Zipcode	92870

**Optional:** Click here to import last year's data. This is best used when the workbook is new and empty. You will be prompted to pick an old workbook to import from. Project and program data will be copied exactly how it was entered in last year's form and must be updated. If a project is no longer has any reportable activity, you may delete the project by selecting a cell in the row and typing ctrl + d.

[Click here to download APR Instructions](#)

1\_23\_23

**Optional:** This runs a macro which checks to ensure all required fields are filled out. The macro will create two files saved in the same directory this APR file is saved in. One file will be a copy of the APR with highlighted cells which require information. The other file will be list of the problematic cells, along with a description of the nature of the error.

**Optional:** Save before running. This copies data on Table A2, and creates another workbook with the table split across 4 tabs, each of which can fit onto a single page for easier printing. Running this macro will remove the comments on the column headers, which contain the instructions. Do not save the APR file after running in order to preserve comments once it is reopened.

**Optional:** This macro identifies dates entered that occurred outside of the reporting year. RHNA credit is only given for building permits issued during the reporting year.

### Submittal Instructions

**Please save your file as Jurisdictionname2022 (no spaces).** Example: the city of San Luis Obispo would save their file as SanLuisObispo2022

Housing Element Annual Progress Reports (APRs) forms and tables must be submitted to HCD and the Governor's Office of Planning and Research (OPR) on or before April 1 of each year for the prior calendar year; submit separate reports directly to both HCD and OPR pursuant to Government Code section 65400. There are two options for submitting APRs:

**1. Online Annual Progress Reporting System - Please see the link to the online system to the left.** This allows you to upload the completed APR form into directly into HCD's database limiting the risk of errors. If you would like to use the online system, email [APR@hcd.ca.gov](mailto:APR@hcd.ca.gov) and HCD will send you the login information for your jurisdiction. *Please note: Using the online system only provides the information to HCD. The APR must still be submitted to OPR. Their email address is [opr.apr@opr.ca.gov](mailto:opr.apr@opr.ca.gov).*

**2. Email -** If you prefer to submit via email, you can complete the excel Annual Progress Report forms and submit to HCD at [APR@hcd.ca.gov](mailto:APR@hcd.ca.gov) and to OPR at [opr.apr@opr.ca.gov](mailto:opr.apr@opr.ca.gov). Please send the Excel workbook, not a scanned or PDF copy of the tables.

		5 Extremely low-income Need		2021	2022	2023	2024	2025	2026	2027	2028	2029	6 Total Units to Date	7 Total Units Remaining
Extremely Low-Income Units*		622		5	-	-	-	-	-	-	-	-	-	622

\*Extremely low-income housing need determined pursuant to Government Code 65583(a)(1). Value in Section 5 is default value, assumed to be half of the very low-income RHNA. May be overwritten.

Note: units serving extremely low-income households are included in the very low-income RHNA progress and must be reported as very low-income units in section 7 of Table A2. They must also be reported in the extremely low-income category (section 13) in Table A2 to be counted as progress toward meeting the extremely low-income housing need determined pursuant to Government Code 65583(a)(1).

Please note: For the last year of the 5th cycle, Table B will only include units that were permitted during the portion of the year that was in the 5th cycle. For the first year of the 6th cycle, Table B will only include units that were permitted since the start of the planning period. Projection Period units are in a separate column.

Please note: The APR form can only display data for one planning period. To view progress for a different planning period, you may login to HCD's online APR system, or contact HCD staff at [apr@hcd.ca.gov](mailto:apr@hcd.ca.gov).

# ANNUAL ELEMENT PROGRESS REPORT

## Housing Element Implementation

<b>Jurisdiction</b>	Placentia		
<b>Reporting Year</b>	2022	(Jan. 1 - Dec. 31)	
<b>Table D</b>			
<b>Program Implementation Status pursuant to GC Section 65583</b>			
<b>Housing Programs Progress Report</b>			
Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element.			
<b>1</b>	<b>2</b>	<b>3</b>	<b>4</b>
<b>Name of Program</b>	<b>Objective</b>	<b>Timeframe in H.E</b>	<b>Status of Program Implementation</b>
Program HE-1.1: Manufactured Housing and Mobile Homes <input type="checkbox"/>	Preserve existing mobile home parks and manufactured housing	Ongoing	Completed. Staff reviewed the use of manufactured housing and is encouraging manufactured housing use through contacting distributors for information and meeting with manufacturers and developers who specialize in this housing
Program HE-1.2: Locate Housing Near Transportation, Employment and Service	Proximity to transportation employment and services	Ongoing	Ongoing. This remains a high priority of the City as the construction of the Placentia Metrolink Station is scheduled to start late 2019. The City Council approved and adopted the Transit Oriented Development (TOD) Packing House District near the future Metrolink Station on April 18, 2017 which allows densities up to 95 du/acre. To date, 633 units have been entitled in the TOD District. On July 18, 2017, the Old Town Zoning District was adopted (Ordinance No. O-2017-05) by City Council and the Development Standards include a sub-area allowing high density housing by right without a public hearing, at a density up to 65 dwelling units per acre. Both the TOD and Old Town Zoning Districts are immediately adjacent to the Placentia Metrolink Station.
Program HE-1.3: Pursue County, State, and Federal Housing Funds <input type="checkbox"/>	Increase use of county, state and federal funds <input type="checkbox"/>	Ongoing, and Monitor funding opportunities on an annual basis and apply for funding as opportunities arise	The City has applied for a Prohousing designation and for PIP funding specifically to produce affordable housing

<b>Program HE-1.4: Emergency Shelters, Low Barrier Navigation Centers, Transitional and Supportive Housing and Agricultural Employee Housing</b>	<b>Encourage the provision of emergency shelters, low barrier navigation centers, transitional and supportive housing and agricultural employee housing consistent with State law</b>	<b>Previously completed and ongoing to 6/23/2023</b>	<b>Previously completed and ongoing: On May 7, 2016 the City Council approved Ordinance No. O-2013-08 to amend Title 23 (Zoning Ordinance) of the Placentia Municipal Code Pertaining to Emergency Shelters, Supportive and Transitional Housing Facilities, Single Room Occupancies and Provisions for Reasonable Accommodations for Persons with Disabilities, including Standards and Procedures. However, To ensure compliance with recent changes to State law (AB 139), a Code amendment will be processed in 2022 to revise emergency shelter parking standards. Separation requirements for emergency shelters will also be modified consistent with current law.</b>
<b>Program HE-1.5: Infrastructure Provision <input type="checkbox"/></b>	<b>Reduce constraints associated with infrastructure <input type="checkbox"/></b>	<b>Annual review, revisions as appropriate</b>	<b>Previously completed and ongoing: Annual review, revisions were as appropriate</b>
<b>Program HE-1.6: Development Processing System Review <input type="checkbox"/></b>	<b>Minimize development review/processing time</b>	<b>Ongoing</b>	<b>Prepare SB 35 procedures by June 23. Continue to post zoning, development standards and fees on the City website. Ongoing, Annual Review</b>
<b>Program HE-1.7: Vacant and Underutilized Land Inventory <input type="checkbox"/></b>	<b>Inventory of vacant and underutilized land</b>	<b>Annual</b>	<b>Ongoing. The City provides the inventory of vacant and underutilized land upon request and routinely discusses these parcels with developers. In FY 17-18, the City has budgeted consulting services with an private economic development firm to assist with identifying up-to-date inventory of vacant and underutilized land. The City is in the process of selling these vacant lands to qualified developers.</b>
<b>Program HE-1.8: Adequate Sites for Housing Development <input type="checkbox"/></b>	<b>Rezone sufficient land with appropriate densities to accommodate the RHNA allocation</b>	<b>Partially Completed and June 23</b>	<b>Partially completed. Ordinance No. O-2022-08 adopted by the City Council in December 2022 changed the allowable density in the R-3 Zone from 25 to 30 dwelling units per acre which the Housing Element required. The other rezoning required by the Housing Element is underway, which is the expansion of the TOD Zone to facilitate additional housing opportunities at a density up to 95 dwelling units per acre.</b>
<b>Program HE-1.9: Monitoring of Constructed Units Based on Income-Level <input type="checkbox"/></b>	<b>Tracking performance by income level.</b>	<b>Ongoing</b>	<b>Ongoing. Forms have been developed to gain the information at the time a building permit is issued.</b>

<p><b>Program HE-1.10: Encourage Development of Housing for Extremely-Low Income Households</b></p>	<p><b>The construction of 616 ELI units</b></p>	<p><b>Annual</b></p>	<p><b>Annual consultation with affordable housing developers, or as development opportunities arise, however, this was also a completed effort with the issuance of permits for 49 very low income units in 2018 (the Veteran's Village development) contributing to achieving this goal. The City is reviewing other incentive programs to implement. The City has increased its contacts with non-profit developers regarding affordable housing opportunities. The elimination of redevelopment set aside funds severely restricts this effort.</b></p>
<p><b>Program HE-1.11: Density Bonus Ordinance</b></p>	<p><b>Update the Density Bonus Ordinance consistent with State law</b></p>	<p><b>Completed</b></p>	<p><b>The City of Placentia provides for a density bonus, incentives and concessions to facilitate and encourage the development of lower-income housing units through its Density Bonus Ordinance. To ensure that City regulations are consistent with recent changes to State law, the City will process an amendment to the ordinance in mid-2023. The City will inform housing developers of the Density Bonus Ordinance through informational materials distributed at City Hall, on the City's website and during pre-application meetings.</b></p>
<p><b>Program HE-1.12: Development of Senior Housing</b></p>	<p><b>Senior Housing Development</b></p>	<p><b>Completed/Ongoing</b></p>	<p><b>The City recognizes the unique character of the senior population. Seniors typically have specialized housing needs and fixed incomes that may require housing units not generally included in market rate housing. In 2020 the City Council approved entitlements for a 64-unit affordable senior housing development at 1314 N. Angelina Drive. The City shall continue to encourage the development of a wide range of housing choices for seniors through incentives (e.g., financial assistance, parking reductions, regulatory waivers). These may include independent living communities and assisted living facilities with on-site services and access to health care, nutrition, transportation and other appropriate services.</b></p>
<p><b>Program HE-1.13: Development of Housing for Larger Families</b></p>	<p><b>Housing units with 3+ bedrooms</b></p>	<p><b>Ongoing</b></p>	<p><b>The City recognizes that providing appropriately-sized housing units for large families is important to improving livability, reducing instances of overcrowding and minimizing deferred maintenance issues. The City shall encourage incorporation of units with 3 or more bedrooms in for-sale and rental housing developments to accommodate the needs of larger families through activities such as technical assistance, expedited processing, and flexibility in development standards.</b></p>

<p><b>Program HE-1.14: Housing for Persons with Special Needs</b> □</p>	<p>Increased availability of housing units for households with special needs</p>	<p>Annual/Ongoing</p>	<p>Housing to accommodate persons and families with special needs is a high priority for Placentia. In 2018 the City approved the Veteran’s Village development with 49 very-low-income units for veterans who are homeless or at risk of homelessness. The project also provides services such as vocational training, mental health counseling, job placement, etc. The City shall continue to work with non-profit housing developers, service providers and the County of Orange to encourage and support the development of housing for special needs households, including persons with developmental disabilities, through activities such as technical assistance, assistance in seeking funding annually, expedited processing and flexibility in development standards.</p>
<p><b>Program HE-1.15: Transit-Oriented Development</b> □</p>	<p>Transit-oriented development</p>	<p>Completed and Ongoing; expand existing TOD zone boundaries, goal for adoption is June 2023</p>	<p>Transit-Oriented Development (TOD) is a compact mixed-use or commercial area designed to maximize access to public transport, and often incorporates features to encourage transit ridership. Consistent with federal, state and regional policies focusing on concentrated growth around transit, in 2017 the City Council adopted the TOD Packing House zoning district, which allows densities up to 95 du/acre near the future Metrolink Station. Since then, 633 multi-family units have been entitled in the TOD District. Also in 2017, the Old Town Zoning District was adopted, which includes a sub-area allowing high-density housing by-right up to 65 units per acre. The City continues to work with developers on TOD opportunities connected with the forthcoming Placentia Metrolink Station. Incentives include the utilization of City-owned property as well as reduced parking requirements and densities up to 95 dwelling units per acre for the TOD Zone and up to 65 dwelling units per acre for the Old Town Zone. The City shall encourage Transit-Oriented Developments through incentives that may include financial assistance, density bonus, and regulatory waivers. (see also Programs 1.2 and 1.8). To expand housing opportunities, an amendment to the TOD zone will be processed</p>
<p><b>Program HE-1.16: Single-Room Occupancy (SROs)</b> □</p>	<p>Facilitate development of SROs</p>	<p>Ongoing</p>	<p>Single-room-occupancy developments (SROs) provide housing opportunities for lower-income individuals, persons with disabilities, and the elderly. State law requires that jurisdictions identify zoning districts available to encourage and facilitate a variety of housing types, including SROs. The Zoning Code allows SRO developments in the R-3 and C-2 districts. The City will continue to encourage development of SROs through a variety of methods including financial assistance, density bonus, and regulatory concessions.</p>

<p><b>Program HE-1.17: Residential Parking Requirements</b> □</p>	<p>Revise existing multi-family parking standards in the R-3 district</p>	<p>Oct-23</p>	<p>The City’s greatest potential for affordable housing development exists in the area near the Metrolink station. As part of the new TOD zone for this area, the City adopted parking standards based on the realistic demand and opportunities for shared parking in TOD and mixed-use developments, especially new housing units affordable to lower- and moderate-income households. The City will also initiate an amendment to the Code to revise reduce multi-family parking standards for small (i.e., studio or 1-bedroom) units in the R-3 district to one covered space per unit (garage or carport) to reduce this potential constraint.</p>
<p><b>Program HE-1.18: Encourage and Facilitate Lot Consolidation</b> □</p>	<p>Encourage/facilitate lot consolidation</p>	<p>Ongoing, and Zoning Code Amendment in 2022-23</p>	<p>The City will encourage and facilitate consolidation of vacant and underutilized lots to create larger building sites for residential development through a lot consolidation density incentive that allows a 5% density increase when parcels totaling at least 0.5 acre are consolidated, and a 10% density increase when parcels totaling at least 1.0 acre are consolidated. This incentive program will be publicized to developers and other interested parties through printed materials available at City Hall and electronically on the City’s website.</p>
<p><b>Program HE-1.19: Accessory Dwelling Units</b> □</p>	<p>Encourage ADU production</p>	<p>Completed and Ongoing</p>	<p>Accessory dwelling units (also known as ADUs, second units or granny flats) can help to address a portion of the city’s housing needs, particularly for small lower-income households. City ADU regulations were updated in 2020 consistent with State law. The City will continue to monitor legislation and revise regulations as necessary to ensure conformance with current law. The Orange County Council of Governments (OCCOG) is currently preparing an “ADU Toolkit” that will be available to all jurisdictions in the county. The City will utilize the ADU toolkit, which is expected to include standard plan examples, and other ADU resources to encourage ADU production. In addition, the City will explore and pursue ADU funding annually, modify development standards and reduce fees beyond the minimum requirements of State law, prepare pre-approved plans, and provide homeowner/applicant assistance tools.</p>

<p><b>Program HE-2.1: Support Regional and Local Fair Housing Efforts</b> □</p>	<p><b>Affirmatively further fair housing activities</b></p>	<p><b>Annual and Ongoing</b></p>	<p>The City will continue to disseminate information regarding fair housing in a variety of locations including City Hall, the City website and the library, and conduct ongoing, proactive outreach to engage members of all socio-economic groups and recruit members of underrepresented groups to participate in City meetings. The City will continue to seek funding to support the Fair Housing Council of Orange County (FHCOC), which provides community education, individual counseling, mediation, and low-cost advocacy with the expressed goal of eliminating housing discrimination and guaranteeing the rights of all people to freely choose the housing for which they qualify in the area they desire. The City will invite FHCOC to conduct annual fair housing outreach targeted to Placentia residents and landlords.</p>
<p><b>Program HE-2.2: Section 8 Rental Assistance</b> □</p>	<p><b>Provide information regarding housing assistance</b></p>	<p><b>Ongoing</b></p>	<p>The City will continue to provide referral services and information to residents regarding the Section 8 Rental Housing Assistance Program administered by the Orange County Housing Authority.</p>
<p><b>Program HE-2.3: Minimize Constraints on Housing for Persons with Disabilities</b></p>	<p><b>Minimize regulatory constraints on housing for persons with disabilities</b> □</p>	<p><b>Ongoing and, process Zoning Code amendment in 2023</b></p>	<p>The City will continue to implement the Reasonable Accommodation Ordinance, which provides relief from local regulations and permitting procedures that may have a discriminatory effect on housing for persons with disabilities. In addition, a Zoning Ordinance amendment will be processed in 2023 to update the definition of “family” consistent with State law.</p>
<p><b>Program HE-2.4: Comprehensive Housing Resource Directory</b> □</p>	<p><b>Housing Resource Directory</b></p>	<p><b>Ongoing</b></p>	<p>The City of Placentia will continue to coordinate with the County of Orange to publicize the County’s Comprehensive Housing Resource Directory, which will be made available on the City’s website and in print form at City Hall, the library and other public buildings.</p>
<p><b>Program HE-3.1: Community Based Neighborhood Rehabilitation</b> □</p>	<p><b>Conserve and improve existing residential neighborhoods</b></p>	<p><b>Ongoing</b></p>	<p>The City of Placentia will continue to coordinate with the County of Orange to publicize the County’s Comprehensive Housing Resource Directory, which will be made available on the City’s website and in print form at City Hall, the library and other public buildings. The City also utilizes CDBG funds annually for the repair and rehabilitation of housing units citywide.</p>
<p><b>Program HE-3.2: Neighborhood Identity</b> □</p>	<p><b>Create neighborhood identity</b> □</p>	<p><b>Ongoing</b></p>	<p>Encourage the creation of neighborhood themes and identity in all types of residential developments by use of building material, texture, color and landscaping linked with architectural styles. The City has some Objective Standards adopted and is also considering additional neighborhood and/or citywide architectural design guidelines.</p>
<p><b>Program HE-3.3: Placentia Rehabilitation Grant Program</b> □</p>	<p><b>Rehabilitate existing housing units utilizing CDBG funding</b></p>	<p><b>Ongoing</b></p>	<p>The City of Placentia shall continue to provide grants to rehabilitate owner-occupied, very-low-income housing units. The City shall outreach to potential applicants continuously through the City’s website and will distribute printed material annually.</p>

<p><b>Program HE-3.4: Energy Conservation and Sustainable Building Practices</b> □</p>	<p>Continue to provide energy conservation educational materials to residents</p>	<p>Completed/Ongoing</p>	<p>The City recognizes that utility costs contribute to a household’s overall expenditure for housing. The City shall promote energy and water conservation and “green building” in new and existing residential developments by providing educational materials on the City’s website and in print form at City Hall, the library and at other public buildings. Compliance with Title 24 of the California Building Code will be required of all residential construction necessitating a building permit. The City shall also refer residents to local utility providers for energy and water conservation programs through the City’s website. Finally, through participation in the HERO Program, the City shall provide information and encourage property owners to participate in the property-assessed conservation improvements as allowed by the program.</p>
<p><b>Program HE-3.5: Monitor and Preserve Affordable Housing At-Risk of Conversion to Market Rate</b> □</p>	<p>Encourage preservation and extension/renewal of “At Risk” units</p>	<p>Completed/Ongoing</p>	<p>The City shall continue to monitor units with affordability covenants that are eligible to expire during the next 10 years. To encourage the preservation of these “at-risk” units, the City shall coordinate with the County and non-profit housing organizations to encourage the extension and/or renewal of deed restrictions or covenants., comply with noticing requirements, provide education and assistance to tenants, assist with funding, and promptly reach out to qualified entities to preserve at-risk housing units.</p>
<p><b>Program HE-3.6: Vacant Building Ordinance</b> □</p>	<p>Prevent blight and deterioration in neighborhoods</p>	<p>Completed/Ongoing</p>	<p>To prevent blight and deterioration of Placentia’s residential and non-residential neighborhoods, the Municipal Code establishes owner responsibilities for the maintenance and rehabilitation of long-term vacant buildings. The ordinance requires the registration of vacant properties resulting from foreclosure, and provides for an administrative monitoring program for boarded-up and vacant buildings. To ensure compliance, the ordinance imposes fees and civil penalties; and provides for administrative review and appeal opportunities. The City will continue to implement this ordinance to prevent blight and deterioration in Placentia’s neighborhoods.</p>
