## Dog License Amnesty

On March 2, the Orange County Board of Supervisors approved a Dog License Amnesty program to offer pet owners a break from being collared with late and back fees for unlicensed dogs. During April 1 – May 15, owners will be able to renew their expired licenses or obtain new licenses with no worry of extra charges. This program will be offered to dog owners living in the 17 cities and unincorporated areas served by OC Animal Care. Not only will this program help relieve some of the burden on pocketbooks; it will also help more animals find their way back home if they are lost. By placing a license tag on their dog, owners will help OC Animal Care get in touch with them if their pet is brought into the shelter.

OC Animal Care urges dog owners to take advantage of this special opportunity if a license is past due, even if it's been several years, or has never been purchased. Licenses can be purchased in-person at OC Animal Care, by mail to Attn: Licensing, 561 The City Drive South, Orange, CA 92868 or online at [www.ocpetinfo.com](http://www.ocpetinfo.com). A current rabies vaccination is required to license a pet. If a pet is spayed or neutered, owners will receive a discount on the license fee with proof of sterility. If an owner wants to take advantage of this special discount, but they do not have an altered pet, OC Animal Care will allow them to pay the discounted rate during the amnesty period. These owners will then be required to submit proof of sterility within two weeks of licensing. For more information on this program, please contact OC Animal Care at (714) 935-6848.

## Paint Your Heart Out Program

In 19 years, Paint Your Heart Out volunteer teams have repaired and painted over 900 homes for senior, low income or disabled homeowners in the cities of Anaheim, Brea, Orange, Santa Ana and now PLACENTIA in partnership with the City of Placentia Neighborhood Services, all at no cost to the homeowner.

Our services include prep, paint, yard clean-up, weatherizing, energy audits, tree trimming, tree planting and dusk to dawn lighting just to list a few. The work is done by volunteers who generously donate their time and hard work for those deserving neighbors in the communities we serve. If you know of a Placentia homeowner who needs some help with the exterior of their home, please have them contact Placentia Neighborhood Services at (714) 986-2333. If you would like to volunteer your time, please visit our website [www.pyho.org](http://www.pyho.org) to sign up or call our office at (714) 970-1150.

## Fireworks Safety

Each year in the United States, more than 10,000 people suffer eye injuries and burns from fireworks. Annually, three thousand fires are caused by fireworks, and most of these incidents are related to the use of illegal fireworks, as well as state-approved fireworks that are lit by non-professionals. Some relevant nationwide firework-related injury statistics:

- Since 2003, 45% of persons injured from fireworks are children 14 years and younger.
- Children ages 5 to 9 years have the highest injury rate involving fireworks.
- Sparklers are associated with the most injuries involving children under the age of 5.
- Sparklers can reach temperatures of more than 1000°F.

In an effort to reduce both accidental fires and fireworks-related injuries, the City's Police Department will be working in conjunction with the Orange County Fire Authority to enforce the relevant laws on July 4th, and the days around this holiday. Violations of the City's municipal code are punishable by a fine up to \$1,000 or imprisonment up to 1 year, or by both such fine and imprisonment. The Police Department will enforce a zero tolerance policy on the use and possession of any fireworks.

The City Administrator and key members of City staff invite Placentia residents to a Neighborhood Conversation on Wednesday, May 26 at 6:00 p.m. at the Gomez Community Center, 1701 Atwood Avenue. The Neighborhood Conversation gives residents the opportunity to discuss issues and events, meet City staff and learn about new City services and programs. This Neighborhood Conversation is the third in a series of community meetings that will continue to be held quarterly in different areas of the City to inform residents about new and ongoing City services and to provide forums to address questions and issues from the community. ## ALERT OC – Disaster Information System

The City of Placentia has launched the web-based subscription service AlertOC to provide real-time information to affected communities in emergency situations. A distinct feature of AlertOC is the ability to register more than one contact method to a specific address, thus enabling landlines, cell phones and e-mail addresses to be incorporated into a single notification system. Visitors to [www.AlertOC.com](http://www.AlertOC.com) may register their contact information and receive time-sensitive communications from the City in the event of a natural disaster or emergency, such as evacuation orders. When there is an event requiring community action, authorized officials record a voice, e-mail or text message that is delivered rapidly to affected individuals. During an emergency incident, AlertOC has the ability to send three million 60-second voice messages, two million e-mails and 360,000 text messages per hour. For more information and frequently asked questions, please visit [www.AlertOC.com](http://www.AlertOC.com).
