of Rights Of Another

   "Personal and advertising injury" caused by or at the direction of the insured with the knowledge that the act would violate the rights of another and would inflict "personal and advertising injury".
This exclusion does not apply to "personal injury" caused by malicious prosecution.

b. Material Published With Knowledge Of Falsity

"Personal and advertising injury" arising out of oral or written publication, including publication by electronic means, of material, if done by or at the direction of the insured with knowledge of its falsity.

c. Material Published Or Used Prior To Policy Period

(1) "Personal and advertising injury" arising out of oral or written publication, including publication by electronic means, of material whose first publication took place before the beginning of the policy period; or

(2) "Advertising injury" arising out of infringement of copyright, "title" or "slogan" in your "advertisement" whose first infringement in your "advertisement" was committed before the beginning of the policy period.

d. Criminal Acts

"Personal and advertising injury" arising out of a criminal act committed by or at the direction of the insured.

e. Contractual Liability

"Personal and advertising injury" for which the insured has assumed liability in a contract or agreement. This exclusion does not apply to liability for damages:

(1) That the insured would have in the absence of the contract or agreement; or

(2) Because of "personal injury" assumed by you in a contract or agreement that is an "insured contract", provided that the "personal injury" is caused by an offense committed subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed by you in an "insured contract", reasonable attorneys' fees and necessary litigation expenses incurred by or for a party other than an insured will be deemed to be damages because of "personal injury", provided that:

(a) Liability to such party for, or for the cost of, that party's defense has also been assumed by you in the same "insured contract"; and

(b) Such attorneys' fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

f. Breach Of Contract

"Advertising injury" arising out of a breach of contract.

g. Quality Or Performance Of Goods – Failure To Conform To Statements

"Advertising injury" arising out of the failure of goods, products or services to conform with any statement of quality or performance made in your "advertisement".

h. Wrong Description Of Prices

"Advertising injury" arising out of the wrong description of the price of goods, products or services stated in your "advertisement".

i. Intellectual Property

"Personal and advertising injury" arising out of any actual or alleged infringement or violation of any of the following rights or laws, or any other "personal and advertising injury" alleged in any claim or "suit" that also alleges any such infringement or violation:

(1) Copyright;

(2) Patent;

(3) Trade dress;

(4) Trade name;

(5) Trademark;

(6) Trade secret; or

(7) Other intellectual property rights or laws.

This exclusion does not apply to:

(1) "Advertising injury" arising out of any actual or alleged infringement or violation of another's copyright, "title" or "slogan" in your "advertisement"; or

(2) Any other "personal and advertising injury" alleged in any claim or "suit" that also alleges any such infringement or violation of another's copyright, "title" or "slogan" in your "advertisement".

j. Insureds In Media And Internet Type Businesses

"Personal and advertising injury" caused by an offense committed by an insured whose business is:

(1) Advertising, "broadcasting" or publishing;
COMMERCIAL GENERAL LIABILITY

(2) Designing or determining content of websites for others; or

(3) An Internet search, access, content or service provider.

However, this exclusion does not apply to Paragraphs a.(1), (2) and (3) of the definition of "personal injury".

For the purposes of this exclusion:

(1) Creating and producing correspondence written in the conduct of your business, bulletins, financial or annual reports, or newsletters about your goods, products or services will not be considered the business of publishing; and

(2) The placing of frames, borders or links, or advertising, for you or others anywhere on the Internet will not, by itself, be considered the business of advertising, "broadcasting" or publishing.

k. Electronic Chatrooms Or Bulletin Boards

"Personal and advertising injury" arising out of an electronic chatroom or bulletin board the insured hosts or owns, or over which the insured exercises control.

l. Unauthorized Use Of Another's Name Or Product

"Personal and advertising injury" arising out of the unauthorized use of another's name or product in your e-mail address, domain name or metatag, or any other similar tactics to mislead another’s potential customers.

m. Pollution

"Personal and advertising injury" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants" at any time.

n. Pollution-Related

Any loss, cost or expense arising out of any:

(1) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants"; or

(2) Claim or suit by or on behalf of any governmental authority or any other person or organization because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

o. War

"Personal and advertising injury" arising out of:

(1) War, including undeclared or civil war;

(2) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or

(3) Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.

p. Unsolicited Communication

"Personal and advertising injury" arising out of any actual or alleged violation of any law that restricts or prohibits the sending, transmitting or distributing of "unsolicited communication".

q. Access Or Disclosure Of Confidential Or Personal Information

"Personal and advertising injury" arising out of any access to or disclosure of any person's or organization’s confidential or personal information.

r. Asbestos

(1) "Personal and advertising injury" arising out of the actual or alleged presence or actual, alleged or threatened dispersal of asbestos, asbestos fibers or products containing asbestos, provided that the "personal and advertising injury" is caused or contributed to by the hazardous properties of asbestos.

(2) "Personal and advertising injury" arising out of the actual or alleged presence or actual, alleged or threatened dispersal of any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapors, soot, fumes, acids, alkalis, chemicals and waste, and that are part of any claim or "suit" which also alleges any "personal and advertising injury" described in Paragraph (1) above.

(3) Any loss, cost or expense arising out of any:

(a) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or
assess the effects of, asbestos, asbestos fibers or products containing asbestos; or

(b) Claim or suit by or on behalf of any governmental authority or any other person or organization because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, asbestos, asbestos fibers or products containing asbestos.

s. Employment-Related Practices

"Personal injury" to:

(1) A person arising out of any:

(a) Refusal to employ that person;

(b) Termination of that person's employment; or

(c) Employment-related practice, policy, act or omission, such as coercion, demotion, evaluation, reassignment, discipline, failure to promote or advance, harassment, humiliation, discrimination, libel, slander, violation of the person's right of privacy, malicious prosecution or false arrest, detention or imprisonment applied to or directed at that person, regardless of whether such practice, policy, act or omission occurs, is applied or is committed before, during or after the time of that person's employment; or

(2) The spouse, child, parent, brother or sister of that person as a consequence of "personal injury" to that person at whom any of the employment-related practices described in Paragraph (a), (b), or (c) above is directed.

This exclusion applies whether the insured may be liable as an employer or in any other capacity and to any obligation to share damages with or repay someone else who must pay damages because of the "personal injury".

COVERAGE C – MEDICAL PAYMENTS

1. Insuring Agreement

   a. We will pay medical expenses as described below for "bodily injury" caused by an accident:

   (1) On premises you own or rent;

   (2) On ways next to premises you own or rent;

   or

   (3) Because of your operations;

   provided that:

   (a) The accident takes place in the "coverage territory" and during the policy period;

   (b) The expenses are incurred and reported to us within one year of the date of the accident; and

   (c) The injured person submits to examination, at our expense, by physicians of our choice as often as we reasonably require.

b. We will make these payments regardless of fault. These payments will not exceed the applicable limit of insurance. We will pay reasonable expenses for:

   (1) First aid administered at the time of an accident;

   (2) Necessary medical, surgical, X-ray and dental services, including prosthetic devices; and

   (3) Necessary ambulance, hospital, professional nursing and funeral services.

2. Exclusions

We will not pay expenses for "bodily injury":

a. Any Insured

   To any insured, except "volunteer workers".

b. Hired Person

   To a person hired to do work for or on behalf of any insured or a tenant of any insured.

c. Injury On Normally Occupied Premises

   To a person injured on that part of premises you own or rent that the person normally occupies.

d. Workers' Compensation And Similar Laws

   To a person, whether or not an "employee" of any insured, if benefits for the "bodily injury" are payable or must be provided under a workers' compensation or disability benefits law or a similar law.

e. Athletics Activities

   To a person injured while practicing, instructing or participating in any physical exercises or games, sports, or athletic contests.

f. Products-Completed Operations Hazard

   Excluded under Coverage A.

g. Coverage A Exclusions

   Excluded under Coverage A.
COMMERCIAL GENERAL LIABILITY

SUPPLEMENTARY PAYMENTS
1. We will pay, with respect to any claim we investigate or settle, or any "suit" against an insured we defend:
   a. All expenses we incur.
   b. Up to $2,500 for the cost of bail bonds required because of accidents or traffic law violations arising out of the use of any vehicle to which the Bodily Injury Liability Coverage applies. We do not have to furnish these bonds.
   c. The cost of bonds to release attachments, but only for bond amounts within the applicable limit of insurance. We do not have to furnish these bonds.
   d. All reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of the claim or "suit", including actual loss of earnings up to $500 a day because of time off from work.
   e. All court costs taxed against the insured in the "suit". However, these payments do not include attorneys' fees or attorneys' expenses taxed against the insured.
   f. Prejudgment interest awarded against the insured on that part of the judgment we pay. If we make an offer to pay the applicable limit of insurance, we will not pay any prejudgment interest based on that period of time after the offer.

2. If we defend an insured against a "suit" and an indemnitee of the insured is also named as a party to the "suit", we will defend that indemnitee if all of the following conditions are met:
   a. The "suit" against the indemnitee seeks damages for which the insured has assumed the liability of the indemnitee in a contract or agreement that is an "insured contract";
   b. This insurance applies to such liability assumed by the insured;
   c. The obligation to defend, or the cost of the defense of, that indemnitee, has also been assumed by the insured in the same "insured contract";
   d. The allegations in the "suit" and the information we know about the "occurrence" or offense are such that no conflict appears to exist between the interests of the insured and the interests of the indemnitee;
   e. The indemnitee and the insured ask us to conduct and control the defense of that indemnitee against such "suit" and agree that we can assign the same counsel to defend the insured and the indemnitee; and
   f. The indemnitee:
      (1) Agrees in writing to:
         (a) Cooperate with us in the investigation, settlement or defense of the "suit";
         (b) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the "suit";
         (c) Notify any other insurer whose coverage is available to the indemnitee; and
         (d) Cooperate with us with respect to coordinating other applicable insurance available to the indemnitee; and
      (2) Provides us with written authorization to:
         (a) Obtain records and other information related to the "suit"; and
         (b) Conduct and control the defense of the indemnitee in such "suit".

So long as the above conditions are met, attorneys' fees incurred by us in the defense of that indemnitee, necessary litigation expenses incurred by us and necessary litigation expenses incurred by the indemnitee at our request will be paid as Supplementary Payments. Notwithstanding the provisions of Paragraph 2.b.(2) of Section I – Coverages – Coverage A – Bodily Injury And Property Damage Liability or Paragraph 2.e. of Section I – Coverages – Coverage B – Personal And Advertising Injury Liability, such payments will not be deemed to be damages for "bodily injury", "property damage" or "personal injury", and will not reduce the limits of insurance.

Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when:
COMMERCIAL GENERAL LIABILITY

a. We have used up the applicable limit of insurance in the payment of judgments, settlements or medical expenses; or

b. The conditions set forth above, or the terms of the agreement described in Paragraph f. above, are no longer met.

SECTION II – WHO IS AN INSURED

1. If you are designated in the Declarations as:

a. An individual, you and your spouse are insureds, but only with respect to the conduct of a business of which you are the sole owner.

b. A partnership or joint venture, you are an insured. Your members, your partners, and their spouses are also insureds, but only with respect to the conduct of your business.

c. A limited liability company, you are an insured. Your members are also insureds, but only with respect to the conduct of your business. Your managers are insureds, but only with respect to their duties as your managers.

d. An organization other than a partnership, joint venture or limited liability company, you are an insured. Your "executive officers" and directors are insureds, but only with respect to their duties as your officers or directors. Your stockholders are also insureds, but only with respect to their liability as stockholders.

e. A trust, you are an insured. Your trustees are also insureds, but only with respect to their duties as trustees.

2. Each of the following is also an insured:

a. Your "volunteer workers" only while performing duties related to the conduct of your business, or your "employees", other than either your "executive officers" (if you are an organization other than a partnership, joint venture or limited liability company) or your managers (if you are a limited liability company), but only for acts within the scope of their employment by you or while performing duties related to the conduct of your business. However, none of these "employees" or "volunteer workers" are insureds for:

(1) "Bodily injury" or "personal injury":

(a) To you, your partners or members (if you are a partnership or joint venture), to your members (if you are a limited liability company), to a co-"employee" while in the course of his or her employment or performing duties related to the conduct of your business, or to your other "volunteer workers" while performing duties related to the conduct of your business;

(b) To the spouse, child, parent, brother or sister of that co-"employee" or "volunteer worker" as a consequence of Paragraph (1)(a) above;

(c) For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraph (1)(a) or (b) above; or

(d) Arising out of his or her providing or failing to provide professional health care services.

Unless you are in the business or occupation of providing professional health care services, Paragraphs (1)(a), (b), (c) and (d) above do not apply to "bodily injury" arising out of providing or failing to provide first aid or "Good Samaritan services" by any of your "employees" or "volunteer workers", other than an employed or volunteer doctor. Any such "employees" or "volunteer workers" providing or failing to provide first aid or "Good Samaritan services" during their work hours for you will be deemed to be acting within the scope of their employment by you or performing duties related to the conduct of your business.

(2) "Property damage" to property:

(a) Owned, occupied or used by;

(b) Rented to, in the care, custody or control of, or over which physical control is being exercised for any purpose by,

you, any of your "employees", "volunteer workers", any partner or member (if you are a partnership or joint venture), or any member (if you are a limited liability company).

b. Any person (other than your "employee" or "volunteer worker"), or any organization, while acting as your real estate manager.

c. Any person or organization having proper temporary custody of your property if you die, but only:

(1) With respect to liability arising out of the maintenance or use of that property; and

(2) Until your legal representative has been appointed.
COMMERCIAL GENERAL LIABILITY

d. Your legal representative if you die, but only
with respect to duties as such. That
representative will have all your rights and
duties under this Coverage Part.
e. Any person or organization that, with your
express or implied consent, either uses or is
responsible for the use of a watercraft that you
do not own that is:
(1) 50 feet long or less; and
(2) Not being used to carry any person or
property for a charge.

3. Any organization you newly acquire or form, other
than a partnership, joint venture or limited liability
company, and of which you are the sole owner or in
which you maintain an ownership interest of more
than 50%, will qualify as a Named Insured if there is
no other similar insurance available to that
organization. However:
a. Coverage under this provision is afforded only
until the 180th day after you acquire or form the
organization or the end of the policy period,
whichever is earlier;
b. Coverage A does not apply to "bodily injury" or
"property damage" that occurred before you
acquired or formed the organization; and
c. Coverage B does not apply to "personal and
advertising injury" arising out of an offense
committed before you acquired or formed the
organization.

For the purposes of Paragraph 1, of Section II –
Who Is An Insured, each such organization will be
deemed to be designated in the Declarations as:

a. An organization, other than a partnership, joint
venture or limited liability company, or
b. A trust;
as indicated in its name or the documents that
govern its structure.

4. Any person or organization that is a premises
owner, manager or lessor and that you have agreed
in a written contract or agreement to include as an
additional insured on this Coverage Part is an insured,
but only with respect to liability for "bodily
injury", "property damage" or "personal and
advertising injury" that:

a. Is "bodily injury" or "property damage" that
occurs, or is "personal and advertising injury"
caused by an offense that is committed,
subsequent to the signing of that contract or
agreement; and
b. Arises out of the ownership, maintenance or
use of that part of any premises leased to you.
The insurance provided to such premises owner,
manager or lessor is subject to the following
provisions:
a. The limits of insurance provided to such
premises owner, manager or lessor will be the
minimum limits that you agreed to provide in the
written contract or agreement, or the limits
shown in the Declarations, whichever are less.
b. The insurance provided to such premises
owner, manager or lessor does not apply to:
(1) Any "bodily injury" or "property damage"
that occurs, or "personal and advertising
injury" caused by an offense that is
committed, after you cease to be a tenant in
that premises; or
(2) Structural alterations, new construction or
demolition operations performed by or on
behalf of such premises owner, manager or
lessee.

5. Any person or organization that is an equipment
lessor and that you have agreed in a written contract
or agreement to include as an additional insured on
this Coverage Part is an insured, but only with
respect to liability for "bodily injury", "property
damage", or "personal and advertising injury" that:

a. Is "bodily injury" or "property damage" that
occurs, or is "personal and advertising injury"
caused by an offense that is committed,
subsequent to the signing of that contract or
agreement; and
b. Is caused, in whole or in part, by your acts or
omissions in the maintenance, operation or use
of equipment leased to you by such equipment
lessor.
The insurance provided to such equipment lessor is
subject to the following provisions:
a. The limits of insurance provided to such
equipment lessor will be the minimum limits that
you agreed to provide in the written contract or
agreement, or the limits shown in the
Declarations, whichever are less.
b. The insurance provided to such equipment
lessor does not apply to any "bodily injury" or
"property damage" that occurs, or "personal
and advertising injury" caused by an offense
that is committed, after the equipment lease
expires.

No person or organization is an insured with respect to
the conduct of any current or past partnership, joint
venture or limited liability company that is not shown as a Named Insured in the Declarations. This paragraph does not apply to any such partnership, joint venture or limited liability company that otherwise qualifies as an insured under Section II – Who Is An Insured.

SECTION III – LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:
   a. Insureds;
   b. Claims made or "suits" brought; or
   c. Persons or organizations making claims or bringing "suits".

2. The General Aggregate Limit is the most we will pay for the sum of:
   a. Medical expenses under Coverage C;
   b. Damages under Coverage A, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard"; and
   c. Damages under Coverage B.

3. The Products-Completed Operations Aggregate Limit is the most we will pay under Coverage A for damages because of "bodily injury" and "property damage" included in the "products-completed operations hazard".

4. Subject to Paragraph 2. above, the Personal And Advertising Injury Limit is the most we will pay under Coverage B for the sum of all damages because of all "personal injury" and "advertising injury" sustained by any one person or organization.

5. Subject to Paragraph 2. or 3. above, whichever applies, the Each Occurrence Limit is the most we will pay for the sum of:
   a. Damages under Coverage A; and
   b. Medical expenses under Coverage C;
   because of all "bodily injury" and "property damage" arising out of any one "occurrence".

For the purposes of determining the applicable Each Occurrence Limit, all related acts or omissions committed in providing or failing to provide first aid or "Good Samaritan services" to any one person will be deemed to be one "occurrence".

6. Subject to Paragraph 5. above, the Damage To Premises Rented To You Limit is the most we will pay under Coverage A for damages because of "premises damage" to any one premises. The Damage To Premises Rented To You Limit will be:

a. The amount shown for the Damage To Premises Rented To You Limit in the Declarations of this Coverage Part; or
b. $300,000 if no amount is shown for the Damage To Premises Rented To You Limit in the Declarations of this Coverage Part.

7. Subject to Paragraph 5. above, the Medical Expense Limit is the most we will pay under Coverage C for all medical expenses because of "bodily injury" sustained by any one person.

The Limits of Insurance of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS

1. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. Duties In The Event Of Occurrence, Offense, Claim Or Suit

a. You must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, notice should include:

(1) How, when and where the "occurrence" or offense took place;

(2) The names and addresses of any injured persons and witnesses; and

(3) The nature and location of any injury or damage arising out of the "occurrence" or offense.

b. If a claim is made or "suit" is brought against any insured, you must:

(1) Immediately record the specifics of the claim or "suit" and the date received; and

(2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or "suit" as soon as practicable.

c. You and any other involved insured must:

(1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";
COMMERCIAL GENERAL LIABILITY

(2) Authorize us to obtain records and other information;

(3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and

(4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.

d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

e. The following provisions apply to Paragraph a. above, but only for purposes of the insurance provided under this Coverage Part to you or any insured listed in Paragraph 1. or 2. of Section II – Who Is An Insured:

(1) Notice to us of such "occurrence" or offense must be given as soon as practicable only after the "occurrence" or offense is known to you (if you are an individual), any of your partners or members who is an individual (if you are a partnership or joint venture), any of your managers who is an individual (if you are a limited liability company), any of your "executive officers" or directors (if you are an organization other than a partnership, joint venture, or limited liability company), any of your trustees who is an individual (if you are a trust) or any "employee" authorized by you to give notice of an "occurrence" or offense.

(2) If you are a partnership, joint venture, limited liability company or trust, and none of your partners, joint venture members, managers or trustees are individuals, notice to us of such "occurrence" or offense must be given as soon as practicable only after the "occurrence" or offense is known by:

(a) Any individual who is:

(i) A partner or member of any partnership or joint venture;

(ii) A manager of any limited liability company;

(iii) An executive officer or director of any other organization; or

(iv) A trustee of any trust;

that is your partner, joint venture member, manager or trustee; or

(b) Any employee authorized by such partnership, joint venture, limited liability company, trust or other organization to give notice of an "occurrence" or offense.

(3) Notice to us of such "occurrence" or offense will be deemed to be given as soon as practicable if it is given in good faith as soon as practicable to your workers' compensation insurer. This applies only if you subsequently give notice to us of the "occurrence" or offense as soon as practicable after any of the persons described in Paragraph e.(1) or (2) above discovers that the "occurrence" or offense may result in sums to which the insurance provided under this Coverage Part may apply.

However, if this policy includes an endorsement that provides limited coverage for "bodily injury" or "property damage" or pollution costs arising out of a discharge, release or escape of "pollutants" which contains a requirement that the discharge, release or escape of "pollutants" must be reported to us within a specific number of days after its abrupt commencement, this Paragraph e. does not affect that requirement.

3. Legal Action Against Us

No person or organization has a right under this Coverage Part:

a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or

b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured, and the claimant or the claimant's legal representative.
4. Other Insurance
   
   If valid and collectible other insurance is available to the insured for a loss we cover under Coverages A or B of this Coverage Part, our obligations are limited as described in Paragraphs a. and b. below.

   As used anywhere in this Coverage Part, other insurance means insurance, or the funding of losses, that is provided by, through or on behalf of:

   (i) Another insurance company;
   (ii) Us or any of our affiliated insurance companies, except when the Non cumulation of Each Occurrence Limit provision of Paragraph 5. of Section III – Limits Of Insurance or the Non cumulation of Personal and Advertising Injury Limit provision of Paragraph 4. of Section III – Limits of Insurance applies because the Amendment – Non Cumulation Of Each Occurrence Limit Of Liability And Non Cumulation Of Personal And Advertising Injury Limit endorsement is included in this policy;
   (iii) Any risk retention group; or
   (iv) Any self-insurance method or program, in which case the insured will be deemed to be the provider of other insurance.

   Other insurance does not include umbrella insurance, or excess insurance, that was bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

   As used anywhere in this Coverage Part, other insurer means a provider of other insurance. As used in Paragraph c. below, insurer means a provider of insurance.

   a. Primary Insurance

   This insurance is primary except when Paragraph b. below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph c. below, except when Paragraph d. below applies.

   b. Excess Insurance

   (1) This insurance is excess over:

   (a) Any of the other insurance, whether primary, excess, contingent or on any other basis:

      (i) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

      (ii) That is insurance for "premises damage";

      (iii) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to any exclusion in this Coverage Part that applies to aircraft, "autos" or watercraft;

      (iv) That is insurance available to a premises owner, manager or lessor that qualifies as an insured under Paragraph 4. of Section II – Who Is An Insured, except when Paragraph d. below applies; or

   (v) That is insurance available to an equipment lessor that qualifies as an insured under Paragraph 5. of Section II – Who Is An Insured, except when Paragraph d. below applies.

   (b) Any of the other insurance, whether primary, excess, contingent or on any other basis, that is available to the insured when the insured is an additional insured, or is any other insurance that does not qualify as a named insured, under such other insurance.

   (2) When this insurance is excess, we will have no duty under Coverages A or B to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

   (3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

   (a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

   (b) The total of all deductible and self-insured amounts under all that other insurance.

   (4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.
COMMERCIAL GENERAL LIABILITY

c. Method Of Sharing
If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

d. Primary And Non-Contributory Insurance If Required By Written Contract
If you specifically agree in a written contract or agreement that the insurance afforded to an insured under this Coverage Part must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is available to such insured which covers such insured as a named insured, and we will not share with that other insurance, provided that:

(1) The "bodily injury" or "property damage" for which coverage is sought occurs; and

(2) The "personal and advertising injury" for which coverage is sought is caused by an offense that is committed;

subsequent to the signing of that contract or agreement by you.

5. Premium Audit
   a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
   b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
   c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations
   By accepting this policy, you agree:
   a. The statements in the Declarations are accurate and complete;
   b. Those statements are based upon representations you made to us; and
   c. We have issued this policy in reliance upon your representations.

The unintentional omission of, or unintentional error in, any information provided by you which we relied upon in issuing this policy will not prejudice your rights under this insurance. However, this provision does not affect our right to collect additional premium or to exercise our rights of cancellation or nonrenewal in accordance with applicable insurance laws or regulations.

7. Separation Of Insureds
Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

a. As if each Named Insured were the only Named Insured; and
b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us
If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew
If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

SECTION V – DEFINITIONS
1. "Advertisement" means a notice that is broadcast or published to the general public or specific market segments about your goods, products or services for the purpose of attracting customers or supporters. For the purposes of this definition:
   a. Notices that are published include material placed on the Internet or on similar electronic means of communication; and
   b. Regarding websites, only that part of a website that is about your goods, products or services for the purposes of attracting customers or supporters is considered an advertisement.
2. "Advertising injury":
   a. Means injury caused by one or more of the following offenses:
      (1) Oral or written publication, including publication by electronic means, of material in your "advertisement" that slanders or libels a person or organization or disparages a person's or organization's goods, products or services, provided that the claim is made or the "suit" is brought by a person or organization that claims to have been slandered or libeled, or that claims to have had its goods, products or services disparaged;
      (2) Oral or written publication, including publication by electronic means, of material in your "advertisement" that:
         (a) Appropriates a person's name, voice, photograph or likeness; or
         (b) Unreasonably places a person in a false light; or
      (3) Infringement of copyright, "title" or "slogan" in your "advertisement", provided that the claim is made or the "suit" is brought by a person or organization that claims ownership of such copyright, "title" or "slogan".
   b. Includes "bodily injury" caused by one or more of the offenses described in Paragraph a. above.

3. "Auto" means:
   a. A land motor vehicle, trailer or semitrailer designed for travel on public roads, including any attached machinery or equipment; or
   b. Any other land vehicle that is subject to a compulsory or financial responsibility law, or other motor vehicle insurance law, where it is licensed or principally garaged.

However, "auto" does not include "mobile equipment".

4. "Bodily injury" means:
   a. Physical harm, including sickness or disease, sustained by a person; or
   b. Mental anguish, injury or illness, or emotional distress, resulting at any time from such physical harm, sickness or disease.

5. "Broadcasting" means transmitting any audio or visual material for any purpose:
   a. By radio or television; or

   b. In, by or with any other electronic means of communication, such as the Internet, if that material is part of:
      (1) Radio or television programming being transmitted;
      (2) Other entertainment, educational, instructional, music or news programming being transmitted; or
      (3) Advertising transmitted with any of such programming.

6. "Coverage territory" means:
   a. The United States of America (including its territories and possessions), Puerto Rico and Canada;
   b. International waters or airspace, but only if the injury or damage occurs in the course of travel or transportation between any places included in Paragraph a. above; or
   c. All other parts of the world if the injury or damage arises out of:
      (1) Goods or products made or sold by you in the territory described in Paragraph a. above;
      (2) The activities of a person whose home is in the territory described in Paragraph a. above, but is away for a short time on your business; or
      (3) "Personal and advertising injury" offenses that take place through the Internet or similar electronic means of communication; provided the insured's responsibility to pay damages is determined in a "suit" on the merits in the territory described in Paragraph a. above, or in a settlement we agree to.

7. "Electronic data" means information, facts or programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other media which are used with electronically controlled equipment.

8. "Employee" includes a "leased worker". "Employee" does not include a "temporary worker".

9. "Executive officer" means a person holding any of the officer positions created by your charter, constitution, bylaws or any other similar governing document.
COMMERCIAL GENERAL LIABILITY

10. "Good Samaritan services" means any emergency medical services for which no compensation is demanded or received.

11. "Hostile fire" means a fire which becomes uncontrollable or breaks out from where it was intended to be.

12. "Impaired property" means tangible property, other than "your product" or "your work", that cannot be used or is less useful because:
   a. It incorporates "your product" or "your work" that is known or thought to be defective, deficient, inadequate or dangerous; or
   b. You have failed to fulfill the terms of a contract or agreement;
   if such property can be restored to use by the repair, replacement, adjustment or removal of "your product" or "your work" or your fulfilling the terms of the contract or agreement.

13. "Insured contract" means:
   a. A contract for a lease of premises. However, that portion of the contract for a lease of premises that indemnifies any person or organization for "premises damage" is not an "insured contract";
   b. A sidetrack agreement;
   c. Any easement or license agreement, except in connection with construction or demolition operations on or within 50 feet of a railroad;
   d. An obligation, as required by ordinance, to indemnify a municipality, except in connection with work for a municipality;
   e. An elevator maintenance agreement;
   f. That part of any other contract or agreement pertaining to your business (including an indemnification of a municipality in connection with work performed for a municipality) under which you assume the tort liability of another party to pay for "bodily injury", "property damage" or "personal injury" to a third person or organization. Tort liability means a liability that would be imposed by law in the absence of any contract or agreement.

Paragraph f. does not include that part of any contract or agreement:
   (1) That indemnifies a railroad for "bodily injury" or "property damage" arising out of construction or demolition operations, within 50 feet of any railroad property and affecting any railroad bridge or trestle, tracks, roadbeds, tunnel, underpass or crossing;
   (2) That indemnifies an architect, engineer or surveyor for injury or damage arising out of:
      a. Preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
      b. Giving directions or instructions, or failing to give them, if that is the primary cause of the injury or damage; or
   (3) Under which the insured, if an architect, engineer or surveyor, assumes liability for an injury or damage arising out of the insured's rendering or failure to render professional services, including those listed in Paragraph (2) above and supervisory, inspection, architectural or engineering activities.

14. "Leased worker" means a person leased to you by a labor leasing firm under an agreement between you and the labor leasing firm, to perform duties related to the conduct of your business. "Leased worker" does not include a "temporary worker".

15. "Loading or unloading" means the handling of property:
   a. After it is moved from the place where it is accepted for movement into or onto an aircraft, watercraft or "auto";
   b. While it is in or on an aircraft, watercraft or "auto"; or
   c. While it is being moved from an aircraft, watercraft or "auto" to the place where it is finally delivered;
   but "loading or unloading" does not include the movement of property by means of a mechanical device, other than a hand truck, that is not attached to the aircraft, watercraft or "auto".

16. "Mobile equipment" means any of the following types of land vehicles, including any attached machinery or equipment:
   a. Bulldozers, farm machinery, forklifts and other vehicles designed for use principally off public roads;
   b. Vehicles maintained for use solely on or next to premises you own or rent;
   c. Vehicles that travel on crawler treads;
d. Vehicles, whether self-propelled or not, maintained primarily to provide mobility to permanently mounted:
   (1) Power cranes, shovels, loaders, diggers or drills; or
   (2) Road construction or resurfacing equipment such as graders, scrapers or rollers;

e. Vehicles not described in Paragraph a., b., c. or d. above that are not self-propelled and are maintained primarily to provide mobility to permanently attached equipment of the following types:
   (1) Air compressors, pumps and generators, including spraying, welding, building cleaning, geophysical exploration, lighting and well servicing equipment; or
   (2) Cherry pickers and similar devices used to raise or lower workers;

f. Vehicles not described in Paragraph a., b., c. or d. above maintained primarily for purposes other than the transportation of persons or cargo.

However, self-propelled vehicles with the following types of permanently attached equipment are not "mobile equipment" but will be considered "autos":
(1) Equipment designed primarily for:
   (a) Snow removal;
   (b) Road maintenance, but not construction or resurfacing; or
   (c) Street cleaning;
(2) Cherry pickers and similar devices mounted on automobile or truck chassis and used to raise or lower workers; and
(3) Air compressors, pumps and generators, including spraying, welding, building cleaning, geophysical exploration, lighting and well servicing equipment.

However, "mobile equipment" does not include any land vehicle that is subject to a compulsory or financial responsibility law, or other motor vehicle insurance law, where it is licensed or principally garaged. Such land vehicles are considered "autos".

17. "Occurrence" means:
   a. An accident, including continuous or repeated exposure to substantially the same general harmful conditions; or

b. An act or omission committed in providing or failing to provide first aid or "Good Samaritan services" to a person, unless you are in the business or occupation of providing professional health care services.

18. "Personal and advertising injury" means "personal injury" or "advertising injury".

19. "Personal injury":
   a. Means injury, other than "advertising injury", caused by one or more of the following offenses:
      (1) False arrest, detention or imprisonment;
      (2) Malicious prosecution;
      (3) The wrongful eviction from, wrongful entry into, or invasion of the right of private occupancy of a room, dwelling or premises that a person occupies, provided that the wrongful eviction, wrongful entry or invasion of the right of private occupancy is committed by or on behalf of the owner, landlord or lessor of that room, dwelling or premises;
      (4) Oral or written publication, including publication by electronic means, of material that slanders or libels a person or organization or disparages a person's or organization's goods, products or services, provided that the claim is made or the "suit" is brought by a person or organization that claims to have been slandered or libeled, or that claims to have had its goods, products or services disparaged; or
      (5) Oral or written publication, including publication by electronic means, of material that:
         (a) Appropriates a person's name, voice, photograph or likeness; or
         (b) Unreasonably places a person in a false light.

b. Includes "bodily injury" caused by one or more of the offenses described in Paragraph a. above.

20. "Pollutants" mean any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.
COMMERCIAL GENERAL LIABILITY

21. "Premises damage" means:
   a. With respect to the first paragraph of the exceptions in Exclusion j. of Section I – Coverage A – Bodily Injury And Property Damage Liability, "property damage" to any premises while rented to you for a period of seven or fewer consecutive days, including the contents of such premises; or
   b. With respect to the exception to Exclusions c. through n. in the last paragraph of Paragraph 2. of Section I – Coverage A – Bodily Injury And Property Damage Liability, "property damage" to any premises while rented to you for a period of more than seven consecutive days, or while temporarily occupied by you with permission of the owner, caused by:
      (1) Fire;
      (2) Explosion;
      (3) Lightning;
      (4) Smoke resulting from fire, explosion or lightning; or
      (5) Water.
   But "premises damage" under this Paragraph b. does not include "property damage" to any premises caused by:
      (1) Rupture, bursting, or operation of pressure relief devices;
      (2) Rupture or bursting due to expansion or swelling of the contents of any building or structure caused by or resulting from water; or
      (3) Explosion of steam boilers, steam pipes, steam engines or steam turbines.

22. "Products-completed operations hazard":
   a. Includes all "bodily injury" and "property damage" occurring away from premises you own or rent and arising out of "your product" or "your work" except:
      (1) Products that are still in your physical possession; or
      (2) Work that has not yet been completed or abandoned. However, "your work" will be deemed completed at the earliest of the following times:
         (a) When all of the work called for in your contract has been completed.
         (b) When all of the work to be done at the job site has been completed if your contract calls for work at more than one job site.
   (c) When that part of the work done at a job site has been put to its intended use by any person or organization other than another contractor or subcontractor working on the same project.

   Work that may need service, maintenance, correction, repair or replacement, but which is otherwise complete, will be treated as completed.

   b. Does not include "bodily injury" or "property damage" arising out of:
      (1) The transportation of property, unless the injury or damage arises out of a condition in or on a vehicle not owned or operated by you, and that condition was created by the "loading or unloading" of that vehicle by any insured;
      (2) The existence of tools, uninstalled equipment or abandoned or unused materials; or
      (3) Products or operations for which the classification, listed in the Declarations or in a policy Schedule, states that products-completed operations are subject to the General Aggregate Limit.

23. "Property damage" means:
   a. Physical injury to tangible property, including all resulting loss of use of that property. All such loss of use will be deemed to occur at the time of the physical injury that caused it; or
   b. Loss of use of tangible property that is not physically injured. All such loss of use will be deemed to occur at the time of the "occurrence" that caused it.

   For the purposes of this insurance, "electronic data" is not tangible property.

24. "Slogan":
   a. Means a phrase that others use for the purpose of attracting attention in their advertising.
   b. Does not include a phrase used as, or in, the name of:
      (1) Any person or organization, other than you; or
      (2) Any business, or any of the premises, goods, products, services or work, of any person or organization, other than you.
25. "Suit" means a civil proceeding in which damages because of "bodily injury", "property damage" or "personal and advertising injury" to which this insurance applies are alleged. "Suit" includes:
   a. An arbitration proceeding in which such damages are claimed and to which the insured must submit or does submit with our consent; or
   b. Any other alternative dispute resolution proceeding in which such damages are claimed and to which the insured submits with our consent.

26. "Temporary worker" means a person who is furnished to you to substitute for a permanent "employee" on leave or to meet seasonal or short-term workload conditions.

27. "Title" means a name of a literary or artistic work.

28. "Unsolicited communication" means any communication, in any form, that the recipient of such communication did not specifically request to receive.

29. "Volunteer worker" means a person who is not your "employee", and who donates his or her work and acts at the direction of and within the scope of duties determined by you, and is not paid a fee, salary or other compensation by you or anyone else for their work performed for you.

30. "Your product":
   a. Means:
      (1) Any goods or products, other than real property, manufactured, sold, handled, distributed or disposed of by:
      (a) You;
      (b) Others trading under your name; or
      (c) A person or organization whose business or assets you have acquired;
      (2) Containers (other than vehicles), materials, parts or equipment furnished in connection with such goods or products.

   b. Includes:
      (1) Warranties or representations made at any time with respect to the fitness, quality, durability, performance or use of "your product"; and
      (2) The providing of or failure to provide warnings or instructions.

   c. Does not include vending machines or other property rented to or located for the use of others but not sold.

31. "Your work":
   a. Means:
      (1) Work or operations performed by you or on your behalf; and
      (2) Materials, parts or equipment furnished in connection with such work or operations.

   b. Includes:
      (1) Warranties or representations made at any time with respect to the fitness, quality, durability, performance or use of "your work"; and
      (2) The providing of or failure to provide warnings or instructions.

   e. Any person or organization that, with your express or implied consent, either
   uses or is responsible for the use of a watercraft that you do not own that is:
       (1) 75 feet long or less; and
       (2) Not being used to carry any person or property for a charge;

B. WHO IS AN INSURED – UNNAMED SUBSIDIARIES

The following is added to SECTION II – WHO IS AN INSURED:

Any of your subsidiaries, other than a partnership or joint venture, that is not shown as a Named Insured in the Declarations is a Named Insured if:

a. You are the sole owner of, or maintain an ownership interest of more than 50% in, such subsidiary on the first day of the policy period; and
b. Such subsidiary is not an insured under similar other insurance.

No such subsidiary is an insured for "bodily injury" or "property damage" that occurred, or "personal and advertising injury" caused by an offense committed:

a. Before you maintained an ownership interest of more than 50% in such subsidiary; or

b. After the date, if any, during the policy period that you no longer maintain an ownership interest of more than 50% in such subsidiary.

For purposes of Paragraph 1. of Section II – Who Is An Insured, each such subsidiary will be deemed to be designated in the Declarations as:

a. A limited liability company;

b. An organization other than a partnership, joint venture or limited liability company; or

c. A trust;

as indicated in its name or the documents that govern its structure.

C. WHO IS AN INSURED – RETIRED PARTNERS, MEMBERS, DIRECTORS AND EMPLOYEES

The following is added to Paragraph 2. of SECTION II – WHO IS AN INSURED:

Any person who is your retired partner, member, director or "employee" that is performing services for you under your direct supervision, but only for acts within the scope of their employment by you or while performing duties related to the conduct of your business. However, no such retired partner, member, director or "employee" is an insured for:

(1) "Bodily injury":

(a) To you, to your current partners or members (if you are a partnership or joint venture), to your current members (if you are a limited liability company) or to your current directors;

(b) To the spouse, child, parent, brother or sister of that current partner, member or director as a consequence of Paragraph (1)(a) above;

(c) For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraph (1)(a) or (b) above; or

(d) Arising out of his or her providing or failing to provide professional health care services.

Unless you are in the business or occupation of providing professional health care services, Paragraphs (1)(a), (b), (c) and (d) above do not apply to "bodily injury" arising out of providing or failing to provide first aid or "Good Samaritan services" by any of your retired partners, members, directors or "employees", other than a doctor. Any such retired partners, members, directors or "employees" providing or failing to provide first aid or "Good Samaritan services" during their work hours for you will be deemed to be acting within the scope of their employment by you or performing duties related to the conduct of your business.

(2) "Personal injury":

(a) To you, to your current or retired partners or members (if you are a partnership or joint venture), to your current or retired members (if you are a limited liability company), to your other current or retired directors or "employees" while in the course of his or her employment or performing duties related to the conduct of your business, or to your other "volunteer workers" while performing duties related to the conduct of your business;

(b) To the spouse, child, parent, brother or sister of that current or retired partner, member, director, "employee" or "volunteer worker" as a consequence of Paragraph (2)(a) above;

(c) For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraph (2)(a) or (b) above; or

(d) Arising out of his or her providing or failing to provide professional health care services.

(3) "Property damage" to property:

(a) Owned, occupied or used by; or

(b) Rented to, in the care, custody or control of, or over which physical control is being exercised for any purpose by;

you, any of your retired partners, members or directors, your current or retired "employees" or "volunteer workers", any current partner or member (if you are a partnership or joint venture), or any current member (if you are a limited liability company) or current director.
D. WHO IS AN INSURED – EMPLOYEES AND VOLUNTEER WORKERS – BODILY INJURY TO CO-EMPLOYEES, CO-VOLUNTEER WORKERS AND RETIRED PARTNERS, MEMBERS, DIRECTORS AND EMPLOYEES

The following is added to Paragraph 2.a.(1) of SECTION II – WHO IS AN INSURED:

Paragraphs (1)(a), (b) and (c) above do not apply to "bodily injury" to a current or retired co-
"employee" while in the course of the co-
"employee's" employment by you or performing duties related to the conduct of your business, or to "bodily injury" to your other "volunteer workers" or retired partners, members or directors while performing duties related to the conduct of your business.

E. WHO IS AN INSURED – NEWLY ACQUIRED OR FORMED LIMITED LIABILITY COMPANIES

The following replaces Paragraph 3. of SECTION II – WHO IS AN INSURED:

3. Any organization you newly acquire or form, other than a partnership or joint venture, and of which you are the sole owner or in which you maintain an ownership interest of more than 50%, will qualify as a Named Insured if there is no other similar insurance available to that organization. However:

a. Coverage under this provision is afforded only:

(1) Until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier, if you do not report such organization in writing to us within 180 days after you acquire or form it; or

(2) Until the end of the policy period, when that date is later than 180 days after you acquire or form such organization, if you report such organization in writing to us within 180 days after you acquire or form it;

b. Coverage A does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and

c. Coverage B does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.

For the purposes of Paragraph 1. of Section II – Who Is An Insured, each such organization will be deemed to be designated in the Declarations as:

a. A limited liability company;

b. An organization other than a partnership, joint venture or limited liability company;

or

c. A trust;

as indicated in its name or the documents that govern its structure.

F. BLANKET ADDITIONAL INSURED – CONTROLLING INTEREST

1. The following is added to SECTION II – WHO IS AN INSURED:

Any person or organization that has financial control of you is an insured with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" that arises out of:

a. Such financial control; or

b. Such person's or organization's ownership, maintenance or use of premises leased to or occupied by you.

The insurance provided to such person or organization does not apply to structural alterations, new construction or demolition operations performed by or on behalf of such person or organization.

2. The following is added to Paragraph 4. of SECTION II – WHO IS AN INSURED:

This paragraph does not apply to any premises owner, manager or lessor that has financial control of you.

G. BLANKET ADDITIONAL INSURED – MORTGAGEES, ASSIGNEES, SUCCESSORS OR RECEIVERS

The following is added to SECTION II – WHO IS AN INSURED:

Any person or organization that is a mortgagee, assignee, successor or receiver and that you have agreed in a written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only with respect to its liability as mortgagee, assignee, successor or receiver for "bodily injury", "property damage" or "personal and advertising injury" that:

a. Is "bodily injury" or "property damage" that occurs, or is "personal and advertising injury" caused by an offense that is committed,
COMMERCIAL GENERAL LIABILITY

subsequent to the signing of that contract or agreement; and

b. Arises out of the ownership, maintenance or use of the premises for which that mortgagee, assignee, successor or receiver is required under that contract or agreement to be included as an additional insured on this Coverage Part.

The insurance provided to such mortgagee, assignee, successor or receiver is subject to the following provisions:

a. The limits of insurance provided to such mortgagee, assignee, successor or receiver will be the minimum limits that you agreed to provide in the written contract or agreement, or the limits shown in the Declarations, whichever are less.

b. The insurance provided to such person or organization does not apply to:

(1) Any "bodily injury" or "property damage" that occurs, or any "personal and advertising injury" caused by an offense that is committed, after such contract or agreement is no longer in effect; or

(2) Any "bodily injury", "property damage" or "personal and advertising injury" arising out of any structural alterations, new construction or demolition operations performed by or on behalf of such mortgagee, assignee, successor or receiver.

H. BLANKET ADDITIONAL INSURED – GOVERNMENTAL ENTITIES – PERMITS OR AUTHORIZATIONS RELATING TO PREMISES

The following is added to SECTION II – WHO IS AN INSURED:

Any governmental entity that has issued a permit or authorization with respect to premises owned or occupied by, or rented or loaned to, you and that you are required by any ordinance, law, building code or written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" arising out of the existence, ownership, use, maintenance, repair, construction, erection or removal of any of the following for which that governmental entity has issued such permit or authorization: advertising signs, awnings, canopies, cellar entrances, coal holes, driveways, manholes, marquees, hoist away openings, sidewalk vaults, elevators, street banners or decorations.

I. BLANKET ADDITIONAL INSURED – GOVERNMENTAL ENTITIES – PERMITS OR AUTHORIZATIONS RELATING TO OPERATIONS

The following is added to SECTION II – WHO IS AN INSURED:

Any governmental entity that has issued a permit or authorization with respect to operations performed by you or on your behalf and that you are required by any ordinance, law, building code or written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" arising out of such operations.

The insurance provided to such governmental entity does not apply to:

a. Any "bodily injury", "property damage" or "personal and advertising injury" arising out of operations performed for the governmental entity; or

b. Any "bodily injury" or "property damage" included in the "products-completed operations hazard".

J. INCIDENTAL MEDICAL MALPRACTICE

1. The following replaces Paragraph b. of the definition of "occurrence" in the DEFINITIONS Section:

b. An act or omission committed in providing or failing to provide "incidental medical services", first aid or "Good Samaritan services" to a person, unless you are in the business or occupation of providing professional health care services.

2. The following replaces the last paragraph of Paragraph 2.a.(1) of SECTION II – WHO IS AN INSURED:

Unless you are in the business or occupation of providing professional health care services, Paragraphs (1)(a), (b), (c) and (d) above do not apply to "bodily injury" arising out of providing or failing to provide:

(a) "Incidental medical services" by any of your "employees" who is a nurse, nurse assistant, emergency medical technician, paramedic, athletic trainer, audiologist, dietician, nutritionist,
occupational therapist or occupational therapy assistant, physical therapist or
speech-language pathologist; or

(b) First aid or "Good Samaritan services" by any of your "employees" or "volunteer
workers", other than an employed or volunteer doctor. Any such "employees"
or "volunteer workers" providing or failing to provide first aid or "Good Samaritan
services" during their work hours for you will be deemed to be acting within the
scope of their employment by you or performing duties related to the conduct
of your business.

3. The following replaces the last sentence of Paragraph 5. of SECTION III – LIMITS OF
INSURANCE:

For the purposes of determining the applicable Each Occurrence Limit, all related
acts or omissions committed in providing or failing to provide "incidental medical
services", first aid or "Good Samaritan services" to any one person will be deemed
to be one "occurrence".

4. The following exclusion is added to Paragraph 2., Exclusions, of SECTION I –
COVERAGES – COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE
LIABILITY:

Sale Of Pharmaceuticals
"Bodily injury" or "property damage" arising out of the violation of a penal statute or
ordinance relating to the sale of pharmaceuticals committed by, or with the
knowledge or consent of the insured.

5. The following is added to the DEFINITIONS Section:

"Incidental medical services" means:

a. Medical, surgical, dental, laboratory, x-ray or nursing service or treatment,
advice or instruction, or the related furnishing of food or beverages; or

b. The furnishing or dispensing of drugs or
medical, dental, or surgical supplies or appliances.

6. The following is added to Paragraph 4.b., Excess Insurance, of SECTION IV –
COMMERCIAL GENERAL LIABILITY CONDITIONS:

This insurance is excess over any valid and
collectible other insurance, whether primary,
excess, contingent or on any other basis,
that is available to any of your "employees" for "bodily injury" that arises out of providing
or failing to provide "incidental medical services" to any person to the extent not
subject to Paragraph 2.a.(1) of Section II – Who Is An Insured.

K. MEDICAL PAYMENTS – INCREASED LIMIT

The following replaces Paragraph 7. of
SECTION III – LIMITS OF INSURANCE:

7. Subject to Paragraph 5. above, the Medical Expense Limit is the most we will pay under
Coverage C for all medical expenses because of "bodily injury" sustained by any
one person, and will be the higher of:

a. $10,000; or

b. The amount shown in the Declarations of
this Coverage Part for Medical Expense
Limit.

L. AMENDMENT OF EXCESS INSURANCE CONDITION – PROFESSIONAL LIABILITY

The following is added to Paragraph 4.b.,
Excess Insurance, of SECTION IV –
COMMERCIAL GENERAL LIABILITY CONDITIONS:

This insurance is excess over any of the other
insurance, whether primary, excess, contingent
or on any other basis, that is Professional
Liability or similar coverage, to the extent the
loss is not subject to the professional services
exclusion of Coverage A or Coverage B.

M. BLANKET WAIVER OF SUBROGATION –
WHEN REQUIRED BY WRITTEN CONTRACT
OR AGREEMENT

The following is added to Paragraph 8., Transfer
Of Rights Of Recovery Against Others To Us,
of SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS:

If the insured has agreed in a written contract or
agreement to waive that insured's right of
recovery against any person or organization, we
waive our right of recovery against such person
or organization, but only for payments we make
because of:

a. "Bodily injury" or "property damage" that
occurs; or

b. "Personal and advertising injury" caused by
an offense that is committed;

subsequent to the signing of that contract or
agreement.
N. CONTRACTUAL LIABILITY – RAILROADS

1. The following replaces Paragraph c. of the definition of "insured contract" in the DEFINITIONS Section:
   c. Any easement or license agreement;

2. Paragraph f.(1) of the definition of "insured contract" in the DEFINITIONS Section is deleted.
EXCESS FOLLOW-FORM AND UMBRELLA LIABILITY INSURANCE

THIS POLICY, IN PART, PROVIDES FOLLOW-FORM LIABILITY COVERAGE. COVERAGE WILL APPLY ON A CLAIMS-MADE BASIS WHEN FOLLOWING CLAIMS-MADE UNDERLYING INSURANCE.

COVERAGE WILL APPLY ON A DEFENSE-WITHIN-LIMITS BASIS WHEN FOLLOWING UNDERLYING INSURANCE UNDER WHICH DEFENSE EXPENSES ARE PAYABLE WITHIN, AND NOT IN ADDITION TO, THE LIMITS OF INSURANCE. WHEN FOLLOWING SUCH UNDERLYING INSURANCE, PAYMENT OF DEFENSE EXPENSES UNDER THIS POLICY WILL REDUCE, AND MAY EXHAUST, THE LIMITS OF INSURANCE OF THIS POLICY.

PLEASE READ THE ENTIRE POLICY CAREFULLY.

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance.

The word "insured" means any person or organization qualifying as such under SECTION II – WHO IS AN INSURED.

Other words and phrases that appear in quotation marks have special meaning. Refer to SECTION VI – DEFINITIONS.

SECTION I – COVERAGE

A. COVERAGE A – EXCESS FOLLOW-FORM LIABILITY

1. We will pay on behalf of the insured those sums, in excess of the "applicable underlying limit", that the insured becomes legally obligated to pay as damages to which Coverage A of this insurance applies, provided that the "underlying insurance" would apply to such damages but for the exhaustion of its applicable limits of insurance. If a sublimit is specified in any "underlying insurance", Coverage A of this insurance applies to damages that are in excess of a sublimit only if such sublimit is shown for that "underlying insurance" in the Schedule Of Underlying Insurance.

2. Coverage A of this insurance is subject to the same terms, conditions, agreements, exclusions and definitions as the "underlying insurance", except with respect to any provisions to the contrary contained in this insurance.

3. The amount we will pay for damages is limited as described in SECTION III – LIMITS OF INSURANCE.

4. For the purposes of Paragraph 1. above:

   a. The applicable limit of insurance stated for the policies of "underlying insurance" in the Schedule Of Underlying Insurance will be considered to be reduced or exhausted only by the following payments:

      (1) Payments of judgments or settlements for damages that are covered by that "underlying insurance". However, if such "underlying insurance" has a policy period which differs from the policy period of this Excess Follow-Form And Umbrella Liability Insurance, any such payments for damages that would not be covered by this Excess
Follow-Form And Umbrella Liability Insurance because of its different policy period will not reduce or exhaust the applicable limit of insurance stated for such "underlying insurance";

(2) Payments of "medical expenses" that are covered by that "underlying insurance" and are incurred for "bodily injury" caused by an accident that takes place during the policy period of this Excess Follow-Form And Umbrella Liability Insurance; or

(3) Payments of defense expenses that are covered by that "underlying insurance", only if such "underlying insurance" includes such payments within the limits of insurance. However, if such "underlying insurance" has a policy period which differs from the policy period of this Excess Follow-Form And Umbrella Liability Insurance, any such payments for defense expenses that would not be covered by this Excess Follow-Form And Umbrella Liability Insurance because of its different policy period will not reduce or exhaust the applicable limit of insurance stated for such "underlying insurance".

If the applicable limit of insurance stated for the policies of "underlying insurance" in the Schedule Of Underlying Insurance is actually reduced or exhausted by other payments, Coverage A of this insurance is not invalidated. However, in the event of a loss, we will pay only to the extent that we would have paid had such limit not been actually reduced or exhausted by such other payments.

b. If any "underlying insurance" has a limit of insurance greater than the amount shown for that insurance in the Schedule of Underlying Insurance, this insurance will apply in excess of that greater amount. If any "underlying insurance" has a limit of insurance, prior to any reduction or exhaustion by payment of damages, "medical expenses" or defense expenses described in Paragraph a. above, that is less than the amount shown for that insurance in the Schedule Of Underlying Insurance, this insurance will apply in excess of the amount shown for such insurance in the Schedule Of Underlying Insurance.

5. When the "underlying insurance" applies on a claims-made basis and includes a retroactive date provision, the retroactive date for Coverage A of this insurance is the same as the retroactive date of that "underlying insurance".

B. COVERAGE B – UMBRELLA LIABILITY

1. We will pay on behalf of the insured those sums in excess of the "self-insured retention" that the insured becomes legally obligated to pay as damages because of "bodily injury", "property damage", "personal injury" or "advertising injury" to which Coverage B of this insurance applies.

2. Coverage B of this insurance applies to "bodily injury" or "property damage" only if:
   a. The "bodily injury" or "property damage" is caused by an "occurrence" that takes place anywhere in the world;
   b. The "bodily injury" or "property damage" occurs during the policy period; and
   c. Prior to the policy period, no insured listed under Paragraph 1. in Paragraph B., COVERAGE B – UMBRELLA LIABILITY, of SECTION II – WHO IS AN INSURED and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, in whole or in part, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

3. Coverage B of this insurance applies to "personal injury" or "advertising injury" caused by an offense arising out of your business, but only if the offense was committed during the policy period anywhere in the world.

4. The amount we will pay for damages is limited as described in SECTION III – LIMITS OF INSURANCE.

5. "Bodily injury" or "property damage":
   a. Which occurs during the policy period; and
   b. Which was not prior to, but was during, the policy period known to have occurred by any insured listed under Paragraph 1. in Paragraph B., COVERAGE B –
UMBRELLA LIABILITY of SECTION II – WHO IS AN INSURED, or any "employee" authorized by you to give notice of an "occurrence" or claim;

includes any continuation, change or resumption of the "bodily injury" or "property damage" after the end of the policy period.

6. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph 1. in Paragraph B., COVERAGE B – UMBRELLA LIABILITY, of SECTION II – WHO IS AN INSURED or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

a. Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;

b. Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage";

c. Becomes aware by any other means that the "bodily injury" or "property damage" has occurred or has begun to occur.

7. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".

8. Coverage B of this insurance does not apply to damages covered by any "underlying insurance" or that would have been covered by any "underlying insurance" but for the exhaustion of its applicable limit of insurance.

C. COVERAGE C – CRISIS MANAGEMENT SERVICE EXPENSES

1. We will reimburse the insured, or pay on the insured's behalf, "crisis management service expenses" to which Coverage C applies.

2. Coverage C of this insurance applies to "crisis management service expenses" that:

a. Arise out of a "crisis management event" that first commences during the policy period;

b. Are incurred by the insured, after a "crisis management event" first commences and before such event ends; and

c. Are submitted to us within 180 days after the "crisis management event" advises you that the "crisis management event" no longer exists.

3. A "crisis management event" will be deemed to:

a. First commence at the time when any "executive officer" first becomes aware of an "event" or "occurrence" that leads to that "crisis management event"; and

b. End when we decide that the crisis no longer exists or when the Crisis Management Service Expenses Limit has been exhausted, whichever occurs first.

4. The amount we will pay for "crisis management service expenses" is limited as described in SECTION III – LIMITS OF INSURANCE.

5. A "self-insured retention" does not apply to "crisis management service expenses".

6. Any payment of "crisis management service expenses" that we make will not be determinative of our obligations under this insurance with respect to any claim or "suit" or create any duty to defend or indemnify any insured for any claim or "suit".

D. DEFENSE AND SUPPLEMENTARY PAYMENTS

1. We will have the right and duty to defend the insured:

a. Under Coverage A, against a "suit" seeking damages to which such coverage applies, if:

   (1) The "applicable underlying limit" is the applicable limit of insurance stated for a policy of "underlying insurance" in the Schedule Of Underlying Insurance and such limit has been exhausted solely due to payments as permitted in Paragraphs 4.a.(1), (2) and (3) of COVERAGE A – EXCESS FOLLOW-FORM LIABILITY of SECTION I – COVERAGE; or

   (2) The "applicable underlying limit" is the applicable limit of any "other insurance" and such limit has been exhausted by payments of judgments, settlements or medical expenses, or related costs or expenses (if such costs or expenses reduce such limits).

   For any "suit" for which we have the right and duty to defend the insured under Coverage A, defense expenses will be within the limits of insurance of this policy when such expenses are within the limits of insurance of the applicable "underlying insurance"; or

b. Under Coverage B, against a "suit" seeking damages to which such coverage applies.
2. We have no duty to defend any insured against any "suit":
   a. Seeking damages to which this insurance does not apply; or
   b. If any other insurer has a duty to defend.

3. When we have the duty to defend, we may, at our discretion, investigate and settle any claim or "suit". In all other cases, we may, at our discretion, participate in the investigation, defense and settlement of any claim or "suit" for damages to which this insurance may apply. If we exercise such right to participate, all expenses we incur in doing so will not reduce the applicable limits of insurance.

4. Our duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements, or defense expenses if such expenses are within the limits of insurance of this policy.

5. We will pay, with respect to a claim we investigate or settle, or "suit" against an insured we defend:
   a. All expenses we incur.
   b. The cost of:
      (1) Bail bonds required because of accidents or traffic law violations arising out of the use of any vehicle to which this insurance applies; or
      (2) Appeal bonds and bonds to release attachments;
      but only for bond amounts within the applicable limit of insurance. We do not have to furnish these bonds.
   c. All reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of such claim or "suit", including actual loss of earnings up to $1,000 a day because of time off from work.
   d. All court costs taxed against the insured in the "suit". However, these payments do not include attorneys' fees or attorneys' expenses taxed against the insured.
   e. Prejudgment interest awarded against the insured on that part of the judgment we pay. If we make an offer to pay the applicable limit of insurance, we will not pay any prejudgment interest based on that period of time after the offer.
   f. All interest that accrues on the full amount of any judgment after entry of the judgment and before we have paid, offered to pay or deposited in court the part of the judgment that is within the applicable limit of insurance. If we do not pay part of the judgment for any reason other than it is more than the applicable limit of insurance, we will not pay any interest that accrues on that portion of the judgment.

With respect to a claim we investigate or settle, or "suit" against an insured we defend under COVERAGE A – EXCESS FOLLOW-FORM LIABILITY, these payments will not reduce the applicable limits of insurance, but only if the applicable "underlying insurance" provides for such payments in addition to its limits of insurance. With respect to a claim we investigate or settle, or "suit" against an insured we defend under COVERAGE B – UMBRELLA LIABILITY, these payments will not reduce the applicable limits of insurance.

SECTION II – WHO IS AN INSURED

A. COVERAGE A – EXCESS FOLLOW-FORM LIABILITY

With respect to Coverage A, the following persons and organizations qualify as insureds:

1. The Named Insured shown in the Declarations; and

2. Any other person or organization qualifying as an insured in the "underlying insurance". If you have agreed to provide insurance for that person or organization in a written contract or agreement:
   a. The limits of insurance afforded to such person or organization will be:
      (1) The amount by which the minimum limits of insurance you agreed to provide such person or organization in that written contract or agreement exceed the total limits of insurance of all applicable "underlying insurance";
      or
      (2) The limits of insurance of this policy; whichever is less; and
   b. Coverage under this policy does not apply to such person or organization if the minimum limits of insurance you agreed to provide such person or organization in that written contract or agreement are wholly within the total limits of insurance of all available applicable "underlying insurance".

B. COVERAGE B – UMBRELLA LIABILITY

With respect to Coverage B:

1. The Named Insured shown in the Declarations is an insured.

2. If you are:
a. An individual, your spouse is also an insured, but only with respect to the conduct of a business of which you are the sole owner.

b. A partnership or joint venture, your members, your partners and their spouses are also insureds, but only with respect to the conduct of your business.

c. A limited liability company, your members are also insureds, but only with respect to the conduct of your business. Your managers are also insureds, but only with respect to their duties as your managers.

d. An organization other than a partnership, joint venture or limited liability company, your "officers" and directors are also insureds, but only with respect to their duties as your "officers" or directors. Your stockholders are also insureds, but only with respect to their liability as stockholders.

e. A trust, your trustees are also insureds, but only with respect to their duties as trustees.

3. Each of the following is also an insured:

a. Your "volunteer workers" only while performing duties related to the conduct of your business, or your "employees", other than either your "officers" (if you are an organization other than a partnership, joint venture or limited liability company) or your managers (if you are a limited liability company), but only for acts within the scope of their employment by you or while performing duties related to the conduct of your business. However, none of these "employees" or "volunteer workers" are insureds for:

(1) "Bodily injury" or "personal injury":

(a) To you, to your partners or members (if you are a partnership or joint venture), to your members (if you are a limited liability company), to a co-"employee" while in the course of his or her employment or performing duties related to the conduct of your business, or to your other "volunteer workers" while performing duties related to the conduct of your business;

(b) To the spouse, child, parent, brother or sister of that co-"employee" or "volunteer worker" as a consequence of Paragraph (1)(a) above;

c. For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraph (1)(a) or (b) above; or

d. Arising out of his or her providing or failing to provide professional health care services.

Unless you are in the business or occupation of providing professional health care services, Paragraphs (1)(a), (b), (c) and (d) above do not apply to "bodily injury" arising out of providing or failing to provide first aid or "Good Samaritan services" by any of your "employees" or "volunteer workers" other than an employed or volunteer doctor. Any such "employees" or "volunteer workers" providing or failing to provide first aid or "Good Samaritan services" during their work hours for you will be deemed to be acting within the scope of their employment by you or performing duties related to the conduct of your business.

(2) "Property damage" to property:

(a) Owned, occupied or used by; or

(b) Rented to, in the care, custody or control of, or over which physical control is being exercised for any purpose by;

you, any of your "employees" or "volunteer workers", any of your partners or members (if you are a partnership or joint venture), or any of your members (if you are a limited liability company).

b. Any person (other than your "employee" or "volunteer worker"), or any organization, while acting as your real estate manager.

c. Any person or organization having proper temporary custody of your property if you die, but only:

(1) With respect to liability arising out of the maintenance or use of that property; and

(2) Until your legal representative has been appointed.

d. Your legal representative if you die, but only with respect to duties as such. That
representative will have all your rights and duties under this insurance.

4. Any organization, other than a partnership, joint venture or limited liability company, of which you are the sole owner, or in which you maintain an ownership interest of more than 50%, on the first day of the policy period is an insured and will qualify as a Named Insured. No such organization is an insured or will qualify as a Named Insured for "bodily injury" or "property damage" that occurred, or "personal injury" or "advertising injury" caused by an offense committed after the date, if any, during the policy period, that you no longer maintain an ownership interest of more than 50% in such organization.

5. Any organization you newly acquire or form, other than a partnership, joint venture or limited liability company, and of which you are the sole owner, or in which you maintain an ownership interest of more than 50%, is an insured and will qualify as a Named Insured if there is no other similar insurance available to that organization. However:

   a. Coverage under this provision is afforded only until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier; and

   b. Coverage for such organization does not apply to:

      (1) "Bodily injury" or "property damage" that occurred; or

      (2) "Personal injury" or "advertising injury" arising out of an offense committed; before you acquired or formed the organization.

No person or organization is an insured or will qualify as a Named Insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations. This paragraph does not apply to any such partnership, joint venture or limited liability company that otherwise qualifies as an insured under Paragraph B. of SECTION II – WHO IS AN INSURED.

C. COVERAGE C – CRISIS MANAGEMENT SERVICE EXPENSES

With respect to Coverage C, the following persons and organizations are insureds and will qualify as Named Insureds:

1. The Named Insured shown in the Declarations.

2. Any organization, other than a partnership, joint venture or limited liability company, of which you are the sole owner, or in which you maintain an ownership interest of more than 50%, on the first day of the policy period. No such organization is an insured or will qualify as a Named Insured for "crisis management service expenses" arising out of a "crisis management event" that first commences after the date, if any, during the policy period, that you no longer maintain an ownership interest of more than 50% in such organization.

3. Any organization you newly acquire or form, other than a partnership, joint venture or limited liability company, and of which you are the sole owner, or in which you maintain an ownership interest of more than 50%, if there is no other similar insurance available to that organization. However:

   a. Coverage under this provision is afforded only until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier; and

   b. Coverage for such organization does not apply to "crisis management service expenses" arising out of a "crisis management event" that occurred before you acquired or formed the organization, even if an "executive officer" only first becomes aware of an "event" or "occurrence" that leads to such "crisis management event" after the date you acquired or formed the organization.

No person or organization is an insured or will qualify as a Named Insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations.

SECTION III – LIMITS OF INSURANCE

A. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay for the amounts described below to which this insurance applies regardless of the number of:

1. Insureds;

2. Claims made or "suits" brought;

3. Number of vehicles involved;

4. Persons or organizations making claims or bringing "suits";

5. Coverages provided under this insurance.

As indicated in Paragraph D.1. of SECTION I – COVERAGE, for any "suit" for which we have the right and duty to defend the insured under Coverage A, defense expenses will be within the
limits of insurance of this policy when such expenses are within the limits of insurance of the applicable "underlying insurance".

B. The General Aggregate Limit is the most we will pay for the sum of all:
   1. Damages; and
   2. Defense expenses if such expenses are within the limits of insurance of this policy; except:
      1. Damages and defense expenses because of "bodily injury" or "property damage" included in the "auto hazard";
      2. Damages and defense expenses because of "bodily injury" or "property damage" included in the "products-completed operations hazard"; or
      3. Damages and defense expenses for which insurance is provided under any Aircraft Liability coverage included as "underlying insurance" to which no aggregate limit applies.

C. The Products-Completed Operations Aggregate Limit is the most we will pay for the sum of all:
   1. Damages; and
   2. Defense expenses if such expenses are within the limits of insurance of this policy; because of "bodily injury" or "property damage" included in the "products-completed operations hazard".

D. Subject to Paragraph B. or C. above, whichever applies, the Occurrence Limit is the most we will pay for the sum of all:
   1. Damages, and defense expenses if such expenses are within the limits of insurance of this policy, under Coverage A arising out of any one "event" to which the "underlying insurance" applies a limit of insurance that is separate from any aggregate limit of insurance; and
   2. Damages under Coverage B because of all "bodily injury", "property damage", "personal injury" or "advertising injury" arising out of any one "occurrence".

For the purposes of determining the applicable Occurrence Limit, all related acts or omissions committed in the providing or failing to provide first aid or "Good Samaritan services" to any one person will be considered one "occurrence".

E. The Crisis Management Service Expenses Limit is the most we will pay for the sum of all "crisis management service expenses" arising out of all "crisis management events". Payment of such "crisis management service expenses" is in addition to, and will not reduce, any other limit of insurance of this policy.

F. The limits of insurance of this policy apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations. If the policy period is extended after issuance for an additional period of less than 12 months, the additional period will be deemed part of the last preceding period for purposes of determining the limits of insurance.

SECTION IV – EXCLUSIONS

This insurance does not apply to:

A. With respect to Coverage A and Coverage B:
   1. Asbestos
      a. Damages arising out of the actual or alleged presence or actual, alleged or threatened dispersal of asbestos, asbestos fibers or products containing asbestos, provided that the damages are caused or contributed to by the hazardous properties of asbestos.
      b. Damages arising out of the actual or alleged presence or actual, alleged or threatened dispersal of any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapors, soot, fumes, acids, alkalis, chemicals and waste, and that are part of any claim or "suit" which also alleges any damages described in Paragraph a. above.
      c. Any loss, cost or expense arising out of any:
         (1) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, asbestos, asbestos fibers or products containing asbestos; or
         (2) Claim or "suit" by or on behalf of any governmental authority or any other person or organization because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, asbestos, asbestos fibers or products containing asbestos.

   2. Employment-Related Practices

      Damages because of injury to:
      a. A person arising out of any:
         (1) Refusal to employ that person;
         (2) Termination of that person's employment; or
(3) Employment-related practice, policy, act or omission, such as coercion, demotion, evaluation, reassignment, discipline, failure to promote or advance, harassment, humiliation, discrimination, libel, slander, violation of the person's right of privacy, malicious prosecution or false arrest, detention or imprisonment, applied to or directed at that person, regardless of whether such practice, policy, act or omission occurs, is applied or is committed before, during or after the time of that person's employment; or

b. The spouse, child, parent, brother or sister of that person as a consequence of injury to that person as described in Paragraphs a.(1), (2) or (3) above.

This exclusion applies:

a. Whether the insured may be liable as an employer or in any other capacity; and

b. To any obligation to share damages with or repay someone else who must pay damages because of the injury.

c. Any similar common or statutory law of any jurisdiction.

4. Medical Expenses Or Payments

Any obligation of the insured under any "medical expenses" or medical payments coverage.

5. Nuclear Material

Damages arising out of:

a. The actual, alleged or threatened exposure of any person or property to; or

b. The "hazardous properties" of; any "nuclear material".

As used in this exclusion:

a. "Hazardous properties" includes radioactive, toxic or explosive properties;

b. "Nuclear material" means "source material", "special nuclear material" or "by-product material"; and

c. "Source material", "special nuclear material" and "by-product material" have the meanings given them in the Atomic Energy Act of 1954 or any of its amendments.

6. Uninsured or Underinsured Motorists, No-Fault And Similar Laws

Any liability imposed on the insured, or the insured's insurer, under any of the following laws:

a. Uninsured motorists;

b. Underinsured motorists;

c. Auto no-fault or other first-party personal injury protection (PIP);

d. Supplementary uninsured/underinsured motorists (New York); or

e. Medical expense benefits and income loss benefits (Virginia).

7. War

Damages arising out of:

a. War, including undeclared or civil war; or

b. Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents;

b. Insurrection, rebellion, revolution, usurped power or action taken by governmental authority in hindering or defending against any of these.

8. Workers Compensation And Similar Laws

Any obligation of the insured under a workers compensation, disability benefits or unemployment compensation law or any similar law.

B. With respect to Coverage B:

1. Expected Or Intended Bodily Injury Or Property Damage

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" or "property damage" resulting from the use of reasonable force to protect persons or property.

2. Contractual Liability

"Bodily injury", "property damage", "personal injury" or "advertising injury" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages that the insured would have in the absence of the contract or agreement.
3. Liquor Liability
   "Bodily injury" or "property damage" for which any insured may be liable by reason of:
   a. Causing or contributing to the intoxication of any person, including causing or contributing to the intoxication of any person because alcoholic beverages were permitted to be brought on your premises for consumption on your premises;
   b. The furnishing of alcoholic beverages to a person under the legal drinking age or under the influence of alcohol; or
   c. Any statute, ordinance or regulation relating to the sale, gift, distribution or use of alcoholic beverages.

4. Employers Liability
   "Bodily injury" to:
   a. An "employee" of the insured arising out of and in the course of:
      (1) Employment by the insured; or
      (2) Performing duties related to the conduct of the insured's business; or
   b. The spouse, child, parent, brother or sister of that "employee" as a consequence of "bodily injury" described in Paragraph a. above.
   This exclusion applies:
   a. Whether the insured may be liable as an employer or in any other capacity; and
   b. To any obligation to share damages with or repay someone else who must pay damages because of the "bodily injury".

5. Pollution
   a. "Bodily injury", "property damage", "personal injury" or "advertising injury" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants".
   b. Any loss, cost or expense arising out of any:
      (1) Request, demand, order or statutory or regulatory requirement that any insured or any other person or organization test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants"; or
      (2) Claim or "suit" by or on behalf of any governmental authority or any other person or organization because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

6. Aircraft
   "Bodily injury" or "property damage" arising out of the ownership, maintenance, use or entrapment to others of any aircraft owned or operated by or rented or loaned to any insured. Use includes operation and "loading or unloading".
   This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage" involved the ownership, maintenance, use or entrapment to others of any aircraft that is owned or operated by or rented or loaned to any insured.

7. Auto
   "Bodily injury" or "property damage" arising out of the ownership, maintenance, use or entrapment to others of any "auto". Use includes operation and "loading or unloading".
   This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage" involved the ownership, maintenance, use or entrapment to others of any "auto".
   This exclusion does not apply to "bodily injury" or "property damage" caused by an "occurrence" that takes place outside of the United States of America (including its territories and possessions), Puerto Rico and Canada.

8. Watercraft
   "Bodily injury" or "property damage" arising out of the ownership, maintenance, use or entrapment to others of any watercraft owned or operated by or rented or loaned to any insured. Use includes operation and "loading or unloading".
   This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage" involved the ownership,
11. Damage To Impaired Property Or Property Not Physically Injured

"Property damage" to "impaired property", or property that has not been physically injured, arising out of:

a. A defect, deficiency, inadequacy or dangerous condition in "your product" or "your work"; or

b. A delay or failure by you, or anyone acting on your behalf, to fulfill the terms of a contract or agreement.

This exclusion does not apply to the loss of use of other property arising out of sudden and accidental physical injury to "your product" or "your work" after it has been put to its intended use.

12. Recall Of Products, Work Or Impaired Property

Damages claimed for any loss, cost or expense incurred by you or others for the loss of use, withdrawal, recall, inspection, repair, replacement, adjustment, removal or disposal of:

a. "Your product";

b. "Your work"; or

c. "Impaired property";

if such product, work or property is withdrawn or recalled from the market or from use by any person or organization because of a known or suspected defect, deficiency, inadequacy or dangerous condition in it.

13. Violation Of Consumer Financial Protection Laws

"Bodily injury", "property damage", "personal injury" or "advertising injury" arising out of any actual or alleged violation of a "consumer financial protection law", or any other "bodily injury", "property damage", "personal injury" or "advertising injury" alleged in any claim or "suit" that also alleges any such violation.

14. Unsolicited Communication

"Bodily injury", "property damage", "personal injury" or "advertising injury" arising out of any actual or alleged violation of any law that restricts or prohibits the sending, transmitting or distributing of "unsolicited communication".

15. Access Or Disclosure Of Confidential Or Personal Information

"Bodily injury", "property damage", "personal injury" or "advertising injury" arising out of any access to or disclosure of any person's or organization's confidential or personal information.
16. Knowing Violation Of Rights Of Another
"Personal injury" or "advertising injury" caused by or at the direction of the insured with the knowledge that the act would violate the rights of another and would inflict "personal injury" or "advertising injury".

17. Material Published With Knowledge Of Falsity
"Personal injury" or "advertising injury" arising out of oral or written publication, including publication by electronic means, of material, if done by or at the direction of the insured with knowledge of its falsity.

18. Material Published Or Used Prior To Policy Period
a. "Personal injury" or "advertising injury" arising out of oral or written publication, including publication by electronic means, of material whose first publication took place before the beginning of the policy period; or
b. "Advertising injury" arising out of infringement of copyright, "title" or "slogan" in your "advertisement" whose first infringement in your "advertisement" was committed before the beginning of the policy period.

19. Criminal Acts
"Personal injury" or "advertising injury" arising out of a criminal act committed by or at the direction of the insured.

20. Breach Of Contract
"Personal injury" or "advertising injury" arising out of a breach of contract.

21. Quality Or Performance Of Goods — Failure To Conform To Statements
"Advertising injury" arising out of the failure of goods, products or services to conform with any statement of quality or performance made in your "advertisement".

22. Wrong Description Of Prices
"Advertising injury" arising out of the wrong description of the price of goods, products or services stated in your "advertisement".

23. Intellectual Property
"Personal injury" or "advertising injury" arising out of any actual or alleged infringement or violation of any of the following rights or laws, or any other "personal injury" or "advertising injury" alleged in any claim or "suit" that also alleges any such infringement or violation:
   a. Copyright;
   b. Patent;
   c. Trade dress;
   d. Trade name;
   e. Trademark;
   f. Trade secret; or
   g. Other intellectual property rights or laws.
   This exclusion does not apply to:
   a. "Advertising injury" arising out of any actual or alleged infringement or violation of another's copyright, "title" or "slogan" in your "advertisement";
   b. Any other "personal injury" or "advertising injury" alleged in any claim or "suit" that also alleges any such infringement or violation of another's copyright, "title" or "slogan" in your "advertisement".

24. Insureds In Media And Internet Type Business
"Personal injury" or "advertising injury" arising out of an offense committed by an insured whose business is:
   a. Advertising, "broadcasting" or publishing;
   b. Designing or determining content of websites for others; or
   c. An Internet search, access, content or service provider.
   This exclusion does not apply to Paragraphs a.(1), (2) and (3) of the definition of "personal injury".
   For the purposes of this exclusion:
   a. Creating and producing correspondence written in the conduct of your business, bulletins, financial or annual reports, or newsletters about your goods, products or services will not be considered the business of publishing; and
   b. The placing of frames, borders or links, or advertising, for you or others anywhere on the Internet will not, by itself, be considered the business of advertising, "broadcasting" or publishing.

25. Electronic Chatrooms Or Bulletin Boards
"Personal injury" or "advertising injury" arising out of an electronic chatroom or bulletin board the insured hosts, owns or over which the insured exercises control.

26. Unauthorized Use Of Another's Name Or Product
"Personal injury" or "advertising injury" arising out of the unauthorized use of another's name or product in your e-mail address, domain name or metatag, or any other similar tactics to mislead another's potential customers.
C. With respect to Coverage C:

Newly Acquired, Controlled Or Formed Entities

"Crisis management service expenses" arising out of a "crisis management event" that involves any organization you newly acquire or form and that occurred prior to the date you acquired or formed that organization, even if an "executive officer" only first becomes aware of an "event" or "occurrence" that leads to such "crisis management event" after the date you acquired or formed such organization.

SECTION V – CONDITIONS

A. APPEALS

1. If the insured or the insured's "underlying insurer" elects not to appeal a judgment which exceeds the "applicable underlying limit" or "self-insured retention", we may do so.

2. If we appeal such a judgment, we will pay all costs of the appeal. These payments will not reduce the applicable limits of insurance. In no event will our liability exceed the applicable limit of insurance.

B. BANKRUPTCY

1. Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this insurance.

2. In the event of bankruptcy or insolvency of any "underlying insurer", this insurance will not replace such bankrupt or insolvent "underlying insurer's" policy, and this insurance will apply as if such "underlying insurer" had not become bankrupt or insolvent.

C. CANCELLATION

1. The first Named Insured shown in the Declarations may cancel this insurance by mailing or delivering to us advance written notice of cancellation.

2. We may cancel this insurance by mailing or delivering to such first Named Insured written notice of cancellation at least:

   a. 10 days before the effective date of cancellation if we cancel for nonpayment of premium; or

   b. 60 days before the effective date of cancellation if we cancel for any other reason.

3. We will mail or deliver our notice to such first Named Insured's last mailing address known to us.

4. Notice of cancellation will state the effective date of cancellation. The policy period will end on that date.

5. If this insurance is cancelled, we will send such first Named Insured any premium refund due. If we cancel, the refund will be pro rata. If such first Named Insured cancels, the refund may be less than pro rata. The cancellation will be effective even if we have not made or offered a refund.

6. If notice is mailed, proof of mailing will be sufficient proof of notice.

D. CHANGES

This policy contains all the agreements between you and us concerning the insurance afforded. No change can be made in the terms of this insurance except with our consent. The terms of this insurance can be amended or waived only by endorsement issued by us and made a part of this policy.

E. CURRENCY

Payments for damages or expenses described in Paragraph 5. of Paragraph D., DEFENSE AND SUPPLEMENTARY PAYMENTS, of SECTION I – COVERAGES will be in the currency of the United States of America. At our sole option, we may make these payments in a different currency. Any necessary currency conversion for such payments will be calculated based on the rate of exchange published in the Wall Street Journal immediately preceding the date the payment is processed.

F. DUTIES REGARDING AN EVENT, OCCURRENCE, CLAIM OR SUIT

1. You must see to it that we are notified as soon as practicable of an "event" or "occurrence" which may result in a claim under this insurance. To the extent possible, notice should include:

   a. How, when and where the "event" or "occurrence" took place;

   b. The names and addresses of any persons or organizations sustaining injury, damage or loss, and the names and addresses of any witnesses; and

   c. The nature and location of any injury or damage arising out of the "event" or "occurrence".

2. If a claim is made or "suit" is brought against any insured which may result in a claim under this insurance, you must see to it that we receive written notice of the claim or "suit" as soon as practicable.
3. With respect to Coverage A, the insured must:
   a. Cooperate with us in the investigation, settlement or defense of any claim or "suit";
   b. Comply with the terms of the "underlying insurance"; and
   c. Pursue all rights of contribution or indemnity against any person or organization who may be liable to the insured because of the injury, damage or loss for which insurance is provided under this policy or any policy of "underlying insurance".

4. With respect to Coverage B, the insured must:
   a. Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";
   b. Authorize us to obtain necessary records and other information;
   c. Cooperate with us in the investigation, settlement or defense of any claim or "suit"; and
   d. Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which Coverage B may apply.

5. No insured will, except at that insured's own expense, voluntarily make a payment, assume any obligation, make any admission or incur any expense, other than for first aid for "bodily injury" covered by this insurance, without our consent.

6. Knowledge of an "event", "occurrence", claim or "suit" by your agent, servant or "employee" will not constitute knowledge by you, unless your insurance or risk manager, or anyone working in the capacity as your insurance or risk manager, or anyone you designate with the responsibility of reporting an "event", "occurrence", claim or "suit":
   a. Has received notice of such "event", "occurrence", claim or "suit" from such agent, servant or "employee"; or
   b. Otherwise has knowledge of such "event", "occurrence", claim or "suit".

G. DUTIES REGARDING A CRISIS MANAGEMENT EVENT

You must:

1. Notify us within 30 days of a "crisis management event" that may result in "crisis management service expenses".

2. Provide written notice of the "crisis management event" as soon as practicable. To the extent possible, notice should include:
   a. How, when and where that "crisis management event" took place;
   b. The names and addresses of any persons or organizations sustaining injury, damage or loss, and the named and addresses of any witnesses;
   c. The nature and location of any injury or damage arising out of that "crisis management event"; and
   d. The reason that "crisis management event" is likely to involve damages covered by this insurance in excess of the "applicable underlying limit" or "self-insured retention" and involve regional or national media coverage.

H. EXAMINATION OF YOUR BOOKS AND RECORDS

We may examine and audit your books and records as they relate to this insurance:

1. At any time during the policy period;

2. Up to three years after the end of the policy period; and

3. Within one year after final settlement of all claims under this insurance.

I. EXTENDED REPORTING PERIOD OPTION

1. When the "underlying insurance" applies on a claims-made basis, any automatic or basic "extended reporting period" in such "underlying insurance" will apply to this insurance.

2. When the "underlying insurance" applies on a claims-made basis and you elect to purchase an optional or supplemental "extended reporting period" in such "underlying insurance," that "extended reporting period" will apply to this insurance only if:
   a. A written request to purchase an Extended Reporting Period endorsement for this insurance is made by you and received by us within 90 days after the end of the policy period;
b. You have paid all premiums due for this policy at the time you make such request;

c. You promptly pay the additional premium we charge for the Extended Reporting Period endorsement for this insurance when due. We will determine that additional premium after we have received your request for the Extended Reporting Period endorsement for this insurance. That additional premium is not subject to any limitation stated in the "underlying insurance" on the amount or percentage of additional premium that may be charged for the "extended reporting period" in such "underlying insurance"; and

d. That Extended Reporting Period endorsement is issued by us and made a part of this policy.

3. Any Extended Reporting Period endorsement for this insurance will not reinstate or increase the Limits of Insurance or extend the policy period.

4. Except with respect to any provisions to the contrary contained in Paragraphs 1, 2. or 3. above, all provisions of any option to purchase an "extended reporting period" granted to you in the "underlying insurance" apply to this insurance.

J. INSPECTIONS AND SURVEYS

1. We have the right but are not obligated to:
   a. Make inspections and surveys at any time;
   b. Give you reports on the conditions we find; and
   c. Recommend changes.

2. Any inspections, surveys, reports or recommendations relate only to insurability and the premiums to be charged. We do not make safety inspections. We do not undertake to perform the duty of any person or organization to provide for the health or safety of workers or the public. We do not warrant that conditions:
   a. Are safe or healthful; or
   b. Comply with laws, regulations, codes or standards.

K. LEGAL ACTION AGAINST US

1. No person or organization has a right under this insurance:
   a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
   b. To sue us on this insurance unless all of its terms have been fully complied with.

2. A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured. We will not be liable for damages that:
   a. Are not payable under the terms of this insurance; or
   b. Are in excess of the applicable limit of insurance.

   An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

L. MAINTENANCE OF UNDERLYING INSURANCE

1. The insurance afforded by each policy of "underlying insurance" will be maintained for the full policy period of this Excess Follow-Form And Umbrella Liability Insurance. This provision does not apply to the reduction or exhaustion of the aggregate limit or limits of such "underlying insurance" solely by payments as permitted in Paragraphs 4.a.(1), (2) and (3) of COVERAGE A – EXCESS FOLLOW-FORM LIABILITY of SECTION I – COVERAGE. As such policies expire, you will renew them at limits and with coverage at least equal to the expiring limits of insurance. If you fail to comply with the above requirements, Coverage A is not invalidated. However, in the event of a loss, we will pay only to the extent that we would have paid had you complied with the above requirements.

2. The first Named Insured shown in the Declarations must give us written notice of any change in the "underlying insurance" as respects:
   a. Coverage;
   b. Limits of insurance;
   c. Termination of any coverage; or
   d. Exhaustion of aggregate limits.

3. If you are unable to recover from any "underlying insurer" because you fail to comply with any term or condition of the "underlying insurance", Coverage A is not invalidated. However, we will pay for any loss only to the extent that we would have paid had you complied with that term or condition in that "underlying insurance".

M. OTHER INSURANCE

This insurance is excess over any valid and collectible "other insurance" whether such "other insurance" is stated to be primary, contributing,
excess, contingent or otherwise. This provision does not apply to a policy bought specifically to apply as excess of this insurance.

However, if you specifically agree in a written contract or agreement that the insurance provided to any person or organization that qualifies as an insured under this insurance must apply on a primary basis, or a primary and non-contributory basis, then insurance provided under Coverage A is subject to the following provisions:

1. This insurance will apply before any "other insurance" that is available to such additional insured which covers that person or organization as a named insured, and we will not share with that "other insurance", provided that the injury or damage for which coverage is sought is caused by an "event" that takes place or is committed subsequent to the signing of that contract or agreement by you.

2. This insurance is still excess over any valid and collectible "other insurance", whether primary, excess, contingent or otherwise, which covers that person or organization as an additional insured or as any other insured that does not qualify as a named insured.

N. PREMIUM

1. The first Named Insured shown in the Declarations is responsible for the payment of all premiums and will be the payee for any return premiums.

2. If the premium is a flat charge, it is not subject to adjustment except as provided in Paragraph 4 below.

3. If the premium is other than a flat charge, it is an advance premium only. The earned premium will be computed at the end of the policy period, or at the end of each year of the policy period if the policy period is two years or longer, at the rate shown in the Declarations, subject to the Minimum Premium.

4. Additional premium may become payable when coverage is provided for additional insureds under the provisions of SECTION II – WHO IS AN INSURED.

O. PREMIUM AUDIT

The premium for this policy is the amount stated in Item 5. of the Declarations. The premium is a flat charge unless it is specified in the Declarations as adjustable.

P. PROHIBITED COVERAGE – UNLICENSED INSURANCE

1. With respect to loss sustained by any insured in a country or jurisdiction in which we are not licensed to provide this insurance, this insurance does not apply to the extent that insuring such loss would violate the laws or regulations of such country or jurisdiction.

2. We do not assume responsibility for:

   a. The payment of any fine, fee, penalty or other charge that may be imposed on any person or organization in any country or jurisdiction because we are not licensed to provide insurance in such country or jurisdiction; or

   b. The furnishing of certificates or other evidence of insurance in any country or jurisdiction in which we are not licensed to provide insurance.

Q. PROHIBITED COVERAGE – TRADE OR ECONOMIC SANCTIONS

We will provide coverage for any loss, or otherwise will provide any benefit, only to the extent that providing such coverage or benefit does not expose us or any of our affiliated or parent companies to:

1. Any trade or economic sanction under any law or regulation of the United States of America; or

2. Any other applicable trade or economic sanction, prohibition or restriction.

R. REPRESENTATIONS

By accepting this insurance, you agree:

1. The statements in the Declarations and any subsequent notice relating to "underlying insurance" are accurate and complete;

2. Those statements are based upon representations you made to us; and

3. We have issued this insurance in reliance upon your representations.

S. SEPARATION OF INSUREDs

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this policy to the first Named Insured shown in the Declarations, this insurance applies:

1. As if each Named Insured were the only Named Insured; and

2. Separately to each insured against whom claim is made or "suit" is brought.
T. WAIVER OR TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

1. If the insured has rights to recover all or part of any payment we have made under this insurance, those rights are transferred to us and the insured must do nothing after loss to impair them. At our request, the insured will bring suit or transfer those rights to us and help us, and with respect to Coverage A, the “underlying insurer”, enforce them.

If the insured has agreed in a contract or agreement to waive that insured’s right of recovery against any person or organization, we waive our right of recovery against that person or organization, but only for payments we make because of an "event" that takes place or is committed subsequent to the execution of that contract or agreement by such insured.

2. Reimbursement of any amount recovered will be made in the following order:
   a. First, to any person or organization (including us or the insured) who has paid any amount in excess of the applicable limit of insurance;
   b. Next, to us; and
   c. Then, to any person or organization (including the insured and with respect to Coverage A, the "underlying insurer") that is entitled to claim the remainder, if any.

3. Expenses incurred in the process of recovery will be divided among all persons or organizations receiving amounts recovered according to the ratio of their respective recoveries.

U. TRANSFER OF YOUR RIGHTS AND DUTIES UNDER THIS INSURANCE

1. Your rights and duties under this insurance may not be transferred without our written consent except in the case of death of an individual Named Insured.

2. If you die, your rights and duties will be transferred to your legal representative but only while acting within the scope of duties as your legal representative. Until your legal representative is appointed, anyone having proper temporary custody of your property will have your rights and duties but only with respect to that property.

V. UNINTENTIONAL OMISSION OR ERROR

The unintentional omission of, or unintentional error in, any information provided by you which we relied upon in issuing this policy will not prejudice your rights under this insurance. However, this provision does not affect our right to collect additional premium or to exercise our rights of cancellation or nonrenewal in accordance with applicable insurance laws or regulations.

W. WHEN LOSS IS PAYABLE

If we are liable under this insurance, we will pay for injury, damage or loss after:

1. The insured's liability is established by:
   a. A court decision; or
   b. A written agreement between the claimant, the insured, any "underlying insurer" and us; and

2. The amount of the "applicable underlying limit" or "self-insured retention" is paid by or on behalf of the insured.

SECTION VI – DEFINITIONS

A. With respect to all coverages of this insurance:

1. "Applicable underlying limit" means the sum of:
   a. The applicable limit of insurance stated for the policies of "underlying insurance" in the Schedule Of Underlying Insurance subject to the provisions in Paragraphs 4.a.(1), (2) and (3) of COVERAGE A – EXCESS FOLLOW-FORM LIABILITY; and

b. The applicable limit of insurance of any "other insurance" that applies.

The limits of insurance in any policy of "underlying insurance" will apply even if:

a. The "underlying insurer" claims the insured failed to comply with any term or condition of the policy; or

b. The "underlying insurer" becomes bankrupt or insolvent.

2. "Auto hazard" means all "bodily injury" and "property damage" to which liability insurance afforded under an auto policy of "underlying insurance" would apply but for the exhaustion of its applicable limits of insurance.

3. "Electronic data" means information, facts or programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other media which are used with electronically controlled equipment.

5. "Extended reporting period" means any period of time, starting with the end of the policy period of your claims-made insurance, during which claims or "suits" may be first made, brought or reported for that insurance.

6. "Medical expenses" means expenses to which any Medical Payments section of any policy of Commercial General Liability "underlying insurance" applies.

7. "Other insurance" means insurance, or the funding of losses, that is provided by, through or on behalf of:
   a. Another insurance company;
   b. Us or any of our affiliated insurance companies;
   c. Any risk retention group;
   d. Any self-insurance method or program, in which case the insured will be deemed to be the provider of such insurance; or
   e. Any similar risk transfer or risk management method.

"Other insurance" does not include:
   a. Any "underlying insurance"; or
   b. Any policy of insurance specifically purchased to be excess of the limits of insurance of this policy shown in the Declarations.

8. "Products-completed operations hazard":
   a. Includes all "bodily injury" and "property damage" occurring away from premises you own or rent and arising out of "your product" or "your work" except:
      (1) Products that are still in your physical possession; or
      (2) Work that has not yet been completed or abandoned. However, "your work" will be deemed completed at the earliest of the following times:
         (a) When all the work called for in your contract has been completed;
         (b) When all the work to be done at the job site has been completed if your contract calls for work at more than one job site; or
         (c) When that part of the work done at a job site has been put to its intended use by any person or organization other than another contractor or subcontractor working on the same project.

   Work that may need service, maintenance, correction, repair or replacement, but which is otherwise complete, will be treated as completed.

   b. Does not include "bodily injury" or "property damage" arising out of:
      (1) The transportation of property, unless the injury or damage arises out of a condition in or on a vehicle not owned or operated by you, and that condition was created by the "loading or unloading" of that vehicle by any insured;
      (2) The existence of tools, uninstalled equipment or abandoned or unused materials; or
      (3) Products or operations for which the classification listed in a policy of Commercial General Liability "underlying insurance" states that products-completed operations are subject to the General Aggregate Limit.

9. "Suit" means a civil proceeding which alleges damages. "Suit" includes:
   a. An arbitration proceeding in which damages are claimed and to which the insured must submit or does submit with our consent; or
   b. Any other alternative dispute resolution proceeding to which the insured submits with our consent.

10. "Underlying insurance":
    a. Means the policy or policies of insurance listed in the Schedule Of Underlying Insurance.
    b. Includes any renewal or replacement of such policies if such renewal or replacement is during the policy period of this Excess Follow-Form And Umbrella Liability Insurance.
    c. Does not include any part of the policy period of any of the policies described in Paragraphs a. or b. above that began before, or that continues after, the policy period of this Excess Follow-Form And Umbrella Liability Insurance.

11. "Underlying insurer" means any insurer which provides a policy of insurance listed in the Schedule Of Underlying Insurance.
B. With respect to Coverage B and, to the extent that the following terms are not defined in the "underlying insurance", to Coverage A:

1. "Advertisement" means a notice that is broadcast or published to the general public or specific market segments about your goods, products or services for the purpose of attracting customers or supporters. For the purposes of this definition:

   a. Notices that are published include material placed on the Internet or on similar electronic means of communication; and

   b. Regarding web sites, only that part of a web site that is about your goods, products or services for the purposes of attracting customers or supporters is considered an advertisement.

2. "Advertising injury":

   a. Means injury, other than "personal injury", caused by one or more of the following offenses:

      (1) Oral or written publication, including publication by electronic means, of material in your "advertisement" that slanders or libels a person or organization or disparages a person's or organization's goods, products or services, provided that the claim is made or the "suit" is brought by a person or organization that claims to have been slandered or libeled, or that claims to have had its goods, products or services disparaged;

      (2) Oral or written publication, including publication by electronic means, of material in your "advertisement" that:

         (a) Appropriates a person's name, voice, photograph or likeness or;

         (b) Unreasonably places a person in a false light; or

      (3) Infringement of copyright, "title" or "slogan" in your "advertisement", provided that the claim is made or the "suit" is brought by a person or organization that claims ownership of such copyright, "title" or "slogan".

   b. Includes "bodily injury" caused by one or more of the offenses described in Paragraph a. above.

3. "Auto" means:

   a. A land motor vehicle, trailer or semitrailer designed for travel on public roads, including any attached machinery or equipment; or

   b. Any other land vehicle that is subject to a compulsory or financial responsibility law or other motor vehicle insurance law where it is licensed or principally garaged.

   However, "auto" does not include "mobile equipment".

4. "Bodily injury" means:

   a. Physical harm, including sickness or disease, sustained by a person; or

   b. Mental anguish, injury or illness, or emotional distress, resulting at any time from such physical harm, sickness or disease.

5. "Broadcasting" means transmitting any audio or visual material for any purpose:

   a. By radio or television; or

   b. In, by or with any other electronic means of communication, such as the Internet, if that material is part of:

      (1) Radio or television programming being transmitted;

      (2) Other entertainment, educational, instructional, music or news programming being transmitted; or

      (3) Advertising transmitted with any such programming.

6. "Consumer financial identity information" means any of the following information for a person that is used or collected for the purpose of serving as a factor in establishing such person's eligibility for personal credit, insurance or employment or for the purpose of conducting a business transaction:

   a. Part or all of the account number, the expiration date or the balance of any credit, debit, bank or other financial account;

   b. Information bearing on a person's credit worthiness, credit standing or credit capacity;

   c. Social security number;

   d. Driver's license number; or

   e. Birth date.

7. "Consumer financial protection law" means:

   a. The Fair Credit Reporting Act (FCRA) and any of its amendments, including the Fair and Accurate Credit Transactions Act (FACTA);
b. California's Song-Beverly Credit Card Act and any of its amendments; or

c. Any other law or regulation that restricts or prohibits the collection, dissemination, transmission, distribution or use of "consumer financial identity information".

8. "Employee" includes a "leased worker". "Employee" does not include a "temporary worker".

9. "Good Samaritan services" means any emergency medical services for which no compensation is demanded or received.

10. "Impaired property" means tangible property, other than "your product" or "your work", that cannot be used or is less useful because:

a. It incorporates "your product" or "your work" that is known or thought to be defective, deficient, inadequate or dangerous; or

b. You have failed to fulfill the terms of a contract or agreement;

if such property can be restored to use by the repair, replacement, adjustment or removal of "your product" or "your work" or your fulfilling the terms of the contract or agreement.

11. "Leased worker" means a person leased to you by a labor leasing firm under an agreement between you and the labor leasing firm, to perform duties related to the conduct of your business. "Leased worker" does not include a "temporary worker".

12. "Loading or unloading" means the handling of property:

a. After it is moved from the place where it is accepted for movement into or onto an aircraft, watercraft or "auto";

b. While it is in or on an aircraft, watercraft or "auto"; or

c. While it is being moved from an aircraft, watercraft or "auto" to the place where it is finally delivered;

but "loading or unloading" does not include the movement of property by means of a mechanical device, other than a hand truck, that is not attached to the aircraft, watercraft or "auto".

13. "Mobile equipment" means any of the following types of land vehicles, including any attached machinery or equipment:

a. Bulldozers, farm machinery, forklifts and other vehicles designed for use principally off public roads.

b. Vehicles maintained for use solely on or next to premises you own or rent.

c. Vehicles that travel on crawler treads.

d. Vehicles, whether self-propelled or not, maintained primarily to provide mobility to permanently mounted:

(1) Power cranes, shovels, loaders, diggers or drills; or

(2) Road construction or resurfacing equipment such as graders, scrapers or rollers.

e. Vehicles not described in Paragraph a., b., c. or d. above that are not self-propelled and are maintained primarily to provide mobility to permanently attached equipment of the following types:

(1) Air compressors, pumps and generators, including spraying, welding, building cleaning, geophysical exploration, lighting and well servicing equipment; or

(2) Cherry pickers and similar devices used to raise or lower workers.

f. Vehicles not described in Paragraph a., b., c. or d. above maintained primarily for purposes other than the transportation of persons or cargo.

However, self-propelled vehicles with the following types of permanently attached equipment are not "mobile equipment" but will be considered "autos":

(1) Equipment designed primarily for:

(a) Snow removal;

(b) Road maintenance, but not construction or resurfacing; or

(c) Street cleaning;

(2) Cherry pickers and similar devices mounted on automobile or truck chassis and used to raise or lower workers; and

(3) Air compressors, pumps and generators, including spraying, welding, building cleaning, geophysical exploration, lighting and well servicing equipment.

However, "mobile equipment" does not include any land vehicle that is subject to a compulsory or financial responsibility law, or other motor vehicle insurance law, where it is licensed or principally garaged. Such land vehicles are considered "autos".
14. "Occurrences" means:

a. With respect to "bodily injury" or "property damage":

   (1) An accident, including continuous or repeated exposure to substantially the same general harmful conditions, which results in "bodily injury" or "property damage". All "bodily injury" or "property damage" caused by such exposure to substantially the same general harmful conditions will be deemed to be caused by one "occurrence"; or

   (2) An act or omission committed in providing or failing to provide first aid or "Good Samaritan services" to a person by any of your "employees" or "volunteer workers" other than an employed or volunteer doctor, unless you are in the business or occupation of providing professional health care services;

b. With respect to "personal injury", an offense arising out of your business that results in "personal injury". All "personal injury" caused by the same or related injurious material, act or offense will be deemed to be caused by one "occurrence", regardless of the frequency or repetition thereof, the number and kind of media used or the number of persons or organizations making claims or bringing "suits"; and

c. With respect to "advertising injury", an offense committed in the course of advertising your goods, products and services that results in "advertising injury". All "advertising injury" caused by the same or related injurious material, act or offense will be deemed to be caused by one "occurrence", regardless of the frequency or repetition thereof, the number and kind of media used or the number of persons or organizations making claims or bringing "suits".

15. "Officer" means a person holding any of the officer positions created by your charter, constitution, bylaws or any other similar governing document.

16. "Personal injury":

a. Means injury, other than "advertising injury", caused by one or more of the following offenses:

   (1) False arrest, detention or imprisonment;

   (2) Malicious prosecution;

(3) The wrongful eviction from, wrongful entry into, or invasion of the right of private occupancy of a room, dwelling or premises that a person occupies, provided that the wrongful eviction, wrongful entry or invasion of the right of private occupancy is committed by or on behalf of the owner, landlord or lessor of that room, dwelling or premises;

(4) Oral or written publication, including publication by electronic means, of material that slanders or libels a person or organization or disparages a person's or organization's goods, products or services, provided that the claim is made or the "suit" is brought by a person or organization that claims to have been slandered or libeled, or that claims to have had its goods, products or services disparaged; or

(5) Oral or written publication, including publication by electronic means, of material that:

   (a) Appropriates a person's name, voice, photograph or likeness; or

   (b) Unreasonably places a person in a false light.

   b. Includes "bodily injury" caused by one or more of the offenses described in Paragraph a. above.

17. "Pollutants" mean any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.

18. "Property damage" means:

a. Physical injury to tangible property, including all resulting loss of use of that property. All such loss of use will be deemed to occur at the time of the physical injury that caused it;

b. Loss of use of tangible property that is not physically injured. All such loss of use will be deemed to occur at the time of the "occurrence" that caused it.

For the purposes of this insurance, "electronic data" is not tangible property.

19. "Self-insured retention" is the greater of:

a. The amount shown in the Declarations which the insured must first pay under Coverage B for damages because of all
“bodily injury”, “property damage”, “personal injury” or “advertising injury” arising out of any one “occurrence”; or

b. The applicable limit of insurance of any “other insurance” that applies.

20. “Slogan”:

a. Means a phrase that others use for the purpose of attracting attention in their advertising.

b. Does not include a phrase used as, or in, the name of:

   (1) Any person or organization other than you; or

   (2) Any business, or any of the premises, goods, products, services or work, of any person or organization other than you.

21. "Temporary worker" means a person who is furnished to you to substitute for a permanent "employee" on leave or to meet seasonal or short-term workload conditions.

22. "Title" means the name of a literary or artistic work.

23. "Unsolicited communication" means any communication, in any form, that the recipient of such communication did not specifically request to receive.

24. "Volunteer worker" means a person who is not your "employee", and who donates his or her work and acts at the direction of and within the scope of duties determined by you, and is not paid a fee, salary or other compensation by you or anyone else for their work performed by you.

25. "Your product“:

a. Means:

   (1) Any goods or products, other than real property, manufactured, sold, handled, distributed or disposed of by:

      (a) You;

      (b) Others trading under your name; or

      (c) A person or organization whose business or assets you have acquired; and

   (2) Containers (other than vehicles), materials, parts or equipment furnished in connection with such goods or products.

b. Includes:

   (1) Warranties or representations made at any time with respect to the fitness, quality, durability, performance or use of "your product"; and

   (2) The providing of or failure to provide warnings or instructions.

26. "Your work“:

a. Means:

   (1) Work or operations performed by you or on your behalf; and

   (2) Materials, parts or equipment furnished in connection with such work or operations.

b. Includes:

   (1) Warranties or representations made at any time with respect to the fitness, quality, durability, performance or use of "your work"; and

   (2) The providing of or failure to provide warnings or instructions.

C. With respect to Coverage C:

1. "Crisis management advisor" means any public relations firm or crisis management firm approved by us that is hired by you to perform "crisis management services" in connection with a "crisis management event".

2. "Crisis management event" means an "event" or "occurrence" that your "executive officer" reasonably determines has resulted, or may result, in:

   a. Damages covered by this Coverage A or Coverage B that are in excess of the total applicable limits of the "underlying insurance" or "self-insured retention"; and

   b. Significant adverse regional or national media coverage.

3. "Crisis management service expenses" means amounts incurred by you, after a "crisis management event" first commences and before such event ends:

   a. For the reasonable and necessary:

      (1) Fees and expenses of a "crisis management advisor" in the performance for you of "crisis management services" solely for a "crisis management event"; and
(2) Costs for printing, advertising, mailing of materials or travel by your directors, officers, employees or agents or a "crisis management advisor" solely for a "crisis management event"; and

b. For the following expenses resulting from such "crisis management event", provided that such expenses have been approved by us:

(1) Medical expenses;
(2) Funeral expenses;
(3) Psychological counseling;
(4) Travel expenses;
(5) Temporary living expenses;
(6) Expenses to secure the scene of a "crisis management event"; or
(7) Any other expenses pre-approved by us.

4. "Crisis management services" means those services performed by a "crisis management advisor" in advising you or minimizing potential harm to you from a "crisis management event" by maintaining or restoring public confidence in you.

5. "Executive officer" means your:
   a. Chief Executive Officer;
   b. Chief Operating Officer;
   c. Chief Financial Officer;
   d. President;
   e. General Counsel;
   f. General partner (if you are a partnership); or
   g. Sole proprietor (if you are a sole proprietorship);
   or any person acting in the same capacity as any individual listed above.

DESIGNATED PERSON:

Any Person Or Organization For Which The Insured Has Agreed by Written Contract Executed Prior to Loss To Furnish This Waiver

DESIGNATED ORGANIZATION:
CITY OF PLACENTIA
PROFESSIONAL SERVICES AGREEMENT
WITH
TOTUM Corp.

THIS AGREEMENT is made and entered into this 2\textsuperscript{nd} day of April, 2024 ("Effective Date"), by and between the CITY OF PLACENTIA, a municipal corporation ("City"), and Totum Corp. ("Consultant").

WITNESSETH:

A. WHEREAS, City proposes to utilize the services of Consultant as an independent contractor to provide on-call construction management and inspection services, as more fully described herein; and

B. WHEREAS, Consultant represents that it is "design professional" as that term is defined by California Civil Code Section 2782.8 and has that degree of specialized expertise contemplated within California Government Code Section 37103, and holds all necessary licenses to practice and perform the services herein contemplated; and

C. WHEREAS, City and Consultant desire to contract for the specific services described in Exhibit "A" (the "Project") and desire to set forth their rights, duties and liabilities in connection with the services to be performed; and

D. WHEREAS, no official or employee of City has a financial interest, within the provisions of Sections 1090-1092 of the California Government Code, in the subject matter of this Agreement; and

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein, the parties hereby agree as follows:

1.0. SERVICES PROVIDED BY CONSULTANT

1.1. Scope of Services. Consultant shall provide the professional services described in the Consultant’s Proposal ("Proposal"), attached hereto as Exhibit “A” and incorporated herein by this reference.

1.2. Professional Practices. All professional services to be provided by Consultant pursuant to this Agreement shall be provided by personnel experienced in their respective fields and in a manner consistent with the standards of care, diligence and skill ordinarily exercised by professional consultants in similar fields and circumstances in accordance with sound professional practices, and with credentials as a Certified Access Specialist under Subchapter 2.5 of Title 21 of the California Code of Regulations. Consultant also warrants that it is familiar with all laws that may affect its performance of this Agreement and shall advise City of any changes in any laws that may affect Consultant’s performance of this Agreement. Consultant shall keep itself informed of State and Federal laws and regulations which in any manner affect those employed by it or in any way affect the performance of its service pursuant to this Agreement. The Consultant shall at all times observe and comply with all such laws and regulations. Officers and employees shall not be liable at law or in equity occasioned by failure of the Consultant to comply with this section. Consultant also warrants that it has ownership of all intellectual property being provided under this Agreement.

1.3. Performance to Satisfaction of City. Consultant agrees to perform all the work to the complete satisfaction of the City and within the hereinafter specified. Evaluations of the work will be done by the City Administrator or his or her designee. If the quality of work is not satisfactory, City in its discretion has the right to:

Totum Corp.
(a) Meet with Consultant to review the quality of the work and resolve the matters of concern;

(b) Require Consultant to repeat the work at no additional fee until it is satisfactory; and/or

(c) Terminate the Agreement as hereinafter set forth.

1.4. **Warranty.** Consultant warrants that it shall perform the services required by this Agreement in compliance with all applicable Federal and California employment laws, including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers’ compensation insurance and safety in employment; and all other Federal, State and local laws and ordinances applicable to the services required under this Agreement. Consultant shall indemnify and hold harmless City from and against all claims, demands, payments, suits, actions, proceedings, and judgments of every nature and description including attorneys’ fees and costs, presented, brought, or recovered against City for, or on account of any liability under any of the above-mentioned laws, which may be incurred by reason of Consultant’s performance under this Agreement.

1.5. **Non-discrimination.** In performing this Agreement, Consultant shall not engage in, nor permit its agents to engage in, discrimination in employment of persons because of their race, religion, color, national origin, ancestry, age, physical handicap, medical condition, marital status, sexual gender or sexual orientation, except as permitted pursuant to Section 12940 of the Government Code. Such actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. Consultant agrees to post in conspicuous places, available to employees and applicants for employment, a notice setting forth provisions of this non-discrimination clause.

Consultant shall, in all solicitations and advertisements for employees placed by, or on behalf of Consultant shall state that all qualified applicants will receive consideration for employment without regard to age, race, color, religion, sex, marital status, national origin, or mental or physical disability. Consultant shall cause the paragraphs contained in this Section to be inserted in all subcontracts for any work covered by the Agreement, provided that the foregoing provisions shall not apply to subcontracts for standard commercial supplies or raw materials.

1.6. **Non-Exclusive Agreement.** Consultant acknowledges that City may enter into agreements with other consultants for services similar to the services that are subject to this Agreement or may have its own employees perform services similar to those services contemplated by this Agreement.

1.7. **Delegation and Assignment.** This is a personal service contract, and the duties set forth herein shall not be delegated or assigned to any person or entity without the prior written consent of City. Consultant may engage a subcontractor(s) as permitted by law and may employ other personnel to perform services contemplated by this Agreement at Consultant’s sole cost and expense. All insurance requirements contained in this Agreement are independently applicable to any and all subcontractors that Consultant may engage during the term of this Agreement.

1.8. **Confidentiality.** Employees of Consultant in the course of their duties may have access to financial, accounting, statistical, and personnel data of private individuals and employees of City. Consultant covenants that all data, documents, discussion, or other information developed or received by Consultant or provided for performance of this Agreement are deemed confidential and shall not be disclosed by Consultant without written authorization by City. City shall grant such authorization if disclosure is required by law. All City data shall be returned to City upon the termination of this Agreement. Consultant’s covenant under this Section shall survive the termination of this Agreement.

Totum Corp.
2.0. COMPENSATION AND BILLING

2.1. Compensation. Consultant shall be paid in accordance with the fee schedule set forth in Exhibit “A”. Consultant’s total compensation shall not exceed Five Hundred Thousand Dollars ($500,000), unless authorized herein.

2.2. Additional Services. Consultant shall not receive compensation for any services provided outside the scope of services specified in the Consultant’s Proposal or which is inconsistent with or in violation of the provisions of this Agreement unless the City or the Project Manager for this Project, prior to Consultant performing the additional services, approves such additional services in writing. It is specifically understood that oral requests and/or approvals of such additional services or additional compensation shall be barred and are unenforceable. Should the City request in writing additional services that increase the hereinabove described “SCOPE OF SERVICES”, an additional fee based upon the Consultant’s standard hourly rates shall be paid to the Consultant for such additional services. Such increase in additional fees shall be limited to 25% of the total contract sum or $25,000 whichever is more. The City Engineer is authorized to approve a Change Order for such additional services.

2.3. Method of Billing. Consultant may submit invoices to the City for approval on a progress basis, but no more often than two times a month. Said invoice shall be based on the total of all Consultant’s services which have been completed to City’s sole satisfaction. City shall pay Consultant’s invoice within forty-five (45) days from the date City receives said invoice. Each invoice shall describe in detail, the services performed, the date of performance, and the associated time for completion. Any additional services approved and performed pursuant to this Agreement shall be designated as “Additional Services” and shall identify the number of the authorized change order, where applicable, on all invoices.

2.4. Records and Audits. Records of Consultant’s services relating to this Agreement shall be maintained in accordance with generally recognized accounting principles and shall be made available to City or its Project Manager for inspection and/or audit at mutually convenient times for a period of three (3) years from the Effective Date.

3.0. TIME OF PERFORMANCE

3.1. Commencement and Completion of Work. The professional services to be performed pursuant to this Agreement shall commence within five (5) days from the Effective Date of this Agreement. Said services shall be performed in strict compliance with the Project Schedule approved by City as set forth in Exhibit “A”.

3.2. Excusable Delays. Neither party shall be responsible for delays or lack of performance resulting from acts beyond the reasonable control of the party or parties. Such acts shall include, but not be limited to, acts of God, fire, strikes, material shortages, compliance with laws or regulations, riots, acts of war, or any other conditions beyond the reasonable control of a party. If a delay beyond the control of the Consultant is encountered, a time extension may be mutually agreed upon in writing by the City and the Consultant. The Consultant shall present documentation satisfactory to the City to substantiate any request for a time extension.

4.0. TERM AND TERMINATION

4.1. Term. This Agreement shall commence on the Effective Date and continue for a period of 3 years, ending on April 92, 2027 unless previously terminated as provided herein or as otherwise agreed to in writing by the parties. One (1) two-year extension is available based on Consultant performance and at the discretion of the City. Approval of the term extension is contingent upon City Council review and approval at the conclusion of the initial three-years.

4.2. Notice of Termination. The City reserves and has the right and privilege of canceling, suspending or abandoning the execution of all or any part of the work contemplated by this Agreement,
with or without cause, at any time, by providing at least fifteen (15) days prior written notice to Consultant. The termination of this Agreement shall be deemed effective upon receipt of the notice of termination. In the event of such termination, Consultant shall immediately stop rendering services under this Agreement unless directed otherwise by the City. If the City suspends, terminates or abandons a portion of this Agreement such suspension, termination or abandonment shall not make void or invalidate the remainder of this Agreement.

If the Consultant defaults in the performance of any of the terms or conditions of this Agreement, it shall have ten (10) days after service upon it of written notice of such default in which to cure the default by rendering a satisfactory performance. In the event that the Consultant fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

The City shall have the right, notwithstanding any other provisions of this Agreement, to terminate this Agreement, at its option and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement, immediately upon service of written notice of termination on the Consultant, if the latter should:

a. Be adjudged a bankrupt;

b. Become insolvent or have a receiver of its assets or property appointed because of insolvency;

c. Make a general assignment for the benefit of creditors;

d. Default in the performance of any obligation or payment of any indebtedness under this Agreement;

e. Suffer any judgment against it to remain unsatisfied or unbonded of record for thirty (30) days or longer; or

f. Institute or suffer to be instituted any procedures for reorganization or rearrangement of its affairs.

4.3. Compensation. In the event of termination, City shall pay Consultant for reasonable costs incurred and professional services satisfactorily performed up to and including the date of City’s written notice of termination within thirty-five (35) days after service of the notice of termination. Compensation for work in progress shall be prorated based on the percentage of work completed as of the effective date of termination in accordance with the fees set forth herein. In ascertaining the professional services actually rendered hereunder up to the effective date of termination of this Agreement, consideration shall be given to both completed work and work in progress, to complete and incomplete drawings, and to other documents pertaining to the services contemplated herein whether delivered to the City or in the possession of the Consultant. City shall not be liable for any claim of lost profits.

4.4. Documents. In the event of termination of this Agreement, all documents prepared by Consultant in its performance of this Agreement including, but not limited to, finished or unfinished design, development and construction documents, data studies, drawings, maps and reports, shall be delivered to the City within ten (10) days of delivery of termination notice to Consultant, at no cost to City. Any use of uncompleted documents without specific written authorization from Consultant shall be at City’s sole risk and without liability or legal expense to Consultant.

5.0. INSURANCE

5.1. Minimum Scope and Limits of Insurance. Consultant shall obtain, maintain, and keep in full force and effect during the life of this Agreement all the following minimum scope of insurance coverages with an insurance company admitted to do business in California, rated “A,” Class X, or better.
in the most recent Best's Key Insurance Rating Guide, and approved by City:

(a) Broad-form commercial general liability, in a form at least as broad as ISO from #CG 00 01 04 13, including premises-operations, products/completed operations, broad form property damage, blanket contractual liability, independent contractors, personal injury or bodily injury with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or shall be twice the required occurrence limit. If Consultant maintains higher limits that the specified minimum limits, City requires and shall be entitled to coverage for the high limits maintained by the Consultant.

(b) Business automobile liability for owned vehicles, hired, and non-owned vehicles, with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, each incident for bodily injury and property damage.

(c) Workers' compensation insurance as required by the State of California and Employers Liability Insurance with a minimum limit of $1,000,000 per accident for any employee or employees of Consultant. Consultant agrees to waive, and to obtain endorsements from its workers' compensation insurer waiving subrogation rights under its workers’ compensation insurance policy against the City, its officers, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its subcontractors, if any, to do likewise under their workers’ compensation insurance policies.

Before execution of this Agreement by the City, the Consultant shall file with the Public Works Director/City Engineer the following signed certification:

I am aware of, and will comply with, Section 3700 of the Labor Code, requiring every employer to be insured against liability of Workers' Compensation or to undertake self-insurance before commencing any of the work.

The Consultant shall also comply with Section 3800 of the Labor Code by securing, paying for and maintaining in full force and effect for the duration of this Agreement, complete Workers' Compensation Insurance, and shall furnish a Certificate of Insurance to the Public Works Director/City Engineer before execution of this Agreement by the City. The City, its officers and employees shall not be responsible for any claims in law or equity occasioned by failure of the consultant to comply with this section.

(d) Professional errors and omissions ("E&O") liability insurance with policy limits of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence and aggregate. Architects’ and engineers’ coverage shall be endorsed to include contractual liability. If the policy is written as a “claims made” policy, the retro date shall be prior to the start of the contract work. Consultant shall obtain and maintain, said E&O liability insurance during the life of this Agreement and for three years after completion of the work hereunder.

Neither the CITY nor any of its elected or appointed officials, officers, agents, employees, or volunteers makes any representation that the types of insurance and the limits specified to be carried by Consultant under this Agreement are adequate to protect Consultant. If Consultant believes that any such insurance coverage is insufficient, Consultant shall provide, at its own expense, such additional insurance as Consultant deems adequate.

5.2. Endorsements. The commercial general liability insurance policy and business

Totum Corp.
automobile liability policy shall contain or be endorsed to contain the following provisions as worded below.

(a) Additional insureds: "The City of Placentia and its elected and appointed boards, officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of the Consultant pursuant to its contract with the City; products and completed operations of the Consultant; premises owned, occupied or used by the Consultant; automobiles owned, leased, hired, or borrowed by the Consultant."

(b) Notice: "Consultant shall provide immediate written notice if (1) any of the required insurance policies is terminated; (2) the limits of any of the required policies are reduced; (3) or the deductible or self-insured retention is increased. In the event of any cancellation or reduction in coverage or limits of any insurance, Consultant shall forthwith obtain and submit proof of substitute insurance. Should Consultant fail to immediately procure other insurance, as specified, to substitute for any canceled policy, the City may procure such insurance at Consultant’s sole cost and expense."

(c) Other insurance: "The Consultant's insurance coverage shall be primary insurance as respects the City of Placentia, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of Placentia shall be excess and not contributing with the insurance provided by this policy."

(d) Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of Placentia, its officers, officials, agents, employees, and volunteers.

(e) The Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer’s liability.

5.3. Deductible or Self-Insured Retention. If any of such policies provide for a deductible or self-insured retention to provide such coverage, the amount of such deductible or self-insured retention shall be approved in advance by City. No policy of insurance issued as to which the City is an additional insured shall contain a provision which requires that no insured except the named insured can satisfy any such deductible or self-insured retention.

5.4. Certificates of Insurance. Consultant shall provide to City certificates of insurance showing the insurance coverages and required endorsements described above, in a form and content approved by City, prior to performing any services under this Agreement. The certificates of insurance and endorsements shall be attached hereto as Exhibit “B” and incorporated herein by this reference.

5.5. Non-limiting. Nothing in this Section shall be construed as limiting in any way, the indemnification provision contained in this Agreement, or the extent to which Consultant may be held responsible for payments of damages to persons or property.

6.0. GENERAL PROVISIONS

6.1. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to any matter referenced herein and supersedes any and all other prior writings and oral negotiations. This Agreement may be modified only in writing and signed by the parties in interest at the time of such modification. The terms of this Agreement shall prevail over any inconsistent provision in any other contract document appurtenant hereto, including exhibits to this Agreement.
6.2. **Representatives.** The City Administrator or his or her designee shall be the representative of City for purposes of this Agreement and may issue all consents, approvals, directives and agreements on behalf of the City, called for by this Agreement, except as otherwise expressly provided in this Agreement.

Consultant shall designate a representative for purposes of this Agreement who shall be authorized to issue all consents, approvals, directives and agreements on behalf of Consultant called for by this Agreement, except as otherwise expressly provided in this Agreement.

6.3. **Project Managers.** City shall designate a Project Manager to work directly with Consultant in the performance of this Agreement. It shall be the Consultant’s responsibility to assure that the Project Manager is kept informed of the progress of the performance of the services and the Consultant shall refer any decision, which must be made by City, to the Project Manager. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Project Manager.

Consultant shall designate a Project Manager who shall represent it and be its agent in all consultations with City during the term of this Agreement and who shall not be changed by Consultant without the express written approval by the City. Consultant or its Project Manager shall attend and assist in all coordination meetings called by City.

6.4. **Notices.** Any notices, documents, correspondence or other communications concerning this Agreement, or the work hereunder may be provided by personal delivery, facsimile or if mailed, shall be addressed as set forth below and placed in a sealed envelope, postage prepaid, and deposited in the United States Postal Service. Such communication shall be deemed served or delivered: a) at the time of delivery if such communication is sent by personal delivery; b) at the time of transmission if such communication is sent by facsimile; and c) 72 hours after deposit in the U.S. Mail as reflected by the official U.S. postmark if such communication is sent through regular United States mail.

6.5. **Attorneys’ Fees.** In the event that litigation is brought by any party in connection with this Agreement, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any of the terms, conditions, or provisions hereof.

6.6. **Governing Law.** This Agreement shall be governed by and construed under the laws of the State of California without giving effect to that body of laws pertaining to conflict of laws. In the event of any legal action to enforce or interpret this Agreement, the parties hereto agree that the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California. Consultant agrees to submit to the personal jurisdiction of such court in the event of such action.

6.7. **Assignment.** Consultant shall not voluntarily or by operation of law assign, transfer, sublet or encumber all or any part of Consultant's interest in this Agreement without City's prior written consent. Any attempted assignment, transfer, subletting or encumbrance shall be void and shall constitute a breach of this Agreement and cause for termination of this Agreement. Regardless of City's consent, no subletting or assignment shall release Consultant of Consultant's obligation to perform all other obligations to be performed by Consultant hereunder for the term of this Agreement.
Indemnification and Hold Harmless. Consultant agrees to defend, indemnify, hold free and harmless the City, its elected and appointed officials, officers, agents and employees, at Consultant’s sole expense, from and against any and all claims, demands, actions, suits or other legal proceedings arising out of, pertaining to, or relating to the negligence, recklessness, or willful misconduct of Consultant brought against the City, its elected and appointed officials, officers, agents and employees arising out of the performance of the Consultant, its employees, and/or authorized subcontractors, of the work undertaken pursuant to this Agreement. The defense obligation provided for hereunder shall apply without any advance showing of negligence, recklessness, or willful misconduct by the Consultant, its employees, and/or authorized subcontractors, but shall be required whenever any claim, action, complaint, or suit asserts as its basis the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors, and/or whenever any claim, action, complaint or suit asserts liability against the City, its elected and appointed officials, officers, agents and employees based upon the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors under this Agreement, whether or not the Consultant, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable. Notwithstanding the foregoing, the Consultant shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City’s specifications or Consultant’s Proposal, which shall be of no force and effect.

Independent Contractor. Consultant is and shall be acting at all times as an independent contractor and not as an employee of City. Consultant shall have no power to incur any debt, obligation, or liability on behalf of City or otherwise act on behalf of City as an agent. Neither City nor any of its agents shall have control over the conduct of Consultant or any of Consultant’s employees, except as set forth in this Agreement. Consultant shall not, at any time, or in any manner, represent that it or any of its or employees are in any manner agents or employees of City. Consultant shall secure, at its sole expense, and be responsible for any and all payment of Income Tax, Social Security, State Disability Insurance Compensation, Unemployment Compensation, and other payroll deductions for Consultant and its officers, agents, and employees, and all business licenses, if any are required, in connection with the services to be performed hereunder. Consultant shall indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant further agrees to indemnify and hold City harmless from any failure of Consultant to comply with the applicable worker’s compensation laws. City shall have the right to offset against the amount of any fees due to Consultant under this Agreement any amount due to City from Consultant as a result of Consultant’s failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

PERS Eligibility Indemnification. In the event that Consultant or any employee, agent, or subcontractor of Consultant providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Consultant shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Notwithstanding any other agency, state or federal policy, rule, regulation, law or ordinance to the contrary, Consultant and any of its employees, agents, and subcontractors providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

Cooperation. In the event any claim or action is brought against City relating to Consultant’s performance or services rendered under this Agreement, Consultant shall render any reasonable assistance and cooperation which City might require.
6.12. **Ownership of Documents.** All findings, reports, documents, information and data including, but not limited to, computer tapes or discs, preliminary notes, working documents, files and tapes furnished or prepared by Consultant or any of its subcontractors in the course of performance of this Agreement, shall be and remain the sole property of City. Consultant agrees that any such documents or information shall not be made available to any individual or organization without the prior consent of City but shall be made available to the City within ten (10) days of request or within ten (10) days of termination. Any use of such documents for other projects not contemplated by this Agreement, and any use of incomplete documents, shall be at the sole risk of City and without liability or legal exposure to Consultant. City shall indemnify and hold harmless Consultant from all claims, damages, losses, and expenses, including attorneys’ fees, arising out of or resulting from City’s use of such documents for other projects not contemplated by this Agreement or use of incomplete documents furnished by Consultant. Consultant shall deliver to City any findings, reports, documents, information, data, preliminary notes and working documents, in any form, including but not limited to, computer tapes, discs, files audio tapes or any other Project related items as requested by City or its authorized representative, at no additional cost to the City. Consultant or Consultant’s agents shall execute such documents as may be necessary from time to time to confirm City’s ownership of the copyright in such documents.

6.13. **Public Records Act Disclosure.** Consultant has been advised and is aware that this Agreement and all reports, documents, information and data, including, but not limited to, computer tapes, discs or files furnished or prepared by Consultant, or any of its subcontractors, pursuant to this Agreement and provided to City may be subject to public disclosure as required by the California Public Records Act (California Government Code Section 6250 et seq.). Exceptions to public disclosure may be those documents or information that qualify as trade secrets, as that term is defined in the California Government Code Section 6254.7, and of which Consultant informs City of such trade secret. The City will endeavor to maintain as confidential all information obtained by it that is designated as a trade secret. The City shall not, in any way, be liable or responsible for the disclosure of any trade secret including, without limitation, those records so marked if disclosure is deemed to be required by law or by order of the Court.

6.14. **Conflict of Interest.** Consultant and its officers, employees, associates and subconsultants, if any, will comply with all conflict of interest statutes of the State of California applicable to Consultant’s services under this agreement, including, but not limited to, the Political Reform Act (Government Code Sections 81000, et seq.) and Government Code Section 1090. During the term of this Agreement, Consultant and its officers, employees, associates and subconsultants shall not, without the prior written approval of the City Representative, perform work for another person or entity for whom Consultant is not currently performing work that would require Consultant or one of its officers, employees, associates or subconsultants to abstain from a decision under this Agreement pursuant to a conflict of interest statute.

6.15. **Responsibility for Errors.** Consultant shall be responsible for its work and results under this Agreement. Consultant, when requested, shall furnish clarification and/or explanation as may be required by the City’s representative, regarding any services rendered under this Agreement at no additional cost to City. In the event that an error or omission attributable to Consultant occurs, then Consultant shall, at no cost to City, provide all necessary design drawings, estimates and other Consultant professional services necessary to rectify and correct the matter to the sole satisfaction of City and to participate in any meeting required with regard to the correction.

6.16. **Prohibited Employment.** Consultant will not employ any regular employee of City while this Agreement is in effect.

6.17. **Order of Precedence.** In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and those of any such provision or provisions so incorporated by reference, the conflict shall be resolved by
giving precedence in the following order, if applicable: This Agreement, the City’s Request for Proposals, the Consultant’s Proposal.

6.18. Costs. Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.

6.19. No Third Party Beneficiary Rights. This Agreement is entered into for the sole benefit of City and Consultant and no other parties are intended to be direct or incidental beneficiaries of this Agreement and no third party shall have any right in, under or to this Agreement.

6.20. Headings. Paragraphs and subparagraph headings contained in this Agreement are included solely for convenience and are not intended to modify, explain or to be a full or accurate description of the content thereof and shall not in any way affect the meaning or interpretation of this Agreement.

6.21. Construction. The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. There shall be no presumption or burden of proof favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

6.22. Amendments. Only a writing executed by the parties hereto or their respective successors and assigns may amend this Agreement.

6.23. Waiver. The delay or failure of either party at any time to require performance or compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of those rights to require such performance or compliance. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom enforcement of a waiver is sought. The waiver of any right or remedy in respect to any occurrence or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a continuing waiver.

6.24. Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial benefit of the bargain for any party, is materially impaired, which determination made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.

6.25. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original. All counterparts shall be construed together and shall constitute one agreement.

6.26. Corporate Authority. The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by doing so the parties hereto are formally bound to the provisions of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective authorized officers, as of the date first above written.

Proposal for:
ON CALL CONSTRUCTION MANAGEMENT AND INSPECTION SERVICES
Presented to:
City of Placentia

City of Placentia

Placentia, CA 92870  
Attn: Chris Tanio PE, Deputy Director/City Engineer

Dear Mr. Tanio:

RE: Request for Proposal for On-Call Construction Management and Inspection Services

We are delighted to submit our qualifications to provide On Call Construction Management and Inspection Services for your upcoming facility capital improvement projects.

Our address and contact information are on the left-hand margin of this page. The primary contact person is Danny Kaye (CCM, PMP) who has the power to bind Totum contractually and is the signer of this letter. Our Sherman Oaks location will be responsible for the project deliverables for the projects.

Totum was established in 2005 as a small business enterprise to provide design and construction management services to our clients and currently has ongoing work at the Cities of Azusa, Placentia, Huntington Beach and Santa Monica and on call with the City of Long Beach. We are an S corporation with an SBE/VSBE certification.

We have the advantage of 5 years of experience currently working successfully with Placentia with small projects such as ADA upgrades to the Civic Center Police HQ and the BACKS community center, the APWA award winning Navigation Center as well as the current Public Safety Building at the Public Works Yard.

Totum staff have successfully managed many small City and other public and private sector facility projects over the last 20+ years, including new and renovated community centers, new and renovated libraries, police and fire station seismic retrofits and ADA upgrades, roof replacements, facility assessments and parks, park restrooms and several years ago, we finished a very fast track homeless shelter for the City of Placentia, winning an APWA award. Further our proposed staff has worked together, including for Placentia, on many occasions and has substantial experience with public sector projects, renovations, and grounds-up construction.

We have reviewed the typical projects you show as capital improvements and construction projects as well as scope of services that you list as needed by the project team and believe we have the ideal background to provide these services for said proposed projects. Through our innovation we have developed custom tracking tools to help us manage all the scope needed.

Danny Kaye would be the day-to-day lead preconstruction / construction manager exactly as he has done for numerous similar projects including those prior for Placentia. Staff will assist or be assigned, depending on the project status and complexity and for contract administration as called out under section 3, page 5.

Koury, our deputy inspectors and testing lab have been our partners of multiple projects for close to 20 years with and before we were at Totum. We would plan to use a small, women owned firm, PWCC as our labor compliance consultant. Our planned team has
the experience to oversee the design, provide constructability reviews, assist with bid documents, permitting, QA / QC inspections, claims management and manage construction. Our job is to make sure that all projects are built in accordance with plans and specs.

As you have experienced, when you have Totum on your project, you can reach the actual owners of the company literally 24-7 and as active participants in our projects, we will know what’s going on. We have kept our firm and consultants small to ensure we have this oversight and involvement and enable a low overhead and competitive rates. We do what it takes to get a project done.

We listen carefully to what our client needs and try to under promise but over deliver to meet these needs, all the time remembering that it’s our clients project and needs we must fulfill, failure is not an option. Most of our work is repeat business and word of mouth. Often, at cost with no mark up, retain other consultants from deputy inspectors through soils engineers, we are happy to provide our clients with the best team possible should the need arise.

As you review our proposal, we ask you to consider the following summary points:

- We have managed dozens of City projects over the last 16+ years as Totum and with prior firms; renovations and grounds up, from a simple new restroom on a beach, through a $25MM seismic renovation of a fully occupied police station and jail. We know how to work in occupied facilities.
- Construction Management is our core business. We have managed dozens of new build, renovations and tenant improvement projects, from inception to completion, from less than $10,000 to $45+ million.
- Our size allows us to specialize in construction / project management and design oversight and be very cost effective with rates and our time.
- We have repeat clients such as the City of Long Beach, City of Placentia, UCLA Farmers Market and recently, the City of Huntington Beach.
- We have a great reputation. As such, we get bidders to the table. We have had a 100% success rate with our projects.
- We are collaborators. We push for equitable solutions. We are high energy, “get-it-done” people. We believe in loyalty and integrity. We really take our role seriously and take the position that “we are the Client”, not just consultants.

We have tried to make our qualification package brief, informative and enjoyable and look forward to the next step in your selection process. I should be your point of contact during this process, and I can be reached directly at 310-351-0138 or email danny@totumconsulting.com.

We acknowledge the Q&A document posted on Jan 23, 2024. We maintain the page count of 30. We acknowledge the Addendum #1 regarding RFP deadline.

Regarding proposed exceptions - Totum has no exceptions to enumerate or describe.

Sincerely,

Danny Kaye, CCM, PMP, FRICS, LEED AP

C. Executive Summary

Totum is a California S Corporation, established in 2005. Our legal name is “Totum Corp” Totum is Latin for complete as our goal has always been to provide our clients with a complete service, or as much help as they need to “get the project done”. Within our firm, we have certified construction managers (CCM), Project Management Professional (PMP) licensed architects and LEED accredited professionals. Danny Kaye is also a licensed GC. If we can’t offer the service ourselves, we are also comfortable bringing in consultants under Totum to help our clients, such as Deputy Inspectors, LEED / Cx Consultants, Independent Estimators and Schedulers.

Over the last 20+ years, Totum has been the construction manager for well over 250 projects, from small tenant improvements, through large, complex grounds up construction on a 9 acre highly contaminated site into a LEED gold union hall, new schools and major seismic retrofits and curtain wall replacements on high rise buildings as well as parks, historic seismic retrofits and homeless shelters. The project types we have managed include facility types listed in the RFP scope of work, section 3 such as: new building construction, site improvements, landscape, irrigation projects, site improvements, parks and recs, as well as MEP system upgrades, including fire stations, libraries, city halls, police stations and community centers. Our general company services include but are not limited to:

- Adaptive Re-Use Studies
- Constructability Review
- Cost Analysis / Cost Benefit Analysis Design / Design Review
- Plan Check Coordination
- Estimating
- Entitlements / Expediting
- Facility Assessment
- Grant Procurement Assistance
- Permitting
- Planning
- Procurements
- Programming
- Project Construction Management [ from concept to completion ]
- Scheduling
- Site Due Diligence
- Sustainability

For your On Call Construction Management and Inspection services we propose to us as Sub Consultants:

1) **Koury Engineering** – For Materials Testing and Deputy Inspection, Koury Engineering provides geotechnical engineering, material testing, and inspection services for residential and commercial construction projects.
ON CALL CONSTRUCTION MANAGEMENT AND INSPECTION SERVICES

throughout Southern California. They serve as the Independent Testing Laboratory and the EOR for projects of all sizes from 60 story high-rises in Downtown LA to DSA shade structures at your neighborhood school. From freeway lane additions to OSHPD infrastructure upgrades.

We have used Koury substantially since our inception as “Totum” in 2005 Koury provides reliable quality control & investigative services throughout Southern California. Koury has been providing clients with trusted results since 1992.

Koury has an experienced team of Registered Civil and Geotechnical Engineers on staff, with over 100 inspectors and technicians in the field daily.

2) PWCC Solutions - Labor Compliance Consulting

PWCC Solutions has over 10 years’ experience in public works construction labor compliance working on Federal and State projects with extensive knowledge of Project Labor and Master Labor Agreements. They have managed labor compliance programs for over 20 State and/or Federal projects totaling more than 5 million hours of on-site work.

Totum has acted as construction managers for bid / awarded and as-needed PM / CM for numerous City facilities over the last 18 years, large and small projects. We have very recent experience working on 4 city projects including the extremely fast track Placentia Navigation Center and the current Public Safety Building at the city yard. We know how to work with the City teams, processes and protocols.

For most projects, we have been brought in at about 25% design state. This has enabled us to help our clients with constructability, estimating and bid phase documents. We have provided all the typical Administrative and Inspection scope of PM /CM services role as outlined in section 3-D, page 6 of the RFP, on all projects and specifically those listed below:

City of Placentia ADA Upgrades 2019-2020
City of Santa Monica – Airport Building Seismic Upgrades 2023-2024
City of Placentia PSB, Evidence Storage and Gun Range 2023-2024
City of Azusa Library ADA Upgrades -2018
City of Azusa Sr Center Renovation 2023+
City of Huntington Beach – 2020-23 Navigation Center, Edison Community Center and Rodgers Sr. Center and Park
City of Long Beach El Dorado Park Bridge Replacement and Site Improvements 2016
Port of Long Beach Airport Plaza HQ Renovation 2014
UCLA 924 Westwood Center Seismic Renovation 2015
Beverly Hills School District Horace Mann New School - 2016
D. Project Team Organization

The below chart outlines our staffing chart and our proposed sub consultants on our team. We are all “on call” and “as needed”. We have listed these consultants and worked with some of them for over 20 years.

Resumes follow on the next 6 pages. We have limited the resumes to 1 page to keep this package “efficient” and to provide more of a snapshot of the staff skills.

A little more on each Totum staff member:

Danny – Co-founder of Totum, Danny’s background was as a general contractor in the 90’s then moved into CM work in 1999, with 25 years experence as a CM, 20+ as Totum.
ON CALL CONSTRUCTION MANAGEMENT AND INSPECTION SERVICES

Pat – Sr PM / CM, Pat brought Danny into CM work in 1999. With 40 years+ experience, including building bridges in the UK and the middle east. Pat has managed large capital projects as well as numerous programs for school districts.

Alejandro – Danny and Alejandro met when Danny was a consultant at UCLA and Alejandro was a TI PM directly working for UCLA over 6 years ago. Alejandro has worked for Totum for over 5 years with projects for the City of Placentia and Huntington Beach.

Ethan – When Danny’s client at UCLA Asset Management introduced Ethan to Danny over a year ago, we felt that his broker and TI experience would be a benefit to Totum. We were right, and Ethan has worked on several complex projects including a fast track $1MM multi-prime project for a long time Totum client.

Henry – Has been with Totum for almost 3 years, working directly under the City of Placentia for the city wide fiber optic distribution project. Henry would provide the role of QA / QC as needed.

Sandra – Was our client for 10 years while she was a CPC at the City of Long Beach. When she moved to work for the City of Placentia, and a suitable project arose, we were introduced to Luis Estevez and we have been assisting since then! Sandra has 25+ years experience working for public agencies, with her specialty, as a FASLA, with parks and recs.

Totum Design: As a company that offers design services, we can use our in house team as back up and often, for help during constructability.

Koury: We have selectively been utilized Koury since pre-Totum, for 25 years now. We are currently using them for our PSB project for the City of Placentia.

Labor Compliance: Although the City is likely to continue using LCP tracker for labor compliance, we do have a firm we can use, should the need arise.

Safety: Although this is be a contractor means and methods, with PM / CM oversight, we have an alliance with a firm that can provide full safety services.

F. Understanding & Approach

Having worked for multiple municipalities going back 20 + years, for clients such as the City Long Beach, Huntington Beach*, Carson* Azusa*, Placentia*, Irvine* and Santa Monica* [* currently working with or recently finished a project], we have learned, complied with, and even helped edit, certain city processes and worked with them with alternate and specific procurement methods.

With our experience working at our city clients as well as long term clients like UCLA, BHUSD and other private clients, we have dealt with all public agencies, city, county, state and federal, including DSA and OSHPD on federal and state funded projects.

We have found most clients have differing forms and protocols. Charter City’s also vary. We work with the city forms and processes and have even improved them and picked out errors. We have also automated them, so they are more efficient and have supplemented them with our own forms we have created to enable the city, the public work and or parks and recs staff, to have better controls. From our engagement, we work with our forms and city provided formats.

Of the projects within the RFP Section 3 Scope of Work that you indicate you are undertaking, there are the numerous types of projects with which we are very familiar, experienced, and comfortable managing.

As a small firm, we are very hands on. Our project team shall be led by Danny Kaye, as the day-do-day person. A small project can be managed differently than a large project, so we would need to assess each projects needs.

We are very suited to help you with building type projects such as new build, renovations, seismic upgrades, demolition and park projects that have special needs.

Our approach to management of any project is to create a collaborative environment and treat every team member as a vested stakeholder. There are contracts, with their related terms and conditions, for most of the project delivery team members and these must be complied with, but it is in everyone’s best interests to collaborate and that in turn enhances the rate of success. Our goal is to minimize the risks, increase the opportunities to maintain the budget and deliver the project with the desired quality and within the schedule. We utilize practices, tools and standards we have perfected over the years and modified in line with the Construction Management Association of America (CMAA) published standards. We ensure we get familiar with all stakeholders, agency and project specific issues. We have very recent experience working on City projects including the extremely fast track

Navigation Center and currently the Public Safety Building. We know how to work with our City clients and provide for the services you have outlined. We understand the need to have projects completed within strict deadlines. We know the logistics and complexities involved with all aspects of a project, from concept through completion as we proved for the fast track HB Navigation Center. We are familiar with most software systems and assess their needs for each project and client requirement.

Our primary objective is to provide you a team that can professionally manage a specific project, from a part time person through several full-time team members, which we are confident we have, and to staff the project with adequate hours necessary for Totum and consultant support as needed to start a project correctly, with budget and constructability and realistic timelines.

Our second objective is to ensure the bid documents [plans and specifications] have been checked, are thorough and structured and capture all project needs.

The third objective is to work collaboratively with the contractor (and other consultants), be open and clear with issues, including cost, schedule and logistics and to ensure all stakeholders are kept in the loop. You must be briefed of any issues before the city manager, council and the mayor are informed blindly.

The following categories is our understanding of the City’s needs and our general approach to managing projects.

Preconstruction:
From our engagement onwards, we take on our role as an “extension of staff” and become vested in your project. We elaborate below on some of our methodology based on your outline of scope of services. All tasks you refer to on pages 5 to 10 of the RFP are standard practice for Totum and our consultants and our services can go beyond the listed items. If needed, we would also be able to assist the City with any documents and tasks in order to obtain funding for grants.

As part of the initial kick-off team meeting, we would seek to define all roles, milestones and expectations and ideally have, a “light” partnering meeting. We would also discuss any value-added benefits or tasks we think you may need.

Upon selection on a specific project, we’d set up typical project files and a drop box for the team and initiate a kick off meeting. We’d create the agenda and chair the meeting, set goals and milestones and ensure they are met. We’d provide an initial simple milestone schedule and get stakeholder buy-off. See page 25 for a sample master budget review. We will work with your team, with constructability and buildability review of the plans, provide cost estimating, help with the appropriate plan check agency,

compilation of bid documents including review of plans and specifications in detail, and the bid process, run the bid walk, assist with bid addendum and up to contract award. Initiating the bid process will be an early task and using experience and techniques for multiple public agencies, we shall issue a procurement sequence for City approval and set up the bid process that will yield suitable bidders.

As of 8/1/19:
- SUNquest - Gabions $322,668
- GLASS - Demo, grading, grubbing $48,150
- Pierre Landscape / Irrigation: $120,894
Total: $491,612

We have $516,000 in the budget. Thus we are currently projected to be $12,388 UNDER budget. We may need to pay additional costs for a time-added gate and some other items but we should finish — $100,000 under the equivalent budget.

We still need to price out and eventually do the carbon wood fence and the blockhouse wall.

Constructability Review: Totum review plans, ideally at 70% or more complete, to check for errors and conflicts. It starts as a detailed review of every page and detail for accuracy and compliance. It cannot be carried out too early as there are often early tidy up processes that the design team must do. We either pass our markup set to the team or create a list, in XL, so that the items can be formally addressed.
Schedules: This is a recent master schedule we did for the city of Azusa. This is a fast-track project they engaged us for CM and design services. We understand the city procurement process and the steps required. Of course, if a city requires internal expediting, we accommodate that in the schedule and process and track it accordingly. Please refer to Section G for other schedule information.
NIBS and Bid Documents. Totum frequently creates [edits from the city boiler plates] the front-end documents for the bid package as well as fully review and mark up, the design team technical specifications. Our knowledge of public works projects enables us to look for conflicts and errors, whether it is sole source specifications without “equals or conflict / clashes with other sections. Most design team re-use specifications and we often find errors including references to a project that is not related to this one! Below you can see a NIB totum issued on behalf of the City. FYI, Totum fully managed this pre-bid conference with sign in sheet, hand outs etc.

At the pre-bid meeting, we would have a sign in sheet, agenda and run it like all of our other many pre-bid conferences we carry out for prior projects with Huntington Beach, UCLA, City of Long Beach and Placentia to name just a few.
Construction Phase:

We would initiate a kickoff meeting with the contractor, client team and design team and all stake holders [including our labor compliance coordinator, local unions if applicable, testing and inspection consultant, client maintenance teams], create the agenda, attend and manage all weekly meetings, review contractors schedule and milestones to ensure they meet with the project requirements. We would prepare reports for City staff to use for approval/award of projects.

The assigned project / construction manager, apart from coordinating and managing the weekly construction meetings, would assist the team with submittal review and tracking, RFI’s and change orders, utilize our team for all change order reviews as part of a quality control program. Totum provides weekly photos and “Week at a Glance” reports as well as monthly reports that clients of ours have required to issue to their agencies such as RMC, HRSA and CDBG. **Image to right: Typical minutes / agenda.**

Our staff are trained to ensure that the contractor’s payment application and schedule values matches the contract and that they invoice correctly with accurate % complete and that they include all releases and “deliverables” required for payment along with any CDBG vouchers and forms required. We’d make sure that all quality control aspects were reviewed prior to approving any payment applications. This would be through our project / construction manager, who may enlist our QA / QC staff if needed. Sometimes, an independent review makes sense.
Our experienced staff will help with all issues that could arise on site with field conditions, inspectors or client changes. Our project / construction manager would update budgets and schedules and advise the selected stakeholders if and when any issues arise and how they are to be remediated or mitigated.

Totum utilises our “BLU” form (image to left) to track and update construction budget changes. We track change orders and potential change orders to keep our clients aware of the budget and contingency status. This shows the City instantly, that with known costs and project costs, there is still funds available before they would need to go back to council. At various stages, the risk is higher than other stages depending on the project progress and intended added scope whether change order or other fiscal adjustments. It also shows funds paid; balance left in the contract etc. Our clients find this a helpful tool. Our knowledge of what the city clients needed helped us perfect this form.

During construction communication would typically be through out project / construction manager. We would liaise with your assigned staff member and keep communication through the protocols and hierarchy agreed for both verbal and written communications. We shall liaise with the contractor and consultants accordingly. Any direction that requires correspondence to be tracked shall be followed with an email/letter/memorandum to file. Image to left, sample for tracking master budget. Typical schedule below.

We would monitor the contractor’s safety program and performance.
City Change Order Forms: This is a recent draft change order on our City of Placentia project. We draft and issue for our city clients. On a private project, it would likely be an AIA form.

As we head into close out, we’d ensure the punch list was provided and that all corrections were made and all as-builts, warranties, and “O&M” manuals are provided. A Totum close out checklist, combined with documents that the City specifically needs shall be compiled. All close out documents would be thoroughly reviewed before hand over. A final audit of all costs would be carried out and reconciled. We’d hand over all our documents we have accumulated and explain them to the City team so that the close out package was fully understood. Images to left, sample close out lists.

We have worked on projects from $25,000 to $45,000,000 so can accommodate any project task, size or role and would customize our approach to be suitable to your project scope and needs.

We do have a simple procedures manual that outlines many of these steps that we would share with you and modify for each project.

See Project WAGS.
**G. Scope of Work**

Totum has thought this question through. Until we know what kind of project is selected, it is not really possible to add scope to the already typical PM / CM roles / tasks that you list and that we and our consultants provide.

Page 5, section 3 of the RFP lists projects that may be managed, but “not be limited to”, for 13 categories [Totum is comfortable helping with many of these] and following this list, through page 10, outlines multiple tasks and roles.

While many of these tasks may be required on any specific project, it is very difficult to expand upon this without knowing a category to work on.

For example, a mechanical equipment upgrade, which Totum has managed on multiple projects in the past. We have replaced mechanical units on multiple City of Long Beach projects, as well as 150 Ton roof top cooling towers for UCLA in 2 high-rise buildings, even using helicopters. These mechanical projects require substantially less tasks than a grounds up building. Therefore, it is difficult to expand upon this question, without selecting a specific project type.
H. Schedule

Below are 2 recent schedules we provided our clients to see who to take a project through completion.

The first is for the City of Azusa. The client requested we give them a simple timeline how to get from where we are in January through to the end, particularly in light of there is politics as to when the work will start because of council elections. The second one is actually for the City of Placentia when we were timing to see how we could get the public safety building in particular the Butler evidence building complete. Do not let the dates throw you off, we all know that deviations occur whether it's rebid documents because of the budget or rain delays or just delays and approval but it's the thought logic that goes into it that's important.

Totum Rates 2024

As a small firm, we are very hands on. Our project team shall be led by Danny Kaye, as day-to-day person. A small project can be managed differently than a large project, so we would need to assess each project’s needs.

Totum bills on an hourly basis and only bill our actual time spent, not “fixed” hours per week.

We do not bill for “over time”, travel time, mileage, phones, copies etc. Reimbursables are billed as a direct cost.

Totum would discuss the individual project with your team and then propose / provide staffing and a NTE fee based on the rates below and on the staffing, we believed needed for it to be managed adequately, for your review, discussion and approvals. In this manner, there are adequate team members familiar with the project and adequate coverage.

Not all projects require a full time PM / CM. We successfully practice this approach with many clients including Cities of Placentia, Santa Monica, Huntington Beach etc.

Appendix “A” – SAMPLE CITY PROFESSIONAL SERVICES AGREEMENT 
Appendix “B” – SUMMARY SHEET 
Appendix “C” – CERTIFICATION OF PROPOSAL TO THE CITY OF PLACENTIA
1. INTRODUCTION

The City of Placentia ("City") seeks competitive proposals from qualified firms to provide On-call Construction Management and Inspection Services. A Professional Services Agreement will be entered into with multiple qualified firms to provide construction management services for a variety of projects on an on-call basis. On an on-call, as-needed basis, the selected firm(s) may later be asked to provide construction management and inspection proposals on a specific, project-by-project basis, based on an agreed-upon specific scope of services and fees.

The firm shall provide general Construction Management and Inspection services to support construction efforts and serve as an extension of City staff to assist in the overall delivery of projects, including preconstruction tasks, managing construction, and ensuring that the work is completed in accordance with the contract documents, and project closeout and commissioning phase. The consultant team will report directly to the City’s Project Manager or their authorized representative. City staff may assist in managing construction and will oversee the work of the consultant’s Project Manager, Inspector, and Contract Administrator.

Firms must provide construction management services and contract administration in conformance with the requirements set forth in the State’s Construction Manual, State’s Local Assistance Programs and Procedures Manual, OCFCD encroachment permit/requirements, and other Agencies regulatory permits/requirements. The construction manager is expected implement contract requirements and comply with all Federal and local guidelines, as required, in order to successfully execute the project in a timely and cost-efficient manner.

Technical questions about the requested services that might require a clarification of the Request for Proposals (RFP) shall be made only in writing to the Q&A section located in PlanetBids no fewer than seven (7) calendar days prior to the date and time set for opening of proposals and responses shall be provided in writing. No verbal requests or responses will be accepted. Significant interpretations or clarifications will be addressed via addenda to this RFP. This RFP includes a description of the scope of work, proposal requirements, and instructions for submitting your proposal.

Please do not contact City departments or other City staff directly. Information provided by other than the above contact may be invalid and proposals which are submitted in accordance with such information may be declared non-responsive.
Any changes, additions, or deletions in the RFP from the date of release to date of submittal will result in an addendum or amendment. Notification of such addendum or amendment shall be posted on PlanetBids. Addenda shall become part of the agreement documents.

It is the proposer's sole responsibility to monitor PlanetBids for possible addenda to this RFP. Failure of proposer to retrieve addenda from this site shall not relieve the proposer of the requirements contained therein. Additionally, failure of proposer to return signed addenda, when required, may be cause for rejection of his/her proposal.

Proposals must conform to the requirements of this RFP to be considered for award and successfully submitted through the electronic bid management system at: https://pbsystem.planetbids.com/portal/54600/portal-home by the date and time specified on the cover page of this Request For Proposal. All proposals must be signed by an authorized representative and include the completed Summary Sheet and Certification of Proposal to the City of Placentia provided in Appendix “B” and “C” of this RFP.

The City reserves the right to waive any irregularity in any proposal or to reject any proposal that does not comply with this RFP. The City alone, using criteria determined by the City, will select the qualified firm and/or consultant. The successful consultant to whom the contract is awarded shall, within ten (10) days after being notified, enter a contract with the City for the work and shall furnish all required documents necessary to enter said contract. Failure of the successful consultant to execute the contract within said ten (10) days shall be just cause for the City to contract with the next ranked consultant.

By submitting a proposal, the proposer agrees to all of the terms of the RFP and the Agreement (Appendix A), unless exceptions to the RFP or the Agreement are stated by the proposer in its proposal. The successful proposers will be required to enter into an Agreement, which will include the requirements of this RFP as well as other contract requirements. In the delivery of these services, the term of the agreement shall be for three years with the option for two additional one-year term extensions. The City reserves the right to reject any proposal(s) exceptions or changes to the Agreement or Request for Proposal.
2. PROPOSAL SCHEDULE

The schedule is as follows:

- Advertisement Date – JANUARY 9, 2024
- Q&A Due on PlanetBids – January 23, 2024 by 5:00 p.m.
- Proposals Due on PlanetBids – JANUARY 30, 2024 by 5:00 p.m.
- Hard copy proposal Due at City Hall – February 1, 2024 by 5:00 p.m.
- Proposal Evaluations/Interviews, if necessary – February 2024
- City Council Contract Award and Selection* - March 2024

*The City expects, but does not guarantee, that the decision on selection of a firm will be made by the City Council on the date indicated above.

3. SCOPE OF WORK

The City desires to engage construction management firms that will ensure that not only are City capital projects built per plan and specifications but that will also ensure a high degree of quality craftsmanship in the final product. The City’s expectation is that selected CM/inspection teams will enforce a high attention to detail on project deliverables to ensure a high-quality finished product.

The majority of capital improvement and construction projects within the city include, but are not limited to, the following:

- Street rehabilitation
- Sewer improvements
- Signing and striping improvements
- Storm Drain improvements
- Bridge construction
- New building construction
- Irrigation and landscaping

• Compliance with any and all state and federal funding requirements for construction and enforce any regulations set forth by these funds.

All tasks listed above shall be required on an as-needed basis. The city reserves the right to add or reduce some of the above tasks and duties as it sees fit. The
consultant, serving as staff extension, shall remain sufficiently flexible to meet the needs of the City and of the project.

4. ASSURANCE OF DESIGNATED PROJECT TEAM

Proposer shall ensure that the designated project team, including sub-consultants as identified in the firm’s proposal, is used for this project. Departure or reassignment of, or substitution for, any member of the designated project team or sub-consultant(s) shall not be made without the prior written approval of the City.

5. PROPOSAL FORMAT REQUIREMENTS

Each response to this RFP shall include the information described in this section.

Provide the information in the specified order. **Failure to include all the elements specified may be cause for rejection.** Additional information may be provided but should be brief and relevant to the goals of this RFP. Excessive information will not be considered favorably.

Three physical copies of the final proposal shall be submitted to the City no later than two working days after the proposal deadline. The consultant project cost proposal shall be submitted in a separate sealed envelope marked “Cost Proposal.” Proposer’s who do not include physical copies within the specified timeframe will be considered unresponsive and disqualified.

All proposals must be signed by an authorized representative and include the completed Summary Sheet and Certification of Proposal to the City of Placentia provided in Appendix “B” and “C” of this RFP.

**Proposals shall be limited to a maximum of 30 pages.** Proposals over 30 pages will be rejected. Paper size shall be 8.5”x11” and occasional 11”x17” sheets are acceptable for exhibits and graphics. The cover letter, table of contents, front and back covers, summary sheet, certification of proposal and section dividers are excluded from the page count. The proposal should include the following sections in order:

A. Cover Letter

Shall contain the following information:

- Title of this RFP
- Name and mailing address of the prime consultant (include physical location if mailing address is a PO Box)
• Contact Person, Email address, telephone number, and fax number

The City will use email to notify your firm of critical developments such as interview schedules if any, notification of selection/non-selection, etc. Therefore, it is essential that you identify one or more contact persons who have frequent access to email.

The City will not be responsible for delivery failure of email due to firewalls, spam filters, or individuals’ failure to retrieve email messages. The City will not attempt to re-deliver any messages which fail due to no fault of the City.

The Cover Letter must be signed by an officer empowered by the Consultant to sign such material and thereby commit the Consultant to the obligations contained in the RFP response. Further, the signing and submission of a response shall indicate the intention of the proposer to adhere to the provisions described in this RFP and a commitment to enter into a binding contract.

1. Proposals submitted on behalf of a Partnership shall be signed in the firm name by a partner or the Attorney-In-Fact. If signed by the Attorney-In-Fact, there shall be attached to the proposal a Power-Of-Attorney evidencing authority to sign proposals, dated the same date as the proposal and executed by all partners of the firm.

2. Proposals which are submitted on behalf of a Corporation shall have the correct corporate name thereon and the actual signature of the authorized officer of the corporation written (not typed) below the corporate name. The title of the office held by the person signing for the corporation shall appear below the signature of the officer.

3. Proposals which are submitted by an Individual doing business under a firm name ("dba") shall be signed in the name of the individual doing business under the proper firm’s name and style.

B. Executive Summary

Describe your firm's and sub-consultant's (if any) general experience and qualifications as it pertains to projects of similar scope and size. Identify the services which would be completed by your firm's staff and those that would be provided by sub-consultants. Identify any sub-consultants you propose to utilize to supplement your firm’s staff.

C. Project Team Organization
Clearly identify the prime consultant, all subconsultants, and their respective roles. Show the Project Manager and the key staff proposed for this project, including subconsultants' staff. It is expected that the project team proposed under this proposal will remain unchanged throughout the duration of the project. Replacement of key staff without consultation with the City will not be permitted.

Include contact information and a brief summary of the Prime firm's history and experience providing the requested services on similarly sized and scoped projects. Include a summary of the firm's experience, if any, with the City of Placentia. Provide a brief resume for each key staff member including their education background, licensing (if applicable), availability, and project experience.

D. Relevant Project Experience and References
List and provide a narrative summary of related project experiences. Include a minimum of three (3) similar type/size projects that your team has completed. Provide a project description, services provided, and construction costs. Discuss whether the design and construction were completed on time and within budget. Provide a minimum of three (3) references (name, title, agency, and telephone number) from previous experience. Provide no more than one contact person per project as a reference, including agency/company and phone number. Preference is given to project references that have directly worked with staff proposed for this project.

E. Understanding & Approach
Provide a detailed discussion of your firm's approach to the successful implementation of this agreement. Describe your firm/team's understanding duties assigned and identify the approach for key services and/or issues anticipated. Describe the Project Manager's and firm/team support and approach to ensure the effort is completed on schedule and within the established budget.

F. Scope of Work
Provide a scope of work complementing the City's proposed scope of work describing all tasks required to complete the work and any additional aspects to the work scope the City should and could consider. The scope of work shall provide enough detail to distinguish the varied work effort required, in keeping with the City’s desired tasks to be completed.

G. Schedule
Provide a typical schedule or sequence of events to accomplish all the required tasks; include review/approval times for the City and other project stakeholders.
H. Proposed Exceptions

Describe all proposed exceptions, alterations or amendments to the Scope of Services or other requirements of this RFP, including the Sample Contract (Appendix “A”). This section shall be clearly marked "Proposed Exceptions" in your submittal. If no exceptions are taken this shall be clearly stated in this section. The nature and scope of your proposed exceptions may affect the evaluation of your submittal and the City’s determination of whether it is possible to successfully negotiate a contract with your firm/individual.

It is necessary to submit these elements with your RFP response. Failure to submit the required information with your response will render your proposal non-responsive.

6. REQUIRED PROPOSAL STATEMENTS

This statements identified below must be included in your RFP response:

A. A statement that the submitting firm will perform the services and adhere to the requirements described in this RFP, including any addenda *(reference the addenda by date and/or number)*.

B. Subsequent to award of this RFP, all or part of any submittal may be released to any person or firm who may request it, as prescribed by the State of California Public Records Act.

C. Proposers shall include a statement that describes the specific portion(s) of their submittal that are considered proprietary and should not be releasable as public information. Proposers should be aware that all such requests may be subject to legal review and challenge.

D. Include a statement of assurance that you will not substitute members of your designated team without approval by the City of Placentia staff which declares there is no Conflict of Interest.

E. Include a statement which declares there is no Conflict of Interests.

F. Provide a statement attesting there has been no Collusion with other proposing firms.

G. Indicate your ability and agreement to fulfill the indemnification and insurance requirements contained in the sample contract. *(Please note that actual Certificates of Insurance are not required as part of your submittal.)*

7. EXCEPTIONS
8. RESOURCE ALLOCATION AND COST PROPOSAL

Selection of the consultant will be made in accordance with the provisions of Chapter 10 of the California Government Code, Sections 4526 and 4529.5, stating that selection of professional services is based on competence and qualifications without regard to fee. The fee will be opened and evaluated to ensure the fee is reasonable for the services to be delivered after selection of the consultant based on qualifications is complete. Provide in a separate sealed envelope the proposed billing rates for all expected personnel to deliver services as described in the scope of work.

All cost proposals shall be signed and dated per Section 5.0 above and shall be submitted in a separate sealed envelope.

9. SUBMITTAL INSTRUCTIONS

A. Time, Place and Format

Proposal submission due date: **JANUARY 30, 2024 at 5:00 P.M**: No proposals will be considered for award unless properly and successfully submitted through the electronic bid management system at: [https://pbsystem.planetbids.com/portal/54600/portal-home](https://pbsystem.planetbids.com/portal/54600/portal-home) by the date and time specified on the cover page of this Request For Proposal. All proposals must be signed by an authorized representative.

All required sections, including pricing, shall be submitted via the website. Bidder is solely responsible for “on time” submission of their electronic proposal. The bid management system will not accept late bids and no exceptions shall be made. Bidders will receive an e-bid confirmation number with a time stamp from PlanetBids, the bid management system indicating their bid was submitted successfully. The City will only receive those proposals that were transmitted successfully. DO NOT FAX OR E-MAIL.

NOTE: E-Bids/Proposals are sealed and cannot be viewed by the City or any other person or entity until the closing date and time. If you need to withdraw your bid, you may do so at any time before the bid deadline, by going back into the system and selecting “withdraw”.

Three physical copies of the final proposal shall be submitted to the City no later than two working days after the proposal deadline. The
consultant project cost proposal shall be submitted in a separate sealed envelope marked “Cost Proposal.” Proposer’s who do not include physical copies within the specified timeframe will be considered unresponsive and disqualified.

All proposals must be signed by an authorized representative and include the completed Summary Sheet and Certification of Proposal to the City of Placentia provided in Appendix “B” and “C” of this RFP.

Proposals must:

- Show page numbers for all pages in the proposal.
- Be on 8-1/2”x11” page size
  - states “On-Call Construction Management and Inspection Services”
  - identifies the proposer
- Must be addressed as follows:
  City of Placentia
  Attn: Chris Tanio, PE, Deputy Director/City Engineer
  401 E. Chapman Avenue
  Placentia, CA 92870
- Proposals must address the requirements of the RFP as set forth in Section 5. They should be as concise as possible and must not contain any promotional, advertising or display material.

B. Cost proposal Submittal

A detailed hourly rate schedule shall be required for this RFP. If subcontracting, the rate structure for those services shall be included. On-call contracts resulting from this RFP will be awarded to firms whose Technical Proposal meets the technical requirements of the RFP. Proposals will be ranked in accordance with the evaluation criteria stated in this RFP. Should the consultants selected for each task or project be not able to reach an agreement on the fees for design services, the City reserves the right to enter negotiations with any of the qualified consultant on the on-call list.

C. Opening of Responses

All proposals are scheduled to be opened and considered within two weeks after the deadline date shown in Section 2 using evaluation procedures set forth in Section 10. Consultant selection may be delayed or postponed at the discretion of the City.
10. EVALUATION CRITERIA

A. Selection Committee
   a. Proposals submitted will be evaluated by a Selection Committee

B. Review of Proposals
   a. The Selection Committee will use a point formula during the review process to individually score Project Proposals, as outlined in Section C below, “Project Proposal Evaluation Criteria.” The Selection Committee will then be convened to review and discuss these evaluations and combine the individual scores to arrive at an average composite Project Proposal score for each firm. Firms that do not meet “Mandatory Elements” listed in Section C1 below will be eliminated from further consideration.

   b. After the composite Project Proposal score for each firm has been established based upon the “Qualitative Evaluation” criteria listed in Section C, the Selection Committee may request oral presentations from a subset of those firms with a minimum score of 70 points. Based upon score rankings, the three (3) highest ranking firms may be interviewed. The Selection Committee may also schedule a site visit, if applicable.

   c. The Cost Proposal of firms receiving a minimum score of 70 points on the qualitative review will be opened to ensure that the Cost Proposal is reasonable. The cost proposal for these services should consist of hourly rate for all classifications assigned to this project.

C. Project Proposal Evaluation Criteria

Proposals will be evaluated using three (3) sets of criteria. Firms meeting the mandatory elements will have their proposals evaluated and scored. The following represent the principal selection criteria which will be considered during the evaluation process.

   a. Mandatory Elements
      i. The firm is independent and properly licensed to practice in California.
      ii. The firm has no conflict of interest with regard to any other work performed by the firm for the City.
      iii. The firm adheres to the instructions in this RFQ on preparing and submitting the proposal.
      iv. The firm included a Letter of Transmittal in the Project Proposal.

   b. Qualitative Evaluation (Maximum Points = 100)
      In order to be considered the proposer must achieve at least 70 points. (Points will be assigned by the Department Director or Coordinator.)
      i. Expertise and Experience (60 points)
1. The quality of the firm’s and individual personnel’s experience in providing professional design and engineering services for City Capital Improvement Projects as described in the Scope of Services. The quality of the personnel’s demonstrated expertise in producing detailed plans and related engineering services.

2. The quality of professional personnel’s education, certifications, licenses, and years of experience designing plans and providing construction support. Demonstrated commitment to high quality customer service and public relations.

3. Public agency references relative to personnel assigned to this contract; Long-term working relationships, multiple projects delivered for same agencies.

4. Firm’s statement on why it believes itself to be best qualified.

ii. Scope of Work (20 points)

1. Contract scope of work outlined in Section 3 of the RFP is addressed, and the proposal demonstrates that the proposer thoroughly understands the City’s needs and expectations, and how those will be met.

2. Inclusion of additional work scope/deliverables that complements and enhances the City’s scope of work which will ultimately deliver better services and construction projects.

iii. Allocation of Resources (20 points)

1. Conceptual plan that outlines how the firm’s resources will be leveraged to deliver Construction Management and Inspection Services that ultimately result in better projects.

2. Identify any distinguishing features, resources, skills and/or services your firm can allocate to this contract to deliver the City’s capital improvement projects.
The contract awarded shall be governed in all respect by the laws of the State of California, and any litigation with respect thereto shall be brought in the courts of the State of California. The firm awarded the contract shall comply with applicable Federal, state and local laws and regulations and comply with the following terms:

- The City has the right to reject any and all proposals.
- All documents submitted in response to the RFP are public documents subject to disclosure as permitted by the California Public Records Act.
- The City is not liable for any costs incurred in responding to the RFP.
- From the issue date of this RFP until a firm is selected and the selection is announced, firms are not allowed to communicate for any reason with any City staff except through the person named herein for questions. For violation of this provision, the City shall reserve the right to reject the proposal of the offending firm.
- The selected firm will be required to enter into a Professional Services Agreement with the City of Placentia which includes the City's Standard Terms and Conditions including insurance requirements.
- Proposals submitted early may be withdrawn by the firm prior to the Proposal due date specified above. Following the Proposal due date, the Proposal constitutes a binding offer and may not be withdrawn by the firm prior to the award.
- The City of Placentia reserves the right to: (a) waive minor irregularities or variances, non-material bid informalities or defects in any proposal; (b) reject any and all proposals, in whole or in part, submitted in response to this solicitation; (c) request clarifications from all firms; (d) request resubmissions from all firms; (e) make partial, progressive or multiple awards; and (f) take any other action as permitted by law and /or the City's Procurement Ordinance.
THIS AGREEMENT is made and entered into this __ day of _____, 20__ (“Effective Date”), by and between the CITY OF PLACENTIA, a municipal corporation (“City”), and ___________, a [state] [type of corporation] (“Consultant”).

WITNESSETH:

A. WHEREAS, City proposes to utilize the services of Consultant as an independent contractor to landscape architecture and accessibility design services, as more fully described herein; and

B. WHEREAS, Consultant represents that it is “design professional” as that term is defined by California Civil Code Section 2782.8 and has that degree of specialized expertise contemplated within California Government Code Section 37103, and holds all necessary licenses to practice and perform the services herein contemplated; including credentials as a Certified Access Specialist under Subchapter 2.5 of Title 21 of the California Code of Regulations; and

C. WHEREAS, City and Consultant desire to contract for the specific services described in Exhibit “A” (the “Project”) and desire to set forth their rights, duties and liabilities in connection with the services to be performed; and

D. WHEREAS, no official or employee of City has a financial interest, within the provisions of Sections 1090-1092 of the California Government Code, in the subject matter of this Agreement; and

E. WHEREAS, among other reasons, the City is hiring Consultant to perform accessibility design services at a public park within the City to comply with all applicable accessibility requirements. Accordingly, Consultant desires to perform these services and to bear all risk the City may bear resulting from accessibility designs that are not complaint.

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein, the parties hereby agree as follows:

1.0. SERVICES PROVIDED BY CONSULTANT

1.1. Scope of Services. Consultant shall provide the professional services described in the Consultant’s Proposal (“Proposal”), attached hereto as Exhibit “A” and incorporated herein by this reference, including but not limited to, preparing all design documents free from defects.

1.2. Professional Practices. All professional services to be provided by Consultant pursuant to this Agreement shall be provided by personnel experienced in their respective fields and in a manner consistent with the standards of care, diligence and skill ordinarily exercised by professional consultants in similar fields and circumstances in accordance with sound professional practices, and with credentials as a Certified Access Specialist under Subchapter 2.5 of Title 21 of the California Code of Regulations. Consultant also warrants that it is familiar with all laws that may affect its performance of this Agreement and shall advise City of any changes in any laws that may affect Consultant’s performance of this Agreement. Consultant shall keep itself informed of State and Federal laws and regulations which in any manner affect those employed by it or in any way affect the performance of its
service pursuant to this Agreement. The Consultant shall at all times observe and comply with all such laws and regulations. Officers and employees shall not be liable at law or in equity occasioned by failure of the Consultant to comply with this section. Consultant also warrants that it has ownership of all intellectual property being provided under this Agreement.

1.3. Performance to Satisfaction of City. Consultant agrees to perform all the work to the complete satisfaction of the City and within the hereinafter specified. Evaluations of the work will be done by the City Administrator or his or her designee. If the quality of work is not satisfactory, City in its discretion has the right to:

(a) Meet with Consultant to review the quality of the work and resolve the matters of concern;

(b) Require Consultant to repeat the work at no additional fee until it is satisfactory; and/or

(c) Terminate the Agreement as hereinafter set forth.

1.4. Warranty. Consultant warrants that it shall perform the services required by this Agreement in compliance with all applicable Federal and California employment laws, including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers’ compensation insurance and safety in employment; and all other Federal, State and local laws and ordinances applicable to the services required under this Agreement. Consultant shall indemnify and hold harmless City from and against all claims, demands, payments, suits, actions, proceedings, and judgments of every nature and description including attorneys’ fees and costs, presented, brought, or recovered against City for, or on account of any liability under any of the above-mentioned laws, which may be incurred by reason of Consultant’s performance under this Agreement.

1.5. Non-discrimination. In performing this Agreement, Consultant shall not engage in, nor permit its agents to engage in, discrimination in employment of persons because of their race, religion, color, national origin, ancestry, age, physical handicap, medical condition, marital status, sexual gender or sexual orientation, except as permitted pursuant to Section 12940 of the Government Code. Such actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. Consultant agrees to post in conspicuous places, available to employees and applicants for employment, a notice setting forth provisions of this non-discrimination clause.

Consultant shall, in all solicitations and advertisements for employees placed by, or on behalf of Consultant shall state that all qualified applicants will receive consideration for employment without regard to age, race, color, religion, sex, marital status, national origin, or mental or physical disability. Consultant shall cause the paragraphs contained in this Section to be inserted in all subcontracts for any work covered by the Agreement, provided that the foregoing provisions shall not apply to subcontracts for standard commercial supplies or raw materials.

1.6. Non-Exclusive Agreement. Consultant acknowledges that City may enter into agreements with other consultants for services similar to the services that are subject to this Agreement or may have its own employees perform services similar to those services contemplated by this Agreement.

1.7. Delegation and Assignment. This is a personal service contract, and the duties set forth herein shall not be delegated or assigned to any person or entity without the prior written consent of City. Consultant may engage a subcontractor(s) as permitted by law and may employ other personnel to perform services contemplated by this Agreement at Consultant’s sole cost and expense. All
insurance requirements contained in this Agreement are independently applicable to any and all subcontractors that Consultant may engage during the term of this Agreement.

1.8. Confidentiality. Employees of Consultant in the course of their duties may have access to financial, accounting, statistical, and personnel data of private individuals and employees of City. Consultant covenants that all data, documents, discussion, or other information developed or received by Consultant or provided for performance of this Agreement are deemed confidential and shall not be disclosed by Consultant without written authorization by City. City shall grant such authorization if disclosure is required by law. All City data shall be returned to City upon the termination of this Agreement. Consultant's covenant under this Section shall survive the termination of this Agreement.

2.0. COMPENSATION AND BILLING

2.1. Compensation. Consultant shall be paid in accordance with the fee schedule set forth in Exhibit “A”. Consultant’s total compensation shall not exceed _______ Dollars ($ _____.00).

2.2. Additional Services. Consultant shall not receive compensation for any services provided outside the scope of services specified in the Consultant’s Proposal or which is inconsistent with or in violation of the provisions of this Agreement unless the City or the Project Manager for this Project, prior to Consultant performing the additional services, approves such additional services in writing. It is specifically understood that oral requests and/or approvals of such additional services or additional compensation shall be barred and are unenforceable. Should the City request in writing additional services that increase the hereinabove described "SCOPE OF SERVICES", an additional fee based upon the Consultant's standard hourly rates shall be paid to the Consultant for such additional services. Such increase in additional fees shall be limited to 25% of the total contract sum or $25,000 whichever is more. The City Engineer is authorized to approve a Change Order for such additional services.

2.3. Method of Billing. Consultant may submit invoices to the City for approval on a progress basis, but no more often than two times a month. Said invoice shall be based on the total of all Consultant’s services which have been completed to City’s sole satisfaction. City shall pay Consultant’s invoice within forty-five (45) days from the date City receives said invoice. Each invoice shall describe in detail, the services performed, the date of performance, and the associated time for completion. Any additional services approved and performed pursuant to this Agreement shall be designated as “Additional Services” and shall identify the number of the authorized change order, where applicable, on all invoices.

2.4. Records and Audits. Records of Consultant’s services relating to this Agreement shall be maintained in accordance with generally recognized accounting principles and shall be made available to City or its Project Manager for inspection and/or audit at mutually convenient times for a period of three (3) years from the Effective Date.

3.0. TIME OF PERFORMANCE

3.1. Commencement and Completion of Work. The professional services to be performed pursuant to this Agreement shall commence within five (5) days from the Effective Date of this Agreement. Said services shall be performed in strict compliance with the Project Schedule approved by City as set forth in Exhibit “A”.

3.2. Excusable Delays. Neither party shall be responsible for delays or lack of performance resulting from acts beyond the reasonable control of the party or parties. Such acts shall include, but not be limited to, acts of God, fire, strikes, material shortages, compliance with laws or regulations, riots, acts of war, or any other conditions beyond the reasonable control of a party. If a delay beyond the control of the Consultant is encountered, a time extension may be mutually agreed upon in writing by the City and the Consultant. The Consultant shall present documentation satisfactory to the City to substantiate any request for a time extension.
4.0. TERM AND TERMINATION

4.1. Term. This Agreement shall commence on the Effective Date and continue for a period of ______ months, ending on __________, 20__, unless previously terminated as provided herein or as otherwise agreed to in writing by the parties.

4.2. Notice of Termination. The City reserves and has the right and privilege of canceling, suspending or abandoning the execution of all or any part of the work contemplated by this Agreement, with or without cause, at any time, by providing at least fifteen (15) days prior written notice to Consultant. The termination of this Agreement shall be deemed effective upon receipt of the notice of termination. In the event of such termination, Consultant shall immediately stop rendering services under this Agreement unless directed otherwise by the City. If the City suspends, terminates or abandons a portion of this Agreement such suspension, termination or abandonment shall not make void or invalidate the remainder of this Agreement.

If the Consultant defaults in the performance of any of the terms or conditions of this Agreement, it shall have ten (10) days after service upon it of written notice of such default in which to cure the default by rendering a satisfactory performance. In the event that the Consultant fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

The City shall have the right, notwithstanding any other provisions of this Agreement, to terminate this Agreement, at its option and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement, immediately upon service of written notice of termination on the Consultant, if the latter should:

   a. Be adjudged a bankrupt;

   b. Become insolvent or have a receiver of its assets or property appointed because of insolvency;

   c. Make a general assignment for the benefit of creditors;

   d. Default in the performance of any obligation or payment of any indebtedness under this Agreement;

   e. Suffer any judgment against it to remain unsatisfied or unbonded of record for thirty (30) days or longer; or

   f. Institute or suffer to be instituted any procedures for reorganization or rearrangement of its affairs.

4.3. Compensation. In the event of termination, City shall pay Consultant for reasonable costs incurred and professional services satisfactorily performed up to and including the date of City’s written notice of termination within thirty-five (35) days after service of the notice of termination. Compensation for work in progress shall be prorated based on the percentage of work completed as of the effective date of termination in accordance with the fees set forth herein. In ascertaining the professional services actually rendered hereunder up to the effective date of termination of this Agreement, consideration shall be given to both completed work and work in progress, to complete and incomplete drawings, and to other documents pertaining to the services contemplated herein whether delivered to the City or in the possession of the Consultant. City shall not be liable for any claim of lost profits.

4.4. Documents. In the event of termination of this Agreement, all documents prepared by Consultant in its performance of this Agreement including, but not limited to, finished or unfinished
design, development and construction documents, data studies, drawings, maps and reports, shall be delivered to the City within ten (10) days of delivery of termination notice to Consultant, at no cost to City. Any use of uncompleted documents without specific written authorization from Consultant shall be at City's sole risk and without liability or legal expense to Consultant.

5.0. INSURANCE

5.1. Minimum Scope and Limits of Insurance. Consultant shall obtain, maintain, and keep in full force and effect during the life of this Agreement all the following minimum scope of insurance coverages with an insurance company admitted to do business in California, rated “A,” Class X, or better in the most recent Best’s Key Insurance Rating Guide, and approved by City:

(a) Broad-form commercial general liability, in a form at least as broad as ISO from #CG 00 01 04 13, including premises-operations, products/completed operations, broad form property damage, blanket contractual liability, independent contractors, personal injury or bodily injury with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or shall be twice the required occurrence limit. If Consultant maintains higher limits than the specified minimum limits, City requires and shall be entitled to coverage for the high limits maintained by the Consultant.

(b) Business automobile liability for owned vehicles, hired, and non-owned vehicles, with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, each incident for bodily injury and property damage.

(c) Workers’ compensation insurance as required by the State of California and Employers Liability Insurance with a minimum limit of $1,000,000 per accident for any employee or employees of Consultant. Consultant agrees to waive, and to obtain endorsements from its workers’ compensation insurer waiving subrogation rights under its workers’ compensation insurance policy against the City, its officers, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its subcontractors, if any, to do likewise under their workers’ compensation insurance policies.

Before execution of this Agreement by the City, the Consultant shall file with the Public Works Director/City Engineer the following signed certification:

I am aware of, and will comply with, Section 3700 of the Labor Code, requiring every employer to be insured against liability of Workers’ Compensation or to undertake self-insurance before commencing any of the work.

The Consultant shall also comply with Section 3800 of the Labor Code by securing, paying for and maintaining in full force and effect for the duration of this Agreement, complete Workers’ Compensation Insurance, and shall furnish a Certificate of Insurance to the Public Works Director/City Engineer before execution of this Agreement by the City. The City, its officers and employees shall not be responsible for any claims in law or equity occasioned by failure of the consultant to comply with this section.

(d) Professional errors and omissions (“E&O”) liability insurance with policy limits of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence and aggregate. Architects’ and engineers’ coverage shall be endorsed to include contractual liability. If the policy is written as a “claims made” policy, the retro date shall be prior to the start of the contract work. Consultant
shall obtain and maintain, said E&O liability insurance during the life of this Agreement and for three years after completion of the work hereunder.

Neither the CITY nor any of its elected or appointed officials, officers, agents, employees, or volunteers makes any representation that the types of insurance and the limits specified to be carried by Consultant under this Agreement are adequate to protect Consultant. If Consultant believes that any such insurance coverage is insufficient, Consultant shall provide, at its own expense, such additional insurance as Consultant deems adequate.

5.2. **Endorsements.** The commercial general liability insurance policy and business automobile liability policy shall contain or be endorsed to contain the following provisions as worded below.

(a) Additional insureds: "The City of Placentia and its elected and appointed boards, officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of the Consultant pursuant to its contract with the City; products and completed operations of the Consultant; premises owned, occupied or used by the Consultant; automobiles owned, leased, hired, or borrowed by the Consultant."

(b) Notice: "Consultant shall provide immediate written notice if (1) any of the required insurance policies is terminated; (2) the limits of any of the required polices are reduced; (3) or the deductible or self-insured retention is increased. In the event of any cancellation or reduction in coverage or limits of any insurance, Consultant shall forthwith obtain and submit proof of substitute insurance. Should Consultant fail to immediately procure other insurance, as specified, to substitute for any canceled policy, the City may procure such insurance at Consultant's sole cost and expense."

(c) Other insurance: "The Consultant's insurance coverage shall be primary insurance as respects the City of Placentia, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of Placentia shall be excess and not contributing with the insurance provided by this policy."

(d) Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of Placentia, its officers, officials, agents, employees, and volunteers.

(e) The Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

5.3. **Deductible or Self-Insured Retention.** If any of such policies provide for a deductible or self-insured retention to provide such coverage, the amount of such deductible or self-insured retention shall be approved in advance by City. No policy of insurance issued as to which the City is an additional insured shall contain a provision which requires that no insured except the named insured can satisfy any such deductible or self-insured retention.

5.4. **Certificates of Insurance.** Consultant shall provide to City certificates of insurance showing the insurance coverages and required endorsements described above, in a form and content approved by City, prior to performing any services under this Agreement. The certificates of insurance and endorsements shall be attached hereto as Exhibit “B” and incorporated herein by this reference.

5.5. **Non-limiting.** Nothing in this Section shall be construed as limiting in any way, the indemnification provision contained in this Agreement, or the extent to which Consultant may be held
responsible for payments of damages to persons or property.

6.0. GENERAL PROVISIONS

6.1. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to any matter referenced herein and supersedes any and all other prior writings and oral negotiations. This Agreement may be modified only in writing and signed by the parties in interest at the time of such modification. The terms of this Agreement shall prevail over any inconsistent provision in any other contract document appurtenant hereto, including exhibits to this Agreement.

6.2. Representatives. The City Administrator or his or her designee shall be the representative of City for purposes of this Agreement and may issue all consents, approvals, directives and agreements on behalf of the City, called for by this Agreement, except as otherwise expressly provided in this Agreement.

Consultant shall designate a representative for purposes of this Agreement who shall be authorized to issue all consents, approvals, directives and agreements on behalf of Consultant called for by this Agreement, except as otherwise expressly provided in this Agreement.

6.3. Project Managers. City shall designate a Project Manager to work directly with Consultant in the performance of this Agreement. It shall be the Consultant’s responsibility to assure that the Project Manager is kept informed of the progress of the performance of the services and the Consultant shall refer any decision, which must be made by City, to the Project Manager. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Project Manager.

Consultant shall designate a Project Manager who shall represent it and be its agent in all consultations with City during the term of this Agreement and who shall not be changed by Consultant without the express written approval by the City. Consultant or its Project Manager shall attend and assist in all coordination meetings called by City.

6.4. Notices. Any notices, documents, correspondence or other communications concerning this Agreement, or the work hereunder may be provided by personal delivery, facsimile or if mailed, shall be addressed as set forth below and placed in a sealed envelope, postage prepaid, and deposited in the United States Postal Service. Such communication shall be deemed served or delivered: a) at the time of delivery if such communication is sent by personal delivery; b) at the time of transmission if such communication is sent by facsimile; and c) 72 hours after deposit in the U.S. Mail as reflected by the official U.S. postmark if such communication is sent through regular United States mail.

6.5. Attorneys’ Fees. In the event that litigation is brought by any party in connection with this Agreement, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys’ fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any of the terms, conditions, or provisions hereof.

6.6. Governing Law. This Agreement shall be governed by and construed under the laws of
the State of California without giving effect to that body of laws pertaining to conflict of laws. In the event of any legal action to enforce or interpret this Agreement, the parties hereto agree that the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California. Consultant agrees to submit to the personal jurisdiction of such court in the event of such action.

6.7. Assignment. Consultant shall not voluntarily or by operation of law assign, transfer, sublet or encumber all or any part of Consultant's interest in this Agreement without City's prior written consent. Any attempted assignment, transfer, subletting or encumbrance shall be void and shall constitute a breach of this Agreement and cause for termination of this Agreement. Regardless of City's consent, no subletting or assignment shall release Consultant of Consultant's obligation to perform all other obligations to be performed by Consultant hereunder for the term of this Agreement.

6.8. Indemnification and Hold Harmless. Consultant agrees to defend, indemnify, hold free and harmless the City, its elected and appointed officials, officers, agents and employees, at Consultant's sole expense, from and against any and all claims, demands, actions, suits or other legal proceedings arising out of, pertaining to, or relating to the negligence, recklessness, or willful misconduct of Consultant brought against the City, its elected and appointed officials, officers, agents and employees arising out of the performance of the Consultant, its employees, and/or authorized subcontractors, of the work undertaken pursuant to this Agreement. The defense obligation provided for hereunder shall apply without any advance showing of negligence, recklessness, or willful misconduct by the Consultant, its employees, and/or authorized subcontractors, but shall be required whenever any claim, action, complaint, or suit asserts as its basis the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors, and/or whenever any claim, action, complaint or suit asserts liability against the City, its elected and appointed officials, officers, agents and employees based upon the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors under this Agreement, whether or not the Consultant, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable. Notwithstanding the foregoing, the Consultant shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City’s specifications or Consultant’s Proposal, which shall be of no force and effect.

6.9. Independent Contractor. Consultant is and shall be acting at all times as an independent contractor and not as an employee of City. Consultant shall have no power to incur any debt, obligation, or liability on behalf of City or otherwise act on behalf of City as an agent. Neither City nor any of its agents shall have control over the conduct of Consultant or any of Consultant's employees, except as set forth in this Agreement. Consultant shall not, at any time, or in any manner, represent that it or any of its or employees are in any manner agents or employees of City. Consultant shall secure, at its sole expense, and be responsible for any and all payment of Income Tax, Social Security, State Disability Insurance Compensation, Unemployment Compensation, and other payroll deductions for Consultant and its officers, agents, and employees, and all business licenses, if any are required, in connection with the services to be performed hereunder. Consultant shall indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant further agrees to indemnify and hold City harmless from any failure of Consultant to comply with the applicable worker's compensation laws. City shall have the right to offset against the amount of any fees due to Consultant under this Agreement any amount due to City from Consultant as a result of Consultant’s failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

6.10. PERS Eligibility Indemnification. In the event that Consultant or any employee, agent, or subcontractor of Consultant providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Consultant shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits
on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Notwithstanding any other agency, state or federal policy, rule, regulation, law or ordinance to the contrary, Consultant and any of its employees, agents, and subcontractors providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

6.11. Cooperation. In the event any claim or action is brought against City relating to Consultant’s performance or services rendered under this Agreement, Consultant shall render any reasonable assistance and cooperation which City might require.

6.12. Ownership of Documents. All findings, reports, documents, information and data including, but not limited to, computer tapes or discs, preliminary notes, working documents, files and tapes furnished or prepared by Consultant or any of its subcontractors in the course of performance of this Agreement, shall be and remain the sole property of City. Consultant agrees that any such documents or information shall not be made available to any individual or organization without the prior consent of City but shall be made available to the City within ten (10) days of request or within ten (10) days of termination. Any use of such documents for other projects not contemplated by this Agreement, and any use of incomplete documents, shall be at the sole risk of City and without liability or legal exposure to Consultant. City shall indemnify and hold harmless Consultant from all claims, damages, losses, and expenses, including attorneys’ fees, arising out of or resulting from City’s use of such documents for other projects not contemplated by this Agreement or use of incomplete documents furnished by Consultant. Consultant shall deliver to City any findings, reports, documents, information, data, preliminary notes and working documents, in any form, including but not limited to, computer tapes, discs, files audio tapes or any other Project related items as requested by City or its authorized representative, at no additional cost to the City. Consultant or Consultant’s agents shall execute such documents as may be necessary from time to time to confirm City’s ownership of the copyright in such documents.

6.13. Public Records Act Disclosure. Consultant has been advised and is aware that this Agreement and all reports, documents, information and data, including, but not limited to, computer tapes, discs or files furnished or prepared by Consultant, or any of its subcontractors, pursuant to this Agreement and provided to City may be subject to public disclosure as required by the California Public Records Act (California Government Code Section 6250 et seq.). Exceptions to public disclosure may be those documents or information that qualify as trade secrets, as that term is defined in the California Government Code Section 6254.7, and of which Consultant informs City of such trade secret. The City will endeavor to maintain as confidential all information obtained by it that is designated as a trade secret. The City shall not, in any way, be liable or responsible for the disclosure of any trade secret including, without limitation, those records so marked if disclosure is deemed to be required by law or by order of the Court.

6.14. Conflict of Interest. Consultant and its officers, employees, associates and subconsultants, if any, will comply with all conflict of interest statutes of the State of California applicable to Consultant's services under this agreement, including, but not limited to, the Political Reform Act (Government Code Sections 81000, et seq.) and Government Code Section 1090. During the term of this Agreement, Consultant and its officers, employees, associates and subconsultants shall not, without the prior written approval of the City Representative, perform work for another person or entity for whom Consultant is not currently performing work that would require Consultant or one of its officers, employees, associates or subconsultants to abstain from a decision under this Agreement pursuant to a conflict of interest statute.

6.15. Responsibility for Errors. Consultant shall be responsible for its work and results under this Agreement. Consultant, when requested, shall furnish clarification and/or explanation as may be
6.16. **Prohibited Employment.** Consultant will not employ any regular employee of City while this Agreement is in effect.

6.17. **Order of Precedence.** In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and those of any such provision or provisions so incorporated by reference, the conflict shall be resolved by giving precedence in the following order, if applicable: This Agreement, the City’s Request for Proposals, the Consultant’s Proposal.

6.18. **Costs.** Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.

6.19. **No Third Party Beneficiary Rights.** This Agreement is entered into for the sole benefit of City and Consultant and no other parties are intended to be direct or incidental beneficiaries of this Agreement and no third party shall have any right in, under or to this Agreement.

6.20. **Headings.** Paragraphs and subparagraph headings contained in this Agreement are included solely for convenience and are not intended to modify, explain or to be a full or accurate description of the content thereof and shall not in any way affect the meaning or interpretation of this Agreement.

6.21. **Construction.** The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. There shall be no presumption or burden of proof favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

6.22. **Amendments.** Only a writing executed by the parties hereto or their respective successors and assigns may amend this Agreement.

6.23. **Waiver.** The delay or failure of either party at any time to require performance or compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of those rights to require such performance or compliance. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom enforcement of a waiver is sought. The waiver of any right or remedy in respect to any occurrence or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a continuing waiver.

6.24. **Severability.** If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial benefit of the bargain for any party, is materially impaired, which determination made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.

6.25. **Counterparts.** This Agreement may be executed in one or more counterparts, each of
which shall be deemed an original. All counterparts shall be construed together and shall constitute one agreement.

6.26. Corporate Authority. The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by doing so the parties hereto are formally bound to the provisions of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective authorized officers, as of the date first above written.

c. Method Of Sharing
If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

d. Primary And Non-Contributory Insurance If Required By Written Contract
If you specifically agree in a written contract or agreement that the insurance afforded to an insured under this Coverage Part must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is available to such insured which covers such insured as a named insured, and we will not share with that other insurance, provided that:

(1) The "bodily injury" or "property damage" for which coverage is sought occurs; and

(2) The "personal and advertising injury" for which coverage is sought is caused by an offense that is committed; subsequent to the signing of that contract or agreement by you.

5. Premium Audit
a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.

b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations
By accepting this policy, you agree:

a. The statements in the Declarations are accurate and complete;

b. Those statements are based upon representations you made to us; and

c. We have issued this policy in reliance upon your representations.

The unintentional omission of, or unintentional error in, any information provided by you which we relied upon in issuing this policy will not prejudice your rights under this insurance. However, this provision does not affect our right to collect additional premium or to exercise our rights of cancellation or nonrenewal in accordance with applicable insurance laws or regulations.

Separation Of Insureds
Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

a. As if each Named Insured were the only Named Insured; and

b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us
If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew
If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

SECTION V – DEFINITIONS
1. "Advertisement" means a notice that is broadcast or published to the general public or specific market segments about your goods, products or services for the purpose of attracting customers or supporters. For the purposes of this definition:

a. Notices that are published include material placed on the Internet or on similar electronic means of communication; and

b. Regarding websites, only that part of a website that is about your goods, products or services for the purposes of attracting customers or supporters is considered an advertisement.
occupational therapist or occupational therapy assistant, physical therapist or speech-language pathologist; or

(b) First aid or "Good Samaritan services" by any of your "employees" or "volunteer workers", other than an employed or volunteer doctor. Any such "employees" or "volunteer workers" providing or failing to provide first aid or "Good Samaritan services" during their work hours for you will be deemed to be acting within the scope of their employment by you or performing duties related to the conduct of your business.

3. The following replaces the last sentence of Paragraph 5. of SECTION III – LIMITS OF INSURANCE:

For the purposes of determining the applicable Each Occurrence Limit, all related acts or omissions committed in providing or failing to provide "incidental medical services", first aid or "Good Samaritan services" to any one person will be deemed to be one "occurrence".

4. The following exclusion is added to Paragraph 2., Exclusions, of SECTION I – COVERAGES – COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY:

Sale Of Pharmaceuticals

"Bodily injury" or "property damage" arising out of the violation of a penal statute or ordinance relating to the sale of pharmaceuticals committed by, or with the knowledge or consent of the insured.

5. The following is added to the DEFINITIONS Section:

"Incidental medical services" means:

a. Medical, surgical, dental, laboratory, x-ray or nursing service or treatment, advice or instruction, or the related furnishing of food or beverages; or

b. The furnishing or dispensing of drugs or medical, dental, or surgical supplies or appliances.

6. The following is added to Paragraph 4.b., Excess Insurance, of SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS:

This insurance is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to any of your "employees" for "bodily injury" that arises out of providing or failing to provide "incidental medical services" to any person, to the extent not subject to Paragraph 2.a.(1) of Section II – Who Is An Insured.

K. MEDICAL PAYMENTS – INCREASED LIMIT

The following replaces Paragraph 7. of SECTION III – LIMITS OF INSURANCE:

7. Subject to Paragraph 5. above, the Medical Expense Limit is the most we will pay under Coverage C for all medical expenses because of "bodily injury" sustained by any one person, and will be the higher of:

a. $10,000; or

b. The amount shown in the Declarations of this Coverage Part for Medical Expense Limit.

L. AMENDMENT OF EXCESS INSURANCE CONDITION – PROFESSIONAL LIABILITY

The following is added to Paragraph 4.b., Excess Insurance, of SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS:

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis, that is Professional Liability or similar coverage, to the extent the loss is not subject to the professional services exclusion of Coverage A or Coverage B.

M. BLANKET WAIVER OF SUBROGATION – WHEN REQUIRED BY WRITTEN CONTRACT OR AGREEMENT

The following is added to Paragraph 8., Transfer Of Rights Of Recovery Against Others To Us, of SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS:

If the insured has agreed in a written contract or agreement to waive that insured's right of recovery against any person or organization, we waive our right of recovery against such person or organization, but only for payments we make because of:

a. "Bodily injury" or "property damage" that occurs; or

b. "Personal and advertising injury" caused by an offense that is committed; subsequent to the signing of that contract or agreement.
THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ADDITIONAL INSURED – OWNERS, LESSEES OR CONTRACTORS – SCHEDULED PERSON OR ORGANIZATION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

Location of Covered Operations:
Any project to which a written contract with the Additional Insured Person(s) or Organization(s) in the Schedule applies.

(Information required to complete this Schedule, if not shown above, will be shown in the Declarations.)

A. Section II – Who Is An Insured is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage", "personal injury" or "advertising injury" caused, in whole or in part, by:
   1. Your acts or omissions; or
   2. The acts or omissions of those acting on your behalf;
      in the performance of your ongoing operations for the additional insured(s) at the location(s) designated above.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to "bodily injury" or "property damage" occurring, or "personal injury" or "advertising injury" arising out of an offense committed, after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
2. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.
THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ADDITIONAL INSURED – OWNERS, LESSEES OR CONTRACTORS – COMPLETED OPERATIONS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s):
Any person or organization that you agree in a written contract to include as an additional insured on this Coverage Part for "bodily injury" or "property damage" included in the products-completed operations hazard, provided that such contract was signed by you before, and is in effect when, the "bodily injury or "property damage" occurs.

Location And Description Of Completed Operations
Any project to which a written contract with the Additional Insured Person(s) or Organization(s) in the Schedule applies.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

Section II – Who Is An Insured is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury" or "property damage" caused, in whole or in part, by "your work" at the location designated and described in the schedule of this endorsement performed for that additional insured and included in the "products-completed operations hazard".
WAIVER OF OUR RIGHT TO RECOVER FROM OTHERS ENDORSEMENT – CALIFORNIA (BLANKET WAIVER)

We have the right to recover our payments from anyone liable for an injury covered by this policy. We will not enforce our right against the person or organization named in the Schedule.

The additional premium for this endorsement shall be % of the California workers’ compensation premium.

CITY OF PLACENTIA
PROFESSIONAL SERVICES AGREEMENT
WITH
Z&K Consultants, INC.

THIS AGREEMENT is made and entered into this 2nd day of April, 2024 ("Effective Date"), by and between the CITY OF PLACENTIA, a municipal corporation ("City"), and Z&K Consultants, Inc. ("Consultant").

WITNESSETH:

A. WHEREAS, City proposes to utilize the services of Consultant as an independent contractor to provide on-call construction management and inspection services, as more fully described herein; and

B. WHEREAS, Consultant represents that it is "design professional" as that term is defined by California Civil Code Section 2782.8 and has that degree of specialized expertise contemplated within California Government Code Section 37103, and holds all necessary licenses to practice and perform the services herein contemplated; and

C. WHEREAS, City and Consultant desire to contract for the specific services described in Exhibit "A" (the "Project") and desire to set forth their rights, duties and liabilities in connection with the services to be performed; and

D. WHEREAS, no official or employee of City has a financial interest, within the provisions of Sections 1090-1092 of the California Government Code, in the subject matter of this Agreement; and

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein, the parties hereby agree as follows:

1.0. SERVICES PROVIDED BY CONSULTANT

1.1. Scope of Services. Consultant shall provide the professional services described in the Consultant’s Proposal ("Proposal"), attached hereto as Exhibit "A" and incorporated herein by this reference.

1.2. Professional Practices. All professional services to be provided by Consultant pursuant to this Agreement shall be provided by personnel experienced in their respective fields and in a manner consistent with the standards of care, diligence and skill ordinarily exercised by professional consultants in similar fields and circumstances in accordance with sound professional practices, and with credentials as a Certified Access Specialist under Subchapter 2.5 of Title 21 of the California Code of Regulations. Consultant also warrants that it is familiar with all laws that may affect its performance of this Agreement and shall advise City of any changes in any laws that may affect Consultant’s performance of this Agreement. Consultant shall keep itself informed of State and Federal laws and regulations which in any manner affect those employed by it or in any way affect the performance of its service pursuant to this Agreement. The Consultant shall at all times observe and comply with all such laws and regulations. Officers and employees shall not be liable at law or in equity occasioned by failure of the Consultant to comply with this section. Consultant also warrants that it has ownership of all intellectual property being provided under this Agreement.

1.3. Performance to Satisfaction of City. Consultant agrees to perform all the work to the complete satisfaction of the City and within the hereinafter specified. Evaluations of the work will be done by the City Administrator or his or her designee. If the quality of work is not satisfactory, City in its discretion has the right to:
(a) Meet with Consultant to review the quality of the work and resolve the matters of concern;
(b) Require Consultant to repeat the work at no additional fee until it is satisfactory; and/or
(c) Terminate the Agreement as hereinafter set forth.

1.4. Warranty. Consultant warrants that it shall perform the services required by this Agreement in compliance with all applicable Federal and California employment laws, including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers’ compensation insurance and safety in employment; and all other Federal, State and local laws and ordinances applicable to the services required under this Agreement. Consultant shall indemnify and hold harmless City from and against all claims, demands, payments, suits, actions, proceedings, and judgments of every nature and description including attorneys’ fees and costs, presented, brought, or recovered against City for, or on account of any liability under any of the above-mentioned laws, which may be incurred by reason of Consultant’s performance under this Agreement.

1.5. Non-discrimination. In performing this Agreement, Consultant shall not engage in, nor permit its agents to engage in, discrimination in employment of persons because of their race, religion, color, national origin, ancestry, age, physical handicap, medical condition, marital status, sexual gender or sexual orientation, except as permitted pursuant to Section 12940 of the Government Code. Such actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. Consultant agrees to post in conspicuous places, available to employees and applicants for employment, a notice setting forth provisions of this non-discrimination clause.

Consultant shall, in all solicitations and advertisements for employees placed by, or on behalf of Consultant shall state that all qualified applicants will receive consideration for employment without regard to age, race, color, religion, sex, marital status, national origin, or mental or physical disability. Consultant shall cause the paragraphs contained in this Section to be inserted in all subcontracts for any work covered by the Agreement, provided that the foregoing provisions shall not apply to subcontracts for standard commercial supplies or raw materials.

1.6. Non-Exclusive Agreement. Consultant acknowledges that City may enter into agreements with other consultants for services similar to the services that are subject to this Agreement or may have its own employees perform services similar to those services contemplated by this Agreement.

1.7. Delegation and Assignment. This is a personal service contract, and the duties set forth herein shall not be delegated or assigned to any person or entity without the prior written consent of City. Consultant may engage a subcontractor(s) as permitted by law and may employ other personnel to perform services contemplated by this Agreement at Consultant's sole cost and expense. All insurance requirements contained in this Agreement are independently applicable to any and all subcontractors that Consultant may engage during the term of this Agreement.

1.8. Confidentiality. Employees of Consultant in the course of their duties may have access to financial, accounting, statistical, and personnel data of private individuals and employees of City. Consultant covenants that all data, documents, discussion, or other information developed or received by Consultant or provided for performance of this Agreement are deemed confidential and shall not be disclosed by Consultant without written authorization by City. Consultant shall grant such authorization if disclosure is required by law. All City data shall be returned to City upon the termination of this Agreement. Consultant’s covenant under this Section shall survive the termination of this Agreement.
2.0. COMPENSATION AND BILLING

2.1. Compensation. Consultant shall be paid in accordance with the fee schedule set forth in Exhibit "A". Consultant's total compensation shall not exceed Five Hundred Thousand Dollars ($500,000), unless authorized herein.

2.2. Additional Services. Consultant shall not receive compensation for any services provided outside the scope of services specified in the Consultant's Proposal or which is inconsistent with or in violation of the provisions of this Agreement unless the City or the Project Manager for this Project, prior to Consultant performing the additional services, approves such additional services in writing. It is specifically understood that oral requests and/or approvals of such additional services or additional compensation shall be barred and are unenforceable. Should the City request in writing additional services that increase the hereinabove described "SCOPE OF SERVICES", an additional fee based upon the Consultant's standard hourly rates shall be paid to the Consultant for such additional services. Such increase in additional fees shall be limited to 25% of the total contract sum or $25,000 whichever is more. The City Engineer is authorized to approve a Change Order for such additional services.

2.3. Method of Billing. Consultant may submit invoices to the City for approval on a progress basis, but no more often than two times a month. Said invoice shall be based on the total of all Consultant's services which have been completed to City's sole satisfaction. City shall pay Consultant's invoice within forty-five (45) days from the date City receives said invoice. Each invoice shall describe in detail, the services performed, the date of performance, and the associated time for completion. Any additional services approved and performed pursuant to this Agreement shall be designated as "Additional Services" and shall identify the number of the authorized change order, where applicable, on all invoices.

2.4. Records and Audits. Records of Consultant's services relating to this Agreement shall be maintained in accordance with generally recognized accounting principles and shall be made available to City or its Project Manager for inspection and/or audit at mutually convenient times for a period of three (3) years from the Effective Date.

3.0. TIME OF PERFORMANCE

3.1. Commencement and Completion of Work. The professional services to be performed pursuant to this Agreement shall commence within five (5) days from the Effective Date of this Agreement. Said services shall be performed in strict compliance with the Project Schedule approved by City as set forth in Exhibit "A".

3.2. Excusable Delays. Neither party shall be responsible for delays or lack of performance resulting from acts beyond the reasonable control of the party or parties. Such acts shall include, but not be limited to, acts of God, fire, strikes, material shortages, compliance with laws or regulations, riots, acts of war, or any other conditions beyond the reasonable control of a party. If a delay beyond the control of the Consultant is encountered, a time extension may be mutually agreed upon in writing by the City and the Consultant. The Consultant shall present documentation satisfactory to the City to substantiate any request for a time extension.

4.0. TERM AND TERMINATION

4.1. Term. This Agreement shall commence on the Effective Date and continue for a period of 3 years, ending on April 02, 2027 unless previously terminated as provided herein or as otherwise agreed to in writing by the parties. One (1) two-year extension is available based on Consultant performance and at the discretion of the City. Approval of the term extension is contingent upon City Council review and approval at the conclusion of the initial three-years.

4.2. Notice of Termination. The City reserves and has the right and privilege of canceling,
suspending or abandoning the execution of all or any part of the work contemplated by this Agreement, with or without cause, at any time, by providing at least fifteen (15) days prior written notice to Consultant. The termination of this Agreement shall be deemed effective upon receipt of the notice of termination. In the event of such termination, Consultant shall immediately stop rendering services under this Agreement unless directed otherwise by the City. If the City suspends, terminates or abandons a portion of this Agreement such suspension, termination or abandonment shall not make void or invalidate the remainder of this Agreement.

If the Consultant defaults in the performance of any of the terms or conditions of this Agreement, it shall have ten (10) days after service upon it of written notice of such default in which to cure the default by rendering a satisfactory performance. In the event that the Consultant fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

The City shall have the right, notwithstanding any other provisions of this Agreement, to terminate this Agreement, at its option and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement, immediately upon service of written notice of termination on the Consultant, if the latter should:

a. Be adjudged a bankrupt;

b. Become insolvent or have a receiver of its assets or property appointed because of insolvency;

c. Make a general assignment for the benefit of creditors;

d. Default in the performance of any obligation or payment of any indebtedness under this Agreement;

e. Suffer any judgment against it to remain unsatisfied or unbonded of record for thirty (30) days or longer; or

f. Institute or suffer to be instituted any procedures for reorganization or rearrangement of its affairs.

4.3. Compensation. In the event of termination, City shall pay Consultant for reasonable costs incurred and professional services satisfactorily performed up to and including the date of City’s written notice of termination within thirty-five (35) days after service of the notice of termination. Compensation for work in progress shall be prorated based on the percentage of work completed as of the effective date of termination in accordance with the fees set forth herein. In ascertaining the professional services actually rendered hereunder up to the effective date of termination of this Agreement, consideration shall be given to both completed work and work in progress, to complete and incomplete drawings, and to other documents pertaining to the services contemplated herein whether delivered to the City or in the possession of the Consultant. City shall not be liable for any claim of lost profits.

4.4. Documents. In the event of termination of this Agreement, all documents prepared by Consultant in its performance of this Agreement including, but not limited to, finished or unfinished design, development and construction documents, data studies, drawings, maps and reports, shall be delivered to the City within ten (10) days of delivery of termination notice to Consultant, at no cost to City. Any use of uncompleted documents without specific written authorization from Consultant shall be at City’s sole risk and without liability or legal expense to Consultant.

5.0. INSURANCE

5.1. Minimum Scope and Limits of Insurance. Consultant shall obtain, maintain, and keep in full force and effect during the life of this Agreement all the following minimum scope of insurance...
coverages with an insurance company admitted to do business in California, rated “A,” Class X, or better in the most recent Best’s Key Insurance Rating Guide, and approved by City:

(a) Broad-form commercial general liability, in a form at least as broad as ISO from #CG 00 01 04 13, including premises-operations, products/completed operations, broad form property damage, blanket contractual liability, independent contractors, personal injury or bodily injury with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or shall be twice the required occurrence limit. If Consultant maintains higher limits that the specified minimum limits, City requires and shall be entitled to coverage for the high limits maintained by the Consultant.

(b) Business automobile liability for owned vehicles, hired, and non-owned vehicles, with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, each incident for bodily injury and property damage.

(c) Workers’ compensation insurance as required by the State of California and Employers Liability Insurance with a minimum limit of $1,000,000 per accident for any employee or employees of Consultant. Consultant agrees to waive, and to obtain endorsements from its workers’ compensation insurer waiving subrogation rights under its workers’ compensation insurance policy against the City, its officers, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its subcontractors, if any, to do likewise under their workers’ compensation insurance policies.

Before execution of this Agreement by the City, the Consultant shall file with the Public Works Director/City Engineer the following signed certification:

I am aware of, and will comply with, Section 3700 of the Labor Code, requiring every employer to be insured against liability of Workers’ Compensation or to undertake self-insurance before commencing any of the work.

The Consultant shall also comply with Section 3800 of the Labor Code by securing, paying for and maintaining in full force and effect for the duration of this Agreement, complete Workers’ Compensation Insurance, and shall furnish a Certificate of Insurance to the Public Works Director/City Engineer before execution of this Agreement by the City. The City, its officers and employees shall not be responsible for any claims in law or equity occasioned by failure of the consultant to comply with this section.

(d) Professional errors and omissions (“E&O”) liability insurance with policy limits of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence and aggregate. Architects’ and engineers’ coverage shall be endorsed to include contractual liability. If the policy is written as a “claims made” policy, the retro date shall be prior to the start of the contract work. Consultant shall obtain and maintain, said E&O liability insurance during the life of this Agreement and for three years after completion of the work hereunder.

Neither the CITY nor any of its elected or appointed officials, officers, agents, employees, or volunteers makes any representation that the types of insurance and the limits specified to be carried by Consultant under this Agreement are adequate to protect Consultant. If Consultant believes that any such insurance coverage is insufficient, Consultant shall provide, at its own expense, such additional insurance as Consultant deems adequate.
5.2. **Endorsements.** The commercial general liability insurance policy and business automobile liability policy shall contain or be endorsed to contain the following provisions as worded below.

   (a) Additional insureds: "The City of Placentia and its elected and appointed boards, officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of the Consultant pursuant to its contract with the City; products and completed operations of the Consultant; premises owned, occupied or used by the Consultant; automobiles owned, leased, hired, or borrowed by the Consultant."

   (b) Notice: "Consultant shall provide immediate written notice if (1) any of the required insurance policies is terminated; (2) the limits of any of the required polices are reduced; (3) or the deductible or self-insured retention is increased. In the event of any cancellation or reduction in coverage or limits of any insurance, Consultant shall forthwith obtain and submit proof of substitute insurance. Should Consultant fail to immediately procure other insurance, as specified, to substitute for any canceled policy, the City may procure such insurance at Consultant’s sole cost and expense."

   (c) Other insurance: "The Consultant’s insurance coverage shall be primary insurance as respects the City of Placentia, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of Placentia shall be excess and not contributing with the insurance provided by this policy."

   (d) Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of Placentia, its officers, officials, agents, employees, and volunteers.

   (e) The Consultant’s insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer’s liability.

5.3. **Deductible or Self-Insured Retention.** If any of such policies provide for a deductible or self-insured retention to provide such coverage, the amount of such deductible or self-insured retention shall be approved in advance by City. No policy of insurance issued as to which the City is an additional insured shall contain a provision which requires that no insured except the named insured can satisfy any such deductible or self-insured retention.

5.4. **Certificates of Insurance.** Consultant shall provide to City certificates of insurance showing the insurance coverages and required endorsements described above, in a form and content approved by City, prior to performing any services under this Agreement. The certificates of insurance and endorsements shall be attached hereto as Exhibit “B” and incorporated herein by this reference.

5.5. **Non-limiting.** Nothing in this Section shall be construed as limiting in any way, the indemnification provision contained in this Agreement, or the extent to which Consultant may be held responsible for payments of damages to persons or property.

6.0. **GENERAL PROVISIONS**

6.1. **Entire Agreement.** This Agreement constitutes the entire agreement between the parties with respect to any matter referenced herein and supersedes any and all other prior writings and oral negotiations. This Agreement may be modified only in writing and signed by the parties in interest at the time of such modification. The terms of this Agreement shall prevail over any inconsistent provision in any other contract document appurtenant hereto, including exhibits to this Agreement.

Z&K Consultants, Inc.
6.2. **Representatives.** The City Administrator or his or her designee shall be the representative of City for purposes of this Agreement and may issue all consents, approvals, directives and agreements on behalf of the City, called for by this Agreement, except as otherwise expressly provided in this Agreement.

Consultant shall designate a representative for purposes of this Agreement who shall be authorized to issue all consents, approvals, directives and agreements on behalf of Consultant called for by this Agreement, except as otherwise expressly provided in this Agreement.

6.3. **Project Managers.** City shall designate a Project Manager to work directly with Consultant in the performance of this Agreement. It shall be the Consultant's responsibility to assure that the Project Manager is kept informed of the progress of the performance of the services and the Consultant shall refer any decision, which must be made by City, to the Project Manager. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Project Manager.

Consultant shall designate a Project Manager who shall represent it and be its agent in all consultations with City during the term of this Agreement and who shall not be changed by Consultant without the express written approval by the City. Consultant or its Project Manager shall attend and assist in all coordination meetings called by City.

6.4. **Notices.** Any notices, documents, correspondence or other communications concerning this Agreement, or the work hereunder may be provided by personal delivery, facsimile or if mailed, shall be addressed as set forth below and placed in a sealed envelope, postage prepaid, and deposited in the United States Postal Service. Such communication shall be deemed served or delivered: a) at the time of delivery if such communication is sent by personal delivery; b) at the time of transmission if such communication is sent by facsimile; and c) 72 hours after deposit in the U.S. Mail as reflected by the official U.S. postmark if such communication is sent through regular United States mail.

Attn: Chris Tanio

6.5. **Attorneys' Fees.** In the event that litigation is brought by any party in connection with this Agreement, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any of the terms, conditions, or provisions hereof.

6.6. **Governing Law.** This Agreement shall be governed by and construed under the laws of the State of California without giving effect to that body of laws pertaining to conflict of laws. In the event of any legal action to enforce or interpret this Agreement, the parties hereto agree that the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California. Consultant agrees to submit to the personal jurisdiction of such court in the event of such action.

6.7. **Assignment.** Consultant shall not voluntarily or by operation of law assign, transfer, sublet or encumber all or any part of Consultant's interest in this Agreement without City's prior written consent. Any attempted assignment, transfer, subletting or encumbrance shall be void and shall constitute a breach of this Agreement and cause for termination of this Agreement. Regardless of City's consent, no subletting or assignment shall release Consultant of Consultant's obligation to perform all other obligations to be performed by Consultant hereunder for the term of this Agreement.
6.8. **Indemnification and Hold Harmless.** Consultant agrees to defend, indemnify, hold free and harmless the City, its elected and appointed officials, officers, agents and employees, at Consultant’s sole expense, from and against any and all claims, demands, actions, suits or other legal proceedings arising out of, pertaining to, or relating to the negligence, recklessness, or willful misconduct of Consultant brought against the City, its elected and appointed officials, officers, agents and employees arising out of the performance of the Consultant, its employees, and/or authorized subcontractors, of the work undertaken pursuant to this Agreement. The defense obligation provided for hereunder shall apply without any advance showing of negligence, recklessness, or willful misconduct by the Consultant, its employees, and/or authorized subcontractors, but shall be required whenever any claim, action, complaint, or suit asserts as its basis the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors, and/or whenever any claim, action, complaint or suit asserts liability against the City, its elected and appointed officials, officers, agents and employees based upon the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors under this Agreement, whether or not the Consultant, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable. Notwithstanding the foregoing, the Consultant shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City’s specifications or Consultant’s Proposal, which shall be of no force and effect.

6.9. **Independent Contractor.** Consultant is and shall be acting at all times as an independent contractor and not as an employee of City. Consultant shall have no power to incur any debt, obligation, or liability on behalf of City or otherwise act on behalf of City as an agent. Neither City nor any of its agents shall have control over the conduct of Consultant or any of Consultant’s employees, except as set forth in this Agreement. Consultant shall not, at any time, or in any manner, represent that it or any of its or employees are in any manner agents or employees of City. Consultant shall secure, at its sole expense, and be responsible for any and all payment of Income Tax, Social Security, State Disability Insurance Compensation, Unemployment Compensation, and other payroll deductions for Consultant and its officers, agents, and employees, and all business licenses, if any are required, in connection with the services to be performed hereunder. Consultant shall indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant further agrees to indemnify and hold City harmless from any failure of Consultant to comply with the applicable worker’s compensation laws. City shall have the right to offset against the amount of any fees due to Consultant under this Agreement any amount due to City from Consultant as a result of Consultant’s failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

6.10. **PERS Eligibility Indemnification.** In the event that Consultant or any employee, agent, or subcontractor of Consultant providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Consultant shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant further agrees to indemnify and hold City harmless from any failure of Consultant to comply with the applicable worker’s compensation laws. City shall have the right to offset against the amount of any fees due to Consultant under this Agreement any amount due to City from Consultant as a result of Consultant’s failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

Notwithstanding any other agency, state or federal policy, rule, regulation, law or ordinance to the contrary, Consultant and any of its employees, agents, and subcontractors providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

6.11. **Cooperation.** In the event any claim or action is brought against City relating to Consultant’s performance or services rendered under this Agreement, Consultant shall render any reasonable assistance and cooperation which City might require.
6.12. **Ownership of Documents.** All findings, reports, documents, information and data including, but not limited to, computer tapes or discs, preliminary notes, working documents, files and tapes furnished or prepared by Consultant or any of its subcontractors in the course of performance of this Agreement, shall be and remain the sole property of City. Consultant agrees that any such documents or information shall not be made available to any individual or organization without the prior consent of City but shall be made available to the City within ten (10) days of request or within ten (10) days of termination. Any use of such documents for other projects not contemplated by this Agreement, and any use of incomplete documents, shall be at the sole risk of City and without liability or legal exposure to Consultant. City shall indemnify and hold harmless Consultant from all claims, damages, losses, and expenses, including attorneys’ fees, arising out of or resulting from City's use of such documents for other projects not contemplated by this Agreement or use of incomplete documents furnished by Consultant. Consultant shall deliver to City any findings, reports, documents, information, data, preliminary notes and working documents, in any form, including but not limited to, computer tapes, discs, files audio tapes or any other Project related items as requested by City or its authorized representative, at no additional cost to the City. Consultant or Consultant’s agents shall execute such documents as may be necessary from time to time to confirm City's ownership of the copyright in such documents.

6.13. **Public Records Act Disclosure.** Consultant has been advised and is aware that this Agreement and all reports, documents, information and data, including, but not limited to, computer tapes, discs or files furnished or prepared by Consultant, or any of its subcontractors, pursuant to this Agreement and provided to City may be subject to public disclosure as required by the California Public Records Act (California Government Code Section 6250 et seq.). Exceptions to public disclosure may be those documents or information that qualify as trade secrets, as that term is defined in the California Government Code Section 6254.7, and of which Consultant informs City of such trade secret. The City will endeavor to maintain as confidential all information obtained by it that is designated as a trade secret. The City shall not, in any way, be liable or responsible for the disclosure of any trade secret including, without limitation, those records so marked if disclosure is deemed to be required by law or by order of the Court.

6.14. **Conflict of Interest.** Consultant and its officers, employees, associates and subconsultants, if any, will comply with all conflict of interest statutes of the State of California applicable to Consultant's services under this agreement, including, but not limited to, the Political Reform Act (Government Code Sections 81000, et seq.) and Government Code Section 1090. During the term of this Agreement, Consultant and its officers, employees, associates and subconsultants shall not, without the prior written approval of the City Representative, perform work for another person or entity for whom Consultant is not currently performing work that would require Consultant or one of its officers, employees, associates or subconsultants to abstain from a decision under this Agreement pursuant to a conflict of interest statute.

6.15. **Responsibility for Errors.** Consultant shall be responsible for its work and results under this Agreement. Consultant, when requested, shall furnish clarification and/or explanation as may be required by the City’s representative, regarding any services rendered under this Agreement at no additional cost to City. In the event that an error or omission attributable to Consultant occurs, then Consultant shall, at no cost to City, provide all necessary design drawings, estimates and other Consultant professional services necessary to rectify and correct the matter to the sole satisfaction of City and to participate in any meeting required with regard to the correction.

6.16. **Prohibited Employment.** Consultant will not employ any regular employee of City while this Agreement is in effect.

6.17. **Order of Precedence.** In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and
those of any such provision or provisions so incorporated by reference, the conflict shall be resolved by
giving precedence in the following order, if applicable: This Agreement, the City’s Request for Proposals,
the Consultant’s Proposal.

6.18. **Costs.** Each party shall bear its own costs and fees incurred in the preparation and
negotiation of this Agreement and in the performance of its obligations hereunder except as expressly
provided herein.

6.19. **No Third Party Beneficiary Rights.** This Agreement is entered into for the sole benefit of
City and Consultant and no other parties are intended to be direct or incidental beneficiaries of this
Agreement and no third party shall have any right in, under or to this Agreement.

6.20. **Headings.** Paragraphs and subparagraph headings contained in this Agreement are
included solely for convenience and are not intended to modify, explain or to be a full or accurate
description of the content thereof and shall not in any way affect the meaning or interpretation of this
Agreement.

6.21. **Construction.** The parties have participated jointly in the negotiation and drafting of this
Agreement. In the event an ambiguity or question of intent or interpretation arises with respect to this
Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with
its fair meaning. There shall be no presumption or burden of proof favoring or disfavoring any party by
virtue of the authorship of any of the provisions of this Agreement.

6.22. **Amendments.** Only a writing executed by the parties hereto or their respective successors
and assigns may amend this Agreement.

6.23. **Waiver.** The delay or failure of either party at any time to require performance or
compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of
those rights to require such performance or compliance. No waiver of any provision of this Agreement
shall be effective unless in writing and signed by a duly authorized representative of the party against
whom enforcement of a waiver is sought. The waiver of any right or remedy in respect to any occurrence
or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event,
nor shall any waiver constitute a continuing waiver.

6.24. **Severability.** If any provision of this Agreement is determined by a court of competent
jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or
enforceability of the remaining terms and provisions hereof or of the offending provision in any other
circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial
benefit of the bargain for any party, is materially impaired, which determination made by the presiding
court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such
provision(s) through good faith negotiations.

6.25. **Counterparts.** This Agreement may be executed in one or more counterparts, each of
which shall be deemed an original. All counterparts shall be construed together and shall constitute one
agreement.

6.26. **Corporate Authority.** The persons executing this Agreement on behalf of the parties hereto
warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by
doing so the parties hereto are formally bound to the provisions of this Agreement.

**IN WITNESS WHEREOF,** the parties hereto have caused this Agreement to be executed by and through
their respective authorized officers, as of the date first above written.

Subject: On-Call Construction Management and Inspection Services for the City of Placentia

January 30, 2024

Dear Mr. Tanio,

Z&K Consultants Inc. (Z&K) proudly presents our proposal to the City of Placentia for On-Call Construction Management and Inspection Services. Z&K is a certified Disadvantaged Business Enterprise (DBE), Women’s Business Enterprise (WBE), and Small Business Enterprise (SBE) in Southern California. Z&K specializes in the provision of Project Management, Program Management, Construction Management, Construction Inspection, Construction Administration, Pre-Construction Inspection, Staff Augmentation, and other Engineering Consulting Services. The Z&K Team has held numerous similar contracts for local agencies.

Z&K is proposing the same experienced team members that successfully managed streets rehabilitation, sewer improvements, signing and striping improvements, storm drain improvements, bridge construction, new building construction, irrigation and landscaping, site improvements, concrete sidewalk, streets and park lighting, parks and recreation facility improvements, mechanical systems, electrical systems, and traffic signal improvements. This Team works efficiently and with great comradery with City staff to achieve the community’s goals. Z&K works proactively and diligently with City staff to successfully deliver projects under budget while mitigating numerous unforeseen delays. We understand the vital importance of community outreach in keeping councilmembers with accurate project schedules and detailed outreach efforts.

Our team members’ versatile experience in Construction Management and Inspection Services of major projects and staff augmentation for the local jurisdictions makes the Z&K team uniquely qualified to provide the requested services. We have a track record of performing outstanding services on similar projects through saving significant time and cost from identification of the various critical elements controlling the project schedule to providing alternate practical solutions. Z&K is proud of our reputation for having seasoned personnel and of the industry’s recognition of our ability to deliver complex capital improvement projects ahead-of-schedule, under budget, without claims, and with outstanding customer service for the local community.

The Z&K Team is prepared to quickly provide exceptionally qualified personnel. Z&K has carefully selected this “A-Team” and committed our most qualified staff for the duration of the contract to deliver successful projects. The personnel identified bring specific and extensive field experience and have the qualifications required in the RFQ. Our team can assist the City with all aspects of the requested services. Z&K commits to providing our best Project Management, Construction Management, and Inspection services for timely project completion.

The Z&K Team offers many unique strengths and advantages for this contract, including:

- Z&K works extensively with numerous local cities and agencies providing similar services to this RFP. Many of these contracts have multiple extensions.
- Z&K is a Disadvantaged Business Enterprise (DBE), Women’s Business Enterprise (WBE), and Small Business Enterprise (SBE).
- Our team has experience successfully delivering projects within Orange County and are local to the City of Placentia.
- Z&K has a great depth of resources with over 40 Project Managers, Construction Managers, and Inspectors on-staff. Our team has an unmatched depth of resources and expertise on similar projects.
- Key Personnel possess all necessary licenses and registrations required for this project.
- Z&K Team provides better inspector quality because our inspectors are multi-disciplined and have construction and engineering backgrounds.
- Z&K Team has already prepared a Risk Matrix outlining critical elements to be top priority for typical similar projects to the CIP projects that are in design and progress at the City of Placentia.
- Our team has reviewed the City of Placentia’s CIP projects and have extensive similar experience. We have current and in-depth knowledge of the project types and has delivered over 500 CIP projects similar to the upcoming CIP’s that the City of Placentia anticipates streets rehabilitation, sewer improvements, signing and striping improvements, storm drain improvements, bridge construction, new building construction, irrigation and landscaping, site improvements, concrete sidewalk, streets and park lighting, parks and recreation facility improvements, mechanical systems, electrical systems, and traffic signal improvements.

Z&K commits to providing our best construction management and inspection services and all related services for timely project completion. We will dedicate the necessary resources to complete each assignment on time and within budget. The Z&K Team has carefully examined the projects’ requirements to identify key personnel best suited to deliver excellent construction management and inspection services for this project.
Our proposed Senior Project Manager/Resident Engineer, Zack Faqih, PE, ICC Certified, MSCE, CBO, QSD/P and our Project Manager/Contract Administrator, Brittany Duhn, PE, QSD/P are thoroughly familiar with the City’s upcoming CIP projects. Zack will personally lead the Z&K Team. He has a strong team of high-quality individuals to perform the tasks outlined in this RFP. Our team members have specialized experience in these services for public agencies and have 100% commitment to the City’s Projects. Our proposed key personnel are familiar with the City of Placentia’s upcoming CIP projects and know the community well.

Our Team is composed of experts in streets rehabilitation, sewer improvements, signing and striping improvements, storm drain improvements, bridge construction, new building construction, irrigation and landscaping, site improvements, concrete sidewalk, streets and park lighting, parks and recreation facility improvements, mechanical systems, electrical systems, and traffic signal improvements.

Our key personnel will be assigned to the project for the entire duration and will not be removed or replaced without concurrence from the City. We maintain close attention to our clients by tracking our contract budgets and schedules. Our team is available, committed, and eager to begin work on this project. We welcome this opportunity and look forward to working with the City to successfully deliver this important project.

We are proud to Team up with Converse Consultants to provide Material Testing Services. With a large contingent of local resources to draw from, the Z&K project team can respond to whatever needs may arise. By effectively managing a balanced workload among our staff, Z&K can respond promptly to meet with the City. This helps keep the project momentum moving forward so that the Z&K team is place and ready to work within days of receiving a Notice to Proceed. Consistent with our proven long-term approach to municipal on-call contracts, Z&K has the technical expertise and experience to provide all project types as requested in the RFP. Our Team will perform the work on the specified project for the entire duration of the project unless requested or approved by the City. We will monitor our approved budget and notify the City of additional work outside of contracted scope of work prior to performing additional work.

Z&K’s keys to success on this on-call contract includes our responsiveness, understanding of the City’s needs, capability and availability of qualified staff, and our historically successful comprehensive construction management approach for on-call, multiple-task, multiple-year contracts. Z&K will commit sufficient resources to adequately handle varying workloads that may result from multiple task orders, but technical strengths and resources are only of value if those resources can be well managed. The Z&K approach to effective construction management starts with scope, schedule, and budget development, signed contracts, and kickoff meetings. The construction management concepts for the duration of each task and the overall contract are then organized around a core framework of communication, coordination, thorough documentation, and quality control for each submittal on each task.

All proposed staff possess the certifications and licenses required to provide professional Construction Management and Construction Inspection services. Our staff licenses include registered civil engineers, traffic engineers, QSD/QSP, ICC Certified in all trades, certified plan reviewers, and Certified Building Officials. Our team has specialized project management and construction management and training. The Z&K team understands the importance of meeting deadlines in a timely manner. We commit to providing adequate staffing (both as to number of personnel and their qualifications) for every task. Our approach is flexible and adaptive to each task, and we can also commit to making use of personnel from other offices throughout the company and bringing on additional staff. Z&K is capable to scale up or down as needed with a focus on our unmatched responsiveness.
D. PROJECT TEAM ORGANIZATION

Z&K Consultants Inc. (Z&K) is a leading provider of project management and construction management services. We are a full-service civil engineering firm specializing in Project Management, Plan Review, Program Management, Construction Management, Construction Administration, Construction Inspection, Pre-Construction Inspection, Staff Augmentation, and other Professional Engineering Consulting Services. SUBCONSULTANTS | CONVERSE CONSULTANTS

In 1946, Professor Frederick J. Converse established Converse Consultants (Converse) in Pasadena, California to provide the construction industry with geotechnical engineering and geological services. Converse is an employee-owned corporation, with 9 offices and more than 150 employees throughout the United States. Their professional and technical staff includes in-house geotechnical engineers, engineering geologists, environmental scientists, deputy inspectors, laboratory and field technicians, drafting/CAD specialists, and other specialized support personnel. Their laboratories are certified by the Division of the State Architect (DSA), California Department of Transportation (Caltrans), US Army Corps of Engineers, American Association of State Highway and Transportation Officials (AASHTO), and the Cement and Concrete Reference Laboratory (CCRL). A registered civil engineer supervises each lab to ensure all of our equipment is calibrated regularly, and quality control is available 24/7.

All proposed staff possess the certifications and licenses required to provide professional construction management and inspection services. Our staff licenses include registered civil engineers, traffic engineers, QSD/QSP, ICC Certified in all trades, certified plan reviewers, and Certified Building Officials for building projects. Our team has specialized project management and construction management training.

- “H” Street Widening from Kendall to 40th Street Project
- Sierra Way Storm Drain Project
- Kendall Drive Slope Stabilization Rehabilitation Project
- Citywide Pavement Rehabilitation Project (SB1)
- Parking Lot Improvement at Various Locations Project
- ATP Cycle 2 – Safe Routes to Schools Project at Three (3) Locations Project

City of Montebello, 10th Street Improvements Project | Senior Project Manager
The Project consisted of removal and reconstruction of existing concrete sidewalks, curb and gutters, driveway approaches, curb ramps, cold milling existing AC pavement, adjustment of sewer manholes frames and covers, raising water valve covers to finished grade, installation of detectable warning surface on existing curb ramps, and installation of pavement markings and curb painting. This project consisted of design, project management, bidding, award of contract, construction management and inspection of the 10th Street Improvements from Whittier Boulevard to Cleveland Avenue.

City of Montebello, Pavement Rehabilitation, Various Streets (CDBG Zone) | Senior Project Manager
The City completes pavement rehabilitation projects along residential, commercial, and alley corridors. The general improvements for pavement rehabilitation projects include cold mill and AC overlay, removing and replacing concrete sidewalks, curb and gutters, upgrading and constructing new access ramps, adjusting manholes to grades, and installing striping and pavement messages. The project consisted of design, project management, bidding, award of contract, construction management and inspection as well as federal fund administration and labor compliance of various streets pavement repairing and skin patching.

City of Bell Gardens, Alley Improvements Project | Senior Project Manager
This project consisted of citywide alley improvement projects. The general improvements for pavement rehabilitation projects include cold mill and AC overlay, removing and replacing concrete sidewalks, curb and gutters, upgrading and constructing new access ramps, adjusting manholes to grades, and installing striping and pavement messages. This project consisted of project management, construction management, inspection, and administration during the construction phase.

City of Baldwin Park, Storm Drain Improvement Project | Senior Project Manager
The Baldwin Park drainage project included installation of storm and water mains along Atlantic Avenue, 40th Street and Live Oak Street, as well as the repair, replacement and restoration of curbs, concrete sidewalks, driveways and wheelchair ramps. The scope of the work included reviewing the design produced by another consultant and preparing complete bid package (plans, specifications and cost estimate) for the City to advertise the last section of the project for construction bidding.

City of Baldwin Park, Various Projects | Senior Engineer/Project Manager
Provided administration of NPDES requirements, including the permit process, conducted inspections and issued notices of violation for illicit discharges. Responsible for the MS4 permit program and implementation of its compliance through outsourcing. Managed capital projects such as street overlay, slurry seal, sidewalk installation, sewer main construction etc.; involved in Land Development section, processed tentative maps, final maps and lot line adjustments.

City of Fontana, Various Projects | Senior Engineer/Project Manager
Managed over $100M in redevelopment CIP projects and engaged in at CIP projects per fiscal year, including preparation of specifications, bid openings, award of contracts, and finally construction including management and inspection. Involved in relinquishment of Foothill Boulevard from Caltrans and San Bernardino County, street widening project ($15M), Baseline Avenue widening ($19M), CDBG and Safe Route to School (SB281) sidewalk programs, construction of new streets, slurry seal program, and projects funded through various grants including OTS, SR2S, STP, and other federal funds.
Mr. Nylund has over 34 years of experience providing quality control and quality assurance with extensive experience on numerous major capital improvement projects including transmission mains, new wells, tanks, reservoirs, water and wastewater treatment plants, pipelines, lift stations, booster pump stations, bridges, street improvements, retaining walls, dewatering, parks and facilities, landscaping and irrigation improvements, utility installation, roadway widenings, grade separations, masonry walls, storm drain projects, roadway projects, street rehabilitations, and large-scale water and wastewater projects. Mr. Nylund is a certified Grade 2 Water Treatment Operator and Grade 3 Water Distribution Operator. Mr. Nylund has provided quality assurance inspection as a lead inspector on numerous projects including as project features such as: project startup, excavations, jack and bore, backfill, reinforced concrete, masonry, structural steel, wood framing, coating of structures and pipes, telecommunications improvements, roofing, mechanical, electrical, and plumbing, and project closeout. Mr. Nylund has performed electrical inspection for powerplants, lift stations, and traffic signal improvements. His responsibilities include inspection of all phases of public works construction projects, including drinking water, recycled water, sewer, storm drain, street lighting, traffic signals, roads, sidewalks, storm water pollution prevention BMPs, site grading and landscaping. Verify compliance with Federal/State/local laws and ordinances, traffic control requirements, approved working hours and approved methods/specifications/materials/quantities. Review and confirm compliance with Project Specific Plans and Specifications, Caltrans Plans and Specifications and Plans and Standard Specifications for Public Works Construction (Green Book).

**County of Riverside, 36” Butterfly Valve Replacement**  |  **Senior Construction Inspector**
---
**Agency:** Riverside Public Utilities  |  **Location:** Jackson St @ Cleveland Ave, City of Riverside. Deenergizing and dewatering of existing 54” domes water transmission line. Removal of 20’ section of existing CMLC watermain and valve assembly. Construction of new 20’ section of 54” CMLC watermain including a new 36” BF valve assembly, 8” bypass assembly, cathodic protection and testing station, pipeline/appurtenance pressure testing and disinfection.

**City of Temecula, Pavement Rehabilitation Program – Winchester Road (Jefferson Avenue to Ynez Road)**  |  **Senior Construction Inspector**
---
The City of Temecula pavement rehabilitation program. The work for this project generally includes pavement Improvements along Winchester Road from Jefferson Avenue to Ynez Road. Improvements Include, remove and replace existing asphalt pavement, reconstruction of traffic loops, adjust existing manholes and valves for different utilities, and installation of stripping and pavement markers.

**City of Jurupa Valley, Granite Hill Drive Pipeline – Phase 1 and Phase 2**  |  **Senior Construction Inspector**
---
**Agency:** Jurupa Community Services District  |  **Location:** Granite Hill Dr. from Country Village to Camino Real  |  **Contractor:** WEKA Construction. Performed inspection as part of a three-inspector team. Inspection of this project included standard observation, reporting, Bid Item quantity tracking and conflict resolution of the following items: 11,655 L.F. (Phase I 7,665’ + Phase II 3,990’) of 42-inch diameter CML/CMC waterline, investigative excavations (pitholing), resolution of unforeseen crossings with existing utilities (including temporary supports), excavation (including inspection of shoring), rock removal/disposal, dewatering, connections to existing waterlines, 16 BF valves, cathodic testing stations, other appurtenances, pipeline video inspection (interior), pressure testing, disinfection, Bac-T sampling, import materials, backfilling, compaction, restoration of existing pavement/surface improvements, and traffic control.

**City of Lake Elsinore, District, Nichols Road Transmission Main (TR37305)**  |  **Senior Construction Inspector**
---
Open trench construction of 3,360 LF of fully restrained 20” DIP domestic watermain, 10 RW gate valves, 8 fire hydrants, 4” water service. Confirmed pipeline was constructed per the line and grades stated in the approved plan set. Observed/Inspected pipeline pressure testing, disinfection, and water quality sampling for compliance with State and Water District Standards. Performed final inspection and drafted a Punchlist of items found to be not in compliance with the approved plans and specifications.

**City of Chino, Public Improvements and Commercial Development of Industrial Tilt-Up Buildings**  |  **Senior Construction Inspector**
---
Installation of over 2300 LF of a combination of PVC and CML&C domestic water main ranging in size from 4” to 12”. Installation of over 1600 LF of PVC recycled water main. Installation of over 1300 LF of VCP sanitary sewer ranging in size from 6” to 8”. Construction of 5 sanitary sewer manhole structures. Installation of a sewage lift station including 1100 LF of 4” HDPE force main. Construction of 16 streetlights.
Greg Hunkle, CBO, ICC Certified

Senior Construction Inspector
Deputy/Special Inspector

Mr. Hunkle has over 28 years of experience providing electrical and communications inspection services for capital improvement and public works projects, including roadway projects, structural projects, gap closures, auxiliary lanes and ramp widenings, bridge construction and rehabilitation, interchange improvements, truck lane projects, seismic retrofit, retaining walls, signs and lighting systems, roadway rehabilitation, widening and realignment of existing facilities, relocation and construction of existing facilities, and water and wastewater projects for numerous agencies. Mr. Hunkle has great knowledge structure construction engineering and inspection of Caltrans transportation facilities, and is educated about Local, Departmental, State, and Federal regulations, including Cal/OSHA, Storm Water Pollution Prevention Plans, Federal Highway Administration regulations. Mr. Hunkle has the ability to perform calculations for temporary structures as used in the construction of bridges and other temporary or permanent structures, and has extensive knowledge of stress analysis, strength, properties and uses of construction materials, and of the methods, materials, and equipment used in construction and maintenance of transportation structures and engineering surveys. Mr. Hunkle also has experience using and referencing numerous Caltrans manuals.

RELEVANT PROJECT EXPERIENCE

City of Alhambra, FY 19-20 SB1 Street Rehabilitation Project | Construction Inspector
This project involved pavement improvements and street rehabilitation of numerous residential and arterial streets. The project’s scope included asphalt preservation, slurry seal treatment, varying depths of cold milling and overlay, and full depth removal and reconstruction. The project also includes localized pavement improvements such as removal and replacement of broken and off-grade sidewalk, ADA ramps that need updating, broken and off-grade curb and gutter, driveways and driveway approaches in need of repairs, and concrete cross gutter reconstruction. Mr. Hunkle provided full-time inspection, prepared daily daily, filled out incident reports, provided digital images of progress to the City, reviewed compliance with the SWPPP, and ensured successful completion and submission of the as-constructed plans and final punch list.

City of San Bernardino, Pavement Rehabilitation and Resurfacing Eleven Major Streets | Lead Construction Inspector
Project included the pavement rehabilitation and resurfacing of 11 major City streets including North Sierra Way, Valencia Avenue, Baseline Street, North Arrowhead Avenue, Mountain View Avenue, Wabash Street, Olive Street, Waterman Avenue, Temple Street, and Victoria Street. Technical project features include: full depth asphalt concrete removal and replacement, cold mill and ARHM overlay of existing asphalt concrete, removal and replacement of sidewalk, curb ramps, curb and gutter, cross gutters, spandrels, cross walks, traffic signing, striping and pavement markers, concrete and asphalt speed humps, traffic signal improvements, adjustment of existing utility manholes, and storm drainage improvement.

City of Beaumont, Wastewater Treatment Plant Expansion/Renovation & Brine Pipeline Installation Project | Senior Electrical/Pipeline Inspector
This Project consists of expanding and upgrading the City’s WWTP from 4 MGD to 6 MGD, installation of Membrane (MBR) system, Reverse osmosis (RO) system for salt mitigation, dewatering system, and sluice solar drying beds. The City is also constructing a 23-mile, 12-inch diameter gravity pipeline from the Beaumont WWTP that will connect to the Inland Empire Brine Line (IEBL) in San Bernardino to discharge brine that will be treated at Orange County Sanitation District (OCSD). The Brine Line is installed within existing right-of-way and unpaved roads using open trench methods, auger jack and bore, and hydraulic directional drilling (HDD). Mr. Hunkle proactively coordinated with project surveyors including frequent coordination with SCE.

Western Municipal Water District, Victoria Avenue Recharge Water Facility | Construction Inspector
This project includes the installation of new groundwater extraction wells to help increase the groundwater basin quantity and improve its quality. Major improvements on this project include: SCADA and Storage Building, mass grading operations, the installation of three stormwater basins, a divergent structure, two concrete trapezoidal rerouting channels into the water basin, stormwater collection structure, and the installation of 4000 linear feet of 20” reclaimed water pipeline. His responsibilities include roadway construction inspection, material testing, traffic handling, flagging operations, inspection of concrete and paving activities. He provides inspection of retaining walls, drainage improvements, water line installation, storm drain installation, sewer line installation, subdrains, ADA compliant sidewalk driveways, and SWPPP. Mr. Hunkle coordinates all field material testing and sampling and reviews the results for compliance to the project spec.
Mr. Vargas has more than 18 years of construction and project management experience in both private and public sectors. John has extensive experience in materials testing. John has successfully delivered over 60 projects and is ICC Certified for Concrete, Soils, Structural Steel, Welding, Masonry, and Master of Special Inspections. He has demonstrated expertise in all aspects of project and construction management through a wide range of responsibilities including budget analysis, contract negotiations, dispute resolution board, schedule development and assessment, constructability reviews, bid document review, schedule management, CEQA/NEPA, project closure documentation, stakeholders and team coordination, quality control, quality assurance, inspection, and management of the flow of information between project members and stakeholders. Mr. Vargas has extensive experience in Structural and Civil inspection on a variety of Caltrans and public works infrastructure projects, working with Federal, State, and local agencies. Mr. Vargas has thorough knowledge Caltrans systems and procedures, Caltrans audits, Caltrans standard plans specs, and manual.

City of Ontario, Fire Station Training Facility | Deputy/Special Inspector/Senior Construction Inspector
The new fire/police training center in Ontario, CA, sits on a 4.5-acre site adjacent to Fire Station 3 and features two training towers and a burn building. This facility received a Training Facilities Gold Award in Firehouse's 2020 Station Design Awards. The new fire/police training center is located on a 4.5-acre site that’s directly adjacent to Fire Station 3 in the city of Ontario. The project includes a new burn building along and an expansive training complex. The training complex includes a five-story and a six-story training tower. An existing building that was on site was remodeled to include new classrooms, restrooms, break areas and administrative offices. Site features include a new concrete perimeter road, training grounds, above-grade vent props, a pump test pit, utility props and an extensive confined-space prop. The project is constructed mainly of concrete masonry and cast-in-place concrete. This facility is a mixture of CMU, poured in place concrete, steel frame and light gauge steel construction and type 5 framing. The M.E.P.S. systems were all commercial applications.

City of Los Angeles, Police Administration Building | Deputy/Special Inspector/Senior Construction Inspector
New building consists of 491,000 square feet of combined gross area that includes the office tower, auditorium, café and 364 spaces of underground parking. Inspectors provided oversight during operations including pipe welding, trench excavation, shoring, backfill, traffic control operations, and replacement of traffic signals, signing, and striping. The project also included street and drainage improvement work, which included asphalt paving, cold planning, excavation, concrete paving, aggregate base, curb and gutter, access ramps, cross gutter, driveway approach and sidewalk replacement.

LBWD | LADWP HAYNES GENERATING STATION RECYCLED WATER PIPELINE & SEWER PIPELINE PROJECT

Z&K is providing Project Management services for the 24-inch diameter water pipeline. Approximately 7,940 LF and construction estimate of $14M. Pipeline begins at Haynes Generating Station and connect to LBWD 21-inch recycled water pipeline at Atherton Street and Studebaker Road. Project requires extensive coordination with City of Long Beach upcoming public works projects. Project required CEQA, Caltrans permitting, California Coastal Commission, and coordination with LADWP. Z&K is providing project management services for the 14-inch sewer force main. It is approximately 12,930 LF. The pipeline begins at Haynes Generating Station and connects to LACSD 42-in sewer located west of Coyote Creek. Estimated Construction Cost is $15.8M. The pipeline has many crossings, is within Caltrans, SCE, LADWP, and LACFCD right-of-way, and has a perpendicular crossing through SCE right-of-way that will require CPUC. Project requires both CEQA and California Coastal Commission.

CITY OF CHINO | YORBA AVENUE & EUCALYPTUS AVENUE SEWER MAIN REPLACEMENT PROJECT

Z&K is providing Project Management and Construction Management services for this Project. This Project includes the replacement of an existing 10-inch vitrified clay sewer pipe along Yorba Avenue between Murrieta Street and Cheyenne Way. There are two industrial businesses discharging wastewater with combined volumes of approximately 400,000 GPM, when compliant. This number can reach up to 500,000 GPM when non-compliant and causes existing pipes to reach nearly 75% capacity. The project includes an independent sewer flow study to assist the City in a decision to replace or replace or add additional service line(s) at these locations.

CITY OF CHINO | CENTRAL AVENUE AND DUPONT AVENUE WATERLINE REPLACEMENT PROJECT

Z&K is providing Project Management and Construction Management services for this Project. The Central Avenue project includes the replacement of a 16” steel to an 18” PVC water main on Central Avenue from Chino Avenue to C Street. The Project will also include the replacement of an 8” steel line on D Street pipe from Central Ave to the alley west of 6th Street.

CITY OF CHINO | STATE STREET WATER TREATMENT PROJECT

Z&K is providing Project Management services for this Project. This project includes the construction of a centralized water treatment plant (WTP) at the City’s Reservoir 5 and Well 14 sites. The proposed project is anticipated to include cartridge filters, GAC, IX, and chlorination equipment for a total treatment capacity of 4,000 gpm. In addition, the project includes a 3,800 LF brine disposal pipeline connecting to the Non-recoverable Waste System operated by IEUA and LA County Sanitation, a connection to the City of Montclair sewer system, and a 7,000 LF raw water transmission main from Well 12 to the State Street site. Both Well Pump 12 and Well Pump 14 will be replaced as part of the treatment improvements.

CITY OF OCEANSIDE | SAN LUIS REY (SLR) WASTEWATER TREATMENT PLANT PROJECT

The Z&K Team is providing Construction Management and Inspection Services as a subconsultant for the SLR Wastewater Treatment Plant and Aeration Basin Effluent Piping Replacement project located at the San Luis Rey Wastewater Reclamation Facility. The project scope of work includes the removal and replacement of six (6) 24-inch aeration basin effluent piping, including the installation of new plug valves, fittings, pipe, wall penetrations and installations of gate valves and flow meters or other operations required for the fulfillment of the Contract in strict accordance with the Contract Documents.
The Z&K team provided Construction Management and Inspection Services for this major capital improvement project for WMWD. This project includes the installation of new groundwater extraction wells to help increase the groundwater basin quantity and improve its quality. Major improvements on this project include mass grading operations, installation storm water basins, a divergent structure, two concrete trapezoidal rerouting channels into the water basin, storm water collection structure, the installation of 4000 linear feet of 20” reclaimed water pipeline three local city streets connecting the gage canal reservoir into the three proposed storm water basins.

CITY OF BEAUMONT | WASTEWATER TREATMENT PLANT EXPANSION & BRINE PIPELINE PROJECT

The Z&K Team provided Construction Management and Inspection Services for this project. Per the City’s NPDES Permit, once flows at the WWTP reached 75% of the permitted capacity, the City is required to begin the planning, design and funding process to expand the plant. In addition to the need for more capacity to serve the City’s growing customer base, the City is mandated by the Regional Water Quality Control Board (Regional Board) to upgrade its WWTP to meet groundwater basin objectives. The City of Beaumont’s Wastewater Treatment Plant (WWTP) Expansion/Renovation Project includes increased the permitted capacity from 4 MGD to 6 MGD.

PARK AND FACILITY PROJECTS

CITY OF SOUTH GATE | HOLLYDALE COMMUNITY PARK IMPROVEMENTS PROJECT

The Z&K Team provided Project Management, Construction Management and Inspection services for the City of South Gate’s Hollydale Community Improvement Project. The project involves the renovation of Hollydale Community Park which is located at 12119 Industrial Avenue, in the City of South Gate. The Project improvements include a new community center, new lighting and electrical systems, concrete improvements, stormwater chambers, new irrigation system and landscaping, site furniture, new playground and exercise equipment, basketball court, block wall fence, construction of a new 1,675 SF community building and other miscellaneous work.

CITY OF COSTA MESA | JACK HAMMETT SPORTS COMPLEX IMPROVEMENT PROJECT

The Z&K Team is providing Construction Management and Inspection services for the City of Costa Mesa’s Jack Hammett Sports Complex Improvement project. Relevant improvements within the project include sports field construction, synthetic turf installation, concrete improvements, parking lot improvements including increase of parking and improved circulation, ADA improvements, electrical runs to the pull boxes for storage buildings within the complex, construction of retaining walls, block wall fencing, replacement of lighting system, irrigation improvements, landscaping, rough and precise grading, foundation improvements, construction and installation of two new storage buildings, and all electrical and mechanical work within the buildings.

CITY OF LAKE FOREST | ARBOR MINI PARKS, VINTAGE AND SUNDOWNER PARKS, BORREGO OVERLOOK, REGENCY, AND RANCHO SERRANO PARKS (SIX (6) PARK IMPROVEMENT PROJECTS)

This program includes improvements such as removal of existing hardscape, installation of new landscaping and irrigation, installation of block wall and iron fencing around perimeter of park sites, installation of new playground equipment and park amenities, construction of ADA compliance ramps, erosion control, storm drain construction, construction of concrete walkways and exercise trails, installation of exercise equipment, installation of barbecues, picnic tables, park lighting system and electrical system, installation of drinking fountains, installation of shade structures, rubber surfacing, and concrete loop walkways.

CITY OF TUSTIN | VETERANS SPORTS PARK AT TUSTIN LEGACY

Z&K Consultants provided Construction Management and Construction Inspection Services as a subconsultant for the City of Tustin’s Veterans Sports Park at Tustin Legacy. This park is the City of Tustin’s largest park carved from 31.5-acres. It is bounded by Lansdowne Road, Valencia Avenue, and Severnys Road. This project is 100% locally funded, utilizing several funding sources. Phase 1 of the construction for the Veterans Sports Park is complete and consists of demolition, grading, storm drain, water, reclaimed water, and sanitary sewer installation. The sports park contains a wide variety of recreational facilities such as softball, soccer, tennis, basketball, racquetball, sand volleyball and pickleball. The park includes a passive recreation area, fitness stations, concession/restroom/storage buildings, a veteran’s memorial feature, skate plaza, a parking lot, and a children’s play environment. Additional relevant park features include lighting installation, retaining walls, synthetic turf, outlet structures, outdoor seating areas, ADA compliant ramps and concrete walkways, ADA compliant parking lot spaces, landscaping, and water features.

CITY OF LYNWOOD | YVONNE BURKE – JOHN HAM PARK COMMUNITY CENTER

Z&K Consultants provided Construction Management and Inspection Services for this new 8,645 SF community center and park. The project includes building improvements, such as a kitchen, multipurpose rooms, administration offices, restrooms, game room, concession room, as well as improvements to the park, such as landscaping, irrigation, retaining walls, block wall fencing, site lighting, concrete walkways, water features, outdoor exercise stations, a natural grass baseball field, outdoor basketball court, covered picnic and barbecue areas, playground equipment, public restrooms, a ¼ mile ADA accessible walkway, outlet structures, and paving improvements. The building is utilizing a dual plumbed system and the site is using reclaimed water for irrigation. The project has required close coordination with SCE, Region Water Quality Control Board, and Los Angeles County Department of Public Health.
ZK provided Construction Management and Inspection Services for this Project, which sits on approximately 14 acres with approximately eight (8) acres of walking paths, turf, and landscaping. Construction work included precise grading, hardscape, landscaping and irrigation, stream and lake construction, furnishing and installation of lighting, decomposed granite parking lot construction, concrete ADA parking space construction, concrete and decomposed walkways, construction of a stage, installation of playground equipment, picnic and BBQ areas, park lighting, construction of an outdoor theater with seating area. Project included traffic control, dust control, SWPPP, 6" PCC paving, 6" concrete vertical curb, 4" concrete rolled curb, over 70,000 SF of decomposed stabilized granite, concrete cross gutter, parking lot signage and striping, ADA curb ramps, ADA parking stalls, fire line, water line, headwalls, and rip rap, drinking fountains, parking lot lighting, and landscaping.

CITY OF SAN BERNARDINO | SECCOMBE LAKE PARK AND PERRIS HILLS PARK

The ZK Team provided Construction Management and Inspection services for this project, which involved improvements to Seccombe Lake Park and Perris Hills Park. ZK personnel performed constructability reviews of the project plans and specifications prior to the bid release. The project includes grading, fencing, new CMU restroom buildings, and ADA parking space construction. The project also includes landscaping and irrigation improvements, ADA sidewalk improvements, installation of playground and exercise equipment, installation of horsehoe pits, improvements to a baseball diamond, playground areas, picnic and barbeque areas, and installation of several benches.

CITY OF SAN BERNARDINO | PLAYGROUND EQUIPMENT REPLACEMENT FOR SIX PARKS

The ZK Team provided Construction Management and Inspection services for this project, which consisted of park improvements to six community parks in the City of San Bernardino. Parks that received improvements included Jack Reilly Park, Encanto Park, Gutierrez Park, Colony Park, Delmann Heights Park, and La Plaza Park. ZK oversaw the replacement of playground and exercise equipment, installation of block wall fencing, grading, irrigation and landscaping improvements, construction of a basketball courts and other sports fields, installation of barbecue and picnic areas, ADA accessible curb ramps and walkways, storm drain construction, and various concrete improvements. ZK managed and coordinated all aspects of the project, performed pre-construction services, coordinated field meetings and construction progress meetings, reviewed and approved contractor’s construction schedule, monthly accounting of construction costs, reviewed shop drawings, processed submittals and requests for information, performed labor compliance and certified payroll review, participated in public outreach activities, provided full time inspection of project activities, ensured compliance with approved PS&E, coordinated materials testing services and reviewing results, coordinated with utility companies.

BRIDGE PROJECTS

CITY OF SAN BERNARDINO | SECOND STREET BRIDGE OVER WARM CREEK

ZK Consultants provided Construction Management Services as a prime consultant for the Second Street Bridge Over Warm Creek. This project is located in downtown San Bernardino; this project involves construction on the 2nd Street bridge between Arrowhead and Mountain View Avenues. Overall, the project involves demolishing the existing bridge, widening sidewalk by one foot on both sides, installing bridge barrier railings in conformance with AASHTO standards, street improvements, retaining walls, steel piles, pavement grinding, new asphalt concrete pavement, reinforced concrete pipe, utility relocations, and winterization of the creek. This project must comply with the Santa Ana Regional Water Quality Control Board (401 Permit), U.S. Army Corps of Engineers (404 Permit), and Department of Fish and Wildlife (1602 permit). This project intends to improve the sufficient rating of the bridge, reducing the need for constant significant maintenance, extending its life and longevity by improving its seismic performance and ensuring the bridge design is in compliance with the Association State Highway and Transportation Officials standards.
F. UNDERSTANDING AND APPROACH

The team proposed on this project have extensive experience in construction management, construction inspection and design. We have successfully utilized CM/PM Agency delivery on a host of projects. Through this experience we have developed management procedures that promote collaboration and teamwork, improve quality and maximize the value of the above project. Z&K past performance with Cities, Counties, and other agencies shows our remarkable ability to control costs, guarantee great quality of work, and meet all project deadlines. We understand the importance of Schedule Control and are known in the industry for assisting the contractor to cut the project schedule and to yield significant savings for our clients through reduction of overhead management and construction costs. The most significant saving is less inconvenience to the traveling public and less City exposure due to shortened construction duration. This will help extend excess project funds into other important projects.

MANAGEMENT APPROACH | The Z&K Team has successfully utilized CM Agency delivery on a host of projects. Through this experience we have developed project management procedures that promote collaboration and teamwork, improve quality and maximize the value of the above project. Z&K’s past performance with Cities, Counties, and other agencies show our remarkable ability to control costs, guarantee great quality of work, and meet all project deadlines. We understand the importance of Schedule Control and are known in the industry for assisting the contractor to cut the project schedule and to yield significant savings for our clients through reduction of overhead management and construction costs. The most significant saving is less inconvenience to the traveling public and less City exposure due to shortened construction duration. This will help extend excess project funds into other important projects.

Z&K Consultants, Inc. provides proven professional construction management techniques to ensure the safe construction of a quality project completed on time and within budget. Z&K accomplished this by establishing the systems, policies, and procedures necessary to ensure adequate project controls are in place. The Construction Manager must ensure all parties understand the basic responsibilities and interrelationships of all team member such as the Owner (both project management and operations), the Design Engineer, the Contractor, the construction management team, and the subconsultants. Additionally, a good Construction Manager must have the knowledge and experience to effectively understand the interrelationships between the key management components of time, information, cost, and quality. Decision making, including obtaining sufficient information to make reasoned decisions, is the key element leading to a successful project. The Z&K approach is founded on a thorough understanding of each of the management components critical to the project.

TIME MANAGEMENT | Time management uses scheduling to accurately manage and track the restrictive elements of time and resources throughout the project. The key to a successfully implemented and managed schedule is the development of an accurate, detailed, and realistic baseline schedule. Z&K will review the Contractor’s baseline schedule to ensure it is accurate and reasonable. Activity durations and logic ties will be examined for accuracy and constructability. The schedule logic and activity durations will also be analyzed to ensure the Contractor does not use float suppression techniques. Schedule float is a valuable resource for the Owner and the Contractor. Schedule implementation and administration is the next step in proper time management.

The Contractor’s actual progress will be documented daily. The Z&K Team will review the progress with the Contractor at the weekly meetings. The Contractor’s three-week-look-ahead schedule will be compared with the work plan on the record schedule to ensure the Contractor continues to use the record schedule as a management tool. We will check the record schedule for activities with start dates that did not begin during the review period. This proactive approach flags potential delay issues for further discussion.

COST MANAGEMENT | Z&K will take the lead to ensure a cost management system is properly implemented and maintained. Z&K's cost management role will be in two parts. The first is to track the value of the completed work to ensure accurate and detailed monthly progress billing by the contractor. Secondly, Z&K will proactively manage the change order process. The monthly progress billing may be tied to the construction schedule. A cost loaded critical path method (CPM) schedule is a valuable management tool. Each month, the Construction Inspector will review and approve the updated cost loaded CPM. Work activities and material deliveries will be assigned the correct completion percentage by the Contractor. This will be reviewed by the Construction Inspector and discrepancies will be addressed.

If necessary, the Contractor will revise and resubmit the schedule of values. This process ensures the Owner is accurately billed for the completed work monthly. Changes in work and unforeseen conditions will be closely monitored. Any costs for changes will be managed by the Z&K construction management team. An ongoing log of potential change issues will be maintained. These issues will be discussed and updated at each weekly meeting.

FUNDING MANAGEMENT | Z&K will ensure that the City has all necessary information to comply with the funding requirements. Our team is experienced in complying with funding reporting and filing requirements. We pay close attention to these requirements and deadlines so that project funding remains unaffected and so that file audits are conducted quickly and efficiently. Our team is also experienced in ensuring that project documents show compliance with DBE reporting requirements, DBE goals, and/or good faith effort documented. Proper Project documentation is key in any audits.
QUALITY MANAGEMENT | Quality management is an inherent CM responsibility. Z&K is knowledgeable and capable in all aspects of quality management. Quality assurance is the application of systematic methods to verify the effective implementation of quality control procedures. Z&K will manage the quality of the project by taking the quality assurance lead role and implementing the Z&K quality assurance program, which allocates quality control responsibilities to the various project participants to ensure the constructed product conforms to the contract plans and specifications.

This includes a detailed inspection plan, inspection procedures, and documentation procedures for all inspection and test reports. Z&K will review the Contractor’s quality control procedures to ensure adequacy. Quality control issues will be discussed at each weekly meeting. An ongoing deficiencies/corrective actions list will be maintained, reviewed, and updated weekly. Quality assurance includes the quality of the constructed work as well as the quality of the Contractor’s document processes (such as the Contractor’s submittals and RFIs).

In Z&K’s experience, lack of quality in the paperwork with items such as poor submittals and unanswered RFIs may lead to lack of quality in the constructed product. Deficiencies in submittal quality control by the Contractor will lead to incorrect or inferior equipment and materials being installed. Z&K will be proactive with the Contractor to ensure the quality of their submittals. Likewise, lax procedures for the processing of RFIs may lead to misunderstandings and delays. Z&K will take a proactive approach with the Contractor and the Design Engineer to ensure the quality of the RFI process is maintained. Finally, Z&K regularly performs internal audits of its field operations to ensure the proper implementation of procedures for Z&K’s quality assurance program.

INFORMATION MANAGEMENT | Proper information flow is crucial to the success of a project. A construction project generates a large amount of information, which must be distributed to all parties on a timely basis. The source of this information will cover the full spectrum including contracts, meeting minutes, drawings and specifications, submittals, RFIs, pay requests, invoices, inspection reports, and so forth. Z&K will act as the hub for the management of all information flow. Z&K has extensive experience providing document management solutions for its clients. Z&K’s approach to information management also includes building a communication framework to foster partnering and teamwork relationships for all the project stakeholders. Z&K builds this from the start of the project with an all-inclusive kick-off meeting where the lines of communication and project responsibilities will be clearly explained to all the project stakeholders.

The emphasis on project communication continues throughout the project with the weekly construction meetings. At each weekly meeting, all ongoing issues will be reviewed and discussed. All project stakeholders will be invited to the meetings. An agenda of meeting topics will be distributed in advance and include items such as safety, old business, updated progress of the work, RFIs, submittals, testing and inspection reports, non-conformance notices, environmental monitoring, change orders, three-week-look-ahead schedule, pay requests, and so forth. Unresolved issues will be carried over to the next week’s meeting until a final resolution is obtained.

CODES & PROCEDURES MANAGEMENT | Z&K has a strong knowledge of the City, County, State, and Federal codes and procedures that are required to deliver a successful project. Z&K will ensure that all codes and procedures are properly followed for the City’s Project.

Some of the requirements are as follows:

- Project Construction Documents
- City Standards and Design Manuals
- California Building Code
- California Plumbing Code
- California Mechanical Code
- California Electrical Code
- California Building Energy Efficiency Standards
- Title 24, Part 2, 2.5, 3, 4, 5, 6, 11
- California Fire Code
- California Residential Code
- California Green Building Code
- California Disabled Regulations
- City Codes & Ordinances
- City Grading Code & Manual
- APWA “Greenbook” Standard Specifications for Public Works Construction
- Caltrans Standards, Specifications, and Procedures
- Caltrans Construction Manual
- Caltrans Safety Manual
- OSHA Construction Safety Orders
- 10/30-hr OSHA Training Certification
- Local Assistance Procedures Manual (LAPM)
- State and Federal Building Codes (Site Accessibility)
- County Procedures and Guidelines
- Manual of Uniform Traffic Control Devices (MUTCD)
- Project Safety Plan (PSP)
- Site Health and Safety Plan
- Activity Hazard Analysis (AHA)
TASK ORDER PROCEDURE

Below we have outlined Z&K’s approach to the scope of work using our general task order procedure. The Z&K team fosters productive collaboration and cooperation—from stakeholders to the City and public utilities, to the contractor, and to local businesses and residents. Our firm uses proven methods for performing the multitude of tasks that dictate the success of a construction project.

Through our current on-call contracts, we have developed a task order process that has proven successful. It is an organized and streamlined approach for requesting, developing, and completing task order assignments. The purpose of this process is to be able to provide the City with teams available for multiple tasks off the on-call contract and a formal approach to respond to each task. Below is a summary of our proposed approach for completing the task orders.

- **Step 1. Initial Meeting with City Project Manager and Task Managers.** A meeting between the City’s project manager and the Z&K manager to be assigned to the work will be set up. Our project manager will discuss the request with the City’s project manager and discuss your goals and expectations, key project issues, appropriate personnel from our team to be assigned, services needed, schedule, approximate budget available, and assumptions for completing the work order.

- **Step 2. Develop Scope of Work and Team.** Our project manager will then coordinate with the appropriate key persons from our team, which may include a multi-discipline team, to prepare and submit a proposal for completing the work. Each team member will submit their scope to our project manager, who will then combine the individual scope into an overall scope and proposal for review by the City. This procedure has worked successfully on our current and past on-call contracts.

- **Step 3. Notice to Proceed.** Once the task order is reviewed, negotiated, and executed, a notice to proceed will be given to Z&K to begin work.

- **Step 4. Monthly Coordination/Progress Meetings.** We will hold meetings at the appropriate frequency to keep City staff apprised of the progress of the work. We will develop and maintain schedules to identify allowable work windows for completing project tasks and to keep the City’s project manager aware of the project progress.

PROJECT MANAGEMENT APPROACH

Z&K’s management approach is derived from many years of experience and proven success and includes very specific strategies: coordination, communication, and documentation.

**Coordination.** All task orders will require coordination. That can come in the form of coordination with other City departments, local agencies, and stakeholders. The Z&K team has years of experience with major on-call contracts with other Southern California agencies. These on-call contracts require similar coordination efforts in which Z&K has established and maintained outside-agency contacts, coordinated designs with their staff, and obtained necessary approvals to move the project forward. This knowledge and understanding of working with other agencies will provide great benefit to you on each project.

**Communication.** Z&K has a formal, proactive communication plan to share critical project information as soon as possible and to make sure there are no surprises. We continuously report progress, identify problems, assign priorities, receive feedback, and document progress. From project start-up through project closeout, we will prioritize our communication to make sure all required actions are documented and addressed in a timely manner. The City can be assured that both the City and all team members will always be aware of the status. This level of coordination, coupled with the project progress meetings, helps avoid project issues and delays, and monitors the project schedule and budget. Z&K has used this management approach with great success on all types and sizes of projects.

**Documentation.** Proper documentation is critical for all projects. We have a thorough understanding of the document control procedures required for public works projects for a variety of funding sources. Z&K’s document control management policies are prepared to comply with the City’s requirements. Our typical monthly project progress reports include the status of deliverables, utility and outside-agency efforts, cost and schedule snapshot and analysis, issues discussion and recommended resolution actions. Monthly progress reports will be tailored to the needs of the City for each project. In combination, Z&K’s tools and efficiency in coordination, communications, and documentation will provide the City with a transparent process for the duration of the contract.

**Quality Assurance and Quality Control.** QA/QC will be an ongoing task throughout the duration of the project. Z&K’s project and construction management QA/QC process starts with standardization of successful procedures. All projects utilize Z&K’s standardized project electronic filing system, which is mirrored with a binder-based hard copy indexed system. Z&K’s electronic filing system is a cloud-based system accessible in real-time to all Z&K project team members as well as its client as requested. Daily, weekly, and periodic correspondence, logs and reports are regularly reviewed for accuracy, up-to-date maintenance, aging, and escalation of issues, appropriateness, potential changes and/or claims and contract compliance.

**Schedule.** Our project manager will prepare and maintain a Microsoft Project schedule. The schedule, task lists, deliverables, agency review time, and progress reports will be used to list each task in the project to enable our project manager to hold members accountable for delivery. We will provide a summary report regularly that shows tasks completed, items that may have changed, and schedule updates if needed.
G. SCOPE OF WORK

Z&K understands that the required services shall be performed by the consultant Project Manager, Inspector and Construction Administrator. The Z&K Team will provide the following tasks for the City of Placentia:

A. PROJECT MANAGER/RESIDENT ENGINEER | Z&K’s Project Manager will represent the City in the field. The Project Manager possesses a minimum of (5) years’ experience in construction management. The Inspector and the Contracts Administrator will have relevant experience in construction management and certifications or references that affirm the said experience.

B. BID ANALYSIS | Prior to the start of the project, the Project Manager will be responsible for conducting a bid analysis to determine the lowest responsible bidder. The Z&K Team will assist the City throughout the bidding process for each project. Z&K may perform a prequalification evaluation of bidders to ensure the contractors comply with the City’s requirements and have the necessary experience and resources to complete the projects on time and within budget. Z&K will act as an extension of City staff to answer any questions the bidders and to provide responses in a timely manner. Z&K will review the bids for completeness and responsiveness on behalf of the City.

C. STAFF REPORT | Z&K will coordinate with the contractor for the award of contract per the City’s contract requirements and prepare a staff report to recommend the award of a Construction Contract. Z&K will staff reports for contract award to the lowest responsive and responsible bidder. We will coordinate with the City to determine funding sources, publication dates, environmental and fiscal impact, and schedule of award to meet the City’s deadlines.

D. GENERAL CONSTRUCTION ADMINISTRATION | We will coordinate with the City to define roles and responsibilities during construction and develop a construction management plan. We will co-lead the pre-construction meeting and schedule and conduct regular construction and progress meetings to discuss such matters as procedures, progress, problems and scheduling. We will prepare and promptly distribute meeting minutes. Z&K will schedule, coordinate, and conduct a pre-construction conference with the City, Contractor, design engineer, utilities and other agencies. An agenda will be prepared in advance to notify attendees of key items for discussion. At the pre-construction conference, we will discuss contract requirements and concerns, and establish the protocol to be used throughout the project. The conference will highlight the contractor's responsibility for items such as the project schedule, order of work, permit and environmental agreements, safety and access, progress pay requests, labor compliance, submittals, RFIs, CCOs, quality control, materials certification, schedule updates, and weekly meetings. Z&K will review the schedule and verify that it meets all the required information prior to issuing the Notice to Proceed to the Contractor. Z&K will prepare and promptly distribute meeting minutes to all attendees. Z&K will record the progress of the project, written or oral changes and progress reports to the City and keep daily logs containing a record of weather, contractor's work on the site, number of workers and equipment, work accomplished, problems encountered, and other relevant data. We will make the log available to the City and prepare and send Weekly Statement of Working Days to the contractor. We will monitor contractor's compliance with labor code requirements. The Z&K team will maintain, at the job site, records of contract documents including drawings, addenda, change orders, and other modifications of plans and specifications marked to show all changes made during construction. We will maintain as-built records of underground utilities, including locations and depths of trenches. At the completion of the project, we will deliver to the City all contract documents including as-built records. Z&K will consult with the City when the contractor requests interpretations of the meaning and intent of the drawings and specifications and assist in achieving the resolution of problems which may arise. We will coordinate with the City and contractor to incorporate a centralized platform where all documents are filed and distributed amongst the project team. Z&K will be responsible for ensuring that all building permits, special permits, if required are obtained, and that all applicable fees have been paid, and shall obtain approvals from authorities having jurisdiction over the Project.

E. SUBMITTAL/RFI REVIEW & PROCESSING | The Project Manager will be responsible for review of completeness and quantity of all required shop drawings, product data, samples and other submittals ("Submittals"). The Z&K team will transmit the Submittals to the City for review and approval and shall establish and implement procedures for expediting the processing, approving, and distribution of Submittals. Our PM will develop, maintain, and manage all submittal/RFI logs. We will determine the workflow on for all Submittal/RFI review including City staff, design engineers, contractor personnel, and the construction management team.

F. CONSTRUCTABILITY REVIEW | Z&K will review project plans and specifications to determine its "constructability". We will also review construction schedule, including activity sequences and duration, schedule of submittals and schedule of delivery for products with long lead-time. The project schedule will be updated as required showing current conditions and revisions required by actual conditions and other information. The Submittal is reviewed for completeness and verification of costs. We will conduct a comprehensive evaluation of change order requests, provide independent estimates, render recommendations and assist in claim resolution. Z&K will monitor and report on the status of the Project Construction Budget on a monthly basis, indicating actual costs for completed activities and work in progress, and indicating estimates for uncompleted work. Report should identify variances between actual and budgeted or estimated costs and shall advise the City whenever it appears that the Actual Construction Cost has exceeded, or will exceed, the Project Construction Budget for the entire Project or any Project Component.

G. CHANGE ORDER REVIEW | Z&K works proactively to eliminate or reduce project impacts from change orders. Z&K will provide first-line management of CCO administration including review and evaluation of CCO requests; independent estimates; project mitigation such as possible alternatives and negotiation as the City’s advocate; written approval from the City’s Construction Manager prior to approval of any extra work; investigation and inspection of site conditions that differ from those described in the contract documents, schedule impact and analysis and verification; recommendations to the project Owner on acceptance; impact mitigation; review of submittals in support of resolution, of claims and disputes, and verification of costs. We will conduct a comprehensive evaluation of change order requests, provide independent estimates, render recommendations and assist in claim resolution. Z&K will monitor and report on the status of the Project Construction Budget on a monthly basis, indicating actual costs for completed activities and work in progress, and indicating estimates for uncompleted work. Report should identify variances between actual and budgeted or estimated costs and shall advise the City whenever it appears that the Actual Construction Cost has exceeded, or will exceed, the Project Construction Budget for the entire Project or any Project Component.

H. SAFETY | We will monitor the contractor’s safety program and take necessary steps to ensure the jobsite conditions are in compliance with OSHA regulations.

I. PROGRESS PAYMENTS | Z&K will maintain cost accounting records on authorized work performed under unit costs and additional work performed on the basis of actual costs of labor and materials, or other work requiring accounting records. Z&K will develop and implement procedures for the review and processing of applications by contractor for progress and final payments. We will make recommendations for certification to the City for payment. The Z&K Construction Management and Inspection staff bring a detailed understanding of the City processes for administering Contractor progress payments per the City’s standards & procedures. We will work closely under the direction of the City and with the contractor to verify that the contractor’s payments are processed, provide recommendations, and ensure they are executed promptly by the contract documents and City’s procedures. Z&K will re-allocate the work done with the pay requests. Z&K will work with the Contractor on required corrections to the pay requests and ensure that they are in the formal and forms required by the City. The pay requests will be submitted to the City with a statement that they have been reviewed. Z&K will keep accounts of all pay requests including amounts retained, dates submitted,
J. MATERIAL TESTING | Z&K will be responsible for supervising and coordinating the materials and specialty testing program to ensure all required testing is performed with the required frequencies and documented according to the City and/or any outside regulatory agencies. Sampling and testing activities will be conducted in accordance with the contract documents and approved procedures. The Inspector will work with the Contractor to correct any failed tests and achieve compliance. Our team has the ability to effectively make decisions and coordinate with other professionals on field issues related to material testing and inspection. Z&K will develop and provide a comprehensive testing program for the Project in accordance with the contract documents. Our Team will be responsible for supervising and coordinating the materials testing program to ensure all required testing is performed with the required frequencies and documented. Z&K will provide field inspections and compaction tests for grading, rutting, and asphalt and pavement construction according to the project special provisions, the Standard Specifications for Public Works Construction (“Green Book”) and Caltrans Standard Specifications. We will provide inspections for installation of precast and cast in-place concrete, welding, high strength bolts, structural steel, masonry, painting and other types of work in accordance with the California Building Code (CBC) and the contract documents. We understand that available tests may include Mix Designs, Concrete, Concrete Blocks, Brick Masonry, Masonry Prisms, Mortar and Grout, Fireproofing, Soils and Aggregates, Asphalt Concrete, Reinforcing Steel, and Environmental.

K. INSPECTIONS | Z&K will determine that the work of the contractor is being performed in accordance with the contract documents. We will make recommendations to the City regarding special inspection or testing of work not in compliance with the provisions of the contract documents. Subject to review by the City, we will reject work which does not conform to the requirements of contract documents. The team will facilitate and coordinate inspection by representatives of other agencies, as needed. Z&K will evaluate the completion of the work of the contractor and make recommendations to the City when work is ready for final inspection. We will assist the City in conducting final punchlist inspections. The team will schedule and coordinate special inspection and material testing. Our inspectors will oversee and inspect all aspects of construction to ensure compliance with the Plans, Specifications, and Special provisions.

L. CLAIMS | The Construction Manager will perform on-going review throughout the project to avoid any potential claims. If claims arise, the Construction Manager will work with the City and Contractor to find the best solution to resolve any claims in a timely manner. The Z&K Construction Manager and Inspection staff bring a detailed understanding of the City processes for administering Contract Change Orders per City’s standards & procedures. We will work closely under the direction of the City’s Construction Manager with the contractor to verify that change orders are processed and executed promptly by the contract documents and City’s procedures. Inspectors will verify all work performed under time and materials, including equipment, contractor crew, and field measurements quantities. The Construction Manager will coordinate and inspect for any changes in contract order. We will ensure that claims submitted by the contractor adhere to Public Contract Code Section 10240 and 20104. Our Project Manager shall coordinate with City consultant on claim matters. We will review all claims and provide an evaluation to the City. Documentation will be provided and reviewed to support any claim. Z&K will coordinate the resolution of each claim with suggested design changes that may have been caused by unforeseen field conditions.

M. PREVAILING WAGE/LABOR COMPLIANCE | Z&K will monitor and enforce prevailing wage forms and requirements for conformance to the prevailing wage rates on a weekly basis. We will verify that all Trade Personnel listed in the daily log are also listed in the certified payroll and shall conduct weekly employee interviews, one for each trade, and submit verification with the monthly progress payments. We will perform employee interviews to verify and enforce prevailing wage requirements on a regular basis. Z&K will conduct weekly field interviews at the job site with each labor trade to verify that prevailing wages and fringe benefits follow applicable laws and certified payroll reports submitted by the contractor and/or subcontractors.

N. PROJECT CLOSEOUT | Our Project Manager will be responsible for all project closeout items, such as: As-Built plans and related documentation, punch list completion, commissioning, warranty requests during the one-year period. We will schedule and oversee the warranty repair; this will include site visits as requested by the City to look at defects or imperfections to determine if it is a warranty issue. We will provide a close out report outlining any obstacles, violations, and services performed. Z&K will provide a close out report for but not limited to any violations, fringe benefit statements, missing payroll reports, unsatisfactory employee interviews, claims, and any other documentation related to prevailing wage and labor compliance.

O. COMMUNITY OUTREACH | Z&K will attend and co-lead a pre-construction meeting with the community. The primary purpose of this meeting is to introduce the CM team to the community and discuss major anticipated construction impacts. Z&K will coordinate and inform any adjacent businesses or residence through a community outreach program that will manage public relations for the duration of the project. We will verify that businesses and residents have been notified a minimum of 5 working days in advance of the commencement of construction activities, that access for vehicular and pedestrian traffic to business and residences impacted by the project have been coordinated. Z&K will ensure that the impact on adjacent businesses and residences is minimized, and that they are able to access their property at their leisure at all times. At a minimum, the Z&K team will establish and manage a construction 24-hour hotline (toll free number), website, and email address for project stakeholders, property owners, interested parties, and the general public to call with construction issues and concerns. All calls, and public complaints will be documented and investigated, and a monthly report will be provided to the City. Z&K will manage and track public inquiries for the Contractor and for the City and will advise of any concerns and findings. Additionally, Z&K will develop a neighborhood affairs strategy for any property owners, businesses, and the general public that will be affected. This will include the preparation and distribution of information materials for the affected public, including fact sheets and project update. We will coordinate with the City’s Communication Manager and communicate with the community regarding impacts related to the construction project.

P. FEDERAL REQUIREMENTS | Z&K will ensure the preparation of Caltrans documentation including but not limited to Award package, interim reports, and final report (close out) to be reviewed by the City. We will coordinate with the City to ensure Disadvantaged Business Enterprises (DBE) goal is met by contractors and document any changes throughout the length of the project. We will ensure compliance with any and all state and federal funding requirements for construction and enforce any regulations set forth by these funds.

We understand that all tasks listed above shall be required on an as-needed basis, and that the City reserves the right to add or reduce some of the above tasks and duties as it sees fit. Z&K, serving as staff extension, will remain sufficiently flexible to meet the needs of the City and of the project.

H. SCHEDULE

Z&K both prioritize and value equally the management of the contract as well as the management of the construction. The management of the City’s Projects will be an ongoing process throughout the duration of the contract. Since the contract will depend on the Contractor(s) schedules, which may vary in the type of inspections, level of effort, etc. it is important to meet monthly with the Management Team and Contractor to review their individual schedule and cash flow projection to be able to gauge the level of effort for the CM Contract. We have successfully utilized CM Agency delivery on a host of projects. Through this experience we have developed project management procedures that promote collaboration and teamwork, improve quality and maximize the value of the above project. Z&K’s past performance with Cities, Counties, and other agencies show our remarkable ability to control costs, guarantee great quality of work, and meet all project deadlines. We understand the importance of Schedule Control and are known in the industry for assisting the contractor to cut the project schedule and to yield significant savings for our clients through reduction of overhead construction management and construction costs. The most significant saving is less inconvenience to the community and less City exposure due to shortened construction duration. This will help extend excess project funds into other important projects.

Z&K Consultants, Inc. provides proven professional construction management techniques to ensure the safe construction of a quality project completed on time and within budget. Z&K accomplished this by establishing the systems, policies, and procedures necessary to ensure adequate project controls are in place. The Resident Engineer must ensure all parties understand the basic responsibilities and interrelationships of all team member such as the Owner (both project management and operations), the Design Engineer, the Contractor, the construction management team, and the subconsultants. Additionally, a good Resident Engineer must have the knowledge and experience to effectively understand the interrelationships between the key management components of time, information, cost, and quality. Decision making, including obtaining sufficient information to make reasoned decisions, is the key element leading to a successful project.

The Z&K approach is founded on a thorough understanding of each of the management components critical to the project.

QUALITY MANAGEMENT | Quality management is an inherent CM responsibility. Z&K is knowledgeable and capable in all aspects of quality management. Quality assurance is the application of systematic methods to verify the effective implementation of quality control procedures. Z&K will manage the quality of the project by taking the quality assurance lead role and implementing the Z&K quality assurance program, which allocates quality control responsibilities to the various project participants to ensure the constructed product conforms to the contract plans and specifications. This includes a detailed inspection plan, inspection procedures, and documentation procedures for all inspection and test reports. Z&K will review the Contractor’s quality control procedures to ensure adequacy. Quality control issues will be discussed at each weekly meeting. An ongoing deficiencies/corrective items list will be maintained, reviewed, and updated weekly.

Quality assurance includes quality of the constructed work as well as the quality of the Contractor’s document processes (such as the Contractor’s submittals and RFIs). In Z&K’s experience, lack of quality in the paperwork with items such as poor submittals and unanswered RFIs may lead to lack of quality in the constructed product. Deficiencies in submittal quality control by the Contractor often leads to incorrect or inferior equipment and materials being installed. Z&K will be proactive with the Contractor to ensure the quality of their submittals. Likewise, lax procedures for the processing of RFIs may lead to misunderstandings and delays. Z&K will take a proactive approach with the Contractor and the Design Engineer to ensure the quality of the RFI process is maintained. Finally, Z&K regularly performs internal audits of its field operations to ensure the proper implementation of procedures for Z&K’s quality assurance program.

TRACKING COSTS AND PROJECTING COSTS | Z&K will take the lead to ensure a cost management system is properly implemented and maintained. Z&K’s cost management role will be in two parts. The first is to track the value of the completed work to ensure accurate and detailed monthly progress billing by the contractor. Secondly, Z&K will proactively manage the change order process. The monthly progress billing may be tied to the construction schedule. A cost loaded critical path method (CPM) schedule is a valuable management tool. Each month, the Construction Inspector will review and approve the updated cost loaded CPM. Work activities and material deliveries will be assigned the correct completion percentage by the Contractor. This will be reviewed by the Construction Inspector and discrepancies will be addressed. If necessary, the Contractor will revise and resubmit the schedule of values. This process ensures the Owner is accurately billed for the completed work monthly. Changes in work and unforeseen conditions will be closely monitored. Any costs for changes will be managed by the Z&K construction management team. An ongoing log of potential change issues will be maintained. These issues will be discussed and updated at each weekly meeting.

Z&K will utilize the City’s preferred electronic document control system (EDCS) to manage the Project costs. This software will provide financial management through budget management, contract management, purchase orders (POs), Invoices, Payment Applications (Pay Apps), and Quantity Tracking. The project can be set up in the system in multiple ways and match any reporting requirements by the City. Z&K has a resource loaded schedule that changes with subconsultants, etc. There are certain services that occur every month and will be standard for the duration, such as program management and labor compliance. Other services such as specialty inspection, etc. will be targeted in specific phases of the construction. Z&K also has a dedicated Accounting Department and as a client-based firm, changes and special requests for the invoicing can always be accommodated by Z&K. Our reports can be tailored to the City’s needs.

Appendix “A” – SAMPLE CITY PROFESSIONAL SERVICES AGREEMENT
Appendix “B” – SUMMARY SHEET
Appendix “C” – CERTIFICATION OF PROPOSAL TO THE CITY OF PLACENTIA
1. INTRODUCTION

The City of Placentia (“City”) seeks competitive proposals from qualified firms to provide On-call Construction Management and Inspection Services. A Professional Services Agreement will be entered into with multiple qualified firms to provide construction management services for a variety of projects on an on-call basis. On an on-call, as-needed basis, the selected firm(s) may later be asked to provide construction management and inspection proposals on a specific, project-by-project basis, based on an agreed-upon specific scope of services and fees.

The firm shall provide general Construction Management and Inspection services to support construction efforts and serve as an extension of City staff to assist in the overall delivery of projects, including preconstruction tasks, managing construction, and ensuring that the work is completed in accordance with the contract documents, and project closeout and commissioning phase. The consultant team will report directly to the City’s Project Manager or their authorized representative. City staff may assist in managing construction and will oversee the work of the consultant’s Project Manager, Inspector, and Contract Administrator.

Firms must provide construction management services and contract administration in conformance with the requirements set forth in the State’s Construction Manual, State’s Local Assistance Programs and Procedures Manual, OCFCD encroachment permit/requirements, and other Agencies regulatory permits/requirements. The construction manager is expected implement contract requirements and comply with all Federal and local guidelines, as required, in order to successfully execute the project in a timely and cost-efficient manner.

Technical questions about the requested services that might require a clarification of the Request for Proposals (RFP) shall be made only in writing to the Q&A section located in PlanetBids no fewer than seven (7) calendar days prior to the date and time set for opening of proposals and responses shall be provided in writing. No verbal requests or responses will be accepted. Significant interpretations or clarifications will be addressed via addenda to this RFP. This RFP includes a description of the scope of work, proposal requirements, and instructions for submitting your proposal.

Please do not contact City departments or other City staff directly. Information provided by other than the above contact may be invalid and proposals which are submitted in accordance with such information may be declared non-responsive.
Any changes, additions, or deletions in the RFP from the date of release to date of submittal will result in an addendum or amendment. Notification of such addendum or amendment shall be posted on PlanetBids. Addenda shall become part of the agreement documents.

It is the proposer's sole responsibility to monitor PlanetBids for possible addenda to this RFP. Failure of proposer to retrieve addenda from this site shall not relieve the proposer of the requirements contained therein. Additionally, failure of proposer to return signed addenda, when required, may be cause for rejection of his/her proposal.

Proposals must conform to the requirements of this RFP to be considered for award and successfully submitted through the electronic bid management system at: https://pbsystem.planetbids.com/portal/54600/portal-home by the date and time specified on the cover page of this Request For Proposal. All proposals must be signed by an authorized representative and include the completed Summary Sheet and Certification of Proposal to the City of Placentia provided in Appendix “B” and “C” of this RFP.

The City reserves the right to waive any irregularity in any proposal or to reject any proposal that does not comply with this RFP. The City alone, using criteria determined by the City, will select the qualified firm and/or consultant. The successful consultant to whom the contract is awarded shall, within ten (10) days after being notified, enter a contract with the City for the work and shall furnish all required documents necessary to enter said contract. Failure of the successful consultant to execute the contract within said ten (10) days shall be just cause for the City to contract with the next ranked consultant.

By submitting a proposal, the proposer agrees to all of the terms of the RFP and the Agreement (Appendix A), unless exceptions to the RFP or the Agreement are stated by the proposer in its proposal. The successful proposers will be required to enter into an Agreement, which will include the requirements of this RFP as well as other contract requirements. In the delivery of these services, the term of the agreement shall be for three years with the option for two additional one-year term extensions. The City reserves the right to reject any proposal(s) exceptions or changes to the Agreement or Request for Proposal.
2. PROPOSAL SCHEDULE

The schedule is as follows:

- Advertisement Date – JANUARY 9, 2024
- Q&A Due on PlanetBids – January 23, 2024 by 5:00 p.m.
- Proposals Due on PlanetBids – JANUARY 30, 2024 by 5:00 p.m.
- Hard copy proposal Due at City Hall – February 1, 2024 by 5:00 p.m.
- Proposal Evaluations/Interviews, if necessary – February 2024
- City Council Contract Award and Selection* - March 2024

*The City expects, but does not guarantee, that the decision on selection of a firm will be made by the City Council on the date indicated above.

3. SCOPE OF WORK

The City desires to engage construction management firms that will ensure that not only are City capital projects built per plan and specifications but that will also ensure a high degree of quality craftsmanship in the final product. The City’s expectation is that selected CM/inspection teams will enforce a high attention to detail on project deliverables to ensure a high-quality finished product.

The majority of capital improvement and construction projects within the city include, but are not limited to, the following:

- Street rehabilitation
- Sewer improvements
- Signing and striping improvements
- Storm Drain improvements

P. Federal Requirements
• Preparation of Caltrans documentation including but not limited to Award package, interim reports, and final report (close out) to be reviewed by the City.
• Coordinate with the City to ensure Disadvantaged Business Enterprises (DBE) goal is met by contractors and document any changes throughout the length of the project.
• Compliance with any and all state and federal funding requirements for construction and enforce any regulations set forth by these funds.

All tasks listed above shall be required on an as-needed basis. The city reserves the right to add or reduce some of the above tasks and duties as it sees fit. The
consultant, serving as staff extension, shall remain sufficiently flexible to meet the needs of the City and of the project.

4. ASSURANCE OF DESIGNATED PROJECT TEAM

Proposer shall ensure that the designated project team, including sub-consultants as identified in the firm’s proposal, is used for this project. Departure or reassignment of, or substitution for, any member of the designated project team or sub-consultant(s) shall not be made without the prior written approval of the City.

5. PROPOSAL FORMAT REQUIREMENTS

Each response to this RFP shall include the information described in this section. Provide the information in the specified order. Failure to include all the elements specified may be cause for rejection. Additional information may be provided but should be brief and relevant to the goals of this RFP. Excessive information will not be considered favorably.

Three physical copies of the final proposal shall be submitted to the City no later than two working days after the proposal deadline. The consultant project cost proposal shall be submitted in a separate sealed envelope marked “Cost Proposal.” Proposer’s who do not include physical copies within the specified timeframe will be considered unresponsive and disqualified.

All proposals must be signed by an authorized representative and include the completed Summary Sheet and Certification of Proposal to the City of Placentia provided in Appendix “B” and “C” of this RFP.

Proposals shall be limited to a maximum of 30 pages. Proposals over 30 pages will be rejected. Paper size shall be 8.5”x11” and occasional 11”x17” sheets are acceptable for exhibits and graphics. The cover letter, table of contents, front and back covers, summary sheet, certification of proposal and section dividers are excluded from the page count. The proposal should include the following sections in order:

A. Cover Letter
Shall contain the following information:

• Title of this RFP
• Name and mailing address of the prime consultant (include physical location if mailing address is a PO Box)
• Contact Person, Email address, telephone number, and fax number

The City will use email to notify your firm of critical developments such as interview schedules if any, notification of selection/non-selection, etc. Therefore, it is essential that you identify one or more contact persons who have frequent access to email.

The City will not be responsible for delivery failure of email due to firewalls, spam filters, or individuals’ failure to retrieve email messages. The City will not attempt to re-deliver any messages which fail due to no fault of the City.

The Cover Letter must be signed by an officer empowered by the Consultant to sign such material and thereby commit the Consultant to the obligations contained in the RFP response. Further, the signing and submission of a response shall indicate the intention of the proposer to adhere to the provisions described in this RFP and a commitment to enter into a binding contract.

1. Proposals submitted on behalf of a Partnership shall be signed in the firm name by a partner or the Attorney-In-Fact. If signed by the Attorney-In-Fact, there shall be attached to the proposal a Power-Of-Attorney evidencing authority to sign proposals, dated the same date as the proposal and executed by all partners of the firm.

2. Proposals which are submitted on behalf of a Corporation shall have the correct corporate name thereon and the actual signature of the authorized officer of the corporation written (not typed) below the corporate name. The title of the office held by the person signing for the corporation shall appear below the signature of the officer.

3. Proposals which are submitted by an Individual doing business under a firm name ("dba") shall be signed in the name of the individual doing business under the proper firm’s name and style.

B. Executive Summary

Describe your firm’s and sub-consultant’s (if any) general experience and qualifications as it pertains to projects of similar scope and size. Identify the services which would be completed by your firm’s staff and those that would be provided by sub-consultants. Identify any sub-consultants you propose to utilize to supplement your firm’s staff.

C. Project Team Organization
Clearly identify the prime consultant, all subconsultants, and their respective roles. Show the Project Manager and the key staff proposed for this project, including subconsultants' staff. It is expected that the project team proposed under this proposal will remain unchanged throughout the duration of the project. Replacement of key staff without consultation with the City will not be permitted.

Include contact information and a brief summary of the Prime firm's history and experience providing the requested services on similarly sized and scoped projects. Include a summary of the firm's experience, if any, with the City of Placentia. Provide a brief resume for each key staff member including their education background, licensing (if applicable), availability, and project experience.

D. Relevant Project Experience and References

List and provide a narrative summary of related project experiences. Include a minimum of three (3) similar type/size projects that your team has completed. Provide a project description, services provided, and construction costs. Discuss whether the design and construction were completed on time and within budget. Provide a minimum of three (3) references (name, title, agency, and telephone number) from previous experience. Provide no more than one contact person per project as a reference, including agency/company and phone number. Preference is given to project references that have directly worked with staff proposed for this project.

E. Understanding & Approach

Provide a detailed discussion of your firm's approach to the successful implementation of this agreement. Describe your firm/team's understanding duties assigned and identify the approach for key services and/or issues anticipated. Describe the Project Manager's and firm/team support and approach to ensure the effort is completed on schedule and within the established budget.

F. Scope of Work

Provide a scope of work complementing the City’s proposed scope of work describing all tasks required to complete the work and any additional aspects to the work scope the City should and could consider. The scope of work shall provide enough detail to distinguish the varied work effort required, in keeping with the City’s desired tasks to be completed.

G. Schedule

Provide a typical schedule or sequence of events to accomplish all the required tasks; include review/approval times for the City and other project stakeholders.
H. Proposed Exceptions

Describe all proposed exceptions, alterations or amendments to the Scope of Services or other requirements of this RFP, including the Sample Contract (Appendix “A”). This section shall be clearly marked "Proposed Exceptions" in your submittal. If no exceptions are taken this shall be clearly stated in this section. The nature and scope of your proposed exceptions may affect the evaluation of your submittal and the City’s determination of whether it is possible to successfully negotiate a contract with your firm/individual.

It is necessary to submit these elements with your RFP response. Failure to submit the required information with your response will render your proposal non-responsive.

6. REQUIRED PROPOSAL STATEMENTS

This statements identified below must be included in your RFP response:

A. A statement that the submitting firm will perform the services and adhere to the requirements described in this RFP, including any addenda (reference the addenda by date and/or number).

B. Subsequent to award of this RFP, all or part of any submittal may be released to any person or firm who may request it, as prescribed by the State of California Public Records Act.

C. Proposers shall include a statement that describes the specific portion(s) of their submittal that are considered proprietary and should not be releasable as public information. Proposers should be aware that all such requests may be subject to legal review and challenge.

D. Include a statement of assurance that you will not substitute members of your designated team without approval by the City of Placentia staff which declares there is no Conflict of Interest.

E. Include a statement which declares there is no Conflict of Interests.

F. Provide a statement attesting there has been no Collusion with other proposing firms.

G. Indicate your ability and agreement to fulfill the indemnification and insurance requirements contained in the sample contract. (Please note that actual Certificates of Insurance are not required as part of your submittal.)

7. EXCEPTIONS
8. RESOURCE ALLOCATION AND COST PROPOSAL

Selection of the consultant will be made in accordance with the provisions of Chapter 10 of the California Government Code, Sections 4526 and 4529.5, stating that selection of professional services is based on competence and qualifications without regard to fee. The fee will be opened and evaluated to ensure the fee is reasonable for the services to be delivered after selection of the consultant based on qualifications is complete. Provide in a separate sealed envelope the proposed billing rates for all expected personnel to deliver services as described in the scope of work.

All cost proposals shall be signed and dated per Section 5.0 above and shall be submitted in a separate sealed envelope.

9. SUBMITTAL INSTRUCTIONS

A. Time, Place and Format

Proposal submission due date: JANUARY 30, 2024 at 5:00 P.M: No proposals will be considered for award unless properly and successfully submitted through the electronic bid management system at: https://pbsystem.planetbids.com/portal/54600/portal-home by the date and time specified on the cover page of this Request For Proposal. All proposals must be signed by an authorized representative.

All required sections, including pricing, shall be submitted via the website. Bidder is solely responsible for “on time” submission of their electronic proposal. The bid management system will not accept late bids and no exceptions shall be made. Bidders will receive an e-bid confirmation number with a time stamp from PlanetBids, the bid management system indicating their bid was submitted successfully. The City will only receive those proposals that were transmitted successfully. DO NOT FAX OR E-MAIL.

NOTE: E-Bids/Proposals are sealed and cannot be viewed by the City or any other person or entity until the closing date and time. If you need to withdraw your bid, you may do so at any time before the bid deadline, by going back into the system and selecting “withdraw”.

Three physical copies of the final proposal shall be submitted to the City no later than two working days after the proposal deadline. The
consultant project cost proposal shall be submitted in a separate sealed envelope marked “Cost Proposal.” Proposer’s who do not include physical copies within the specified timeframe will be considered unresponsive and disqualified. - Show page numbers for all pages in the proposal.
- Be on 8-1/2”x11” page size
  - states “On-Call Construction Management and Inspection Services”
  - identifies the proposer
- Must be addressed as follows:
  City of Placentia
  Attn: Chris Tanio, PE, Deputy Director/City Engineer
  401 E. Chapman Avenue
  Placentia, CA  92870
- Proposals must address the requirements of the RFP as set forth in Section 5. They should be as concise as possible and must not contain any promotional, advertising or display material.

B. Cost proposal Submittal

A detailed hourly rate schedule shall be required for this RFP. If subcontracting, the rate structure for those services shall be included. On-call contracts resulting from this RFP will be awarded to firms whose Technical Proposal meets the technical requirements of the RFP. Proposals will be ranked in accordance with the evaluation criteria stated in this RFP. Should the consultants selected for each task or project be not able to reach an agreement on the fees for design services, the City reserves the right to enter negotiations with any of the qualified consultant on the on-call list.

C. Opening of Responses

All proposals are scheduled to be opened and considered within two weeks after the deadline date shown in Section 2 using evaluation procedures set forth in Section 10. Consultant selection may be delayed or postponed at the discretion of the City.
10. EVALUATION CRITERIA

A. Selection Committee
   a. Proposals submitted will be evaluated by a Selection Committee

B. Review of Proposals
   a. The Selection Committee will use a point formula during the review process to individually score Project Proposals, as outlined in Section C below, “Project Proposal Evaluation Criteria.” The Selection Committee will then be convened to review and discuss these evaluations and combine the individual scores to arrive at an average composite Project Proposal score for each firm. Firms that do not meet “Mandatory Elements” listed in Section C1 below will be eliminated from further consideration.

   b. After the composite Project Proposal score for each firm has been established based upon the “Qualitative Evaluation” criteria listed in Section C, the Selection Committee may request oral presentations from a subset of those firms with a minimum score of 70 points. Based upon score rankings, the three (3) highest ranking firms may be interviewed. The Selection Committee may also schedule a site visit, if applicable.

   c. The Cost Proposal of firms receiving a minimum score of 70 points on the qualitative review will be opened to ensure that the Cost Proposal is reasonable. The cost proposal for these services should consist of hourly rate for all classifications assigned to this project.

C. Project Proposal Evaluation Criteria

Proposals will be evaluated using three (3) sets of criteria. Firms meeting the mandatory elements will have their proposals evaluated and scored. The following represent the principal selection criteria which will be considered during the evaluation process.

   a. Mandatory Elements
      i. The firm is independent and properly licensed to practice in California.
      ii. The firm has no conflict of interest with regard to any other work performed by the firm for the City.
      iii. The firm adheres to the instructions in this RFQ on preparing and submitting the proposal.
      iv. The firm included a Letter of Transmittal in the Project Proposal.

   b. Qualitative Evaluation (Maximum Points = 100)
      In order to be considered the proposer must achieve at least 70 points. (Points will be assigned by the Department Director or Coordinator.)
      i. Expertise and Experience (60 points)
1. The quality of the firm’s and individual personnel’s experience in providing professional design and engineering services for City Capital Improvement Projects as described in the Scope of Services. The quality of the personnel’s demonstrated expertise in producing detailed plans and related engineering services.

2. The quality of professional personnel’s education, certifications, licenses, and years of experience designing plans and providing construction support. Demonstrated commitment to high quality customer service and public relations.

3. Public agency references relative to personnel assigned to this contract; Long-term working relationships, multiple projects delivered for same agencies.

4. Firm’s statement on why it believes itself to be best qualified.

ii. Scope of Work (20 points)

1. Contract scope of work outlined in Section 3 of the RFP is addressed, and the proposal demonstrates that the proposer thoroughly understands the City’s needs and expectations, and how those will be met.

2. Inclusion of additional work scope/deliverables that complements and enhances the City’s scope of work which will ultimately deliver better services and construction projects.

iii. Allocation of Resources (20 points)

1. Conceptual plan that outlines how the firm’s resources will be leveraged to deliver Construction Management and Inspection Services that ultimately result in better projects.

2. Identify any distinguishing features, resources, skills and/or services your firm can allocate to this contract to deliver the City’s capital improvement projects.
LEGAL REQUIREMENTS

The contract awarded shall be governed in all respects by the laws of the State of California, and any litigation with respect thereto shall be brought in the courts of the State of California. The firm awarded the contract shall comply with applicable Federal, state and local laws and regulations and comply with the following terms:

- The City has the right to reject any and all proposals.

- All documents submitted in response to the RFP are public documents subject to disclosure as permitted by the California Public Records Act.

- The City is not liable for any costs incurred in responding to the RFP.

- From the issue date of this RFP until a firm is selected and the selection is announced, firms are not allowed to communicate for any reason with any City staff except through the person named herein for questions. For violation of this provision, the City shall reserve the right to reject the proposal of the offending firm.

- The selected firm will be required to enter into a Professional Services Agreement with the City of Placentia which includes the City's Standard Terms and Conditions including insurance requirements.

- Proposals submitted early may be withdrawn by the firm prior to the Proposal due date specified above. Following the Proposal due date, the Proposal constitutes a binding offer and may not be withdrawn by the firm prior to the award.

- The City of Placentia reserves the right to: (a) waive minor irregularities or variances, non-material bid informalities or defects in any proposal; (b) reject any and all proposals, in whole or in part, submitted in response to this solicitation; (c) request clarifications from all firms; (d) request resubmissions from all firms; (e) make partial, progressive or multiple awards; and (f) take any other action as permitted by law and/or the City's Procurement Ordinance.
THIS AGREEMENT is made and entered into this __ day of _____, 20__ (“Effective Date”), by and between the CITY OF PLACENTIA, a municipal corporation (“City”), and ___________, a [state] [type of corporation] (“Consultant”).

W I T N E S S E T H:

A. WHEREAS, City proposes to utilize the services of Consultant as an independent contractor to landscape architecture and accessibility design services, as more fully described herein; and

B. WHEREAS, Consultant represents that it is “design professional” as that term is defined by California Civil Code Section 2782.8 and has that degree of specialized expertise contemplated within California Government Code Section 37103, and holds all necessary licenses to practice and perform the services herein contemplated; including credentials as a Certified Access Specialist under Subchapter 2.5 of Title 21 of the California Code of Regulations; and

C. WHEREAS, City and Consultant desire to contract for the specific services described in Exhibit “A” (the “Project”) and desire to set forth their rights, duties and liabilities in connection with the services to be performed; and

D. WHEREAS, no official or employee of City has a financial interest, within the provisions of Sections 1090-1092 of the California Government Code, in the subject matter of this Agreement; and

E. WHEREAS, among other reasons, the City is hiring Consultant to perform accessibility design services at a public park within the City to comply with all applicable accessibility requirements. Accordingly, Consultant desires to perform these services and to bear all risk the City may bear resulting from accessibility designs that are not complaint.

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein, the parties hereby agree as follows:

1.0. SERVICES PROVIDED BY CONSULTANT

1.1. Scope of Services. Consultant shall provide the professional services described in the Consultant’s Proposal (“Proposal”), attached hereto as Exhibit “A” and incorporated herein by this reference, including but not limited to, preparing all design documents free from defects.

1.2. Professional Practices. All professional services to be provided by Consultant pursuant to this Agreement shall be provided by personnel experienced in their respective fields and in a manner consistent with the standards of care, diligence and skill ordinarily exercised by professional consultants in similar fields and circumstances in accordance with sound professional practices, and with credentials as a Certified Access Specialist under Subchapter 2.5 of Title 21 of the California Code of Regulations. Consultant also warrants that it is familiar with all laws that may affect its performance of this Agreement and shall advise City of any changes in any laws that may affect Consultant’s performance of this Agreement. Consultant shall keep itself informed of State and Federal laws and regulations which in any manner affect those employed by it or in any way affect the performance of its
service pursuant to this Agreement. The Consultant shall at all times observe and comply with all such laws and regulations. Officers and employees shall not be liable at law or in equity occasioned by failure of the Consultant to comply with this section. Consultant also warrants that it has ownership of all intellectual property being provided under this Agreement.

1.3. **Performance to Satisfaction of City.** Consultant agrees to perform all the work to the complete satisfaction of the City and within the hereinafter specified. Evaluations of the work will be done by the City Administrator or his or her designee. If the quality of work is not satisfactory, City in its discretion has the right to:

   (a) Meet with Consultant to review the quality of the work and resolve the matters of concern;

   (b) Require Consultant to repeat the work at no additional fee until it is satisfactory; and/or

   (c) Terminate the Agreement as hereinafter set forth.

1.4. **Warranty.** Consultant warrants that it shall perform the services required by this Agreement in compliance with all applicable Federal and California employment laws, including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers' compensation insurance and safety in employment; and all other Federal, State and local laws and ordinances applicable to the services required under this Agreement. Consultant shall indemnify and hold harmless City from and against all claims, demands, payments, suits, actions, proceedings, and judgments of every nature and description including attorneys' fees and costs, presented, brought, or recovered against City for, or on account of any liability under any of the above-mentioned laws, which may be incurred by reason of Consultant's performance under this Agreement.

1.5. **Non-discrimination.** In performing this Agreement, Consultant shall not engage in, nor permit its agents to engage in, discrimination in employment of persons because of their race, religion, color, national origin, ancestry, age, physical handicap, medical condition, marital status, sexual gender or sexual orientation, except as permitted pursuant to Section 12940 of the Government Code. Such actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. Consultant agrees to post in conspicuous places, available to employees and applicants for employment, a notice setting forth provisions of this non-discrimination clause.

Consultant shall, in all solicitations and advertisements for employees placed by, or on behalf of Consultant shall state that all qualified applicants will receive consideration for employment without regard to age, race, color, religion, sex, marital status, national origin, or mental or physical disability. Consultant shall cause the paragraphs contained in this Section to be inserted in all subcontracts for any work covered by the Agreement, provided that the foregoing provisions shall not apply to subcontracts for standard commercial supplies or raw materials.

1.6. **Non-Exclusive Agreement.** Consultant acknowledges that City may enter into agreements with other consultants for services similar to the services that are subject to this Agreement or may have its own employees perform services similar to those services contemplated by this Agreement.

1.7. **Delegation and Assignment.** This is a personal service contract, and the duties set forth herein shall not be delegated or assigned to any person or entity without the prior written consent of City. Consultant may engage a subcontractor(s) as permitted by law and may employ other personnel to perform services contemplated by this Agreement at Consultant's sole cost and expense. All
insurance requirements contained in this Agreement are independently applicable to any and all subcontractors that Consultant may engage during the term of this Agreement.

1.8. Confidentiality. Employees of Consultant in the course of their duties may have access to financial, accounting, statistical, and personnel data of private individuals and employees of City. Consultant covenants that all data, documents, discussion, or other information developed or received by Consultant or provided for performance of this Agreement are deemed confidential and shall not be disclosed by Consultant without written authorization by City. City shall grant such authorization if disclosure is required by law. All City data shall be returned to City upon the termination of this Agreement. Consultant's covenant under this Section shall survive the termination of this Agreement.

2.0. COMPENSATION AND BILLING

2.1. Compensation. Consultant shall be paid in accordance with the fee schedule set forth in Exhibit “A”. Consultant’s total compensation shall not exceed _______ Dollars ($_____.00).

2.2. Additional Services. Consultant shall not receive compensation for any services provided outside the scope of services specified in the Consultant’s Proposal or which is inconsistent with or in violation of the provisions of this Agreement unless the City or the Project Manager for this Project, prior to Consultant performing the additional services, approves such additional services in writing. It is specifically understood that oral requests and/or approvals of such additional services or additional compensation shall be barred and are unenforceable. Should the City request in writing additional services that increase the hereinabove described "SCOPE OF SERVICES", an additional fee based upon the Consultant's standard hourly rates shall be paid to the Consultant for such additional services. Such increase in additional fees shall be limited to 25% of the total contract sum or $25,000 whichever is more. The City Engineer is authorized to approve a Change Order for such additional services.

2.3. Method of Billing. Consultant may submit invoices to the City for approval on a progress basis, but no more often than two times a month. Said invoice shall be based on the total of all Consultant’s services which have been completed to City’s sole satisfaction. City shall pay Consultant’s invoice within forty-five (45) days from the date City receives said invoice. Each invoice shall describe in detail, the services performed, the date of performance, and the associated time for completion. Any additional services approved and performed pursuant to this Agreement shall be designated as “Additional Services” and shall identify the number of the authorized change order, where applicable, on all invoices.

2.4. Records and Audits. Records of Consultant’s services relating to this Agreement shall be maintained in accordance with generally recognized accounting principles and shall be made available to City or its Project Manager for inspection and/or audit at mutually convenient times for a period of three (3) years from the Effective Date.

3.0. TIME OF PERFORMANCE

3.1. Commencement and Completion of Work. The professional services to be performed pursuant to this Agreement shall commence within five (5) days from the Effective Date of this Agreement. Said services shall be performed in strict compliance with the Project Schedule approved by City as set forth in Exhibit “A”.

3.2. Excusable Delays. Neither party shall be responsible for delays or lack of performance resulting from acts beyond the reasonable control of the party or parties. Such acts shall include, but not be limited to, acts of God, fire, strikes, material shortages, compliance with laws or regulations, riots, acts of war, or any other conditions beyond the reasonable control of a party. If a delay beyond the control of the Consultant is encountered, a time extension may be mutually agreed upon in writing by the City and the Consultant. The Consultant shall present documentation satisfactory to the City to substantiate any request for a time extension.
4.0. TERM AND TERMINATION

4.1. Term. This Agreement shall commence on the Effective Date and continue for a period of ______ months, ending on __________, 20__, unless previously terminated as provided herein or as otherwise agreed to in writing by the parties.

4.2. Notice of Termination. The City reserves and has the right and privilege of canceling, suspending or abandoning the execution of all or any part of the work contemplated by this Agreement, with or without cause, at any time, by providing at least fifteen (15) days prior written notice to Consultant. The termination of this Agreement shall be deemed effective upon receipt of the notice of termination. In the event of such termination, Consultant shall immediately stop rendering services under this Agreement unless directed otherwise by the City. If the City suspends, terminates or abandons a portion of this Agreement such suspension, termination or abandonment shall not make void or invalidate the remainder of this Agreement.

If the Consultant defaults in the performance of any of the terms or conditions of this Agreement, it shall have ten (10) days after service upon it of written notice of such default in which to cure the default by rendering a satisfactory performance. In the event that the Consultant fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

The City shall have the right, notwithstanding any other provisions of this Agreement, to terminate this Agreement, at its option and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement, immediately upon service of written notice of termination on the Consultant, if the latter should:

- a. Be adjudged a bankrupt;
- b. Become insolvent or have a receiver of its assets or property appointed because of insolvency;
- c. Make a general assignment for the benefit of creditors;
- d. Default in the performance of any obligation or payment of any indebtedness under this Agreement;
- e. Suffer any judgment against it to remain unsatisfied or unbonded of record for thirty (30) days or longer; or
- f. Institute or suffer to be instituted any procedures for reorganization or rearrangement of its affairs.

4.3. Compensation. In the event of termination, City shall pay Consultant for reasonable costs incurred and professional services satisfactorily performed up to and including the date of City’s written notice of termination within thirty-five (35) days after service of the notice of termination. Compensation for work in progress shall be prorated based on the percentage of work completed as of the effective date of termination in accordance with the fees set forth herein. In ascertaining the professional services actually rendered hereunder up to the effective date of termination of this Agreement, consideration shall be given to both completed work and work in progress, to complete and incomplete drawings, and to other documents pertaining to the services contemplated herein whether delivered to the City or in the possession of the Consultant. City shall not be liable for any claim of lost profits.

4.4. Documents. In the event of termination of this Agreement, all documents prepared by Consultant in its performance of this Agreement including, but not limited to, finished or unfinished
design, development and construction documents, data studies, drawings, maps and reports, shall be delivered to the City within ten (10) days of delivery of termination notice to Consultant, at no cost to City. Any use of uncompleted documents without specific written authorization from Consultant shall be at City's sole risk and without liability or legal expense to Consultant.

5.0. INSURANCE

5.1. Minimum Scope and Limits of Insurance. Consultant shall obtain, maintain, and keep in full force and effect during the life of this Agreement all the following minimum scope of insurance coverages with an insurance company admitted to do business in California, rated “A,” Class X, or better in the most recent Best’s Key Insurance Rating Guide, and approved by City:

(a) Broad-form commercial general liability, in a form at least as broad as ISO from #CG 00 01 04 13, including premises-operations, products/completed operations, broad form property damage, blanket contractual liability, independent contractors, personal injury or bodily injury with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or shall be twice the required occurrence limit. If Consultant maintains higher limits that the specified minimum limits, City requires and shall be entitled to coverage for the high limits maintained by the Consultant.

(b) Business automobile liability for owned vehicles, hired, and non-owned vehicles, with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, each incident for bodily injury and property damage.

(c) Workers’ compensation insurance as required by the State of California and Employers Liability Insurance with a minimum limit of $1,000,000 per accident for any employee or employees of Consultant. Consultant agrees to waive, and to obtain endorsements from its workers’ compensation insurer waiving subrogation rights under its workers’ compensation insurance policy against the City, its officers, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its subcontractors, if any, to do likewise under their workers’ compensation insurance policies.

Before execution of this Agreement by the City, the Consultant shall file with the Public Works Director/City Engineer the following signed certification:

I am aware of, and will comply with, Section 3700 of the Labor Code, requiring every employer to be insured against liability of Workers’ Compensation or to undertake self-insurance before commencing any of the work.

The Consultant shall also comply with Section 3800 of the Labor Code by securing, paying for and maintaining in full force and effect for the duration of this Agreement, complete Workers’ Compensation Insurance, and shall furnish a Certificate of Insurance to the Public Works Director/City Engineer before execution of this Agreement by the City. The City, its officers and employees shall not be responsible for any claims in law or equity occasioned by failure of the consultant to comply with this section.

(d) Professional errors and omissions (“E&O”) liability insurance with policy limits of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence and aggregate. Architects’ and engineers’ coverage shall be endorsed to include contractual liability. If the policy is written as a “claims made” policy, the retro date shall be prior to the start of the contract work. Consultant
shall obtain and maintain, said E&O liability insurance during the life of this Agreement and for three years after completion of the work hereunder.

Neither the CITY nor any of its elected or appointed officials, officers, agents, employees, or volunteers makes any representation that the types of insurance and the limits specified to be carried by Consultant under this Agreement are adequate to protect Consultant. If Consultant believes that any such insurance coverage is insufficient, Consultant shall provide, at its own expense, such additional insurance as Consultant deems adequate.

5.2. Endorsements. The commercial general liability insurance policy and business automobile liability policy shall contain or be endorsed to contain the following provisions as worded below.

(a) Additional insureds: "The City of Placentia and its elected and appointed boards, officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of the Consultant pursuant to its contract with the City; products and completed operations of the Consultant; premises owned, occupied or used by the Consultant; automobiles owned, leased, hired, or borrowed by the Consultant."

(b) Notice: "Consultant shall provide immediate written notice if (1) any of the required insurance policies is terminated; (2) the limits of any of the required polices are reduced; (3) or the deductible or self-insured retention is increased. In the event of any cancellation or reduction in coverage or limits of any insurance, Consultant shall forthwith obtain and submit proof of substitute insurance. Should Consultant fail to immediately procure other insurance, as specified, to substitute for any canceled policy, the City may procure such insurance at Consultant's sole cost and expense."

(c) Other insurance: "The Consultant's insurance coverage shall be primary insurance as respects the City of Placentia, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of Placentia shall be excess and not contributing with the insurance provided by this policy."

(d) Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of Placentia, its officers, officials, agents, employees, and volunteers.

(e) The Consultant’s insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer’s liability.

5.3. Deductible or Self-Insured Retention. If any of such policies provide for a deductible or self-insured retention to provide such coverage, the amount of such deductible or self-insured retention shall be approved in advance by City. No policy of insurance issued as to which the City is an additional insured shall contain a provision which requires that no insured except the named insured can satisfy any such deductible or self-insured retention.

5.4. Certificates of Insurance. Consultant shall provide to City certificates of insurance showing the insurance coverages and required endorsements described above, in a form and content approved by City, prior to performing any services under this Agreement. The certificates of insurance and endorsements shall be attached hereto as Exhibit “B” and incorporated herein by this reference.

5.5. Non-limiting. Nothing in this Section shall be construed as limiting in any way, the indemnification provision contained in this Agreement, or the extent to which Consultant may be held
responsible for payments of damages to persons or property.

6.0. GENERAL PROVISIONS

6.1. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to any matter referenced herein and supersedes any and all other prior writings and oral negotiations. This Agreement may be modified only in writing and signed by the parties in interest at the time of such modification. The terms of this Agreement shall prevail over any inconsistent provision in any other contract document appurtenant hereto, including exhibits to this Agreement.

6.2. Representatives. The City Administrator or his or her designee shall be the representative of City for purposes of this Agreement and may issue all consents, approvals, directives and agreements on behalf of the City, called for by this Agreement, except as otherwise expressly provided in this Agreement.

Consultant shall designate a representative for purposes of this Agreement who shall be authorized to issue all consents, approvals, directives and agreements on behalf of Consultant called for by this Agreement, except as otherwise expressly provided in this Agreement.

6.3. Project Managers. City shall designate a Project Manager to work directly with Consultant in the performance of this Agreement. It shall be the Consultant’s responsibility to assure that the Project Manager is kept informed of the progress of the performance of the services and the Consultant shall refer any decision, which must be made by City, to the Project Manager. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Project Manager.

Consultant shall designate a Project Manager who shall represent it and be its agent in all consultations with City during the term of this Agreement and who shall not be changed by Consultant without the express written approval by the City. Consultant or its Project Manager shall attend and assist in all coordination meetings called by City.

6.4. Notices. Any notices, documents, correspondence or other communications concerning this Agreement, or the work hereunder may be provided by personal delivery, facsimile or if mailed, shall be addressed as set forth below and placed in a sealed envelope, postage prepaid, and deposited in the United States Postal Service. Such communication shall be deemed served or delivered: a) at the time of delivery if such communication is sent by personal delivery; b) at the time of transmission if such communication is sent by facsimile; and c) 72 hours after deposit in the U.S. Mail as reflected by the official U.S. postmark if such communication is sent through regular United States mail.

6.5. Attorneys’ Fees. In the event that litigation is brought by any party in connection with this Agreement, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys’ fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any of the terms, conditions, or provisions hereof.

6.6. Governing Law. This Agreement shall be governed by and construed under the laws of
the State of California without giving effect to that body of laws pertaining to conflict of laws. In the event of any legal action to enforce or interpret this Agreement, the parties hereto agree that the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California. Consultant agrees to submit to the personal jurisdiction of such court in the event of such action.

6.7. Assignment. Consultant shall not voluntarily or by operation of law assign, transfer, sublet or encumber all or any part of Consultant's interest in this Agreement without City's prior written consent. Any attempted assignment, transfer, subletting or encumbrance shall be void and shall constitute a breach of this Agreement and cause for termination of this Agreement. Regardless of City's consent, no subletting or assignment shall release Consultant of Consultant's obligation to perform all other obligations to be performed by Consultant hereunder for the term of this Agreement.

6.8. Indemnification and Hold Harmless. Consultant agrees to defend, indemnify, hold free and harmless the City, its elected and appointed officials, officers, agents and employees, at Consultant's sole expense, from and against any and all claims, demands, actions, suits or other legal proceedings arising out of, pertaining to, or relating to the negligence, recklessness, or willful misconduct of Consultant brought against the City, its elected and appointed officials, officers, agents and employees arising out of the performance of the Consultant, its employees, and/or authorized subcontractors, of the work undertaken pursuant to this Agreement. The defense obligation provided for hereunder shall apply without any advance showing of negligence, recklessness, or willful misconduct by the Consultant, its employees, and/or authorized subcontractors, but shall be required whenever any claim, action, complaint, or suit asserts as its basis the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors, and/or-whenever any claim, action, complaint or suit asserts liability against the City, its elected and appointed officials, officers, agents and employees based upon the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors under this Agreement, whether or not the Consultant, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable. Notwithstanding the foregoing, the Consultant shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City's specifications or Consultant's Proposal, which shall be of no force and effect.

6.9. Independent Contractor. Consultant is and shall be acting at all times as an independent contractor and not as an employee of City. Consultant shall have no power to incur any debt, obligation, or liability on behalf of City or otherwise act on behalf of City as an agent. Neither City nor any of its agents shall have control over the conduct of Consultant or any of Consultant's employees, except as set forth in this Agreement. Consultant shall not, at any time, or in any manner, represent that it or any of its or employees are in any manner agents or employees of City. Consultant shall secure, at its sole expense, and be responsible for any and all payment of Income Tax, Social Security, State Disability Insurance Compensation, Unemployment Compensation, and other payroll deductions for Consultant and its officers, agents, and employees, and all business licenses, if any are required, in connection with the services to be performed hereunder. Consultant shall indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant further agrees to indemnify and hold City harmless from any failure of Consultant to comply with the applicable worker's compensation laws. City shall have the right to offset against the amount of any fees due to Consultant under this Agreement any amount due to City from Consultant as a result of Consultant's failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

6.10. PERS Eligibility Indemnification. In the event that Consultant or any employee, agent, or subcontractor of Consultant providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Consultant shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits
on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Notwithstanding any other agency, state or federal policy, rule, regulation, law or ordinance to the contrary, Consultant and any of its employees, agents, and subcontractors providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

6.11. Cooperation. In the event any claim or action is brought against City relating to Consultant's performance or services rendered under this Agreement, Consultant shall render any reasonable assistance and cooperation which City might require.

6.12. Ownership of Documents. All findings, reports, documents, information and data including, but not limited to, computer tapes or discs, preliminary notes, working documents, files and tapes furnished or prepared by Consultant or any of its subcontractors in the course of performance of this Agreement, shall be and remain the sole property of City. Consultant agrees that any such documents or information shall not be made available to any individual or organization without the prior consent of City but shall be made available to the City within ten (10) days of request or within ten (10) days of termination. Any use of such documents for other projects not contemplated by this Agreement, and any use of incomplete documents, shall be at the sole risk of City and without liability or legal exposure to Consultant. City shall indemnify and hold harmless Consultant from all claims, damages, losses, and expenses, including attorneys’ fees, arising out of or resulting from City's use of such documents for other projects not contemplated by this Agreement or use of incomplete documents furnished by Consultant. Consultant shall deliver to City any findings, reports, documents, information, data, preliminary notes and working documents, in any form, including but not limited to, computer tapes, discs, files audio tapes or any other Project related items as requested by City or its authorized representative, at no additional cost to the City. Consultant or Consultant’s agents shall execute such documents as may be necessary from time to time to confirm City's ownership of the copyright in such documents.

6.13. Public Records Act Disclosure. Consultant has been advised and is aware that this Agreement and all reports, documents, information and data including, but not limited to, computer tapes, discs or files furnished or prepared by Consultant, or any of its subcontractors, pursuant to this Agreement and provided to City may be subject to public disclosure as required by the California Public Records Act (California Government Code Section 6250 et seq.). Exceptions to public disclosure may be those documents or information that qualify as trade secrets, as that term is defined in the California Government Code Section 6254.7, and of which Consultant informs City of such trade secret. The City will endeavor to maintain as confidential all information obtained by it that is designated as a trade secret. The City shall not, in any way, be liable or responsible for the disclosure of any trade secret including, without limitation, those records so marked if disclosure is deemed to be required by law or by order of the Court.

6.14. Conflict of Interest. Consultant and its officers, employees, associates and subconsultants, if any, will comply with all conflict of interest statutes of the State of California applicable to Consultant's services under this agreement, including, but not limited to, the Political Reform Act (Government Code Sections 81000, et seq.) and Government Code Section 1090. During the term of this Agreement, Consultant and its officers, employees, associates and subconsultants shall not, without the prior written approval of the City Representative, perform work for another person or entity for whom Consultant is not currently performing work that would require Consultant or one of its officers, employees, associates or subconsultants to abstain from a decision under this Agreement pursuant to a conflict of interest statute.

6.15. Responsibility for Errors. Consultant shall be responsible for its work and results under this Agreement. Consultant, when requested, shall furnish clarification and/or explanation as may be
required by the City’s representative, regarding any services rendered under this Agreement at no additional cost to City. In the event that an error or omission attributable to Consultant occurs, then Consultant shall, at no cost to City, provide all necessary design drawings, estimates and other Consultant professional services necessary to rectify and correct the matter to the sole satisfaction of City and to participate in any meeting required with regard to the correction.

6.16. **Prohibited Employment.** Consultant will not employ any regular employee of City while this Agreement is in effect.

6.17. **Order of Precedence.** In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and those of any such provision or provisions so incorporated by reference, the conflict shall be resolved by giving precedence in the following order, if applicable: This Agreement, the City’s Request for Proposals, the Consultant’s Proposal.

6.18. **Costs.** Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.

6.19. **No Third Party Beneficiary Rights.** This Agreement is entered into for the sole benefit of City and Consultant and no other parties are intended to be direct or incidental beneficiaries of this Agreement and no third party shall have any right in, under or to this Agreement.

6.20. **Headings.** Paragraphs and subparagraph headings contained in this Agreement are included solely for convenience and are not intended to modify, explain or to be a full or accurate description of the content thereof and shall not in any way affect the meaning or interpretation of this Agreement.

6.21. **Construction.** The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. There shall be no presumption or burden of proof favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

6.22. **Amendments.** Only a writing executed by the parties hereto or their respective successors and assigns may amend this Agreement.

6.23. **Waiver.** The delay or failure of either party at any time to require performance or compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of those rights to require such performance or compliance. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom enforcement of a waiver is sought. The waiver of any right or remedy in respect to any occurrence or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a continuing waiver.

6.24. **Severability.** If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial benefit of the bargain for any party, is materially impaired, which determination made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.

6.25. **Counterparts.** This Agreement may be executed in one or more counterparts, each of
which shall be deemed an original. All counterparts shall be construed together and shall constitute one agreement.

6.26. Corporate Authority. The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by doing so the parties hereto are formally bound to the provisions of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective authorized officers, as of the date first above written.

**Description of Operations / Locations / Vehicles**: (ACORD 101, Additional Remarks Schedule, may be attached if more space is required)

City of Placentia and its elected and appointed boards, officers, officials, agents, employees, and volunteers are named Additional Insured as respects to General Liability and Auto Liability. This Insurance is primary and non-contributory with any other insurance of the additional insured, so long as a written contract or agreement to such exists prior to a loss. A Waiver of subrogation in favor of The City of Placentia and its elected and appointed boards, officers, officials, agents, employees, and volunteers applies as respects to General Liability, Auto Liability and Workers Compensation coverage so long as written contract or agreement exists as per attached endorsements CGD9380915, CAT2200215 and WC990376 (A)-001.

**Certificate Holder**: City of Placentia
Attn: Chris Tanio
401 East Chapman Avenue
Placentia, CA 92870

**Cancellation**: Should any of the above described policies be cancelled before the expiration date thereof, notice will be delivered in accordance with the policy provisions.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

BLANKET ADDITIONAL INSURED
(ARCHITECTS, ENGINEERS AND SURVEYORS)

This endorsement modifies insurance provided under the following:
COMMERCIAL GENERAL LIABILITY COVERAGE PART

1. The following is added to SECTION II – WHO IS AN INSURED:

   a. Only with respect to liability for "bodily injury", "property damage" or "personal injury"; and

   b. If, and only to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the "written contract requiring insurance" applies, or in connection with premises owned by or rented to you.

The person or organization does not qualify as an additional insured:

   c. With respect to the independent acts or omissions of such person or organization; or

   d. For "bodily injury", "property damage" or "personal injury" for which such person or organization has assumed liability in a contract or agreement.

The insurance provided to such additional insured is limited as follows:

   e. This insurance does not apply on any basis to any person or organization for which coverage as an additional insured specifically is added by another endorsement to this Coverage Part.

   f. This insurance does not apply to the rendering of or failure to render any "professional services".

   g. In the event that the Limits of Insurance of the Coverage Part shown in the Declarations exceed the limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured shall be limited to the limits of liability required by that "written contract requiring insurance". This endorsement does not increase the limits of insurance described in Section III – Limits Of Insurance.

   h. This insurance does not apply to "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the "written contract requiring insurance" specifically requires you to provide such coverage for that additional insured, and then the insurance provided to the additional insured applies only to such "bodily injury" or "property damage" that occurs before the end of the period of time for which the "written contract requiring insurance" requires you to provide such coverage or the end of the policy period, whichever is earlier.

2. The following is added to Paragraph 4.a. of SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS:

The insurance provided to the additional insured is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured for a loss we cover. However, if you specifically agree in the "written contract requiring insurance" that this insurance provided to the additional insured under this Coverage Part must apply on a primary basis or a primary and non-contributory basis, this insurance is primary to other insurance available to the additional insured which covers that person or organizations as a named insured for such loss, and we will not share with the other insurance, provided that:

(1) The "bodily injury" or "property damage" for which coverage is sought occurs; and

(2) The "personal injury" for which coverage is sought arises out of an offense committed;

after you have signed that "written contract requiring insurance". But this insurance provided to the additional insured still is excess over valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured under any other insurance.
3. The following is added to Paragraph 8., Transfer Of Rights Of Recovery Against Others To Us, of SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS:

We waive any right of recovery we may have against any person or organization because of payments we make for "bodily injury", "property damage" or "personal injury" arising out of "your work" performed by you, or on your behalf, done under a "written contract requiring insurance" with that person or organization. We waive this right only where you have agreed to do so as part of the "written contract requiring insurance" with such person or organization signed by you before, and in effect when, the "bodily injury" or "property damage" occurs, or the "personal injury" offense is committed.

4. The following definition is added to the DEFINITIONS Section:

"Written contract requiring insurance" means that part of any written contract under which you are required to include a person or organization as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs and the "personal injury" is caused by an offense committed:

a. After you have signed that written contract;

b. While that part of the written contract is in effect; and

c. Before the end of the policy period.
c. **Method Of Sharing**
   If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.
   If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

d. **Primary And Non-Contributory Insurance If Required By Written Contract**
   If you specifically agree in a written contract or agreement that the insurance afforded to an insured under this Coverage Part must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is available to such insured which covers such insured as a named insured, and we will not share with that other insurance, provided that:
   (1) The "bodily injury" or "property damage" for which coverage is sought occurs; and
   (2) The "personal and advertising injury" for which coverage is sought is caused by an offense that is committed;
   subsequent to the signing of that contract or agreement by you.

5. **Premium Audit**
   a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
   b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
   c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. **Representations**
   By accepting this policy, you agree:
   a. The statements in the Declarations are accurate and complete;
   b. Those statements are based upon representations you made to us; and
   c. We have issued this policy in reliance upon your representations.
   The unintentional omission of, or unintentional error in, any information provided by you which we relied upon in issuing this policy will not prejudice your rights under this insurance. However, this provision does not affect our right to collect additional premium or to exercise our rights of cancellation or nonrenewal in accordance with applicable insurance laws or regulations.

7. **Separation Of Insureds**
   Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:
   a. As if each Named Insured were the only Named Insured; and
   b. Separately to each insured against whom claim is made or "suit" is brought.

8. **Transfer Of Rights Of Recovery Against Others To Us**
   If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. **When We Do Not Renew**
   If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date. If notice is mailed, proof of mailing will be sufficient proof of notice.

**SECTION V – DEFINITIONS**

1. "Advertisement" means a notice that is broadcast or published to the general public or specific market segments about your goods, products or services for the purpose of attracting customers or supporters. For the purposes of this definition:
   a. Notices that are published include material placed on the Internet or on similar electronic means of communication; and
   b. Regarding websites, only that part of a website that is about your goods, products or services for the purposes of attracting customers or supporters is considered an advertisement.
THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

AUTO COVERAGE PLUS ENDORSEMENT

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

GENERAL DESCRIPTION OF COVERAGE – This endorsement broadens coverage. However, coverage for any injury, damage or medical expenses described in any of the provisions of this endorsement may be excluded or limited by another endorsement to the Coverage Part, and these coverage broadening provisions do not apply to the extent that coverage is excluded or limited by such an endorsement. The following listing is a general coverage description only. Limitations and exclusions may apply to these coverages. Read all the provisions of this endorsement and the rest of your policy carefully to determine rights, duties, and what is and is not covered.

A. BLANKET ADDITIONAL INSURED
B. EMPLOYEE HIRED AUTO
C. EMPLOYEES AS INSURED
D. SUPPLEMENTARY PAYMENTS – INCREASED LIMITS
E. TRAILERS – INCREASED LOAD CAPACITY
F. HIRED AUTO PHYSICAL DAMAGE
G. PHYSICAL DAMAGE – TRANSPORTATION EXPENSES – INCREASED LIMIT

A. BLANKET ADDITIONAL INSURED
The following is added to Paragraph A.1., Who Is An Insured, of SECTION II – COVERED AUTOS LIABILITY COVERAGE:

Any person or organization who is required under a written contract or agreement between you and that person or organization, that is signed and executed by you before the "bodily injury" or "property damage" occurs and that is in effect during the policy period, to be named as an additional insured is an "insured" for Covered Autos Liability Coverage, but only for damage to which this insurance applies and only to the extent that person or organization qualifies as an "insured" under the Who Is An Insured provision contained in Section II.

B. EMPLOYEE HIRED AUTO
1. The following is added to Paragraph A.1., Who Is An Insured, of SECTION II – COVERED AUTOS LIABILITY COVERAGE:

An "employee" of yours is an "insured" while operating a covered "auto" hired or rented under a contract or agreement in an "employee's" name, with your permission, while performing duties related to the conduct of your business.

2. The following replaces Paragraph b. in B.5., Other Insurance, of SECTION IV – BUSINESS AUTO CONDITIONS:

b. For Hired Auto Physical Damage Coverage, the following are deemed to be covered "autos" you own:

(1) Any covered "auto" you lease, hire, rent or borrow; and

(2) Any covered "auto" hired or rented by your "employee" under a contract in an "employee's" name, with your permission, while performing duties related to the conduct of your business.

However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

C. EMPLOYEES AS INSURED
The following is added to Paragraph A.1., Who Is An Insured, of SECTION II – COVERED AUTOS LIABILITY COVERAGE:
Any "employee" of yours is an "insured" while using a covered "auto" you don't own, hire or borrow in your business or your personal affairs.

D. SUPPLEMENTARY PAYMENTS – INCREASED LIMITS

1. The following replaces Paragraph A.2.a.(2) of SECTION II – COVERED AUTOS LIABILITY COVERAGE:

   (2) Up to $3,000 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.

2. The following replaces Paragraph A.2.a.(4) of SECTION II – COVERED AUTOS LIABILITY COVERAGE:

   (4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to $500 a day because of time off from work.

E. TRAILERS – INCREASED LOAD CAPACITY

The following replaces Paragraph C.1. of SECTION I – COVERED AUTOS:

1. "Trailers" with a load capacity of 3,000 pounds or less designed primarily for travel on public roads.

F. HIRED AUTO PHYSICAL DAMAGE

The following is added to Paragraph A.4., Coverage Extensions, of SECTION III – PHYSICAL DAMAGE COVERAGE:

Hired Auto Physical Damage Coverage

If hired "autos" are covered "autos" for Covered Autos Liability Coverage but not covered "autos" for Physical Damage Coverage, and this policy also provides Physical Damage Coverage for an owned "auto", then the Physical Damage Coverage is extended to "autos" that you hire, rent or borrow subject to the following:

(1) The most we will pay for "loss" to any one "auto" that you hire, rent or borrow is the lesser of:

   (a) $50,000;

   (b) The actual cash value of the damaged or stolen property as of the time of the "loss"; or

   (c) The cost of repairing or replacing the damaged or stolen property with other property of like kind and quality.

(2) An adjustment for depreciation and physical condition will be made in determining actual cash value in the event of a total "loss".

(3) If a repair or replacement results in better than like kind or quality, we will not pay for the amount of betterment.

(4) A deductible equal to the highest Physical Damage deductible applicable to any owned covered "auto".

(5) This Coverage Extension does not apply to:

   (a) Any "auto" that is hired, rented or borrowed with a driver; or

   (b) Any "auto" that is hired, rented or borrowed from your "employee".

G. PHYSICAL DAMAGE – TRANSPORTATION EXPENSES – INCREASED LIMIT

The following replaces the first sentence in Paragraph A.4.a., Transportation Expenses, of SECTION III – PHYSICAL DAMAGE COVERAGE:

We will pay up to $50 per day to a maximum of $1,500 for temporary transportation expense incurred by you because of the total theft of a covered "auto" of the private passenger type.

H. AUDIO, VISUAL AND DATA ELECTRONIC EQUIPMENT – INCREASED LIMIT

Paragraph C.1.b. of SECTION III – PHYSICAL DAMAGE COVERAGE is deleted.

I. WAIVER OF DEDUCTIBLE – GLASS

The following is added to Paragraph D., Deductible, of SECTION III – PHYSICAL DAMAGE COVERAGE:

No deductible for a covered "auto" will apply to glass damage if the glass is repaired rather than replaced.

J. PERSONAL PROPERTY

The following is added to Paragraph A.4., Coverage Extensions, of SECTION III – PHYSICAL DAMAGE COVERAGE:

Personal Property Coverage

We will pay up to $400 for "loss" to wearing apparel and other personal property which is:

(1) Owned by an "insured"; and

(2) In or on your covered "auto".

This coverage only applies in the event of a total theft of your covered "auto".

No deductibles apply to Personal Property coverage.
K. AIRBAGS

The following is added to Paragraph B.3., Exclusions, of SECTION III – PHYSICAL DAMAGE COVERAGE:

Exclusion 3.a. does not apply to "loss" to one or more airbags in a covered "auto" you own that inflate due to a cause other than a cause of "loss" set forth in Paragraphs A.1.b. and A.1.c., but only:

a. If that "auto" is a covered "auto" for Comprehensive Coverage under this policy;
b. The airbags are not covered under any warranty; and
c. The airbags were not intentionally inflated.

We will pay up to a maximum of $1,000 for any one "loss".

L. AUTO LOAN LEASE GAP

The following is added to Paragraph A.4., Coverage Extensions, of SECTION III – PHYSICAL DAMAGE COVERAGE:

Auto Loan Lease Gap Coverage for Private Passenger Type Vehicles

In the event of a total "loss" to a covered "auto" of the private passenger type shown in the Schedule or Declarations for which Physical Damage Coverage is provided, we will pay any unpaid amount due on the lease or loan for such covered "auto" less the following:

(1) The amount paid under the Physical Damage Coverage Section of the policy for that "auto"; and

(2) Any:

(a) Overdue lease or loan payments at the time of the "loss";

(b) Financial penalties imposed under a lease for excessive use, abnormal wear and tear or high mileage;

(c) Security deposits not returned by the lessor;

(d) Costs for extended warranties, Credit Life insurance, Health, Accident or Disability insurance purchased with the loan or lease; and

(e) Carry-over balances from previous loans or leases.

M. BLANKET WAIVER OF SUBROGATION

The following replaces Paragraph A.5., Transfer Of Rights Of Recovery Against Others To Us, of SECTION IV – BUSINESS AUTO CONDITIONS:

5. Transfer Of Rights Of Recovery Against Others To Us

We waive any right of recovery we may have against any person or organization to the extent required of you by a written contract executed prior to any "accident" or "loss", provided that the "accident" or "loss" arises out of the operations contemplated by such contract. The waiver applies only to the person or organization designated in such contract.
WAIVER OF OUR RIGHT TO RECOVER FROM OTHERS
ENDORSEMENT – CALIFORNIA
(BLANKET WAIVER)

We have the right to recover our payments from anyone liable for an injury covered by this policy. We will not enforce our right against the person or organization named in the Schedule.

The additional premium for this endorsement shall be 2.00 % of the California workers' compensation premium.

CITY OF PLACENTIA
PROFESSIONAL SERVICES AGREEMENT
WITH
NV5, Inc

7th of May

THIS AGREEMENT is made and entered into this 2nd day of April, 2024 (“Effective Date”), by and
between the CITY OF PLACENTIA, a municipal corporation (“City”), and NV5, Inc (“Consultant”).

WITNESSETH:

A. WHEREAS, City proposes to utilize the services of Consultant as an independent
contractor to provide on-call construction management and inspection services, as more fully described
herein; and

B. WHEREAS, Consultant represents that it is “design professional” as that term is defined
by California Civil Code Section 2782.8 and has that degree of specialized expertise contemplated within
California Government Code Section 37103, and holds all necessary licenses to practice and perform
the services herein contemplated; and

C. WHEREAS, City and Consultant desire to contract for the specific services described in
Exhibit “A” (the “Project”) and desire to set forth their rights, duties and liabilities in connection with the
services to be performed; and

D. WHEREAS, no official or employee of City has a financial interest, within the provisions of
Sections 1090-1092 of the California Government Code, in the subject matter of this Agreement; and

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained
herein, the parties hereby agree as follows:

1.0. SERVICES PROVIDED BY CONSULTANT

1.1. Scope of Services. Consultant shall provide the professional services described in the
Consultant’s Proposal (“Proposal”), attached hereto as Exhibit “A” and incorporated herein by this
reference.

1.2. Professional Practices. All professional services to be provided by Consultant pursuant
to this Agreement shall be provided by personnel experienced in their respective fields and in a manner
consistent with the standards of care, diligence and skill ordinarily exercised by professional consultants
in similar fields and circumstances in accordance with sound professional practices, and with credentials
as a Certified Access Specialist under Subchapter 2.5 of Title 21 of the California Code of Regulations.
Consultant also warrants that it is familiar with all laws that may affect its performance of this Agreement
and shall advise City of any changes in any laws that may affect Consultant’s performance of this
Agreement. Consultant shall keep itself informed of State and Federal laws and regulations which in any
manner affect those employed by it or in any way affect the performance of its service pursuant to this
Agreement. The Consultant shall at all times observe and comply with all such laws and regulations.
Officers and employees shall not be liable at law or in equity occasioned by failure of the Consultant to
comply with this section. Consultant also warrants that it has ownership of all intellectual property being
provided under this Agreement.

1.3. Performance to Satisfaction of City. Consultant agrees to perform all the work to the
complete satisfaction of the City and within the hereinafter specified. Evaluations of the work will be done
by the City Administrator or his or her designee. If the quality of work is not satisfactory, City in its
discretion has the right to:

NV5, Inc
(a) Meet with Consultant to review the quality of the work and resolve the matters of concern;

(b) Require Consultant to repeat the work at no additional fee until it is satisfactory; and/or

(c) Terminate the Agreement as hereinafter set forth.

1.4. **Warranty.** Consultant warrants that it shall perform the services required by this Agreement in compliance with all applicable Federal and California employment laws, including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers’ compensation insurance and safety in employment; and all other Federal, State and local laws and ordinances applicable to the services required under this Agreement. Consultant shall indemnify and hold harmless City from and against all claims, demands, payments, suits, actions, proceedings, and judgments of every nature and description including attorneys’ fees and costs, presented, brought, or recovered against City for, or on account of any liability under any of the above-mentioned laws, which may be incurred by reason of Consultant’s performance under this Agreement.

1.5. **Non-discrimination.** In performing this Agreement, Consultant shall not engage in, nor permit its agents to engage in, discrimination in employment of persons because of their race, religion, color, national origin, ancestry, age, physical handicap, medical condition, marital status, sexual gender or sexual orientation, except as permitted pursuant to Section 12940 of the Government Code. Such actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. Consultant agrees to post in conspicuous places, available to employees and applicants for employment, a notice setting forth provisions of this non-discrimination clause.

Consultant shall, in all solicitations and advertisements for employees placed by, or on behalf of Consultant shall state that all qualified applicants will receive consideration for employment without regard to age, race, color, religion, sex, marital status, national origin, or mental or physical disability. Consultant shall cause the paragraphs contained in this Section to be inserted in all subcontracts for any work covered by the Agreement, provided that the foregoing provisions shall not apply to subcontracts for standard commercial supplies or raw materials.

1.6. **Non-Exclusive Agreement.** Consultant acknowledges that City may enter into agreements with other consultants for services similar to the services that are subject to this Agreement or may have its own employees perform services similar to those services contemplated by this Agreement.

1.7. **Delegation and Assignment.** This is a personal service contract, and the duties set forth herein shall not be delegated or assigned to any person or entity without the prior written consent of City. Consultant may engage a subcontractor(s) as permitted by law and may employ other personnel to perform services contemplated by this Agreement at Consultant’s sole cost and expense. All insurance requirements contained in this Agreement are independently applicable to any and all subcontractors that Consultant may engage during the term of this Agreement.

1.8. **Confidentiality.** Employees of Consultant in the course of their duties may have access to financial, accounting, statistical, and personnel data of private individuals and employees of City. Consultant covenants that all data, documents, discussion, or other information developed or received by Consultant or provided for performance of this Agreement are deemed confidential and shall not be disclosed by Consultant without written authorization by City. City shall grant such authorization if disclosure is required by law. All City data shall be returned to City upon the termination of this Agreement. Consultant's covenant under this Section shall survive the termination of this Agreement.
2.0. COMPENSATION AND BILLING

2.1. Compensation. Consultant shall be paid in accordance with the fee schedule set forth in Exhibit “A”. Consultant’s total compensation shall not exceed Five Hundred Thousand Dollars ($500,000), unless authorized herein.

2.2. Additional Services. Consultant shall not receive compensation for any services provided outside the scope of services specified in the Consultant’s Proposal or which is inconsistent with or in violation of the provisions of this Agreement unless the City or the Project Manager for this Project, prior to Consultant performing the additional services, approves such additional services in writing. It is specifically understood that oral requests and/or approvals of such additional services or additional compensation shall be barred and are unenforceable. Should the City request in writing additional services that increase the hereinabove described "SCOPE OF SERVICES", an additional fee based upon the Consultant's standard hourly rates shall be paid to the Consultant for such additional services. Such increase in additional fees shall be limited to 25% of the total contract sum or $25,000 whichever is more. The City Engineer is authorized to approve a Change Order for such additional services.

2.3. Method of Billing. Consultant may submit invoices to the City for approval on a progress basis, but no more often than two times a month. Said invoice shall be based on the total of all Consultant’s services which have been completed to City’s sole satisfaction. City shall pay Consultant’s invoice within forty-five (45) days from the date City receives said invoice. Each invoice shall describe in detail, the services performed, the date of performance, and the associated time for completion. Any additional services approved and performed pursuant to this Agreement shall be designated as “Additional Services” and shall identify the number of the authorized change order, where applicable, on all invoices.

2.4. Records and Audits. Records of Consultant’s services relating to this Agreement shall be maintained in accordance with generally recognized accounting principles and shall be made available to City or its Project Manager for inspection and/or audit at mutually convenient times for a period of three (3) years from the Effective Date.

3.0. TIME OF PERFORMANCE

3.1. Commencement and Completion of Work. The professional services to be performed pursuant to this Agreement shall commence within five (5) days from the Effective Date of this Agreement. Said services shall be performed in strict compliance with the Project Schedule approved by City as set forth in Exhibit “A”.

3.2. Excusable Delays. Neither party shall be responsible for delays or lack of performance resulting from acts beyond the reasonable control of the party or parties. Such acts shall include, but not be limited to, acts of God, fire, strikes, material shortages, compliance with laws or regulations, riots, acts of war, or any other conditions beyond the reasonable control of a party. If a delay beyond the control of the Consultant is encountered, a time extension may be mutually agreed upon in writing by the City and the Consultant. The Consultant shall present documentation satisfactory to the City to substantiate any request for a time extension.

4.0. TERM AND TERMINATION

4.1. Term. This Agreement shall commence on the Effective Date and continue for a period of 3 years, ending on April 02, 2027 unless previously terminated as provided herein or as otherwise agreed to in writing by the parties. One (1) two-year extension is available based on Consultant performance and at the discretion of the City. Approval of the term extension is contingent upon City Council review and approval at the conclusion of the initial three-years.

4.2. Notice of Termination. The City reserves and has the right and privilege of canceling, suspending or abandoning the execution of all or any part of the work contemplated by this Agreement.

NV5, Inc
with or without cause, at any time, by providing at least fifteen (15) days prior written notice to Consultant. The termination of this Agreement shall be deemed effective upon receipt of the notice of termination. In the event of such termination, Consultant shall immediately stop rendering services under this Agreement unless directed otherwise by the City. If the City suspends, terminates or abandons a portion of this Agreement such suspension, termination or abandonment shall not make void or invalidate the remainder of this Agreement.

If the Consultant defaults in the performance of any of the terms or conditions of this Agreement, it shall have ten (10) days after service upon it of written notice of such default in which to cure the default by rendering a satisfactory performance. In the event that the Consultant fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

The City shall have the right, notwithstanding any other provisions of this Agreement, to terminate this Agreement, at its option and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement, immediately upon service of written notice of termination on the Consultant, if the latter should:

a. Be adjudged a bankrupt;

b. Become insolvent or have a receiver of its assets or property appointed because of insolvency;

c. Make a general assignment for the benefit of creditors;

d. Default in the performance of any obligation or payment of any indebtedness under this Agreement;

e. Suffer any judgment against it to remain unsatisfied or unbonded of record for thirty (30) days or longer; or

f. Institute or suffer to be instituted any procedures for reorganization or rearrangement of its affairs.

4.3. Compensation. In the event of termination, City shall pay Consultant for reasonable costs incurred and professional services satisfactorily performed up to and including the date of City’s written notice of termination within thirty-five (35) days after service of the notice of termination. Compensation for work in progress shall be prorated based on the percentage of work completed as of the effective date of termination in accordance with the fees set forth herein. In ascertaining the professional services actually rendered hereunder up to the effective date of termination of this Agreement, consideration shall be given to both completed work and work in progress, to complete and incomplete drawings, and to other documents pertaining to the services contemplated herein whether delivered to the City or in the possession of the Consultant. City shall not be liable for any claim of lost profits.

4.4. Documents. In the event of termination of this Agreement, all documents prepared by Consultant in its performance of this Agreement including, but not limited to, finished or unfinished design, development and construction documents, data studies, drawings, maps and reports, shall be delivered to the City within ten (10) days of delivery of termination notice to Consultant, at no cost to City. Any use of uncompleted documents without specific written authorization from Consultant shall be at City's sole risk and without liability or legal expense to Consultant.

5.0. INSURANCE

5.1. Minimum Scope and Limits of Insurance. Consultant shall obtain, maintain, and keep in full force and effect during the life of this Agreement all the following minimum scope of insurance coverages with an insurance company admitted to do business in California, rated “A,” Class X, or better
in the most recent Best's Key Insurance Rating Guide, and approved by City:

(a) Broad-form commercial general liability, in a form at least as broad as ISO from #CG 00 01 04 13, including premises-operations, products/completed operations, broad form property damage, blanket contractual liability, independent contractors, personal injury or bodily injury with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or shall be twice the required occurrence limit. If Consultant maintains higher limits that the specified minimum limits, City requires and shall be entitled to coverage for the high limits maintained by the Consultant.

(b) Business automobile liability for owned vehicles, hired, and non-owned vehicles, with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, each incident for bodily injury and property damage.

(c) Workers' compensation insurance as required by the State of California and Employers Liability Insurance with a minimum limit of $1,000,000 per accident for any employee or employees of Consultant. Consultant agrees to waive, and to obtain endorsements from its workers' compensation insurer waiving subrogation rights under its workers' compensation insurance policy against the City, its officers, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its subcontractors, if any, to do likewise under their workers' compensation insurance policies.

Before execution of this Agreement by the City, the Consultant shall file with the Public Works Director/City Engineer the following signed certification:

I am aware of, and will comply with, Section 3700 of the Labor Code, requiring every employer to be insured against liability of Workers' Compensation or to undertake self-insurance before commencing any of the work.

The Consultant shall also comply with Section 3800 of the Labor Code by securing, paying for and maintaining in full force and effect for the duration of this Agreement, complete Workers' Compensation Insurance, and shall furnish a Certificate of Insurance to the Public Works Director/City Engineer before execution of this Agreement by the City. The City, its officers and employees shall not be responsible for any claims in law or equity occasioned by failure of the consultant to comply with this section.

(d) Professional errors and omissions ("E&O") liability insurance with policy limits of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence and aggregate. Architects' and engineers' coverage shall be endorsed to include contractual liability. If the policy is written as a "claims made" policy, the retro date shall be prior to the start of the contract work. Consultant shall obtain and maintain, said E&O liability insurance during the life of this Agreement and for three years after completion of the work hereunder.

Neither the CITY nor any of its elected or appointed officials, officers, agents, employees, or volunteers makes any representation that the types of insurance and the limits specified to be carried by Consultant under this Agreement are adequate to protect Consultant. If Consultant believes that any such insurance coverage is insufficient, Consultant shall provide, at its own expense, such additional insurance as Consultant deems adequate.

5.2. Endorsements. The commercial general liability insurance policy and business
automobile liability policy shall contain or be endorsed to contain the following provisions as worded below.

(a) Additional insureds: "The City of Placentia and its elected and appointed boards, officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of the Consultant pursuant to its contract with the City; products and completed operations of the Consultant; premises owned, occupied or used by the Consultant; automobiles owned, leased, hired, or borrowed by the Consultant."

(b) Notice: "Consultant shall provide immediate written notice if (1) any of the required insurance policies is terminated; (2) the limits of any of the required policies are reduced; (3) or the deductible or self-insured retention is increased. In the event of any cancellation or reduction in coverage or limits of any insurance, Consultant shall forthwith obtain and submit proof of substitute insurance. Should Consultant fail to immediately procure other insurance, as specified, to substitute for any canceled policy, the City may procure such insurance at Consultant’s sole cost and expense."

(c) Other insurance: "The Consultant’s insurance coverage shall be primary insurance as respects the City of Placentia, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of Placentia shall be excess and not contributing with the insurance provided by this policy."

(d) Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of Placentia, its officers, officials, agents, employees, and volunteers.

(e) The Consultant’s insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer’s liability.

5.3. Deductible or Self-Insured Retention. If any of such policies provide for a deductible or self-insured retention to provide such coverage, the amount of such deductible or self-insured retention shall be approved in advance by City. No policy of insurance issued as to which the City is an additional insured shall contain a provision which requires that no insured except the named insured can satisfy any such deductible or self-insured retention.

5.4. Certificates of Insurance. Consultant shall provide to City certificates of insurance showing the insurance coverages and required endorsements described above, in a form and content approved by City, prior to performing any services under this Agreement. The certificates of insurance and endorsements shall be attached hereto as Exhibit “B” and incorporated herein by this reference.

5.5. Non-limiting. Nothing in this Section shall be construed as limiting in any way, the indemnification provision contained in this Agreement, or the extent to which Consultant may be held responsible for payments of damages to persons or property.

6.0. GENERAL PROVISIONS

6.1. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to any matter referenced herein and supersedes any and all other prior writings and oral negotiations. This Agreement may be modified only in writing and signed by the parties in interest at the time of such modification. The terms of this Agreement shall prevail over any inconsistent provision in any other contract document appurtenant hereto, including exhibits to this Agreement.
6.2. **Representatives.** The City Administrator or his or her designee shall be the representative of City for purposes of this Agreement and may issue all consents, approvals, directives and agreements on behalf of the City, called for by this Agreement, except as otherwise expressly provided in this Agreement.

Consultant shall designate a representative for purposes of this Agreement who shall be authorized to issue all consents, approvals, directives and agreements on behalf of Consultant called for by this Agreement, except as otherwise expressly provided in this Agreement.

6.3. **Project Managers.** City shall designate a Project Manager to work directly with Consultant in the performance of this Agreement. It shall be the Consultant’s responsibility to assure that the Project Manager is kept informed of the progress of the performance of the services and the Consultant shall refer any decision, which must be made by City, to the Project Manager. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Project Manager.

Consultant shall designate a Project Manager who shall represent it and be its agent in all consultations with City during the term of this Agreement and who shall not be changed by Consultant without the express written approval by the City. Consultant or its Project Manager shall attend and assist in all coordination meetings called by City.

6.4. **Notices.** Any notices, documents, correspondence or other communications concerning this Agreement, or the work hereunder may be provided by personal delivery, facsimile or if mailed, shall be addressed as set forth below and placed in a sealed envelope, postage prepaid, and deposited in the United States Postal Service. Such communication shall be deemed served or delivered: a) at the time of delivery if such communication is sent by personal delivery; b) at the time of transmission if such communication is sent by facsimile; and c) 72 hours after deposit in the U.S. Mail as reflected by the official U.S. postmark if such communication is sent through regular United States mail.

6.5. **Attorneys’ Fees.** In the event that litigation is brought by any party in connection with this Agreement, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys’ fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any of the terms, conditions, or provisions hereof.

6.6. **Governing Law.** This Agreement shall be governed by and construed under the laws of the State of California without giving effect to that body of laws pertaining to conflict of laws. In the event of any legal action to enforce or interpret this Agreement, the parties hereto agree that the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California. Consultant agrees to submit to the personal jurisdiction of such court in the event of such action.

6.7. **Assignment.** Consultant shall not voluntarily or by operation of law assign, transfer, sublet or encumber all or any part of Consultant's interest in this Agreement without City's prior written consent. Any attempted assignment, transfer, subletting or encumbrance shall be void and shall constitute a breach of this Agreement and cause for termination of this Agreement. Regardless of City's consent, no subletting or assignment shall release Consultant of Consultant's obligation to perform all other obligations to be performed by Consultant hereunder for the term of this Agreement.
6.8. **Indemnification and Hold Harmless.** Consultant agrees to defend, indemnify, hold free and harmless the City, its elected and appointed officials, officers, agents and employees, at Consultant’s sole expense, from and against any and all claims, demands, actions, suits or other legal proceedings arising out of, pertaining to, or relating to the negligence, recklessness, or willful misconduct of Consultant brought against the City, its elected and appointed officials, officers, agents and employees arising out of the performance of the Consultant, its employees, and/or authorized subcontractors, of the work undertaken pursuant to this Agreement. The defense obligation provided for hereunder shall apply without any advance showing of negligence, recklessness, or willful misconduct by the Consultant, its employees, and/or authorized subcontractors, but shall be required whenever any claim, action, complaint, or suit asserts as its basis the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors, and/or—whenever any claim, action, complaint or suit asserts liability against the City, its elected and appointed officials, officers, agents and employees based upon the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors under this Agreement, whether or not the Consultant, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable. Notwithstanding the foregoing, the Consultant shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City’s specifications or Consultant’s Proposal, which shall be of no force and effect.

6.9. **Independent Contractor.** Consultant is and shall be acting at all times as an independent contractor and not as an employee of City. Consultant shall have no power to incur any debt, obligation, or liability on behalf of City or otherwise act on behalf of City as an agent. Neither City nor any of its agents shall have control over the conduct of Consultant or any of Consultant’s employees, except as set forth in this Agreement. Consultant shall not, at any time, or in any manner, represent that it or any of its or employees are in any manner agents or employees of City. Consultant shall secure, at its sole expense, and be responsible for any and all payment of Income Tax, Social Security, State Disability Insurance Compensation, Unemployment Compensation, and other payroll deductions for Consultant and its officers, agents, and employees, and all business licenses, if any are required, in connection with the services to be performed hereunder. Consultant shall indemnify and hold harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant further agrees to indemnify and hold City harmless from any failure of Consultant to comply with the applicable worker’s compensation laws. City shall have the right to offset against the amount of any fees due to Consultant under this Agreement any amount due to City from Consultant as a result of Consultant’s failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

6.10. **PERS Eligibility Indemnification.** In the event that Consultant or any employee, agent, or subcontractor of Consultant providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Consultant shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Notwithstanding any other agency, state or federal policy, rule, regulation, law or ordinance to the contrary, Consultant and any of its employees, agents, and subcontractors providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

6.11. **Cooperation.** In the event any claim or action is brought against City relating to Consultant’s performance or services rendered under this Agreement, Consultant shall render any reasonable assistance and cooperation which City might require.
6.12. **Ownership of Documents.** All findings, reports, documents, information and data including, but not limited to, computer tapes or discs, preliminary notes, working documents, files and tapes furnished or prepared by Consultant or any of its subcontractors in the course of performance of this Agreement, shall be and remain the sole property of City. Consultant agrees that any such documents or information shall not be made available to any individual or organization without the prior consent of City but shall be made available to the City within ten (10) days of request or within ten (10) days of termination. Any use of such documents for other projects not contemplated by this Agreement, and any use of incomplete documents, shall be at the sole risk of City and without liability or legal exposure to Consultant. City shall indemnify and hold harmless Consultant from all claims, damages, losses, and expenses, including attorneys’ fees, arising out of or resulting from City’s use of such documents for other projects not contemplated by this Agreement or use of incomplete documents furnished by Consultant. Consultant shall deliver to City any findings, reports, documents, information, data, preliminary notes and working documents, in any form, including but not limited to, computer tapes, discs, files audio tapes or any other Project related items as requested by City or its authorized representative, at no additional cost to the City. Consultant or Consultant’s agents shall execute such documents as may be necessary from time to time to confirm City’s ownership of the copyright in such documents.

6.13. **Public Records Act Disclosure.** Consultant has been advised and is aware that this Agreement and all reports, documents, information and data, including, but not limited to, computer tapes, discs or files furnished or prepared by Consultant, or any of its subcontractors, pursuant to this Agreement and provided to City may be subject to public disclosure as required by the California Public Records Act (California Government Code Section 6250 et seq.). Exceptions to public disclosure may be those documents or information that qualify as trade secrets, as that term is defined in the California Government Code Section 6254.7, and of which Consultant informs City of such trade secret. The City will endeavor to maintain as confidential all information obtained by it that is designated as a trade secret. The City shall not, in any way, be liable or responsible for the disclosure of any trade secret including, without limitation, those records so marked if disclosure is deemed to be required by law or by order of the Court.

6.14. **Conflict of Interest.** Consultant and its officers, employees, associates and subconsultants, if any, will comply with all conflict of interest statutes of the State of California applicable to Consultant's services under this agreement, including, but not limited to, the Political Reform Act (Government Code Sections 81000, et seq.) and Government Code Section 1090. During the term of this Agreement, Consultant and its officers, employees, associates and subconsultants shall not, without the prior written approval of the City Representative, perform work for another person or entity for whom Consultant is not currently performing work that would require Consultant or one of its officers, employees, associates or subconsultants to abstain from a decision under this Agreement pursuant to a conflict of interest statute.

6.15. **Responsibility for Errors.** Consultant shall be responsible for its work and results under this Agreement. Consultant, when requested, shall furnish clarification and/or explanation as may be required by the City’s representative, regarding any services rendered under this Agreement at no additional cost to City. In the event that an error or omission attributable to Consultant occurs, then Consultant shall, at no cost to City, provide all necessary design drawings, estimates and other Consultant professional services necessary to rectify and correct the matter to the sole satisfaction of City and to participate in any meeting required with regard to the correction.

6.16. **Prohibited Employment.** Consultant will not employ any regular employee of City while this Agreement is in effect.

6.17. **Order of Precedence.** In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and those of any such provision or provisions so incorporated by reference, the conflict shall be resolved by
giving precedence in the following order, if applicable: This Agreement, the City’s Request for Proposals, the Consultant’s Proposal.

6.18. Costs. Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.

6.19. No Third Party Beneficiary Rights. This Agreement is entered into for the sole benefit of City and Consultant and no other parties are intended to be direct or incidental beneficiaries of this Agreement and no third party shall have any right in, under or to this Agreement.

6.20. Headings. Paragraphs and subparagraph headings contained in this Agreement are included solely for convenience and are not intended to modify, explain or to be a full or accurate description of the content thereof and shall not in any way affect the meaning or interpretation of this Agreement.

6.21. Construction. The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. There shall be no presumption or burden of proof favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

6.22. Amendments. Only a writing executed by the parties hereto or their respective successors and assigns may amend this Agreement.

6.23. Waiver. The delay or failure of either party at any time to require performance or compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of those rights to require such performance or compliance. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom enforcement of a waiver is sought. The waiver of any right or remedy in respect to any occurrence or event shall not be deemed a waiver of any other occurrence or event, nor shall any waiver constitute a continuing waiver.

6.24. Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial benefit of the bargain for any party, is materially impaired, which determination made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.

6.25. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original. All counterparts shall be construed together and shall constitute one agreement.

6.26. Corporate Authority. The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by doing so the parties hereto are formally bound to the provisions of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective authorized officers, as of the date first above written.

City of Placentia
Attn: Chris Tanio, PE, Deputy Director/City Engineer
401 E. Chapman Avenue
Placentia, CA 92870

SUBJECT: On-Call Construction Management and Inspection Services

Dear Mr. Tanio,

NV5, Inc. is excited to have the opportunity to provide On-Call Construction Management and Inspection Services to the City of Placentia (City). Our team has the knowledge and experience to ensure your projects are completed on schedule and within budget. NV5’s strengths include the following:

Current Partnership: Our extensive experience and strong existing relationship with the City gives us the ability to continue providing construction management and inspection services for your capital improvement projects. We operate with a working knowledge of your staff, processes and environment, enabling us to provide outstanding cost- and time-efficient services. Our 8-year partnership with the City has seen the completion of a myriad of projects. Specifically, our team has provided construction support services for the City’s FY 19-20 Arterial Roadway Rehabilitation, Placentia Avenue Rehabilitation, and Old City Hall Office Renovation projects.

Relevant Experience: We have a proven track record of successfully providing on-call construction management and inspection services to municipalities throughout Southern California, most of which have been repeat clients. Our team has provided similar services to dozens of cities throughout Orange County and Southern California, and details on our most relevant experience can be found starting on Page 15.

Proposed Team: NV5 offers the City a team of dedicated professionals with proven capability and expertise. NV5 Project Manager Peter Salgado, PE, will be the main point of contact and will provide hands-on, customer-oriented, proactive management of your on-call contract. Mr. Salgado has previously served as Construction Manager for the City’s Placentia Avenue Rehabilitation project and oversaw the inspection team for the City’s FY 19-20 Arterial Roadway Rehabilitation and City Hall Office Renovation projects.

Subconsultants: NV5 has a strong and successful working relationship with our subconsultant Pacific Resources Services, who we have worked with on numerous projects for various agencies throughout Southern California.

Deep Bench: In addition to providing construction management and inspection services, NV5 offers in-house services, materials testing and special inspection, survey (drone capability), engineering design and many other professional services the City may need at a moment’s notice. NV5 has a deep bench of more than 4,000 professionals who can be made available to the City, and we will provide the personnel with the most relevant experience on a task order basis.

Signature Requirements: This proposal has been signed by Jeffrey M. Cooper, PE, a company officer authorized to bind the NV5, Inc. (corporation).

NV5 looks forward to the opportunity to work with the City and help you achieve your goals and objectives. If you need further information, we may be reached by phone at (949) 585-0477, or electronically at peter.salgado@nv5.com and jeff.cooper@nv5.com. Thank you for your time and consideration.

Sincerely,

NV5

PETER SALGADO, PE
Project Manager + Construction Manager

With 25 years of experience, Mr. Salgado has managed and delivered a variety of public works projects, including street improvements, vertical construction and tenant improvements, parks and landscaping improvements, and water, sewer and storm drain improvements. Working with a variety of agencies, he is thoroughly familiar with local, state and federal procedures.

Project Experience

FY 19-20 Arterial Roadway Rehabilitation
CITY OF PLACENTIA | PLACENTIA, CA
Project Manager. Mr. Salgado was the primary point of contact for our team’s construction inspection services for the City’s federally funded annual arterial roadway rehabilitation project. The scope of work included the grind and overlay of approximately 4 miles of arterial roadway along with curb, gutter and sidewalk repairs, new ADA-compliant curb ramps, new pavement markings and signage, traffic signal modifications and other improvements and repairs as outlined by the City.

Placentia Avenue Rehabilitation
CITY OF PLACENTIA | PLACENTIA, CA
Construction Manager. Mr. Salgado managed this federally funded street rehabilitation project. The project rehabilitated Placentia Avenue from Chapman Avenue to Ruby Drive and included sidewalk and parkway improvements; roadway reconstruction and resurfacing; utility adjustments; traffic loop installation; and traffic signage and striping.

Old City Hall Office Renovation
CITY OF PLACENTIA | PLACENTIA, CA
Project Manager. Mr. Salgado is overseeing the construction inspection team for the Old City Hall Office Renovation project. The scope of work includes replacement of existing lighting with new LED type, new door replacement to comply with accessibility, new exit signs, replacement of new suspended ceiling system, and a new accessible restroom.

Bastanchury Road Widening
CITY OF YORBA LINDA | YORBA LINDA, CA
Project/Construction Manager. Mr. Salgado is providing project and construction management services for the Bastanchury Road Widening project between Casa Loma Avenue and Eureka Avenue. Our team is providing construction management, inspection, materials testing/special inspection, and labor compliance services for the project. The scope of work includes adding a second lane in each direction along with a two-way turn lane in the median; elevating portions of the roadway center line up to 6 feet; constructing retaining walls/structures; installation of traffic signals at the intersections of Bastanchury Road/Casa Loma Avenue and Bastanchury Road/Eureka Avenue; and installation of new bike lanes, a multipurpose trail, and sidewalk/parkway improvements with new irrigation and landscaping. NV5 is also providing on-site welding inspection of a water line. Project considerations include coordination with an adjacent tract home development that is undergoing construction improvements; coordination with the Yorba Linda Water District; and coordination with utilities for relocations that will be made before the road widening.

PROJECT EXPERIENCE
Bartolo Storm Drain and Pump Plant
LOS ANGELES COUNTY PUBLIC WORKS | PICO RIVERA, CA
Project Manager. Mr. Daly managed this multi-million-dollar storm drain and pump station project in the City of Pico Rivera. The goal of the project was to alleviate flooding along major streets and throughout the local community during major storms. His responsibilities included coordinating the City’s review and approval, obtaining environmental approvals, preparing financial agreements between the County and the City, managing project schedules, and conducting local community meetings to discuss construction impacts.

Bastanchury Road Widening
CITY OF YORBA LINDA | YORBA LINDA, CA
Assistant Construction Manager. Mr. Daly is assisting with construction management services on the Bastanchury Road Widening project between Casa Loma Avenue and Eureka Avenue. The scope of work includes adding a second lane in each direction along with a two-way turn lane in the median; elevating portions of the roadway center line up to 6 feet; constructing retaining walls/structures; installation of traffic signals at the intersections of Bastanchury Road/Casa Loma Avenue and Bastanchury Road/Eureka Avenue; and installation of new bike lanes, a multipurpose trail, and sidewalk/parkway improvements with new irrigation and landscaping.

PROJECT EXPERIENCE
Copper Hill Drive Bridge Widening
CITY OF SANTA CLARITA | SANTA CLARITA, CA
Oversight Engineer/Construction Manager. Mr. Dipsia is providing construction oversight and inspection services for the $9.3M Copper Hill Drive Bridge Widening over San Francisquito Creek project. Proposed improvements include widening the north side of the existing bridge by 33 feet to allow the new widened bridge to have 3 lanes and a small shoulder for each of east and west directions, extending the south sidewalk to 12 feet wide, adding a new 5 foot wide sidewalk to the north side, constructing a new raised median landscape island of varying width between McBean Parkway and Avenida Rancho Tesoro, and constructing new approach slabs on both the east and west side of the bridge.

PCH Signal and Median Improvements
CITY OF MALIBU | MALIBU, CA
Construction Manager. Mr. Dipsia is providing on-call construction management support services to the City of Malibu for two highway projects. The Signal Systems Improvements project is needed to minimize traffic incidents and will facilitate signal timing adjustment and streamline monitoring from a remote facility to enable Caltrans to monitor traffic flow and regulate all intersection incident management. The Median Improvements project is to reconstruct the existing median island for approximately 2 miles between Webb Way and Puero Canyon Road and add bike refuge lanes at the intersections.

Sewer Line Crossing at Johnson Avenue & Metrolink/SCRRA/UPRR Railroads
CITY OF EL MONTE | EL MONTE, CA
Project Engineer. Ms. Woodruff provided emergency engineering design services for the Sewer Line Crossing at Johnson Avenue and Metrolink/SCRRA and UPRR Railroads. Due to an additional railroad track proposed by SCRRA to meet the needs of the upcoming Olympics, the City must encase an 8-inch gravity sewer line that runs north from Johnson Avenue underneath the existing railroad tracks to the alley beyond. A new 12-inch sewer main will be jack and bored at the southern limit of the railroad right-of-way at Johnson Avenue, underneath the existing and future railroad rails, overtop the slot within the Los Angeles County Flood Control District’s existing storm drain, to the alley just north of the existing railroad right-of-way. Services include preparing the PS&E; utility research; temporary water high lining and sewer bypassing to keep the facilities online during construction; land surveying; geotechnical report; and coordination with the railroad.

William Woollett Jr. Aquatics Center
CITY OF IRVINE | IRVINE, CA
Construction Manager. Ms. Woodruff provided construction management services for this pool replastering project (three pools) at the William Woollett Jr. Aquatics Center. The City is currently embarking on restoring and resurfacing all three of these pools. NV5 provided a constructability review of the pending plans and specifications, and is providing construction management and inspection during pool restoration.

On-Call Inspection Services
CITY OF SEAL BEACH | SEAL BEACH, CA
Construction Inspector. Mr. Aghajanian is providing on-call inspection of both CIP and developer projects for the City. Safety is a major concern for the City and in addition to our regular daytime inspectors, our inspectors have been called for night and weekend work to ensure traffic control is properly set up for items like Caltrans right-of-way. Our inspectors provide inspections to document and determine the acceptability of the construction work in accordance with the City’s approved plans, specifications, and standard details. Our NV5 inspectors report directly to the City’s Project Manager. NV5 provides both daily emails for a quick summary of the work, as well as daily reports with photograph documentation.

Interstate 5 Widening and Carmenita Bridge Reconstruction
CALTRANS DISTRICT 7 | NORWALK, CA
This project included the widening and realignment of Interstate 5 and the reconstruction of the Carmenita Bridge. Mr. Aghajanian developed utility relocation plans, reformulated stages of the public utility relocations to accommodate ongoing construction stages, and conducted utility relocation analysis, including initiating corrections of bridge column-roadway conflicts that eliminated major utility relocations and initiating hazardous waste mitigation of an unidentified idle oil line that eliminated associated construction delays.

The scope of work includes adding a second lane in each direction along with a two-way turn lane in the median; elevating portions of the roadway center line up to 6 feet; constructing retaining walls/structures; installation of traffic signals at the intersections of Bastanchury Road/Casa Loma Avenue and Bastanchury Road/Eureka Avenue; and installation of new bike lanes, a multipurpose trail, and sidewalk/parkway improvements with new irrigation and landscaping. NV5 is also providing on-site welding inspection of a water line. Project considerations include coordination with an adjacent tract home development that is undergoing construction improvements; coordination with the Yorba Linda Water District; and coordination with utilities for relocations that will be made before the road widening.

Sidewalk & Curb Ramp Reconstruction (Phase 2)
CITY OF EL MONTE | EL MONTE, CA
Construction Inspector. Mr. Smith provided inspection services for this federally-assisted Sidewalk & Curb Ramp Reconstruction Phase 1 & 2. The scope of work includes parkway improvements along various local/residential roadways within the City and includes the reconstruction of existing PCC sidewalks, curb and gutter, driveways, and ADA curb ramps; tree root pruning; and potential tree removal/replacement.

Utility Undergrounding Assessment District No. 19-4
CITY OF MANHATTAN BEACH | MANHATTAN BEACH, CA
Construction Administration. Mr. Gutierrez provided construction administration services for the undergrounding of overhead utilities for Utility Undergrounding Assessment District No. 19-4. The project includes the installation of underground electrical and telecom utilities in order to convert the overhead utilities for 167 homes to underground utilities. The project involves utility trenching and backfill; installation of utility conduits and construction of PCC encasement; installation of pullboxes, PCC pads, conduit risers and other ancillary facilities; AC and PCC paving and other ancillary site work; removal of existing utility poles; and close coordination with affected utilities, including Southern California Edison, Charter Communications, and Frontier.

Reverse Osmosis Water Treatment Plant
CITY OF BEVERLY HILLS | BEVERLY HILLS, CA
CAD/Construction Administration. Mr. Gutierrez assisted with the design and construction administration during the design and construction of a pre-treatment system for the City’s existing Reverse Osmosis Water Treatment Plant. As Owner’s Representative, NV5 oversaw the planning and initial design to construct this project and then continued as Construction Manager and Construction Inspector. The project included evaluation and necessary upgrades to the entire water supply system.

Diversion Pipeline
CITY OF CULVER CITY | CULVER CITY, CA
Construction Inspector. Mr. Warren provided construction inspection services for the construction of diversion sewer pipes to abandon Mesmer and Overland Sewer Pump Stations involving conventional cut and cover as well as trenchless jack and bore underneath the Caltrans ROW in multiple jurisdictions, including the City of Los Angeles. The goal of the project was to divert flows from four of the City’s sewer pump stations to a new sewage pump station, Bankfield Station, which is another project for which NV5 provided construction management and inspection services during construction. The project also included full street AC resurfacing.

Fullerton Road Grade Separation
AECOM (CITY OF INDUSTRY AND COUNTY OF LOS ANGELES) | INDUSTRY, CA
Construction Inspector. Mr. Warren provided construction inspection services for the sewer lift station portion of the $223.7M Fullerton Road Grade Separation. Mr. Warren inspected the construction of the sewer lift station’s wet well’s mechanical and CMU Electrical Control Building and Appurtenances. The Fullerton Road Grade Separation Project lowered Fullerton Road under the existing Union Pacific railroad tracks in the City of Industry and unincorporated Los Angeles County. Plans included constructing a six-lane roadway underpass, four-track railroad bridge and bridge for Railroad Street spanning Fullerton Road. Gale Avenue would be lowered at the intersection with Fullerton Road.

PROJECT EXPERIENCE

Bellflower Boulevard Rehabilitation
CITY OF BELLFLOWER | BELLFLOWER, CA
Labor Compliance and Federal Funding. As a subconsultant to NV5, Pacific Resources Services is providing labor compliance and federal funding services for the federally funded Bellflower Boulevard Rehabilitation project from Artesia Boulevard to South City Limit. The scope of work includes reconstruction and resurfacing of existing asphalt pavement; removal and reconstruction of PCC sidewalks, driveways, curb and gutter, cross-gutters, drain inlets, and ADA curb ramps; landscaping and irrigation; adjustment of utilities to grade; replacement of existing traffic loops; and traffic striping and signage.

Lambert Park Improvements
CITY OF EL MONTE | EL MONTE, CA
Labor Compliance. As a subconsultant to NV5, Pacific Resources Services provided labor compliance services for this 9-acre park and playground project. Improvements include construction of a new CMU concession and restroom building; hardscape, decorative paving, decomposed granite walking and jogging path, and play surfacing; landscaping and irrigation; playground and play equipment; exercise areas and equipment; shade structures and miscellaneous site furnishings; site lighting; site drainage; on- and off-site utilities; renovation of an existing maintenance building; new turf for athletic fields (soccer fields and baseball diamonds); and renovation of existing AC parking lot.

| FY 19-20 Arterial Roadway Rehab  
City of Placentia | NV5 provided construction inspection services for the City’s federally funded annual arterial roadway rehabilitation project. The scope of work included the grind and overlay of approximately four miles of arterial roadway along with curb, gutter and sidewalk repairs, new ADA-compliant curb ramps, new pavement markings and signage, traffic signal modifications and other improvements and repairs as outlined by the City.  
▷ **CONSTRUCTION COST:** $1.2 MILLION | Street Rehab, Signing and Striping, Site Improvements |
| Placentia Avenue Rehab  
City of Placentia | Our team provided construction management, inspection, labor compliance, and funding oversight services for this federally funded rehabilitation project with Caltrans oversight. The project rehabilitated Placentia Avenue from Chapman Avenue to Ruby Drive and included removal and replacement of asphalt, improvements to curb and gutter, sidewalks, installation of new traffic loops and pedestrian signaling, adjusting manholes to grade, and signing and striping. We also provided comprehensive labor compliance services and assisted the City in preparing for and completing an extensive Caltrans audit.  
▷ **CONSTRUCTION COST:** $1.3 MILLION | Street Rehab, Signing and Striping |
| Old City Hall Office Renovation  
City of Placentia | NV5 is providing part-time inspection services for the Old City Hall Office Renovation project. The scope of work includes replacement of existing lighting with new LED type, new door replacement to comply with accessibility, new exit signs, replacement of new suspended ceiling system, and a new accessible restroom.  
▷ **CONSTRUCTION COST:** $500,000 | Tenant Improvement/Building Renovation |
| Bastanchury Road Widening  
City of Yorba Linda | NV5 is providing construction management, inspection, materials testing/deputy inspection, and labor compliance services for the Bastanchury Road Widening project between Casa Loma Avenue and Eureka Avenue. The scope of work includes adding a second lane in each direction along with a two-way turn lane in the median; elevating portions of the roadway center line up to 6 feet; constructing retaining walls/structures; installation of traffic signals at the intersections of Bastanchury Road/Casa Loma Avenue and Bastanchury Road/Eureka Avenue; and installation of new bike lanes, a multipurpose trail with biofiltration swales, and sidewalk/parkway improvements with new irrigation and landscaping. NV5 is also providing on-site welding inspection of a water line. Project considerations include coordination with an adjacent tract home development that is undergoing construction improvements; coordination with the Yorba Linda Water District; and coordination with utilities for relocations that will be made before the road widening.  
▷ **CONSTRUCTION COST:** $5.3 MILLION | Street Rehab, Signing and Striping, Storm Drain Improvements, Irrigation and Landscaping, Site Improvements, Street Lighting, Traffic Signal |
| Annual Pavement Preservation Program  
City of Yorba Linda | NV5 provided construction management and inspection services for the City’s Annual Pavement Preservation Program (APPP) for FY 2020-21, FY 2019-20, FY 2015-16, FY 2014-15, and FY 2012-13.. The work includes crack seal, slurry seal, adjustment of manholes and valve covers to grade, and traffic signage and striping.

| University Drive Widening  
City of Irvine | NV5 provided construction management and inspection services for the University Drive Widening (from Campus Drive to MacArthur Boulevard) project, which included parkway improvements, street improvements, storm drain improvements, water improvements, and landscape and irrigation for the adjacent bike trail. Our services include bid management, construction management, daily inspection services and project closeout. The project consists of traffic control, unclassified excavation, unclassified fill, construction of PCC curb ramps, median curb, curb and gutter, sidewalk, crack sealing, uniform depth cold milling, asphalt base course, asphalt concrete surface course, adjust utility manholes and valves to grade, installation of traffic signs, striping, pavement markings and raised pavement markers, installation of new traffic signals, traffic signal modifications, SCE coordination and installation of new street light infrastructure, storm drain installation, landscaping, irrigation system, and water quality BMPs.  
| CONSTRUCTION COST: $13.1 MILLION | Street Rehab, Signing and Striping, Storm Drain Improvements, Irrigation and Landscaping, Site Improvements, Street Lighting, Traffic Signal |
| Lakewood Interconnect Phase II  
Long Beach Utilities District | NV5 provided construction management and inspection services for the Long Beach Conjunctive Use Expansion Palo Verde Pipeline project. This project involved the replacement of approximately 50 feet of pipe for the interconnect, the construction of a shallow vault for a mag meter, and an above-ground cla-valve with insertion meters. While cla-valve originally had a hydroelectric generator specified in the original plans and specifications, the generator was not large enough to power all the required devices. NV5 provided additional electrical and instrumentation design information to LBWD and the Contractor to provide a solar panel with battery backup that will completely power all the instrumentation devices, including the radio system, allowing communication back to LBWD’s SCADA Central regardless of whether there is water flowing through the pipeline or not.  
| CONSTRUCTION COST: $595,800 | Water Improvements, Electrical Systems |
| Diversion Pipeline  
City of Culver City | NV5 provided construction management, inspection, and engineering services for the construction of sewer main diversion pipes reversing sewer flow via conventional cut and cover as well as trenchless jack and bore methods to abandon Mesmer and Overland Sewer Pump Stations. This also involved extensive permits and coordination with Caltrans, the City of Los Angeles, and the City of Culver City for these jack and bore pipelines underneath the I-405 and Route 90. The goal of the project was to divert flows from four of the City’s sewer pump stations to a new sewage pump station, Bankfield Station, which is another project in which NV5 provided construction management and inspection services during construction.

| **Bankfield Sewage Pump Station**<br>City of Culver City | NV5 provided construction management, inspection, and limited design engineering services for the construction of the Bankfield Sewer Pump Station adjacent to the Caltrans Right-of-Way. The new pump station receives diverted flows from two existing pump stations, and diverted flows from two more pump stations at a later date. The new pump station has a 10-foot-by-20-foot sewer wet well that is 35 feet deep, constructed in groundwater with a discharge permit to the City of L.A. Sewer Interceptor since the water was contaminated and RWQCB would not issue a permit to discharge to storm drain. There are two submersible pumps, a flow meter vault, a valve vault, a bypass vault for the two force mains, an emergency diesel-fueled backup electrical generator, and complete SCADA systems. NV5 assisted with the final design and implementation of the emergency diesel generator, as well as pipeline redesign for the sewer force main, including the AQMD permitting, as the original plans did not accommodate a generator. There is also a 25-foot-by-20-foot building to house instrumentation and SCADA systems, a bathroom and electrical components. This project is an American Public Works Association BEST Awards winner.

| **Sewer Line Crossing at Johnson Avenue and Metrolink/SCRRA and UPRR Railroads**<br>City of El Monte | NV5 is providing emergency engineering design services for the Sewer Line Crossing at Johnson Avenue and Metrolink/SCRRA and UPRR Railroads. Due to an additional railroad track proposed by SCRRA to meet the needs of the upcoming Olympics, the City must encase an 8-inch gravity sewer line that runs north from Johnson Avenue underneath the existing railroad tracks to the alley beyond. A new 12-inch sewer main will be jack and bored at the southern limit of the railroad right-of-way at Johnson Avenue, underneath the existing and future railroad rails, overtop the slot within the Los Angeles County Flood Control District’s existing storm drain, to the alley just north of the existing railroad right-of-way. Services include preparing the plans, specifications and cost estimates; utility research; temporary water high lining and sewer bypassing to keep the facilities online during construction; land surveying; geotechnical report; and coordination with the railroad.  
▶ CONSTRUCTION COST: **$2 MILLION** | Sewer Improvements |
| **Mesa Henderson Storm Drain Improvements**<br>City of Villa Park | NV5 provided construction management and inspection services for the Mesa Henderson Storm Drain Replacement project (Henderson Way to Mesa Drive). The project included clearing and grubbing, erosion control, traffic control, unclassified excavation, construction of a 90-inch RCP storm drain and PCC headwall, partial removal and reconstruction of a tennis court, lighting and fencing, removal and reconstruction of a CMU wall, residential patio grading and landscape restoration, including trees and a koi pond. Our team was responsible for providing services and personnel to manage the project, including resident engineer, construction manager, construction inspection, materials testing and inspection, specialty inspection, federal funding and labor compliance, contract administration, and other necessary tasks during construction.

<td>Copper Hill Drive Bridge Widening City of Santa Clarita</td>
<td>NV5 is providing construction oversight and inspection services for the Copper Hill Drive Bridge Widening over San Francisquito Creek between McBean Parkway and Avenida Rancho Tesoro. Proposed improvements include widening the north side of the existing bridge by 33 feet to allow the new widened bridge to have three lanes and a small shoulder for each of east and west directions, extending the south sidewalk to 12 feet wide, adding a new 5 foot wide sidewalk to the north side, constructing a new raised median landscape island of varying width between McBean Parkway and Avenida Rancho Tesoro, and constructing new approach slabs on both the east and west side of the bridge. The project scope also includes a number of associated street and public improvements, including multi-use Class I trail connections; traffic signal, signing &amp; striping; installation of storm drain and drainage devices; and street lights.</td>

<td>Hickman Road Over the Tuolumne River Bridge Replacement County of Stanislaus</td>
<td>NV5 provided full construction management services for this $18M bridge replacement, which replaces the existing 6,523-foot bridge over the Tuolumne River. The existing bridge was built in 1964 but in 2017 was determined to be structurally deficient and scour critical. During heavy river flows, the bridge is subject to shutdowns. Since it is the only southern access to the City of Waterford, it is a vital link for the region. The replacement bridge consists of a five-span, 750-foot-long cast-in-place (CIP) post-tensioned box girder with two 12-foot-wide travel lanes and two 8-foot-wide shoulders and one 5-foot-wide sidewalk placed along the upstream edge. The new bridge is wide enough to accommodate two lanes of vehicular traffic plus safe pedestrian and bike access. It is supported by 10-foot diameter drilled pile foundations up to 148 feet deep to address the ongoing degradation of the Tuolumne River channel. The new bridge will also carry a new water line, gas line, and fiber optic telecommunication facilities. The replacement bridge will be constructed immediately upstream of the existing structure, in order to keep the existing road and bridge open to public traffic during construction. The new road alignment will transition and connect back to the existing Hickman Road alignment and tie into a revised signalized intersection at State Route 132. The existing bridge will be demolished upon completion of the new bridge construction.</td>

The Signal Improvements project is needed to minimize traffic incidents and will facilitate signal timing adjustment and streamline monitoring from a remote facility (Caltrans Los Angeles Transportation Management Center “TMC”) to enable Caltrans to monitor traffic flow and regulate all intersection incident management. This project also includes curb ramp upgrades in some areas. The existing arterial traffic signals are to be upgraded and connected to Caltrans’ District 7 – TMC and the City of Malibu Traffic Operations Center (TOC). The needed safety upgrade will include the installation of Intelligent Transportation System (ITS) devices, such as closed-circuit television (CCTV) cameras, a queue detection system, dedicated short-range communication (DSRC), and changeable message signs (CMS). The Median Improvements project south of Puero Canyon is to reconstruct the existing median island for approximately 2 miles between Webb Way and Puero Canyon Road. This proposed project includes constructing new median curbs with a stamped concrete median. This project will also add bike refuge lanes at the intersections.</td>

- City of Thousand Oaks
- City of Vista
- City of Yorba Linda
- County of San Diego
- Irvine Ranch Water District
- Santa Clara Valley Transportation Authority
Understanding & Approach

NV5’s approach to Construction Management and Inspection Services is centered on our established policy of consistent and effective employee oversight. The Project Manager will closely monitor projects to verify that our construction managers and inspectors are performing within the guidelines of our established management and inspection procedures, which are patterned after the Caltrans Construction Manual. NV5 takes this a step further by formulating and implementing a proactive public relations program and a concerted effort to identify previously unforeseen potential claims.

COMMUNICATION

Our construction support team will be the point of contact for all project correspondence and communication between the City, the contractor, the design team and other project stakeholders. Our team will be in constant communication with the City’s project manager, making sure he or she has updated information on project status, as well as any on-site or any contractual issues.

STAYING CONNECTED

Our staff is equipped with the technology to work efficiently and stay organized and connected with our clients. NV5 utilizes Microsoft Teams to efficiently collaborate; easily find, share and edit files in real time; meet virtually; and streamline workflows all on one single platform. NV5 is committed to maintaining a safe and productive workplace environment while following COVID-19 guidelines and has access to several virtual meeting platforms in addition to Microsoft Teams, including GoToMeeting and Zoom.

SCHEDULE CONTROL

Our construction support services team gives considerable attention to monitoring project schedules. We will coordinate, review and make recommendations for changes to the Critical Path Method (CPM) schedule generated by the contractor. As changes or discrepancies occur between the CPM schedule and as-built conditions, the project schedule and cost estimates will be updated. We will review the contractor’s schedule on a weekly basis and will maintain an as-built/working schedule to reflect as-built conditions to date.

COST CONTROL AND REPORTING

Cost control is a key element to successfully delivering a project and must be thoroughly integrated with other control methods (scope change control, schedule control and quality control) to assure that the City receives full value for all funds earmarked for the project. Key elements of our cost control program include establishment and maintenance of a project budget; value engineering and constructability reviews of project plans and specifications; sufficient vetting of owner-requested or contractor-generated changes; thorough review and evaluation of change order cost proposals; close monitoring of force account work; and regular maintenance of a change order log. NV5 provides a monthly status report that includes work accomplished during the reporting period, work to be completed during the next reporting period, budget and schedule status, and a summary of issues and concerns pending resolution.

QUALITY ASSURANCE AND QUALITY CONTROL

To assure compliance with the plans and specifications, we will implement a comprehensive quality assurance and quality control (QA/QC) program involving the following steps:

- We will perform a thorough review of the contract documents. This responsibility will include the following tasks:
  - Checking plans and specifications against requirements that have been associated with issues that occurred on similar jobs.
  - Comparing existing elevations, grades and details, etc., shown on plans with those at the actual site.
  - Reporting all errors, omissions and deficiencies, etc., to the City and engineering design team.
  - Keeping a marked-up set of plans and specifications for quick reference.
  - Anticipating the Contractor’s operations by reviewing the plans and specifications for each one before it begins.
- Before start of construction, we will discuss with the Contractor the definable features of work to assure that documentation is complete, materials are on hand and those who are to perform the work understand the scope in its entirety.
- At the onset of the work, we will perform an initial inspection to determine whether the Contractor thoroughly understands and is capable of accomplishing the work as specified.
- We will assure that the Contractor has an established safety program and that regular safety meetings are conducted. We will also assure that the Contractor meets all OSHA safety requirements.
- The construction inspector will perform follow-up inspections on a daily basis for the purpose of assuring that the controls established during the initial inspection continue to provide work that conforms to the contract requirements and all
applicable standards. Unsatisfactory workmanship, materials and construction deficiencies will be documented and reported for future identification and traceability. Notices of non-compliance will be issued to the Contractor and corrective and preventive action will be taken to assure compliance with the contract documents.

- We will conduct a monthly review of the as-built drawings and assure that all items are considered in the changes of the record drawings, including:
  - The size, type and location of existing and new utility lines
  - The layout and schematic drawings of electrical circuits and piping
  - Verification of alignment and cross sections
  - Changes in the location of equipment, etc.
- Finally, we will review and approve the as-built drawings to complete the project turnover and begin the warranty period.

BEST MANAGEMENT PRACTICES
Our construction support services team is well-versed in National Pollutant Discharge Elimination System (NPDES) requirements and experienced in implementing best management practices. We will monitor the implementation, maintenance and any required modification of the approved Stormwater Pollution Prevention Plan (SWPPP) and Water Quality Management Plan (WQMP). In the event that the project specifications for developing the SWPPP or WQMP are inadequate and cannot support the project needs or meet current NPDES requirements, we will work closely with the design consultants to incorporate the required provisions into the project specifications to meet these goals. In addition, our team includes Qualified SWPPP Developers and Qualified SWPPP Practitioners.

MOBILITY
Each member of our construction support services team has access to a mobile office that includes a laptop, internet/email access, mobile phone, mobile project files, digital cameras and other required materials. Our team members are always available via mobile phone and email for easy access and continuous communication.

WEB-BASED DOCUMENT CONTROL SYSTEM
Our web-based CMIS software is designed to provide the Construction Manager the capability to manage project information efficiently and effectively while maintaining full transparency with the City and the design engineer in managing the construction contractor. The City, as well as NV5’s Construction Manager and inspectors, have real-time CMIS web-based software installed on an iPad or computer to record inspectors’ daily reports and can be utilized on any device with internet access including iPhone and Android mobile devices. The City can log-in and view at any time the submittals, RFIs, correspondence, WSWD, Contractor’s Pay Apps with DIR submissions and apprentice requirements documentation, and NV5 Inspection reports from any laptop, computer, or mobile device at any time.

Additionally, our inspectors send out supplementary email blasts noting elements of significance performed, along with photographs for a quick glance of work, enabling all City staff to immediately be up to date. At the end of the project, the data within the CMIS platform will be downloaded for archival with the City within 60 calendar days of the Notice of Completion.

LABOR COMPLIANCE AND WAGE MONITORING
We will review funding with the City to confirm any special requirements affecting the work, and identify accounting and reporting requirements. We will enforce any applicable Labor Compliance requirements and assure all certified payroll reports are submitted each month with the payment applications. Our trusted subconsultant Pacific Resources Services will review these reports, verify payroll amounts against wage reports and then submit to the City for filing. They can also perform monthly EEO interviews if necessary, and complete the required forms. NV5 and Pacific Resources Services will work with the contractor to maintain adequate project files and to correct any and all labor compliance violations.

CUSTOMER SERVICE AND PUBLIC OUTREACH
Our first line of customer service comes from our inspectors. Our inspectors know the value of maintaining great relations with residents, business owners and anyone affected by a project, and they have proven to be a valuable resource in appeasing public concerns and resolving field issues.

An effective and informative public outreach program that informs all affected residents, property owners and motorists about construction impacts and possible traffic delays is critical to the success of any project.

Key elements of our public outreach program include:

- Verbal and written notifications
- Informational flyers about the project
- Advanced written notices about upcoming work
- Verbal communication follow-up to ease public concerns, enabling residents and business to prepare for any anticipated impacts
G. SCOPE OF WORK

Scope of Work

NV5 views construction management not simply as a list of tasks grouped by category but as a sequential and thorough process. **We agree to the scope of services as included in the RFP**, and, in addition, have included our standard scope of services, which has been developed over many years of successfully delivering construction management and inspection services for projects of similar scope and size.”

I. PROJECT STARTUP, COORDINATION & ORIENTATION PHASE

This phase is essential to establishing lines of communication and setting administrative protocols for the project. Our pre-construction services can include:

- Review any applicable funding guidelines with the City and identify accounting and reporting requirements.
- Establish a coordination plan to notify and facilitate any items of work affecting utilities, local agencies and other stakeholders.
- Assure that each member of our project team will have access to a mobile office, which includes a laptop, internet/email access, cellphone, mobile project files, digital cameras and other required materials. Our construction managers and inspectors are always available via cellphone for easy access and continuous communication.

II. CONSTRUCTION PHASE

NV5 will focus on the daily tasks that are required to assure the contractor is executing the work according to the accepted Critical Path Method (CPM) baseline schedule, the budget is maintained, and the City is informed and involved on all decisions and aspects as the project is delivered. Timing is critical, and efficient managerial procedures will be a key factor for staying on schedule and within budget. Our construction phase services can include:

- Facilitate a pre-construction meeting to cover, at a minimum, the overall project objectives, responsibilities of key personnel and agencies, schedules, schedule of values, submittal procedures, correspondence, utility relocations, local agency permit requirements, RFQ/RFI processes, progress payments, change orders, safety issues, emergency response requirements, and all other pertinent topics. Meeting agendas and minutes will be prepared and distributed to all attendees.
- Conduct weekly progress meetings with City staff and the contractor to update the status of the project and discuss the schedule, near-term activities, clarifications and problems that need resolution, coordination with other contractors, change order/submittal/RFI status, and safety issues. Meeting agendas and minutes will be prepared and distributed.
- Immediately document and notify the City of any defects or hazardous conditions observed in the vicinity of the project site prior to, during, or after the construction work.
- Monitor the contractor’s work progress, personnel, equipment and materials to assure that adequate resources are available to meet the project schedule and that the contractor’s work is in compliance with the contract documents. Our team will also assure that City activities (such as bus routes, street sweeping and trash pickup) and responsibilities are addressed and appropriately scheduled to minimize any impacts to day-to-day operations.
- Work closely with the contractor to maintain an updated set of drawings, specifications, addenda, bulletins, change orders, or other document updates at the jobsite. Updates will incorporate modifications and changes from all sources, such as submittals, RFIs, field orders, etc.
- Process RFIs in a timely manner and assure timely response by appropriate project team members (City staff, engineer, other agencies). Response to RFIs will take no longer than seven (7) calendar days. We will coordinate all technical support and constructability reviews during preparation of responses to RFIs and maintain an RFI log to track closed and outstanding RFIs.
- Assure an efficient submittal process, beginning with the contractor delivering a submittal schedule for review within 10 calendar days after the effective date of the construction contract. NV5 will provide technical support during review of the submittal schedule (and at a minimum weekly thereafter) to assure compliance with the contract documents and note any matters of concern to the City, such as potential impacts to the schedule. We will monitor, process and forward for approval all submittals and assure timely distribution to and review by appropriate project team members (City staff, engineer, and other agencies).
- Review and recommend for approval the contractor’s CPM baseline schedule and, upon acceptance,
G. SCOPE OF WORK

adopt for the remainder of the project. Monitor work progress in accordance with this baseline schedule on a daily, weekly and monthly basis to assure the contractor maintains all milestone and critical-path dates. Indicated slippage will be addressed during the project meetings and written reports.

• Review and respond to requests for design revisions by the contractor. Provide recommendations and forward all responses for approval to the City and/or design engineer prior to transmitting to the contractor.
• Coordinate evaluation of and provide recommendations for “or-equal” or product substitution requests with the design engineer, City, vendors, manufacturers and others.
• Initiate and review field orders when a change in the work is needed to maintain the design intent. We will issue field orders to the contractor and monitor the work for compliance. Changes will be logged and recorded in the record specifications and plans. If required, we will follow up with a change order within 14 calendar days of mutual agreement with the contractor on pricing and conditions.
• Review, evaluate and make recommendations on submitted change order requests. Change order requests will be fully vetted by applying knowledge of prevailing wage rates, material unit cost guide publications, quantity take-offs, or other measures required in order to substantiate and/or negotiate change orders. Maintain a change order log to track executed and potential change orders and monitor the amounts against the total construction contract.
• Develop a cost control system to monitor actual versus estimated costs. Differences will be included in weekly status meetings. For authorized work, accounting records will be maintained using contract unit costs. For any additional work, accounting records will reflect actual costs of time and materials.
• Review contractor(s) Safety Program for compliance with City standards as well as any OSHA regulations. Recommend contractor(s) submit site-specific safety plans that identify the risks and liability arising from specific operations relating to the project.
• Maintain a safe working environment. All NV5 personnel will wear hard hats, safety vests, and rubber-soled shoes at all times while on-site.
• Review and forward for approval the contractor payment applications. Conduct the monthly “pencil draft” with the contractor to review the progress to date and verify that payment applications represent work in place and are in compliance with the accepted SOW and the requirements of the construction documents. Once the payment applications are reviewed and approved, and once we have verified that the contractor’s record drawings are current, the construction schedule is updated, and weekly certified payroll reports are submitted, we will forward to the City for approval.
• Enforce Labor Compliance requirements, including completion of the Federal Labor Compliance Pre-job checklist. We will assure all certified payroll reports are submitted each month with the payment applications. We will review these reports, verify payroll amounts against wage reports, and then submit to the City for filing. We will work with the contractor to correct any and all labor compliance violations.
• Ensure compliance with funding requirements set forth in pre-construction phase and assist the City as necessary with reimbursement procedures.

Inspection

Effective Quality Assurance and Control inspection is critical to successful project completion. Our Inspection services can include:

• Review and become familiar with all contract- and construction-related documents, including plans and specifications, traffic control plans, construction schedules, construction sequences and permitting requirements, and present any concerns during the pre-construction meeting. Attend subsequent progress meetings and maintain communication and assist in facilitating resolution of pending issues. Maintain correspondence file and copy all contractor communications to the City.
• Conduct a pre-construction photo/video survey of the project site for verification that the site is returned to its original condition at the end of the construction period.
• Perform daily field and quality control inspections and measurements of the contractor’s work, submittals and construction materials to assure conformance with the contract documents, City codes and ordinances, “Greenbook” Standard Specifications, Manual of Traffic Controls for Construction and Maintenance Work Zones, Caltrans Construction Manual and all other applicable codes and regulations. Health and safety measures will be strictly enforced to maintain a safe construction environment.
G. SCOPE OF WORK

- Prepare daily reports, including daily progress photos, and a comprehensive description of the work completed. Reports will document, at a minimum, the date, weather conditions, traffic control measures taken, progression of work, materials used, and subcontractors, equipment and employees on-site, and major incidents/safety violations. We will also prepare reports of deviations and non-conformance to specifications and provide responses in accordance with the specification requirements. Notices of Non-Compliance will be delivered immediately to the contractor for any and all deviations.
- We will monitor the establishment, maintenance and any required modification of the approved SWPPP. Should the provisions for developing the SWPPP in the specifications be inadequate to support development of a comprehensive and timely submitted stormwater and erosion control plan necessary to comply with current NPDES requirements, the NV5 team can work closely with the design consultants to incorporate the required language into the project specifications suitable to meet these goals.
- Monitor utility coordination as set forth in the pre-construction meeting, reporting conflicts to the City and recommending a course of action.
- Work closely with the contractor to mitigate construction impacts to businesses and residents, and promote site and public safety.
- Verify implementation of a traffic control plan that is in accordance with the latest Work Area Traffic Control Handbook (WATCH) requirements, the City’s requirements, and the contract documents.
- Verify compliance with funding requirements set forth in the pre-construction phase, conducting field employee interviews as necessary and reporting resulting information to the City. Verify labor and hours reported by contracts match the daily diary. Provide complete measurements and calculations to administer progress payments, assure contractors submit certified payroll reports, and make recommendation for payments.
- Compile detailed punch lists with the City, Consultants, and the contractor. NV5 will conduct a preliminary walk-through with the contractor to assure there are no blatant issues and to generate a preliminary punch list. After completion of the preliminary punch-list items, prepare the final punch list and coordinate with the contractor for item completion. All punch lists generated will include schedules for completion.
- Upon project completion, conduct final inspection, closeout permits, including encroachment and construction/excavation, and prepare and submit as-built plans to the City.

III. POST-CONSTRUCTION PHASE

NV5 is committed to an expedient project closeout process. Our post-construction phase services can include:

- Obtain all required closeout documentation and materials (Warranties, O and M Manuals, As-Built Plans, Attic Stock, etc.) from the contractor, finalize and compile project closeout files, and submit final package to the City. Advise the City when it is appropriate to file the notice of completion based on all expired time and other conditions required.
- Review the contractor’s final application for payment for completeness and forward to the City for approval.
- Maintain all relevant records for a minimum of three (3) years. Allow all authorized federal, state, county, and City officials access to all relevant contract records pertinent to these projects.

### GENERAL TERMS AND CONDITIONS

**Testing Samples** - There will be a 50% premium charge for “rush/priority” testing. This testing laboratory agrees to exercise reasonable care in obtaining, preserving and caring for the samples to be tested, but assumes no responsibility for damages, either direct or consequential, which arise or are alleged to arise from loss, damage or destruction of samples due to circumstances beyond this testing laboratory’s control. Samples are discarded after testing unless requested otherwise in writing by the client.

**Scheduling** - A minimum of 24 hours’ notice is requested to schedule personnel.

**Engineering Review/Report Preparation** – Reasonable engineering and project management time will be included for scheduling, report review, and data evaluation.

**Minimum Charges for Material Testing and Inspections** – Hours will be charged upon arrival to jobsite, unless equipment from the laboratory is required, then hours will be charged portal to portal per Prevailing Wage requirements, as dictated by the Department of Industrial Relations (DIR). All rates are based upon a 4-hour minimum charge for assignments of up to 4 hours. Eight hours will be charged for work performed over 4 hours up to 8 hours. Work performed over 8 hours will be billed in one-hour increments. A 4-hour minimum will apply for unscheduled cancellations and inspection canceled after 3 p.m. the day prior to the inspection.

**Per Diem and Travel Expenses** – Actual Cost plus 10%

**Overtime Rates** – Work in excess of 8 hours in one day will be charged a premium of 1.5 times the quoted rates. Work over 40 hours in one week will be charged at 1.5 times the quoted rate. Work over 12 hours in one day or over 8 hours on the 7th consecutive day or worked holidays will be charged at 2.0 times quoted rates. NV5, Inc. observes the following holidays: New Year’s Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day. Should a holiday fall on Saturday or Sunday, the closest previous or following regular work day will be observed for the holiday.

**Mileage** – Mileage will be charged at IRS Rate per mile.

**Outside Services / Subcontractors** – Cost plus 15% will be charged for any work not directly performed by NV5 or for any materials procured.

This Fee Schedule contains only the basic services performed by this office and is not a complete listing. Do not hesitate to call for a quotation or proposal if your service needs are not listed herein.

Appendix “A” – SAMPLE CITY PROFESSIONAL SERVICES AGREEMENT
 Appendix “B” – SUMMARY SHEET
 Appendix “C” – CERTIFICATION OF PROPOSAL TO THE CITY OF PLACENTIA
1. INTRODUCTION

The City of Placentia ("City") seeks competitive proposals from qualified firms to provide On-call Construction Management and Inspection Services. A Professional Services Agreement will be entered into with multiple qualified firms to provide construction management services for a variety of projects on an on-call basis. On an on-call, as-needed basis, the selected firm(s) may later be asked to provide construction management and inspection proposals on a specific, project-by-project basis, based on an agreed-upon specific scope of services and fees.

The firm shall provide general Construction Management and Inspection services to support construction efforts and serve as an extension of City staff to assist in the overall delivery of projects, including preconstruction tasks, managing construction, and ensuring that the work is completed in accordance with the contract documents, and project closeout and commissioning phase. The consultant team will report directly to the City's Project Manager or their authorized representative. City staff may assist in managing construction and will oversee the work of the consultant's Project Manager, Inspector, and Contract Administrator.

Firms must provide construction management services and contract administration in conformance with the requirements set forth in the State's Construction Manual, State's Local Assistance Programs and Procedures Manual, OCFCD encroachment permit/requirements, and other Agencies regulatory permits/requirements. The construction manager is expected implement contract requirements and comply with all Federal and local guidelines, as required, in order to successfully execute the project in a timely and cost-efficient manner.

Technical questions about the requested services that might require a clarification of the Request for Proposals (RFP) shall be made only in writing to the Q&A section located in PlanetBids no fewer than seven (7) calendar days prior to the date and time set for opening of proposals and responses shall be provided in writing. No verbal requests or responses will be accepted. Significant interpretations or clarifications will be addressed via addenda to this RFP. This RFP includes a description of the scope of work, proposal requirements, and instructions for submitting your proposal.

Please do not contact City departments or other City staff directly. Information provided by other than the above contact may be invalid and proposals which are submitted in accordance with such information may be declared non-responsive.
Any changes, additions, or deletions in the RFP from the date of release to date of submittal will result in an addendum or amendment. Notification of such addendum or amendment shall be posted on PlanetBids. Addenda shall become part of the agreement documents.

It is the proposer's sole responsibility to monitor PlanetBids for possible addenda to this RFP. Failure of proposer to retrieve addenda from this site shall not relieve the proposer of the requirements contained therein. Additionally, failure of proposer to return signed addenda, when required, may be cause for rejection of his/her proposal.

Proposals must conform to the requirements of this RFP to be considered for award and successfully submitted through the electronic bid management system at: https://pbsystem.planetbids.com/portal/54600/portal-home by the date and time specified on the cover page of this Request For Proposal. All proposals must be signed by an authorized representative and include the completed Summary Sheet and Certification of Proposal to the City of Placentia provided in Appendix “B” and “C” of this RFP.

The City reserves the right to waive any irregularity in any proposal or to reject any proposal that does not comply with this RFP. The City alone, using criteria determined by the City, will select the qualified firm and/or consultant. The successful consultant to whom the contract is awarded shall, within ten (10) days after being notified, enter a contract with the City for the work and shall furnish all required documents necessary to enter said contract. Failure of the successful consultant to execute the contract within said ten (10) days shall be just cause for the City to contract with the next ranked consultant.

By submitting a proposal, the proposer agrees to all of the terms of the RFP and the Agreement (Appendix A), unless exceptions to the RFP or the Agreement are stated by the proposer in its proposal. The successful proposers will be required to enter into an Agreement, which will include the requirements of this RFP as well as other contract requirements. In the delivery of these services, the term of the agreement shall be for three years with the option for two additional one-year term extensions. The City reserves the right to reject any proposal(s) exceptions or changes to the Agreement or Request for Proposal.
2. **PROPOSAL SCHEDULE**

The schedule is as follows:

- Advertisement Date – JANUARY 9, 2024
- Q&A Due on PlanetBids – January 23, 2024 by 5:00 p.m.
- Proposals Due on PlanetBids – JANUARY 30, 2024 by 5:00 p.m.
- Hard copy proposal Due at City Hall – February 1, 2024 by 5:00 p.m.
- Proposal Evaluations/Interviews, if necessary – February 2024
- City Council Contract Award and Selection* - March 2024

*The City expects, but does not guarantee, that the decision on selection of a firm will be made by the City Council on the date indicated above.

3. **SCOPE OF WORK**

The City desires to engage construction management firms that will ensure that not only are City capital projects built per plan and specifications but also ensure a high degree of quality craftsmanship in the final product. The City’s expectation is that selected CM/inspection teams will enforce a high attention to detail on project deliverables to ensure a high-quality finished product.

The majority of capital improvement and construction projects within the city include, but are not limited to, the following:

- Street rehabilitation
- Sewer improvements
- Signing and striping improvements
- Storm Drain improvements
- Bridge construction
- New building construction
- Irrigation and landscaping
- Site Improvements; concrete sidewalk, etc.
- Streets and park lighting
- Parks and Recreation facility improvements
- Mechanical systems
- Electrical systems
- Traffic Signal Improvements

The required services shall be performed by the consultant Project Manager, Inspector and Contract Administrator.
A. Project Manager/Resident Engineer
   • The consultant Project Manager shall represent the City in the field. The Project Manager shall possess a minimum of (5) years’ experience in construction management.
   • The Inspector and the Contracts Administrator should have relevant experience in construction management and certifications or references that affirm the said experience.

B. Bid Analysis
   • Prior to the start of the project, the Project Manager shall be responsible for conducting a bid analysis to determine the lowest responsible bidder.

C. Staff Report
   • Preparation of staff reports for contract award to the lowest responsive and responsible bidder. Coordinate with the City to determine funding sources, publication dates, environmental and fiscal impact, and schedule of award to meet the City’s deadlines.

D. General Construction Administration
   • Coordinate with the City to define roles and responsibilities during construction and develop a construction management plan.
   • Co-lead the pre-construction meeting and schedule and conduct regular construction and progress meetings to discuss such matters as procedures, progress, problems and scheduling. Will prepare and promptly distribute meeting minutes.
   • Record the progress of the project. Submit written daily and progress reports to the City. Keep daily logs containing a record of weather, contractor’s work on the site, number of workers and equipment, work accomplished, problems encountered, and other relevant data. Make the log available to the City. Prepare and send Weekly Statement of Working Days to the contractor. Monitor contractor's compliance with labor code requirements.
   • Maintain, at the job site, records of contract documents including drawings, addenda, change orders, and other modifications of plans and specifications marked to show all changes made during construction. Maintain as-built records of underground utilities, including locations and depths of trenches. At the completion of the project, deliver to the City all contract documents including as-built records.
• Consult with the City when the contractor requests interpretations of the meaning and intent of the drawings and specifications and assist in achieving the resolution of problems which may arise.
• Coordinate with the City and contractor to incorporate a centralized platform where all documents are filed and distributed amongst the project team.
• Consultant shall be responsible for ensuring that all building permits, special permits, if required are obtained, and that all applicable fees have been paid, and shall obtain approvals from authorities having jurisdiction over the Project.

E. Submittal/RFI Review & Processing
• The Project Manager shall be responsible for review of completeness and quantity of all required shop drawings, product data, samples and other submittals ("Submittals").
• The consultant team shall transmit the Submittals to City staff for review and approval and shall establish and implement procedures for expediting the processing, approving, and distribution of Submittals.
• Project Manager shall develop, maintain, and manage all submittal/RFI logs.
• Determine the workflow on for all Submittal/RFI review including City staff, design engineers, contractor personnel, and the construction management team.

F. Constructability Review
• Consultant shall review project plans and specifications to determine its "constructability". Consultant shall also review construction schedule, including activity sequences and duration, schedule of submittals and schedule of delivery for products with long lead-time. The project schedule shall be updated as required showing current conditions and revisions required by actual progress.
• The individuals, Project Manager, Inspector and Contract Administrator, shall not be responsible for construction means, methods, techniques, sequences and procedures employed by the contractor in the performance of the contract, and shall not be responsible for the failure of the contractor to carry out work in accordance with the contract documents. However, any errors, omissions, or discrepancies found in the Contract Documents shall be called to the attention of the City's Project Manager and clarified prior to construction start.

G. Change Order Review
• Consultant shall conduct a comprehensive evaluation of change order requests, provide independent estimates, render recommendations and assist in claim resolution.
• Consultant shall monitor and report on the status of the Project Construction Budget on a monthly basis, indicating actual costs for completed activities and work in progress, and indicating estimates for uncompleted work. Report should identify variances between actual and budgeted or estimated costs and shall advise the City whenever it appears that the Actual Construction Cost has exceeded, or will exceed, the Project Construction Budget for the entire Project or any Project Component.

H. Safety

A. Cover Letter
Shall contain the following information:

- Title of this RFP
- Name and mailing address of the prime consultant (include physical location if mailing address is a PO Box)
• Contact Person, Email address, telephone number, and fax number

The City will use email to notify your firm of critical developments such as interview schedules if any, notification of selection/non-selection, etc. Therefore, it is essential that you identify one or more contact persons who have frequent access to email.

The City will not be responsible for delivery failure of email due to firewalls, spam filters, or individuals’ failure to retrieve email messages. The City will not attempt to re-deliver any messages which fail due to no fault of the City.

The Cover Letter must be signed by an officer empowered by the Consultant to sign such material and thereby commit the Consultant to the obligations contained in the RFP response. Further, the signing and submission of a response shall indicate the intention of the proposer to adhere to the provisions described in this RFP and a commitment to enter into a binding contract.

1. Proposals submitted on behalf of a Partnership shall be signed in the firm name by a partner or the Attorney-In-Fact. If signed by the Attorney-In-Fact, there shall be attached to the proposal a Power-Of-Attorney evidencing authority to sign proposals, dated the same date as the proposal and executed by all partners of the firm.

2. Proposals which are submitted on behalf of a Corporation shall have the correct corporate name thereon and the actual signature of the authorized officer of the corporation written (not typed) below the corporate name. The title of the office held by the person signing for the corporation shall appear below the signature of the officer.

3. Proposals which are submitted by an Individual doing business under a firm name ("dba") shall be signed in the name of the individual doing business under the proper firm’s name and style.

B. Executive Summary

Describe your firm’s and sub-consultant's (if any) general experience and qualifications as it pertains to projects of similar scope and size. Identify the services which would be completed by your firm’s staff and those that would be provided by sub-consultants. Identify any sub-consultants you propose to utilize to supplement your firm’s staff.

C. Project Team Organization
Clearly identify the prime consultant, all subconsultants, and their respective roles. Show the Project Manager and the key staff proposed for this project, including subconsultants’ staff. It is expected that the project team proposed under this proposal will remain unchanged throughout the duration of the project. Replacement of key staff without consultation with the City will not be permitted.

Include contact information and a brief summary of the Prime firm’s history and experience providing the requested services on similarly sized and scoped projects. Include a summary of the firm's experience, if any, with the City of Placentia. Provide a brief resume for each key staff member including their education background, licensing (if applicable), availability, and project experience.

D. Relevant Project Experience and References

List and provide a narrative summary of related project experiences. Include a minimum of three (3) similar type/size projects that your team has completed. Provide a project description, services provided, and construction costs. Discuss whether the design and construction were completed on time and within budget. Provide a minimum of three (3) references (name, title, agency, and telephone number) from previous experience. Provide no more than one contact person per project as a reference, including agency/company and phone number. Preference is given to project references that have directly worked with staff proposed for this project.

E. Understanding & Approach

Provide a detailed discussion of your firm’s approach to the successful implementation of this agreement. Describe your firm/team’s understanding duties assigned and identify the approach for key services and/or issues anticipated. Describe the Project Manager's and firm/team support and approach to ensure the effort is completed on schedule and within the established budget.

F. Scope of Work

Provide a scope of work complementing the City’s proposed scope of work describing all tasks required to complete the work and any additional aspects to the work scope the City should and could consider. The scope of work shall provide enough detail to distinguish the varied work effort required, in keeping with the City’s desired tasks to be completed.

G. Schedule

Provide a typical schedule or sequence of events to accomplish all the required tasks; include review/approval times for the City and other project stakeholders.
H. Proposed Exceptions

Describe all proposed exceptions, alterations or amendments to the Scope of Services or other requirements of this RFP, including the Sample Contract (Appendix “A”). This section shall be clearly marked "Proposed Exceptions" in your submittal. If no exceptions are taken this shall be clearly stated in this section. The nature and scope of your proposed exceptions may affect the evaluation of your submittal and the City's determination of whether it is possible to successfully negotiate a contract with your firm/individual.

It is necessary to submit these elements with your RFP response. Failure to submit the required information with your response will render your proposal non-responsive.

6. REQUIRED PROPOSAL STATEMENTS

This statements identified below must be included in your RFP response:

A. A statement that the submitting firm will perform the services and adhere to the requirements described in this RFP, including any addenda (reference the addenda by date and/or number).

B. Subsequent to award of this RFP, all or part of any submittal may be released to any person or firm who may request it, as prescribed by the State of California Public Records Act.

C. Proposers shall include a statement that describes the specific portion(s) of their submittal that are considered proprietary and should not be releasable as public information. Proposers should be aware that all such requests may be subject to legal review and challenge.

D. Include a statement of assurance that you will not substitute members of your designated team without approval by the City of Placentia staff which declares there is no Conflict of Interest.

E. Include a statement which declares there is no Conflict of Interests.

F. Provide a statement attesting there has been no Collusion with other proposing firms.

G. Indicate your ability and agreement to fulfill the indemnification and insurance requirements contained in the sample contract. (Please note that actual Certificates of Insurance are not required as part of your submittal.)

7. EXCEPTIONS
8. RESOURCE ALLOCATION AND COST PROPOSAL

Selection of the consultant will be made in accordance with the provisions of Chapter 10 of the California Government Code, Sections 4526 and 4529.5, stating that selection of professional services is based on competence and qualifications without regard to fee. The fee will be opened and evaluated to ensure the fee is reasonable for the services to be delivered after selection of the consultant based on qualifications is complete. Provide in a separate sealed envelope the proposed billing rates for all expected personnel to deliver services as described in the scope of work.

All cost proposals shall be signed and dated per Section 5.0 above and shall be submitted in a separate sealed envelope.

9. SUBMITTAL INSTRUCTIONS

A. Time, Place and Format

Proposal submission due date: **JANUARY 30, 2024 at 5:00 P.M**: No proposals will be considered for award unless properly and successfully submitted through the electronic bid management system at: [https://pbsystem.planetbids.com/portal/54600/portal-home](https://pbsystem.planetbids.com/portal/54600/portal-home) by the date and time specified on the cover page of this Request For Proposal. All proposals must be signed by an authorized representative.

All required sections, including pricing, shall be submitted via the website. Bidder is solely responsible for “on time” submission of their electronic proposal. The bid management system will not accept late bids and no exceptions shall be made. Bidders will receive an e-bid confirmation number with a time stamp from PlanetBids, the bid management system indicating their bid was submitted successfully. The City will only receive those proposals that were transmitted successfully. **DO NOT FAX OR E-MAIL**.

NOTE: E-Bids/Proposals are sealed and cannot be viewed by the City or any other person or entity until the closing date and time. If you need to withdraw your bid, you may do so at any time before the bid deadline, by going back into the system and selecting “withdraw”.

Three physical copies of the final proposal shall be submitted to the City no later than two working days after the proposal deadline.
consultant project cost proposal shall be submitted in a separate sealed envelope marked “Cost Proposal.” Proposer’s who do not include physical copies within the specified timeframe will be considered unresponsive and disqualified.

All proposals must be signed by an authorized representative and include the completed Summary Sheet and Certification of Proposal to the City of Placentia provided in Appendix “B” and “C” of this RFP.

Proposals must:

- Show page numbers for all pages in the proposal.
- Be on 8-1/2”x11” page size
  - states “On-Call Construction Management and Inspection Services”
  - identifies the proposer
- Must be addressed as follows:
  City of Placentia
  Attn: Chris Tanio, PE, Deputy Director/City Engineer
  401 E. Chapman Avenue
  Placentia, CA  92870
- Proposals must address the requirements of the RFP as set forth in Section 5. They should be as concise as possible and must not contain any promotional, advertising or display material.

B. Cost proposal Submittal

A detailed hourly rate schedule shall be required for this RFP. If subcontracting, the rate structure for those services shall be included. On-call contracts resulting from this RFP will be awarded to firms whose Technical Proposal meets the technical requirements of the RFP. Proposals will be ranked in accordance with the evaluation criteria stated in this RFP. Should the consultants selected for each task or project be not able to reach an agreement on the fees for design services, the City reserves the right to enter negotiations with any of the qualified consultant on the on-call list.

C. Opening of Responses

All proposals are scheduled to be opened and considered within two weeks after the deadline date shown in Section 2 using evaluation procedures set forth in Section 10. Consultant selection may be delayed or postponed at the discretion of the City.
10. EVALUATION CRITERIA

A. Selection Committee

a. Proposals submitted will be evaluated by a Selection Committee

B. Review of Proposals

a. The Selection Committee will use a point formula during the review process to individually score Project Proposals, as outlined in Section C below, “Project Proposal Evaluation Criteria.” The Selection Committee will then be convened to review and discuss these evaluations and combine the individual scores to arrive at an average composite Project Proposal score for each firm. Firms that do not meet “Mandatory Elements” listed in Section C1 below will be eliminated from further consideration.

b. After the composite Project Proposal score for each firm has been established based upon the “Qualitative Evaluation” criteria listed in Section C, the Selection Committee may request oral presentations from a subset of those firms with a minimum score of 70 points. Based upon score rankings, the three (3) highest ranking firms may be interviewed. The Selection Committee may also schedule a site visit, if applicable.

c. The Cost Proposal of firms receiving a minimum score of 70 points on the qualitative review will be opened to ensure that the Cost Proposal is reasonable. The cost proposal for these services should consist of hourly rate for all classifications assigned to this project.

C. Project Proposal Evaluation Criteria

Proposals will be evaluated using three (3) sets of criteria. Firms meeting the mandatory elements will have their proposals evaluated and scored. The following represent the principal selection criteria which will be considered during the evaluation process.

a. Mandatory Elements

   i. The firm is independent and properly licensed to practice in California.

   ii. The firm has no conflict of interest with regard to any other work performed by the firm for the City.

   iii. The firm adheres to the instructions in this RFQ on preparing and submitting the proposal.

   iv. The firm included a Letter of Transmittal in the Project Proposal.

b. Qualitative Evaluation (Maximum Points = 100)

   In order to be considered the proposer must achieve at least 70 points. (Points will be assigned by the Department Director or Coordinator.)

   i. Expertise and Experience (60 points)
1. The quality of the firm’s and individual personnel’s experience in providing professional design and engineering services for City Capital Improvement Projects as described in the Scope of Services. The quality of the personnel’s demonstrated expertise in producing detailed plans and related engineering services.

2. The quality of professional personnel’s education, certifications, licenses, and years of experience designing plans and providing construction support. Demonstrated commitment to high quality customer service and public relations.

3. Public agency references relative to personnel assigned to this contract; Long-term working relationships, multiple projects delivered for same agencies.

4. Firm’s statement on why it believes itself to be best qualified.

ii. Scope of Work (20 points)

1. Contract scope of work outlined in Section 3 of the RFP is addressed, and the proposal demonstrates that the proposer thoroughly understands the City’s needs and expectations, and how those will be met.

2. Inclusion of additional work scope/deliverables that complements and enhances the City’s scope of work which will ultimately deliver better services and construction projects.

iii. Allocation of Resources (20 points)

1. Conceptual plan that outlines how the firm’s resources will be leveraged to deliver Construction Management and Inspection Services that ultimately result in better projects.

2. Identify any distinguishing features, resources, skills and/or services your firm can allocate to this contract to deliver the City’s capital improvement projects.
LEGAL REQUIREMENTS

The contract awarded shall be governed in all respect by the laws of the State of California, and any litigation with respect thereto shall be brought in the courts of the State of California. The firm awarded the contract shall comply with applicable Federal, state and local laws and regulations and comply with the following terms:

- The City has the right to reject any and all proposals.

- All documents submitted in response to the RFP are public documents subject to disclosure as permitted by the California Public Records Act.

- The City is not liable for any costs incurred in responding to the RFP.

- From the issue date of this RFP until a firm is selected and the selection is announced, firms are not allowed to communicate for any reason with any City staff except through the person named herein for questions. For violation of this provision, the City shall reserve the right to reject the proposal of the offending firm.

- The selected firm will be required to enter into a Professional Services Agreement with the City of Placentia which includes the City’s Standard Terms and Conditions including insurance requirements.

- Proposals submitted early may be withdrawn by the firm prior to the Proposal due date specified above. Following the Proposal due date, the Proposal constitutes a binding offer and may not be withdrawn by the firm prior to the award.

- The City of Placentia reserves the right to: (a) waive minor irregularities or variances, non-material bid informalities or defects in any proposal; (b) reject any and all proposals, in whole or in part, submitted in response to this solicitation; (c) request clarifications from all firms; (d) request resubmissions from all firms; (e) make partial, progressive or multiple awards; and (f) take any other action as permitted by law and/or the City’s Procurement Ordinance.
THIS AGREEMENT is made and entered into this __ day of _____, 20__ (“Effective Date”), by and between the CITY OF PLACENTIA, a municipal corporation (“City”), and ___________, a [state] [type of corporation] (“Consultant”).

W I T N E S S E T H:

A. WHEREAS, City proposes to utilize the services of Consultant as an independent contractor to landscape architecture and accessibility design services, as more fully described herein; and

B. WHEREAS, Consultant represents that it is “design professional” as that term is defined by California Civil Code Section 2782.8 and has that degree of specialized expertise contemplated within California Government Code Section 37103, and holds all necessary licenses to practice and perform the services herein contemplated; including credentials as a Certified Access Specialist under Subchapter 2.5 of Title 21 of the California Code of Regulations; and

C. WHEREAS, City and Consultant desire to contract for the specific services described in Exhibit “A” (the “Project”) and desire to set forth their rights, duties and liabilities in connection with the services to be performed; and

D. WHEREAS, no official or employee of City has a financial interest, within the provisions of Sections 1090-1092 of the California Government Code, in the subject matter of this Agreement; and

E. WHEREAS, among other reasons, the City is hiring Consultant to perform accessibility design services at a public park within the City to comply with all applicable accessibility requirements. Accordingly, Consultant desires to perform these services and to bear all risk the City may bear resulting from accessibility designs that are not complaint.

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein, the parties hereby agree as follows:

1.0. SERVICES PROVIDED BY CONSULTANT

1.1. Scope of Services. Consultant shall provide the professional services described in the Consultant’s Proposal (“Proposal”), attached hereto as Exhibit “A” and incorporated herein by this reference, including but not limited to, preparing all design documents free from defects.

1.2. Professional Practices. All professional services to be provided by Consultant pursuant to this Agreement shall be provided by personnel experienced in their respective fields and in a manner consistent with the standards of care, diligence and skill ordinarily exercised by professional consultants in similar fields and circumstances in accordance with sound professional practices, and with credentials as a Certified Access Specialist under Subchapter 2.5 of Title 21 of the California Code of Regulations. Consultant also warrants that it is familiar with all laws that may affect its performance of this Agreement and shall advise City of any changes in any laws that may affect Consultant’s performance of this Agreement. Consultant shall keep itself informed of State and Federal laws and regulations which in any manner affect those employed by it or in any way affect the performance of its
service pursuant to this Agreement. The Consultant shall at all times observe and comply with all such
laws and regulations. Officers and employees shall not be liable at law or in equity occasioned by
failure of the Consultant to comply with this section. Consultant also warrants that it has ownership of
all intellectual property being provided under this Agreement.

1.3. Performance to Satisfaction of City. Consultant agrees to perform all the work to the
complete satisfaction of the City and within the hereinafter specified. Evaluations of the work will be
done by the City Administrator or his or her designee. If the quality of work is not satisfactory, City in its
discretion has the right to:

(a) Meet with Consultant to review the quality of the work and resolve the matters of
concern;

(b) Require Consultant to repeat the work at no additional fee until it is satisfactory;
and/or

(c) Terminate the Agreement as hereinafter set forth.

1.4. Warranty. Consultant warrants that it shall perform the services required by this
Agreement in compliance with all applicable Federal and California employment laws, including, but not
limited to, those laws related to minimum hours and wages; occupational health and safety; fair
employment and employment practices; workers’ compensation insurance and safety in employment;
and all other Federal, State and local laws and ordinances applicable to the services required under
this Agreement. Consultant shall indemnify and hold harmless City from and against all claims,
demands, payments, suits, actions, proceedings, and judgments of every nature and description
including attorneys’ fees and costs, presented, brought, or recovered against City for, or on account of
any liability under any of the above-mentioned laws, which may be incurred by reason of Consultant’s
performance under this Agreement.

1.5. Non-discrimination. In performing this Agreement, Consultant shall not engage in, nor
permit its agents to engage in, discrimination in employment of persons because of their race, religion,
color, national origin, ancestry, age, physical handicap, medical condition, marital status, sexual gender
or sexual orientation, except as permitted pursuant to Section 12940 of the Government Code. Such
actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer,
recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation
and selection for training, including apprenticeship. Consultant agrees to post in conspicuous places,
available to employees and applicants for employment, a notice setting forth provisions of this non-
discrimination clause.

Consultant shall, in all solicitations and advertisements for employees placed by, or on
behalf of Consultant shall state that all qualified applicants will receive consideration for employment
without regard to age, race, color, religion, sex, marital status, national origin, or mental or physical
disability. Consultant shall cause the paragraphs contained in this Section to be inserted in all
subcontracts for any work covered by the Agreement, provided that the foregoing provisions shall not
apply to subcontracts for standard commercial supplies or raw materials.

1.6. Non-Exclusive Agreement. Consultant acknowledges that City may enter into
agreements with other consultants for services similar to the services that are subject to this Agreement
or may have its own employees perform services similar to those services contemplated by this
Agreement.

1.7. Delegation and Assignment. This is a personal service contract, and the duties set forth
herein shall not be delegated or assigned to any person or entity without the prior written consent of
City. Consultant may engage a subcontractor(s) as permitted by law and may employ other personnel
to perform services contemplated by this Agreement at Consultant’s sole cost and expense. All
insurance requirements contained in this Agreement are independently applicable to any and all subcontractors that Consultant may engage during the term of this Agreement.

1.8. Confidentiality. Employees of Consultant in the course of their duties may have access to financial, accounting, statistical, and personnel data of private individuals and employees of City. Consultant covenants that all data, documents, discussion, or other information developed or received by Consultant or provided for performance of this Agreement are deemed confidential and shall not be disclosed by Consultant without written authorization by City. City shall grant such authorization if disclosure is required by law. All City data shall be returned to City upon the termination of this Agreement. Consultant’s covenant under this Section shall survive the termination of this Agreement.

2.0. COMPENSATION AND BILLING

2.1. Compensation. Consultant shall be paid in accordance with the fee schedule set forth in Exhibit “A”. Consultant’s total compensation shall not exceed _______ Dollars ($_____.00).

2.2. Additional Services. Consultant shall not receive compensation for any services provided outside the scope of services specified in the Consultant’s Proposal or which is inconsistent with or in violation of the provisions of this Agreement unless the City or the Project Manager for this Project, prior to Consultant performing the additional services, approves such additional services in writing. It is specifically understood that oral requests and/or approvals of such additional services or additional compensation shall be barred and are unenforceable. Should the City request in writing additional services that increase the hereinabove described “SCOPE OF SERVICES”, an additional fee based upon the Consultant’s standard hourly rates shall be paid to the Consultant for such additional services. Such increase in additional fees shall be limited to 25% of the total contract sum or $25,000 whichever is more. The City Engineer is authorized to approve a Change Order for such additional services.

2.3. Method of Billing. Consultant may submit invoices to the City for approval on a progress basis, but no more often than two times a month. Said invoice shall be based on the total of all Consultant’s services which have been completed to City’s sole satisfaction. City shall pay Consultant’s invoice within forty-five (45) days from the date City receives said invoice. Each invoice shall describe in detail, the services performed, the date of performance, and the associated time for completion. Any additional services approved and performed pursuant to this Agreement shall be designated as “Additional Services” and shall identify the number of the authorized change order, where applicable, on all invoices.

2.4. Records and Audits. Records of Consultant’s services relating to this Agreement shall be maintained in accordance with generally recognized accounting principles and shall be made available to City or its Project Manager for inspection and/or audit at mutually convenient times for a period of three (3) years from the Effective Date.

3.0. TIME OF PERFORMANCE

3.1. Commencement and Completion of Work. The professional services to be performed pursuant to this Agreement shall commence within five (5) days from the Effective Date of this Agreement. Said services shall be performed in strict compliance with the Project Schedule approved by City as set forth in Exhibit “A”.

3.2. Excusable Delays. Neither party shall be responsible for delays or lack of performance resulting from acts beyond the reasonable control of the party or parties. Such acts shall include, but not be limited to, acts of God, fire, strikes, material shortages, compliance with laws or regulations, riots, acts of war, or any other conditions beyond the reasonable control of a party. If a delay beyond the control of the Consultant is encountered, a time extension may be mutually agreed upon in writing by the City and the Consultant. The Consultant shall present documentation satisfactory to the City to substantiate any request for a time extension.
4.0. TERM AND TERMINATION

4.1. Term. This Agreement shall commence on the Effective Date and continue for a period of ______ months, ending on __________, 20__, unless previously terminated as provided herein or as otherwise agreed to in writing by the parties.

4.2. Notice of Termination. The City reserves and has the right and privilege of canceling, suspending or abandoning the execution of all or any part of the work contemplated by this Agreement, with or without cause, at any time, by providing at least fifteen (15) days prior written notice to Consultant. The termination of this Agreement shall be deemed effective upon receipt of the notice of termination. In the event of such termination, Consultant shall immediately stop rendering services under this Agreement unless directed otherwise by the City. If the City suspends, terminates or abandons a portion of this Agreement such suspension, termination or abandonment shall not make void or invalidate the remainder of this Agreement.

If the Consultant defaults in the performance of any of the terms or conditions of this Agreement, it shall have ten (10) days after service upon it of written notice of such default in which to cure the default by rendering a satisfactory performance. In the event that the Consultant fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

The City shall have the right, notwithstanding any other provisions of this Agreement, to terminate this Agreement, at its option and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement, immediately upon service of written notice of termination on the Consultant, if the latter should:

a. Be adjudged a bankrupt;

b. Become insolvent or have a receiver of its assets or property appointed because of insolvency;

c. Make a general assignment for the benefit of creditors;

d. Default in the performance of any obligation or payment of any indebtedness under this Agreement;

e. Suffer any judgment against it to remain unsatisfied or unbonded of record for thirty (30) days or longer; or

f. Institute or suffer to be instituted any procedures for reorganization or rearrangement of its affairs.

4.3. Compensation. In the event of termination, City shall pay Consultant for reasonable costs incurred and professional services satisfactorily performed up to and including the date of City’s written notice of termination within thirty-five (35) days after service of the notice of termination. Compensation for work in progress shall be prorated based on the percentage of work completed as of the effective date of termination in accordance with the fees set forth herein. In ascertaining the professional services actually rendered hereunder up to the effective date of termination of this Agreement, consideration shall be given to both completed work and work in progress, to complete and incomplete drawings, and to other documents pertaining to the services contemplated herein whether delivered to the City or in the possession of the Consultant. City shall not be liable for any claim of lost profits.

4.4. Documents. In the event of termination of this Agreement, all documents prepared by Consultant in its performance of this Agreement including, but not limited to, finished or unfinished
design, development and construction documents, data studies, drawings, maps and reports, shall be delivered to the City within ten (10) days of delivery of termination notice to Consultant, at no cost to City. Any use of uncompleted documents without specific written authorization from Consultant shall be at City's sole risk and without liability or legal expense to Consultant.

5.0. INSURANCE

5.1. Minimum Scope and Limits of Insurance. Consultant shall obtain, maintain, and keep in full force and effect during the life of this Agreement all the following minimum scope of insurance coverages with an insurance company admitted to do business in California, rated “A,” Class X, or better in the most recent Best’s Key Insurance Rating Guide, and approved by City:

(a) Broad-form commercial general liability, in a form at least as broad as ISO from #CG 00 01 04 13, including premises-operations, products/completed operations, broad form property damage, blanket contractual liability, independent contractors, personal injury or bodily injury with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or shall be twice the required occurrence limit. If Consultant maintains higher limits that the specified minimum limits, City requires and shall be entitled to coverage for the high limits maintained by the Consultant.

(b) Business automobile liability for owned vehicles, hired, and non-owned vehicles, with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, each incident for bodily injury and property damage.

(c) Workers’ compensation insurance as required by the State of California and Employers Liability Insurance with a minimum limit of $1,000,000 per accident for any employee or employees of Consultant. Consultant agrees to waive, and to obtain endorsements from its workers’ compensation insurer waiving subrogation rights under its workers’ compensation insurance policy against the City, its officers, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its subcontractors, if any, to do likewise under their workers’ compensation insurance policies.

Before execution of this Agreement by the City, the Consultant shall file with the Public Works Director/City Engineer the following signed certification:

I am aware of, and will comply with, Section 3700 of the Labor Code, requiring every employer to be insured against liability of Workers’ Compensation or to undertake self-insurance before commencing any of the work.

The Consultant shall also comply with Section 3800 of the Labor Code by securing, paying for and maintaining in full force and effect for the duration of this Agreement, complete Workers’ Compensation Insurance, and shall furnish a Certificate of Insurance to the Public Works Director/City Engineer before execution of this Agreement by the City. The City, its officers and employees shall not be responsible for any claims in law or equity occasioned by failure of the consultant to comply with this section.

(d) Professional errors and omissions (“E&O”) liability insurance with policy limits of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence and aggregate. Architects’ and engineers’ coverage shall be endorsed to include contractual liability. If the policy is written as a “claims made” policy, the retro date shall be prior to the start of the contract work. Consultant
shall obtain and maintain, said E&O liability insurance during the life of this Agreement and for three years after completion of the work hereunder.

Neither the CITY nor any of its elected or appointed officials, officers, agents, employees, or volunteers makes any representation that the types of insurance and the limits specified to be carried by Consultant under this Agreement are adequate to protect Consultant. If Consultant believes that any such insurance coverage is insufficient, Consultant shall provide, at its own expense, such additional insurance as Consultant deems adequate.

5.2. **Endorsements.** The commercial general liability insurance policy and business automobile liability policy shall contain or be endorsed to contain the following provisions as worded below.

(a) Additional insureds: "The City of Placentia and its elected and appointed boards, officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of the Consultant pursuant to its contract with the City; products and completed operations of the Consultant; premises owned, occupied or used by the Consultant; automobiles owned, leased, hired, or borrowed by the Consultant."

(b) Notice: "Consultant shall provide immediate written notice if (1) any of the required insurance policies is terminated; (2) the limits of any of the required polices are reduced; (3) or the deductible or self-insured retention is increased. In the event of any cancellation or reduction in coverage or limits of any insurance, Consultant shall forthwith obtain and submit proof of substitute insurance. Should Consultant fail to immediately procure other insurance, as specified, to substitute for any canceled policy, the City may procure such insurance at Consultant's sole cost and expense."

(c) Other insurance: "The Consultant's insurance coverage shall be primary insurance as respects the City of Placentia, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of Placentia shall be excess and not contributing with the insurance provided by this policy."

(d) Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of Placentia, its officers, officials, agents, employees, and volunteers.

(e) The Consultant’s insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

5.3. **Deductible or Self-Insured Retention.** If any of such policies provide for a deductible or self-insured retention to provide such coverage, the amount of such deductible or self-insured retention shall be approved in advance by City. No policy of insurance issued as to which the City is an additional insured shall contain a provision which requires that no insured except the named insured can satisfy any such deductible or self-insured retention.

5.4. **Certificates of Insurance.** Consultant shall provide to City certificates of insurance showing the insurance coverages and required endorsements described above, in a form and content approved by City, prior to performing any services under this Agreement. The certificates of insurance and endorsements shall be attached hereto as Exhibit “B” and incorporated herein by this reference.

5.5. **Non-limiting.** Nothing in this Section shall be construed as limiting in any way, the indemnification provision contained in this Agreement, or the extent to which Consultant may be held
responsible for payments of damages to persons or property.

6.0. GENERAL PROVISIONS

6.1. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to any matter referenced herein and supersedes any and all other prior writings and oral negotiations. This Agreement may be modified only in writing and signed by the parties in interest at the time of such modification. The terms of this Agreement shall prevail over any inconsistent provision in any other contract document appurtenant hereto, including exhibits to this Agreement.

6.2. Representatives. The City Administrator or his or her designee shall be the representative of City for purposes of this Agreement and may issue all consents, approvals, directives and agreements on behalf of the City, called for by this Agreement, except as otherwise expressly provided in this Agreement.

Consultant shall designate a representative for purposes of this Agreement who shall be authorized to issue all consents, approvals, directives and agreements on behalf of Consultant called for by this Agreement, except as otherwise expressly provided in this Agreement.

6.3. Project Managers. City shall designate a Project Manager to work directly with Consultant in the performance of this Agreement. It shall be the Consultant’s responsibility to assure that the Project Manager is kept informed of the progress of the performance of the services and the Consultant shall refer any decision, which must be made by City, to the Project Manager. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Project Manager.

Consultant shall designate a Project Manager who shall represent it and be its agent in all consultations with City during the term of this Agreement and who shall not be changed by Consultant without the express written approval by the City. Consultant or its Project Manager shall attend and assist in all coordination meetings called by City.

6.4. Notices. Any notices, documents, correspondence or other communications concerning this Agreement, or the work hereunder may be provided by personal delivery, facsimile or if mailed, shall be addressed as set forth below and placed in a sealed envelope, postage prepaid, and deposited in the United States Postal Service. Such communication shall be deemed served or delivered: a) at the time of delivery if such communication is sent by personal delivery; b) at the time of transmission if such communication is sent by facsimile; and c) 72 hours after deposit in the U.S. Mail as reflected by the official U.S. postmark if such communication is sent through regular United States mail.

6.5. Attorneys’ Fees. In the event that litigation is brought by any party in connection with this Agreement, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys’ fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any of the terms, conditions, or provisions hereof.

6.6. Governing Law. This Agreement shall be governed by and construed under the laws of
the State of California without giving effect to that body of laws pertaining to conflict of laws. In the event of any legal action to enforce or interpret this Agreement, the parties hereto agree that the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California. Consultant agrees to submit to the personal jurisdiction of such court in the event of such action.

6.7. Assignment. Consultant shall not voluntarily or by operation of law assign, transfer, sublet or encumber all or any part of Consultant's interest in this Agreement without City's prior written consent. Any attempted assignment, transfer, subletting or encumbrance shall be void and shall constitute a breach of this Agreement and cause for termination of this Agreement. Regardless of City's consent, no subletting or assignment shall release Consultant of Consultant's obligation to perform all other obligations to be performed by Consultant hereunder for the term of this Agreement.

6.8. Indemnification and Hold Harmless. Consultant agrees to defend, indemnify, hold free and harmless the City, its elected and appointed officials, officers, agents and employees, at Consultant's sole expense, from and against any and all claims, demands, actions, suits or other legal proceedings arising out of, pertaining to, or relating to the negligence, recklessness, or willful misconduct of Consultant brought against the City, its elected and appointed officials, officers, agents and employees arising out of the performance of the Consultant, its employees, and/or authorized subcontractors, of the work undertaken pursuant to this Agreement. The defense obligation provided for hereunder shall apply without any advance showing of negligence, recklessness, or willful misconduct by the Consultant, its employees, and/or authorized subcontractors, but shall be required whenever any claim, action, complaint, or suit asserts as its basis the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors, and/or-whenever any claim, action, complaint or suit asserts liability against the City, its elected and appointed officials, officers, agents and employees based upon the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors under this Agreement, whether or not the Consultant, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable. Notwithstanding the foregoing, the Consultant shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City's specifications or Consultant's Proposal, which shall be of no force and effect.

6.9. Independent Contractor. Consultant is and shall be acting at all times as an independent contractor and not as an employee of City. Consultant shall have no power to incur any debt, obligation, or liability on behalf of City or otherwise act on behalf of City as an agent. Neither City nor any of its agents shall have control over the conduct of Consultant or any of Consultant's employees, except as set forth in this Agreement. Consultant shall not, at any time, or in any manner, represent that it or any of its or employees are in any manner agents or employees of City. Consultant shall secure, at its sole expense, and be responsible for any and all payment of Income Tax, Social Security, State Disability Insurance Compensation, Unemployment Compensation, and other payroll deductions for Consultant and its officers, agents, and employees, and all business licenses, if any are required, in connection with the services to be performed hereunder. Consultant shall indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant further agrees to indemnify and hold City harmless from any failure of Consultant to comply with the applicable worker’s compensation laws. City shall have the right to offset against the amount of any fees due to Consultant under this Agreement any amount due to City from Consultant as a result of Consultant’s failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

6.10. PERS Eligibility Indemnification. In the event that Consultant or any employee, agent, or subcontractor of Consultant providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Consultant shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits
on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Notwithstanding any other agency, state or federal policy, rule, regulation, law or ordinance to the contrary, Consultant and any of its employees, agents, and subcontractors providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

6.11. Cooperation. In the event any claim or action is brought against City relating to Consultant’s performance or services rendered under this Agreement, Consultant shall render any reasonable assistance and cooperation which City might require.

6.12. Ownership of Documents. All findings, reports, documents, information and data including, but not limited to, computer tapes or discs, preliminary notes, working documents, files and tapes furnished or prepared by Consultant or any of its subcontractors in the course of performance of this Agreement, shall be and remain the sole property of City. Consultant agrees that any such documents or information shall not be made available to any individual or organization without the prior consent of City but shall be made available to the City within ten (10) days of request or within ten (10) days of termination. Any use of such documents for other projects not contemplated by this Agreement, and any use of incomplete documents, shall be at the sole risk of City and without liability or legal exposure to Consultant. City shall indemnify and hold harmless Consultant from all claims, damages, losses, and expenses, including attorneys’ fees, arising out of or resulting from City’s use of such documents for other projects not contemplated by this Agreement or use of incomplete documents furnished by Consultant. Consultant shall deliver to City any findings, reports, documents, information, data, preliminary notes and working documents, in any form, including but not limited to, computer tapes, discs, files audio tapes or any other Project related items as requested by City or its authorized representative, at no additional cost to the City. Consultant or Consultant’s agents shall execute such documents as may be necessary from time to time to confirm City’s ownership of the copyright in such documents.

6.13. Public Records Act Disclosure. Consultant has been advised and is aware that this Agreement and all reports, documents, information and data, including, but not limited to, computer tapes, discs or files furnished or prepared by Consultant, or any of its subcontractors, pursuant to this Agreement and provided to City may be subject to public disclosure as required by the California Public Records Act (California Government Code Section 6250 et seq.). Exceptions to public disclosure may be those documents or information that qualify as trade secrets, as that term is defined in the California Government Code Section 6254.7, and of which Consultant informs City of such trade secret. The City will endeavor to maintain as confidential all information obtained by it that is designated as a trade secret. The City shall not, in any way, be liable or responsible for the disclosure of any trade secret including, without limitation, those records so marked if disclosure is deemed to be required by law or by order of the Court.

6.14. Conflict of Interest. Consultant and its officers, employees, associates and subconsultants, if any, will comply with all conflict of interest statutes of the State of California applicable to Consultant’s services under this agreement, including, but not limited to, the Political Reform Act (Government Code Sections 81000, et seq.) and Government Code Section 1090. During the term of this Agreement, Consultant and its officers, employees, associates and subconsultants shall not, without the prior written approval of the City Representative, perform work for another person or entity for whom Consultant is not currently performing work that would require Consultant or one of its officers, employees, associates or subconsultants to abstain from a decision under this Agreement pursuant to a conflict of interest statute.

6.15. Responsibility for Errors. Consultant shall be responsible for its work and results under this Agreement. Consultant, when requested, shall furnish clarification and/or explanation as may be
required by the City’s representative, regarding any services rendered under this Agreement at no additional cost to City. In the event that an error or omission attributable to Consultant occurs, then Consultant shall, at no cost to City, provide all necessary design drawings, estimates and other Consultant professional services necessary to rectify and correct the matter to the sole satisfaction of City and to participate in any meeting required with regard to the correction.

6.16. **Prohibited Employment.** Consultant will not employ any regular employee of City while this Agreement is in effect.

6.17. **Order of Precedence.** In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and those of any such provision or provisions so incorporated by reference, the conflict shall be resolved by giving precedence in the following order, if applicable: This Agreement, the City’s Request for Proposals, the Consultant’s Proposal.

6.18. **Costs.** Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.

6.19. **No Third Party Beneficiary Rights.** This Agreement is entered into for the sole benefit of City and Consultant and no other parties are intended to be direct or incidental beneficiaries of this Agreement and no third party shall have any right in, under or to this Agreement.

6.20. **Headings.** Paragraphs and subparagraph headings contained in this Agreement are included solely for convenience and are not intended to modify, explain or to be a full or accurate description of the content thereof and shall not in any way affect the meaning or interpretation of this Agreement.

6.21. **Construction.** The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. There shall be no presumption or burden of proof favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

6.22. **Amendments.** Only a writing executed by the parties hereto or their respective successors and assigns may amend this Agreement.

6.23. **Waiver.** The delay or failure of either party at any time to require performance or compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of those rights to require such performance or compliance. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom enforcement of a waiver is sought. The waiver of any right or remedy in respect to any occurrence or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a continuing waiver.

6.24. **Severability.** If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial benefit of the bargain for any party, is materially impaired, which determination made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.

6.25. **Counterparts.** This Agreement may be executed in one or more counterparts, each of
which shall be deemed an original. All counterparts shall be construed together and shall constitute one agreement.

6.26. Corporate Authority. The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by doing so the parties hereto are formally bound to the provisions of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective authorized officers, as of the date first above written.

Blanket Additional Insured - Owners, Lessees or Contractors - with Products-Completed Operations Coverage Endorsement

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

It is understood and agreed as follows:

I. WHO IS AN INSURED is amended to include as an Insured any person or organization whom you are required by written contract to add as an additional insured on this coverage part, but only with respect to liability for bodily injury, property damage or personal and advertising injury caused in whole or in part by your acts or omissions, or the acts or omissions of those acting on your behalf:

A. in the performance of your ongoing operations subject to such written contract; or
B. in the performance of your work subject to such written contract, but only with respect to bodily injury or property damage included in the products-completed operations hazard, and only if:
   1. the written contract requires you to provide the additional insured such coverage; and
   2. this coverage part provides such coverage.

II. But if the written contract requires:

A. additional insured coverage under the 11-85 edition, 10-93 edition, or 10-01 edition of CG2010, or under the 10-01 edition of CG2037; or
B. additional insured coverage with "arising out of" language; or
C. additional insured coverage to the greatest extent permissible by law;

then paragraph I. above is deleted in its entirety and replaced by the following:

WHO IS AN INSURED is amended to include as an Insured any person or organization whom you are required by written contract to add as an additional insured on this coverage part, but only with respect to liability for bodily injury, property damage or personal and advertising injury arising out of your work that is subject to such written contract.

III. Subject always to the terms and conditions of this policy, including the limits of insurance, the Insurer will not provide such additional insured with:

A. coverage broader than required by the written contract; or
B. a higher limit of insurance than required by the written contract.

IV. The insurance granted by this endorsement to the additional insured does not apply to bodily injury, property damage, or personal and advertising injury arising out of:

A. the rendering of, or the failure to render, any professional architectural, engineering, or surveying services, including:
   1. the preparing, approving, or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; and
   2. supervisory, inspection, architectural or engineering activities; or
B. any premises or work for which the additional insured is specifically listed as an additional insured on another endorsement attached to this coverage part.

V. Under COMMERCIAL GENERAL LIABILITY CONDITIONS, the Condition entitled Other Insurance is amended to add the following, which supersedes any provision to the contrary in this Condition or elsewhere in this coverage part:

Primary and Noncontributory Insurance
Blanket Additional Insured - Owners, Lessees or Contractors - with Products-Completed Operations Coverage Endorsement

With respect to other insurance available to the additional insured under which the additional insured is a named insured, this insurance is primary to and will not seek contribution from such other insurance, provided that a written contract requires the insurance provided by this policy to be:

1. primary and non-contributing with other insurance available to the additional insured; or
2. primary and to not seek contribution from any other insurance available to the additional insured.

But except as specified above, this insurance will be excess of all other insurance available to the additional insured.

VI. Solely with respect to the insurance granted by this endorsement, the section entitled COMMERCIAL GENERAL LIABILITY CONDITIONS is amended as follows:

The Condition entitled Duties In The Event of Occurrence, Offense, Claim or Suit is amended with the addition of the following:

Any additional insured pursuant to this endorsement will as soon as practicable:

1. give the Insurer written notice of any claim, or any occurrence or offense which may result in a claim;
2. send the Insurer copies of all legal papers received, and otherwise cooperate with the Insurer in the investigation, defense, or settlement of the claim; and
3. make available any other insurance, and tender the defense and indemnity of any claim to any other insurer or self-insurer, whose policy or program applies to a loss that the Insurer covers under this coverage part. However, if the written contract requires this insurance to be primary and non-contributory, this paragraph 3. does not apply to insurance on which the additional insured is named insured.

The Insurer has no duty to defend or indemnify an additional insured under this endorsement until the Insurer receives written notice of a claim from the additional insured.

VII. Solely with respect to the insurance granted by this endorsement, the section entitled DEFINITIONS is amended to add the following definition:

Written contract means a written contract or written agreement that requires you to make a person or organization an additional insured on this coverage part, provided the contract or agreement:

A. is currently in effect or becomes effective during the term of this policy; and
B. was executed prior to:
   1. the bodily injury or property damage; or
   2. the offense that caused the personal and advertising injury;

for which the additional insured seeks coverage.

Any coverage granted by this endorsement shall apply solely to the extent permissible by law.

All other terms and conditions of the Policy remain unchanged.

This endorsement, which forms a part of and is for attachment to the Policy issued by the designated Insurers, takes effect on the effective date of said Policy at the hour stated in said Policy, unless another effective date is shown below, and expires concurrently with said Policy.
This endorsement modifies insurance provided under the following:

It is understood and agreed that:

If you have agreed under written contract to provide notice of cancellation to a party to whom the Agent of Record has issued a Certificate of Insurance, and if we cancel a policy term described on that Certificate of Insurance for any reason other than nonpayment of premium, then notice of cancellation will be provided to such Certificateholders at least 30 days in advance of the date cancellation is effective.

If notice is mailed, then proof of mailing to the last known mailing address of the Certificateholder on file with the Agent of Record will be sufficient to prove notice.

Any failure by us to notify such persons or organizations will not extend or invalidate such cancellation, or impose any liability or obligation upon us or the Agent of Record.

All other terms and conditions of the policy remain unchanged.

This endorsement, which forms a part of and is for attachment to the policy issued by the designated Insurers, takes effect on the Policy Effective date of said policy at the hour stated in said policy, unless another effective date (the Endorsement Effective Date) is shown below, and expires concurrently with said policy.
It is understood and agreed that this endorsement amends the BUSINESS AUTO COVERAGE FORM as follows:

**SCHEDULE**

Name of Additional Insured Person Or Organization

ANY PERSON OR ORGANIZATION THAT YOU ARE REQUIRED BY WRITTEN CONTRACT OR WRITTEN AGREEMENT TO NAME AS AN ADDITIONAL INSURED.

1. Paragraph A.1. Who Is An Insured of Section II - LIABILITY COVERAGE is amended to include as an additional insured the person or organization scheduled above, but only if you are required by "written contract" to make that person or organization an additional insured under this policy.

2. The insurance provided to the additional insured is limited as follows:
   a. The person or organization is an additional insured only with respect to "bodily injury" or "property damage" arising out of a covered "auto" and caused by your negligent acts or omissions or the negligent acts or omissions of someone, other than the additional insured, for whom you are legally liable.
   b. The person or organization is not an additional insured for the person or organization's own acts or omissions, nor those of anyone, other than you, for whom the person or organization is legally liable.
   c. We will not provide the additional insured any broader coverage or any higher limit of liability than the least that is:
      (1) Required by the "written contract"; or
      (2) Afforded to you under this policy.

3. Condition 2. Duties In the Event of Accident, Claim, Suit or Loss of Section IV - BUSINESS AUTO CONDITIONS is amended to add the following conditions applicable to the additional insured:

   An additional insured under this endorsement will as soon as practicable:
   a. Give us written notice of an "accident" which may result in a claim or "suit" under this insurance, and of any claim or "suit" that does result;
   b. Agree to make available any other insurance the additional insured has for a loss we cover under this policy;
   c. Send us copies of all legal papers received, and otherwise cooperate with us in the investigation, defense, or settlement of the claim or "suit"; and
   d. Tender the defense and indemnity of any claim or "suit" to any other insurer or self insurer whose policy or program applies to a loss we cover under this policy. But if the "written contract" requires this insurance to be primary and non-contributory, this provision d. does not apply to insurance on which the additional insured is a Named Insured.

   We have no duty to defend or indemnify an additional insured under this endorsement until we receive from the additional insured written notice of a "suit".

4. Only for the purpose of the insurance provided by this endorsement, SECTION V - DEFINITIONS is amended to add the following definition:
"Written contract" means a written contract or written agreement that requires you to make a person or organization an additional insured under this policy, provided the contract or agreement:

1. Is currently in effect or becomes effective during the term of this policy; and
2. Was executed prior to the accident for which the additional insured seeks coverage under this policy.

All other terms and conditions of the policy remain unchanged

This endorsement, which forms a part of and is for attachment to the policy issued by the designated Insurers, takes effect on the Policy Effective date of said policy at the hour stated in said policy, unless another effective date (the Endorsement Effective Date) is shown below, and expires concurrently with said policy.
ADDITIONAL INSURED - PRIMARY AND NON-CONTRIBUTORY

1. In conformance with paragraph **A.1.c. of Who Is An Insured** of Section II - LIABILITY COVERAGE, the person or organization scheduled above is an insured under this policy.

2. The insurance afforded to the additional insured under this policy will apply on a primary and non-contributory basis if you have committed it to be so in a written contract or written agreement executed prior to the date of the "accident" for which the additional insured seeks coverage under this policy.

All other terms and conditions of the Policy remain unchanged.
THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

Professional Services Agreements for On-call Construction Management and Inspection Services

May 7, 2024
Background

- City advertised a Request for Proposals on January 9, 2024 for construction management and inspection services. These services include:
  - Preconstruction tasks, including constructability review
  - Inspection which ensures work is completed in accordance with the contract documents
  - Project closeout and commissioning

- 17 proposals were received from qualified firms. Of those 17 proposals the top 6 are being recommended by Staff
Background

- Top 6 firms were selected based upon the following criteria:
  - Expertise and Experience (60%)
  - Scope of Work (20%)
  - Allocation of resources (20%)
- Firms recommended:

  ▪ Z&K
    • City of Tustin – Veteran Sports Park – $2.4 million construction value
Discussion

• What is an On-Call Agreement?
  ▪ On-call contracts allow public agencies to select firms from an established roster when a need for specific services arises

• Benefits to On-call Agreements
  ▪ Allows City and CM to quickly mobilize services under pre-negotiated terms and conditions
  ▪ Reduces Staff administrative time dedicated to the typical procurement process
  ▪ Allows projects to move forward more efficiently while maintaining fiscal prudence
Discussion

Typical Procurement Process Timeline (12-14 weeks)

- Project Need
- Draft Request for Proposal (RFP) (2 weeks)
- Review RFP (1 week)
- Advertise RFP (3-4 weeks)
- Review Proposals (2-3 weeks)
- Select consultant & negotiate contract (1 week)
- Award via Council (2 weeks)
- Process Agreement (COI, etc.) (2 weeks)
- Issue Notice to Proceed

On-call Agreement Timeline (4 weeks)

- CIP Project Need
- Request quotes from on-call bench list (1 week)
- Staff reviews quotes and selects consultant (1 week)
- Staff recommends consultant to Council during the award of Construction Contract action (2 weeks)
- Issue Notice to Proceed
Budget

- No immediate fiscal impact
  - When projects are budgeted for construction, a portion of funds are allocated towards Construction Management and Inspection
  - This cost is typically 15% of the construction cost and is referenced in the City Council Report on the construction contract.

- Example:
- Total $1,000,000 project cost
  - $800,000 for construction items
  - $120,000 (15%) for construction management and inspection
  - $80,000 (10%) for contingency

- Each agreement limits the contracting capacity with any one consultant to $500,000 with a 10% contingency (subject to CA approval).
- The combined agreement limit is $3,000,000 with a 10% contingency (subject to CA approval) and follows the City’s purchasing policy requirements
1. Approve a Professional Services Agreement with Infrastructure Engineers, a Bowman company, for professional consulting services to provide construction management and inspection services for a term of three (3) years with one (1) two-year term extension based upon performance and at the discretion of the City, in an amount not-to-exceed $500,000; and

2. Approve a Professional Services Agreement with Berg & Associates, Inc. for professional consulting services to provide construction management and inspection services for a term of three (3) years with one (1) two-year term extension based upon performance and at the discretion of the City, in an amount not-to-exceed $500,000; and

3. Approve a Professional Services Agreement with Ardurra Group, Inc., for professional consulting services to provide on-call professional construction management and inspection services for a term of three (3) years with one (1) two-year term extension based upon performance and at the discretion of the City, in an amount not-to-exceed $500,000; and
