ADMINISTRATION DEPARTMENT

September is Emergency Preparedness Month

September is Emergency Preparedness Month, reminding us of the importance of being prepared for disasters or emergencies that can arise at any time. ReadyOC is Orange County's emergency preparedness outreach initiative with one simple goal: to help OC residents prepare and protect themselves in the wake of an emergency. One thing you can do to ensure you are prepared for an emergency is to make a plan. How often is your entire family all in one place at one time? The likelihood becomes even less probable in the chance of a disaster. Odds are your children will be at school, your pet will be at home, and you will be at work. If a disaster occurred, how would you contact one another, get back together, and handle the disaster in your individual locations? You have a responsibility to protect yourself, and your family, by knowing what to do before, during, and after an event.

Making a plan includes:

- Developing an "In Case of Emergency" (ICE) contact list
- Identifying an emergency meeting place nearby
- Signing up for emergency notifications through AlertOC
- Developing an evacuation plan with multiple routes
- Preparing and regularly freshening your "go" bag and "stay" box of emergency items
- Finding a shelter - if a friend is not available, dial 2-1-1

For more information on how you can make a plan for you and your family, please [click here](#).

Supervisor Chaffee's Kid's Fishing Derby

Join Supervisor Doug Chaffee for the Fourth District Kid's Fishing Derby on Saturday, September 7th, from 8:00 a.m. to 11:00 a.m. at Carbon Canyon Regional Park located at 4442 Carbon Canyon Rd, Brea. Residents of the Fourth District, including the cities of Stanton, Buena Park, Fullerton, La Habra, Brea, Placentia, and portions of Anaheim, may RSVP for the Kids Fishing derby until event capacity is reached. To RSVP, please [click here](#). Kids ages 6 to 15 may participate in the Fishing derby. Fishing Rods and bait will be available at no-cost while supplies last.

Lynch EMS Medical Save

On July 2nd, Paramedic Supervisor Michael Bostick and his partner, Paramedic Brian Le, responded to a patient complaining of chest pain. As they were loading the patient into the ambulance, the patient went into sudden cardiac arrest. Acting quickly, the two paramedics and two Emergency Ambulance EMTs initiated CPR, defibrillated the patient, and successfully resuscitated the patient in minutes. They soon realized the patient was far from stable. The patient was having a heart attack and had entered another lethal cardiac rhythm. In the back of the ambulance on the way to the hospital, paramedics stabilized and prepared the patient for transfer of care to the emergency department team at the hospital. The transfer was smooth, and as the paramedics transferred care to the hospital staff, they noticed the patient had begun to wake up. A week after this incident, paramedics were notified that the patient had been successfully treated and was discharged home and fully recovered.

FIRE AND LIFE SAFETY DEPARTMENT

Placentia Fire Helps Deliver Baby

On Monday, August 19th, at 6:00 a.m., Placentia Fire and Life Safety received a call requesting assistance for a resident in active labor. When the crews arrived on the scene, they determined that the patient needed immediate transport to a hospital. While en route to St. Jude, Firefighter Lomeli, and the medics worked with the mother to help her keep calm and ultimately successfully deliver a healthy baby boy in the back of the ambulance. Since this was Firefighter Lomeli's first delivery, the crews went back to check on the patient and to "officially" meet baby Nicholas. A huge congratulations to the Miranda family on the safe arrival of baby Nicholas. We were so happy we could be there for the Miranda family to keep everyone safe and meet the wonderful new addition to the family!

DEVELOPMENT SERVICES DEPARTMENT

Placentia Pursues Prohousing Designation

The City of Placentia is excited to announce the pending application to become a Prohousing Designated City through the California Department of Housing and Community Development (HCD). The application will be submitted in the coming months for the agency to review. The application requirements include insight into the following areas: formal resolutions or policy adoption, policy completion schedule, proposed project scoring sheet, and examples of the city's prohousing policies with enhancement factors. Once approved, Placentia would join other designated cities like Brea, Rancho Cucamonga, and Santa Monica.

The purpose of the Prohousing Designation Program (PDP) is to increase the availability of housing statewide promoting the quality of life of all Californians and to end homelessness. With the designation, it will provide Placentia with additional support, grants, incentives, and accountability measures to ensure that we are doing our part in making meaningful progress in the State's affordable housing goals. Some of the grants the City would become eligible for would include: Transformative Climate Communities (TCC), Solutions for Congested Corridors, Local Partnership Program, and Transit and Intercity Rail Capital Program (TIRCP). To learn more about Placentia's Prohousing Designation you can follow [this link](#) to our Prohousing webpage. Additionally, the Development Services Department will be hosting a community engagement meeting to discuss the Prohousing application in the coming weeks and information will be posted on the webpage. Be sure to keep an eye out for the day and time of the meeting – water and snacks will be available.

Housing affordability is a topic that touches all of us and we'd love to hear your thoughts, ideas, and feedback regarding the designation! Your input is vital for the future of our community and if you have a few moments, we have created a survey which is available in both [English](#) and [Spanish](#). We look forward to hearing from you!
